- (3) Restricted Payments that are permitted by Section 4.07 hereof and the definition of Permitted Investments (including any payments that are excluded from the definitions of Restricted Payment and Restricted Investment);
- (4) any sale of Equity Interests (other than Disqualified Stock) of the Company;
- (5) loans and advances to officers and employees of Parent, any other direct or indirect parent of the Company, the Company or any of the Company's Restricted Subsidiaries or guarantees in respect thereof or otherwise made on the Company's or any of its Restricted Subsidiaries' behalf (or the cancellation of such loans, advances or guarantees), in both cases for bona fide business purposes in the ordinary course of business;
- (6) any employment, consulting, service or termination agreement, or customary indemnification arrangements, entered into by the Company or any of its Restricted Subsidiaries with current, former or future officers and employees of Parent, the Company or any of its Restricted Subsidiaries and the payment of compensation to officers and employees of Parent, the Company or any of its Restricted Subsidiaries (including amounts paid pursuant to employee benefit plans, employee stock option or similar plans), in each case in the ordinary course of business;
- (7) transactions with a Person that is an Affiliate of the Company solely because the Company, directly or indirectly, owns Equity Interests in, or controls, such Person;
- (8) payments by the Company or any of its Restricted Subsidiaries to The Goldman Sachs Group, Inc. and its Affiliates for any financial advisory services, financing, mergers and acquisitions advisory, insurance brokerage, underwriting or placement services or in respect of other investment banking services, including without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the disinterested members of the Board of Directors of Parent in good faith;
- (9) transactions pursuant to any contracts, instruments or other agreements or arrangements in each case as in effect on the date of this Indenture, and any transactions contemplated thereby, or any amendment, modification or supplement thereto or any replacement thereof entered into from time to time, as long as such agreement or arrangement as so amended, modified, supplemented or replaced, taken as a whole, is not materially more disadvantageous to the Company and its Restricted Subsidiaries at the time executed than the original agreement or arrangement as in effect on the date of this Indenture;

(10) any Guarantee by Parent or any other direct or indirect parent of the Company of Indebtedness of the Company that was permitted by this Indenture;

(11) transactions with Affiliates solely in their capacity as holders of Indebtedness or Equity Interests of the Company or any of its Subsidiaries, so long as such transaction is with all holders of such class (and there are such non-Affiliate holders) and such Affiliates are treated no more favorably than all other holders of such class generally;

(12) transactions with customers, clients, suppliers, joint venture partners or purchasers or sellers of goods or services (including pursuant to joint venture agreements) in the ordinary course of business on terms not materially less favorable as might reasonably have been obtained at such time from a Person that is not an Affiliate of the Company, as determined in good faith by the Company;

(13) transactions in which the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an independent financial advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of prong (1) of Section 4.11(a);

(14) the existence of, or the performance by the Company or any of its Restricted Subsidiaries of its obligations under the terms of, any registration rights agreement to which it is a party or becomes a party in the future;

(15) any contribution to the common equity capital of the Company;

(16) any transaction with any Person who is not an Affiliate immediately before the consummation of such transaction that becomes an Affiliate as a result of such transaction;

(17) the pledge of Equity Interests of any Unrestricted Subsidiary to lenders to support the Indebtedness of such Unrestricted Subsidiary owed to such lenders; and

(18) payments by the Company (or Parent or any other direct or indirect parent of the Company) or any of the Restricted Subsidiaries pursuant to any tax sharing, allocation or similar agreement.

#### Section 4.12 *Liens*.

The Company will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) upon any of their property or assets, now owned or hereafter acquired.

#### Section 4.13 *Corporate Existence*.

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary; *provided, however*, that the Company shall not be required to preserve the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.14 *Offer to Repurchase Upon Change of Control.*

(a) If a Change of Control occurs, each Holder of Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to an offer (a "*Change of Control Offer*") on the terms set forth in this Indenture. In the Change of Control Offer, the Company will offer an offer price (a "*Change of Control Payment*") in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest and Special Interest (if any) thereon, to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control (or prior to the Change of Control if a definitive agreement is in place for the Change of Control), the Company will send a notice to each Holder electronically or by first class mail at its registered address or otherwise in accordance with the procedures of DTC, describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on a date (the "*Change of Control Payment Date*") specified in such notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of such compliance.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate of the Company stating the aggregate principal amount of Notes or portions thereof being purchased by the Company.

(c) The paying agent will promptly mail or wire transfer to each Holder of Notes properly tendered and so accepted the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Note so accepted for payment will cease to accrue interest on and after the Change of Control Payment Date.

(d) Notwithstanding anything to the contrary in this Section 4.14, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer or (2) a notice of redemption has been given for all of the Notes pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

(e) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, subject to one or more conditions precedent, including but not limited to the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

Section 4.15 *Limitation on Layering.*

The Company will not incur, and will not permit any Subsidiary Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Subsidiary Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantees on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company solely by virtue of being unsecured or by virtue of being secured on a junior priority basis or by virtue of the fact that the holders of any secured Indebtedness have entered into intercreditor agreements giving one or more of such holders priority over the other holders in the collateral held by them.

Section 4.16 *Designation of Restricted and Unrestricted Subsidiaries.*

(a) The Board of Directors of the Company or Parent may designate any Subsidiary (including any existing Subsidiary and any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary; *provided that*:

(1) any Guarantee by the Company or any Restricted Subsidiary of the Company of any Indebtedness of the Subsidiary being so designated will be deemed to be an incurrence of Indebtedness by the Company or such Restricted Subsidiary (or both, if applicable) at the time of such designation, and such incurrence of Indebtedness would be permitted under Section 4.09 hereof;

(2) the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary being so designated (including any Guarantee by the Company or any Restricted Subsidiary of the Company of any Indebtedness of such Subsidiary) will be deemed to be an Investment made as of the time of such designation and that such Investment would be permitted under Section 4.07 hereof;

(3) such Subsidiary does not own any Equity Interests of, or hold any Liens on any property of, the Company or any Restricted Subsidiary of the Company (other than Equity Interests of any Restricted Subsidiary of such Subsidiary that is concurrently being designated as an Unrestricted Subsidiary);

(4) the Subsidiary being so designated, after giving effect to such designation:

(A) is not party to any agreement, contract, arrangement or understanding with the Company or any Restricted Subsidiary of the Company that would not be permitted under Section 4.11 hereof after giving effect to the exceptions thereto;

(B) is a Person with respect to which neither the Company nor any of its Restricted Subsidiaries has any direct or indirect obligation (i) to subscribe for additional Equity Interests or (ii) to maintain or preserve such Person's financial condition or to cause such Person to achieve any specified levels of operating results except to the extent permitted under Section 4.07 and Section 4.09 hereof;

(C) (i) has not guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of the Company or any of its Restricted Subsidiaries, except to the extent such Guarantee or credit support would be released upon such designation and (ii) to the extent the Indebtedness of the Subsidiary is non-recourse Indebtedness, any Guarantee or credit support by the Company or a Restricted Subsidiary would be permitted under Section 4.07 and Section 4.09 hereof; and

(5) no Event of Default would be in existence following such designation.

(b) Any designation of a Restricted Subsidiary of the Company as an Unrestricted Subsidiary shall be evidenced to the Trustee by filing with the Trustee a certified copy of the resolution of the Board of Directors of the Company or Parent giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions and was permitted by this Indenture. If, at any time, any Unrestricted Subsidiary would fail to meet any of the preceding requirements set forth in clause (4) above, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness, Investments or Liens on the property of such Subsidiary shall be deemed to be incurred or made by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness, Investments or Liens are not permitted to be incurred or made as of such date under this Indenture, the Company shall be in default under this Indenture.

(c) The Board of Directors of the Company or Parent may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that:

(1) such designation shall be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation shall only be permitted if such Indebtedness is permitted under Section 4.09 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the four-quarter reference period;

(2) all outstanding Investments owned by such Unrestricted Subsidiary will be deemed to be made as of the time of such designation and such Investments shall only be permitted if such Investments would be permitted under Section 4.07 hereof;

(3) all Liens upon property or assets of such Unrestricted Subsidiary existing at the time of such designation would be permitted under Section 4.12 hereof; and

(4) no Default or Event of Default would be in existence following such designation.

#### Section 4.17 *Guarantees.*

(a) If the Company or any of its Restricted Subsidiaries (1) acquires or creates another Wholly Owned Domestic Subsidiary (other than an Excluded Subsidiary) on or after the date of this Indenture or (2) any Restricted Subsidiary of the Company becomes a guarantor with respect to the ABL Credit Facility or any other indebtedness of the Company or any Subsidiary Guarantor, then, within 45 days of the date of such acquisition or guarantee, as applicable, such Subsidiary must become a Subsidiary Guarantor and execute a supplemental indenture and deliver an Opinion of Counsel to the Trustee.

(b) The Company will not permit any of its Restricted Subsidiaries, directly or indirectly, to Guarantee any other Indebtedness of the Company or any Subsidiary Guarantor (including, but not limited to, any Indebtedness under any Credit Facility) unless such subsidiary is a Subsidiary Guarantor

or simultaneously executes and delivers a supplemental indenture providing for the Guarantee of the payment of the Notes by such Restricted Subsidiary, which Guarantee shall be senior in right of payment to or *pari passu* in right of payment with such Restricted Subsidiary's Guarantee of such other Indebtedness. This Section 4.17 shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. In addition, in the event that any Wholly Owned Domestic Subsidiary that is an Excluded Subsidiary ceases to be an Excluded Subsidiary, or if any Excluded Subsidiary becomes a guarantor with respect to the ABL Credit Facility or any other Indebtedness of the Company or any Subsidiary Guarantor, then such Subsidiary must become a Subsidiary Guarantor and execute a supplemental indenture and deliver an Opinion of Counsel to the Trustee within 45 days of the date of such event. The form of the Note Guarantee is attached as Exhibit E.

*Section 4.18 Changes in Covenants When Notes Rated Investment Grade.*

(a) If on any date following the date of this Indenture:

(1) the Notes are rated Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the Notes for reasons outside of the control of the Company, the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Company as a replacement agency); and

(2) no Default or Event of Default shall have occurred and be continuing,

then, beginning on that day and subject to the provisions of Section 4.18(b), Sections 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.16, 4.17 and clause (3) of Section 5.01(a) hereof shall be suspended;

*provided* that during any period that the foregoing covenants have been suspended, the Company's or Parent's Board of Directors may not designate any of the Company's Subsidiaries as Unrestricted Subsidiaries pursuant to Section 4.16 hereof.

(b) Notwithstanding the foregoing, if the rating assigned by Moody's or S&P should subsequently decline to below Baa3 or BBB-, respectively, Sections 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.16, 4.17 and clause (3) of Section 5.01(a) hereof will be reinstituted as of and from the date of such rating decline. Calculations under the reinstated Section 4.07 hereof will be made as if Section 4.07 hereof had been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by violation of Section 4.07 hereof while Section 4.07 hereof was suspended.

ARTICLE 5  
SUCCESSORS

*Section 5.01 Merger, Consolidation or Sale of Assets.*

(a) The Company shall not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation) or (2) sell, assign, transfer, convey, lease or otherwise dispose of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person or Persons, unless:

(1) either:

(A) the Company is the surviving corporation; or

(B) the Person formed by or surviving such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance, lease or other disposition shall have been made (i) is a corporation, limited liability company, partnership (including a limited partnership) or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia ( *provided* that if such Person is not a corporation, (A) a corporate Wholly Owned Restricted Subsidiary of such Person organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, or (B) a corporation of which such Person is a Wholly Owned Restricted Subsidiary organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, is a co-issuer of the Notes or becomes a co-issuer of the Notes in connection therewith) and (ii) assumes all the obligations of the Company under the Notes, this Indenture and the Registration Rights Agreement pursuant to agreements reasonably satisfactory to the Trustee;

(2) immediately after giving effect to such transaction no Event of Default exists;

(3) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, on a *pro forma* basis, either

(A) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company) would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; or

(B) the Fixed Charge Coverage Ratio for the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company) would not be less than the Fixed Charge Coverage Ratio for the Company immediately prior to such transactions; and

(4) each Guarantor, unless such Guarantor is the Person with which the Company has entered into a transaction under this Section 5.01, shall have by amendment to its Note Guarantee confirmed that its Note Guarantee shall apply to the obligations of the Company or the surviving Person in accordance with the Notes and this Indenture.

(b) The provision set forth in clause (3) of Section 5.01(a) shall not apply to (1) any merger, consolidation or sale, assignment, lease, transfer, conveyance or other disposition of assets between or among the Company and any of its Restricted Subsidiaries or (2) any merger between the Company and an Affiliate of the Company, or between a Restricted Subsidiary and an Affiliate of the Company, in each case in this clause (2) solely for the purpose of reincorporating the Company or such Restricted Subsidiary, as the case may be, in the United States, any state thereof, the District of Columbia or any territory thereof, so long as the amount of Indebtedness of the Company and its Restricted Subsidiaries is not increased thereby.

#### Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is

subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the “Company” shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, interest and Special Interest, if any, on, the Notes except in the case of a sale of all of the Company’s assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

## ARTICLE 6 DEFAULTS AND REMEDIES

### Section 6.01 *Events of Default*.

Each of the following is an “*Event of Default*”:

- (1) default for 30 consecutive days in the payment when due of interest on, or Special Interest with respect to, the Notes;
- (2) default in payment when due (whether at maturity, upon acceleration, redemption or otherwise) of the principal of, or premium, if any, on the Notes;
- (3) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions of Sections 4.10, 4.14, 5.01 or 11.04(a) hereof for 30 days after written notice by the Trustee or Holders representing 25% or more of the aggregate principal amount of Notes outstanding;
- (4) failure by the Company or any of its Restricted Subsidiaries for 60 days after written notice by the Trustee or Holders representing 25% or more of the aggregate principal amount of Notes outstanding to comply with any of the agreements in this Indenture or the Security Documents for the benefit of the Holders of the Notes other than those referred to in clauses (1) through (3) of this Section 6.01;
- (5) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of the Company’s Significant Subsidiaries (or any group of Restricted Subsidiaries of the Company that together would constitute a Significant Subsidiary of the Company), or the payment of which is guaranteed by the Company or any of the Company’s Significant Subsidiaries (or any group of Restricted Subsidiaries of the Company that together would constitute a Significant Subsidiary of the Company), whether such Indebtedness or Guarantee now exists, or is created after the date of this Indenture, if that default:
  - (A) is caused by a failure to make any payment when due at the final maturity of such Indebtedness (after giving effect to any applicable grace period) (a “*Payment Default*”); or
  - (B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$50.0 million or more;

(6) failure by the Company or any of the Company's Significant Subsidiaries (or any group of Restricted Subsidiaries of the Company that together would constitute a Significant Subsidiary of the Company) to pay non-appealable final judgments aggregating in excess of \$50.0 million (excluding amounts covered by insurance provided by a carrier that has acknowledged coverage and has the ability to perform), which judgments are not paid, discharged or stayed for a period of more than 60 days after such judgments have become final and non-appealable and, in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(7) the occurrence of any of the following:

(A) any Security Document for the benefit of Holders of the Notes is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect in any material respect, other than in accordance with the terms of the relevant Security Documents; or

(B) except as permitted by this Indenture, any Priority Lien for the benefit of Holders of the Notes purported to be granted under any Security Document for the benefit of Holders of the Notes on Collateral, individually or in the aggregate, having a Fair Market Value in excess of \$50.0 million ceases to be an enforceable and perfected first-priority Lien in any material respect, subject only to Permitted Prior Liens, and such condition continues for 60 days after written notice by the Trustee or the Collateral Trustee of failure to comply with such requirement; provided that it will not be an Event of Default under this clause 7(B) if such condition results from the action or inaction of the Trustee or the Collateral Trustee; or

(C) the Company or any Significant Subsidiary that is a Subsidiary Guarantor (or any such Subsidiary Guarantors that together would constitute a Significant Subsidiary), or any Person acting on behalf of any of them, denies or disaffirms, in writing, any material obligation of the Company or such Significant Subsidiary that is a Guarantor (or such Subsidiary Guarantors that together constitute a Significant Subsidiary) set forth in or arising under any Security Document for the benefit of Holders of the Notes;

(8) except as permitted by this Indenture, any Note Guarantee of a Subsidiary Guarantor that is a Significant Subsidiary of the Company (or any such Subsidiary Guarantors that together would constitute a Significant Subsidiary) shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect in any material respect or any Guarantor, or any Person acting on behalf of any Guarantor, shall deny or disaffirm in writing its obligations under its Note Guarantee if, and only if, in each such case, such Default continues for 21 days after notice of such Default shall have been given to the Trustee;

(9) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

- (A) commences a voluntary case,
- (B) consents to the entry of an order for relief against it in an involuntary case,
- (C) consents to the appointment of a custodian of it or for all or substantially all of its property,
- (D) makes a general assignment for the benefit of its creditors, or
- (E) generally is not paying its debts as they become due;

(10) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(C) orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days.

In the event of any Event of Default specified in clause (5) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;
- (2) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

#### Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (9) or (10) of Section 6.01 hereof, with respect to the Company or any Significant Subsidiary of the Company (or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary of the Company), all outstanding Notes will become due and payable immediately without further action or

notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately by notice in writing to the Company specifying the Event of Default. Upon any such declaration, the Notes shall become due and payable immediately. The Trustee shall have no obligation to accelerate the Notes if in the best judgment of the Trustee acceleration is not in the best interest of the Holders of the Notes.

#### Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, interest or Special Interest, if any, on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

#### Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default or Event of Default and its consequences hereunder or under the Security Documents, except a continuing Default or Event of Default in the payment of interest or Special Interest, if any, on, premium, if any, on, or the principal of, the notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration ( *provided* such rescission would not conflict with any judgment of a court of competent jurisdiction). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

#### Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction from Holders.

#### Section 6.06 *Limitation on Suits.*

No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless each of the following conditions is met:

- (1) the Holder gives the Trustee written notice of a continuing Event of Default;

- (2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer the Trustee indemnity, security or prefunding reasonably satisfactory to the Trustee against any costs, loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

*Section 6.07 Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of the principal of, premium, if any, or Special Interest, if any, or interest on, such Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of a Security Document upon any property subject to such Lien.

*Section 6.08 Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, interest and Special Interest, if any, remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

*Section 6.09 Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be

secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

#### Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

*First:* to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

*Second:* to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, interest and Special Interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest and Special Interest, if any, respectively; and

This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

### ARTICLE 7 TRUSTEE

#### Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Delivery of any reports, information and documents to the Trustee, including pursuant to Section 4.03, is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants pursuant to Article 4 (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

#### Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete

authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security satisfactory to it against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has knowledge thereof or unless written notice of any event which is in fact such a default is delivered to the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuer delivers a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The Trustee and the Collateral Trustee shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any Security Documents, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture, any Security Documents or any other agreement, instrument or document, (iii) the creation, perfection or priority of any Lien purported to be created by the Security Documents, (iv) the value or the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in any Security Documents, other than to confirm receipt of items expressly required to be delivered to the Collateral Trustee.

#### *Section 7.03 Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this

Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

*Section 7.04 Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

*Section 7.05 Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, interest or Special Interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

*Section 7.06 Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2). The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA §313(d). The Company will promptly notify the Trustee when the Notes are listed on any stock exchange.

*Section 7.07 Compensation and Indemnity.*

(a) The Company will pay to the Trustee such reasonable compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in

connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its reckless misconduct, negligence or bad faith. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld. Notwithstanding anything in this Indenture to the contrary, the Company need not reimburse any expense or indemnity against any loss, liability or expense incurred by the Trustee through the Trustee's own reckless misconduct, negligence or bad faith.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, interest or Special Interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) or (10) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee will comply with the provisions of TIA §313(b)(2) to the extent applicable.

#### Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof or TIA §310;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

*Section 7.09 Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

*Section 7.10 Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

*Section 7.11 Preferential Collection of Claims Against Company.*

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8  
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

*Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of the Company's or Parent's Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

#### Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) and cure all then existing Events of Default on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Special Interest, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith;
- (4) this Article 8; and
- (5) the optional redemption provisions of this Indenture to the extent that Legal Defeasance is to be effected together with a redemption.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

#### Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16 and 4.17 hereof and clause (3) of Section 5.01(a) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note

Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3), (4), (5), (6), (7) and (8) hereof will not constitute Events of Default.

*Section 8.04 Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm, to pay the principal of, or interest and premium and Special Interest, if any, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company shall have deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from borrowing funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company

or any of its Subsidiaries is bound (other than that resulting with respect to any Indebtedness being defeased from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to such Indebtedness, and the granting of Liens in connection therewith);

(6) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others;

(7) if the Notes are to be redeemed prior to their Stated Maturity, the Company must deliver to the Trustee irrevocable instructions to redeem all of the Notes on the specified redemption date; and

(8) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

#### *Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, interest and Special Interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm, expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

The Collateral will be released from the Lien securing the Notes upon a Legal Defeasance or Covenant Defeasance in accordance with the provisions of this Article 8.

#### *Section 8.06 Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, interest or Special Interest, if any, on, any

Note and remaining unclaimed for two years after such principal, premium, if any, interest or Special Interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease.

*Section 8.07 Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, interest or Special Interest, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

Notwithstanding Section 9.02 hereof, without notice to or the consent of any Holder of Notes, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Note Guarantees or the Security Documents:

- (6) to comply with Section 4.17 hereof;
- (7) to conform the text of this Indenture, the Notes, the Note Guarantees or any Security Document to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Note Guarantees or any Security Document, which intent may be evidenced by an Officers' Certificate to that effect;

(8) to evidence and provide for the acceptance of appointment by a successor Trustee, *provided* that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture, or evidence and provide for a successor or replacement Collateral Trustee under the Security Documents;

(9) to provide for the issuance of Additional Notes (and the grant of security for the benefit of the Additional Notes) in accordance with the terms of this Indenture and the Collateral Trust Agreement;

(10) to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Security Documents or any release, termination or discharge of Collateral that becomes effective as set forth in this Indenture or any of the Security Documents;

(11) to grant any Lien for the benefit of the Holders of any future Subordinated Lien Debt or any present or future Priority Lien Debt in accordance with the terms of this Indenture and the Collateral Trust Agreement;

(12) to add additional secured parties to the extent Liens securing obligations held by such parties are permitted under this Indenture;

(13) to mortgage, pledge, hypothecate or grant a security interest in favor of the collateral agent for the benefit of the Trustee and the Holders of the Notes as additional security for the payment and performance of the Company's and any Guarantor's obligations under this Indenture, in any property, or assets, including any of which are required to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Trustee or the Collateral Trustee in accordance with the terms of this Indenture or otherwise;

(14) to provide for the succession of any parties to the Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of any agreement in accordance with the terms of this Indenture and the relevant Security Document;

(15) to provide for a reduction in the minimum denominations of the Notes;

(16) to add a Guarantor or other guarantor under this Indenture or release a Guarantor in accordance with the terms of this Indenture;

(17) to add covenants for the benefit of the Holders or surrender any right or power conferred upon the Company or any Guarantor;

(18) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes, provided that compliance with this Indenture as so amended may not result in Notes being transferred in violation of the Securities Act or any applicable securities laws;

(19) to provide for the assumption by one or more successors of the obligations of any of the Guarantors under this Indenture and the Note Guarantees;

(20) to provide for the issuance of Exchange Notes in accordance with the terms of this Indenture; or

(21) to comply with the rules of any applicable securities depository.

Upon the request of the Company accompanied by a resolution of the Company's or Parent's Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents set forth in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

*Section 9.02 With Consent of Holders of Notes.*

Except as otherwise provided in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.14 hereof) and the Notes, the Note Guarantees and the Security Documents relating to the Notes (subject to compliance with the Intercreditor Agreement and the Collateral Trust Agreement) with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, interest or Special Interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes, the Note Guarantees or the Security Documents relating to the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of the Company's or Parent's Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents set forth in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by

the Company with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the Stated Maturity of any Note or alter the provisions, or waive any payment, with respect to the redemption of the Notes (except as provided in the first paragraph of this Section 9.02 with respect to Sections 3.09, 4.10 and 4.14 hereof);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, or Special Interest, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any Note payable in money other than U.S. dollars;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium, if any, or Special Interest, if any, on the Notes;
- (7) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture or the Note Guarantees;
- (8) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or the Note Guarantees;
- (9) amend, change or modify the obligation of the Company to make and consummate an Asset Sale Offer with respect to any Asset Sale in accordance with Section 4.10 after the obligation to make such Asset Sale Offer has arisen, or the obligation of the Company to make and consummate a Change of Control Offer in the event of a Change of Control in accordance with Section 4.14 after such Change of Control has occurred, including, in each case, amending, changing or modifying any definition relating thereto; or
- (10) make any change in the amendment and waiver provisions, except to increase any such percentage required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby.

Any amendment to, or waiver of, the provisions of this Indenture or any Security Document that has the effect of releasing all or substantially all of the Collateral from the Liens securing the Notes will require the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding (but only to the extent any such consent is required under the Collateral Trust Agreement).

### Section 9.03 *Compliance with Trust Indenture Act.*

Upon and after the qualification of this Indenture under the TIA, every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

### Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

### Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

### Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company or Parent approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

The Subordinated Lien Documents, if any, shall require that the foregoing provision is intended for the benefit of, and will be enforceable by, each present and future holder of Priority Lien Obligations, each present and future Priority Lien Representative and the Collateral Trustee as holder of Priority Liens, in each case, as a party to the Collateral Trust Agreement or as a third party beneficiary thereof.

*Section 10.03 Release of Liens in Respect of Notes.*

The Collateral Trustee's Liens upon the Collateral will no longer secure the Notes outstanding under this Indenture or any other Obligations under this Indenture, and the right of the Holders of the Notes and such Obligations to the benefits and proceeds of the Collateral Trustee's Liens on the Collateral will terminate and be discharged:

- (1) upon satisfaction and discharge of this Indenture as set forth under Article 12 hereof;

- (2) upon a Legal Defeasance or Covenant Defeasance of the Notes as set forth under Article 8 hereof;
- (3) upon payment in full and discharge of all Notes outstanding under this Indenture and all Obligations that are outstanding, due and payable under this Indenture at the time the Notes are paid in full and discharged;

Nothing in the Note Documents shall:

- (1) impair, as between the Company and the Holders of the Notes, the obligation of the Company to pay principal, interest, premium, if any, or Special Interest, if any, on the Notes in accordance with their terms or any other obligation of the Company or any Guarantor under the Note Documents;
- (2) affect the relative rights of Holders of Notes as against any other creditors of the Company or any Guarantor (other than as expressly specified in the Intercreditor Agreement or the Collateral Trust Agreement);
- (3) restrict the right of any Holder of Notes to sue for payments that are then due and owing (but not the right to enforce any judgment in respect thereof against any Collateral to the extent specifically prohibited by the Intercreditor Agreement or the Collateral Trust Agreement.
- (4) restrict or prevent any Holder of Notes or other Priority Lien Obligations, the Trustee, the Collateral Trustee or any other person from exercising any of its rights or remedies upon a Default or Event of Default not specifically restricted or prohibited by the Intercreditor Agreement or the Collateral Trust Agreement; or
- (5) restrict or prevent any Holder of Notes or other Priority Lien Obligations, the Trustee, the Collateral Trustee or any other person from taking any lawful action in an Insolvency or Liquidation Proceeding not specifically restricted or prohibited by the Intercreditor Agreement or the Collateral Trust Agreement.

Section 10.05 *Compliance with Trust Indenture Act.*

Upon and after the qualification of this Indenture under the TIA, the Company shall comply with the provisions of TIA §314.

To the extent applicable, the Company shall cause TIA §313(b), relating to reports, and TIA §314(d), relating to the release of property or securities or relating to the substitution therefor of any property or securities subject to the Lien of the Security Documents, to be complied with. Any certificate or opinion required by TIA §314(d) may be made by an Officer of the Company except in cases where TIA §314(d) requires that such certificate or opinion be made by an independent Person, which Person will be an independent engineer, appraiser or other expert selected by or reasonably satisfactory to the Trustee. Notwithstanding anything to the contrary in this paragraph, the Company will not be required to

comply with all or any portion of TIA §314(d) if it determines, in good faith, that under the terms of TIA §314(d) and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including “no action” letters or exemptive orders, all or any portion of TIA §314(d) is inapplicable to released Collateral.

The Company and each of the Subsidiary Guarantors may, subject to compliance with the provisions of this Indenture, but without release or consent of the Trustee or the Collateral Trustee or any holder of Priority Lien Obligations, conduct ordinary course activities with respect to the Collateral.

Section 10.06 *Collateral Trustee.*

(a) The Company has appointed U.S. Bank National Association to serve as the Collateral Trustee for the benefit of the holders of:

- (1) the Notes;
- (2) all other Priority Lien Obligations outstanding from time to time; and
- (3) all Subordinated Lien Obligations outstanding from time to time, if any.

(b) The Collateral Trustee will hold (directly or through co-trustees or agents), and will be entitled to enforce on behalf of the holders of Priority Lien Obligations and Subordinated Lien Obligations, if any, all Liens on the Collateral created by the Security Documents, subject to the provisions of the Intercreditor Agreement and the Collateral Trust Agreement.

(c) Except as provided in the Collateral Trust Agreement or as directed by an Act of Required Debtholders in accordance with the Collateral Trust Agreement, the Collateral Trustee will not be obligated:

- (1) to act upon directions purported to be delivered to it by any Person;
- (2) to foreclose upon or otherwise enforce any Lien; or
- (3) to take any other action whatsoever with regard to any or all of the Security Documents, the Liens created thereby or the Collateral.

(d) Each Holder hereby authorizes and directs the Trustee and Collateral Trustee to act pursuant to the Security Documents.

Section 10.07 *Further Assurances.*

The Company and each of the Subsidiary Guarantors shall do or cause to be done all acts and things that may be reasonably required, or that the Collateral Trustee from time to time may reasonably request, to assure and confirm that the Collateral Trustee holds, for the benefit of the holders of Obligations under the Note Documents, duly created and enforceable and perfected Liens upon the Collateral (including any property or assets that are acquired or otherwise become Collateral after the Notes are issued), in each case, as and to the extent contemplated by, and with the Lien priority required under, the Secured Debt Documents relating to the Notes.

Section 10.08 *Insurance.*

(a) The Company and the Subsidiary Guarantors shall:

(1) keep their properties insured and maintain such general liability, automobile liability, workers' compensation / employers' liability, property casualty insurance and any excess umbrella coverage related to any of the foregoing as is customary for companies in the same or similar businesses operating in the same or similar locations;

(2) maintain such other insurance as may be required by law; and

(3) maintain such other insurance as may be required by the Security Documents relating to the Notes.

(b) Upon the request of the Trustee or the Collateral Trustee, the Company and the Subsidiary Guarantors shall furnish to the Trustee or Collateral Trustee full information as to their property and liability insurance carriers. **Section 10.09 *Real Property.***

(a) The Company shall use commercially reasonable efforts to deliver to the Trustee within 90 days of the date of this Indenture, with respect to each real property asset owned by the Company or any Guarantor listed on Exhibit G attached hereto (the "*Initial Mortgaged Property*"), the following:

(1) fully executed and notarized mortgages or deeds of trust (each, a "*Mortgage*") encumbering the fee interest of the Issuer or any of the Subsidiary Guarantors in each such Initial Mortgaged Property, together with such UCC-1 financing statements or other fixture filings as the Trustee shall reasonably deem appropriate with respect to such Mortgaged Property;

(2) evidence that counterparts of the Mortgage (and such other documents referenced in clause (1) this Section 10.09(a)) for each Initial Mortgaged Property have been filed or recorded (or are in form suitable for filing or recording) in all filing or recording offices that the Trustee may deem reasonably necessary or desirable in order to create a valid and subsisting Lien on the property described therein in favor of the Trustee;

(3) a fully paid pro forma title insurance policy for each Initial Mortgaged Property, which, upon the recording of the Mortgages, will insure the Mortgages to be valid and subsisting Liens on the Mortgaged Property described therein, free and clear of all material Liens, except Permitted Liens; and

(4) a written opinion from local counsel in each state in which Mortgaged Property is located with respect to the creation and perfection of the applicable Mortgage and any related fixture filings, in customary form and substance and subject to customary assumptions, limitations and qualifications, reasonably satisfactory to the Trustee.

(b) Notwithstanding the foregoing in this Section 10.09, in no event shall the Company or any Guarantor be required to take any action or deliver to the Trustee any agreement, instrument, title insurance or opinion with respect to any Initial Mortgaged Property or After-Acquired Property pursuant to this Indenture or any other Note Documents, if such agreement, instrument, title insurance, opinion, document or action is more onerous on the Company or any Guarantor than the analogous item received by the collateral agent for the term loan credit facility of the Company (paid-off with the proceeds of the

issuance and sale of the Notes) with respect to such Mortgaged Property. For the avoidance of doubt, it will not be a default, Default or Event of Default, (x) if the Company or the relevant Subsidiary Guarantor has not delivered to the Trustee the items described in clauses (1), (2), (3) and (4) of clause (a) of this Section 10.09 with respect to any Initial Mortgaged Property within ninety 90 days of the date of this Indenture after using commercially reasonable efforts, or (y) if the Company or the relevant Subsidiary Guarantor has not delivered to the Trustee the items described in clauses (1), (2), (3) and (4) of clause (a) of this Section 10.09 with respect to any After-Acquired Property within ninety (90) days of the relevant date (June 30 or December 31 in each year) specified in clause (c) of this Section 10.09 after using commercially reasonable efforts.

(c) Following the acquisition by the Company or any Subsidiary Guarantor of any fee interest in real property that is not an Excluded Asset (each, an “*After-Acquired Property*”), the Company or such Subsidiary Guarantor that owns such After-Acquired Property shall use commercially reasonable efforts to execute and deliver to the Trustee on a semiannual basis (within 90 days after the end of June 30 with respect to After-Acquired Property acquired between January 1 and June 30 of each year and within 90 days after the end of December 31 with respect to After-Acquired Property acquired between July 1 and December 31 of each year) a Mortgage and the other items set forth in clauses (1), (2), (3) and (4) of clause (a) of this Section 10.09 relating to such After-Acquired Property *mutatis mutandis*, and thereupon such After-Acquired Property shall be Collateral to the extent purported to be subject to the Lien of any such Mortgage.

Section 10.10 *Recording, Registration and Opinions*. ## ARTICLE 11 NOTE GUARANTEES

### Section 11.01 *Guarantee*.

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium on, if any, interest and Special Interest, if any, on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, interest and Special Interest, if any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

#### *Section 11.02 Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer, fraudulent conveyance or fraudulent obligation for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer, fraudulent conveyance or fraudulent obligation.

#### *Section 11.03 Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be

endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 11.04 *Guarantors May Consolidate, etc., on Certain Terms.*

(a) A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person), another Person, other than the Company or another Guarantor, unless:

(1) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(2) either:

(A) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) (i) is organized or existing under the laws of the United States, any state thereof or the District of Columbia ( *provided* that the provisions set forth in this clause (i) shall not apply if such Guarantor is organized under the laws of a jurisdiction other than the United States, any state thereof or the District of Columbia) and (ii) assumes all the obligations of that Guarantor under this Indenture, its Note Guarantee and the Registration Rights Agreement pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) in the case of a Subsidiary Guarantor, such sale or other disposition or consolidation or merger complies with Section 4.10 hereof.

(b) In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

(c) Notwithstanding the foregoing, any Guarantor may (i) merge with the Company or a Restricted Subsidiary of the Company solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (ii) convert into a corporation, partnership, limited partnership, limited liability company or trust organized under the laws of the jurisdiction of organization of such Guarantor, in each case without regard to the requirements set forth in clause (1) of Section 11.04(a) hereof.

*Section 11.05 Releases.*

(a) The Note Guarantee of Parent will automatically and unconditionally be released without the need for any further action by any party upon written notice from the Company to the Trustee. The Note Guarantee of a Subsidiary Guarantor will automatically and unconditionally be released without the need for any action by any party:

(1) in connection with any sale or other disposition of Capital Stock of a Subsidiary Guarantor (including by way of consolidation or merger or otherwise) to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, such that, immediately after giving effect to such transaction, such Guarantor would no longer constitute a Subsidiary of the Company, if the sale of such Capital Stock of that Subsidiary Guarantor complies with Section 4.07 and Section 4.10;

(2) in connection with the merger or consolidation of a Subsidiary Guarantor with any other Subsidiary Guarantor;

(3) in the event of the release of the guarantee under the ABL Credit Facility of a Subsidiary Guarantor that is not (A) a Wholly Owned Domestic Subsidiary or (B) a Restricted Subsidiary that guarantees Indebtedness of the Company or any Subsidiary Guarantor;

(4) if the Company properly designates any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary under this Indenture;

(5) upon the Legal Defeasance or Covenant Defeasance or satisfaction and discharge of this Indenture;

(6) solely in the case of a Note Guarantee created pursuant to Section 4.17(b), upon the release or discharge of the Guarantee which resulted in the creation of such Note Guarantee pursuant to Section 4.17(b), except a discharge or release by or as a result of payment under such Guarantee; or

(7) upon a liquidation or dissolution of a Subsidiary Guarantor permitted under this Indenture.

(b) The Note Guarantee of any Subsidiary Guarantor will be released in connection with a sale of all of the assets of such Subsidiary Guarantor in a transaction that complies with the conditions set forth in Section 11.04.

(c) Notwithstanding any other provision in this Indenture, any Restricted Subsidiary of the Company (including any Subsidiary Guarantor) may be liquidated at any time, so long as all assets owned by such entity which constitute Collateral remain Collateral owned by the Company or a Subsidiary Guarantor following any such liquidation.

(d) Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 11.05 will remain liable for the full amount of principal of, premium on, if any, interest and Special Interest, if any, on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

## ARTICLE 12 SATISFACTION AND DISCHARGE

### Section 12.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and Special Interest, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default shall have occurred and be continuing (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to this Indenture and the Notes issued thereunder on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other material instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound (other than any such default resulting from any borrowing of funds to be applied to make the deposit and any similar simultaneous deposit relating to other Indebtedness, and the granting of Liens in connection therewith);

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and not provided for by the deposit required by clause 1(b) above; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 12.01, the provisions of Sections 12.02 and 8.06 hereof will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, interest and Special Interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, interest, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *Interest.* McJunkin Red Man Corporation, a West Virginia corporation (the “*Company*”), promises to pay or cause to be paid interest on the principal amount of this Note at 9.50% per annum from \_\_\_\_\_, 20\_\_ until maturity and shall pay the Special Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Company will pay interest and Special Interest, if any, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be June 15, 2010. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *Method of Payment.* The Company will pay interest on the Notes (except defaulted interest) and Special Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, interest and Special Interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest and Special Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, interest and Special Interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *Paying Agent and Registrar.* Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *Indenture*. The Company issued the Notes under an Indenture dated as of December 21, 2009 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and, when the Indenture is qualified under the TIA, those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *Optional Redemption*.

(a) At any time prior to December 15, 2012, the Company may, on any one or more occasions, redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture (together with any Additional Notes) at a redemption price of 109.50% of the principal amount thereof, *plus* accrued and unpaid interest and Special Interest (if any) thereon to the applicable redemption date, with all or a portion of the net cash proceeds of one or more Qualified Equity Offerings; *provided that*:

(A) at least 65% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Subsidiaries); and

(B) the redemption must occur within 90 days of the date of the closing of such Qualified Equity Offering.

(b) At any time prior to December 15, 2012, the Company may, on any one or more occasions, redeem all or a part of the Notes, upon not less than 15 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest and Special Interest (if any) to, the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the two preceding paragraphs, the Notes will not be redeemable at the Company’s option prior to December 15, 2012.

(d) On or after December 15, 2012, the Company may redeem all or a part of the Notes upon not less than 15 nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Special Interest, if any, thereon, to the applicable redemption date, if redeemed during the 12-month period beginning on December 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2012	107.125%
2013	104.750%
2014	102.375%
2015 and thereafter	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *Mandatory Redemption*. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *Repurchase at the Option of Holder*.

(a) If there is a Change of Control, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Special Interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the “*Change of Control Payment*”). Within 30 days following any Change of Control (or prior to the Change of Control if a definitive agreement is in place for the Change of Control), the Company will send a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within ten Business Days of each date on which the aggregate amount of Excess Proceeds exceeds \$35.0 million, the Company will make an Asset Sale Offer to all Holders of Notes and all holders of Priority Lien Debt containing provisions similar to those set forth in the Indenture with respect to offers to purchase with the proceeds of sales of assets in accordance with the Indenture to purchase the maximum principal amount of Notes and such other Priority Lien Debt that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Special Interest, if any, to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other Priority Lien Debt tendered in such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other Priority Lien Debt to be purchased on a *pro rata* basis, based on the amounts tendered. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. The Company may satisfy the foregoing obligation with respect to any Net Proceeds prior to the expiration of the relevant 365 day period (as such period may be extended in accordance with the Indenture) or with respect to Excess Proceeds of \$35.0 million or less Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “*Option of Holder to Elect Purchase*” attached to the Notes.

(8) *Notice of Redemption*. At least 15 days but not more than 60 days before a redemption date, the Company will send electronically, mail, or cause to be mailed, by first class mail, or provide in accordance with the procedures of the Depositary a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 12 thereof. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder

are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Redemptions may be subject to one or more conditions.

(9) *Denominations, Transfer, Exchange.* The Notes are in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *Security.* The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Collateral Agent holds the Collateral in trust for the benefit of the Trustee and the Holders of the Notes pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Trustee and/or the Collateral Agent, as applicable, to enter into the Security Documents, and to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(11) *Persons Deemed Owners.* The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(12) *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture, the Notes, the Note Guarantees or the Security Documents relating to the Notes (subject to compliance with the Intercreditor Agreement and the Collateral Trust Agreement) may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes, the Note Guarantees or the Security Documents relating to the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture, the Notes, the Note Guarantees or the Security Documents relating to the Notes may be amended or supplemented: (i) to cure any ambiguity, omission, mistake, defect or inconsistency; (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes; (iii) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 of the Indenture; (iv) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder in any material respect; (v) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; (vi) to comply with Section 4.17 of the Indenture; (vii) to conform the text of the Indenture, the Notes, the Note Guarantees or any Security Document to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes, the Note Guarantees or any Security Document, which intent may be evidenced by an Officers' Certificate to that effect; (viii) to evidence and provide

for the acceptance of appointment by a successor Trustee, *provided* that the successor Trustee is otherwise qualified and eligible to act as such under the terms of the Indenture, or evidence and provide for a successor or replacement Collateral Trustee under the Security Documents; (ix) to provide for the issuance of Additional Notes (and the grant of security for the benefit of the Additional Notes) in accordance with the terms of the Indenture and the Collateral Trust Agreement; (x) to make, complete or confirm any grant of Collateral permitted or required by the Indenture or any of the Security Documents or any release, termination or discharge of Collateral that becomes effective as set forth in the Indenture or any of the Security Documents; (xi) to grant any Lien for the benefit of the Holders of any future Subordinated Lien Debt or any present or future Priority Lien Debt in accordance with the terms of the Indenture and the Collateral Trust Agreement; (xii) to add additional secured parties to the extent Liens securing obligations held by such parties are permitted under the Indenture; (xiii) to mortgage, pledge, hypothecate or grant a security interest in favor of the collateral agent for the benefit of the Trustee and the Holders of the Notes as additional security for the payment and performance of the Company's and any Guarantor's obligations under the Indenture, in any property, or assets, including any of which are required to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Trustee or the Collateral Trustee in accordance with the terms of the Indenture or otherwise; (xiv) to provide for the succession of any parties to the Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of any agreement in accordance with the terms of the Indenture and the relevant Security Document; (xv) to provide for a reduction in the minimum denominations of the Notes; (xvi) to add a Guarantor or other guarantor under the Indenture or release a Guarantor in accordance with the terms of the Indenture; (xvii) to add covenants for the benefit of the Holders or surrender any right or power conferred upon the Company or any Guarantor; (xviii) to make any amendment to the provisions of the Indenture relating to the transfer and legend of Notes as permitted by the Indenture, including, without limitation, to facilitate the issuance and administration of the Notes, provided that compliance with the Indenture as so amended may not result in Notes being transferred in violation of the Securities Act or any applicable securities laws; (xix) to provide for the assumption by one or more successors of the obligations of any of the Guarantors under the Indenture and the Note Guarantees; (xx) to provide for the issuance of Exchange Notes in accordance with the terms of the Indenture; or (xxi) to comply with the rules of any applicable securities depository.

