Forward Looking Statements and Non-GAAP Disclaimer

This presentation contains forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. Words such as “will,” “expect,” “expected,” “looking forward,” “guidance” and similar expressions are intended to identify forward-looking statements. Statements about the company’s business, including its strategy, the impact of changes in oil prices and customer spending, its industry, the company’s future profitability, the company’s guidance on its sales, adjusted EBITDA, adjusted gross profit, tax rate, capital expenditures and cash flow, the company’s expectations regarding the pay down of its debt, growth in the company’s various markets and the company’s expectations, beliefs, plans, strategies, objectives, prospects and assumptions are not guarantees of future performance. These statements are based on management’s expectations that involve a number of business risks and uncertainties, any of which could cause actual results to differ materially from those expressed in or implied by the forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors, most of which are difficult to predict and many of which are beyond our control, including the factors described in the company’s SEC filings that may cause our actual results and performance to be materially different from any future results or performance expressed or implied by these forward-looking statements.

For a discussion of key risk factors, please see the risk factors disclosed in the company’s SEC filings, which are available on the SEC’s website at www.sec.gov and on the company’s website, www.mrcglobal.com. Our filings and other important information are also available on the Investor Relations page of our website at www.mrcglobal.com.

Undue reliance should not be placed on the company’s forward-looking statements. Although forward-looking statements reflect the company’s good faith beliefs, reliance should not be placed on forward-looking statements because they involve known and unknown risks, uncertainties and other factors, which may cause the company’s actual results, performance or achievements or future events to differ materially from anticipated future results, performance or achievements or future events expressed or implied by such forward-looking statements. The company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, changed circumstances or otherwise, except to the extent required by law.

Focus on Optimizing Operations

Actively Managing Costs

- Management team with average experience > 30 years; strong track record of actively managing costs
- Successfully executing on cost reduction measures
 - Headcount reductions
 - Hiring & wage freezes
 - Streamline organizational structure
- Reduced headcount by 26% since mid-2014; continue to adjust as market conditions evolve

Actively Managing SG&A Costs

Working Capital Management

- Continue focus on optimizing working capital investment
 - Reduced days sales outstanding by nine days since 2014.
 - Generated \$732 million in operating cash flow since 2013.

Optimizing Net Working Capital¹

1. Excludes cash. All periods have been restated to reflect the 1Q 2016 adoption of a new accounting standard, which resulted in the classification of all deferred taxes as non-current.

Strategic Capital Decisions Support Growth

Effectively Positioning the Balance Sheet ...

- Significant reduction in total debt from:
 - Strong cash flow generation
 - Perpetual convertible preferred stock issuance
- Advantageous debt agreements with favorable terms, low interest rate and 2019 maturities
- Favorable liquidity position of \$645 million

Net Leverage

... For Capital Deployment Opportunities

- Organic growth initiatives
 - Investments in products and technology to drive share gains
- Debt repayment
 - Reduced net debt by \$974 in 2015 and \$101 million in the six months ended June 30, 2016
- Accretive M&A
 - 45% of cash flow deployed on M&A since 2010
- Opportunistic share repurchases
 - Repurchased \$83 million with another \$17 million authorized

Use of Cash Flow (2010 – 2Q 2016¹)

1. Investing and Financing cash flows from 2010 through 2Q 2016. Net Financing equals the total issuance less repayment of debt and equity excluding share repurchases.

Global Platform For Continued M&A

North American Consolidation

Global Acquisitions

Differentiated Position

Targeted Sectors