(13) *Defaults and Remedies*. (1) *Interest.* McJunkin Red Man Corporation, a West Virginia corporation (the "*Company*"), promises to pay or cause to be paid interest on the principal amount of this Note at 9.50% per annum from \_\_\_\_\_, 20\_\_ until maturity and shall pay the Special Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Company will pay interest and Special Interest, if any, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be June 15, 2010. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Until this Regulation S Temporary Global Note is exchanged for one or more Regulation S Permanent Global Notes, the Holder hereof shall not be entitled to receive payments of interest hereon; until so exchanged in full, this Regulation S Temporary Global Note shall in all other respects be entitled to the same benefits as other Notes under the Indenture.

(2) *Method of Payment.* The Company will pay interest on the Notes (except defaulted interest) and Special Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, interest and Special Interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest and Special Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, interest and Special Interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *Paying Agent and Registrar.* Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *Indenture*. The Company issued the Notes under an Indenture dated as of December 21, 2009 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and, when the Indenture is qualified under the TIA, those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *Optional Redemption*.

(a) At any time prior to December 15, 2012, the Company may, on any one or more occasions, redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture (together with any Additional Notes) at a redemption price of 109.50% of the principal amount thereof, *plus* accrued and unpaid interest and Special Interest (if any) thereon to the applicable redemption date, with all or a portion of the net cash proceeds of one or more Qualified Equity Offerings; *provided* that:

(A) at least 65% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Subsidiaries); and

(B) the redemption must occur within 90 days of the date of the closing of such Qualified Equity Offering.

(b) At any time prior to December 15, 2012, the Company may, on any one or more occasions, redeem all or a part of the Notes, upon not less than 15 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest and Special Interest (if any) to, the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the two preceding paragraphs, the Notes will not be redeemable at the Company’s option prior to December 15, 2012.

(d) On or after December 15, 2012, the Company may redeem all or a part of the Notes upon not less than 15 nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Special Interest, if any, thereon, to the applicable redemption date, if redeemed during the 12-month period beginning on December 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2012	107.125%
2013	104.750%
2014	102.375%
2015 and thereafter	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *Mandatory Redemption*. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *Repurchase at the Option of Holder*.

(a) If there is a Change of Control, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Special Interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the “*Change of Control Payment*”). Within 30 days following any Change of Control (or prior to the Change of Control if a definitive agreement is in place for the Change of Control), the Company will send a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within ten Business Days of each date on which the aggregate amount of Excess Proceeds exceeds \$35.0 million, the Company will make an Asset Sale Offer to all Holders of Notes and all holders of Priority Lien Debt containing provisions similar to those set forth in the Indenture with respect to offers to purchase with the proceeds of sales of assets in accordance with the Indenture to purchase the maximum principal amount of Notes and such other Priority Lien Debt that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Special Interest, if any, to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other Priority Lien Debt tendered in such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other Priority Lien Debt to be purchased on a *pro rata* basis, based on the amounts tendered. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. The Company may satisfy the foregoing obligation with respect to any Net Proceeds prior to the expiration of the relevant 365 day period (as such period may be extended in accordance with the Indenture) or with respect to Excess Proceeds of \$35.0 million or less. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “*Option of Holder to Elect Purchase*” attached to the Notes.

(8) *Notice of Redemption*. At least 15 days but not more than 60 days before a redemption date, the Company will send electronically, mail, or cause to be mailed, by first class mail, or provide in accordance with the procedures of the Depositary a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 12 thereof. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Redemptions may be subject to one or more conditions.

(9) *Denominations, Transfer, Exchange.* The Notes are in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(10) *Security.* The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Collateral Agent holds the Collateral in trust for the benefit of the Trustee and the Holders of the Notes pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Trustee and/or the Collateral Agent, as applicable, to enter into the Security Documents, and to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(11) *Persons Deemed Owners.* The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(12) *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture, the Notes, the Note Guarantees or the Security Documents relating to the Notes (subject to compliance with the Intercreditor Agreement and Collateral Trust Agreement) may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes, the Note Guarantees or the Security Documents relating to the Notes (subject to compliance with the Intercreditor Agreement and Collateral Trust Agreement) may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture, the Notes, the Note Guarantees or the Security Documents relating to the Notes (subject to compliance with the Intercreditor Agreement and Collateral Trust Agreement) may be amended or supplemented: (i) to cure any ambiguity, omission, mistake, defect or inconsistency; (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes; (iii) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 of the Indenture; (iv) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder in any material respect; (v) to comply with requirements of the SEC in order to effect or maintain the

## *2. Registration Under the Securities Act.*

(a) Except as set forth in Section 2(b) below, the Company, the Parent and the Subsidiary Guarantors agree to file under the Securities Act, no later than 470 days after the

Closing Date (the “*Exchange Filing Deadline*”), a registration statement relating to an offer to exchange (such registration statement, the “*Exchange Registration Statement*”, and such offer, the “*Exchange Offer*”) any and all of the Securities for a like aggregate principal amount of debt securities issued by the Company and guaranteed by the Parent and the Subsidiary Guarantors, which debt securities and guarantees are substantially identical to the Securities and the related Guarantees, respectively (and are entitled to the benefits of the Indenture), except that they have been registered pursuant to an effective registration statement under the Securities Act and do not contain provisions for Special Interest contemplated in Section 2(c) below (such new debt securities hereinafter called “*Exchange Securities*”). The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to cause the Exchange Registration Statement to become effective under the Securities Act no later than 110 days after the Exchange Filing Deadline (the “*Exchange Effectiveness Deadline*”). The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with all applicable tender offer rules and regulations under the Exchange Act. Unless the Exchange Offer would not be permitted by applicable law or Commission policy, the Company further agrees to use their commercially reasonable efforts to (i) commence the Exchange Offer reasonably promptly following the Effective Time of such Exchange Registration Statement, (ii) hold the Exchange Offer open for at least 20 Business Days in accordance with Regulation 14E promulgated by the Commission under the Exchange Act and (iii) exchange Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn promptly following the expiration of the Exchange Offer. The Exchange Offer will be deemed to have been “completed” only (i) if the debt securities and related guarantees received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America and (ii) upon the Company having exchanged, pursuant to the Exchange Offer, Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer, which shall be on a date that is at least 20 Business Days following the commencement of the Exchange Offer. The Company, the Parent and the Subsidiary Guarantors agree (x) to include in the Exchange Registration Statement a prospectus for use in any resales by any holder of Exchange Securities that is a broker-dealer and (y) to keep such Exchange Registration Statement effective for a period (the “*Resale Period*”) beginning when Exchange Securities are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 90<sup>th</sup> day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Subsections 6(a), (c), (d) and (f).

(b) If (i) on or prior to the time the Exchange Offer is completed existing law or Commission interpretations are changed such that the debt securities or the related guarantees received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Effective Time of the Exchange Registration Statement is not within 110 days following the Exchange Filing Deadline and the Exchange Offer has not been completed within 30 Business Days of such Effective Time (provided that once an Exchange Offer has been completed, a Shelf Registration Statement shall no longer be required to be filed or required to become effective pursuant to clause (ii) or (iii) any holder of Registrable Securities notifies the Company prior to the 20<sup>th</sup> Business Day following the completion of the Exchange Offer that: (A) it is prohibited by law or

Commission policy from participating in the Exchange Offer, (B) it may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus supplement contained in the Exchange Registration Statement is not appropriate or available for such resales or (C) it is a broker-dealer and owns Securities acquired directly from the Company or an affiliate of the Company, then the Company, the Parent and the Subsidiary Guarantors shall, in lieu of (or, in the case of clause (iii), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file under the Securities Act no later than 45 days after the time such obligation to file arises (but no earlier than 470 days after the Closing Date) (the “*Shelf Filing Deadline*”), a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all of the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “*Shelf Registration*” and such registration statement, the “*Shelf Registration Statement*”). The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to cause the Shelf Registration Statement to become or be declared effective no later than 110 days after the Shelf Filing Deadline (but no earlier than 110 days after the Exchange Filing Deadline); *provided*, that if at any time the Company or Parent is or becomes a “well-known seasoned issuer” (as defined in Rule 405) and is eligible to file an “automatic shelf registration statement” (as defined in Rule 405) and an automatic shelf registration statement is permissible for the contemplated transaction, then the Company, the Parent and the Subsidiary Guarantors shall use their commercially reasonable efforts to file the Shelf Registration Statement in the form of an automatic shelf registration statement as provided in Rule 405. The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of the second anniversary of the Effective Time or such time as there are no longer any Registrable Securities outstanding. No holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder. The Company, the Parent and the Subsidiary Guarantors agree, after the Effective Time of the Shelf Registration Statement and promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to use their commercially reasonable efforts to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement (whether by post-effective amendment thereto or by filing a prospectus pursuant to Rules 430B and 424(b) under the Securities Act identifying such holder), *provided, however*, that nothing in this sentence shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(d)(iii). Notwithstanding anything to the contrary in this Section 2(b), upon notice to the Electing Holders, the Company may suspend the use or the effectiveness of such Shelf Registration Statement, or extend the time period in which it is required to file the Shelf Registration Statement, for one or more periods of up to 90 days in the aggregate, in each case in any 12-month period (a “*Suspension Period*”) if the Board of Directors of the Company or Parent determines that there is a valid business purpose for suspension of the Shelf Registration Statement; *provided* that the Company shall promptly notify the Electing Holders when the Shelf Registration Statement may once again be used or is effective.

(c) In the event that (i) the Company, the Parent and the Subsidiary Guarantors have not filed the Exchange Registration Statement or the Shelf Registration Statement on or before the date on which such registration statement is required to be filed pursuant to Section 2(a) or Section 2(b), respectively, or (ii) such Exchange Registration Statement or Shelf

Registration Statement has not become effective or been declared effective by the Commission on or before the date on which such registration statement is required to become or be declared effective pursuant to Section 2(a) or Section 2(b), respectively, or (iii) the Exchange Offer has not been completed within 30 Business Days after the Exchange Effectiveness Deadline (if the Exchange Offer is then required to be made) or (iv) any Exchange Registration Statement or Shelf Registration Statement required by Section 2(a) or Section 2(b) is filed and declared effective but shall thereafter either be withdrawn by the Company or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein, including, with respect to any Shelf Registration Statement, during any applicable Suspension Period in accordance with the last sentence of Section 2(b)) without being succeeded within five (5) business days by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a “*Registration Default*” and each period during which a Registration Default has occurred and is continuing, a “*Registration Default Period*”), then, as a result of such Registration Default, subject to the provisions of Section 9(b), special interest ( “*Special Interest*”), in addition to the Base Interest, shall accrue on all Registrable Securities then outstanding at a per annum rate of 0.25% for the first 90 days of the Registration Default Period, at a per annum rate of 0.50% for the second 90 days of the Registration Default Period, at a per annum rate of 0.75% for the third 90 days of the Registration Default Period and at a per annum rate of 1.0% thereafter for the remaining portion of the Registration Default Period in the aggregate, regardless of the length of time in which a Registration Default is continuing; *provided, however*, that upon the filing of the Exchange Registration Statement or the Shelf Registration Statement (in the case of clause (i) of this Section 2(c)), upon the effectiveness of the applicable Exchange Registration Statement or Shelf Registration Statement which had not been declared effective (in the case of (ii) of this Section 2(c)), upon the exchange of the Exchange Securities for all Securities tendered (in the case of clause (iii) of this Section 2(c)), or upon the effectiveness of the applicable Exchange Registration Statement or Shelf Registration Statement which had ceased to remain effective (in the case of (iv) of this Section 2(c)), Special Interest on the Registrable Securities in respect of which such events relate as a result of such clause (or the relevant subclause thereof), as the case may be, shall cease to accrue. Special Interest shall accrue and be payable only with respect to a single Registration Default at any given time, notwithstanding the fact that multiple Registration Defaults may exist at such time. The accrual of Special Interest shall be the exclusive monetary remedy available to the holders of Registrable Securities for any Registration Default.

(d) So long as (w) any of the Securities (whether Registrable Securities, Exchange Securities or otherwise) are outstanding, (x) the Market Maker proposes to make a market in the Securities as part of its business in the ordinary course, (y) in the reasonable opinion of Goldman, Sachs & Co., it would be necessary or appropriate under applicable laws, rules and regulations for the Market Maker to deliver a prospectus in connection with market-making activities with respect to the Securities (clauses (w) through (y) collectively, the “*Market-Making Conditions*”) and (z) the Market Maker provides initial notice (which need not be in writing) to the Company that the Market-Making Conditions are satisfied, the following provisions of this Section 2(d) shall apply for the sole benefit of the Market Maker (it being understood that only a person for whom the Market-Making Conditions apply at the applicable time shall be entitled to the use of the Market-Making Registration Statement and related provisions of this Agreement at any time). The Company, the Parent and the Subsidiary Guarantors shall use their commercially reasonable efforts to file under the Securities Act, a “shelf” registration statement (which may be the Exchange Registration Statement or the Shelf Registration Statement if permitted by the rules and regulations of the

Commission) pursuant to Rule 415 under the Securities Act or any similar rule that may be adopted by the Commission providing for the registration of, and the sale on a continuous or delayed basis in secondary transactions by the Market Maker of, Securities (such filing, a “*Market-Making Registration*”, such registration statement as amended or supplemented from time to time, a “*Market-Making Registration Statement*”, and the prospectus contained in such Market-Making Registration Statement, as amended or supplemented from time to time, a “*Market-Making Prospectus*”), The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to cause the Market-Making Registration Statement to become or be declared effective on or prior to (i) the date the Exchange Offer is completed pursuant to Section 2(a) above or (ii) the date the Shelf Registration becomes or is declared effective pursuant Section 2(b) above, and to keep such Market-Making Registration Statement continuously effective for so long as the Market Maker is required to deliver a prospectus in connection with transactions in the Securities. In the event that the Market Maker holds Securities at the time an Exchange Offer is to be conducted under Section 2(a) above, the Company, the Parent and the Subsidiary Guarantors agree that the Market-Making Registration Statement shall provide for the resale by the Market Maker of such Securities and shall use its commercially reasonable efforts to keep the Market-Making Registration Statement continuously effective until such time as Goldman, Sachs & Co. determines in its reasonable judgment that the Market Maker is no longer required to deliver a prospectus in connection with the sale of such Securities.

Notwithstanding anything to the contrary in this Section 2(d), the Company may suspend the offering and sale under the Market-Making Registration Statement for one or more Suspension Periods if the Board of Directors of the Company determines that (i) such registration would require disclosure of an event at such time as could reasonably be expected to have a material adverse effect on the business operations or prospects of the Company, (ii) such registration would require disclosure of material information relating to a corporate development or (iii) such Market-Making Registration Statement or amendment or supplement thereto contains an untrue statement of material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that the Company shall promptly notify the Market Maker when the Market-Making Registration Statement may once again be used or is effective. It is also agreed that each year the Company updates its Market-Maker Registration Statement, to the extent such registration statement undergoes Commission review, the Company will need to suspend use of the Market-Making Registration Statement pending completion of such review.

(e) The Company, the Parent and the Subsidiary Guarantors shall use commercially reasonable efforts to take all actions necessary or advisable to be taken by them to ensure that the transactions contemplated herein are effected as so contemplated, including all actions necessary or desirable to register the Guarantees under any Exchange Registration Statement, Shelf Registration Statement or Market-Making Registration Statement, as applicable.

(f) Any reference herein to a registration statement or prospectus as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time; and any reference herein to any post-effective amendment to a registration statement or to any prospectus supplement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

purpose, (D) if at any time the representations and warranties of the Company contemplated by Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an “ineligible issuer” as defined in Rule 405, or (G) if at any time during the Resale Period when a prospectus is required to be delivered under the Securities Act, that such Exchange Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(v) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(d) In connection with the Company’s, the Parent’s and the Subsidiary Guarantors’ obligations with respect to the Shelf Registration, if applicable, the Company, the Parent and the Subsidiary Guarantors shall (subject to the occurrence of one or more Suspension Periods):

(j) In the event that the Company would be required, pursuant to Section 3(i)(vi)(G), to notify the Market Maker, the Company shall reasonably promptly prepare and furnish to the Market Maker a reasonable number of copies of a Market-Making prospectus supplemented or amended so that, as thereafter delivered to purchasers of Securities or Exchange Securities, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing. The Market Maker agrees that upon receipt of any notice from the Company pursuant to Section 3(i)(vi)(G), the Market Maker shall forthwith discontinue the disposition of Securities and Exchange Securities pursuant to the Market-Making Registration Statement until the Market Maker shall have received copies of such amended or supplemented Market-Making Prospectus, and if so directed by the Company, the Market Maker shall deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, of the Market-Making Prospectus in the Market-Maker’s possession at the time of receipt of such notice. Notwithstanding anything to the contrary contained herein, the Company may for valid business reasons, including without limitation, a potential acquisition, divestiture of assets or other material corporate transaction, issue a notice that a Market-Making Registration Statement is no longer effective or the prospectus included therein is no longer usable for offers and sales of Securities, and may issue any notice suspending use of such Market-Making Registration Statement required under applicable securities laws to be issued for so long as valid business reasons exist, and the Company

shall not be obligated to amend or supplement such Market-Making Registration Statement or the prospectus included therein until it reasonably deems appropriate. The Market Maker agrees that upon receipt of any notice from the Company pursuant to this Section 3(j), it will discontinue use of the Market-Making Registration Statement until receipt of copies of the supplemented or amended prospectus relating thereto and the Market Maker is advised by the Company that the use of a Market-Making Registration Statement may be resumed.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a), when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents (taken together with all other information in the Shelf Registration Statement or Market-Making Registration Statement, in each case as amended at the time such document became effective or was filed with the Commission, as the case may be) will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities or the Market Maker expressly for use therein.

(c) The compliance by the Company with all of the provisions of this Agreement and the consummation of the transactions herein contemplated will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any

indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (ii) result in any violation of the provisions of the certificate of incorporation, as amended, or the by-laws or other governing documents, as applicable, of the Company, the Parent or any Subsidiary Guarantor or (iii) result in any violation of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their respective properties; except in the case of (i) and (iii) above, for such conflicts, breaches or defaults as would not reasonably be expected to result in a material adverse effect on the general affairs, management, financial position stockholders' equity or results of operations of the Company and its subsidiaries, taken as a whole (a "Material Adverse Effect"); and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the consummation by the Company, the Parent and the Subsidiary Guarantors of the transactions contemplated by this Agreement, except (x) the registration under the Securities Act of the Registrable Securities, the Securities and the Exchange Securities, as applicable, and qualification of the Indenture under the Trust Indenture Act, (y) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws in connection with the offering and distribution of the Registrable Securities, the Securities and the Exchange Securities, as applicable and (z) such consents, approvals, authorizations, registrations or qualifications that have been obtained and are in full force and effect as of the date hereof.

(d) This Agreement has been duly authorized, executed and delivered by the Company, the Parent and the Subsidiary Guarantors.

#### *6. Indemnification and Contribution.*

(a) *Indemnification by the Company, the Parent and the Subsidiary Guarantors.* The Company, the Parent and the Subsidiary Guarantors, jointly and severally, will indemnify and hold harmless each of the holders of Registrable Securities included in an Exchange Registration Statement, each of the Electing Holders as holders of Registrable Securities included in a Shelf Registration Statement and the Market Maker as holder of Securities or Exchange Securities included in a Market-Making Registration Statement against any losses, claims, damages or liabilities, joint or several, to which such holder, such Electing Holder or the Market Maker may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Exchange Registration Statement, any Shelf Registration Statement or any Market-Making Registration Statement, as the case may be, under which such Registrable Securities, Securities or Exchange Securities were registered under the Securities Act, or any preliminary, final or summary prospectus (including, without limitation, any "issuer free writing prospectus" as defined in Rule 433) contained therein or furnished by the Company to any such holder, any such Electing Holder or the Market Maker, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each such holder, each such Electing Holder and the Market Maker for any and all legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that none of the Company, the Parent or any Subsidiary Guarantor shall be liable to any such person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement

or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433), or amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such person expressly for use therein.

(b) *Indemnification by the Electing Holders*. The Company may require, as a condition to including any Registrable Securities in any Shelf Registration Statement filed pursuant to Section 2(b), that the Company shall have received an undertaking substantially as provided in this subsection from each Electing Holder of Registrable Securities included in such Shelf Registration Statement, severally and not jointly, to (i) indemnify and hold harmless the Company, the Parent, the Subsidiary Guarantors and all other Electing Holders of Registrable Securities included in such Shelf Registration Statement, against any losses, claims, damages or liabilities to which the Company, the Parent, the Subsidiary Guarantors or such other Electing Holders may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement, or any preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433) contained therein or furnished by the Company to any Electing Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Electing Holder expressly for use therein, and (ii) reimburse the Company, the Parent and the Subsidiary Guarantors for any legal or other expenses reasonably incurred by the Company, the Parent and the Subsidiary Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that no such Electing Holder shall be required to undertake liability to any person under this Section 6(b) for any amounts in excess of the dollar amount of the proceeds received by such Electing Holder from the sale of such Electing Holder’s Registrable Securities pursuant to such registration.

(c) *Indemnification by the Market Maker*. The Company may require, as a condition to including any Securities or Exchange Securities in the Market-Making Registration Statement filed pursuant to Section 2(d) hereof and to entering into any underwriting agreement with respect thereto, that the Company shall have received an undertaking reasonably satisfactory to it from each underwriter named in any such underwriting agreement, severally and not jointly, to, and the Market Maker shall, and hereby agrees to, (i) indemnify and hold harmless the Company, the Parent and the Subsidiary Guarantors against any losses, claims, damages or liabilities to which the Company, the Parent or the Subsidiary Guarantors may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Market-Making Registration Statement, or any preliminary, final or summary prospectus contained therein or furnished by the Company to the Market Maker or to any such underwriter, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written

information furnished to the Company by the Market Maker or such underwriter expressly for use therein, and (ii) reimburse the Company, the Parent and the Subsidiary Guarantors for any legal or other expenses reasonably incurred by the Company, the Parent and the Subsidiary Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that, in the case of Securities held by the Market Maker at the time of the Exchange Offer, the Market Maker shall not be required to undertake liability to any person under this Section 6(c) for any amounts in excess of the dollar amount of the proceeds received by the Market Maker from the sale of such Securities by the Market Maker pursuant to the Market-Making Registration Statement.

(d) *Notices of Claims, Etc.* Promptly after receipt by an indemnified party under subsection (a), (b) or (c) above of written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Section 6, notify such indemnifying party in writing of the commencement of such action; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party under the indemnification provisions of or contemplated by Sections 6(a), (b) or (c) above, except to the extent it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under the indemnification provisions of or contemplated by Sections 6(a), 6(b) or 6(c). In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of any indemnified party.

(e) *Contribution.* If for any reason the indemnification provisions contemplated by Sections 6(a), 6(b) or 6(c) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each Indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or

alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 6(e) were determined by pro rata allocation (even if the holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6(e). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6(e) none of the Electing Holders or, in the case of a Market-Making Registration relating to the sale by the Market Maker of Securities held by it at the time of the Exchange Offer, the Market Maker shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of any Registrable Securities or the Market Maker from the sale of any such Securities or Exchange Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder or Market Maker, as applicable, have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The holders' and the Market Makers' obligations in this Section 6(e) to contribute shall be several in proportion to the principal amount of Registrable Securities registered by them and not joint.

(f) The obligations of the Company, the Parent and the Subsidiary Guarantors under this Section 6 shall be in addition to any liability which the Company, the Parent and the Subsidiary Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each officer, director and partner of each holder, the Market Maker, each Electing Holder and each person, if any, who controls any of the foregoing within the meaning of the Securities Act; and the obligations of the holders, the Market Maker and the Electing Holders contemplated by this Section 6 shall be in addition to any liability which the respective holder, Market Maker or Electing Holder may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company, the Parent and the Subsidiary Guarantors (including any person who, with his consent, is named in any registration statement as about to become a director of the Company, the Parent or any Subsidiary Guarantor) and to each person, if any, who controls the Company within the meaning of the Securities Act, as well as to each officer and director of the other holders and to each person, if any, who controls such other holders within the meaning of the Securities Act.

#### *7. Underwritten Offerings.*

Each holder of Registrable Securities hereby agrees with the Company and each other such holder that no holder of Registrable Securities may participate in any underwritten offering hereunder unless (a) the Company gives its prior written consent to such underwritten offering, (b) the managing underwriter or underwriters thereof shall be designated by the Company, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, (c) each holder of Registrable Securities participating in such underwritten offering agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the

persons selecting the managing underwriter or underwriters hereunder and (d) each holder of Registrable Securities participating in such underwritten offering timely completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements. The Company hereby agrees with each holder of Registrable Securities that, to the extent it consents to an underwritten offering hereunder, it will negotiate in good faith and execute all indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, including using commercially reasonable efforts to procure customary legal opinions and auditor “comfort” letters.

#### 8. *Rule 144.*

(a) *Facilitation of Sales Pursuant to Rule 144.* The Company covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, the Company shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the request of any holder of Registrable Securities in connection with that holder’s sale pursuant to Rule 144, the Company shall deliver to such holder a written statement as to whether it has complied with such requirements.

(b) *Availability of Rule 144 Not Excuse for Obligations under Section 2.* The fact that holders of Registrable Securities may become eligible to sell such Registrable Securities pursuant to Rule 144 shall not (1) cause such Securities to cease to be Registrable Securities by any means other than pursuant to the definition of Registrable Securities or (2) excuse the Company’s, the Parent’s and the Subsidiary Guarantors’ obligations set forth in Section 2 of this Agreement, including without limitation the obligations in respect of an Exchange Offer, Shelf Registration, Special Interest and Market-Making Registration.

#### 9. *Miscellaneous.*

(a) *No Inconsistent Agreements.* The Company represents, warrants, covenants and agrees that it has not granted, and shall not grant, registration rights with respect to Registrable Securities, Exchange Securities or Securities, as applicable, or any other securities which would be inconsistent with the terms contained in this Agreement. For clarification, nothing herein is intended to prohibit the Company, Parent and Subsidiary Guarantors from registering any Additional Notes (as defined in the Indenture) issued on the same registration statement as the Registrable Securities.

(b) *Specific Performance.* Subject to the provisions set forth in Section 3(c) hereof, the parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities and the Market Maker may be irreparably harmed by any such failure, and, accordingly agree that the Purchasers and such holders and the Market Maker, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Company under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction. Time shall be of the essence in this Agreement.

(c) *Notices.* All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand, if delivered personally, by facsimile or by courier, or three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Company, to it at McJunkin Red Man Corporation, 2 Houston Center, 909 Fannin, Suite 3100, Houston, Texas 77010, and if to a holder, to the address of such holder set forth in the security register or other records of the Company, or to such other address as the Company or any such holder may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt and if to the Market Maker, to 85 Broad Street New York, New York 10004.

(d) *Parties in Interest.* All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto, the holders from time to time of the Registrable Securities, the Market Maker and the respective successors and assigns of the foregoing. In the event that any transferee of any holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits of, and be conclusively deemed to have agreed to be bound by all of the applicable terms and provisions of this Agreement. Notwithstanding the foregoing, nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms hereof or of the Purchase Agreement or the Indenture. If the Company shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all of the applicable terms hereof.

(e) *Survival.* The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, the Market Maker, any director, officer or partner of such holder or the Market Maker, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement, the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer and the transfer and registration of Securities and Exchange Securities by the Market Maker.

(f) ***Governing Law.*** This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(g) *Headings.* The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) *Entire Agreement; Amendments.* This Agreement and the other writings referred to herein (including the Indenture and the form of Securities) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Company and the holders of at least a majority in aggregate principal

amount of the Registrable Securities at the time outstanding and, with respect to provisions relating to the Market Maker, the Market Maker; *provided* that any such amendment or waiver affecting solely the provisions of this Agreement relating to a Market-Making Registration may be effected by a written instrument duly executed solely by the Company and the Market Maker. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) *Inspection.* For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the record holders of Registrable Securities shall be made available for inspection and copying on any Business Day by any holder of Registrable Securities and the Market Maker for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Securities, the Indenture and this Agreement) at the offices of the Company at the address thereof set forth in Section 9(c).

(j) *Counterparts.* This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) *Severability.* If any provision of this Agreement, or the application thereof in any circumstance, is held to be invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of such provision in every other respect and of the remaining provisions contained in this Agreement shall not be affected or impaired thereby.

If the foregoing is in accordance with your understanding, please sign and return to us counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Purchasers, this letter and such acceptance hereof shall constitute a binding agreement between each of the Purchasers, the Parent, the Subsidiary Guarantors and the Company. ## *2. Registration Under the Securities Act.*

(a) Except as set forth in Section 2(b) below, the Company, the Parent and the Subsidiary Guarantors agree to file under the Securities Act, no later than April 5, 2011 (the

“*Exchange Filing Deadline*”), a registration statement relating to an offer to exchange (such registration statement, the “*Exchange Registration Statement*”, and such offer, the “*Exchange Offer*”) any and all of the Securities for a like aggregate principal amount of debt securities issued by the Company and guaranteed by the Parent and the Subsidiary Guarantors, which debt securities and guarantees are substantially identical to the Securities and the related Guarantees, respectively (and are entitled to the benefits of the Indenture), except that they have been registered pursuant to an effective registration statement under the Securities Act and do not contain provisions for Special Interest contemplated in Section 2(c) below (such new debt securities hereinafter called “*Exchange Securities*”). The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to cause the Exchange Registration Statement to become effective under the Securities Act no later than 110 days after the Exchange Filing Deadline (the “*Exchange Effectiveness Deadline*”). The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with all applicable tender offer rules and regulations under the Exchange Act. Unless the Exchange Offer would not be permitted by applicable law or Commission policy, the Company further agrees to use their commercially reasonable efforts to (i) commence the Exchange Offer reasonably promptly following the Effective Time of such Exchange Registration Statement, (ii) hold the Exchange Offer open for at least 20 Business Days in accordance with Regulation 14E promulgated by the Commission under the Exchange Act and (iii) exchange Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn promptly following the expiration of the Exchange Offer. The Exchange Offer will be deemed to have been “completed” only (i) if the debt securities and related guarantees received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America and (ii) upon the Company having exchanged, pursuant to the Exchange Offer, Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer, which shall be on a date that is at least 20 Business Days following the commencement of the Exchange Offer. The Company, the Parent and the Subsidiary Guarantors agree (x) to include in the Exchange Registration Statement a prospectus for use in any resales by any holder of Exchange Securities that is a broker-dealer and (y) to keep such Exchange Registration Statement effective for a period (the “*Resale Period*”) beginning when Exchange Securities are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 90<sup>th</sup> day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Subsections 6(a), (c), (d) and (f).

(b) If (i) on or prior to the time the Exchange Offer is completed existing law or Commission interpretations are changed such that the debt securities or the related guarantees received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Effective Time of the Exchange Registration Statement is not within 110 days following the Exchange Filing Deadline and the Exchange Offer has not been completed within 30 Business Days of such Effective Time (provided that once an Exchange Offer has been completed, a Shelf Registration Statement shall no longer be required to be filed or required to become effective pursuant to clause (ii)) or (iii) any holder of Registrable Securities notifies the Company prior to the 20<sup>th</sup> Business Day following the completion of the Exchange Offer that: (A) it is prohibited by law or

Commission policy from participating in the Exchange Offer, (B) it may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus supplement contained in the Exchange Registration Statement is not appropriate or available for such resales or (C) it is a broker-dealer and owns Securities acquired directly from the Company or an affiliate of the Company, then the Company, the Parent and the Subsidiary Guarantors shall, in lieu of (or, in the case of clause (iii), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file under the Securities Act no later than 45 days after the time such obligation to file arises (but no earlier than 470 days after the Closing Date) (the “*Shelf Filing Deadline*”), a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all of the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “*Shelf Registration*” and such registration statement, the “*Shelf Registration Statement*”). The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to cause the Shelf Registration Statement to become or be declared effective no later than 110 days after the Shelf Filing Deadline (but no earlier than 110 days after the Exchange Filing Deadline); *provided*, that if at any time the Company or Parent is or becomes a “well-known seasoned issuer” (as defined in Rule 405) and is eligible to file an “automatic shelf registration statement” (as defined in Rule 405) and an automatic shelf registration statement is permissible for the contemplated transaction, then the Company, the Parent and the Subsidiary Guarantors shall use their commercially reasonable efforts to file the Shelf Registration Statement in the form of an automatic shelf registration statement as provided in Rule 405. The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of the second anniversary of the Effective Time or such time as there are no longer any Registrable Securities outstanding. No holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder. The Company, the Parent and the Subsidiary Guarantors agree, after the Effective Time of the Shelf Registration Statement and promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to use their commercially reasonable efforts to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement (whether by post-effective amendment thereto or by filing a prospectus pursuant to Rules 430B and 424(b) under the Securities Act identifying such holder), *provided, however*, that nothing in this sentence shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(d)(iii). Notwithstanding anything to the contrary in this Section 2(b), upon notice to the Electing Holders, the Company may suspend the use or the effectiveness of such Shelf Registration Statement, or extend the time period in which it is required to file the Shelf Registration Statement, for one or more periods of up to 90 days in the aggregate, in each case in any 12-month period (a “*Suspension Period*”) if the Board of Directors of the Company or Parent determines that there is a valid business purpose for suspension of the Shelf Registration Statement; *provided* that the Company shall promptly notify the Electing Holders when the Shelf Registration Statement may once again be used or is effective.

(c) In the event that (i) the Company, the Parent and the Subsidiary Guarantors have not filed the Exchange Registration Statement or the Shelf Registration Statement on or before the date on which such registration statement is required to be filed pursuant to Section 2(a) or Section 2(b), respectively, or (ii) such Exchange Registration Statement or Shelf

Registration Statement has not become effective or been declared effective by the Commission on or before the date on which such registration statement is required to become or be declared effective pursuant to Section 2(a) or Section 2(b), respectively, or (iii) the Exchange Offer has not been completed within 30 Business Days after the Exchange Effectiveness Deadline (if the Exchange Offer is then required to be made) or (iv) any Exchange Registration Statement or Shelf Registration Statement required by Section 2(a) or Section 2(b) is filed and declared effective but shall thereafter either be withdrawn by the Company or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein, including, with respect to any Shelf Registration Statement, during any applicable Suspension Period in accordance with the last sentence of Section 2(b)) without being succeeded within five (5) business days by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a “*Registration Default*” and each period during which a Registration Default has occurred and is continuing, a “*Registration Default Period*”), then, as a result of such Registration Default, subject to the provisions of Section 9(b), special interest (“*Special Interest*”), in addition to the Base Interest, shall accrue on all Registrable Securities then outstanding at a per annum rate of 0.25% for the first 90 days of the Registration Default Period, at a per annum rate of 0.50% for the second 90 days of the Registration Default Period, at a per annum rate of 0.75% for the third 90 days of the Registration Default Period and at a per annum rate of 1.0% thereafter for the remaining portion of the Registration Default Period in the aggregate, regardless of the length of time in which a Registration Default is continuing; *provided, however*, that upon the filing of the Exchange Registration Statement or the Shelf Registration Statement (in the case of clause (i) of this Section 2(c)), upon the effectiveness of the applicable Exchange Registration Statement or Shelf Registration Statement which had not been declared effective (in the case of (ii) of this Section 2(c)), upon the exchange of the Exchange Securities for all Securities tendered (in the case of clause (iii) of this Section 2(c)), or upon the effectiveness of the applicable Exchange Registration Statement or Shelf Registration Statement which had ceased to remain effective (in the case of (iv) of this Section 2(c)), Special Interest on the Registrable Securities in respect of which such events relate as a result of such clause (or the relevant subclause thereof), as the case may be, shall cease to accrue. Special Interest shall accrue and be payable only with respect to a single Registration Default at any given time, notwithstanding the fact that multiple Registration Defaults may exist at such time. The accrual of Special Interest shall be the exclusive monetary remedy available to the holders of Registrable Securities for any Registration Default.

(d) So long as (w) any of the Securities (whether Registrable Securities, Exchange Securities or otherwise) are outstanding, (x) the Market Maker proposes to make a market in the Securities as part of its business in the ordinary course, (y) in the reasonable opinion of Goldman, Sachs & Co., it would be necessary or appropriate under applicable laws, rules and regulations for the Market Maker to deliver a prospectus in connection with market-making activities with respect to the Securities (clauses (w) through (y) collectively, the “*Market-Making Conditions*”) and (z) the Market Maker provides initial notice (which need not be in writing) to the Company that the Market-Making Conditions are satisfied, the following provisions of this Section 2(d) shall apply for the sole benefit of the Market Maker (it being understood that only a person for whom the Market-Making Conditions apply at the applicable time shall be entitled to the use of the Market-Making Registration Statement and related provisions of this Agreement at any time). The Company, the Parent and the Subsidiary Guarantors shall use their commercially reasonable efforts to file under the Securities Act, a “shelf” registration statement (which may be the Exchange Registration Statement or the Shelf Registration Statement if permitted by the rules and regulations of the

Commission) pursuant to Rule 415 under the Securities Act or any similar rule that may be adopted by the Commission providing for the registration of, and the sale on a continuous or delayed basis in secondary transactions by the Market Maker of, Securities (such filing, a “*Market-Making Registration*”, such registration statement as amended or supplemented from time to time, a “*Market-Making Registration Statement*”, and the prospectus contained in such Market-Making Registration Statement, as amended or supplemented from time to time, a “*Market-Making Prospectus*”). The Company, the Parent and the Subsidiary Guarantors agree to use their commercially reasonable efforts to cause the Market-Making Registration Statement to become or be declared effective on or prior to (i) the date the Exchange Offer is completed pursuant to Section 2(a) above or (ii) the date the Shelf Registration becomes or is declared effective pursuant to Section 2(b) above, and to keep such Market-Making Registration Statement continuously effective for so long as the Market Maker is required to deliver a prospectus in connection with transactions in the Securities. In the event that the Market Maker holds Securities at the time an Exchange Offer is to be conducted under Section 2(a) above, the Company, the Parent and the Subsidiary Guarantors agree that the Market-Making Registration Statement shall provide for the resale by the Market Maker of such Securities and shall use its commercially reasonable efforts to keep the Market-Making Registration Statement continuously effective until such time as Goldman, Sachs & Co. determines in its reasonable judgment that the Market Maker is no longer required to deliver a prospectus in connection with the sale of such Securities.

Notwithstanding anything to the contrary in this Section 2(d), the Company may suspend the offering and sale under the Market-Making Registration Statement for one or more Suspension Periods if the Board of Directors of the Company determines that (i) such registration would require disclosure of an event at such time as could reasonably be expected to have a material adverse effect on the business operations or prospects of the Company, (ii) such registration would require disclosure of material information relating to a corporate development or (iii) such Market-Making Registration Statement or amendment or supplement thereto contains an untrue statement of material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that the Company shall promptly notify the Market Maker when the Market-Making Registration Statement may once again be used or is effective. It is also agreed that each year the Company updates its Market-Maker Registration Statement, to the extent such registration statement undergoes Commission review, the Company will need to suspend use of the Market-Making Registration Statement pending completion of such review.

(e) The Company, the Parent and the Subsidiary Guarantors shall use commercially reasonable efforts to take all actions necessary or advisable to be taken by them to ensure that the transactions contemplated herein are effected as so contemplated, including all actions necessary or desirable to register the Guarantees under any Exchange Registration Statement, Shelf Registration Statement or Market-Making Registration Statement, as applicable.

(f) Any reference herein to a registration statement or prospectus as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time; and any reference herein to any post-effective amendment to a registration statement or to any prospectus supplement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

### 3. *Registration Procedures.*

If the Company, the Parent and the Subsidiary Guarantors file a registration statement pursuant to Section 2(a), Section 2(b) or Section 2(d), the following provisions shall apply:

(a) At or before the Effective Time of the Exchange Registration, any Shelf Registration or any Market-Making Registration, whichever may occur first, the Company shall qualify the Indenture under the Trust Indenture Act.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Company's, the Parent's and the Subsidiary Guarantors' obligations with respect to the registration of Exchange Securities as contemplated by Section 2(a) (the "*Exchange Registration*"), if applicable, the Company, the Parent and the Subsidiary Guarantors shall (subject to the occurrence of one or more Suspension Periods):

(i) prepare and file with the Commission an Exchange Registration Statement on any form which may be utilized by the Company, the Parent and the Subsidiary Guarantors and which shall permit the Exchange Offer and resales of Exchange Securities by broker-dealers during the Resale Period to be effected as contemplated by Section 2(a), and use commercially reasonable efforts to cause such Exchange Registration Statement to become effective no later than 110 days after the Exchange Filing Deadline;

(ii) promptly prepare and file with the Commission such amendments and supplements to such Exchange Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Exchange Registration Statement for the periods and purposes contemplated in Section 2(a) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Exchange Registration Statement, and promptly provide each broker-dealer holding Exchange Securities with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act, as such broker-dealer reasonably may request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Securities;

(iii) promptly notify each broker-dealer that has requested or received copies of the prospectus included in such Exchange Registration Statement, and confirm such advice in writing, (A) when such Exchange Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Exchange Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto or any request by the Commission for amendments or supplements to such Exchange Registration Statement or prospectus or for additional information (provided that such comments themselves need not be provided to any such broker-dealer), (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Exchange Registration Statement or the initiation or threatening of any proceedings for that

purpose, (D) if at any time the representations and warranties of the Company contemplated by Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an “ineligible issuer” as defined in Rule 405, or (G) if at any time during the Resale Period when a prospectus is required to be delivered under the Securities Act, that such Exchange Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(iv) in the event that the Company, the Parent and the Subsidiary Guarantors would be required, pursuant to Section 3(c)(iii)(G), to notify any broker-dealers holding Exchange Securities (except as otherwise permitted during any Suspension Period), reasonably promptly prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Securities during the Resale Period, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(v) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(vi) use commercially reasonable efforts to (A) register or qualify the Exchange Securities under the state securities laws or blue sky laws of such U.S. jurisdictions as are contemplated by Section 2(a) no later than the commencement of the Exchange Offer, to the extent required by such laws, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions until the expiration of the Resale Period, (C) take any and all other actions as may be reasonably necessary or advisable to enable each broker-dealer holding Exchange Securities to consummate the disposition thereof in such jurisdictions and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Exchange Registration, the Exchange Offer and the offering and sale of Exchange Securities by broker-dealers during the Resale Period; *provided, however*, that none of the Company, the Parent and the Subsidiary Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(c)(vi), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(vii) obtain a CUSIP number for all Exchange Securities, not later than the applicable Effective Time; and

(viii) comply in all material respects with all applicable rules and regulations of the Commission, and make generally available to its securityholders no later than eighteen months after the Effective Time of such Exchange Registration Statement, an “earning statement” of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder); *provided, however*, that this requirement shall be deemed satisfied by the Company’s compliance with Section 4.03 of the Indenture.

(d) In connection with the Company’s, the Parent’s and the Subsidiary Guarantors’ obligations with respect to the Shelf Registration, if applicable, the Company, the Parent and the Subsidiary Guarantors shall (subject to the occurrence of one or more Suspension Periods):

(i) prepare and file with the Commission a Shelf Registration Statement on any form which may be utilized by the Company and which shall register all of the Registrable Securities for resale by the holders thereof in accordance with such method or methods of disposition as may be specified by the holders of Registrable Securities as, from time to time, may be Electing Holders and use commercially reasonable efforts to cause such Shelf Registration Statement to become effective within the time periods specified in Section 2(b);

(ii) mail the Notice and Questionnaire to the holders of Registrable Securities (A) not less than 30 days prior to the anticipated Effective Time of the Shelf Registration Statement or (B) in the case of an “automatic shelf registration statement” (as defined in Rule 405), mail the Notice and Questionnaire to the holders of Registrable Securities not later than the Effective Time of such Shelf Registration Statement, and in any such case no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement, and no holder shall be entitled to use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless and until such holder has returned a completed and signed Notice and Questionnaire to the Company by the deadline for responses set forth therein;

(iii) after the Effective Time of the Shelf Registration Statement, upon the request of any holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder; *provided* that the Company shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Company;

(iv) promptly prepare and file with the Commission such amendments and supplements to such Shelf Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Shelf Registration Statement for the period specified in Section 2(b) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Shelf Registration Statement, and furnish to the Electing Holders copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission to the

extent such documents are not publicly available on the Commission's EDGAR System;

(v) comply with the provisions of the Securities Act with respect to the disposition of all of the Registrable Securities covered by such Shelf Registration Statement in accordance with the intended methods of disposition by the Electing Holders provided for in such Shelf Registration Statement;

(vi) provide the Electing Holders and not more than one counsel for all the Electing Holders (designated by the holders of at least a majority in aggregate principal amount of the Registrable Securities held by the Electing Holders) the opportunity to participate in the preparation of such Shelf Registration Statement, each prospectus included therein or filed with the Commission and each amendment or supplement thereto upon customary terms;

(vii) for a reasonable period prior to the filing of such Shelf Registration Statement, and throughout the period specified in Section 2(b), make available at reasonable times at the Company's principal place of business or such other reasonable place for inspection by the persons referred to in Section 3(d)(vi) who shall certify to the Company that they have a current intention to sell the Registrable Securities pursuant to the Shelf Registration such financial and other information and books and records of the Company, and cause the officers, employees, counsel and independent certified public accountants of the Company to respond to such inquiries, as shall be reasonably necessary (and in the case of counsel, not violate an attorney-client privilege, in such counsel's reasonable belief), in the judgment of the respective counsel referred to in Section 3(d)(vi), to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; *provided, however*, that the foregoing inspection and information gathering on behalf of the Electing Holders shall be conducted by one counsel designated by the holders of at least a majority in aggregate principal amount of the Registrable Securities held by the Electing Holders at the time outstanding and *provided further* that each such party shall be required to maintain in confidence and not to disclose to any other person any information or records reasonably designated by the Company as being confidential and shall execute a customary agreement to such effect if requested by the Company, until such time as (A) such information becomes a matter of public record (whether by virtue of its inclusion in such Shelf Registration Statement or otherwise), or (B) such person shall be required so to disclose such information pursuant to a subpoena or order of any court or other governmental agency or body having jurisdiction over the matter (subject to the requirements of such order, and only after such person shall have given the Company prompt prior written notice of such requirement), or (C) such information is required to be set forth in such Shelf Registration Statement or the prospectus included therein or in an amendment to such Shelf Registration Statement or an amendment or supplement to such prospectus in order that such Shelf Registration Statement, prospectus, amendment or supplement, as the case may be, complies with applicable requirements of the federal securities laws and the rules and regulations of the Commission and does not contain an untrue statement of a material fact or omit to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; *provided, further*, that if any such information is identified by the Company, the Parent or the Subsidiary Guarantors as being confidential or proprietary, prior to being given such information, each person receiving such information shall take such actions as are reasonably

necessary to protect the confidentiality of such information, including if reasonably necessary, executing a customary confidentiality agreement.

(viii) promptly notify each of the Electing Holders and confirm such advice in writing (which notice and confirmation may be delivered by email, to the extent an email address is provided by any such Electing Holder), (A) when such Shelf Registration Statement or the prospectus included therein has been initially filed, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto which are relevant to the Electing Holders or any request by the Commission for amendments or supplements to such Shelf Registration Statement or prospectus or for additional information (provided that such comments themselves need not be provided), (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Company set forth in Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an “ineligible issuer” as defined in Rule 405, or (G) if at any time when a prospectus is required to be delivered under the Securities Act, that such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(ix) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(x) if requested by any Electing Holder, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission and as such Electing Holder specifies should be included therein relating to the terms of the sale of such Registrable Securities, including information with respect to the principal amount of Registrable Securities being sold by such Electing Holder, the name and description of such Electing Holder, the offering price of such Registrable Securities and any discount, commission or other compensation payable in respect thereof and with respect to any other terms of the offering of the Registrable Securities to be sold by such Electing Holder; and make all required filings of such prospectus supplement or post-effective amendment promptly after notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(xi) furnish to each Electing Holder and the counsel referred to in Section 3(d)(vi) an executed copy (or a conformed copy) of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto (in the case of an Electing Holder of Registrable Securities, upon request) and documents incorporated by reference therein) and such number of

copies of such Shelf Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Electing Holder) and of the prospectus included in such Shelf Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act to the extent such documents are not available through the Commission's EDGAR System, and such other documents, as such Electing Holder may reasonably request in order to facilitate the offering and disposition of the Registrable Securities owned by such Electing Holder and to permit such Electing Holder to satisfy the prospectus delivery requirements of the Securities Act; and subject to Section 3(e), the Company hereby consents to the use of such prospectus (including such preliminary and summary prospectus) and any amendment or supplement thereto by each such Electing Holder (subject to any applicable Suspension Period), in each case in the form most recently provided to such person by the Company, in connection with the offering and sale of the Registrable Securities covered by the prospectus (including such preliminary and summary prospectus) or any supplement or amendment thereto;

(xii) use commercially reasonable efforts to (A) register or qualify the Registrable Securities to be included in such Shelf Registration Statement under such state securities laws or blue sky laws of such U.S. jurisdictions as any Electing Holder shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration Statement is required to remain effective under Section 2(b) and for so long as may be necessary to enable any such Electing Holder to complete its distribution of Registrable Securities pursuant to such Shelf Registration Statement, (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder to consummate the disposition in such jurisdictions of such Registrable Securities and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Shelf Registration or the offering or sale in connection therewith or to enable the selling holder or holders to offer, or to consummate the disposition of, their Registrable Securities; *provided, however*, that none of the Company, the Parent and the Subsidiary Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(xiii) unless any Registrable Securities shall be in book-entry only form, cooperate with the Electing Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates, if so required by any securities exchange upon which any Registrable Securities are listed, shall be printed, penned, lithographed, engraved or otherwise produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends;

(xiv) obtain a CUSIP number for all Securities that have been registered under the Securities Act, not later than the applicable Effective Time;

(xv) notify in writing each holder of Registrable Securities of any proposal by the Company to amend or waive any provision of this Agreement pursuant to Section 9(h) and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the text of the amendment or waiver proposed or effected, as the case may be; and

(xvi) comply in all material respects with all applicable rules and regulations of the Commission, and make generally available to its securityholders no later than eighteen months after the Effective Time of such Shelf Registration Statement an “earning statement” of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder); *provided, however*, that this requirement shall be deemed satisfied by the Company’s compliance with Section 4.03 of the Indenture.

(e) In the event that the Company would be required, pursuant to Section 3(d)(viii)(G), to notify the Electing Holders, the Company shall reasonably promptly prepare and furnish to each of the Electing Holders a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing (for the avoidance of doubt, any such prospectus filed via the EDGAR System shall be deemed provided to such persons). Each Electing Holder agrees that upon receipt of any notice from the Company pursuant to Section 3(d)(viii)(G), such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Company, such Electing Holder shall deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, of the prospectus covering such Registrable Securities in such Electing Holder’s possession at the time of receipt of such notice.

(f) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Company may require such Electing Holder to furnish to the Company such additional information regarding such Electing Holder and such Electing Holder’s intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to notify the Company as promptly as practicable of any inaccuracy or change in information previously furnished by such Electing Holder to the Company or of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder’s intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder’s intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and promptly to furnish to the Company any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

(g) Until the expiration of one year after the Closing Date, the Company will not, and will not permit any of its “affiliates” (as defined in Rule 144) to, resell any of the Securities that have been reacquired by any of them except pursuant to an effective registration statement, or a valid exemption from the registration requirements, under the Securities Act.

(h) As a condition to its participation in the Exchange Offer, each holder of Registrable Securities shall furnish, upon the request of the Company, a written representation to the Company (which may be contained in the letter of transmittal or “agent’s message” transmitted via The Depository Trust Company’s Automated Tender Offer Procedures, in either case contemplated by the Exchange Registration Statement) to the effect that (A) it is not an “affiliate” of the Company, as defined in Rule 405 of the Securities Act, or if it is such an “affiliate”, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (B) it is not engaged in and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer, (C) it is acquiring the Exchange Securities in its ordinary course of business, (D) if it is a broker-dealer that holds Securities that were acquired for its own account as a result of market-making activities or other trading activities (other than Securities acquired directly from the Company or any of its affiliates), it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by it in the Exchange Offer, (E) if it is a broker-dealer, that it did not purchase the Securities to be exchanged in the Exchange Offer from the Company or any of its affiliates, and (F) it is not acting on behalf of any person who could not truthfully and completely make the representations contained in the foregoing subclauses (A) through (E).

(i) In connection with the Company’s, the Parent’s and the Subsidiary Guarantors’ obligations with respect to a Market-Making Registration, if applicable, the Company, the Parent and the Subsidiary Guarantors shall:

(i) prepare and file with the Commission a Market-Making Registration Statement on any form which may be utilized by the Company and which shall register all of the Securities and the Exchange Securities for resale by the Market Maker in accordance with such method or methods of disposition as may be specified by the Market Maker and use commercially reasonable efforts to cause such Market-Making Registration Statement to become effective within the time periods specified in Section 2(d);

(ii) promptly prepare and file with the Commission such amendments and supplements to such Market-Making Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Market-Making Registration Statement for the period specified in Section 2(d) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Market-Making Registration Statement, and furnish to the Market Maker copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission to the extent such documents are not publicly available on the Commission’s EDGAR System;

(iii) comply with the provisions of the Securities Act with respect to the disposition of all of the Securities and Exchange Securities covered by such Market-Making Registration Statement in accordance with the intended methods of disposition by the Market Maker provided for in such Market-Making Registration Statement;

(iv) provide the Market Maker and its counsel the opportunity to participate in the preparation of such Market-Making Registration Statement, each prospectus included therein or filed with the Commission and each amendment or supplement thereto;

(v) for a reasonable period prior to the filing of such Market-Making Registration Statement, and throughout the period specified in Section 2(d), make available at reasonable times at the Company's principal place of business or such other reasonable place for inspection by the Market Maker and its counsel such financial and other information and books and records of the Company, and cause the officers, employees, counsel and independent certified public accountants of the Company to respond to such inquiries, as shall be reasonably necessary (and in the case of counsel, not violate an attorney-client privilege, in such counsel's reasonable belief), in the judgment of the Market Maker's counsel, to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; *provided, however*, that the Market Maker and its counsel shall be required to maintain in confidence and not to disclose to any other person any information or records reasonably designated by the Company as being confidential, until such time as (A) such information becomes a matter of public record (whether by virtue of its inclusion in such Market-Making Registration Statement or otherwise), or (B) such person shall be required so to disclose such information pursuant to a subpoena or order of any court or other governmental agency or body having jurisdiction over the matter (subject to the requirements of such order, and only after such person shall have given the Company prompt prior written notice of such requirement), or (C) such information is required to be set forth in such Market-Making Registration Statement or the prospectus included therein or in an amendment to such Market-Making Registration Statement or an amendment or supplement to such prospectus in order that such Market-Making Registration Statement, prospectus, amendment or supplement, as the case may be, complies with applicable requirements of the federal securities laws and the rules and regulations of the Commission and does not contain an untrue statement of a material fact or omit to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; *provided, further*, that if any such information is identified by the Company, the Parent or the Subsidiary Guarantors as being confidential or proprietary, prior to being given such information, each person receiving such information shall take such actions as are reasonably necessary to protect the confidentiality of such information, including if reasonably necessary, executing a customary confidentiality agreement;

(vi) promptly notify the Market Maker and confirm such advice in writing (which notice and confirmation may be delivered by email, to the extent an email address is provided by the Market Maker), (A) when such Market-Making Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Market-Making Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto which are relevant to the Market Maker, or any request by the Commission for amendments or supplements to such Market-Making Registration Statement or prospectus or for additional information (provided that such comments themselves need not be provided), (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Market-Making Registration Statement or the

initiation or threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Company set forth in Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities or the Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an “ineligible issuer” as defined in Rule 405, or (G) if at any time when a prospectus is required to be delivered under the Securities Act, that such Market-Making Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(vii) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Market-Making Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(viii) if requested by the Market Maker, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission and as the Market Maker specifies should be included therein relating to the terms of the sale of such Securities or Exchange Securities by the Market Maker; and make all required filings of such prospectus supplement or post-effective amendment promptly after notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(ix) furnish to the Market Maker and its counsel an executed copy (or a conformed copy) of such Market-Making Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein) and such number of copies of such Market-Making Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by the Market Maker) and of the prospectus included in such Market Making Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act to the extent such documents are not available through the Commission’s EDGAR System, and such other documents, as the Market Maker may reasonably request in order to facilitate the offering and disposition of the Securities and the Exchange Securities by the Market Maker and to permit the Market Maker to satisfy the prospectus delivery requirements of the Securities Act; and subject to Section 3(j), the Company, the Parent and the Subsidiary Guarantor hereby consent to the use of such prospectus (including such preliminary and summary prospectus) and any amendment or supplement thereto by the Market Maker (subject to any applicable suspension period in accordance with Section 3(j)), in each case in the form most recently provided to the Market Maker by the Company, in connection with the offering and sale of the Securities and Exchange Securities covered by the prospectus (including such preliminary and summary prospectus) or any supplement or amendment thereto;

(x) use commercially reasonable efforts to (A) register or qualify the Securities and Exchange Securities to be included in such Market-Making Registration Statement under such state securities laws or blue sky laws of such U.S. jurisdictions as the Market Maker shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Market-Making Registration Statement is required to remain effective under Section 2(d) and for so long as may be necessary to enable the Market Maker to complete its distribution of Securities and Exchange Securities pursuant to such Market-Making Registration Statement, (C) take any and all other actions as may be reasonably necessary or advisable to enable the Market Maker to consummate the disposition in such jurisdictions of such Securities and Exchange Securities and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Market-Making Registration or the offering or sale in connection therewith or to enable the Market Maker to offer, or to consummate the disposition of, Securities and Exchange Securities in connection with its market making activities; *provided, however*, that none of the Company, the Parent or the Subsidiary Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(i)(x), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(xi) use commercially reasonable efforts to furnish or cause to be furnished to the Market Maker upon its request at reasonable intervals (subject to the proviso below), when the Market-Making Registration Statement or the Market-Making Prospectus shall be amended or supplemented at any time when the Market-Making Conditions are satisfied: (1) access to the Company's officers and financial and other records; (2) written opinions of counsel for the Company (which may be the General Counsel of the Company in his sole discretion) covering such customary matters as the Market Maker may reasonably request and that, to such counsel's knowledge, no stop order suspending the effectiveness of the Market-Making Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission; (3) a letter from the independent accountants who have certified the financial statements included in the Market-Making Registration Statement as then amended covering such matters as the Market Maker shall reasonably request and consistent with customary practice; and (4) certificates of officers of the Company to the effect that: (A) to the knowledge of such officer, the Market-Making Registration Statement has been declared effective; (B) in the case of an amendment, to the knowledge of such officer, such amendment has become effective under the Securities Act as of the date and time specified in such certificate, if applicable; (C) if required, such amendment or supplement to the Market-Making Prospectus was filed with the Commission pursuant to the subparagraph of Rule 424(b) under the Securities Act specified in such certificate on the date specified therein; (D) to the knowledge of such officers, no stop order suspending the effectiveness of the Market-Making Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission; (E) such officers have examined the Market-Making Registration Statement and the Market Making Prospectus (and, in the case of an amendment or supplement, such amendment or supplement) and as of the date of such document, the Market-Making

Registration Statement and the Market-Making Prospectus, as amended or supplemented, as applicable, did not include any untrue statement of a material fact and did not omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and in the case of clauses (2), (3) and (4) above in form and substance reasonably satisfactory to the Market Maker and as modified to relate to the Market-Making Registration Statement and the Market-Making Prospectus as then amended or supplemented; *provided, however*, that (x) such letters from the independent accountants shall be required only in connection with amendments or supplements relating to the inclusion of audited financial statements, beginning with the audited financial statements for the year ended 2008 and shall be required no more than once in any calendar year and (y) such opinions of counsel and such officers certificates shall be required no more than twice in any calendar year;

(xii) unless any Securities or Exchange Securities shall be in book-entry only form, cooperate with the Market Maker to facilitate the timely preparation and delivery of certificates representing Securities and Exchange Securities to be sold, which certificates, if so required by any securities exchange upon which any Securities or Exchange Securities are listed, shall be printed, penned, lithographed, engraved or otherwise produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends; and

(xiii) comply in all material respects with all applicable rules and regulations of the Commission, and make generally available to its securityholders no later than eighteen months after the Effective Time of such Market-Making Registration Statement an “earning statement” of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder); *provided, however*, that this requirement shall be deemed satisfied by the Company’s compliance with Section 4.03 of the Indenture.

(j) In the event that the Company would be required, pursuant to Section 3(i)(vi)(G), to notify the Market Maker, the Company shall reasonably promptly prepare and furnish to the Market Maker a reasonable number of copies of a Market-Making prospectus supplemented or amended so that, as thereafter delivered to purchasers of Securities or Exchange Securities, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing. The Market Maker agrees that upon receipt of any notice from the Company pursuant to Section 3(i)(vi)(G), the Market Maker shall forthwith discontinue the disposition of Securities and Exchange Securities pursuant to the Market-Making Registration Statement until the Market Maker shall have received copies of such amended or supplemented Market-Making Prospectus, and if so directed by the Company, the Market Maker shall deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, of the Market-Making Prospectus in the Market-Maker’s possession at the time of receipt of such notice. Notwithstanding anything to the contrary contained herein, the Company may for valid business reasons, including without limitation, a potential acquisition, divestiture of assets or other material corporate transaction, issue a notice that a Market-Making Registration Statement is no longer effective or the prospectus included therein is no longer usable for offers and sales of Securities, and may issue any notice suspending use of such Market-Making Registration Statement required under applicable securities laws to be issued for so long as valid business reasons exist, and the Company

shall not be obligated to amend or supplement such Market-Making Registration Statement or the prospectus included therein until it reasonably deems appropriate. The Market Maker agrees that upon receipt of any notice from the Company pursuant to this Section 3(j), it will discontinue use of the Market-Making Registration Statement until receipt of copies of the supplemented or amended prospectus relating thereto and the Market Maker is advised by the Company that the use of a Market-Making Registration Statement may be resumed.

#### *4. Registration Expenses.*

The Company agrees to bear and to pay or cause to be paid promptly all expenses incident to the Company's performance of or compliance with this Agreement, including (a) all Commission and any FINRA registration, filing and review fees and expenses including reasonable fees and disbursements of a single counsel for the Eligible Holders and a single counsel for the Market Maker in connection with such registration, filing and review, (b) all fees and expenses in connection with the qualification of the Registrable Securities, the Securities and the Exchange Securities, as applicable, for offering and sale under the State securities and blue sky laws referred to in Section 3(d)(xii) and Section 3(i)(x) and determination of their eligibility for investment under the laws of such jurisdictions as the Electing Holders or the Market Maker may designate, including any reasonable fees and disbursements of a single counsel for the Electing Holders and a single counsel for the Market Maker in connection with such qualification and determination, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, the expenses of preparing the Securities or Exchange Securities, as applicable, for delivery and the expenses of printing or producing any selling agreements and blue sky or legal investment memoranda and all other documents in connection with the offering, sale or delivery of Securities or Exchange Securities, as applicable, to be disposed of (including certificates representing the Securities or Exchange Securities, as applicable), (d) messenger, telephone and delivery expenses relating to the offering, sale or delivery of Securities or Exchange Securities, as applicable, and the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, any agent of the Trustee and any counsel for the Trustee and of any collateral agent or custodian, (f) internal expenses (including all salaries and expenses of the Company's officers and employees performing legal or accounting duties), (g) reasonable fees, disbursements and expenses of counsel and independent certified public accountants of the Company, (h) reasonable fees, disbursements and expenses of (x) one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Company) and (y) one counsel for the Market Maker retained in connection with a Market-Making Registration, as selected by the Market Maker (which counsel shall be reasonably satisfactory to the Company), (i) any fees charged by securities rating services for rating the Registrable Securities, the Securities or the Exchange Securities, as applicable, and (j) fees, expenses and disbursements of any other persons, including special experts, retained by the Company in connection with such registration (collectively, the "*Registration Expenses*"). Each of the Company, the Parent and the Subsidiary Guarantors, jointly and severally, represents and warrants to, and agrees with, each Purchaser and each of the holders from time to time of Registrable Securities and the Market Maker that:

(a) Each registration statement covering Registrable Securities, Securities or Exchange Securities, as applicable, and each prospectus (including any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(c), Section 3(d) or Section 3(i) and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than (A) from (i) such time as a notice has been given to holders of Registrable Securities or to the Market Maker pursuant to Section 3(c)(iii)(G), Section 3(d)(viii)(G) or Section 3(i)(vi)(G) until (ii) such time as the Company furnishes an amended or supplemented prospectus pursuant to Section 3(c)(iv), Section 3(e) or Section 3(j); or (B) during any applicable Suspension Period or period of suspension of the Market-Making Registration Statement pursuant to Section 3(j), each such registration statement, and each prospectus (including any summary prospectus) contained therein or furnished pursuant to Section 3(c), Section 3(d) or Section 3(i), as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities or the Market Maker expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a), when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents (taken together with all other information in the Shelf Registration Statement or Market-Making Registration Statement, in each case as amended at the time such document became effective or was filed with the Commission, as the case may be) will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities or the Market Maker expressly for use therein.

(c) The compliance by the Company with all of the provisions of this Agreement and the consummation of the transactions herein contemplated will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any

indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (ii) result in any violation of the provisions of the certificate of incorporation, as amended, or the by-laws or other governing documents, as applicable, of the Company, the Parent or any Subsidiary Guarantor or (iii) result in any violation of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their respective properties; except in the case of (i) and (iii) above, for such conflicts, breaches or defaults as would not reasonably be expected to result in a material adverse effect on the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries, taken as a whole (a " *Material Adverse Effect*"); and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the consummation by the Company, the Parent and the Subsidiary Guarantors of the transactions contemplated by this Agreement, except (x) the registration under the Securities Act of the Registrable Securities, the Securities and the Exchange Securities, as applicable, and qualification of the Indenture under the Trust Indenture Act, (y) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws in connection with the offering and distribution of the Registrable Securities, the Securities and the Exchange Securities, as applicable and (z) such consents, approvals, authorizations, registrations or qualifications that have been obtained and are in full force and effect as of the date hereof.

(d) This Agreement has been duly authorized, executed and delivered by the Company, the Parent and the Subsidiary Guarantors.

#### *6. Indemnification and Contribution.*

(a) *Indemnification by the Company, the Parent and the Subsidiary Guarantors.* The Company, the Parent and the Subsidiary Guarantors, jointly and severally, will indemnify and hold harmless each of the holders of Registrable Securities included in an Exchange Registration Statement, each of the Electing Holders as holders of Registrable Securities included in a Shelf Registration Statement and the Market Maker as holder of Securities or Exchange Securities included in a Market-Making Registration Statement against any losses, claims, damages or liabilities, joint or several, to which such holder, such Electing Holder or the Market Maker may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Exchange Registration Statement, any Shelf Registration Statement or any Market-Making Registration Statement, as the case may be, under which such Registrable Securities, Securities or Exchange Securities were registered under the Securities Act, or any preliminary, final or summary prospectus (including, without limitation, any "issuer free writing prospectus" as defined in Rule 433) contained therein or furnished by the Company to any such holder, any such Electing Holder or the Market Maker, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each such holder, each such Electing Holder and the Market Maker for any and all legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that none of the Company, the Parent or any Subsidiary Guarantor shall be liable to any such person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement

or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433), or amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such person expressly for use therein.

(b) *Indemnification by the Electing Holders*. The Company may require, as a condition to including any Registrable Securities in any Shelf Registration Statement filed pursuant to Section 2(b), that the Company shall have received an undertaking substantially as provided in this subsection from each Electing Holder of Registrable Securities included in such Shelf Registration Statement, severally and not jointly, to (i) indemnify and hold harmless the Company, the Parent, the Subsidiary Guarantors and all other Electing Holders of Registrable Securities included in such Shelf Registration Statement, against any losses, claims, damages or liabilities to which the Company, the Parent, the Subsidiary Guarantors or such other Electing Holders may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement, or any preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433) contained therein or furnished by the Company to any Electing Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Electing Holder expressly for use therein, and (ii) reimburse the Company, the Parent and the Subsidiary Guarantors for any legal or other expenses reasonably incurred by the Company, the Parent and the Subsidiary Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that no such Electing Holder shall be required to undertake liability to any person under this Section 6(b) for any amounts in excess of the dollar amount of the proceeds received by such Electing Holder from the sale of such Electing Holder’s Registrable Securities pursuant to such registration.

(c) *Indemnification by the Market Maker*. The Company may require, as a condition to including any Securities or Exchange Securities in the Market-Making Registration Statement filed pursuant to Section 2(d) hereof and to entering into any underwriting agreement with respect thereto, that the Company shall have received an undertaking reasonably satisfactory to it from each underwriter named in any such underwriting agreement, severally and not jointly, to, and the Market Maker shall, and hereby agrees to, (i) indemnify and hold harmless the Company, the Parent and the Subsidiary Guarantors against any losses, claims, damages or liabilities to which the Company, the Parent or the Subsidiary Guarantors may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Market-Making Registration Statement, or any preliminary, final or summary prospectus contained therein or furnished by the Company to the Market Maker or to any such underwriter, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written

information furnished to the Company by the Market Maker or such underwriter expressly for use therein, and (ii) reimburse the Company, the Parent and the Subsidiary Guarantors for any legal or other expenses reasonably incurred by the Company, the Parent and the Subsidiary Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that, in the case of Securities held by the Market Maker at the time of the Exchange Offer, the Market Maker shall not be required to undertake liability to any person under this Section 6(c) for any amounts in excess of the dollar amount of the proceeds received by the Market Maker from the sale of such Securities by the Market Maker pursuant to the Market-Making Registration Statement.

(d) *Notices of Claims, Etc.* Promptly after receipt by an indemnified party under subsection (a), (b) or (c) above of written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Section 6, notify such indemnifying party in writing of the commencement of such action; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party under the indemnification provisions of or contemplated by Sections 6(a), (b) or (c) above, except to the extent it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under the indemnification provisions of or contemplated by Sections 6(a), 6(b) or 6(c). In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of any indemnified party.

(e) *Contribution.* If for any reason the indemnification provisions contemplated by Sections 6(a), 6(b) or 6(c) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or

alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 6(e) were determined by pro rata allocation (even if the holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6(e). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6(e), none of the Electing Holders or, in the case of a Market-Making Registration relating to the sale by the Market Maker of Securities held by it at the time of the Exchange Offer, the Market Maker shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of any Registrable Securities or the Market Maker from the sale of any such Securities or Exchange Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder or Market Maker, as applicable, have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The holders' and the Market Makers' obligations in this Section 6(e) to contribute shall be several in proportion to the principal amount of Registrable Securities registered by them and not joint.

(f) The obligations of the Company, the Parent and the Subsidiary Guarantors under this Section 6 shall be in addition to any liability which the Company, the Parent and the Subsidiary Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each officer, director and partner of each holder, the Market Maker, each Electing Holder and each person, if any, who controls any of the foregoing within the meaning of the Securities Act; and the obligations of the holders, the Market Maker and the Electing Holders contemplated by this Section 6 shall be in addition to any liability which the respective holder, Market Maker or Electing Holder may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company, the Parent and the Subsidiary Guarantors (including any person who, with his consent, is named in any registration statement as about to become a director of the Company, the Parent or any Subsidiary Guarantor) and to each person, if any, who controls the Company within the meaning of the Securities Act, as well as to each officer and director of the other holders and to each person, if any, who controls such other holders within the meaning of the Securities Act.

#### *7. Underwritten Offerings.*

Each holder of Registrable Securities hereby agrees with the Company and each other such holder that no holder of Registrable Securities may participate in any underwritten offering hereunder unless (a) the Company gives its prior written consent to such underwritten offering, (b) the managing underwriter or underwriters thereof shall be designated by the Company, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, (c) each holder of Registrable Securities participating in such underwritten offering agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the

persons selecting the managing underwriter or underwriters hereunder and (d) each holder of Registrable Securities participating in such underwritten offering timely completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements. The Company hereby agrees with each holder of Registrable Securities that, to the extent it consents to an underwritten offering hereunder, it will negotiate in good faith and execute all indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, including using commercially reasonable efforts to procure customary legal opinions and auditor “comfort” letters.

#### 8. Rule 144.

(a) *Facilitation of Sales Pursuant to Rule 144*. The Company covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, the Company shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the request of any holder of Registrable Securities in connection with that holder’s sale pursuant to Rule 144, the Company shall deliver to such holder a written statement as to whether it has complied with such requirements.

(b) *Availability of Rule 144 Not Excuse for Obligations under Section 2*. The fact that holders of Registrable Securities may become eligible to sell such Registrable Securities pursuant to Rule 144 shall not (1) cause such Securities to cease to be Registrable Securities by any means other than pursuant to the definition of Registrable Securities or (2) excuse the Company’s, the Parent’s and the Subsidiary Guarantors’ obligations set forth in Section 2 of this Agreement, including without limitation the obligations in respect of an Exchange Offer, Shelf Registration, Special Interest and Market-Making Registration.

#### 9. Miscellaneous.

(a) *No Inconsistent Agreements*. The Company represents, warrants, covenants and agrees that it has not granted, and shall not grant, registration rights with respect to Registrable Securities, Exchange Securities or Securities, as applicable, or any other securities which would be inconsistent with the terms contained in this Agreement. For clarification, nothing herein is intended to prohibit the Company, Parent and Subsidiary Guarantors from registering any Additional Notes (as defined in the Indenture) issued on the same registration statement as the Registrable Securities.

(b) *Specific Performance*. Subject to the provisions set forth in Section 3(c) hereof, the parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities and the Market Maker may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders and the Market Maker, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Company under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction. Time shall be of the essence in this Agreement.

(c) *Notices.* All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand, if delivered personally, by facsimile or by courier, or three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Company, to it at McJunkin Red Man Corporation, 2 Houston Center, 909 Fannin, Suite 3100, Houston, Texas 77010, and if to a holder, to the address of such holder set forth in the security register or other records of the Company, or to such other address as the Company or any such holder may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt and if to the Market Maker, to 85 Broad Street New York, New York 10004.

(d) *Parties in Interest.* All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto, the holders from time to time of the Registrable Securities, the Market Maker and the respective successors and assigns of the foregoing. In the event that any transferee of any holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits of, and be conclusively deemed to have agreed to be bound by all of the applicable terms and provisions of this Agreement. Notwithstanding the foregoing, nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms hereof or of the Purchase Agreement or the Indenture. If the Company shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all of the applicable terms hereof.

(e) *Survival.* The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, the Market Maker, any director, officer or partner of such holder or the Market Maker, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement, the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer and the transfer and registration of Securities and Exchange Securities by the Market Maker.

(f) ***Governing Law.*** This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(g) *Headings.* The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) *Entire Agreement; Amendments.* This Agreement and the other writings referred to herein (including the Indenture and the form of Securities) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Company and the holders of at least a majority in aggregate principal

amount of the Registrable Securities at the time outstanding and, with respect to provisions relating to the Market Maker, the Market Maker; *provided* that any such amendment or waiver affecting solely the provisions of this Agreement relating to a Market-Making Registration may be effected by a written instrument duly executed solely by the Company and the Market Maker. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) *Inspection*. For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the record holders of Registrable Securities shall be made available for inspection and copying on any Business Day by any holder of Registrable Securities and the Market Maker for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Securities, the Indenture and this Agreement) at the offices of the Company at the address thereof set forth in Section 9(c).

(j) *Counterparts*. This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) *Severability*. If any provision of this Agreement, or the application thereof in any circumstance, is held to be invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of such provision in every other respect and of the remaining provisions contained in this Agreement shall not be affected or impaired thereby.

McJunkin Red Man Corporation  
2 Houston Center  
909 Fannin, Suite 3100  
Houston, TX 77010

Ladies and Gentlemen:

We have acted as special counsel to McJunkin Red Man Corporation, a Delaware corporation (the “Company”), and each of the guarantors listed on Schedule A hereto (the “Guarantors”) in connection with the Company’s offer to exchange up to \$1,050,000,000 in aggregate principal amount of its 9.50% Senior Secured Notes due December 15, 2016 (the “Exchange Notes”), which are being registered under the Securities Act of 1933, as amended (the “Securities Act”), for a like principal amount of its 9.50% Senior Secured Notes due December 15, 2016 that were issued on December 21, 2009 and February 11, 2010, (the “Outstanding Notes”, and together with the Exchange Notes, the “Notes”) pursuant to the Registration Statement on Form S-4 filed with the Securities and Exchange Commission on March 24, 2011 (the “Registration Statement”). Pursuant to the Indenture (as defined below) the Outstanding Notes are, and the Exchange Notes will be, unconditionally guaranteed, jointly and severally, on the terms and subject to the conditions set forth in the Indenture (the “Outstanding Note Guarantees” and the “Exchange Note Guarantees”, respectively). All capitalized terms used herein that are defined in, or by reference in, the Indenture have the meanings assigned to such terms therein or by reference therein, unless otherwise defined herein. With your permission, all assumptions and statements of reliance herein have been made without any independent investigation or verification on our part except to the extent otherwise expressly stated, and we express no opinion with respect to the subject matter or accuracy of such assumptions or items relied upon.

In connection with this opinion, we have (i) investigated such questions of law, (ii) examined originals or certified, conformed, facsimile, electronic, photostatic or reproduction copies of such agreements, instruments, documents and records of the Company and the Guarantors, such certificates of public officials and such other documents and (iii) received

---

such information from officers and representatives of the Company and the Guarantors and others, in each case, as we have deemed necessary or appropriate for the purposes of this opinion. We have examined, among other documents, the following:

- (a) the Indenture, dated as of December 21, 2009, among the Company, the Guarantors and U.S. Bank National Association, as trustee (as supplemented, the “Indenture”);
- (b) the Outstanding Notes and the Outstanding Note Guarantees; and
- (c) the forms of Exchange Notes and the Exchange Note Guarantees.

The documents referred to in items (a) through (c) above are collectively referred to as the “Documents.”

In all such examinations, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of original and certified documents and the conformity to original or certified documents of all copies submitted to us as conformed, facsimile, electronic or reproduction copies. As to various questions of fact relevant to the opinions expressed herein, we have relied upon, and assume the accuracy of, any representations and warranties contained in the Documents and certificates and oral or written statements and other information of or from public officials, officers or other appropriate representatives of the Company, the Guarantors and others and assume compliance on the part of all parties to the Documents with their covenants and agreements contained therein.

To the extent it may be relevant to the opinions expressed herein, we have assumed that (i) the Exchange Notes will be duly authenticated and delivered by the Trustee in accordance with the terms of the Indenture, against receipt of the Outstanding Notes surrendered in exchange therefor, (ii) that all of the parties to the Documents (other than the Company and the Guarantors organized in Delaware or New York) are validly existing and in good standing under the laws of their respective jurisdictions of organization and have the power and authority to (a) execute and deliver the Documents, (b) perform their obligations thereunder and (c) consummate the transactions contemplated thereby, (iii) that the Documents have been duly authorized, executed and delivered by all of the parties thereto (other than the Company and the Guarantors organized in Delaware or New York), the execution thereof does not violate the charter, the by-laws or any other organizational document of any such parties (other than the Company and the Guarantors organized in Delaware or New York) or the laws of the jurisdiction of incorporation of any such parties (other than the Company and the Guarantors organized in Delaware or New York) and each of the Documents constitutes valid and binding obligations of all the parties thereto (other than the Company and the Guarantors), enforceable against such parties in accordance with their respective terms, and (iv) that all of the parties to the Documents will comply with all laws applicable thereto.

Based upon the foregoing, and subject to the limitations, qualifications and assumptions set forth herein, we are of the opinion that:

1. The Exchange Notes, when executed, issued and delivered in accordance with the terms of the Indenture in exchange for the Outstanding Notes in the manner contemplated by the Registration Statement, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
2. The Exchange Note Guarantees by the Guarantors, when the Exchange Notes have been duly executed, issued and delivered in accordance with the terms of the Indenture in exchange for the Outstanding Notes in the manner contemplated by the Registration Statement, will constitute a valid and binding obligation of each of the Guarantors, enforceable against each of the Guarantors in accordance with their terms.

The opinions set forth above are subject to the following qualifications:

(A) We express no opinion as to the validity, binding effect or enforceability of any provision of the Documents relating to indemnification, contribution or exculpation.

(B) We express no opinion as to the validity, binding effect or enforceability of any provision of the Documents:

(i) (a) containing any purported waiver, release, variation, disclaimer, consent or other agreement of similar effect (all of the foregoing, collectively, a “Waiver”) by the Company or the Guarantors under any of such Documents to the extent limited by provisions of applicable law (including judicial decisions), or to the extent that such a Waiver applies to a right, claim, duty, defense or ground for discharge otherwise existing or occurring as a matter of law (including judicial decisions), except to the extent that such a Waiver is effective under, and is not prohibited by or void or invalid under provisions of applicable law (including judicial decisions); or (b) with respect to any Waiver in the Exchange Note Guarantees insofar as it relates to causes or circumstances that would operate as a discharge or release of, or defense available to, the Guarantors thereunder as a matter of law (including judicial decisions), except to the extent such Waiver is effective under and is not prohibited by or void or invalid under applicable law (including judicial decisions)

(ii) related to (I) forum selection or submission to jurisdiction (including, without limitation, any waiver of any objection to venue in any court or of any objection that a court is an inconvenient forum) to the extent the validity, binding effect or enforceability of any provision is to be determined by any court other than a court of the State of New York, or (II) choice of governing law to the extent that the validity, binding effect or enforceability of any such provision is to be determined by any court other than a court of the State of New York or a federal district court sitting in the State of New York, in

each case, applying the law and choice of law principles of the State of New York;

(iii) specifying that provisions thereof may be waived only in writing, to the extent that an oral agreement or an implied agreement by trade practice or course of conduct has been created that modifies any provision of such agreement;

(iv) purporting to give any person or entity the power to accelerate obligations without any notice to the obligor; and

(v) which may be considered to be in the nature of a penalty.

(C) Our opinions are subject to the following:

(i) bankruptcy, insolvency, reorganization, moratorium and other laws (or related judicial doctrines) now or hereafter in effect affecting creditors' rights and remedies generally;

(ii) general equitable principles (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness, equitable defenses and limits on the availability of equitable remedies) whether such principles are considered in a proceeding in equity or at law; and

(iii) the application of any applicable fraudulent conveyance, fraudulent transfer, fraudulent obligation, or preferential transfer law or any law governing the distribution of assets of any person now or hereafter in effect affecting creditors' rights and remedies generally.

(D) Provisions in the Exchange Note Guarantee and the Indenture that provide that the Guarantors' liability thereunder shall not be affected by (i) actions or failures to act on the part of the recipient, the holders or the Trustee, (ii) amendments or waivers of provisions of documents governing the guaranteed obligations or (iii) other actions, events or circumstances that make more burdensome or otherwise change the obligations and liabilities of the Guarantors might not be enforceable under certain circumstances and in the event of actions that change the essential nature of the terms and conditions of the guaranteed obligations. With respect to each Guarantor, we have assumed that consideration that is sufficient to support the agreements of each Guarantor under the Documents has been received by each Guarantor.

The opinions expressed herein are limited to the laws of the State of New York and, to the extent relevant, the General Corporation Law of the State of Delaware, each as currently in effect, together with applicable provisions of the Constitution of Delaware and relevant decisional law, and no opinion is expressed with respect to any other laws or any effect that such other laws may have on the opinions expressed herein. Insofar as the opinions expressed herein involve the laws of the State of Texas, we have relied with your permission solely on the opinion of Jones, Walker, Waechter, Poitevent, Carrère & Denègre L.L.P., addressed to you on March 24, 2011 and filed as Exhibit 5.2 to the Registration Statement. Insofar as the opinions expressed herein involve the laws of the State of West Virginia, we have relied with your permission solely on the opinion of Bowles Rice McDavid Graff & Love LLP, addressed to you on March 24, 2011 and filed as Exhibit 5.3 to the Registration Statement.

The opinions expressed herein are given as of the date hereof, and we undertake no obligation to supplement this letter if any applicable laws change after the date hereof or if we become aware of any facts that might change the opinions expressed herein or for any other reason.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm under the caption “Legal Matters” in the prospectus that is included in the Registration Statement. In giving this consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

Re: Subsidiary Guarantee Opinion

Ladies and Gentlemen:

We have acted as special Texas counsel to McJunkin Red Man Corporation, a Delaware corporation (the “Issuer”), and The South Texas Supply Company, Inc., a Texas corporation (the “Guarantor”), in connection with matters related to the execution and delivery of the Exchange Note Guarantee (as defined below) by the Guarantor, which are being delivered in connection with the Issuer’s offer to exchange up to \$1,050,000,000 in aggregate principal amount of its 9.50% Senior Secured Notes due December 15, 2016 (the “Exchange Notes”), which are being registered under the Securities Act of 1933, as amended (the “Securities Act”), for a like principal amount of its 9.50% Senior Secured Notes due December 15, 2016 that were issued on December 21, 2009 and February 11, 2010, respectively (the “Outstanding Notes”, and together with the Exchange Notes, the “Notes”) pursuant to the Registration Statement on Form S-4 filed with the Securities and Exchange Commission on March 24, 2011 (the “Registration Statement”). Pursuant to the Indenture, dated as of December 21, 2009, among the Company, the guarantors named therein and U.S. Bank National Association, as trustee (as supplemented, the “Indenture”), the Exchange Notes will be unconditionally guaranteed, jointly and severally, on the terms and subject to the conditions set forth in the Indenture (the “Exchange Note Guarantees”). All capitalized terms used herein that are defined in, or by reference in, the Indenture have the meanings assigned to such terms therein or by reference therein, unless otherwise defined herein.

You are aware, and we hereby confirm, that we have not represented either the Issuer or the Guarantor with respect to the preparation, negotiation or execution of the Indenture, the Exchange Notes, the Registration Statement or any documents ancillary thereto or transactions contemplated thereby. We have been retained by the Issuer and the Guarantor for the sole and limited purpose of rendering the opinions set forth herein. By your acceptance of this opinion, you acknowledge the foregoing and confirm that you have consented to the rendering of the opinions set forth herein by this firm in light thereof.

In connection with rendering the opinions expressed below, we have examined and relied upon copies of (i) the Registration Statement, (ii) the Indenture which will be filed with the SEC as an exhibit to the Registration Statement, (iii) the Written Consent of the Sole Director of the Guarantor, dated March 20, 2011 (the “Written Consent”), (iv) the

---

Guarantor's certificate of incorporation, as amended, and the bylaws of Guarantor, dated December 27, 1996, and (v) other instruments as we have deemed relevant and necessary to enable us to express the opinions hereinafter set forth.

In connection with our examination of such documents, we have assumed without independent investigation or verification (i) that each of the documents and instruments reviewed by us has been duly authorized, executed and delivered by each of the parties thereto other than the Guarantor and is enforceable against such parties in accordance with the terms thereof, (ii) the authenticity of all documents and instruments submitted to us as originals, (iii) the conformity to the originals of all documents and instruments submitted to us as conformed, certified or photostatic copies, (iv) the accuracy and completeness of all corporate records made available to us by the Company, (v) the absence of any other documents, instruments, records, agreements, course of prior dealings or understandings that alter, modify or change in any way the terms of any documents, records or agreements provided to or reviewed by us or the validity or accuracy of the representations made to us orally or as set forth in any documents, instruments, records or agreements provided to or reviewed by us, (vi) the genuineness of all signatures on all documents and instruments examined by us, (vii) that adequate consideration and value have been given for the obligations incurred pursuant to the Indenture, (viii) the power and legal capacity of all persons (other than the Guarantor) who have executed documents reviewed by us hereunder, (ix) that the individual executing the Written Consent is the duly elected sole director of the Guarantor, and (x) that the Indenture is the valid and legally binding obligation of the Trustee. We express no opinion with respect to the subject matter or accuracy of such assumptions or items relied upon.

Based upon the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that:

1. The Guarantor is validly existing as a corporation in good standing under the laws of the State of Texas.
2. The Guarantor has the corporate power and authority to execute and deliver the Exchange Note Guarantees and perform its obligations thereunder; and
3. The Exchange Note Guarantees have been duly authorized by the Guarantor.

The opinions expressed herein are limited to the effect of the laws of the State of Texas. We do not express any opinion herein concerning any law other than the laws of the State of Texas. This opinion is limited in all respects to Applicable Law as now in effect and which has been published and is generally available in a format which makes legal research reasonably feasible. As used in this letter, the phrase "Applicable Law" shall mean the internal laws of the State of Texas which, in our experience, are normally applicable to transactions of the type contemplated by the Indenture. No opinion is expressed as to the

effect of any other laws of the State of Texas, or the laws of any other jurisdiction, including but not limited to the federal laws of the United States.

We undertake no obligation, and hereby disclaim any obligation, to update or supplement this opinion letter with respect to subsequent changes in the law or the facts presently in effect that would alter the scope or substance of the opinions herein expressed. This letter expresses our legal opinion as to the foregoing matters based upon our professional judgment at this time. It is not, however, to be construed as a guaranty, nor is it a warranty that a court considering such matters would not rule in a manner contrary to the opinions set forth above. The manner in which any particular issue would be treated in any actual court case would depend in part on the facts and circumstances particular to that case.

We hereby consent to the filing of this opinion letter as an exhibit to the Registration Statement and to the reference to this firm under the caption "Legal Matters" in the prospectus that is included in the Registration Statement. In giving this consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the SEC promulgated thereunder. This opinion letter may be relied upon by Fried, Frank, Harris, Shriver & Jacobson LLP, as if it were addressed to it, in rendering its opinions in connection with the registration of the offer and sale of the Exchange Notes and the sale and issuance of the Exchange Notes as described in the Registration Statement.

WHEREAS, the proceeds of the Extensions of Credit will be used in part to enable the Borrower to make valuable transfers to the Guarantors in connection with the operation of their respective businesses;

WHEREAS, each Guarantor acknowledges that it will derive substantial direct and indirect benefit from the making of the Extensions of Credit; and

---

(d) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

## SECTION 2. Guarantee.

(a) Subject to the provisions of Section 2(b), each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees, as primary obligor and not merely as surety, to the Collateral Agent, for the ratable benefit of the Secured Parties, the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations. This is a Guarantee of payment and not collection.

(b) Anything herein or in any other Credit Document to the contrary notwithstanding, if and to the extent required in order for the Obligations of any Guarantor to be enforceable under applicable federal, state and other laws relating to the insolvency of debtors, the maximum liability of such Guarantor hereunder and under the other Credit Documents shall in no event exceed the greatest amount that can be guaranteed by such Guarantor under such laws, after giving effect to any rights of contribution arising under Section 3. Each Guarantor acknowledges and agrees that, to the extent not prohibited by applicable law, (i) such Guarantor (as opposed to its creditors, representatives of creditors or bankruptcy trustee, including such Guarantor in its capacity as debtor in possession exercising any powers of a bankruptcy trustee) has no personal right under such laws to reduce, or request any judicial relief that has the effect of reducing, the amount of its liability under this Guarantee, (ii) such Guarantor (as opposed to its creditors, representatives of creditors or bankruptcy trustee, including such Guarantor in its capacity as debtor in possession exercising any powers of a bankruptcy trustee) has no personal right to enforce the limitation set forth in this Section 2(b) or to reduce, or request judicial relief reducing, the amount of its liability under this Guarantee, and (iii) the limitation set forth in this Section 2(b) may be enforced only to the extent required under such laws in order for the obligations of such Guarantor under this Guarantee to be enforceable under such laws and only by or for the benefit of a creditor, representative of creditors or bankruptcy trustee of such Guarantor or other Person entitled, under such laws, to enforce the provisions thereof.

(c) Each Guarantor agrees to pay or reimburse any and all expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by the Collateral Agent or any other Secured Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, such Guarantor under this Guarantee.

(d) Each Guarantor agrees that the Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing this Guarantee or affecting the rights and remedies of the Administrative Agent or the Collateral Agent or any other Secured Party hereunder.

(e) No payment or payments made the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Collateral Agent or any other Secured Party from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder, which shall, notwithstanding any such payment or payments (other than payments made by such Guarantor in respect of the Obligations or payments received or collected from such Guarantor in respect of the Obligations), remain liable for the Obligations up to the maximum liability of such Guarantor hereunder until the Obligations under the Credit Documents are paid in full, and the Commitments are terminated.

(f) Each Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment to the Collateral Agent or any other Secured Party on account of its liability hereunder, it will notify the Collateral Agent in writing that such payment is made under this Guarantee for such purpose.

**SECTION 3. Right of Contribution.** Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder (including by way of set-off rights being exercised against it), such Guarantor shall be entitled, subject to and upon payment in full of the Obligations under the Credit Documents, to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 5 hereof. The provisions of this Section 3 shall in no respect limit the obligations and liabilities of any Guarantor to the Collateral Agent and the other Secured Parties, and each Guarantor shall remain liable to the Collateral Agent and the other Secured Parties for the full amount guaranteed by such Guarantor hereunder.

The obligations of the Guarantors under the Credit Documents, including their liability for the Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectibility or sufficiency of any right of reimbursement or contribution arising under this Section 3. The invalidity, insufficiency, unenforceability or uncollectibility of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against any Guarantor or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure,

protect, enforce or ensure any such right or otherwise relating to any such right. Each Guarantor reserves any and all other rights of reimbursement or contribution at any time available to it as against any other Guarantor, but (i) the exercise and enforcement of any such rights shall be subject to the terms and conditions of Section 5 hereof, and (ii) neither the Collateral Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right.

SECTION 4. Right of Set-off. In addition to any rights and remedies of the Secured Parties provided by this Guarantee or by law, each Guarantor hereby irrevocably authorizes each Secured Party at any time and from time to time following the occurrence and during the continuance of an Event of Default without notice to such Guarantor or any other Guarantor, any such notice being expressly waived by each Guarantor, to set-off and appropriate and apply against any amount due and payable by such Guarantor hereunder (whether at stated maturity, by acceleration or otherwise), any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Guarantor. Each Secured Party shall notify such Guarantor promptly of any such set-off and the appropriation and application made by such Secured Party, provided that the failure to give such notice shall not affect the validity of such set-off and application.

SECTION 5. No Subrogation. Notwithstanding any payment or payments made by any of the Guarantors hereunder or any set-off or appropriation and application of funds of any of the Guarantors by the Collateral Agent or any other Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights (or if subrogated by operation of law, such Guarantor hereby waives such rights to the extent permitted by applicable law) of the Collateral Agent or any other Secured Party against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Collateral Agent or any other Secured Party for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Collateral Agent and the other Secured Parties by the Credit Parties on account of the Obligations under the Credit Documents are paid in full, and the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such reimbursement or contribution rights at any time when all the Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Collateral Agent and the other Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Collateral Agent, if required), to be applied against the Obligations, whether due or to become due, in such order as the Collateral Agent may determine.

SECTION 6. Amendments, etc. with Respect to the Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral

security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents, the Letters of Credit and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or all Lenders, as the case may be), and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Guarantee or any property subject thereto.

**SECTION 7. Guarantee Absolute and Unconditional; Waiver of Rights.**

(a) Each Guarantor waives any and all notice of the creation, contraction, incurrence, renewal, extension, amendment, waiver or accrual of any of the Obligations, and notice of or proof of reliance by the Collateral Agent or any other Secured Party upon this Guarantee or acceptance of this Guarantee; the Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, waived or accrued, in reliance upon this Guarantee; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. To the fullest extent permitted by applicable law, each Guarantor waives diligence, promptness, presentment, protest and notice of protest, demand for payment or performance, notice of default or nonpayment, notice of acceptance and any other notice to or upon the Borrower or any Guarantor in respect of the Obligations or any part of them, and any defense arising by reason of any disability or other defense of the Borrower or any of the Guarantors with respect to the Obligations. Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity, regularity or enforceability of the Credit Agreement, any other Credit Document, any Letter of Credit, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by the Borrower or any other Person against any Secured Party or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any Guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent or any other Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any

Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(b) This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Guarantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all Obligations under the Credit Documents (other than any contingent indemnity obligations not then due) shall have been satisfied by payment in full, and the Commitments thereunder shall be terminated and no Letters of Credit thereunder shall be outstanding, notwithstanding that from time to time during the term of the Credit Agreement the Credit Parties may be free from any Obligations.

(c) A Guarantor shall automatically be released from its obligations hereunder and the Guarantee of such Guarantor shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Guarantor ceases to be a Subsidiary Guarantor.

SECTION 8. Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

SECTION 9. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Collateral Agent without set-off or counterclaim in Dollars in immediately available funds at the Collateral Agent's Office.

SECTION 10. Representations and Warranties; Covenants.

(a) Each Guarantor hereby represents and warrants that the representations and warranties set forth in Section 8 of the Credit Agreement as of the Closing Date as they relate to such Guarantor or in the other Credit Documents to which such Guarantor is a party, each of which is hereby incorporated herein by reference, are true and correct, and the Collateral Agent and each other Secured Party shall be entitled to rely on each of them as if they were fully set forth herein.

(b) Each Guarantor hereby covenants and agrees with the Collateral Agent and each other Secured Party that, from and after the date of this Guarantee until the Obligations under the Credit Documents are paid in full, and the Commitments are terminated, such Guarantor shall take, or shall refrain from taking, as the case may be, all actions that are necessary to be taken or not taken, as the case may be, so that no violation of any provision, covenant or agreement contained in Section 9 or Section 10 of the Credit Agreement and so that

no Default or Event of Default, is caused by any act or failure to act of such Guarantor or any of its Subsidiaries.

SECTION 11. Authority of the Collateral Agent.

(a) The Collateral Agent enters into this Guarantee in its capacity as agent for the Secured Parties from time to time. The rights and obligations of the Collateral Agent under this Guarantee at any time are the rights and obligations of the Secured Parties at that time. Each of the Secured Parties has (subject to the terms of the Credit Documents) a several entitlement to each such right, and a several liability in respect of each such obligation, in the proportions described in the Credit Documents. The rights, remedies and discretions of the Secured Parties, or any of them, under this Guarantee may be exercised by the Collateral Agent. As between the Collateral Agent and the Guarantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting. No party to this Guarantee is obliged to inquire whether an exercise by the Collateral Agent of any such right, remedy or discretion is within the Collateral Agent's authority as agent for the Secured Parties. All powers, authorizations and agencies contained in this Guarantee are coupled with an interest and are irrevocable until this Guarantee is terminated.

(b) Each party to this Guarantee acknowledges and agrees that any changes (in accordance with the provisions of the Credit Documents) in the identity of the persons from time to time comprising the Secured Parties gives rise to an equivalent change in the Secured Parties, without any further act. Upon such an occurrence, the persons then comprising the Secured Parties are vested with the rights, remedies and discretions and assume the obligations of a Secured Party under this Guarantee. Each party to this Guarantee irrevocably authorizes the Collateral Agent to give effect to the change in Secured Party contemplated in this Section 11 (b) by countersigning an Assignment and Acceptance.

SECTION 12. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 14.2 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

SECTION 13. Counterparts. This Guarantee may be executed by one or more of the parties to this Guarantee on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Guarantee signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

SECTION 14. Severability. Any provision of this Guarantee that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 15. Integration. This Guarantee, together with the other Credit Documents, represents the agreement of each Guarantor, the Collateral Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof and thereof not expressly set forth or referred to herein or in the other Credit Documents.

SECTION 16. Amendments in Writing; No Waiver; Cumulative Remedies.

(a) None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except in accordance with Section 14.1 of the Credit Agreement.

(b) Neither the Collateral Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 16(a)), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or any such Secured Party would otherwise have on any future occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

SECTION 17. Section Headings. The Section headings used in this Guarantee are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

SECTION 18. Successors and Assigns. This Guarantee shall be binding upon the successors and assigns of each Guarantor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and assigns; provided, that no Guarantor may assign, transfer or delegate any of its rights or obligations under this Guarantee without the prior written consent of the Collateral Agent.

SECTION 19. Additional Guarantors. Each Subsidiary of the Borrower that is required to become a party to this Guarantee pursuant to Section 9.11 of the Credit Agreement shall become a Guarantor, with the same force and effect as if originally named as a Guarantor herein, for all purposes of this Guarantee upon execution and delivery by such Subsidiary of a written supplement substantially in the form of Annex A hereto. The execution and delivery of any instrument adding an additional Guarantor as a party to this Guarantee shall not require the consent of any other Guarantor hereunder. The rights and obligations of each Guarantor

hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Guarantee.

SECTION 20. Acknowledgments. Each Guarantor hereby acknowledges that:

- (a) it has been advised by counsel in the negotiation, execution and delivery of this Guarantee and the other Credit Documents to which it is a party;
- (b) no Secured Party has any fiduciary relationship with or duty to any Guarantor arising out of or in connection with this Guarantee or any of the other Credit Documents, and the relationship between the Guarantors, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and
- (c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Guarantors and the Secured Parties.

SECTION 21. **WAIVER OF JURY TRIAL**. EACH GUARANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS GUARANTEE, ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 22. Submission to Jurisdiction; Waivers; Service of Process. Each Guarantor hereby irrevocably and unconditionally:

- (i) submits for itself and its property in any legal action or proceeding relating to this Guarantee and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;
- (ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;
- (iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Guarantor in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement, and such Guarantor hereby irrevocably authorizes and directs the Borrower to accept such service on its behalf;
- (iv) agrees that nothing herein shall affect the right of the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted

by law or shall limit the right of the Collateral Agent or any other Secured Party to sue in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 21 any special, exemplary, punitive or consequential damages.

**SECTION 23. GOVERNING LAW. THIS GUARANTEE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Guarantee.

C. Section 9.11 of the Credit Agreement and Section 19 of the Guarantee provide that additional Subsidiaries of the Borrower may become Guarantors under the Guarantee by execution and delivery of an instrument in the form of this Supplement. Each undersigned Subsidiary (each a "New Guarantor") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Guarantor under the Guarantee in order to induce the Lenders and the Letter of Credit Issuers to make additional Extensions of Credit and as consideration for Extensions of Credit previously made.

Accordingly, the Collateral Agent and each New Guarantor agree as follows:

SECTION 1. In accordance with Section 19 of the Guarantee, each New Guarantor by executing and delivering this Supplement becomes a Guarantor under the Guarantee with the same force and effect as if originally named therein as a Guarantor, and, without limiting the generality of the foregoing, each New Guarantor hereby (a) agrees to all the terms and provisions of the Guarantee applicable to it as a Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Guarantor thereunder are true and correct on and as of the date hereof (after giving effect to this Supplement). SECTION 2. Each New Guarantor represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and

---

delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

SECTION 3. This Supplement may be executed by one or more of the parties to this Supplement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Supplement signed by all the parties shall be lodged with the Borrower and the Collateral Agent. This Supplement shall become effective as to each New Guarantor when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of such New Guarantor and the Collateral Agent.

SECTION 4. Except as expressly supplemented hereby, the Guarantee shall remain in full force and effect.

**SECTION 5. THIS SUPPLEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

SECTION 6. Any provision of this Supplement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Guarantee, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7. All notices, requests and demands pursuant hereto shall be made in accordance with Section 14.2 of the Credit Agreement. All communications and notices hereunder to each New Guarantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

## **1.3 Certain Matters of Construction.**

The terms "herein," "hereof," "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular section, paragraph or subdivision. Any pronoun used shall be deemed to cover all genders. In the computation of periods of time from a specified date to a later specified date, "from" means "from and including," and "to" and "until" each mean "to but excluding." The terms "including" and "include" shall mean "including, without limitation" and, for purposes of each Loan Document, the parties agree that the rule of *ejusdem generis* shall not be applicable to limit any provision. Section titles appear as a matter of convenience only and shall not affect the interpretation of any Loan Document. All references to (a) laws or statutes include all related rules, regulations, interpretations, amendments and successor provisions; (b) any document, instrument or agreement include any amendments, waivers and other modifications, extensions or renewals (to the extent permitted by the Loan Documents); (c) any section mean, unless the context otherwise requires, a section of this Agreement; (d) any exhibits or schedules mean, unless the context otherwise requires, exhibits and schedules attached hereto, which are hereby incorporated by reference; (e) any Person include successors and assigns; (f) time of day mean time of day at Agent's notice address under Section 15.3.1; or (g) discretion of Agent, Issuing Bank or any Lender mean the sole and

Borrowing Base calculations shall be consistent with historical methods of valuation and calculation, and otherwise satisfactory to Agent (and not necessarily calculated in accordance with GAAP). Borrower shall have the burden of establishing any alleged negligence, misconduct or lack of good faith by Agent, Issuing Bank or any Lender under any Loan Documents. No provision of any Loan Documents shall be construed against any party by reason of such party having, or being deemed to have, drafted the provision. Whenever the phrase “to the best of Borrower’s knowledge” or words of similar import are used in any Loan Documents, it means actual knowledge of a Senior Officer, or knowledge that a Senior Officer would have obtained if he or she had engaged in good faith and diligent performance of his or her duties, including reasonably specific inquiries of employees or agents and a good faith attempt to ascertain the matter to which such phrase relates. For purposes of any Collateral located in the Province of Quebec or charged by any deed of hypothec (or any other Loan Document) and for all other purposes pursuant to which the interpretation or construction of a Loan Document may be subject to the laws of the Province of Quebec or a court or tribunal exercising jurisdiction in the Province of Québec, (q) “personal property” shall be deemed to include “movable property”, (r) “real property” shall be deemed to include “immovable property”, (s) “tangible property” shall be deemed to include “corporeal property”, (t) “intangible property” shall be deemed to include “incorporeal property”, (u) “security interest” and “mortgage” shall be deemed to include a “hypothec”, (v) all references to filing, registering or recording under the UCC or the PPSA shall be deemed to include publication under the Civil Code of Québec, (w) all references to “perfection” of or “perfected” Liens shall be deemed to include a reference to the “opposability” of such Liens to third parties, (x) any “right of offset”, “right of setoff” or similar expression shall be deemed to include a “right of compensation”, (y) “goods” shall be deemed to include “corporeal movable property” other than chattel paper, documents of title, instruments, money and securities, and (z) an “agent” shall be deemed to include a “mandatary”.

#### **1.4 Interest Calculations and Payments**

Unless otherwise stated (as with the case of the unused line fee and the LC facility fees, which shall be calculated at an interest per annum based on a year of three hundred and sixty (360) days), wherever in this Agreement reference is made to a rate of interest “per annum” or a similar expression is used, such interest will be calculated on the basis of a calendar year of three hundred and sixty-five (365) days or three hundred and sixty-six (366) days, as the case may be. Calculations of interest shall be made using the nominal rate method of calculation, and will not be calculated using the effective rate method of calculation or on any other basis that gives effect to the principle of deemed reinvestment of interest. All payments of interest to be made hereunder will be paid both before and after maturity and before and after default and/or judgment, if any, until payment thereof, and interest will accrue on overdue interest, if any.

#### **1.5 Interest Act (Canada)**

For the purposes of this Agreement, whenever interest to be paid hereunder is to be calculated on the basis of a year of three hundred and sixty (360) days, as in the case of the

unused line fee and the LC facility fees, or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by either three hundred and sixty (360) or such other period of time, as the case may be.

#### **1.6 Equivalent Amount**

For the purpose of determining compliance with covenant and default limitations set forth in the Agreements, amounts expressed in U.S. Dollars shall be measured by aggregating the Equivalent Amount of the applicable items denominated in U.S. Dollars with the items in Canadian Dollars.

### **SECTION 2 CREDIT FACILITIES**

#### **2.1 Revolver Commitment.**

##### **2.1.1 Revolver Loans.**

Each Lender agrees, severally on a Pro Rata basis up to its Revolver Commitment, on the terms set forth herein, to make Revolver Loans to Borrower from time to time through the Commitment Termination Date. The Revolver Loans may be repaid and reborrowed as provided herein. In no event shall Lenders have any obligation to honour a request for a Revolver Loan in excess of Availability.

##### **2.1.2 Revolver Notes.**

The Revolver Loans made by each Lender and interest accruing thereon shall be evidenced by the records of Agent and such Lender. At the request of any Lender, Borrower shall deliver a Revolver Note to such Lender.

##### **2.1.3 Use of Proceeds.**

The proceeds of Revolver Loans shall be used by Borrower solely (a) to satisfy existing Debt; (b) to pay fees and transaction expenses associated with the closing of this credit facility; (c) to pay Obligations in accordance with this Agreement; and (d) for working capital and other lawful general corporate purposes of Borrower, including those set out in the recitals to this Agreement.

##### **2.1.4 Voluntary Termination of Revolver Commitments.**

The Revolver Commitments shall terminate on the Revolver Termination Date, unless sooner terminated in accordance with this Agreement. Upon at least 30 days prior written notice to Agent, Borrower may, at its option, terminate, without premium or penalty, the Revolver Commitments and this credit facility. Any notice of termination given by Borrower shall be irrevocable. On the termination date, Borrower shall make Full Payment of all Obligations.

#### 2.1.5 Overadvances.

If the aggregate Revolver Loans exceed the Borrowing Base ("Overadvance") or the aggregate Revolver Commitments at any time, the excess amount shall be payable by Borrower on demand by Agent, but all such Revolver Loans shall nevertheless constitute Obligations secured by the Collateral and entitled to all benefits of the Loan Documents. Unless its authority has been revoked in writing by Required Lenders, Agent may require Lenders to honour requests for Overadvance Loans and to forbear from requiring Borrower to cure an Overadvance, (a) when no other Event of Default is known to Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required), and (ii) the Overadvance is not known by Agent to exceed \$10,000,000; and (b) regardless of whether an Event of Default exists, if Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance does not continue for more than 30 consecutive days. In no event shall Overadvance Loans be required that would cause the outstanding Revolver Loans and LC Obligations to exceed the aggregate Revolver Commitments. Any funding of an Overadvance Loan or sufferance of an Overadvance shall not constitute a waiver by Agent or Lenders of the Event of Default caused thereby. In no event shall Borrower or other Obligor be deemed a beneficiary of this Section nor authorized to enforce any of its terms.

#### 2.1.6 Protective Advances.

Agent shall be authorized, in its discretion, at any time that a Default or Event of Default exists or any conditions in Section 6 are not satisfied, and without regard to the aggregate Commitments, to make Prime Rate Revolver Loans ("Protective Advances") (a) if Agent deems such Loans necessary or desirable to preserve or protect any Collateral, or to enhance the collectibility or repayment of Obligations; or (b) to pay any other amounts chargeable to Obligors under any Loan Documents, including costs, fees and expenses. All Protective Advances shall be Obligations, secured by the Collateral, and shall be treated for all purposes as Extraordinary Expenses. Each Lender shall participate in each Protective Advance on a Pro Rata basis. Required Lenders may at any time revoke Agent's authorization to make further Protective Advances by written notice to Agent. Absent such revocation, Agent's determination that funding of a Protective Advance is appropriate shall be conclusive.

#### 2.1.7 Request for Increase of Revolver Commitments

- (a) Request for Increase. Provided that there exists no Default or Event of Default, the Borrower may, at any time after delivery of the Section 10.1.2 Financials for the Fiscal Quarter ending September 30, 2010 evidencing compliance with the covenants under Section 10.3, and from time to time thereafter, request an increase in the Revolver Commitments ("New Revolver Commitments") by an amount (for all such requests) not exceeding \$140,000,000 in the aggregate by issuing a notice to that effect to the Agent and the Lenders (a "Commitment Increase Notice"); provided that (A) any such request for an increase shall be in a minimum amount of \$10,000,000, and (B) the Borrower may make a maximum of four such requests. At the time of sending a Commitment Increase Notice, the

Borrower (in consultation with the Agent) shall specify the time period within which each Lender is requested to respond (which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the Lenders).

- (b) Lender Elections to Increase. Each Lender shall notify the Agent within such time period whether or not it agrees to increase its Commitment and, if so, whether by an amount equal to, greater than, or less than its Pro Rata share of such requested increase (each such requested increase a "Commitment Increase Amount"). Any Lender not responding within such time period shall be deemed to have declined to increase its Commitment.
- (c) Notification by Agent; Additional Lenders. The Agent shall notify the Borrower and each Lender of the Lenders' responses to each Commitment Increase Notice. To achieve the full amount of a Commitment Increase Amount and subject to the approval of the Agent (which approval shall not be unreasonably withheld), the Borrower may also invite additional Eligible Assignees to become Lenders pursuant to a joinder agreement in form and substance reasonably satisfactory to the Agent and its counsel.
- (d) Effective Date and Allocations. If the Revolver Commitments are increased in accordance with this Section 2.1.7, the Agent and the Borrower shall determine the effective date (the "Commitment Increase Date") and the final allocation of such increase. The Agent shall promptly notify the Borrower and the Lenders of the final allocation of such increase and the Commitment Increase Date. For the avoidance of doubt, any Loans made and Letters of Credit issued following the Commitment Increase Date and utilizing any increase in the Revolver Commitments shall constitute Obligations for all purposes of the Loan Documents.
- (e) Conditions to Effectiveness of Increase. As a condition precedent to any such increase, the Borrower shall deliver to the Agent a certificate of each Obligor dated as of the Commitment Increase Date signed by a Senior Officer of such Obligor (i) certifying and attaching the resolutions adopted by such Obligor approving or consenting to such increase, and (ii) in the case of the Borrower, certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Section 9 and the other Loan Documents are true and correct on and as of the Commitment Increase Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 2.1.7, the representations and warranties contained in subsection 9.1.8 shall be deemed to refer to the most recent financial statements furnished pursuant to subsection 10.1.2, (B) no Default or Event of Default exists, and (C) the increase will not result in any obligation to grant any Liens in favour of any other Person (other than any Liens in favour of Agent, as agent for New Revolving Lenders).

- (f) On any Commitment Increase Date on which New Revolver Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (i) each of the Lenders with Revolver Commitments shall assign to each Lender with a New Revolver Commitment (each, a “New Revolver Lender”) and each of the New Revolver Lenders shall purchase from each of the Lenders with Revolver Commitments, at the principal amount thereof (together with accrued interest), such interests in the Revolver Loans outstanding on such Commitment Increase Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolver Loans will be held by existing Lenders with Revolver Loans and New Revolver Lenders ratably in accordance with their Revolver Commitments after giving effect to the addition of such New Revolver Commitments to the Revolver Commitments, (ii) each New Revolver Commitment shall be deemed for all purposes a Revolver Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolver Loan and (iii) each New Revolver Lender shall become a Lender with respect to the New Revolver Commitment and all matters relating thereto.

#### 2.1.8 Decrease in Revolver Commitments.

Provided that there exists no Default or Event of Default, the Borrower may, at any time after the Closing Date and before the end of the Commitment Termination Date, upon not less than thirty (30) days prior written notice to Agent (such written notice being herein referred to as a “Commitment Reduction Notice”), reduce, without premium or penalty, on the date specified in the Commitment Reduction Notice (the “Commitment Reduction Date”) the amount of the Commitments by an aggregate amount (of all such requests) of up to, and not exceeding, \$100,000,000 (the “Commitment Reduction Amount”); provided, however, that in no event shall the amount of the Commitments be reduced to an amount less than \$60,000,000; provided, further, that if the Revolver Commitments are increased in excess of \$100,000,000 pursuant to Section 2.1.7 hereof, in no event shall the amount of the Commitments be reduced to an amount less than \$100,000,000. Subject to the preceding sentence, on the Commitment Reduction Date, (i) the Commitments shall be reduced by the Commitment Reduction Amount and each Lender’s Commitment shall be reduced by such Lender’s Pro Rata share of the Commitments, (ii) the Inventory Sub-Limit shall be reduced proportionately, and (iii) Borrower shall pay to Agent, in immediately available funds, for application to the Loans owed to relevant Lenders, the dollar amount necessary so that after giving effect to Commitment Reduction Amount the outstanding Loans and Letters of Credit do not exceed the Commitments; provided, however, any such reduction is subject to the following additional conditions being satisfied in form and substance satisfactory to Agent and its counsel: (a) Borrower shall have delivered to Agent an Amended and Restated Revolver Note, payable to the order of the relevant Lender, reflecting the reduced Commitment of such Lender, duly executed by Borrower; and (b) Borrower shall have delivered to Agent an amendment to this Agreement evidencing this Commitment Reduction Amount, duly executed by Borrower, with Agent being hereby authorized by each Lender to execute such an amendment on behalf of such Lender. A Commitment Reduction Notice may be given only if the Commitment Reduction Amount is at least \$25,000,000 and no more than two Commitment Reduction Notices may be delivered by Borrower pursuant to this Section 2.1.8.

## **2.2 Letter of Credit Facility.**

### **2.2.1 Issuance of Letters of Credit.**

Issuing Bank agrees to issue Letters of Credit from time to time until 30 days prior to the Revolver Termination Date (or until the Commitment Termination Date, if earlier), on the terms set forth herein, including the following:

- (a) Borrower acknowledges that Issuing Bank's willingness to issue any Letter of Credit is conditioned upon Issuing Bank's receipt of a LC Application with respect to the requested Letter of Credit, as well as such other instruments and agreements as Issuing Bank may customarily require for issuance of a letter of credit of similar type and amount. Issuing Bank shall have no obligation to issue any Letter of Credit unless (i) Issuing Bank receives a LC Request and LC Application at least three Business Days prior to the requested date of issuance; and (ii) each LC Condition is satisfied. If Issuing Bank receives written notice from a Lender at least one Business Day before issuance of a Letter of Credit that any LC Condition has not been satisfied, Issuing Bank shall have no obligation to issue the requested Letter of Credit (or any other) until such notice is withdrawn in writing by that Lender or until Required Lenders have waived such condition in accordance with this Agreement. Prior to receipt of any such notice, Issuing Bank shall not be deemed to have knowledge of any failure of LC Conditions.
- (b) Letters of Credit may be requested by Borrower only (i) to support obligations of Borrower incurred in the Ordinary Course of Business; or (ii) for other purposes as Agent and Lenders may approve from time to time in writing. The renewal or extension of any Letter of Credit shall be treated as the issuance of a new Letter of Credit, except that delivery of a new LC Application shall be required at the discretion of Issuing Bank.
- (c) Borrower assumes all risks of the acts, omissions or misuses of any Letter of Credit by the beneficiary. In connection with issuance of any Letter of Credit, none of Agent, Issuing Bank or any Lender shall be responsible for the existence, character, quality, quantity, condition, packing, value or delivery of any goods purported to be represented by any Documents; any differences or variation in the character, quality, quantity, condition, packing, value or delivery of any goods from that expressed in any Documents; the form, validity, sufficiency, accuracy, genuineness or legal effect of any Documents or of any endorsements thereon; the time, place, manner or order in which shipment of goods is made; partial or incomplete shipment of, or failure to ship, any goods referred to in a Letter of Credit or Documents; any deviation from instructions, delay, default or fraud by any shipper or other Person in connection with any goods, shipment or delivery; any breach of contract between a shipper or vendor and Borrower; errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex, telecopy, e-mail, telephone or

otherwise; errors in interpretation of technical terms; the misapplication by a beneficiary of any Letter of Credit or the proceeds thereof; or any consequences arising from causes beyond the control of Issuing Bank, Agent or any Lender, including any act or omission of a Governmental Authority. The rights and remedies of Issuing Bank under the Loan Documents shall be cumulative. Issuing Bank shall be fully subrogated to the rights and remedies of each beneficiary whose claims against Borrower are discharged with proceeds of any Letter of Credit.

- (d) In connection with its administration of and enforcement of rights or remedies under any Letters of Credit or LC Documents, Issuing Bank shall be entitled to act, and shall be fully protected in acting, upon any certification, notice or other communication in whatever form believed by Issuing Bank, in good faith, to be genuine and correct and to have been signed, sent or made by a proper Person, Issuing Bank may consult with and employ legal counsel, accountants and other experts to advise it concerning its obligations, rights and remedies, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by such experts. Issuing Bank may employ agents and attorneys in connection with any matter relating to Letters of Credit or LC Documents, and shall not be liable for the negligence or misconduct of any such agents or attorneys selected with reasonable care.

#### 2.2.2 Reimbursement; Participations.

- (a) If Issuing Bank honours any request for payment under a Letter of Credit, Borrower shall pay to Issuing Bank, on the same day ("Reimbursement Date"), the amount paid by Issuing Bank under such Letter of Credit, together with interest at the interest rate for Prime Rate Revolver Loans from the Reimbursement Date until payment by Borrower. The obligation of Borrower to reimburse Issuing Bank for any payment made under a Letter of Credit shall be absolute, unconditional and irrevocable, and shall be paid without regard to any lack of validity or enforceability of any Letter of Credit or the existence of any claim, setoff, defense or other right that Borrower may have at any time against the beneficiary. Whether or not Borrower submits a Notice of Borrowing, Borrower shall be deemed to have requested a Borrowing of Prime Rate Revolver Loans, in an amount necessary to pay all amounts due Issuing Bank on any Reimbursement Date and each Lender agrees to fund its Pro Rata share of such Borrowing whether or not the Commitments have terminated, an Overadvance exists or is created thereby, or the conditions in Section 6 are satisfied. The amount of any request for payment under a Letter of Credit denominated in a currency other than Dollars shall be converted into Dollars at the Agent's spot buying rate in Toronto at approximately 12:00 p.m. (Eastern time) on the date of such drawing/request for payment.
- (b) Upon issuance of a Letter of Credit, each Lender shall be deemed to have irrevocably and unconditionally purchased from Issuing Bank, without

recourse or warranty, an undivided Pro Rata interest and participation in all LC Obligations relating to the Letter of Credit. If Issuing Bank makes any payment under a Letter of Credit and Borrower does not reimburse such payment on the Reimbursement Date, Agent shall promptly notify Lenders and each Lender shall promptly (within one Business Day) and unconditionally pay to Agent, for the benefit of Issuing Bank, the Lender's Pro Rata share of such payment. Upon request by a Lender, Issuing Bank shall furnish copies of any Letters of Credit and LC Documents in its possession at such time.

- (c) The obligation of each Lender to make payments to Agent for the account of Issuing Bank in connection with Issuing Bank's payment under a Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, setoff, compensation, qualification or exception whatsoever, and shall be made in accordance with this Agreement under all circumstances, irrespective of any lack of validity or unenforceability of any Loan Documents; any draft, certificate or other document presented under a Letter of Credit having been determined to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or the existence of any setoff compensation or defense that any Obligor may have with respect to any Obligations. Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by Borrower or other Person of any obligations under any LC Documents. Issuing Bank does not make to Lenders any express or implied warranty, representation or guarantee with respect to the Collateral, LC Documents or any Obligor. Issuing Bank shall not be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Documents; the validity, genuineness, enforceability, collectibility, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor.
- (d) No Issuing Bank Indemnitee shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or wilful misconduct. Issuing Bank shall not have any liability to any Lender if Issuing Bank refrains from any action under any Letter of Credit or LC Documents until it receives written instructions from Required Lenders.

#### 2.2.3 Cash Collateral.

If any LC Obligations, whether or not then due or payable, shall for any reason be outstanding at any time (a) that an Event of Default exists, (b) that Availability is less than zero, (c) after the Commitment Termination Date, or (d) within 20 Business Days prior to the Revolver Termination Date, then Borrower shall, at Issuing Bank's or Agent's request, Cash Collateralize all outstanding LC Obligations. If Borrower fails to Cash Collateralize the

outstanding LC Obligations as required herein, Lenders may (and shall upon direction of Agent) advance, as Revolver Loans, the amount of the Cash Collateral required (whether or not the Commitments have terminated, an Overadvance exists, or the conditions in Section 6 are satisfied).

### **SECTION 3 INTEREST, FEES AND CHARGES**

#### **3.1 Interest.**

##### **3.1.1 Rates and Payment of Interest.**

- (a) The Obligations shall bear interest (i) if a Prime Rate Loan, at the Prime Rate in effect from time to time, plus the Applicable Margin for Prime Rate Revolver Loans; (ii) if a BA Equivalent Loan, at the BA Equivalent Rate for the applicable Interest Period, plus the Applicable Margin for BA Equivalent Revolver Loans; and (iii) if any other Obligation (including, to the extent permitted by law, interest not paid when due), at the Prime Rate in effect from time to time, plus the Applicable Margin for Prime Rate Revolver Loans. Interest shall accrue from the date the Loan is advanced or the Obligation is incurred or payable, until paid by Borrower. If a Loan is repaid on the same day made, one day's interest shall accrue.
- (b) During any Default or Event of Default, if Agent or Required Lenders in their discretion so elect, Obligations shall bear interest at the Default Rate. Borrower acknowledges that the cost and expense to Agent and each Lender due to a Default or an Event of Default are difficult to ascertain and that the Default Rate is a fair and reasonable estimate to compensate Agent and Lenders for such added cost and expense.
- (c) Interest accrued on the Loans shall be due and payable in arrears, (i) on the first day of each month and, for any BA Equivalent Loan, the last day of its Interest Period; and (ii) on the Commitment Termination Date. Interest accrued on any other Obligations shall be due and payable as provided in the Loan Documents and, if no payment date is specified, shall be due and payable on demand. Notwithstanding the foregoing, interest accrued at the Default Rate shall be due and payable on demand.

##### **3.1.2 Application of BA Equivalent Rate to Outstanding Loans.**

- (a) Borrower may on any Business Day, subject to delivery of a Notice of Conversion/Continuation, elect to convert any portion of the Prime Rate Loans to, or to continue any BA Equivalent Loan at the end of its Interest Period as, a BA Equivalent Loan. During any Default or Event of Default, Agent may (and shall at the direction of Required Lenders) declare that no Loan may be made, converted or continued as a BA Equivalent Loan.
- (b) Whenever Borrower desires to convert or continue Loans as BA Equivalent Loans, Borrower shall give Agent a Notice of Conversion/Continuation, no later than 12:00 p.m. (Eastern time) at least three Business Days before the

requested conversion or continuation date. Promptly after receiving any such notice, Agent shall notify each Lender thereof. Each Notice of Conversion/Continuation shall be irrevocable, and shall specify the aggregate principal amount of Loans to be converted or continued, the conversion or continuation date (which shall be a Business Day), and the duration of the Interest Period (which shall be deemed to be one month if not specified). If, upon the expiration of any Interest Period in respect of any BA Equivalent Loans, Borrower shall have failed to deliver a Notice of Conversion/Continuation, it shall be deemed to have elected to convert such Loans into Prime Rate Loans.

### **3.1.3 Interest Periods.**

In connection with the making, conversion or continuation of any BA Equivalent Loans, Borrower shall select an interest period ("Interest Period") to apply, which interest period shall be one, two, three or six months; provided, however, that:

- (a) the Interest Period shall commence on the date the Loan is made or continued as, or converted into, a BA Equivalent Loan, and shall expire on the numerically corresponding day in the calendar month at its end;
- (b) if any Interest Period commences on a day for which there is no corresponding day in the calendar month at its end or if such corresponding day falls after the last Business Day of such month, then the Interest Period shall expire on the last Business Day of such month; and if any Interest Period would expire on a day that is not a Business Day, the period shall expire on the next Business Day; and
- (c) no Interest Period shall extend beyond the Revolver Termination Date.

### **3.1.4 Interest Rate Not Ascertainable.**

If Agent shall determine that on any date for determining BA Equivalent Rate, adequate and fair means do not exist for ascertaining such rates on the basis provided herein, then Agent shall immediately notify Borrower of such determination. Until Agent notifies Borrower that such circumstance no longer exists, the obligation of Lenders to make further BA Equivalent Loans shall be suspended, and no further Loans may be converted into or continued as BA Equivalent Loans, as applicable.

## **3.2 Fees.**

### **3.2.1 Unused Line Fee.**

Borrower shall pay to Agent, for the Pro Rata benefit of Lenders, a fee equal to the (a) (i) 1.00% (if the outstanding amount of all Borrowings under this Agreement, for the immediately preceding Fiscal Quarter, are greater than 50% of the Revolver Commitments), or (ii) 1.25% (if the outstanding amount of all Borrowings under this Agreement, for the immediately preceding Fiscal Quarter, are equal to or less than 50% of the Revolver Commitments) times (b) the amount by which the Revolver Commitments exceed the average daily balance of Loans during

any month. Such fee shall be payable in arrears, on the first day of each month and on the Commitment Termination Date.

The Agent shall pay to each Lender, on or before the third Business Day of each month and on the Commitment Termination Date, the foregoing unused line fee based on each Lender's Revolver Commitment and each Lender's respective Pro Rata share of the Revolver Loans during the applicable month.

Notwithstanding the foregoing, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 3.2.

**3.2.2 LC Facility Fees.**

Borrower shall pay (a) to Agent, for the Pro Rata benefit of Lenders, a fee equal to the Applicable Margin in effect for BA Equivalent Revolver Loans times the average daily stated amount of Letters of Credit (which amount shall include, for Letters of Credit denominated in U.S. Dollars, the Equivalent Amount thereof in Dollars), which fee shall be payable monthly in arrears, on the first day of each month; (b) Borrower shall pay to Issuing Bank, for its own account, a fronting fee equal to 0.125% per annum of the stated amount of each Letter of Credit issued, which fee shall be payable monthly in arrears, on the first day of each month; and (c) Borrower shall pay to Issuing Bank, for its own account, all customary charges associated with the issuance, amending, negotiating, payment, processing, transfer and administration of Letters of Credit, which charges shall be paid as and when incurred. During an Event of Default, the fee payable under clause (a) shall be increased by 2% per annum.

**3.2.3 Closing Fee.**

Borrower shall pay to Agent, for the Pro Rata benefit of the Lenders, a closing fee of \$450,000, which shall be paid on the Closing Date.

**3.2.4 Administrative Fees.**

In consideration of Agent's administration of the Loans hereunder, Borrower shall pay to Agent, for its own account, the fees described in the Fee Letter.

**3.3 Computation of Interest, Fees, Yield Protection.**

In addition to Section 1.4 hereof or as otherwise set forth herein, interest, as well as fees and other charges calculated on a per annum basis, shall be computed for the actual days elapsed, based on a year of 365 or 366 days, as the case may be.

Each determination by Agent of any interest, fees or interest rate hereunder shall be final, conclusive and binding for all purposes, absent manifest error. All fees shall be fully earned when due and shall not be subject to rebate or refund, nor subject to proration except as specifically provided herein. All fees payable under Section 3.2 and in the Fee Letter are compensation for services and are not, and shall not be deemed to be, interest or any other charge for the use, forbearance or detention of money. A certificate, calculated in accordance with the terms of this Agreement, as to amounts payable by Borrower under Section 3.6, 3.7, 3.9 or 5.8,

submitted to Borrower by Agent or the affected Lender, as applicable, shall be final, conclusive and binding for all purposes, absent manifest error.

### **3.4 Overdraft Loans.**

In respect of the accounts of an Obligor opened and maintained with the Bank, whenever a cheque or other item is presented for payment against such account in an amount greater than the then available balance in such account (an "Overdraft Loan"), such presentation shall be deemed to constitute a Notice of Borrowing for a Loan on the date of such notice in the amount of such Overdraft Loan (or the Equivalent Amount thereof), bearing interest by reference to the Prime Rate Revolver Loan. Until such Overdraft Loan shall in fact be repaid by a Prime Rate Revolver Loan, any such Overdraft Loan shall constitute Obligations secured by the Collateral and, upon the making of a Prime Rate Revolver Loan, each Lender shall be required to participate in each such Revolver Loan on a Pro Rata basis and shall settle with the Agent regardless of whether any conditions of Borrowing, under Section 6.2 or otherwise, have otherwise been met.

### **3.5 Illegality.**

Notwithstanding anything to the contrary herein, if (a) any change in any law or interpretation thereof by any Governmental Authority makes it unlawful for a Lender to make or maintain a BA Equivalent Loan or to maintain any Commitment with respect to BA Equivalent Loans or (b) a Lender determines that the making or continuance of a BA Equivalent Loan has become impracticable as a result of a circumstance that adversely affects the determination of the BA Equivalent Rate, then such Lender shall give notice thereof to Agent and Borrower and may (i) declare that BA Equivalent Loans, as applicable, will not thereafter be made by such Lender, whereupon any request for a BA Equivalent Loan, from such Lender shall be deemed to be a request for a Prime Rate Loan, as applicable, unless such Lender's declaration has been withdrawn (and it shall be withdrawn promptly upon cessation of the circumstances described in clause (a) or (b) above); and/or (ii) require that all outstanding BA Equivalent Loans, as applicable, made by such Lender be converted to Prime Rate Loan, as applicable, immediately, in which event all outstanding BA Equivalent Loans, as applicable, of such Lender shall be immediately converted to Prime Rate Loans.

### **3.6 Increased Costs.**

If, by reason of (a) the introduction of or any change (including any change by way of imposition or increase of Statutory Reserves or other reserve requirements) in any law or interpretation thereof, or (b) the compliance with any guideline or request from any Governmental Authority or other Person exercising control over banks or financial institutions generally (whether or not having the force of law):

- (i) a Lender shall be subject to any Tax with respect to any BA Equivalent Loan or Letter of Credit or its obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations, or a change shall result in the basis of taxation of any payment to a Lender with respect to its BA Equivalent Loans, or its obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations (except for Excluded Taxes); or

- (ii) any reserve (including any imposed by the Board of Governors or any other Governmental Authority), special deposits or similar requirement against assets of, deposits with or for the account of, or credit extended by, a Lender shall be imposed or deemed applicable, or any other condition affecting a Lender's BA Equivalent Loans or obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations shall be imposed on such Lender;

and as a result there shall be an increase in the cost to such Lender of agreeing to make or making, funding or maintaining, BA Equivalent Loans, Letters of Credit or participations in LC Obligations, or there shall be a reduction in the amount receivable by such Lender, then the Lender shall promptly notify Borrower and Agent of such event, and Borrower shall, within five days following demand therefor, pay such Lender the amount of such increased costs or reduced amounts.

If a Lender determines that, because of circumstances described above or any other circumstances arising hereafter affecting such Lender or the Lender's position in any market, BA Equivalent Rate or the Applicable Margin applicable thereto, as applicable, will not adequately and fairly reflect the cost to such Lender of funding BA Equivalent Loans, issuing Letters of Credit or participating in LC Obligations, then (A) the Lender shall promptly notify Borrower and Agent of such event; (B) such Lender's obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations shall be immediately suspended, until each condition giving rise to such suspension no longer exists; and (C) such Lender shall make a Prime Rate Loan as part of any requested Borrowing of BA Equivalent Loans, as applicable, which Prime Rate Loan shall, for all purposes, be considered part of such Borrowing.

### **3.7 Capital Adequacy.**

If a Lender determines that any introduction of or any change in a Capital Adequacy Regulation, any change in the interpretation or administration of a Capital Adequacy Regulation by a Governmental Authority charged with interpretation or administration thereof, or any compliance by such Lender or any Person controlling such Lender with a Capital Adequacy Regulation, increases the amount of capital required or expected to be maintained by such Lender or Person (taking into consideration its capital adequacy policies and desired return on capital) as a consequence of such Lender's Commitments, Loans, participations in LC Obligations or other obligations under the Loan Documents, then Borrower shall, within five days following demand therefor, pay such Lender an amount sufficient to compensate for such increase. A Lender's demand for payment shall set forth the nature of the occurrence giving rise to such compensation and a calculation of the amount to be paid. In determining such amount, the Lender may use any reasonable averaging and attribution method.

### **3.8 Mitigation.**

Each Lender agrees that, upon becoming aware that it is subject to Section 3.5, 3.6, 3.7 or 5.8, it will take reasonable measures to reduce Borrower's obligations under such Sections, including funding or maintaining its Commitments or Loans through another office, as long as use of such measures would not adversely affect the Lender's Commitments, Loans, business or interests, and would not be inconsistent with any internal policy or applicable legal or regulatory restriction.

### **3.9 Funding Losses.**

If for any reason (other than default by a Lender) (a) any Borrowing of, or conversion to or continuation of, a BA Equivalent Loan does not occur on the date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation (whether or not withdrawn), (b) any repayment or conversion of a BA Equivalent Loan occurs on a day other than the end of its Interest Period, or (c) Borrower fails to repay a BA Equivalent Loan when required hereunder, then Borrower shall pay to Agent its customary administrative charge and to each Lender all losses and expenses that it sustains as a consequence thereof, including any loss or expense arising from liquidation or redeployment of funds or from fees payable to terminate deposits of matching funds. Lenders shall not be required to purchase Dollar deposits in any Dollar market (offshore or otherwise) to fund any BA Equivalent Loan, but the provisions hereof shall be deemed to apply as if each Lender had purchased such deposits to fund its BA Equivalent Loans.

### **3.10 Maximum Interest.**

In no event shall interest, charges or other amounts that are contracted for, charged or received by Agent and Lenders pursuant to any Loan Documents and that are deemed interest under Applicable Law ("interest") exceed the highest rate permissible under Applicable Law ("maximum rate"). If, in any month, any interest rate, absent the foregoing limitation, would have exceeded the maximum rate, then the interest rate for that month shall be the maximum rate and, if in a future month, that interest rate would otherwise be less than the maximum rate, then the rate shall remain at the maximum rate until the amount of interest actually paid equals the amount of interest which would have accrued if it had not been limited by the maximum rate. If, upon Full Payment of the Obligations, the total amount of interest actually paid under the Loan Documents is less than the total amount of interest that would, but for this Section, have accrued under the Loan Documents, then Borrower shall, to the extent permitted by Applicable Law, pay to Agent, for the account of Lenders, (a) the lesser of (i) the amount of interest that would have been charged if the maximum rate had been in effect at all times, or (ii) the amount of interest that would have accrued had the interest rate otherwise set forth in the Loan Documents been in effect, minus (b) the amount of interest actually paid under the Loan Documents. If a court of competent jurisdiction determines that Agent or any Lender has received interest in excess of the maximum amount allowed under Applicable Law, such excess shall be deemed received on account of, and shall automatically be applied to reduce, Obligations other than interest (regardless of any erroneous application thereof by Agent or any Lender), and upon Full Payment of the Obligations, any balance shall be refunded to Borrower. In determining whether any excess interest has been charged or received by Agent or any Lender, all interest at any time charged or received from Borrower in connection with the Loan Documents shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated and spread in equal parts throughout the full term of the Obligations.

## **SECTION 4 LOAN ADMINISTRATION**

### **4.1 Manner of Borrowing and Funding Revolver Loans.**

#### **4.1.1 Notice of Borrowing.**

- (a) Whenever Borrower desires funding of a Borrowing of Revolver Loans, Borrower shall give Agent a Notice of Borrowing. Such notice must be

received by Agent no later than 12:00 p.m. (Eastern time) (i) on the Business Day of the requested funding date, in the case of Prime Rate Loans, and (ii) at least three Business Days prior to the requested funding date, in the case of BA Equivalent Loans. Notices received after 12:00 p.m. (Eastern time) shall be deemed received on the next Business Day. Each Notice of Borrowing shall be irrevocable and shall specify (A) the principal amount of the Borrowing, (B) the requested funding date (which must be a Business Day), (C) whether the Borrowing is to be made as Prime Rate Loans or BA Equivalent Loans, and (D) in the case of BA Equivalent Loans, the duration of the applicable Interest Period (which shall be deemed to be one month if not specified).

- (b) Unless payment is otherwise timely made by Borrower, the becoming due of any Obligations (whether principal, interest, fees or other charges, including Extraordinary Expenses, LC Obligations, Cash Collateral and Bank Product Debt) shall be deemed to be a request for Prime Rate Loans, on the due date, in the amount of such Obligations. The proceeds of such Loans shall be disbursed as direct payment of the relevant Obligation.
- (c) If Borrower establishes a controlled disbursement account with Agent or any Affiliate of Agent, then the presentation for payment of any cheque or other item of payment drawn on such account at a time when there are insufficient funds to cover it shall be deemed to be a request for Prime Rate Loans, on the date of such presentation, in the amount of the cheque and items presented for payment. The proceeds of such Revolver Loans may be disbursed directly to the controlled disbursement account or other appropriate account.

#### 4.1.2 Fundings by Lenders.

Each Lender shall timely honour its Revolver Commitment by funding its Pro Rata share of each Borrowing of Revolver Loans that is properly requested hereunder. Except for Borrowings to be made as Swingline Loans, Agent shall endeavour to notify Lenders of each Notice of Borrowing (or deemed request for a Borrowing) by 12:00 p.m. (Eastern time) on the proposed funding date for Prime Rate Loans or by 3:00 p.m. (Eastern time) at least three Business Days before any proposed funding of BA Equivalent Loans. Each Lender shall fund to Agent such Lender's Pro Rata share of the Borrowing to the account specified by Agent in immediately available funds not later than 2:00 p.m. (Eastern time) on the requested funding date, unless Agent's notice is received after the times provided above, in which event each Lender shall fund its Pro Rata share by 12:00 p.m. (Eastern time) on the next Business Day. Subject to its receipt of such amounts from Lenders, Agent shall disburse the proceeds of the Revolver Loans as directed by Borrower. Unless Agent shall have received (in sufficient time to act) written notice from a Lender that it does not intend to fund its Pro Rata share of a Borrowing, Agent may assume that such Lender has deposited or promptly will deposit its share with Agent, and Agent may disburse a corresponding amount to Borrower. If a Lender's share of any Borrowing is not in fact received by Agent, then Borrower agrees to repay to Agent on demand the amount of such share, together with interest thereon from the date disbursed until repaid, at the rate applicable to such Borrowing.

#### 4.1.3 Swingline Loans; Settlement.

- (a) Agent may, but shall not be obligated to, advance Swingline Loans to Borrower out of Agent's own funds, up to an aggregate outstanding amount of \$15,000,000, unless the funding is specifically required to be made by all Lenders hereunder. Each Swingline Loan shall constitute a Revolver Loan for all purposes, except that payments thereon shall be made to Agent for its own account. The obligation of Borrower to repay Swingline Loans shall be evidenced by the records of Agent and need not be evidenced by any promissory note.
- (b) To facilitate administration of the Revolver Loans, Lenders and Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by Borrower) that settlement among them with respect to Revolver Loans (other than Swingline Loans) may take place periodically on a date determined from time to time by Agent, which shall occur at least once every five Business Days. On each settlement date, settlement shall be made with each Lender in accordance with the Settlement Report delivered by Agent to Lenders. Between settlement dates, Agent may in its discretion apply payments on Revolver Loans to Swingline Loans, regardless of any designation by Borrower or any provision herein to the contrary. Each Lender's obligation to make settlements with Agent is absolute and unconditional, without offset, compensation, counterclaim or other defense, and whether or not the Commitments have terminated, an Overadvance exists, or the conditions in Section 6 are satisfied.

#### 4.1.4 Notices.

Borrower authorizes Agent and Lenders to extend, convert or continue Loans, effect selections of interest rates, and transfer funds to or on behalf of Borrower based on telephonic or e-mailed instructions. Borrower shall confirm each such request by prompt delivery to Agent of a Notice of Borrowing or Notice of Conversion/Continuation, if applicable, but if it differs in any material respect from the action taken by Agent or Lenders, the records of Agent and Lenders shall govern. Neither Agent nor any Lender shall have any liability for any loss suffered by Borrower as a result of Agent or any Lender acting upon its understanding of telephonic or e-mailed instructions from a person believed in good faith by Agent or any Lender to be a person authorized to give such instructions on Borrower's behalf.

#### **4.2 Defaulting Lender.**

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) Agent may, in its discretion, retain payments that would otherwise be made to such Defaulting Lender hereunder, apply the payments to such Lender's defaulted obligations or readvance the funds to Borrower in accordance with this Agreement and this Section 4.2. The failure of any Defaulting Lender to fund a Loan or to make a payment in respect of a LC Obligation

shall not relieve any other Lender of its obligations hereunder, and no Lender shall be responsible for default by another Lender provided, however, that neither the Agent nor any Lender shall be required to make any Loans, issue any Letters of Credit, make available any Bank Products or otherwise extend any form of credit to the Borrower ("Defaulting Lender Credit Extensions") which may require the Agent or any such Lender to obtain settlement with or payment or repayment or reimbursement from such Defaulting Lender, all of which Defaulting Lender Credit Extensions being in the sole discretion of the Agent and Lenders exercised in good faith;

- (b) The sum of such Defaulting Lender's outstanding Loans plus its risk participations in outstanding Swingline Loans, Bank Products (if any) and LC Obligations (collectively, its "Credit Exposure") and such Defaulting Lender's Commitment shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 15.1); provided that the Commitment of such Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender (it being understood that any Commitments or Loans held or deemed held by the Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring the consent of the Lenders);
- (c) Subject to clause (d) below, a Defaulting Lender shall be deemed to have assigned any and all payments due to it from the Obligor, whether on account of outstanding Loans, interest, fees or otherwise, to the remaining non-defaulting Lenders for application to, and reduction of, their proportionate shares of all outstanding Obligations until, as a result of application of such assigned payments, the Lenders' respective Pro Rata share of all outstanding Obligations shall have returned to those in effect immediately prior to such delinquency and without giving effect to the nonpayment causing such delinquency;
- (d) Subject to Section 3.2, at the option of the Agent, any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 4.2) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Agent, (i) first, to the payment of any amounts owing by such Defaulting Lender to any Agent hereunder, (ii) second, Pro Rata, to the payment of any amounts owing by such Defaulting Lender to any Issuing Bank or the Swingline Lender hereunder, (iii) third, if so determined by the Agent or requested by an Issuing Bank or the Swingline Lender, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any existing or future participating interest in any Swingline Loan or Letter of Credit, (iv) fourth, to the funding of any Loan in respect of which

such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Agent, (v) fifth, if so determined by the Agent, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement, (vi) sixth, to the payment of any amounts owing to the Lenders or any Issuing Bank or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender or such Issuing Bank or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (vii) seventh, to such Defaulting Lender; provided that if such payment is (x) a prepayment of the principal amount of any Loans or reimbursement obligations in respect of LC disbursements which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Section 6.2 are satisfied, such payment shall be applied solely to prepay the Loans of, and reimbursement obligations owed to, all non-Defaulting Lenders Pro Rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Lender.

- (e) The Defaulting Lender's decision-making and participation rights and rights to payments as set forth in clauses (a) through (d) hereinabove shall be restored only upon the payment by the Defaulting Lender of its Pro Rata share of any Obligations, any participation obligation, or expenses as to which it is delinquent, together with interest thereon at the Default Rate from the date when originally due until the date upon which any such amounts are actually paid and/or such Lender otherwise ceases to constitute a Defaulting Lender.
- (f) The non-defaulting Lenders shall also have the right, but not the obligation, in their respective, sole and absolute discretion, to acquire for no cash consideration, (Pro Rata, based on the respective Commitments of those Lenders electing to exercise such right) the Defaulting Lender's Commitment to fund future Loans (the "Defaulting Lender's Future Commitment"). Upon any such purchase of the Pro Rate Share of any Defaulting Lender's Future Commitment, the Defaulting Lender's share in future Loans and its rights under the Loan Documents with respect thereto shall terminate on the date of purchase, and the Defaulting Lender shall promptly execute all documents reasonably requested to surrender and transfer such interest, including, if so requested, an Assignment and Acceptance. Each Defaulting Lender shall indemnify the Agent and each non-defaulting Lender from and against any and all loss, damage or expenses, including but not limited to reasonable attorneys' fees and funds advanced by any Agent or by any non-defaulting Lender, on account of a Defaulting Lender's failure to timely fund its Pro Rata share of a Loan or to otherwise perform its obligations under the Loan Documents. Nothing contained in this Section 4.2(f) shall be deemed to limit or modify the rights of the Borrower and Agent pursuant to Section 12.10 hereof.

#### **4.3 Number and Amount of BA Equivalent Loans; Determination of Rate.**

For ease of administration, all BA Equivalent Revolver Loans having the same length and beginning date of their Interest Periods shall be aggregated together, and such Loans shall be allocated among Lenders on a Pro Rata basis. No more than three (3) aggregated BA Equivalent Loans may be outstanding at any time, and each aggregate BA Equivalent Loan when made, continued or converted shall be in a minimum amount of \$1,000,000, or an increment of \$100,000, in excess thereof. Upon determining BA Equivalent Rate for any Interest Period requested by Borrower, Agent shall promptly notify Borrower thereof by telephone or electronically and, if requested by Borrower, shall confirm any telephonic notice in writing.

#### **4.4 Effect of Termination.**

On the effective date of any termination of the Commitments, all Obligations shall be immediately due and payable. All undertakings of the Obligors contained in the Loan Documents shall survive any termination, and Agent shall retain its Liens in the Collateral and all of its rights and remedies under the Loan Documents until Full Payment of the Obligations. Notwithstanding Full Payment of the Obligations, Agent shall not be required to terminate its Liens in any Collateral unless, with respect to any damages Agent may incur as a result of the dishonour or return of Payment Items applied to Obligations, Agent receives (a) a written agreement, executed by the Obligors and any Person whose advances are used in whole or in part to satisfy the Obligations, indemnifying Agent and Lenders from any such damages; or (b) such Cash Collateral as Agent, in its discretion, deems necessary to protect against any such damages. The provisions of Sections 2.2, 3.6, 3.7, 3.9, 5.4, 5.8, 12, 15.2 and this Section, and the obligation of each Obligor and Lender with respect to each indemnity given by it in any Loan Document, shall survive Full Payment of the Obligations and any release relating to this credit facility.

### **SECTION 5 PAYMENTS**

#### **5.1 General Payment Provisions.**

All payments of Obligations shall be made in Dollars, without offset, compensation, counterclaim or defense of any kind, free of (and without deduction for) any Taxes, and in immediately available funds, not later than 12:00 p.m. (Eastern time) on the due date. Any payment after such time shall be deemed made on the next Business Day. Obligors may, at the time of payment, specify to Agent the Obligations to which such payment is to be applied, but Agent shall in all events retain the right to apply such payment in such manner as Agent, subject to the provisions hereof, may determine to be appropriate. If any payment under the Loan Documents shall be stated to be due on a day other than a Business Day, the due date shall be extended to the next Business Day and such extension of time shall be included in any computation of interest and fees. Any payment of a BA Equivalent Loan prior to the end of its Interest Period shall be accompanied by all amounts due under Section 3.9. Any prepayment of Loans shall be applied first to Prime Rate Loans and then to BA Equivalent Loans.

#### **5.2 Repayment of Revolver Loans.**

Revolver Loans shall be due and payable in full on the Revolver Termination Date, unless payment is sooner required hereunder. Revolver Loans may be prepaid from time to time,

without penalty or premium. Notwithstanding anything herein to the contrary, if an Overadvance exists, Borrower shall, on the sooner of Agent's demand or the first Business Day after Borrower has knowledge thereof, repay the outstanding Revolver Loans in an amount sufficient to reduce the principal balance of Revolver Loans to the Borrowing Base.

### **5.3 Payment of Other Obligations.**

Obligations other than Loans, including LC Obligations and Extraordinary Expenses, shall be paid by Obligors as provided in the Loan Documents or, if no payment date is specified, on demand

### **5.4 Marshalling; Payments Set Aside.**

None of Agent or Lenders shall be under any obligation to marshal any assets in favour of any Obligor or against any Obligations. If any Obligor makes a payment to Agent or Lenders, or if Agent or any Lender receives payment from the proceeds of Collateral, exercise of setoff, compensation or otherwise, and such payment is subsequently invalidated or required to be repaid to a trustee, receiver or any other Person, then the Obligations originally intended to be satisfied, and all Liens, rights and remedies therefor, shall be revived and continued in full force and effect as if such payment had not been received and any enforcement, setoff or compensation had not occurred.

### **5.5 Post-Default Allocation of Payments.**

#### **5.5.1 Allocation.**

Notwithstanding anything herein to the contrary, during an Event of Default, monies to be applied to the Obligations, whether arising from payments by Obligors, realization on Collateral, setoff, compensation or otherwise, shall be allocated as follows:

- (a) first, to all costs and expenses, including Extraordinary Expenses, owing to Agent;
- (b) second, to all amounts owing to Agent on Swingline Loans or Protective Advances;
- (c) third, to all amounts owing to Issuing Bank on LC Obligations;
- (d) fourth, to all Obligations constituting fees owing to Agent and owing to Lenders (on a Pro Rata basis), (excluding amounts relating to Bank Products);
- (e) fifth, to all Obligations constituting interest owing to Agent and owing to the Lenders (on a Pro Rata basis), (excluding amounts relating to Bank Products);
- (f) sixth, to provide Cash Collateral for outstanding Letters of Credit;
- (g) seventh, to all other Obligations owing to Agent, and owing to the Lenders (on a Pro Rata basis), other than Bank Product Debt; and

(h) last, to Bank Product Debt in respect of Bank Products provided by Agent, any Lender or an Affiliate of any Lender.

Amounts shall be applied to each category of Obligations set forth above until Full Payment thereof and then to the next category. If amounts are insufficient to satisfy a category, they shall be applied on a pro rata basis among the Obligations in the category. Amounts distributed with respect to any Bank Product Debt shall be the lesser of the applicable Bank Product Amount last reported to Agent or the actual Bank Product Debt as calculated by the methodology reported to Agent for determining the amount due. Agent shall have no obligation to calculate the amount to be distributed with respect to any Bank Product Debt, but may rely upon written notice of the amount (setting forth a reasonably detailed calculation) from the Secured Party. In the absence of such notice, Agent may assume the amount to be distributed is the Bank Product Amount last reported to it. The allocations and applications of payments set forth in this Section are solely to determine the rights and priorities of Agent and Lenders as among themselves, and may be changed by agreement among them without the consent of any Obligor. This Section is not for the benefit of or enforceable by any Obligor.

#### **5.5.2 Erroneous Application.**

Agent shall not be liable for any application of amounts made by it in good faith and, if any such application is subsequently determined to have been made in error, the sole recourse of any Lender or other Person to which such amount should have been made shall be to recover the amount from the Person that actually received it (and, if such amount was received by any Lender, such Lender hereby agrees to return it).

#### **5.6 Application of Payments.**

Borrower and each applicable Obligor irrevocably waives the right to direct the application of any payments or Collateral proceeds, and agrees that Agent shall have the continuing, exclusive right to apply and reapply same against the Obligations, in such manner as Agent deems advisable, notwithstanding any entry by Agent in its records. If, as a result of Agent's receipt of Payment Items or proceeds of Collateral, a credit balance exists, the balance shall not accrue interest in favour of Borrower and shall be made available to Borrower as long as no Default or Event of Default exists.

#### **5.7 Loan Account; Account Stated.**

##### **5.7.1 Loan Account.**

Agent shall maintain in accordance with its usual and customary practices an account or accounts ("Loan Account") evidencing the Debt of Borrower resulting from each Loan or issuance of a Letter of Credit from time to time. Any failure of Agent to record anything in the Loan Account, or any error in doing so, shall not limit or otherwise affect the obligation of Borrower to pay any amount owing hereunder. Agent may maintain a single Loan Account in the name of Borrower.

##### **5.7.2 Entries Binding.**

Entries made in the Loan Account shall constitute presumptive evidence of the information contained therein. If any information contained in the Loan Account is provided to or inspected by any Person, then such information shall be conclusive and binding on such Person for all purposes absent manifest error, except to the extent such Person notifies Agent in writing within 30 days after receipt or inspection that specific information is subject to dispute.

## **5.8 Taxes.**

### **5.8.1 Payments Free of Taxes.**

Any and all payments by or on account of any obligation of Obligors hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Indemnified Taxes, provided that if an Obligor shall be required by applicable law to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section) the Agent or Lenders, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made; (ii) Obligors shall make such deductions or withholdings; and (iii) Obligors shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law.

### **5.8.2 Payment of Other Taxes by Obligors.**

Without limiting the provisions of Section 5.8.1, Obligors shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

### **5.8.3 Indemnification by Obligors.**

Obligors shall indemnify the Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Agent or Lender, as the case may be, and any penalties, interest, additions to tax and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to an Obligor by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

### **5.8.4 Evidence of Payments.**

As soon as practicable after any payment of Indemnified Taxes by an Obligor to a Governmental Authority, Obligors shall deliver to the Agent, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

- (p) Agent shall have reviewed and confirmed its satisfaction with the instruments/debt documents evidencing the Debt of and any other creditors not being paid out and discharged on or prior to the Closing Date, including, without limitation, its satisfaction with the terms of the ATB Financial Debt (including any amendments or renewals thereto) as it exists on the Closing Date.
- (q) The Agent shall have received an officer's certificate from the Borrower certifying, and/or received other evidence satisfactory to it, that each Obligor shall have obtained all governmental and third party consents and approvals as Agent may consider necessary or appropriate in connection with this Agreement and the transactions contemplated thereby.

- (s) All proceedings taken in connection with the execution of this Agreement, all other Loan Documents and all documents and papers relating thereto shall be satisfactory in form, scope, and substance to the Agent and the Lenders.

The acceptance by the Borrower of any Loans existing or made or Letters of Credit issued on the Closing Date shall be deemed to be a representation and warranty made by the Borrower to the effect that all of the conditions precedent to the making of or existence such Loans or the issuance of such Letters of Credit have been satisfied, with the same effect as delivery to the Agent and the Lenders of a certificate signed by a Responsible Officer of the Borrower, dated the Closing Date, to such effect.

Execution and delivery to the Agent by a Lender of a counterpart of this Agreement or by an Assignment and Acceptance shall be deemed confirmation by such Lender that (i) all conditions precedent in this Section 6.1 have been fulfilled to the satisfaction of such Lender, (ii) the decision of such Lender to execute and deliver to the Agent an executed counterpart of this Agreement was made by such Lender independently and without reliance on the Agent or any other Lender as to the satisfaction of any condition precedent set forth in this Section 6.1, and (iii) all documents sent to such Lender for approval, consent, or satisfaction were acceptable to such Lender.

#### **6.2 Conditions Precedent to All Credit Extensions.**

Agent, Issuing Bank and Lenders shall not be required to fund any Loans, arrange for issuance of any Letters of Credit or grant any other accommodation to or for the benefit of Borrower, unless the following conditions are satisfied:

- (a) No Default or Event of Default shall exist at the time of, or result from, such funding, issuance or grant;
- (b) The representations and warranties of each Obligor in the Loan Documents shall be true and correct on the date of, and upon giving effect to, such funding, issuance or grant (except for representations and warranties that expressly relate to an earlier date);
- (c) All conditions precedent in any other Loan Document shall be satisfied;
- (d) No event shall have occurred or circumstance exist that has or could reasonably be expected to have a Material Adverse Effect; and
- (e) With respect to issuance of a Letter of Credit, the LC Conditions shall be satisfied.

Each request (or deemed request) by Borrower for funding of a Loan, issuance of a Letter of Credit or grant of an accommodation shall constitute a representation by Borrower that the foregoing conditions are satisfied on the date of such request and on the date of such funding, issuance or grant. As an additional condition to any funding, issuance or grant, Agent shall have received such other information, documents, instruments and agreements as it deems appropriate in connection therewith.

### **6.3 Limited Waiver of Conditions Precedent.**

If Agent, Issuing Bank or Lenders fund any Loans, arrange for issuance of any Letters of Credit or grant any other accommodation when any conditions precedent are not satisfied (regardless of whether the lack of satisfaction was known or unknown at the time), it shall not operate as a waiver of (a) the right of Agent, Issuing Bank and Lenders to insist upon satisfaction of all conditions precedent with respect to any subsequent funding, issuance or grant; nor (b) any Default or Event of Default due to such failure of conditions or otherwise.

## **SECTION 7 COLLATERAL**

### **7.1 Grant of Security Interest.**

To secure the prompt payment and performance of all Obligations, each Obligor hereby grants to Agent, for the benefit of Secured Parties, a continuing security interest in and Lien upon all personal Property (save and exclusive solely of Equipment) of Obligors, including all of the following Property, whether now owned or hereafter acquired, and wherever located:

- (a) all Accounts;
- (b) all Chattel Paper, including electronic chattel paper;
- (c) all Deposit Accounts and Dominion Accounts;
- (d) all General Intangibles, including Intellectual Property;
- (e) all Goods, including Inventory but excluding Equipment;

- (f) all Instruments;
- (g) all Investment Property;
- (h) all monies, whether or not in the possession or under the control of Agent, a Lender, or a bailee or Affiliate of Agent or a Lender, including any Cash Collateral;
- (i) all accessions to, substitutions for, and all replacements, products, and cash and non-cash proceeds of the foregoing, including proceeds of and unearned premiums with respect to insurance policies, and claims against any Person for loss, damage or destruction of any Collateral; and
- (j) all books and records (including customer lists, files, correspondence, tapes, computer programs, print-outs and computer records) pertaining to the foregoing.

## **7.2 Lien on Deposit Accounts/Dominion Accounts; Cash Collateral.**

### **7.2.1 Deposit Accounts/Dominion Accounts.**

- (a) To further secure the prompt payment and performance of all Obligations, each Obligor hereby grants to Agent, for the benefit of Secured Parties, a continuing security interest in and Lien upon all of Obligor's right, title and interest in and to each Deposit Account and Dominion Account of such Obligor and any deposits or other sums at any time credited to any such Deposit Account and Dominion Account, including any sums in any blocked or lockbox accounts or in any accounts into which such sums are swept. For greater certainty, Obligor hereby agree that, unless otherwise agreed to by Agent, they will not maintain any Deposit Accounts, other than Dominion Accounts with the Bank.
- (b) Each Obligor authorizes and directs Bank to deliver to Agent, on a daily basis, all balances in the Dominion Accounts maintained by such Obligor with such depository for application to the Obligations then outstanding. Each Obligor irrevocably appoints Agent as such Obligor's attorney to collect such balances to the extent any such delivery is not so made.

### **7.2.2 Cash Collateral.**

Any Cash Collateral may be invested, in Agent's discretion, in Cash Equivalents, but Agent shall have no duty to do so, regardless of any agreement, understanding or course of dealing with Borrower, and shall have no responsibility for any investment or loss. Borrower hereby grants to Agent, for the benefit of Secured Parties, a security interest in all Cash Collateral held from time to time and all proceeds thereof, as security for the Obligations, whether such Cash Collateral is held in the Cash Collateral Account or elsewhere. Agent may apply Cash Collateral to the payment of any Obligations, in such order as Agent may elect, as they become due and payable. The Cash Collateral Account and all Cash Collateral shall be under the sole dominion and control of Agent. No Borrower or other Person claiming through or

on behalf of Borrower shall have any right to any Cash Collateral, until Full Payment of all Obligations.

### **7.3 Other Collateral.**

#### **7.3.1 Certain After-Acquired Collateral.**

Obligors shall promptly notify Agent in writing if, after the Closing Date, any Obligor obtains any interest in any Collateral consisting of Deposit Accounts, Chattel Paper, documents, Instruments, Intellectual Property or Investment Property and, upon Agent's request, shall promptly execute such documents and take such actions as Agent deems appropriate to effect Agent's duly perfected, opposable and first priority Lien upon such Collateral, subject to Permitted Liens, including obtaining any appropriate possession, control agreement or Lien Waiver. If any Collateral is in the possession of a third party, at Agent's request, Obligors shall obtain an acknowledgment that such third party holds the Collateral for the benefit of Agent.

### **7.4 No Assumption of Liability.**

The Lien on Collateral granted hereunder is given as security only and shall not subject Agent or any Lender to, or in any way modify, any obligation or liability of Obligors relating to any Collateral.

### **7.5 Further Assurances.**

Promptly upon request, Obligors shall deliver such instruments, assignments, title certificates, or other documents or agreements, and shall take such actions, as Agent deems appropriate under Applicable Law to evidence or perfect or render opposable its Lien on any Collateral, or otherwise to give effect to the intent of this Agreement. Each Obligor authorizes Agent to file any financing statements or other application of publication that indicates the Collateral as "all present and after acquired personal property" or "the universality of all present and future movable property" of such Obligor, or words to similar effect, and ratifies any action taken by Agent before the Closing Date to effect or perfect or render opposable its Lien on any Collateral.

## **SECTION 8 COLLATERAL ADMINISTRATION**

### **8.1 Borrowing Base Certificates.**

By the twenty-fifth (25th) day of each month (or with such other frequency as Agent may require, from time to time, acting in its sole discretion), Borrower shall deliver to Agent (and Agent shall promptly deliver same to Lenders) a Borrowing Base Certificate prepared as of the close of business of the previous month, and at such other times as Agent may request. All calculations of Availability in any Borrowing Base Certificate shall originally be made by Borrower and certified by a Senior Officer, provided that Agent may from time to time review and adjust any such calculation (a) to reflect its reasonable estimate of declines in value of any Collateral, due to collections received in the Dominion Account or otherwise; and (b) to the extent the calculation is not made in accordance with this Agreement or does not accurately reflect the Availability Reserve.

## **8.2 Administration of Accounts.**

### **8.2.1 Records and Schedules of Accounts.**

Each Obligor shall keep accurate and complete records of its Accounts, including all payments and collections thereon, and shall submit to Agent, on such periodic basis as Agent may request, a sales and collections report, in form satisfactory to Agent. Each Obligor shall also provide to Agent, on or before the twenty-fifth (25<sup>th</sup>) day of each month, a detailed aged trial balance of all Accounts as of the end of the preceding month, specifying each Account's Account Debtor name, amount, invoice date and due date, showing any discount, allowance, credit, authorized return or dispute, and including such proof of delivery, copies of invoices and invoice registers, copies of related documents, repayment histories, status reports and other information as Agent may request (including the addresses for each Account Debtor). If Accounts in an aggregate face amount of \$100,000 or more cease to be Eligible Accounts, Borrower or applicable Obligor shall notify Agent of such occurrence promptly (and in any event within one Business Day) after Borrower or applicable Obligor has knowledge thereof.

### **8.2.2 Taxes.**

If an Account of an Obligor includes a charge for any Taxes, Agent is authorized, in its discretion, to pay the amount thereof to the proper taxing authority for the account of Borrower and to charge Borrower therefor; provided, however, that neither Agent nor Lenders shall be liable for any Taxes that may be due from Obligor or with respect to any Collateral.

### **8.2.3 Account Verification.**

Whether or not a Default or Event of Default exists, Agent shall have the right at any time, in the name of Agent, any designee of Agent or any Obligor to verify the validity, amount or any other matter relating to any Accounts of Obligors by mail, telephone or otherwise. Obligors shall cooperate fully with Agent in an effort to facilitate and promptly conclude any such verification process.

### **8.2.4 Maintenance of Dominion Account.**

Obligors shall maintain Dominion Accounts pursuant to lockbox or other arrangements acceptable to Agent with Bank. Obligors shall obtain an agreement (in form and substance satisfactory to Agent) from Bank, establishing Agent's control over and Lien in the Dominion Account, requiring immediate deposit of all remittances received in the Dominion Account, and waiving offset and compensation rights of such servicer against any funds in the Dominion Account, except offset or compensation rights for customary administrative charges. Neither Agent nor Lenders assume any responsibility to Obligors for any Dominion Account, including any claim of accord and satisfaction or release with respect to any Payment Items accepted by servicer.

### **8.2.5 Proceeds of Collateral.**

Obligors shall request in writing and otherwise take all reasonable steps to ensure that all payments on Accounts or otherwise relating to Collateral are made directly to a Dominion Account. If any Obligor or Subsidiary receives cash or Payment Items with respect to any

Collateral, it shall hold same in trust for Agent and promptly (not later than the next Business Day) deposit same into a Dominion Account.

### **8.3 Administration of Inventory.**

#### **8.3.1 Records and Reports of Inventory.**

Each Obligor shall keep accurate and complete records of its Inventory and shall submit to Agent, on or before the twenty-fifth (25<sup>th</sup>) day of each month, or as frequent as the Agent may request, inventory reports in form satisfactory to Agent. Agent may participate in and observe each inventory count.

#### **8.3.2 Returns of Inventory.**

No Obligor shall return any Inventory to a supplier, vendor or other Person, whether for cash, credit or otherwise, unless (a) such return is in the Ordinary Course of Business; (b) no Default, Event of Default or Overadvance exists or would result therefrom; (c) Agent is promptly notified if the aggregate Value of all Inventory returned in any month exceeds \$100,000; and (d) any payment received by an Obligor for a return is promptly remitted to Agent for application to the Obligations.

#### **8.3.3 Acquisition, Sale and Maintenance.**

No Obligor shall acquire or accept any Inventory on consignment or approval, and shall take all steps to assure that all Inventory is produced in accordance with Applicable Law. No Obligor shall sell any Inventory on consignment (unless the conditions in respect of such Inventory, set forth in paragraph (i) of the definition of Eligible Inventory, are met to the satisfaction of the Agent) or approval or any other basis under which the customer may return or require Obligors to repurchase such Inventory. Obligors shall use, store and maintain all Inventory with reasonable care and caution, in accordance with applicable standards of any insurance and in conformity with all Applicable Law, and shall make current rent payments (within applicable grace periods provided for in leases) at all locations where any Collateral is located.

### **8.4 Administration of Equipment and Real Estate.**

#### **8.4.1 Records and Schedules of Equipment and Real Estate.**

Each Obligor shall keep accurate and complete records of its Equipment, including kind, quality, quantity, cost, acquisitions and dispositions thereof, and shall submit to Agent, on such periodic basis as Agent may request, a current schedule thereof, in form satisfactory to Agent. Promptly upon request, Obligors shall deliver to Agent evidence of their ownership or interests in any Real Estate and Equipment.

#### **8.4.2 Dispositions of Equipment.**

No Obligor shall sell, lease or otherwise dispose of or alienate any Equipment or Real Estate, without the prior written consent of Agent, other than (a) a Permitted Asset Disposition, and (b) Equipment or Real Estate pledged as security for the ATB Financial Debt (as long as the

Net Proceeds of such dispositions are used to acquire replacement Equipment or Real Estate or to pay or pre-pay amounts owing under the ATB Financial Debt or as otherwise permitted by the ATB Financial Debt documents).

#### **8.5 Administration of Deposit Accounts.**

Schedule 8.5 sets forth all Dominion Accounts maintained by Obligors. Each Obligor shall take all actions necessary to establish Agent's control of each such Dominion Account. Each Obligor shall be the sole account holder of each Dominion Account and shall not allow any other Person (other than Agent) to have control over a Dominion Account or any Property deposited therein. Each Obligor shall not open any Deposit Account or Dominion Account without the consent of Agent.

#### **8.6 General Provisions.**

##### **8.6.1 Location of Collateral.**

All tangible (corporeal) items of Collateral, other than Inventory in transit, shall at all times be kept by Obligors at the business locations set forth in Schedule 8.6.1, except that Obligors may (a) make sales or other dispositions of Collateral in accordance with Section 10.2.6; and (b) move Collateral to another location in Canada, as applicable, upon 30 Business Days prior written notice to Agent.

##### **8.6.2 Insurance of Collateral; Condemnation Proceeds.**

- (a) Each Obligor shall maintain insurance with respect to the Collateral, covering casualty, hazard, public liability, theft, malicious mischief, and such other risks, in such amounts, with such endorsements, and with such insurers (rated A+ or better by A.M. Best Rating Guide) as are satisfactory to Agent. All proceeds under each policy shall be payable to Agent. From time to time upon request, Obligors shall deliver to Agent the originals or certified copies of its insurance policies and updated flood plain searches. Unless Agent shall agree otherwise, each policy shall include satisfactory endorsements (i) showing Agent as sole loss payee, first mortgagee or additional insured, as appropriate; (ii) requiring 30 days prior written notice to Agent in the event of cancellation of the policy for any reason whatsoever; and (iii) specifying that the interest of Agent shall not be impaired or invalidated by any act or neglect of any Obligor or the owner of the Property, nor by the occupation of the premises for purposes more hazardous than are permitted by the policy. If any Obligor fails to provide and pay for such insurance, Agent may, at its option, but shall not be required to, procure the insurance and charge Obligors therefor. Each Obligor agrees to deliver to Agent, promptly as rendered, copies of all reports made to insurance companies. While no Event of Default exists, Obligors may settle, adjust or compromise any insurance claim, as long as the proceeds are delivered to Agent. If an Event of Default exists, only Agent shall be authorized to settle, adjust and compromise such claims.

- (b) Any proceeds of insurance (other than proceeds from workers' compensation or D&O insurance) and any awards arising from condemnation of any Collateral shall be paid to Agent. Any such proceeds or awards that relate to Inventory shall be applied to payment of the Revolver Loans, and then to any other Obligations outstanding.

#### **8.6.3 Protection of Collateral.**

All expenses of protecting, storing, warehousing, insuring, handling, maintaining and shipping any Collateral, all Taxes payable with respect to any Collateral (including any sale thereof), and all other payments required to be made by Agent to any Person to realize upon any Collateral, shall be borne and paid by Obligors. Agent shall not be liable or responsible in any way for the safekeeping of any Collateral, for any loss or damage thereto (except for reasonable care in its custody while Collateral is in Agent's actual possession), for any diminution in the value thereof, or for any act or default of any warehouseman, carrier, forwarding agency or other Person whatsoever, but the same shall be at Obligors' sole risk.

#### **8.6.4 Defense of Title to Collateral.**

Each Obligor shall at all times defend its title to Collateral and Agent's Liens therein against all Persons, claims and demands whatsoever, except Permitted Liens.

#### **8.7 Power of Attorney.**

Each Obligor hereby irrevocably constitutes and appoints Agent (and all Persons designated by Agent) as such Obligor's true and lawful attorney (and agent-in-fact) for the purposes provided in this Section. Agent, or Agent's designee, may, without notice and in either its or an Obligor's name, but at the cost and expense of Obligors:

- (a) Endorse an Obligor's name on any Payment Item or other proceeds of Collateral (including proceeds of insurance) that come into Agent's possession or control; and
- (b) During an Event of Default, (i) notify any Account Debtors of the assignment of their Accounts or to set-up or render opposable any Lien in respect thereof, demand and enforce payment of Accounts, by legal proceedings or otherwise, and generally exercise any rights and remedies with respect to Accounts; (ii) settle, adjust, modify, compromise, discharge or release any Accounts or other Collateral, or any legal proceedings brought to collect Accounts or Collateral; (iii) sell or assign any Accounts and other Collateral upon such terms, for such amounts and at such times as Agent deems advisable; (iv) take control, in any manner, of any proceeds of Collateral; (v) prepare, file and sign in Obligor's name a proof of claim or other document in a bankruptcy of an Account Debtor, or to any notice, assignment or satisfaction of Lien or similar document; (vi) receive, open and dispose of mail addressed to an Obligor, and notify postal authorities to change the address for delivery thereof to such address as Agent may designate; (vii) endorse any Chattel Paper, Document, Instrument, invoice, freight bill, bill of lading, or similar document or agreement relating to any

Accounts, Inventory or other Collateral; (viii) use an Obligor's stationery and sign its name to verifications of Accounts and notices to Account Debtors; (ix) use the information recorded on or contained in any data processing equipment and computer hardware and software relating to any Collateral; (x) make and adjust claims under policies of insurance; (xi) take any action as may be necessary or appropriate to obtain payment under any letter of credit or banker's acceptance for which an Obligor is a beneficiary; and (xii) take all other actions as Agent deems appropriate to fulfill any Obligor's obligations under the Loan Documents.

## **SECTION 9 REPRESENTATIONS AND WARRANTIES**

### **9.1 General Representations and Warranties.**

To induce Agent and Lenders to enter into this Agreement and to make available the Commitments, Loans and Letters of Credit, each Obligor represents and warrants that:

#### **9.1.1 Organization and Qualification.**

Each Obligor and Subsidiary is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Each Obligor and Subsidiary is duly qualified, authorized to do business and in good standing as a foreign corporation in each jurisdiction where failure to be so qualified could reasonably be expected to have a Material Adverse Effect.

#### **9.1.2 Power and Authority.**

Each Obligor is duly authorized to execute, deliver and perform its Loan Documents. The execution, delivery and performance of the Loan Documents have been duly authorized by all necessary action, and do not (a) require any consent or approval of any holders of Equity Interests of any Obligor, other than those already obtained; (b) contravene the Organic Documents of any Obligor; (c) violate or cause a default under any Applicable Law or Material Contract; or (d) result in or require the imposition of any Lien (other than Permitted Liens) on any Property of any Obligor.

#### **9.1.3 Enforceability.**

Each Loan Document is a legal, valid and binding obligation of each Obligor party thereto, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

#### **9.1.4 Capital Structure.**

Schedule 9.1.4 shows, for each Obligor and Subsidiary, its name, its jurisdiction of organization, its authorized and issued Equity Interests, the holders of its Equity Interests and all direct or indirect holders of such holders, and all agreements binding on such holders with respect to their Equity Interests. Each Obligor has good title to its Equity Interests in its Subsidiaries, subject only to Agent's Lien, and all such Equity Interests are duly issued, fully paid and non-assessable. There are no outstanding options to purchase, warrants, subscription

rights, agreements to issue or sell, convertible interests, phantom rights or powers of attorney relating to any Equity Interests of any Obligor or Subsidiary.

9.1.5 Corporate Names; Locations.

During the five years preceding the Closing Date, except as shown on Schedule 9.1.5, no Obligor or Subsidiary has been known as or used any corporate, fictitious or trade names, has been the surviving corporation of a merger, amalgamation or combination, or has acquired any substantial part of the assets of any Person. The chief executive offices and other places of business of Obligors and Subsidiaries are shown on Schedule 8.6.1. During the five years preceding the Closing Date, no Obligor or Subsidiary has had any other office or place of business.

9.1.6 Title to Properties; Priority of Liens.

Each Obligor and Subsidiary has good and marketable title to (or valid leasehold interests in) all of its Real Estate, and good title to all of its personal (movable) Property, including all Property reflected in any financial statements delivered to Agent or Lenders, in each case free of Liens except Permitted Liens. Each Obligor and Subsidiary has paid and discharged all lawful claims that, if unpaid, could become a Lien on its Properties, other than Permitted Liens. All Liens of Agent in the Collateral are duly perfected, opposable and first priority Liens, subject only to Permitted Liens that are expressly allowed to have priority over Agent's Liens.

9.1.7 Accounts.

Agent may rely, in determining which Accounts are Eligible Accounts, on all statements and representations made by Borrower with respect thereto. Borrower warrants, with respect to each Account at the time it is shown as an Eligible Account in a Borrowing Base Certificate, that:

- (a) it is genuine and in all respects what it purports to be, and is not evidenced by a judgment;

If an Event of Default described in Section 11.1(j) occurs with respect to any Obligor, then to the extent permitted by Applicable Law, all Obligations shall become automatically due and payable and all Commitments shall terminate, without any action by Agent or notice of any kind. In addition, or if any other Event of Default exists, Agent may in its discretion (and shall upon written direction of Required Lenders) do any one or more of the following from time to time:

- (a) declare any Obligations immediately due and payable, whereupon they shall be due and payable without diligence, presentment, demand, protest or notice of any kind, all of which are hereby waived by Obligors to the fullest extent permitted by law;
- (b) terminate, reduce or condition any Commitment, or make any adjustment to the Borrowing Base;
- (c) require Obligors to Cash Collateralize LC Obligations, Bank Product Debt and other Obligations that are contingent or not yet due and payable, and, if Obligors fail promptly to deposit such Cash Collateral, Agent may (and shall upon the direction of Required Lenders) advance the required Cash Collateral as Revolver Loans (whether or not an Overadvance exists or is created thereby, or the conditions in Section 6 are satisfied); and
- (d) exercise any other rights or remedies afforded under any agreement, by law, at equity or otherwise, including the rights and remedies of a secured party under the UCC, PPSA, Civil Code, BIA or CCAA. Such rights and remedies include the rights to (i) take possession of any Collateral; (ii) require Obligors to assemble Collateral, at Obligors' expense, and make it available to Agent at a place designated by Agent; (iii) enter any premises where Collateral is located and store Collateral on such premises until sold (and if the premises are owned or leased by an Obligor, Obligors agree not to charge for such storage); and (iv) sell or otherwise dispose of any Collateral in its then condition, or after any further manufacturing or processing thereof, at public or private sale, with such notice as may be required by Applicable Law, in lots or in bulk, at such locations, all as Agent, in its discretion, deems advisable. Each Obligor agrees that 10 days notice of any proposed sale or other disposition of Collateral by Agent shall be reasonable. Agent shall have the right to conduct such sales on any Obligor's premises, without charge, and such sales may be adjourned from time to time in accordance with Applicable Law. Agent shall have the right to sell, lease or otherwise dispose of any Collateral for cash, credit or any combination thereof, and Agent may purchase any Collateral at public or, if permitted by law, private sale and, in lieu of actual payment of the purchase price, may set off or compensate the amount of such price against the Obligations. After an Event of Default which is continuing, the Agent is hereby granted a licence to use, without charge, the Obligors' labels, patents, copyrights, name, trade secrets, trade names, trademarks, and advertising matter, or any similar property, in completing production of, advertising or selling any Collateral, and the Obligors' rights under all licences and all franchise agreements shall inure to the Agent's benefit for such purpose. The proceeds of sale shall be applied first to all expenses of sale, including legal fees, and then to the Obligations. The Agent will return any excess to the Borrower and the Borrower shall remain liable for any deficiency.

### **11.3 License.**

At any time during an Event of Default, Agent is hereby granted an irrevocable, non-exclusive license or other right to use, license or sub-license (without payment of royalty or other compensation to any Person) any or all Intellectual Property of Obligors, computer hardware and software, trade secrets, brochures, customer lists, promotional and advertising materials, labels, packaging materials and other Property, in advertising for sale, marketing, selling, collecting, completing manufacture of, or otherwise exercising any rights or remedies with respect to, any Collateral. Each Obligor's rights and interests under Intellectual Property shall inure to Agent's benefit.

### **11.4 Setoff.**

Agent, Lenders and their Affiliates are each authorized by Obligor at any time during an Event of Default, without notice to Borrower or any other Person, to set off or compensate and to appropriate and apply any deposits (general or special), funds, claims, obligations, liabilities or other Debt at any time held or owing by Agent, any Lender or any such Affiliate to or for the account of any Obligor against any Obligations, whether or not demand for payment of such Obligation has been made, any Obligations have been declared due and payable, are then due, or are contingent or unmatured, or the Collateral or any guarantee or other security for the Obligations is adequate.

### **11.5 Remedies Cumulative; No Waiver.**

#### **11.5.1 Cumulative Rights.**

All covenants, conditions, provisions, warranties, guaranties, indemnities and other undertakings of Obligors contained in the Loan Documents are cumulative and not in derogation or substitution of each other. In particular, the rights and remedies of Agent and Lenders are cumulative, may be exercised at any time and from time to time, concurrently or in any order, and shall not be exclusive of any other rights or remedies that Agent and Lenders may have, whether under any agreement, by law, at equity or otherwise.

#### 11.5.2 Waivers.

The failure or delay of Agent or any Lender to require strict performance by Obligor with any terms of the Loan Documents, or to exercise any rights or remedies with respect to Collateral or otherwise, shall not operate as a waiver thereof nor as establishment of a course of dealing. All rights and remedies shall continue in full force and effect until Full Payment of all Obligations. No modification of any terms of any Loan Documents (including any waiver thereof) shall be effective, unless such modification is specifically provided in a writing directed to Obligor and executed by Agent or the requisite Lenders, and such modification shall be applicable only to the matter specified. No waiver of any Default or Event of Default shall constitute a waiver of any other Default or Event of Default that may exist at such time, unless expressly stated. If Agent or any Lender accepts performance by any Obligor under any Loan Documents in a manner other than that specified therein, or during any Default or Event of Default, or if Agent or any Lender shall delay or exercise any right or remedy under any Loan Documents, such acceptance, delay or exercise shall not operate to waive any Default or Event of Default nor to preclude exercise of any other right or remedy. It is expressly acknowledged by Borrower that any failure to satisfy a financial covenant on a measurement date shall not be cured or remedied by satisfaction of such covenant on a subsequent date.

#### 11.6 Equity Cure

Notwithstanding anything to the contrary contained in Section 11.1(c), in the event that the Borrower fails to comply with the requirement of any covenant set forth in Section 10.3, McJunkin Canada and/or any other entity holding Equity Interests of Borrower shall have the right to make a direct or indirect equity investment in Borrower or any Subsidiary in cash (the “Cure Right”) prior to the delivery of the Section 10.1.2 Financials with respect to the relevant Fiscal Quarter in which such covenants set forth in Section 10.3 are being measured, and upon the receipt by such Person of net cash proceeds pursuant to the exercise of the Cure Right (including through the capital contribution of any such net cash proceeds to such person, the “Cure Amount”), such covenants set forth in Section 10.3 shall be recalculated, giving effect to a pro forma increase to Adjusted EBITDA for such Fiscal Quarter in an amount equal to such net cash proceeds (it being understood that Adjusted EBITDA shall be increased with respect to such applicable Fiscal Quarter and any four Fiscal Quarter period that contains such Fiscal Quarter by an amount equal to the Cure Amount).

If, after the exercise of the Cure Right and the recalculations pursuant to the preceding paragraph, Borrower shall then be in compliance with the requirements of such covenants set forth in Section 10.3 during such Fiscal Quarter (including for purposes of Section 6.2), Borrower shall be deemed to have satisfied the requirements of such covenants as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 11.1(c) that had occurred shall be deemed cured; provided that (i) during the term of this Agreement, only two Cure Rights may be exercised, provided, further, that the exercise of such two Cure Rights may not take place in two consecutive Fiscal Quarters, and (ii) with respect to any exercise of such permitted Cure Rights, the Cure Amounts for all such Cure Rights may not exceed \$15,000,000 in the aggregate.

Cure Amounts shall be given effect on a dollar for dollar basis as an increase to Adjusted EBITDA effective as of the relevant test date, by an amount not to exceed the shortfall in Adjusted EBITDA giving rise to the potential Event of Default; provided that such increase to Adjusted EBITDA shall be used solely for the purpose of measuring compliance with such covenants in Section 10.3 and not for any other purpose under this Agreement.

## **SECTION 12 AGENT**

### **12.1 Appointment, Authority and Duties of Agent.**

#### **12.1.1 Appointment and Authority.**

Each Lender appoints and designates Bank as Agent hereunder. Agent may, and each Lender authorizes Agent to, enter into all Loan Documents to which Agent is intended to be a party and accept all Security Documents, for Agent's benefit and the Pro Rata benefit of Lenders. Each Lender agrees that any action taken by Agent or Required Lenders in accordance with the provisions of the Loan Documents, and the exercise by Agent or Required Lenders of any rights or remedies set forth therein, together with all other powers reasonably incidental thereto, shall be authorized and binding upon all Lenders. Without limiting the generality of the foregoing, Agent shall have the sole and exclusive authority to (a) act as the disbursing and collecting agent for Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as Agent each Loan Document, including any intercreditor or subordination agreement, and accept delivery of each Loan Document from any Obligor or other Person; (c) act as collateral agent for Secured Parties for purposes of perfecting, rendering opposable, setting up and administering Liens under the Loan Documents, and for all other purposes stated therein; (d) manage, supervise or otherwise deal with Collateral; and (e) exercise all rights and remedies given to Agent with respect to any Collateral under the Loan Documents, Applicable Law or otherwise. The duties of Agent shall be ministerial and administrative in nature, and Agent shall not have a fiduciary relationship with any Lender, Secured Party, Participant or other Person, by reason of any Loan Document or any transaction relating thereto. Agent alone shall be authorized to determine whether any Accounts or Inventory constitute Eligible Accounts or Eligible Inventory, or whether to impose or release any reserve, which determinations and judgments, if exercised in good faith, shall exonerate Agent from liability to any Lender or other Person for any error in judgment.

#### **12.1.2 Duties.**

Agent shall not have any duties except those expressly set forth in the Loan Documents, nor be required to initiate or conduct any Enforcement Action except to the extent directed to do so by Required Lenders while an Event of Default exists. The conferral upon Agent of any right shall not imply a duty on Agent's part to exercise such right, unless instructed to do so by Required Lenders in accordance with this Agreement.

#### **12.1.3 Agent Professionals.**

Agent may perform its duties through agents and employees. Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional. Agent

shall not be responsible for the negligence or misconduct of any agents, mandataries, employees or Agent Professionals selected by it with reasonable care.

#### **12.1.4 Instructions of Required Lenders.**

The rights and remedies conferred upon Agent under the Loan Documents may be exercised without the necessity of joinder of any other party, unless required by Applicable Law. Agent may request instructions from Required Lenders with respect to any act (including the failure to act) in connection with any Loan Documents, and may seek assurances to its satisfaction from Lenders of their indemnification obligations under Section 12.6 against all Claims that could be incurred by Agent in connection with any act. Agent shall be entitled to refrain from any act until it has received such instructions or assurances, and Agent shall not incur liability to any Person by reason of so refraining. Instructions of Required Lenders shall be binding upon all Lenders, and no Lender shall have any right of action whatsoever against Agent as a result of Agent acting or refraining from acting in accordance with the instructions of Required Lenders. Notwithstanding the foregoing, instructions by and consent of all Lenders shall be required in the circumstances described in Section 15.1.1, and in no event shall Required Lenders, without the prior written consent of each Lender, direct Agent to accelerate and demand payment of Loans held by one Lender without accelerating and demanding payment of all other Loans, nor to terminate the Commitments of one Lender without terminating the Commitments of all Lenders. In no event shall Agent be required to take any action that, in its opinion, is contrary to Applicable Law or any Loan Documents or could subject any Agent Indemnitee to personal liability.

### **12.2 Agreements Regarding Collateral and Field Examination Reports.**

#### **12.2.1 Lien Releases; Care of Collateral.**

Lenders authorize Agent to release any Lien with respect to any Collateral (a) upon Full Payment of the Obligations, (b) that is the subject of an Asset Disposition which Borrower certifies in writing to Agent is a Permitted Asset Disposition or a Lien which Borrower certifies is a Permitted Lien entitled to priority over Agent's Liens (and Agent may rely conclusively on any such certificate without further inquiry), (c) that does not constitute a material part of the Collateral, or (d) with the written consent of all Lenders. Agent shall have no obligation whatsoever to any Lenders to assure that any Collateral exists or is owned by an Obligor, or is cared for, protected, insured or encumbered, nor to assure that Agent's Liens have been properly created, perfected, rendered opposable or enforced, or are entitled to any particular priority, nor to exercise any duty of care with respect to any Collateral.

#### **12.2.2 Possession of Collateral.**

Agent and Lenders appoint each other Lender as agent for the purpose of perfecting and rendering opposable Liens (for the benefit of Secured Parties) in any Collateral that, under the PPSA or other Applicable Law, can be perfected or published by possession or delivery. If any Lender obtains possession of any such Collateral, it shall notify Agent thereof and, promptly upon Agent's request, deliver such Collateral to Agent or otherwise deal with such Collateral in accordance with Agent's instructions.

### **12.2.3 Reports.**

Agent shall promptly, upon receipt thereof, forward to each Lender copies of the results of any field audit or other examination or any appraisal prepared by or on behalf of Agent with respect to any Obligor or Collateral ("Report"). Each Lender agrees (a) that neither Bank nor Agent makes any representation or warranty as to the accuracy or completeness of any Report, and shall not be liable for any information contained in or omitted from any Report; (b) that the Reports are not intended to be comprehensive audits or examinations, and that Agent or any other Person performing any audit or examination will inspect only specific information regarding Obligations or the Collateral and will rely significantly upon Obligors' books and records as well as upon representations of Obligors' officers and employees; and (c) to keep all Reports confidential and strictly for such Lender's internal use, and not to distribute any Report (or the contents thereof) to any Person (except to such Lender's Participants, attorneys and accountants) or use any Report in any manner other than administration of the Loans and other Obligations. Each Lender agrees to indemnify and hold harmless Agent and any other Person preparing a Report from any action such Lender may take as a result of or any conclusion it may draw from any Report, as well as any Claims arising in connection with any third parties that obtain all or any part of a Report through such Lender.

### **12.3 Reliance By Agent.**

Agent shall be entitled to rely, and shall be fully protected in relying, upon any certification, notice or other communication (including those by telephone, telex, telegram, telecopy or e-mail) believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and upon the advice and statements of Agent Professionals.

### **12.4 Action Upon Default.**

Agent shall not be deemed to have knowledge of any Default or Event of Default unless it has received written notice from a Lender or Borrower specifying the occurrence and nature thereof. If any Lender acquires knowledge of a Default or Event of Default, it shall promptly notify Agent and the other Lenders thereof in writing. Each Lender agrees that, except as otherwise provided in any Loan Documents or with the written consent of Agent and Required Lenders, it will not take any Enforcement Action, accelerate its Obligations, or exercise any right that it might otherwise have under Applicable Law to credit bid at foreclosure sales, UCC, PPSA, Civil Code sales, sales by a creditor, judicial sales or other similar dispositions of Collateral. Notwithstanding the foregoing, however, a Lender may take action to preserve or enforce its rights against an Obligor where a deadline or limitation period is applicable that would, absent such action, bar enforcement of Obligations held by such Lender, including the filing of proofs of claim in an Insolvency Proceeding.

### **12.5 Ratable Sharing.**

If any Lender shall obtain any payment or reduction of any Obligation, whether through set-off, compensation or otherwise, in excess of its share of such Obligation, determined on a Pro Rata basis or in accordance with Section 5.5.1, as applicable, such Lender shall forthwith purchase from Agent, Issuing Bank and the other Lenders such participations in the affected Obligation as are necessary to cause the purchasing Lender to share the excess payment or reduction on a Pro Rata basis or in accordance with Section 5.5.1, as applicable. If any of such

payment or reduction is thereafter recovered from the purchasing Lender, the purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

## **12.6 Indemnification of Agent Indemnitees.**

### **12.6.1 Indemnification.**

EACH LENDER SHALL INDEMNIFY AND HOLD HARMLESS AGENT INDEMNITEES, TO THE EXTENT NOT REIMBURSED BY OBLIGORS (BUT WITHOUT LIMITING THE INDEMNIFICATION OBLIGATIONS OF OBLIGORS UNDER ANY LOAN DOCUMENTS), ON A PRO RATA BASIS, AGAINST ALL CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY AGENT INDEMNITEE, EXCEPT CLAIMS RESULTING FROM SUCH AGENT INDEMNITEE'S GROSS NEGLIGENCE OR WILFUL MISCONDUCT. If Agent is sued by any receiver, trustee in bankruptcy, debtor-in-possession or other Person for any alleged preference from an Obligor or fraudulent transfer, then any monies paid by Agent in settlement or satisfaction of such proceeding, together with all interest, costs and expenses (including attorneys' fees) incurred in the defense of same, shall be promptly reimbursed to Agent by Lenders to the extent of each Lender's Pro Rata share.

### **12.6.2 Proceedings.**

Without limiting the generality of the foregoing, if at any time (whether prior to or after the Commitment Termination Date) any action, suit, proceeding is brought against any Agent Indemnitees by an Obligor, or any Person claiming through an Obligor, to recover damages for any act taken or omitted by Agent in connection with any Obligations, Collateral, Loan Documents or matters relating thereto, or otherwise to obtain any other relief of any kind on account of any transaction relating to any Loan Documents, each Lender agrees to indemnify and hold harmless Agent Indemnitees with respect thereto and to pay to Agent Indemnitees such Lender's Pro Rata share of any amount that any Agent Indemnitee is required to pay under any judgment or other order entered in such proceeding or by reason of any settlement, including all interest, costs and expenses (including attorneys' fees) incurred in defending same. In Agent's discretion, Agent may reserve for any such proceeding, and may satisfy any judgment, order or settlement, from proceeds of Collateral prior to making any distributions of Collateral proceeds to Lenders.

## **12.7 Limitation on Responsibilities of Agent.**

Notwithstanding any terms herein to the contrary, Agent shall not be liable to Lenders for any action taken or omitted to be taken under the Loan Documents, except for losses directly and solely caused by Agent's gross negligence or wilful misconduct. Agent does not assume any responsibility for any failure or delay in performance or any breach by any Obligor or Lender of any obligations under the Loan Documents. Agent is not liable or responsible for any actions or inactions of a Defaulting Lender. Agent does not make to Lenders any express or implied warranty, representation or guarantee with respect to any Obligations, Collateral, Loan Documents or Obligor. No Agent Indemnitee shall be responsible to Lenders for any recitals, statements, information, representations or warranties contained in any Loan Documents; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectibility, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection, opposability or priority of any Lien therein; the

validity, enforceability or collectibility of any Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor or Account Debtor. No Agent Indemnitee shall have any obligation to any Lender to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any Obligor of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents.

## **12.8 Successor Agent and Co-Agents.**

### **12.8.1 Resignation: Successor Agent.**

Subject to the appointment and acceptance of a successor Agent as provided below, Agent may resign at any time by giving at least 30 days written notice thereof to Lenders and Borrower. Upon receipt of such notice, Required Lenders shall have the right to appoint a successor Agent which shall be (a) a Lender or an Affiliate of a Lender; or (b) a commercial bank that is organized under the laws of Canada or the United States or any state or district thereof (provided that such U.S. bank is an "authorized foreign bank" as defined in section 2 of the *Bank Act* (Canada), has a combined capital surplus of at least \$200,000,000 and (provided no Default or Event of Default exists) is reasonably acceptable to Borrower. If no successor agent is appointed prior to the effective date of the resignation of Agent, then Agent may appoint a successor agent from among Lenders. Upon acceptance by a successor Agent of an appointment to serve as Agent hereunder, such successor Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Agent without further act, and the retiring Agent shall be discharged from its duties and obligations hereunder but shall continue to have the benefits of the indemnification set forth in Sections 12.6 and 15.2. Notwithstanding any Agent's resignation, the provisions of this Section 12 shall continue in effect for its benefit with respect to any actions taken or omitted to be taken by it while Agent. Any successor by merger, amalgamation or acquisition of the stock or assets of Bank shall continue to be Agent hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

### **12.8.2 Separate Collateral Agent.**

It is the intent of the parties that there shall be no violation of any Applicable Law denying or restricting the right of financial institutions to transact business in any jurisdiction. If Agent believes that it may be limited in the exercise of any rights or remedies under the Loan Documents due to any Applicable Law, Agent may appoint an additional Person who is not so limited, as a separate collateral agent or co-collateral agent. If Agent so appoints a collateral agent or co-collateral agent, each right and remedy intended to be available to Agent under the Loan Documents shall also be vested in such separate agent. Every covenant and obligation necessary to the exercise thereof by such agent or mandatary shall run to and be enforceable by it as well as Agent. Lenders shall execute and deliver such documents as Agent deems appropriate to vest any rights or remedies in such agent or mandatary. If any collateral agent or co-collateral agent shall die or dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of such agent or mandatary, to the extent permitted by Applicable Law, shall vest in and be exercised by Agent until appointment of a new agent or mandatary.

### **12.8.3 Withholding Tax.**

- (a) Subject to paragraph (b) of this Section, each Lender and the Bank represents and warrants to the Agent and the other Lenders and the Borrower that it is a Qualified Lender;
- (b) If the Canada Revenue Agency or any other Governmental Authority of Canada or other jurisdiction asserts a claim that the Agent did not properly withhold tax from amounts paid to or for the account of any Lender such Lender shall indemnify the Agent and the Borrower fully for all amounts paid, directly or indirectly, by the Agent or the Borrower as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to the Agent under this Section, together with all costs and expenses (including costs of legal counsel);
- (c) Without prejudice to the survival of any other agreement contained herein, the representations and warranties contained in paragraph (a) of this Section and the agreements and obligations contained in paragraph (b) of this Section shall survive the payment in full of principal, interest, fees and any other amounts payable hereunder, the termination of this Agreement and any other Loan Document and the replacement of the Agent.

### **12.9 Due Diligence and Non-Reliance.**

Each Lender acknowledges and agrees that it has, independently and without reliance upon Agent or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Obligor and its own decision to enter into this Agreement and to fund Loans and participate in LC Obligations hereunder. Each Lender has made such inquiries concerning the Loan Documents, the Collateral and each Obligor as such Lender feels necessary. Each Lender further acknowledges and agrees that the other Lenders and Agent have made no representations or warranties concerning any Obligor, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Lender will, independently and without reliance upon the other Lenders or Agent, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Loans and participating in LC Obligations, and in taking or refraining from taking any action under any Loan Documents. Except as expressly provided herein and except for notices, reports and other information expressly requested by a Lender, Agent shall have no duty or responsibility to provide any Lender with any notices, reports or certificates furnished to Agent by any Obligor or any credit or other information concerning the affairs, financial condition, business or Properties of any Obligor (or any of its Affiliates) which may come into possession of Agent or any of Agent's Affiliates.

### **12.10 Replacement of Certain Lenders.**

In the event that any Lender (a) becomes a Defaulting Lender, or (b) fails to give its consent to any amendment, waiver or action for which consent of all Lenders was required and Required Lenders consented, then, in addition to any other rights and remedies that any Person may have, Agent may in its discretion, by notice to such Lender by the Agent within 120 days

after such event, require such Lender to assign all of its rights and obligations under the Loan Documents to Eligible Assignee(s) specified by Agent, pursuant to appropriate Assignment and Acceptance(s) and within 20 days after Agent's notice. Agent is irrevocably appointed as attorney-in-fact to execute any such Assignment and Acceptance if the Lender fails to execute same. Such Lender shall be entitled to receive, in cash, concurrently with such assignment, all amounts owed to it under the Loan Documents, including all principal, interest and fees through the date of assignment (but excluding any prepayment charge).

## **12.11 Remittance of Payments and Collections.**

### **12.11.1 Remittances Generally.**

All payments by any Lender to Agent shall be made by the time and on the day set forth in this Agreement, in immediately available funds. If no time for payment is specified or if payment is due on demand by Agent and request for payment is made by Agent by 12:00 p.m. (Eastern time) on a Business Day, payment shall be made by Lender not later than 2:00 p.m. (Eastern time) on such day, and if request is made after 12:00 p.m. (Eastern time), then payment shall be made by 12:00 p.m. (Eastern time) on the next Business Day. Payment by Agent to any Lender shall be made by wire transfer, in the type of funds received by Agent. Any and all fees and interest paid by the Borrower to the Agent, for the Pro Rata benefit of the Lenders, on the first day of each month, shall be paid by the Agent to the Lenders on or before the third Business Day of such month. Any such payment shall be subject to Agent's right of offset or compensation for any amounts due from such Lender under the Loan Documents.

### **12.11.2 Failure to Pay.**

If any Lender fails to pay any amount when due by it to Agent pursuant to the terms hereof, such amount shall bear interest from the due date until paid at the rate determined by Agent as customary in the banking industry for interbank compensation. In no event shall Obligors be entitled to receive credit for any interest paid by a Lender to Agent.

### **12.11.3 Recovery of Payments.**

If Agent pays any amount to a Lender in the expectation that a related payment will be received by Agent from an Obligor and such related payment is not received, then Agent may recover such amount from each Lender that received it. If Agent determines at any time that an amount received under any Loan Document must be returned to an Obligor or paid to any other Person pursuant to Applicable Law or otherwise, then, notwithstanding any other term of any Loan Document, Agent shall not be required to distribute such amount to any Lender. If any amounts received and applied by Agent to any Obligations are later required to be returned by Agent pursuant to Applicable Law, Lenders shall pay to Agent, on demand, such Lender's Pro Rata share of the amounts required to be returned.

## **12.12 Agent in its Individual Capacity.**

As a Lender, Bank shall have the same rights and remedies under the other Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include Bank in its capacity as a Lender. Each of Bank and its Affiliates may accept deposits from, maintain deposits or credit balances for, invest in, lend money to, provide Bank

Products to, act as trustee under indentures of, serve as financial or other advisor to, and generally engage in any kind of business with, Obligors and their Affiliates, as if Bank were any other bank, without any duty to account therefor (including any fees or other consideration received in connection therewith) to the other Lenders. In their individual capacity, Bank and its Affiliates may receive information regarding Obligors, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and each Lender agrees that Bank and its Affiliates shall be under no obligation to provide such information to Lenders, if acquired in such individual capacity and not as Agent hereunder.

#### **12.13 Agent Titles.**

Each Lender, other than Bank, that is designated (on the cover page of this Agreement or otherwise) by Bank as an “Agent” or “Arranger” or “Manager” of any type shall not have any right, power, responsibility or duty under any Loan Documents other than those applicable to all Lenders, and shall in no event be deemed to have any fiduciary relationship with any other Lender.

#### **12.14 No Third Party Beneficiaries.**

This Section 12 is an agreement solely among Lenders and Agent, and does not confer any rights or benefits upon Borrower or any other Person. As between Borrower and Agent, any action that Agent may take under any Loan Documents shall be conclusively presumed to have been authorized and directed by Lenders as herein provided.

### **SECTION 13 BENEFIT OF AGREEMENT; ASSIGNMENTS AND PARTICIPATIONS**

#### **13.1 Successors and Assigns.**

This Agreement shall be binding upon and inure to the benefit of Obligors, Agent and Lenders and their respective successors and assigns, except that (a) no Obligors shall have the right to assign its rights or delegate its obligations under any Loan Documents, and (b) any assignment by a Lender must be made in compliance with Section 13.3. Agent may treat the Person which made any Loan as the owner thereof for all purposes until such Person makes an assignment in accordance with Section 13.3. Any authorization or consent of a Lender shall be conclusive and binding on any subsequent transferee or assignee of such Lender.

#### **13.2 Participations.**

##### **13.2.1 Permitted Participants; Effect.**

Any Lender may, in the ordinary course of its business and in accordance with Applicable Law, at any time sell to a financial institution (“Participant”) a participating interest in the rights and obligations of such Lender under any Loan Documents. Despite any sale by a Lender of participating interests to a Participant, such Lender’s obligations under the Loan Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for performance of such obligations, such Lender shall remain the holder of its Loans and Commitments for all purposes, all amounts payable by Obligors shall be determined as if such Lender had not sold such participating interests, and Obligors and Agent shall continue

to deal solely and directly with such Lender in connection with the Loan Documents. Each Lender shall be solely responsible for notifying its Participants of any matters under the Loan Documents, and Agent and the other Lenders shall not have any obligation or liability to any such Participant. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.8 unless Borrower agrees otherwise in writing.

#### **13.2.2 Voting Rights.**

Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, waiver or other modification of any Loan Documents other than that which forgives principal, interest or fees, reduces the stated interest rate or fees payable with respect to any Loan or Commitment in which such Participant has an interest, postpones the Commitment Termination Date or any date fixed for any regularly scheduled payment of principal, interest or fees on such Loan or Commitment, or releases Borrower, Guarantor or substantial portion of the Collateral.

#### **13.2.3 Benefit of Set-Off.**

Obligors agree that each Participant shall have a right of set-off or compensation in respect of its participating interest to the same extent as if such interest were owing directly to a Lender, and each Lender shall also retain the right of set-off or compensation with respect to any participating interests sold by it. By exercising any right of set-off or compensation, a Participant agrees to share with Lenders all amounts received through its set-off or compensation, in accordance with Section 12.5 as if such Participant were a Lender.

### **13.3 Assignments.**

#### **13.3.1 Permitted Assignments.**

A Lender may assign to any Eligible Assignee, acceptable to Agent acting reasonably (for greater certainty, any assignment by a Lender to an Affiliate of Lender shall not require such Agent's consent), any of its rights and obligations under the Loan Documents, as long as (a) each assignment is of a constant, and not a varying, percentage of the transferor Lender's rights and obligations under the Loan Documents and, in the case of a partial assignment, is in a minimum principal amount of \$10,000,000 (unless otherwise agreed by Agent in its discretion) and integral multiples of \$1,000,000 in excess of that amount; (b) except in the case of an assignment in whole of a Lender's rights and obligations, the aggregate amount of the Commitments retained by the transferor Lender be at least \$5,000,000 (unless otherwise agreed by Agent in its discretion); and (c) the parties to each such assignment shall execute and deliver to Agent, for its acceptance and recording, an Assignment and Acceptance. Nothing herein shall limit the right of a Lender to pledge or assign any rights under the Loan Documents to (i) any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors and any Operating Circular issued by such Federal Reserve Bank, or (ii) counterparties to swap agreements relating to any Loans; provided, however, that any payment by Obligors to the assigning Lender in respect of any Obligations assigned as described in this sentence shall satisfy Obligors' obligations hereunder to the extent of such payment, and no such assignment shall release the assigning Lender from its obligations hereunder.

### 13.3.2 Effect; Effective Date.

Upon delivery to Agent of an assignment notice in the form of Exhibit D and a processing fee of \$3,500, such assignment shall become effective as specified in the notice, if it complies with this Section 13.3. From the effective date of such assignment, the Eligible Assignee shall for all purposes be a Lender under the Loan Documents, and shall have all rights and obligations of a Lender thereunder. Upon consummation of an assignment, the transferor Lender, Agent and Borrower shall make appropriate arrangements for issuance of replacement and/or new Notes, as appropriate.

### **13.4 Representation of Lenders.**

Each Lender represents and warrants to Borrower, Agent and other Lenders that none of the consideration used by it to fund its Loans or to participate in any other transactions under this Agreement constitutes for any purpose of ERISA or Section 4975 of the Code assets of any “plan” as defined in Section 3(3) of ERISA or Section 4975 of the Code and the interests of such Lender in and under the Loan Documents shall not constitute plan assets under ERISA.

## **SECTION 14 GUARANTEES**

### **14.1 The Guarantees**

Each Guarantor, as primary obligor and not as a surety merely, hereby unconditionally and irrevocably, jointly and severally (solidarily), guarantees to the Agent and each of the Lenders the punctual payment when due in accordance with the terms hereof of all Obligations, of whatever kind and description, of the Borrower to the Agent and each of the Lenders now or hereafter existing, whether direct or indirect, absolute or contingent, matured or unmatured, secured or unsecured pursuant to or arising out of or under this Agreement (including all interest that accrues after the commencement of any Insolvency Proceeding by or against the Borrower, whether or not allowed in such case or proceeding), including, without limitation, all Obligations (all such obligations so guaranteed are referred to herein as the “Guaranteed Obligations”).

### **14.2 Guarantee Absolute**

Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with their terms regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agent and/or Lenders with respect thereto. The liability of each Guarantor hereunder shall be solidary (joint and several) and absolute and unconditional irrespective of:

- (a) Any lack of validity or enforceability of the Obligations or the Guaranteed Obligations or any agreement or instrument relating thereto;
- (b) Any change in the time, manner or place of the payment of, or in any other term of, all or any of the Obligations or the Guaranteed Obligations, or any amendment or modification of or any consent to departure from this Agreement or any other Loan Document;

- (c) Any exchange, release, unopposability or nonperfection of any Collateral or any release or amendment to, waiver of, or consent to departure from, or any Guarantee for, all or any part of the Obligations or the Guaranteed Obligations;
- (d) the absence of any action to enforce this Agreement (including this Section) or any other Loan Document, or any waiver, consent or indulgence of any kind by Agent or any Lender with respect thereto;
- (e) Any whole or partial termination of this Guarantee as to any other Guarantor;
- (f) the insolvency of any Obligor; (e) any election by Agent or any Lender to avail itself of an Insolvency Proceeding or any election in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code, or otherwise; (f) any borrowing or grant of a Lien by Borrower, as debtor-in-possession; (g) the disallowance of any claims of Agent or any Lender against any Obligor for the repayment of any Obligations under debtor relief laws; or
- (g) Any other circumstance which might otherwise constitute a defence available to, or a discharge of, the Borrower in respect of the Obligations or the Guaranteed Obligations or a Guarantor in respect of this Guarantee or the Guaranteed Obligations.

This Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations or the Guaranteed Obligations are rescinded or must otherwise be returned by the Agent and/or Lenders upon the bankruptcy or reorganization of any Guarantor or otherwise under applicable law, all as though such payment had not been made.

### **14.3 Consents, Waivers and Renewals**

Each Guarantor hereby renounces to the benefits of division and discussion. Each Guarantor hereby waives promptness, diligence, notice of the acceptance hereof, notice of intent to accelerate and notice of acceleration and any other notice with respect to any of the Obligations or the Guaranteed Obligations and this Agreement and any requirement that the Agent and/or Lenders protect, secure, perfect, render opposable or insure any Agent's Lien or Lien on any Property subject thereto or exhaust any right or take any action against the Borrower any Guarantor or any other Person or any Collateral before proceeding hereunder. Each Guarantor agrees that the Agent and/or Lenders may at any time and from time to time, either before or after the maturity thereof, without notice to or further consent of the Borrower or the Guarantor extend the time of payment of, exchange or surrender any Collateral for, or renew any of the Obligations or the Guaranteed Obligations, and may also make any agreements with the Borrower, any Guarantor or with any other party to or Person liable on any of the Obligations, or interested therein, for the extension, renewal, payment, compromise, discharge, or release thereof, in whole or in part, or for any modification of the terms thereof or of any agreement between the Agent and/or any Lenders and the Borrower or any such other party or Person, without in any way impairing or affecting this Guarantee. Each Guarantor agrees to make

payment to the Agent, for the rateable benefit of the Lenders, of any of the Obligations and the Guaranteed Obligations whether or not the Agent and/or any Lenders shall have resorted to any collateral security, or shall have proceeded against any other obligor principally or secondarily obligated with respect to any of the Obligations or the Guaranteed Obligations. The Agent and/or Lenders shall be free to deal with the Borrower and the Guarantor as it sees fit.

Agent and Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral by judicial foreclosure or non judicial sale or enforcement, without affecting any rights and remedies under this Section 14. If, in the exercise of any rights or remedies, Agent or any Lender shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Obligor or any other Person, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, Obligors consent to such action by Agent or such Lender and waive any claim based upon such action, even if the action may result in loss of any rights of subrogation that any Obligor might otherwise have had but for such action. Any election of remedies that results in denial or impairment of the right of Agent or any Lender to seek a deficiency judgment against any Obligor shall not impair any other Obligor's obligation to pay the full amount of the Obligations. Each Obligor waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for the Obligations, even though that election of remedies destroys such Obligor's rights of subrogation against any other Person. If Agent bids at any foreclosure or trustee's sale or at any private sale, Agent may bid all or a portion of the Obligations and the amount of such bid need not be paid by Agent but shall be credited against the Obligations. The amount of the successful bid at any such sale, whether Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Collateral, and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of the Obligations guaranteed under this Section 14, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

#### **14.4 Subrogation**

No Guarantor shall exercise any rights which it may acquire by way of subrogation under this Agreement, by any payment made hereunder or otherwise, until all the Obligations and the Guaranteed Obligations shall have been paid in full. If any amount shall be paid to the Borrower on account of such subrogation rights in violation of the foregoing restriction, such amount shall be held in trust for the benefit of the Agent (for itself and the other Lenders) and shall forthwith be paid to the Agent (for itself and the other Lenders) to be credited and applied to the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement.

#### **14.5 Subordination.**

Each Obligor hereby postpones any right of enforcement, remedy and action and subordinates any claims, including any right of payment, subrogation, contribution and indemnity, that it may have at any time against any other Obligor, howsoever arising, to the Full Payment of all Obligations. Any such claims (whether secured or unsecured) and any such remedial rights are hereby assigned to the Agent (and shall be assigned pursuant to documentation satisfactory to the Agent), and any such claims owing and paid to an Obligor in

contravention of the terms of this Agreement shall be received and held by any such Obligor in trust for the benefit of the Agent (for itself and the other Lenders) and the proceeds thereof shall forthwith be paid over to the Agent (for itself and the other Lenders) to be credited and applied to the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement

#### **14.6 Protection Clause**

Whenever herein a representation or warranty is expressed by a Guarantor or, subject to Section 14.1 above, any agreement to do any act or thing is made by a Guarantor, same shall be deemed to be a representation or warranty as to that Guarantor only and not a representation or warranty of any matter or circumstance of any other Guarantor and an agreement as to its conduct and not the conduct of any other Guarantor. Subject to Section 14.1 above, no Guarantor shall be liable for any obligation of any other Guarantor.

#### **14.7 Limitation on Guarantee of Obligations**

- (a) In any action or proceeding with respect to any Guarantor involving any state or provincial corporate law, or any state or provincial or federal bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of such Guarantor under Section 14.1 hereof would otherwise be held or determined to be void, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under said Section 14.1, then, notwithstanding any other provision hereof to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Lender, the Agent or any other Person, be automatically limited and reduced to the highest amount which is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.
- (b) To the extent that any Guarantor shall make a payment under this Agreement of all or any of the Guaranteed Obligations (a "Guarantor Payment") which, taking into account all other Guarantor Payments then previously or concurrently made by the Guarantor, exceeds the amount which the Guarantor would otherwise have paid if the Guarantor had paid the aggregate Obligations satisfied by such Guarantor Payment in the same proportion that such Guarantor's "Allocable Amount" (as defined below) (in effect immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of the Guarantor in effect immediately prior to the making of such Guarantor Payment, then, following payment in full in cash of the Obligations and termination of the Commitments, such Guarantor shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, the Guarantor for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.
- (i) As of any date of determination, the "Allocable Amount" of any Guarantor shall be equal to the maximum amount of the claim which could then be recovered from such Guarantor under this Agreement without rendering

such claim voidable or avoidable under Section 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

- (ii) This subsection (b) is intended only to define the relative rights of the Guarantor and nothing set forth in this subsection (b) is intended to or shall impair the obligations of the Guarantors, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement.
- (iii) The rights of the parties under this subsection (b) shall be exercisable upon the full and indefeasible payment of the Obligations and the termination of this Agreement and the other Loan Documents.
- (iv) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of any Guarantor to which such contribution and indemnification is owing.

#### **14.8 Guarantee of Payment**

The Guarantor further agrees that this Guarantee constitutes a guaranty of payment when due and not of collection, and waives any right to require that any resort be had by the Agent or any Lender to any of the Collateral or other security held for payment of the Guaranteed Obligations or to any balance of any deposit account or credit on the books of the Agent or any Lender in favour of any other Guarantor or any other Person or to any other guarantor of all or part of the Guaranteed Obligations.

### **SECTION 15 MISCELLANEOUS**

#### **15.1 Consents, Amendments and Waivers.**

##### **15.1.1 Amendment.**

No modification of any Loan Document, including any extension or amendment of a Loan Document or any waiver of a Default or Event of Default, shall be effective without the prior written agreement of Agent, with the consent of Required Lenders, and each Obligor party to such Loan Document; provided, however, that

- (a) without the prior written consent of Agent, no modification shall be effective with respect to any provision in a Loan Document that relates to any rights, duties or discretion of Agent;
- (b) without the prior written consent of Issuing Bank, no modification shall be effective with respect to any LC Obligations or Section 2.2;
- (c) without the prior written consent of each affected Lender, no modification shall be effective that would (i) increase the Commitment of such Lender;

- . or (ii) reduce the amount of, or waive or delay payment of, any principal, interest or fees payable to such Lender; and
- (d) without the prior written consent of all Lenders (except a Defaulting Lender), no modification shall be effective that would (i) extend the Revolver Termination Date; (ii) alter Section 5.5, 7.1 (except to add Collateral), or 15.1.1; (iii) amend the definitions of Borrowing Base (and the defined terms used in such definition), Pro Rata or Required Lenders; (iv) increase any advance rate, or increase total Commitments; (v) release Collateral with a book value greater than \$2,000,000 during any calendar year, except as currently contemplated by the Loan Documents; or (vi) release any Obligor from liability for any Obligations, if such Obligor is Solvent at the time of the release.

#### 15.1.2 Limitations.

The agreement of Obligors shall not be necessary to the effectiveness of any modification of a Loan Document that deals solely with the rights and duties of Lenders, Agent and/or Issuing Bank as among themselves. Only the consent of the parties to the Fee Letter or any agreement relating to a Bank Product shall be required for any modification of such agreement, and no Affiliate of a Lender that is party to a Bank Product agreement shall have any other right to consent to or participate in any manner in modification of any other Loan Document. The making of any Loans during the existence of a Default or Event of Default shall not be deemed to constitute a waiver of such Default or Event of Default, nor to establish a course of dealing. Any waiver or consent granted by Lenders hereunder shall be effective only if in writing, and then only in the specific instance and for the specific purpose for which it is given.

#### 15.1.3 Payment for Consents.

Borrower will not, directly or indirectly, pay any remuneration or other thing of value, whether by way of additional interest, fee or otherwise, to any Lender (in its capacity as a Lender hereunder) as consideration for agreement by such Lender with any modification of any Loan Documents, unless such remuneration or value is concurrently paid, on the same terms, on a Pro Rata basis to all Lenders providing their consent.

#### **15.2 Indemnity.**

EACH OBLIGOR SHALL INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST ANY CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE, INCLUDING CLAIMS ARISING FROM THE NEGLIGENCE OF AN INDEMNITEE. In no event shall any party to a Loan Document have any obligation thereunder to indemnify or hold harmless an Indemnatee with respect to a Claim that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or wilful misconduct of such Indemnatee.

### **15.3 Notices and Communications.**

#### **15.3.1 Notice Address.**

Subject to Section 4.1.4, all notices, requests and other communications by or to a party hereto shall be in writing and shall be given to Borrower, at Borrower's address shown on the signature pages hereof, and to any other Person at its address shown on the signature pages hereof (or, in the case of a Person who becomes a Lender after the Closing Date, at the address shown on its Assignment and Acceptance), or at such other address as a party may hereafter specify by notice in accordance with this Section 15.3. Each such notice, request or other communication shall be effective only (a) if given by facsimile transmission, when transmitted to the applicable facsimile number, if confirmation of receipt is received; (b) if given by mail, three Business Days after deposit in the Canada post mail, with first-class postage pre-paid, addressed to the applicable address; or (c) if given by personal delivery, when duly delivered to the notice address with receipt acknowledged. Notwithstanding the foregoing, no notice to Agent pursuant to Section 2.1.4, 2.2, 3.1.2, or 4.1.1 shall be effective until actually received by the individual to whose attention at Agent such notice is required to be sent. Any written notice, request or other communication that is not sent in conformity with the foregoing provisions shall nevertheless be effective on the date actually received by the noticed party. Any notice received by Borrower shall be deemed received by all Obligor.

#### **15.3.2 Electronic Communications; Voice Mail.**

Electronic mail and internet websites may be used only for routine communications, such as financial statements, Borrowing Base Certificates and other information required by Section 10.1.2, administrative matters, distribution of Loan Documents for execution, and matters permitted under Section 4.1.4. Agent and Lenders make no assurances as to the privacy and security of electronic communications. Electronic and voice mail may not be used as effective notice under the Loan Documents.

#### **15.3.3 Non-Conforming Communications.**

Agent and Lenders may rely upon any notices purportedly given by or on behalf of Borrower even if such notices were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. Borrower shall indemnify and hold harmless each Indemnitee from any liabilities, losses, costs and expenses arising from any telephonic communication purportedly given by or on behalf of Borrower.

### **15.4 Performance of Obligors' Obligations.**

Agent may, in its discretion at any time and from time to time, at Borrower's expense, pay any amount or do any act required of an Obligor under any Loan Documents or otherwise lawfully requested by Agent to (a) enforce any Loan Documents or collect any Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity, opposability or priority of Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, privilege or priority or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of Agent under this Section shall be reimbursed to Agent by Borrower,

on demand, with interest from the date incurred to the date of payment thereof at the Default Rate applicable to Prime Rate Revolver Loans. Any payment made or action taken by Agent under this Section shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

**15.5 Credit Inquiries.**

Each Obligor hereby authorizes Agent and Lenders (but they shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Obligor or Subsidiary.

**15.6 Severability.**

Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of the Loan Documents shall remain in full force and effect.

**15.7 Cumulative Effect; Conflict of Terms.**

The provisions of the Loan Documents are cumulative. The parties acknowledge that the Loan Documents may use several different limitations, tests or measurements to regulate the same or similar matters, and they agree that these are cumulative and that each must be performed as provided. Except as otherwise specifically provided in another Loan Document (by specific reference to the applicable provision of this Agreement), if any provision contained herein is in direct conflict with any provision in another Loan Document, the provision herein shall govern and control.

**15.8 Counterparts; Facsimile Signatures.**

Any Loan Document may be executed in counterparts, each of which taken together shall constitute one instrument. Loan Documents may be executed and delivered by facsimile, and they shall have the same force and effect as manually signed originals. Agent may require confirmation by a manually-signed original, but failure to request or deliver same shall not limit the effectiveness of any facsimile signature.

**15.9 Entire Agreement.**

Time is of the essence of the Loan Documents. The Loan Documents embody the entire understanding of the parties with respect to the subject matter thereof and supersede all prior understandings regarding the same subject matter.

**15.10 Obligations of Lenders.**

The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or Commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled, to the extent not otherwise restricted hereunder, to protect and enforce its rights arising out of the Loan Documents. It shall not be necessary for Agent or any other Lender to be joined as an additional

party in any proceeding for such purposes. Nothing in this Agreement and no action of Agent or Lenders pursuant to the Loan Documents shall be deemed to constitute Agent and Lenders to be a partnership, association, joint venture or any other kind of entity, nor to constitute control of any Obligor. Each Obligor acknowledges and agrees that in connection with all aspects of any transaction contemplated by the Loan Documents, Obligors, Agent, Issuing Bank and Lenders have an arms-length business relationship that creates no fiduciary duty on the part of Agent, Issuing Bank or any Lender, and each Obligor, Agent, Issuing Bank and Lender expressly disclaims any fiduciary relationship.

**15.11 Confidentiality.**

During the term of this Agreement and for 12 months thereafter, Agent and Lenders agree to take reasonable precautions to maintain the confidentiality of any information that Obligors deliver to Agent and Lenders and identify as confidential at the time of delivery, except that Agent and any Lender may disclose such information (a) to their respective officers, directors, employees, Affiliates and agents, including legal counsel, auditors and other professional advisors; (b) to any party to the Loan Documents from time to time; (c) pursuant to the order of any court or administrative agency; (d) upon the request of any Governmental Authority exercising regulatory authority over Agent or such Lender; (e) which ceases to be confidential, other than by an act or omission of Agent or any Lender, or which becomes available to Agent or any Lender on a nonconfidential basis; (f) to the extent reasonably required in connection with any litigation relating to any Loan Documents or transactions contemplated thereby, or otherwise as required by Applicable Law; (g) to the extent reasonably required for the exercise of any rights or remedies under the Loan Documents; (h) to any actual or proposed party to a Bank Product or to any Transferee, as long as such Person agrees to be bound by the provisions of this Section; (i) to the National Association of Insurance Commissioners or any similar organization, or to any nationally recognized rating agency that requires access to information about a Lender's portfolio in connection with ratings issued with respect to such Lender; or (j) with the consent of Obligors. Notwithstanding the foregoing, Agent and Lenders may issue and disseminate to the public general information describing this credit facility, including the names and addresses of Obligors and a general description of Obligors' businesses, and may use Borrower's names in advertising and other promotional materials.

**15.12 Governing Law; Choice of Forum; Service of Process.**

- (a) THIS AGREEMENT SHALL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED IN ACCORDANCE WITH THE INTERNAL LAWS (AS OPPOSED TO THE CONFLICT OF LAWS PROVISIONS PROVIDED THAT PERFECTION ISSUES MAY GIVE EFFECT TO APPLICABLE CHOICE OR CONFLICT OF LAW RULES SET FORTH IN ARTICLE IX OF THE UCC OR IN THE PPSA OR CIVIL CODE OF QUEBEC, AS APPLICABLE) OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN.
- (b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE PROVINCE OF ONTARIO, AND

BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE OBLIGORS, THE AGENT AND THE LENDERS CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF THE OBLIGORS, THE AGENT AND THE LENDERS IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS AGREEMENT OR ANY DOCUMENT RELATED HERETO. NOTWITHSTANDING THE FOREGOING: (1) THE AGENT AND THE LENDERS SHALL HAVE THE RIGHT TO BRING ANY ACTION OR PROCEEDING AGAINST AN OBLIGOR OR ITS PROPERTY IN THE COURTS OF ANY OTHER JURISDICTION THE AGENT OR THE LENDERS DEEM NECESSARY OR APPROPRIATE IN ORDER TO REALIZE ON THE COLLATERAL OR OTHER SECURITY FOR THE OBLIGATIONS AND (2) EACH OF THE PARTIES HERETO ACKNOWLEDGES THAT ANY APPEALS FROM THE COURTS DESCRIBED IN THE IMMEDIATELY PRECEDING SENTENCE MAY HAVE TO BE HEARD BY A COURT LOCATED OUTSIDE THOSE JURISDICTIONS.

- (c) EACH OBLIGOR HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND CONSENTS THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL OR BY PERSONAL DELIVERY OR TELECOPIER AS PROVIDED IN SECTION 15.3 DIRECTED TO THE ATTENTION OF OBLIGORS AT ITS ADDRESS SET FORTH HEREIN AND SERVICE MADE BY REGISTERED MAIL SHALL BE DEEMED TO BE COMPLETED FIVE (5) DAYS AFTER THE SAME SHALL HAVE BEEN SO DEPOSITED IN THE MAIL POSTAGE PREPAID AND IF MADE OTHERWISE SHALL BE DEEMED TO BE COMPLETED AT THE TIMES PROVIDED IN SECTION 15.3. NOTWITHSTANDING THE FOREGOING, IF THE PARTY EFFECTING SUCH SERVICE OF PROCESS KNOWS OR OUGHT REASONABLY TO KNOW OF ANY DIFFICULTIES WITH THE POSTAL SYSTEM THAT MIGHT AFFECT THE DELIVERY OF MAIL, SUCH SERVICE OF PROCESS MAY NOT BE MAILED BUT MUST BE EFFECTED BY PERSONAL DELIVERY OR BY A TELECOMMUNICATIONS DEVICE CAPABLE OF CREATING A WRITTEN RECORD. NOTHING CONTAINED HEREIN SHALL AFFECT THE RIGHT OF AGENT OR THE LENDERS TO SERVE LEGAL PROCESS BY ANY OTHER MANNER PERMITTED BY LAW.

**15.13 Waivers by Obligors.**

To the fullest extent permitted by Applicable Law, each Obligor waives (a) the right to trial by jury (which Agent and each Lender hereby also waives) in any proceeding, claim or

counterclaim of any kind relating in any way to any Loan Documents, Obligations or Collateral; (b) presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties at any time held by Agent on which an Obligor may in any way be liable, and hereby ratifies anything Agent may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Agent to exercise any rights or remedies; (e) the benefit of all valuation, appraisal and exemption laws; (f) any claim against Agent or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, Obligations, Loan Documents or transactions relating thereto; and (g) notice of acceptance hereof. Each Obligor acknowledges that the foregoing waivers are a material inducement to Agent and Lenders entering into this Agreement and that Agent and Lenders are relying upon the foregoing in their dealings with Obligors. Each Obligor has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

#### **15.14 Survival of Representations and Warranties**

All of the Obligors' representations and warranties contained in this Agreement shall survive the execution, delivery, and acceptance thereof by the parties, notwithstanding any investigation by the Agent or the Lenders or their respective agents.

#### **15.15 Fees and Expenses**

The Borrower agrees to pay to the Agent, for its benefit, on demand, all costs and expenses that Agent or Bank pays or incurs (but not the allocated costs of Agent's employees engaged in day-to-day administration, but including the Agent's auditors' fees and costs) in connection with the negotiation, preparation, syndication, consummation, administration, enforcement, and termination of this Agreement or any of the other Loan Documents, including, without limitation (a) Extraordinary Expenses, (b) attorney costs; (c) costs and expenses (including reasonable lawyers' and paralegals' fees and disbursements) for any amendment, supplement, waiver, consent, or subsequent closing in connection with the Loan Documents and the transactions contemplated thereby; (d) costs and expenses of lien searches; (e) taxes, fees and other charges for filing financing statements and continuations, and other actions to perfect, protect, and continue the Agent's Liens (including costs and expenses paid or incurred by the Agent in connection with the consummation of Agreement); (f) sums paid or incurred to pay any amount or take any action required of the Borrower under the Loan Documents that the Borrower fails to pay or take; (g) costs of appraisals, inspections, and verifications of the Collateral, including travel, lodging, and meals for inspections of the Collateral and the Obligors' operations by the Agent plus the Agent's then customary charge (U.S.\$850 per day per person) for field examinations and audits and the preparation of reports thereof for each agent or employee of the Agent with respect to each field examination or audit; (h) costs and expenses of forwarding loan proceeds, collecting cheques and other items of payment, and establishing and maintaining Payment Accounts, including lock boxes; (i) costs and expenses of preserving and protecting the Collateral (and to maintain any insurance required hereunder or to verify Collateral); and (j) costs and expenses (including attorneys' costs) paid or incurred, by Agent or

any Lender, to obtain payment of the Obligations, enforce the Agent's Liens, sell or otherwise realize upon the Collateral, and otherwise enforce the provisions of the Loan Documents, or to defend any claims made or threatened against the Agent or any Lender arising out of the transactions contemplated hereby (including preparations for and consultations concerning any such matters). All legal, accounting and consulting fees shall be charged to Borrower by Agent's professionals at their full hourly rates, regardless of any reduced or alternative fee billing arrangements that Agent, any Lender or any of their Affiliates may have with such professionals with respect to this or any other transaction. The foregoing shall not be construed to limit any other provisions of the Loan Documents regarding costs and expenses to be paid by the Obligors. All of the foregoing costs and expenses shall be charged to the Borrower's Loan Account as Revolving Loans as described in Section 5.2 and shall constitute Obligations.

#### **15.16 Limitation of Liability**

NO CLAIM MAY BE MADE BY ANY OBLIGOR, ANY LENDER OR OTHER PERSON AGAINST THE AGENT, ANY LENDER, OR THE AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS OF ANY OF THEM FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES IN RESPECT OF ANY CLAIM FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY ACT, OMISSION OR EVENT OCCURRING IN CONNECTION THEREWITH, AND EACH OBLIGOR AND EACH LENDER HEREBY WAIVE, RELEASE AND AGREE NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOUR.

#### **15.17 Final Agreement**

This Agreement and the other Loan Documents including the Fee Letter are intended by the Obligors, the Agent and the Lenders to be the final, complete, and exclusive expression of the agreement between them. This Agreement supersedes any and all prior oral or written agreements relating to the subject matter hereof. No modification, rescission, waiver, release, or amendment of any provision of this Agreement or any other Loan Document shall be made, except by a written agreement signed by the Obligors and a duly authorized officer of each of the Agent and the requisite Lenders.

#### **15.18 Precedence**

In the event that any provisions of the Loan Documents (other than this Agreement) (the "Conflicted Agreements") contradict and are otherwise incapable of being construed in conjunction with the provisions of this Agreement, the provisions of this Agreement shall take precedence over those contained in the Conflicted Agreements and, in particular, if any act of an Obligor is expressly permitted under this Agreement but is prohibited under the Conflicted Agreements, any such act shall be permitted under this Agreement and shall be deemed to be permitted under the Conflicted Agreements.

#### **15.19 Judgment Currency.**

If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Agent could purchase in the Toronto foreign exchange market, the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Obligor agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following the date the Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Agent may, in accordance with normal banking procedures, purchase, in the Toronto foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency, each Obligor agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Agent against such loss. The term “rate of exchange” in this Section means the spot rate at which the Agent, in accordance with normal practices, is able on the relevant date to purchase the Original Currency with the Second Currency, and includes any premium and costs of exchange payable in connection with such purchase.

#### **15.20 Canadian Anti-Money Laundering Legislation**

- (a) Each Obligor acknowledges that, pursuant to the Proceeds of Crime Act and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Lenders may be required to obtain, verify and record information regarding the Obligors and their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Obligors, and the transactions contemplated hereby. Each Obligor shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender, any Issuing Bank or any Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
- (b) If the Agent has ascertained the identity of any Obligor or any authorized signatories of the Obligors for the purposes of applicable AML Legislation, then the Agent:
  - (i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a “written agreement” in such regard between each Lender and the Agent within the meaning of the applicable AML Legislation; and
  - (ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that neither the Agent nor any other Agent has any obligation to ascertain the identity of the Obligor or any authorized signatories of the Obligor on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Obligor or any such authorized signatory in doing so.

**15.21 Existing Loan and Security Agreement Amended and Restated**

This Agreement shall amend and restate the Existing Loan and Security Agreement in its entirety, with the parties hereby agreeing that there is no novation of the Existing Loan and Security Agreement. On the Closing Date, the rights and obligations of the parties under the Existing Loan and Security Agreement shall be subsumed within and be governed by this Agreement; provided, however, that each of the “Loans” (as such term is defined in the Existing Loan and Security Agreement) outstanding under the Existing Loan and Security Agreement on the Closing Date shall, for purposes of this Agreement, be included as Loans hereunder and each of the “Letters of Credit” (as defined in the Existing Loan and Security Agreement) outstanding under the Existing Loan and Security Agreement on the Closing Date shall be Letters of Credit hereunder.

**BORROWER:** MIDFIELD SUPPLY ULC

### **1. AMOUNTS AND TYPES OF FACILITIES (each referred to as a “Facility”)**

#### **Facility #1 – Revolving Term Loan Facility – Cdn. \$15,000,000**

- Facility #1 is available by way of:
  - Prime-based loans in Canadian dollars
  - Guaranteed Notes in Canadian dollars
- Notwithstanding the amount of Facility #1 (and except as otherwise provided in the Repayment section hereof), advances will be limited to the amount equal to the lesser of:
  - the maximum principal amount of Facility #1; and
  - an amount equal to 50% of the Tangible Asset Value.
- Facility #1 is to be used for the acquisition of Tangible Assets, and no advance shall exceed 100% of the cost of the asset being acquired less GST and all appropriate taxes.

### **2. INTEREST RATES AND PREPAYMENT:**

#### **Facility #1:**

- Pricing applicable to Facility #1 is as follows:
    - Prime-based loans: Interest is payable in Canadian dollars at Prime plus the Applicable Facility #1 Margin per 365-day period.
    - Guaranteed Notes: Acceptance fee is payable in Canadian dollars at the Applicable Facility #1 Margin per 365-day period.
  - The Applicable Facility #1 Margin shall be equal to the percentage rate per annum set out in the following table opposite the applicable ratio for the Borrower at the time of determination:
-

Ratio of Tangible Asset Value to outstanding Borrowings	Prime-based loans	Guaranteed Notes
$\geq 3.00:1$	2.00%	3.50%
$\geq 2.50:1$ but $< 3.00:1$	2.25%	3.75%
$\geq 2.00:1$ but $< 2.50:1$	2.50%	4.00%

- The effective date of any change to the Applicable Facility #1 Margin shall be the 1st day of the fiscal quarter immediately following the last day on which the Borrower is required to deliver its listing of Tangible Assets hereunder. If the listing of Tangible Assets is not delivered as required hereunder, the Applicable Facility #1 Margin shall immediately be the highest rate applicable, until such time as such listing of Tangible Assets is delivered and the ratio determined. If the Applicable Facility #1 Margin changes during the term of any Guaranteed Note, the acceptance fee paid shall be adjusted to reflect the Applicable Facility #1 Margin for the remaining term, and the parties shall forthwith make whatever payments are necessary to reflect such adjustment.
- The Applicable Facility #1 Margin shall be subject to a 0.50% increase on and after the Term Date.
- Facility #1 may be prepaid in whole or in part at any time (subject to the notice periods provided hereunder) without penalty, except that Guaranteed Notes cannot be prepaid prior to their maturity.

### 3. REPAYMENT:

#### Facility #1:

- Facility #1 is a committed term facility, as detailed herein.
- The "Term Date" is currently May 31, 2010, subject to extension as herein provided.
- Prior to the Term Date, Facility #1 may revolve in multiples as permitted hereunder, and Borrower may borrow, repay, reborrow and convert between types of Borrowings, up to the amount and subject to the notice periods provided herein.
- On the Term Date, any unutilized amount of Facility #1 will be cancelled, and the amount of Facility #1 will be reduced to the aggregate Borrowings outstanding on that date. On and after the Term Date, Facility #1 is non-revolving, and amounts repaid may not be re-borrowed, but Borrower can convert between types of Borrowings subject to the notice periods provided hereunder. All amounts outstanding under Facility #1 are due and payable in full on the date falling one (1) year after the Term Date.

- Borrower may request an extension of the Term Date by sending Lender a written request for extension in the form attached as Schedule "C" by no later than 90 days prior to the then current Term Date, and Lender may in its sole discretion agree to extend the Term Date for a further period of up to 364 days. Lender shall advise Borrower of its decision regarding the extension by no later than 30 days prior to the then current Term Date.

#### 4. FEES:

- Non-refundable application fee of \$52,500 is payable on acceptance of this offer. Lender is hereby authorized to debit Borrower's current account for any unpaid portion of the fee.
- Any amount in excess of established credit facilities may be subject to a fee where Lender in its sole discretion permits excess Borrowings, if any.
- For monthly or quarterly reports or statements not received within the stipulated periods (and without limiting Lender's rights by virtue of such default), Borrower will be subject to a fee of \$50 per month (per report or statement) for each late reporting occurrence, which will be deducted from Borrower's account.
- For annual reports or statements not received within the stipulated periods (and without limiting Lender's rights by virtue of such default), Borrower will be subject to a fee of \$250 per month (per report or statement) for each late reporting occurrence, which will be deducted from Borrower's account.
- Non-refundable standby fee, for the period from and including the date of this amended and restated letter agreement to the Term Date (as such date may be extended pursuant to Section 3 hereof) is payable monthly in arrears on the last day of each month, calculated daily on the unused portion of the authorized amount of Facility #1. Such fee is equal to the percentage rate per annum set out in the following table opposite the applicable ratio of Tangible Asset Value to outstanding Borrowings for the Borrower at the time of determination:

Ratio of Tangible Asset Value to outstanding Borrowings	Standby Fees
$\geq 3.00:1$	0.55%
$\geq 2.50:1$ but $< 3.00:1$	0.60%
$\geq 2.00:1$ but $< 2.50:1$	0.65%

The effective date of any change in the percentage rate of such fee shall be the 1st day of the fiscal quarter immediately following the last day on which the Borrower is required to deliver its listing of Tangible Assets hereunder. If the listing of Tangible Assets is not delivered as required hereunder, such percentage rate shall immediately be the highest rate applicable, until such time as such listing of Tangible Assets is delivered and the ratio determined.

### 2.3 Finance Parties’ rights and obligations

- (a) The obligations of each Finance Party under the Finance Documents are several. Failure by a Finance Party to perform its obligations under the Finance Documents does not affect the obligations of any other Party under the Finance Documents. No Finance Party is responsible for the obligations of any other Finance Party under the Finance Documents.

- (b) The rights of each Finance Party under or in connection with the Finance Documents are separate and independent rights and any debt arising under the Finance Documents to a Finance Party from an Obligor shall be a separate and independent debt.
- (c) A Finance Party may, except as otherwise stated in the Finance Documents, separately enforce its rights under the Finance Documents.

## 2.4 **Obligors' Agent**

- (a) Each Obligor (other than the Company) by its execution of this Agreement or an Accession Deed irrevocably appoints the Company to act on its behalf as its agent in relation to the Finance Documents and irrevocably authorises:
  - (i) the Company on its behalf to supply all information concerning itself contemplated by this Agreement to the Finance Parties and to give all notices and instructions (including, in the case of a Borrower, Utilisation Requests), to execute on its behalf any Accession Deed, to make such agreements and to effect the relevant amendments, supplements and variations capable of being given, made or effected by any Obligor notwithstanding that they may affect the Obligor, without further reference to or the consent of that Obligor; and
  - (ii) each Finance Party to give any notice, demand or other communication to that Obligor pursuant to the Finance Documents to the Company,

and in each case the Obligor shall be bound as though the Obligor itself had given the notices and instructions (including, without limitation, any Utilisation Requests) or executed or made the agreements or effected the amendments, supplements or variations, or received the relevant notice, demand or other communication.

- (b) Every act, omission, agreement, undertaking, settlement, waiver, amendment, supplement, variation, notice or other communication given or made by the Obligors' Agent or given to the Obligors' Agent under any Finance Document on behalf of another Obligor or in connection with any Finance Document (whether or not known to any other Obligor and whether occurring before or after such other Obligor became an Obligor under any Finance Document) shall be binding for all purposes on that Obligor as if that Obligor had expressly made, given or concurred with it. In the event of any conflict between any notices or other communications of the Obligors' Agent and any other Obligor, those of the Obligors' Agent shall prevail.

## 5.6 Cancellation of Commitment

- (a) If the conditions set out in this Agreement have been met, the Issuing Bank shall issue the Letter of Credit on the Utilisation Date.
- (b) Subject to Clause 4.1 (*Initial Conditions Precedent*), the Issuing Bank will only be obliged to comply with paragraph (a) above, if on the date of the Utilisation Request or Renewal Request and on the proposed Utilisation Date:
  - (i) in the case of a Letter of Credit to be renewed in accordance with Clause 6.6 (*Renewal of a Letter of Credit*) no Event of Default is continuing or would result from the proposed Utilisation and, in the case of any other Utilisation, no Default is continuing or would result from the proposed Utilisation; and

- (d) The Agent shall determine the Base Currency Amount of each Letter of Credit which is to be issued in an Optional Currency and shall notify the Issuing Bank and each Lender of the details of the requested Letter of Credit and its participation in that Letter of Credit by the Specified Time.

#### 6.6 Renewal of a Letter of Credit

- (a) A Borrower (or the Company on its behalf) may request that any Letter of Credit issued on behalf of that Borrower be renewed by delivery to the Agent of a Renewal Request in substantially similar form to a Utilisation Request for a Letter of Credit by the Specified Time.
- (b) The Finance Parties shall treat any Renewal Request in the same way as a Utilisation Request for a Letter of Credit except that the conditions set out in paragraph (d) of Clause 6.3 (*Completion of a Utilisation Request for Letters of Credit*) shall not apply.
- (c) The terms of each renewed Letter of Credit shall be the same as those of the relevant Letter of Credit immediately prior to its renewal, except that:

  - (ii) its Term shall start on the date which was the Expiry Date of the Letter of Credit immediately prior to its renewal, and shall end on the proposed Expiry Date specified in the Renewal Request.
- (d) If the conditions set out in this Agreement have been met, the Issuing Bank shall amend and re-issue any Letter of Credit pursuant to a Renewal Request.

## 6.7 Reduction of a Letter of Credit

- (a) If, on the proposed Utilisation Date of a Letter of Credit, any of the Lenders under the Revolving Facility is a Non-Acceptable L/C Lender and:
  - (i) that Lender has failed to provide cash collateral to the Issuing Bank in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender*); and
  - (ii) either:
    - (A) the Issuing Bank has not required the relevant Borrower to provide cash cover pursuant to Clause 7.5 (*Cash cover by Borrower*); or
    - (B) the relevant Borrower has failed to provide cash cover to the Issuing Bank in accordance with Clause 7.5 (*Cash cover by Borrower*),

the Issuing Bank may reduce the amount of that Letter of Credit by an amount equal to the amount of the participation of that Non-Acceptable L/C Lender in respect of that Letter of Credit and that Non-Acceptable L/C Lender shall be deemed not to have any participation (or obligation to indemnify the Issuing Bank) in respect of that Letter of Credit for the purposes of the Finance Documents.

- (b) The Issuing Bank shall notify the Agent of each reduction made pursuant to this Clause 6.7.
- (c) This Clause 6.7 shall not affect the participation of each other Lender in that Letter of Credit.

## 6.8 Revaluation of Letters of Credit

- (a) If any Letters of Credit are denominated in an Optional Currency, the Agent shall at six monthly intervals after the date of the Letter of Credit recalculate the Base Currency Amount of each Letter of Credit by notionally converting into the Base Currency the outstanding amount of that Letter of Credit on the basis of the Agent's Spot Rate of Exchange on the date of calculation.
- (b) The Parent shall, if requested by the Agent within three days of any calculation under paragraph (a) above, ensure that within three Business Days sufficient Revolving Facility Utilisations are prepaid to prevent the Base Currency Amount of the Revolving Facility Utilisations exceeding the Total Revolving Facility Commitments following any adjustment to a Base Currency Amount under paragraph (a) of this Clause 6.8.

## 7. LETTERS OF CREDIT

### 7.1 Immediately payable

If a Letter of Credit or any amount outstanding under a Letter of Credit is expressed to be immediately payable, the Borrower that requested (or on behalf of which the Company requested) the issue of that Letter of Credit shall repay or prepay that amount immediately.

### 7.2 Claims under a Letter of Credit

- (a) Each Borrower irrevocably and unconditionally authorises the Issuing Bank to pay any claim made or purported to be made under a Letter of Credit requested by it (or requested by the Company on its behalf) and which appears on its face to be in order (in this Clause 7, a "**claim**").

- (b) Each Borrower shall immediately on demand pay to the Agent for the Issuing Bank an amount equal to the amount of any claim.
- (c) Each Borrower acknowledges that the Issuing Bank:
  - (i) is not obliged to carry out any investigation or seek any confirmation from any other person before paying a claim; and
  - (ii) deals in documents only and will not be concerned with the legality of a claim or any underlying transaction or any available set-off, counterclaim or other defence of any person.
- (d) The obligations of a Borrower under this Clause 7 will not be affected by:
  - (i) the sufficiency, accuracy or genuineness of any claim or any other document; or
  - (ii) any incapacity of, or limitation on the powers of, any person signing a claim or other document.

### 7.3 Indemnities

- (a) Each Borrower shall immediately on demand indemnify the Issuing Bank against any cost, loss or liability incurred by the Issuing Bank (otherwise than by reason of the Issuing Bank's gross negligence or wilful misconduct) in acting as the Issuing Bank under any Letter of Credit requested by (or on behalf of) that Borrower.
- (b) Each Lender shall (according to its L/C Proportion) immediately on demand indemnify the Issuing Bank against any cost, loss or liability incurred by the Issuing Bank (otherwise than by reason of the Issuing Bank's gross negligence or wilful misconduct) in acting as the Issuing Bank under any Letter of Credit (unless the Issuing Bank has been reimbursed by an Obligor pursuant to a Finance Document).
- (c) If any Lender is not permitted (by its constitutional documents or any applicable law) to comply with paragraph (b) above, then that Lender will not be obliged to comply with paragraph (b) and shall instead be deemed to have taken, on the date the Letter of Credit is issued (or if later, on the date the Lender's participation in the Letter of Credit is transferred or assigned to the Lender in accordance with the terms of this Agreement), an undivided interest and participation in the Letter of Credit in an amount equal to its L/C Proportion of that Letter of Credit. On receipt of demand from the Agent, that Lender shall pay to the Agent (for the account of the Issuing Bank) an amount equal to its L/C Proportion of the amount demanded.
- (d) The Borrower which requested (or on behalf of which the Company requested) a Letter of Credit shall immediately on demand reimburse any Lender for any payment it makes to the Issuing Bank under this Clause 7.3 in respect of that Letter of Credit.
- (e) The obligations of each Lender or Borrower under this Clause are continuing obligations and will extend to the ultimate balance of sums payable by that Lender or Borrower in respect of any Letter of Credit, regardless of any intermediate payment or discharge in whole or in part.
- (f) The obligations of any Lender or Borrower under this Clause will not be affected by any act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause (without limitation and whether or not known to it or any other person) including:

- (i) any time, waiver or consent granted to, or composition with, any Obligor, any beneficiary under a Letter of Credit or any other person;
- (ii) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor or any member of the Group;
- (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor, any beneficiary under a Letter of Credit or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor, any beneficiary under a Letter of Credit or any other person;
- (v) any amendment (however fundamental) or replacement of a Finance Document, any Letter of Credit or any other document or security;
- (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document, any Letter of Credit or any other document or security; or
- (vii) any insolvency or similar proceedings.

#### 7.4 **Cash collateral by Non-Acceptable L/C Lender**

- (a) If, at any time, a Lender under the Revolving Facility is a Non-Acceptable L/C Lender, the Issuing Bank may, by notice to that Lender, request that Lender to pay and that Lender shall pay, on or prior to the date falling three Business Days after the request by the Issuing Bank, an amount equal to that Lender's L/C Proportion of the outstanding amount of a Letter of Credit and in the currency of that Letter of Credit to an interest-bearing account held in the name of that Lender with the Issuing Bank.
- (b) The Non-Acceptable L/C Lender to whom a request has been made in accordance with paragraph (a) above shall enter into a security document or other form of collateral arrangement over the account, in form and substance satisfactory to the Issuing Bank, as collateral for any amounts due and payable under the Finance Documents by that Lender to the Issuing Bank in respect of that Letter of Credit.
- (c) Until no amount is or may be outstanding under that Letter of Credit, withdrawals from the account may only be made to pay to the Issuing Bank amounts due and payable to the Issuing Bank by the Non-Acceptable L/C Lender under the Finance Documents in respect of that Letter of Credit.
- (d) Each Lender under the Revolving Facility shall notify the Agent and the Company:
  - (i) on the date of this Agreement or on any later date on which it becomes such a Lender in accordance with Clause 2.2 (*Increase*) or Clause 28 (*Changes to the Lenders*) whether it is a Non-Acceptable L/C Lender; and
  - (ii) as soon as practicable upon becoming aware of the same, that it has become a Non-Acceptable L/C Lender, and an indication in Schedule 1 (*The Original Parties*), in a Transfer Certificate, in an Assignment Agreement or in an Increase Confirmation to that effect will constitute a

notice under paragraph (d)(i) to the Agent and, upon delivery in accordance with Clause 28.8 (*Copy of Transfer Certificate, Assignment Agreement or Increase Confirmation to Parent*), to the Parent.

- (e) Any notice received by the Agent pursuant to paragraph (d) above shall constitute notice to the Issuing Bank of that Lender's status and the Agent shall, upon receiving each such notice, promptly notify the Issuing Bank of that Lender's status as specified in that notice.

- (f) If a Lender who has provided cash collateral in accordance with this Clause 7.4:

- (i) ceases to be a Non-Acceptable L/C Lender; and
  - (ii) no amount is due and payable by that Lender in respect of a Letter of Credit,

that Lender may, at any time it is not a Non-Acceptable L/C Lender, by notice to the Issuing Bank request that an amount equal to the amount of the cash provided by it as collateral in respect of that Letter of Credit (together with any accrued interest) standing to the credit of the relevant account held with the Issuing Bank be returned to it and the Issuing Bank shall pay that amount to the Lender within three Business Days after the request from the Lender (and shall cooperate with the Lender in order to procure that the relevant security or collateral arrangement is released and discharged).

#### **7.5 Cash cover by Borrower**

- (a) If a Lender which is a Non-Acceptable L/C Lender fails to provide cash collateral (or notifies the Issuing Bank that it will not provide cash collateral) in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender*) and the Issuing Bank notifies the Obligors' Agent (with a copy to the Agent) that it requires the Borrower of the relevant Letter of Credit or proposed Letter of Credit to provide cash cover to an account with the Issuing Bank in an amount equal to that Lender's L/C Proportion of the outstanding amount of that Letter of Credit and in the currency of that Letter of Credit then that Borrower shall do so within three Business Days after the notice is given.
- (b) Notwithstanding paragraph (d) of Clause 1.2 (*Construction*), the Issuing Bank may agree to the withdrawal of amounts up to the level of that cash cover from the account if:
  - (i) it is satisfied that the relevant Lender is no longer a Non-Acceptable L/C Lender; or
  - (ii) the relevant Lender's obligations in respect of the relevant Letter of Credit are transferred to a New Lender in accordance with the terms of this Agreement; or
  - (iii) an Increase Lender has agreed to undertake the obligations in respect of the relevant Lender's L/C Proportion of the Letter of Credit.
- (c) To the extent that a Borrower has complied with its obligations to provide cash cover in accordance with this Clause 7.5, the relevant Lender's L/C Proportion in respect of that Letter of Credit will remain (but that Lender's obligations in relation to that Letter of Credit may be satisfied in accordance with paragraph (d)(ii) of Clause 1.2 (*Construction*)). However, the relevant Borrower's obligation to pay any Letter of Credit fee in relation to the relevant Letter of Credit to the Agent (for the account of that Lender) in accordance with paragraph (b) of Clause 16.4 (*Fees payable in*

*respect of Letters of Credit*) will be reduced proportionately as from the date on which it complies with that obligation to provide cash cover (and for so long as the relevant amount of cash cover continues to stand as collateral).

- (d) The relevant Issuing Bank shall promptly notify the Agent of the extent to which a Borrower provides cash cover pursuant to this Clause 7.5 and of any change in the amount of cash cover so provided.

#### **7.6 Rights of contribution**

No Obligor will be entitled to any right of contribution or indemnity from any Finance Party in respect of any payment it may make under this Clause 7.

### **8. OPTIONAL CURRENCIES**

#### **8.1 Selection of currency**

A Borrower (or the Company on its behalf) shall select the currency of a Revolving Facility Utilisation in a Utilisation Request.

#### **8.2 Unavailability of a currency**

If before the Specified Time on any Quotation Day:

- (a) a Lender notifies the Agent that the Optional Currency requested is not readily available to it in the amount required; or
- (b) a Lender notifies the Agent that compliance with its obligation to participate in a Loan in the proposed Optional Currency would contravene a law or regulation applicable to it,

the Agent will give notice to the relevant Borrower to that effect by the Specified Time on that day. In this event, any Lender that gives notice pursuant to this Clause 8.2 will be required to participate in the Loan in the Base Currency (in an amount equal to that Lender's proportion of the Base Currency Amount, or in respect of a Rollover Loan, an amount equal to that Lender's proportion of the Base Currency Amount of the Rollover Loan that is due to be made) and its participation will be treated as a separate Loan denominated in the Base Currency during that Interest Period.

#### **8.3 Agent's calculations**

Each Lender's participation in a Loan will be determined in accordance with paragraph (b) of Clause 5.4 (*Lenders' participation*).

### **9. REPAYMENT**

#### **9.1 Repayment of Revolving Facility Loans**

- (a) Subject to paragraph (c) below, each Borrower which has drawn a Revolving Facility Loan shall repay that Loan on the last day of its Interest Period.
- (b) Without prejudice to each Borrower's obligation under paragraph (a) above, if one or more Revolving Facility Loans are to be made available to a Borrower:
  - (i) on the same day that a maturing Revolving Facility Loan is due to be repaid by that Borrower;

(ii) in the same currency as the maturing Revolving Facility Loan (unless it arose as a result of the operation of Clause 8.2 (*Unavailability of a currency*)); and

(iii) in whole or in part for the purpose of refinancing the maturing Revolving Facility Loan;

the aggregate amount of the new Revolving Facility Loans shall be treated as if applied in or towards repayment of the maturing Revolving Facility Loan so that:

(A) if the amount of the maturing Revolving Facility Loan exceeds the aggregate amount of the new Revolving Facility Loans:

(aa) the relevant Borrower will only be required to pay an amount in cash in the relevant currency equal to that excess; and

(bb) each Lender's participation (if any) in the new Revolving Facility Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation (if any) in the maturing Revolving Facility Loan and that Lender will not be required to make its participation in the new Revolving Facility Loans available in cash; and

(B) if the amount of the maturing Revolving Facility Loan is equal to or less than the aggregate amount of the new Revolving Facility Loans:

(aa) the relevant Borrower will not be required to make any payment in cash; and

(bb) each Lender will be required to make its participation in the new Revolving Facility Loans available in cash only to the extent that its participation (if any) in the new Revolving Facility Loans exceeds that Lender's participation (if any) in the maturing Revolving Facility Loan and the remainder of that Lender's participation in the new Revolving Facility Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation in the maturing Revolving Facility Loan.

(c) At any time when a Lender becomes a Defaulting Lender, the maturity date of each of the participations of that Lender in the Revolving Facility Loans then outstanding will be automatically extended to the Termination Date in relation to the Revolving Facility and will be treated as separate Revolving Facility Loans (the "**Separate Loans**") denominated in the currency in which the relevant participations are outstanding.

(d) A Borrower to whom a Separate Loan is outstanding may prepay that Loan by giving three Business Days' prior notice to the Agent. The Agent will forward a copy of a prepayment notice received in accordance with this paragraph (d) to the Defaulting Lender concerned as soon as practicable on receipt.

(e) Interest in respect of a Separate Loan will accrue for successive Interest Periods selected by the Borrower by the time and date specified by the Agent (acting reasonably) and will be payable by that Borrower to the Defaulting Lender on the last day of each Interest Period of that Loan.

- (f) The terms of this Agreement relating to Revolving Facility Loans generally shall continue to apply to Separate Loans other than to the extent inconsistent with paragraphs (c) to (e) above, in which case those paragraphs shall prevail in respect of any Separate Loan.
- (g) This Clause shall be read and construed subject to the provisions of Clause 9.2 (*Reduction of Revolving Facility*).

## 9.2 Reduction of Revolving Facility

The Revolving Facility Commitments will be reduced in installments by:

- (a) firstly, to the extent required, the cancellation of any Available Commitments under the Revolving Facility; and
- (b) second, once all Available Commitments at that time have been cancelled, to the extent required, prepayment of any Revolving Utilisations,

in each case, on each date specified in the table below (each a “**Reduction Date**”) and to the extent required to reduce the Revolving Facility Commitments by the corresponding reduction installment (each a “**Reduction Installment**”) set out in that table:

<b>Reduction Date</b>	<b>Reduction Installment (€)</b>
31 December 2010	500,000
31 March 2011	500,000
30 June 2011	500,000
30 September 2011	500,000
31 December 2011	500,000
31 March 2012	500,000
30 June 2012	500,000
30 September 2012	500,000
31 December 2012	1,500,000
31 March 2013	1,500,000
30 June 2013	1,500,000
30 September 2013	1,500,000

## 9.3 Effect of cancellation and prepayment on scheduled repayments and reductions

- (a) If the Company cancels the whole or any part of the Revolving Facility Commitments in accordance with Clause 10.5 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*) or Clause 10.6 (*Right of cancellation in relation to a Defaulting Lender*) or if the Revolving Facility Commitment of any Lender is reduced under Clause 10.1 (*Illegality*) then (other than, in any relevant case, to the extent that

any part of the relevant Commitment(s) is subsequently increased pursuant to Clause 2.2 ( *Increase*)) in the case of the Revolving Facility Commitments, the amount of the Reduction Installment for each Reduction Date falling after that cancellation will reduce pro rata by the amount cancelled.

- (b) If the Company cancels the whole or any part of the Revolving Facility Commitments in accordance with Clause 10.3 ( *Voluntary cancellation*) then the amount of the Reduction Installment for each Reduction Date falling after that cancellation will reduce pro rata by the amount cancelled.
- (c) If any of the Revolving Facility Utilisations are prepaid in accordance with Clause 10.4 ( *Voluntary prepayment of Revolving Facility Utilisations*), or Clause 11.2 ( *Disposal and Insurance Proceeds*) then under Clause 11.2 ( *Disposal and Insurance Proceeds*) only, the amount of the Reduction Installment for each Reduction Date falling after that prepayment will reduce pro rata by the amount of the Revolving Facility Loan prepaid.

## **10. ILLEGALITY, VOLUNTARY PREPAYMENT AND CANCELLATION**

### **10.1 Illegality**

If it becomes unlawful in any applicable jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in any Utilisation:

- (a) that Lender, shall promptly notify the Agent upon becoming aware of that event;
- (b) upon the Agent notifying the Company, the Commitment of that Lender will be immediately cancelled; and

### 12.2 Interest and other amounts

Any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

### 12.3 Reborrowing of Facilities

Unless a contrary indication appears in this Agreement, any part of the Revolving Facility which is prepaid or repaid may be reborrowed in accordance with the terms of this Agreement.

#### 12.4 Prepayment in accordance with Agreement

No Borrower shall repay or prepay all or any part of the Utilisations or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.

#### 12.5 No reinstatement of Commitments

Any cancellation under this Clause 12.7 shall reduce the Commitments of the Lenders rateably under that Facility.

### 13. INTEREST

#### 13.1 Calculation of interest

The rate of interest on each Loan for each Interest Period is the percentage rate per annum which is the aggregate of the applicable:

- (a) Margin;
- (b) LIBOR or, in relation to any Loan in euro, EURIBOR; and
- (c) Mandatory Cost, if any.

#### 13.2 Payment of interest

- (a) The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period (and, if the Interest Period is longer than six Months, on the dates falling at six Monthly intervals after the first day of the Interest Period).
- (b) If the annual audited financial statements of the Group and related Compliance Certificate received by the Agent show that a higher Margin should have applied during a certain period, then the Parent shall (or shall ensure the relevant Borrower shall) promptly pay to the Agent any amounts necessary to put the Agent and the Lenders in the position they would have been in had the appropriate rate of the Margin applied during such period.

### 13.3 Default interest

- (a) If an Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 1.00 per cent. higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 13.3 shall be immediately payable by the Obligor on demand by the Agent.
- (b) If any overdue amount consists of all or part of a Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:
  - (i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and
  - (ii) the rate of interest applying to the overdue amount during that first Interest Period shall be 1.00 per cent. higher than the rate which would have applied if the overdue amount had not become due.
- (c) Default interest (if unpaid) arising on an overdue amount will be compounded with the overdue amount at the end of each Interest Period applicable to that overdue amount but will remain immediately due and payable.

### 13.4 Notification of rates of interest

The Agent shall promptly notify the Lenders and the relevant Borrower (or the Company) of the determination of a rate of interest under this Agreement.

### 14.1 Selection of Interest Periods and Terms

- (b) Subject to this Clause 14, a Borrower (or the Company) may select an Interest Period of one, two, three or six Months or any other period agreed between the Company and the Agent (acting on the instructions of all the Lenders in relation to the relevant Loan). In addition a Borrower (or the Company on its behalf) may select an Interest Period of a period of less than one Month, if necessary to ensure that (when aggregated with the Available Facility) there are Revolving Facility Loans (with an aggregate Base Currency Amount equal to or greater than the Reduction Installment) which have an Interest Period ending on a Reduction Date for the scheduled reduction to occur.
- (c) An Interest Period for a Loan shall not extend beyond the Termination Date applicable to its Facility.
- (d) A Revolving Facility Loan has one Interest Period only.

### 14.2 Changes to Interest Periods

- (a) Prior to determining the interest rate for a Revolving Facility Loan, the Agent may shorten the Interest Period for any Revolving Facility Loan to ensure that, when aggregated with the Available Facility for the Revolving Facility, there are sufficient

Revolving Facility Loans (with an aggregate Base Currency Amount equal to or greater than the Reduction Installment) which have an Interest Period ending on a Reduction Date for the scheduled reduction to occur.

- (b) If the Agent makes any of the changes to an Interest Period referred to in this Clause 14.2, it shall promptly notify the Company and the Lenders.

### 15. CHANGES TO THE CALCULATION OF INTEREST

#### 15.1 Absence of quotations

Subject to Clause 15.2 (*Market disruption*), if LIBOR or, if applicable, EURIBOR is to be determined by reference to the Base Reference Banks but a Base Reference Bank does not supply a quotation by the Specified Time on the Quotation Day, the applicable LIBOR or EURIBOR shall be determined on the basis of the quotations of the remaining Base Reference Banks.

#### 15.2 Market disruption

- (a) If a Market Disruption Event occurs in relation to a Loan for any Interest Period, then the rate of interest on each Lender's share of that Loan for the Interest Period shall be the percentage rate per annum which is the sum of:
  - (i) the Margin;
  - (ii) the rate notified to the Agent by that Lender as soon as practicable and in any event by close of business on the date falling three Business Days after the Quotation Day (or, if earlier, on the date falling three Business Days prior to the date on which interest is due to be paid in respect of that Interest Period), to be that which expresses as a percentage rate per annum the cost to that Lender of funding its participation in that Loan from whatever source it may reasonably select; and
  - (iii) the Mandatory Cost, if any, applicable to that Lender's participation in the Loan.
- (b) If:
  - (i) the percentage rate per annum notified by a Lender pursuant to paragraph (a)(ii) above is less than LIBOR or, in relation to any Loan in euro, EURIBOR; or
  - (ii) a Lender has not notified the Agent of a percentage rate per annum pursuant to paragraph (a)(ii) above,the cost to that Lender of funding its participation in that Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be LIBOR or in relation to a loan in euro, EURIBOR.

- (c) In this Agreement:

**"Market Disruption Event"** means:

- (i) at or about noon on the Quotation Day for the relevant Interest Period the Screen Rate is not available and none or only one of the Base Reference Banks supplies a rate to the Agent to determine LIBOR or, if applicable, EURIBOR for the relevant currency and Interest Period; or
- (i) before close of business in London on the Quotation Day for the relevant Interest Period, the Agent receives notifications from a Lender or Lenders (whose participations in a Loan exceed 40 per cent. of that Loan) that the cost to it of funding its participation in that Loan from whatever source it may reasonably select would be in excess of LIBOR or, if applicable, EURIBOR.

### 15.3 Alternative basis of interest or funding

- (a) If a Market Disruption Event occurs and the Agent or the Company so requires, the Agent and the Company shall enter into negotiations (for a period of not more than thirty days) with a view to agreeing a substitute basis for determining the rate of interest.
- (b) Any alternative basis agreed pursuant to paragraph (a) above shall, with the prior consent of all the Lenders and the Company, be binding on all Parties.

### 15.4 Break Costs

- (a) Each Borrower shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of a Loan or Unpaid Sum being paid by that Borrower on a day other than the last day of an Interest Period for that Loan or Unpaid Sum.
- (b) Each Lender shall, as soon as reasonably practicable after a demand by the Agent, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue.

## 16. FEES

### 16.1 Commitment fee

- (a) The Company shall pay to the Agent (for the account of each Lender) a fee in the Base Currency computed at the rate of 40 per cent. of the applicable Margin subject to a minimum at any time of 0.70% per annum, on that Lender's Available Commitment for the Availability Period.
- (b) The accrued commitment fee is payable on the last day of each successive period of three Months which ends during the relevant Availability Period, on the last day of the relevant Availability Period and on the cancelled amount of the relevant Lender's Commitment at the time the cancellation is effective.

## 16.4 Fees payable in respect of Letters of Credit

- (a) The Company or each Borrower shall pay to the Issuing Bank a fronting fee at the rate of 0.125 per cent. per annum (or such other rate as the Issuing Bank may require by written notice to the Company within 10 Business Days of the first person other than the Original Lender becoming a Lender, provided that such rate is within the range of normal rates at that time of UK and European clearing banks for borrowers and facilities of a similar size and nature) on the outstanding amount which is counter-indemnified by the other Lenders of each Letter of Credit requested by it for the period from the issue of that Letter of Credit until its Expiry Date.
- (b) The Company or each Borrower shall pay to the Agent (for the account of each Lender) a Letter of Credit fee in the Base Currency (computed at the rate equal to the Margin applicable to a Loan) on the outstanding amount of each Letter of Credit requested by it for the period from the issue of that Letter of Credit until its Expiry Date. This fee shall be distributed according to each Lender's L/C Proportion of that Letter of Credit.
- (c) The accrued fronting fee and Letter of Credit fee on a Letter of Credit shall be payable on the last day of each successive period of three Months (or such shorter period as shall end on the Expiry Date for that Letter of Credit) starting on the date of issue of that Letter of Credit. The accrued fronting fee and Letter of Credit fee is also payable to the Agent on the cancelled amount of any Lender's Revolving Facility Commitment at the time the cancellation is effective if that Commitment is cancelled in full and the Letter of Credit is prepaid or repaid in full.

    - (B) the payment could have been made to the Lender without any Tax Deduction if that Direction had not been made; or
  - (iii) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (i)(B) of the definition of Qualifying Lender and:
    - (A) the relevant Lender has not given a Tax Confirmation to the Parent; and
    - (B) the payment could have been made to the Lender without any Tax Deduction if the Lender had given a Tax Confirmation to the Parent, on the basis that the Tax Confirmation would have enabled the Parent to have formed a reasonable belief that the payment was an “excepted payment” for the purpose of section 930 of the ITA; or
  - (iv) the relevant Lender is a Treaty Lender and the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under paragraph (g) below.
- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Finance Party entitled to the payment a statement under section 975 of the ITA or other evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.
- (g) A Treaty Lender and each Obligor which makes a payment to which that Treaty Lender is entitled shall co-operate in completing any procedural formalities necessary for that Obligor to obtain authorisation to make that payment without a Tax Deduction.
- (h) A UK Non-Bank Lender which becomes a Party on the day on which this Agreement is entered into gives a Tax Confirmation to the Parent by entering into this Agreement.

- (i) A UK Non-Bank Lender shall promptly notify the Parent and the Agent if there is any change in the position from that set out in the Tax Confirmation.

### 17.3 Tax indemnity

- (a) The Parent shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines (acting reasonably) will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
  - (i) with respect to any Tax assessed on a Finance Party:
    - (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
    - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,  
  
if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
  - (ii) to the extent a loss, liability or cost:
    - (A) is compensated for by an increased payment under Clause 17.2 (*Tax gross-up*); or
    - (B) would have been compensated for by an increased payment under Clause 17.2 (*Tax gross-up*) but was not so compensated solely because one of the exclusions in paragraph (d) of Clause 17.2 (*Tax gross-up*) applied.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Parent.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 17.3, notify the Agent.

### 17.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable either to an increased payment of which that Tax Payment forms part or to that Tax Payment; and
- (b) that Finance Party has obtained, utilised and retained that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

### 17.5 Lender Status Confirmation

Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Transfer Certificate, Assignment Agreement or Increase Confirmation which it executes on becoming a Party, and for the benefit of the Agent and without liability to any Obligor, which of the following categories it falls in:

- (a) not a Qualifying Lender;
- (b) a Qualifying Lender (other than a Treaty Lender); or
- (c) a Treaty Lender.

If a New Lender fails to indicate its status in accordance with this Clause 17.5 then such New Lender shall be treated for the purposes of this Agreement (including by each Obligor) as if it is not a Qualifying Lender until such time as it notifies the Agent which category applies (and the Agent, upon receipt of such notification, shall inform the Company). For the avoidance of doubt, a Transfer Certificate, Assignment Agreement or Increase Confirmation shall not be invalidated by any failure of a Lender to comply with this Clause 17.5.

### 17.6 Stamp taxes

The Parent shall pay and, within three Business Days of demand, indemnify each Secured Party and Arranger against any cost, loss or liability that Secured Party or Arranger incurs in relation to all stamp duty, registration and other similar Taxes in any jurisdiction payable in respect of any Finance Document.

### 17.7 VAT

- (a) All amounts set out or expressed in a Finance Document to be payable by any Party to a Finance Party which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such Finance Party shall promptly provide an appropriate VAT invoice to such Party).
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Subject Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Recipient in respect of that consideration), such Party shall also pay to the Supplier (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. The Recipient will promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient reasonably determines is in respect of such VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

- (d) Any reference in this Clause 17.7 to any Party shall, at any time when such Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994) (or (if applicable) any other comparable meaning in any relevant legislation in any other jurisdiction).

## 18. INCREASED COSTS

### 18.1 Increased costs

- (a) Subject to Clause 18.3 (*Exceptions*) the Parent shall, within three Business Days of a demand by the Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or (ii) compliance with any law or regulation made after the date of this Agreement.

  - (i) attributable to a Tax Deduction required by law to be made by an Obligor;
  - (ii) compensated for by Clause 17.3 (*Tax indemnity*) (or would have been compensated for under Clause 17.3 (*Tax indemnity*) but was not so compensated solely because any of the exclusions in paragraph (b) of Clause 17.3 (*Tax indemnity*) applied);
  - (iii) compensated for by the payment of the Mandatory Cost; or
  - (iv) attributable to the wilful breach by the relevant Finance Party or its Affiliates of any law or regulation; or

(b) In this Clause 18.3 reference to a “**Tax Deduction**” has the same meaning given to the term in Clause 17.1 (*Definitions*).

## 20. MITIGATION BY THE LENDERS

### 20.1 Mitigation

### **22. GUARANTEE AND INDEMNITY**

#### **22.1 Guarantee and indemnity**

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party punctual performance by each other Obligor of all that Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that whenever another Obligor does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 22 if the amount claimed had been recoverable on the basis of a guarantee.

#### **22.2 Continuing Guarantee**

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

#### **22.3 Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 22 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

#### **22.4 Waiver of defences**

The obligations of each Guarantor under this Clause 22 will not be affected by an act, omission, matter or thing which, but for this Clause 22, would reduce, release or prejudice any of its obligations under this Clause 22 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

#### **22.5 Guarantor Intent**

Without prejudice to the generality of Clause 22.4 (*Waiver of Defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

#### **22.6 Immediate recourse**

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 22. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

#### **22.7 Appropriations**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and

- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 22.

#### 22.8 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 22:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 22.1 (*Guarantee and Indemnity*);
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 33 (*Payment mechanics*).

#### 22.9 Release of Guarantors' right of contribution

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

#### 22.10 Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

#### 22.11 Guarantee Limitations — France

- (a) In respect of the obligations of any French Guarantor, the joint and several liability of such French Guarantor expressed to be assumed by it in its capacity as joint and several guarantor shall be limited to, only with respect to obligations of any Obligor which is not a Subsidiary of such French Guarantor, a maximum amount equal to the aggregate of all amounts borrowed by the relevant French Guarantor and, if any, its subsidiaries (i) directly under this Agreement and (ii) indirectly by way of intra group loans made available directly or indirectly by any member of the Group, provided at all times that any French Guarantor's liability under this Agreement shall not in any event exceed 80% of its net assets (*capitaux propres*).
- (b) In accordance with Article L.225-216 of the French Commercial Code, the joint and several liability of any French Guarantor expressed to be assumed by it in its capacity as joint and several guarantor shall not cover any obligation or liability under this Agreement incurred for the purpose of (i) advancing funds, granting loans or consenting to a security interest for the benefit of a third party with an intent to subscribe or purchase the shares of the relevant French Guarantor or (ii) engaging the relevant French Guarantor's assets in an operation bearing on their own capital.

#### 22.12 Guarantee Limitations — The Netherlands

Notwithstanding any other provision of this Clause 22 the guarantee, indemnity and other obligations of any Obligor expressed to be assumed in this Clause 22 shall be deemed not to be assumed by such Obligor to the extent that the same would constitute unlawful financial assistance within the meaning of Article 2:207(c) or 2:98(c) of the Dutch Civil Code or any other applicable financial assistance rules under any relevant jurisdiction (the Netherlands "**Prohibition**") and the provisions of this Agreement and the other Finance Documents shall be construed accordingly. For the avoidance of doubt it is expressly acknowledged that the relevant Obligors will continue to guarantee all such obligations which, if included, do not constitute a violation of the Netherlands Prohibition.

#### 22.13 Guarantee Limitations — Singapore

This guarantee does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance under any applicable provisions under the laws of Singapore (the "**Singapore Prohibition**"). For the avoidance of doubt it is expressly acknowledged that the relevant Obligors who are providing a guarantee under this Clause 22 will continue to guarantee all such obligations which, if included, do not constitute a violation of the Singapore Prohibition.

Each Belgian Guarantor shall provide the Agent with an update on the relevant Guaranteed Belgian Amount upon the request of the Agent, with such information as the Agent may reasonably require, provided that the own funds (*eigen vermogen/capitaux propres*) as specified under (ii) above may be derived from the latest audited financial statements of the respective Belgian Guarantor.

Subject to this Clause 28, a Lender (the “**Existing Lender**”) may:

- (a) assign any of its rights; or
- (b) transfer by novation any of its rights and obligations,

under any Finance Document to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the “**New Lender**”).

## 28.2 Conditions of assignment or transfer

- (a) Unless the assignment or transfer in accordance with Clause 28.1 (*Assignments and transfers by the Lenders*) is:
- (i) to another Lender or an Affiliate of a Lender;
  - (ii) if the Existing Lender is a fund, to a fund which is a Related Fund of the Existing Lender; or
  - (iii) made at a time when an Event of Default is continuing,
- an Existing Lender must consult with the Parent for no more than 5 Business Days before it may make an assignment or transfer and such assignment or transfer may only be to a New Lender which:
- (iv) has a rating for its long-term unsecured and non credit-enhanced debt obligations of A- or higher by Standard & Poor's Rating Services or Fitch Ratings Ltd or A3 or higher by Moody's Investor Services Limited or a comparable rating from an internationally recognised credit rating agency; and
  - (v) is not any person that is (or is an Affiliate or person that is) a competitor of the McJunkin Group in its core activities and which is named on a list of Competitors (if any) agreed from time to time between the Agent and the Company (or each acting reasonable).
- (b) The consent of the Issuing Bank is required for any assignment or transfer by an Existing Lender of any of its rights and/or obligations under the Revolving Facility.
- (c) An assignment will only be effective on:
- (i) receipt by the Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Agent) that the New Lender will assume the same obligations to the other Finance Parties and the other Secured Parties as it would have been under if it was an Original Lender; and
  - (ii) the New Lender entering into the documentation required for it to accede as a party to the Security Trust Agreement; and
  - (iii) the performance by the Agent of all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Agent shall promptly notify to the Existing Lender and the New Lender.
- (d) A transfer will only be effective if the New Lender enters into the documentation required for it to accede as a party to the Security Trust Agreement and if the procedure set out in Clause 28.6 (*Procedure for transfer*) is complied with.
- (e) If:
- (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
  - (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment to the New

Lender or Lender acting through its new Facility Office under Clause 17 ( *Tax Gross Up and Indemnities*) or Clause 18 ( *Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

- (f) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.
- (g) In order to comply with the Dutch Financial Supervision Act ( *Wet op het financieel toezicht*) and/or the decrees and regulations prologated thereunder (as amended from time to time), the amount transferred under this Clause 28.2 shall include an outstanding portion of at least €50,000 (or its equivalent in other currencies) per Lender or such other amount as may be required from time to time by the Dutch Financial Supervision Act and decrees or regulations prologated thereunder (as amended or restated from time to time) or if less, the New Lender shall confirm in writing to the Borrowers that it is a professional market party within the meaning of the Dutch Financial Supervision Act.

#### **28.3 Assignment or transfer fee**

Unless the Agent otherwise agrees and excluding an assignment or transfer (i) to an Affiliate of a Lender, (ii) to a Related Fund or (iii) made in connection with primary syndication of the Facility, the New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Agent (for its own account) a fee of €2,000.

#### **28.4 Preservation of Security**

The benefit of the Transaction Security and of the Transaction Security Documents shall automatically transfer to any transferee of part or all of the obligations expressed to be secured by the Transaction Security. Insofar as necessary, the Security Agent, the other Finance Parties and the Obligors hereby expressly reserve for the purpose of Article 1278 and Article 1281 of the Belgian Civil Code (and, to the extent applicable, any similar provisions of foreign law) the preservation of the Transaction Security and of the Transaction Security Documents in case of assignment, novation, amendment or any other transfer or change of the obligations expressed to be secured by the Transaction Security (including, without limitation, an extension of the term or an increase of the amount of such obligations or the granting of additional credit) or of any change of any of the parties to this Agreement or any other Finance Document.

#### **28.5 Limitation of responsibility of Existing Lenders**

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
  - (i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents, the Transaction Security or any other documents;
  - (ii) the financial condition of any Obligor;

- (iii) the performance and observance by any Obligor or any other member of the Group of its obligations under the Finance Documents or any other documents; or
- (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Finance Document or any other document,

and any representations or warranties implied by law are excluded.

- (b) Each New Lender confirms to the Existing Lender, the other Finance Parties and the Secured Parties that it:
  - (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Finance Document or the Transaction Security; and
  - (ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
  - (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 28; or
  - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Finance Documents or otherwise.

#### **28.6 Procedure for transfer**

- (a) Subject to the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*) a transfer is effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.
- (b) The Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) Subject to Clause 28.11 (*Pro rata interest settlement*), on the Transfer Date:
  - (i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security each of the Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and

in respect of the Transaction Security shall be cancelled (being the “**Discharged Rights and Obligations**”);

- (ii) each of the Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Obligor or other member of the Group and the New Lender have assumed and/or acquired the same in place of that Obligor and the Existing Lender;
- (iii) the Agent, the Arranger, the Security Agent, the New Lender, the other Lenders and the Issuing Bank shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights, and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Agent, the Arranger, the Security Agent and the Issuing Bank and the Existing Lender shall each be released from further obligations to each other under the Finance Documents; and
- (iv) the New Lender shall become a Party as a “Lender”.

#### 28.7 Procedure for assignment

- (a) Subject to the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (b) The Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (c) Subject to Clause 28.11 (*Pro rata interest settlement*), on the Transfer Date:
  - (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
  - (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
  - (iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.
- (d) Lenders may utilise procedures other than those set out in this Clause 28.7 to assign their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with Clause 28.6 (*Procedure for transfer*), to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they

comply with the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*).

#### 28.8 **Copy of Transfer Certificate, Assignment Agreement or Increase Confirmation to Parent**

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate, an Assignment Agreement or an Increase Confirmation, send to the Parent a copy of that Transfer Certificate, Assignment Agreement or Increase Confirmation.

#### 28.9 **Accession of Hedge Counterparties and MOF Lenders**

Any person which becomes a party to the Security Trust Agreement as a Hedge Counterparty or MOF Lender shall, at the same time, become a Party to this Agreement as a Hedge Counterparty and MOF Lender in accordance with Clause 13.5 (*Creditor/Agent Accession Undertaking*) of the Security Trust Agreement.

#### 28.10 **Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 28, each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other Security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by an Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

#### 28.11 **Pro rata interest settlement**

If the Agent has notified the Lenders that it is able to distribute interest payments on a "pro rata basis" to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 28.6 (*Procedure for transfer*) or any assignment pursuant to Clause 28.7 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):

- (a) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and

- (b) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts so that, for the avoidance of doubt:
  - (i) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
  - (ii) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 28.11, have been payable to it on that date, but after deduction of the Accrued Amounts.

## 29. CHANGES TO THE OBLIGORS

### 29.1 Assignment and transfers by Obligors

No Obligor or any other member of the Group may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

### 29.2 Additional Borrowers

- (a) Subject to compliance with the provisions of paragraphs (c) and (d) of Clause 24.10 (*"Know your customer" checks*), the Parent may request that any of its wholly owned Subsidiaries which is not a Dormant Subsidiary becomes a Borrower. That Subsidiary shall become a Borrower if:
  - (i) it is incorporated in the same jurisdiction as an existing Borrower or in a European Union country and the Majority Lenders approve (acting reasonably) the addition of that Subsidiary or otherwise if all the Lenders approve (acting reasonably) the addition of that Subsidiary;

  - (iii) where the Borrower is also a Guarantor (unless its resignation has been accepted in accordance with Clause 29.5 (*Resignation of a Guarantor*)), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect (subject to the Legal Reservations) and the amount guaranteed by it as a Guarantor is not decreased (and the Parent has confirmed this is the case); and
  - (iv) the Parent has confirmed that it shall ensure that any relevant Disposal Proceeds will be applied in accordance with Clause 11.2 (*Disposal and Insurance Proceeds*).
- (d) Upon notification by the Agent to the Parent of its acceptance of the resignation of a Borrower, that company shall cease to be a Borrower and shall have no further rights or obligations under the Finance Documents as a Borrower except that the resignation shall not take effect (and the Borrower will continue to have rights and obligations under the Finance Documents) until the date on which the Third Party Disposal takes effect.
- (e) The Agent may, at the cost and expense of the Parent, require a legal opinion from counsel to the Agent confirming the matters set out in paragraph (c)(iii) above and the Agent shall be under no obligation to accept a Resignation Letter until it has obtained such opinion in form and substance satisfactory to it.

#### 29.4 Additional Guarantors

- (a) Subject to compliance with the provisions of paragraphs (c) and (d) of Clause 24.10 (*"Know your customer" checks*), the Parent may request that any of its wholly owned Subsidiaries become a Guarantor.
- (b) A member of the Group shall become an Additional Guarantor if (subject to the Agreed Security Principles):
  - (i) the Parent and the proposed Additional Guarantor deliver to the Agent a duly completed and executed Accession Deed; and
  - (ii) other than in respect of an Acceding Obligor, the Agent has received all of the documents and other evidence listed in Part II of Schedule 2 (*Conditions Precedent*) in relation to that Additional Guarantor, each in form and substance satisfactory to the Agent.
- (c) The Agent shall notify the Parent and the Lenders promptly upon being satisfied that it has received (in form and substance satisfactory to it) all the documents and other evidence listed in Part II of Schedule 2 (*Conditions Precedent*).

#### 29.5 Resignation of a Guarantor

- (a) The Parent may request that a Guarantor (other than the Parent or the Company) ceases to be a Guarantor by delivering to the Agent a Resignation Letter if:
  - (i) that Guarantor is being disposed of by way of a Third Party Disposal (as defined in Clause 29.3 (*Resignation of a Borrower*)) and the Parent has confirmed this is the case; or
  - (ii) all the Lenders have consented to the resignation of that Guarantor.

#### 29.7 Resignation and release of security on disposal

If a Borrower or Guarantor is or is proposed to be the subject of a Third Party Disposal then:

- (a) where that Borrower or Guarantor created Transaction Security over any of its assets or business in favour of the Security Agent, or Transaction Security in favour of the Security Agent was created over the shares (or equivalent) of that Borrower or Guarantor, the Security Agent may, at the cost and request of the Parent, release those assets, business or shares (or equivalent) and issue certificates of non-crystallisation;
- (b) the resignation of that Borrower or Guarantor and related release of Transaction Security referred to in paragraph (a) above shall not become effective until the date of that disposal; and
- (c) if the disposal of that Borrower or Guarantor is not made, the Resignation Letter of that Borrower or Guarantor and the related release of Transaction Security referred to in paragraph (a) above shall have no effect and the obligations of the Borrower or

Guarantor and the Transaction Security created or intended to be created by or over that Borrower or Guarantor shall continue in such force and effect as if that release had not been effected.

### 30.9 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to the provisions of paragraph (e) of Clause 33.11 (*Disruption to Payment Systems etc.*)), none of the Agent, the Issuing Bank will be liable including, without limitation, for negligence or any other category of liability whatsoever for any action taken by it under or in connection with any Finance Document or the Transaction Security, unless directly caused by its gross negligence or wilful misconduct.
- (b) No Party (other than the Agent or the Issuing Bank (as applicable)) may take any proceedings against any officer, employee or agent of the Agent or the Issuing Bank in respect of any claim it might have against the Agent or the Issuing Bank or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document or any Finance Document and any officer, employee or agent of the Agent or the Issuing Bank may rely on this Clause subject to Clause 1.8 (*Third party rights*) and the provisions of the Third Parties Act.

- (d) Nothing in this Agreement shall oblige the Agent or the Arranger to carry out any “know your customer” or other checks in relation to any person on behalf of any Lender and each Lender confirms to the Agent and the Arranger that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or the Arranger.

#### **30.12 Replacement of the Agent**

- (a) After consultation with the Parent, the Majority Lenders may, by giving 30 days' notice to the Agent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent (acting through an office in the United Kingdom).
- (b) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.

As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of this Clause 30 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).
- (d) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

#### **30.13 Confidentiality**

- (a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

- (b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.
- (c) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor the Arranger is obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would or might in its reasonable opinion constitute a breach of any law or a breach of a fiduciary duty.

#### 30.14 Relationship with the Lenders

- (a) Subject to Clause 28.11 (*Pro rata interest settlement*), the Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:
  - (i) entitled to or liable for any payment due under any Finance Document on that day; and
  - (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

- (b) Each Lender shall supply the Agent with any information required by the Agent in order to calculate the Mandatory Cost in accordance with Schedule 4 (*Mandatory Cost Formula*).
- (c) Each Lender shall supply the Agent with any information that the Security Agent may reasonably specify (through the Agent) as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent. Each Lender shall deal with the Security Agent exclusively through the Agent and shall not deal directly with the Security Agent.
- (d) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address, fax number and (where communication by electronic mail or other electronic means is permitted under Clause 35.6 (*Electronic communication*)) electronic mail address and/or any other information required to enable the sending and receipt of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, fax number, electronic mail address, department and officer by that Lender for the purposes of Clause 35.2 (*Addresses*) and paragraph (a)(iii) of Clause 35.6 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

#### 30.15 Credit appraisal by the Lenders and Issuing Bank

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender and Issuing Bank confirms to the Agent, the Arranger and the Issuing Bank that it has been, and will continue to be, solely

responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

- (a) the financial condition, status and nature of each member of the Group;

#### **30.16 Base Reference Banks**

If a Base Reference Bank (or, if a Base Reference Bank is not a Lender, the Lender of which it is an Affiliate) ceases to be a Lender, the Agent shall (in consultation with the Parent) appoint another Lender or an Affiliate of a Lender to replace that Base Reference Bank.

#### **30.17 Agent's management time**

Any amount payable to the Agent under Clause 19.3 (*Indemnity to the Agent*), Clause 21 (*Costs and expenses*) and Clause 30.10 (*Lenders' indemnity to the Agent*) shall include the cost of utilising the Agent's management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Agent may notify to the Parent and the Lenders, and is in addition to any fee paid or payable to the Agent under Clause 16 (*Fees*).

#### **30.18 Deduction from amounts payable by the Agent**

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

### 31. CONDUCT OF BUSINESS BY THE FINANCE PARTIES

No provision of this Agreement will:

- (a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;
- (b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or
- (c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

### 32. SHARING AMONG THE FINANCE PARTIES

  - (i) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery, to the Agent;
  - (ii) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 33 (*Payment mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
  - (iii) the Recovering Finance Party shall, within three Business Days of demand by the Agent, pay to the Agent an amount (the “**Sharing Payment**”) equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 33.6 (*Partial payments*).
- (b) Paragraph (a) above shall not apply to any amount received or recovered by an Issuing Bank in respect of any cash cover provided for the benefit of that Issuing Bank.

#### 32.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the “**Sharing Finance Parties**”) in accordance with Clause 33.6 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

#### 32.3 Recovering Finance Party's rights

On a distribution by the Agent under Clause 32.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

#### 32.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the “**Redistributed Amount**”); and
- (b) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

#### 32.5 Exceptions

- (a) This Clause 32 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause 32, have a valid and enforceable claim against the relevant Obligor.
- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
  - (i) it notified the other Finance Party of the legal or arbitration proceedings; and

Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 33.3 (*Distributions to an Obligor*) and Clause 33.4 (*Clawback*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank in the principal financial centre of the country of that currency (or, in relation to euro, in the principal financial centre of a Participating Member State or London).

### 33.3 Distributions to an Obligor

The Agent may (with the consent of the Obligor or in accordance with Clause 34 ( *Set-Off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

### 33.4 Clawback

- (b) If the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

### 33.6 Partial payments

- (a) If the Agent receives a payment for application against amounts due in respect of any Finance Documents that is insufficient to discharge all the amounts then due and payable by an Obligor under those Finance Documents, the Agent shall apply that

### 35.7 Use of websites

(a) The Parent may satisfy its obligation under this Agreement to deliver any information in relation to those Lenders (the "**Website Lenders**") who accept this method of communication by posting this information onto an electronic website designated by the Parent and the Agent (the "**Designated Website**") if:

- (i) the Agent expressly agrees (after consultation with each of the Lenders) that it will accept communication of the information by this method;
- (ii) both the Parent and the Agent are aware of the address of and any relevant password specifications for the Designated Website; and
- (iii) the information is in a format previously agreed between the Parent and the Agent.

If any Lender (a "**Paper Form Lender**") does not agree to the delivery of information electronically then the Agent shall notify the Parent accordingly and the Parent shall at its own cost supply the information to the Agent (in sufficient copies for each Paper Form Lender) in paper form. In any event the Parent shall at its own cost supply the

Agent with at least one copy in paper form of any information required to be provided by it.

- (b) The Agent shall supply each Website Lender with the address of and any relevant password specifications for the Designated Website following designation of that website by the Parent and the Agent.
- (c) The Parent shall promptly upon becoming aware of its occurrence notify the Agent if:
  - (i) the Designated Website cannot be accessed due to technical failure;
  - (ii) the password specifications for the Designated Website change;
  - (iii) any new information which is required to be provided under this Agreement is posted onto the Designated Website;
  - (iv) any existing information which has been provided under this Agreement and posted onto the Designated Website is amended; or
  - (v) the Parent becomes aware that the Designated Website or any information posted onto the Designated Website is or has been infected by any electronic virus or similar software.

If the Parent notifies the Agent under paragraph (c)(i) or paragraph (c)(v) above, all information to be provided by the Parent under this Agreement after the date of that notice shall be supplied in paper form unless and until the Agent and each Website Lender is satisfied that the circumstances giving rise to the notification are no longer continuing.

- (d) Any Website Lender may request, through the Agent, one paper copy of any information required to be provided under this Agreement which is posted onto the Designated Website. The Parent shall at its own cost comply with any such request within ten Business Days.

#### **35.8 English language**

- (a) Any notice given under or in connection with any Finance Document must be in English.
- (b) All other documents provided under or in connection with any Finance Document must be:
  - (i) in English; or
  - (ii) if not in English, and if so required by the Agent, accompanied by a certified English translation and, in this case, the English translation will prevail unless the document is a constitutional, statutory or other official document.

### **36. CALCULATIONS AND CERTIFICATES**

#### **36.1 Accounts**

In any litigation or arbitration proceedings arising out of or in connection with a Finance Document, the entries made in the accounts maintained by a Finance Party are *prima facie* evidence of the matters to which they relate.

### 36.2 Certificates and determinations

Any certification or determination by a Finance Party of a rate or amount under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

### 36.3 Day count convention

Any interest, commission or fee accruing under a Finance Document will accrue from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 days or, in any case where the practice in the Relevant Interbank Market differs, in accordance with that market practice.

## 37. PARTIAL INVALIDITY

If, at any time, any provision of the Finance Documents is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

## 38. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Finance Party or Secured Party, any right or remedy under the Finance Documents shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.

## 39. AMENDMENTS AND WAIVERS

### 39.1 Required consents

- (a) Subject to Clause 39.2 (*Exceptions*) any term of the Finance Documents may be amended or waived only with the consent of the Majority Lenders and the Parent and any such amendment or waiver will be binding on all Parties.
- (b) The Agent may effect, on behalf of any Finance Party, any amendment or waiver permitted by this Clause 39.
- (c) Each Obligor agrees to any such amendment or waiver permitted by this Clause 39 which is agreed to by the Parent. This includes any amendment or waiver which would, but for this paragraph (c), require the consent of all of the Guarantors.

### 39.2 Exceptions

- (a) An amendment or waiver that has the effect of changing or which relates to:
  - (i) the definition of "Majority Lenders" in Clause 1.1 (*Definitions*);
  - (ii) an extension to the date of payment of any amount under the Finance Documents (other than in relation to Clause 11 (*Mandatory Prepayment*));
  - (iii) a reduction in the Margin or a reduction in the amount of any payment of principal, interest, fees or commission payable;
  - (iv) a change in currency of payment of any amount under the Finance Documents;

- (v) an increase in or an extension of any Commitment or the Total Commitments;
- (vi) a change to the Borrowers or Guarantors other than in accordance with Clause 29 (*Changes to the Obligors*);
- (vii) any provision which expressly requires the consent of all the Lenders;
- (viii) Clause 2.3 (*Finance Parties' rights and obligations*), Clause 28 (*Changes to the Lenders*) or this Clause 39;
- (ix) (other than as expressly permitted by the provisions of any Finance Document) the nature or scope of:
  - (A) the guarantee and indemnity granted under Clause 22 (*Guarantee and Indemnity*);
  - (B) the Charged Property; or
  - (C) the manner in which the proceeds of enforcement of the Transaction Security are distributed,
 

(except in the case of paragraph (B) and paragraph (C) above, insofar as it relates to a sale or disposal of an asset which is the subject of the Transaction Security where such sale or disposal is expressly permitted under this Agreement or any other Finance Document);
- (x) the release of any guarantee and indemnity granted under Clause 22 (*Guarantee and Indemnity*) or of any Transaction Security unless permitted under this Agreement or any other Finance Document or relating to a sale or disposal of an asset which is the subject of the Transaction Security where such sale or disposal is expressly permitted under this Agreement or any other Finance Document,

shall not be made without the prior consent of all the Lenders.

- (b) An amendment or waiver which relates to the rights or obligations of the Agent, the Arranger, the Issuing Bank, the Security Agent or any Hedge Counterparty or any MOF Lender (each in their capacity as such) may not be effected without the consent of the Agent, the Arranger, the Issuing Bank, the Security Agent, that Hedge Counterparty and that MOF Lender.
- (c) If any Lender fails to respond to a request for a consent, waiver, amendment of or in relation to any of the terms of any Finance Document or other vote of Lenders under the terms of this Agreement within 15 Business Days (unless the Parent and the Agent agree to a longer time period in relation to any request) of that request being made, its Commitment and/or participation shall not be included for the purpose of calculating the Total Commitments or participations under the relevant Facility/ies when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained to approve that request.

### 39.3 Replacement of Lender

- (a) If at any time:
  - (i) any Lender becomes a Non-Consenting Lender (as defined in paragraph (c) below); or

- (ii) an Obligor becomes obliged to repay any amount in accordance with Clause 10.1 (*Illegality*) or to pay additional amounts pursuant to Clause 18.1 (*Increased Costs*) or Clause 17.2 (*Tax gross-up*) to any Lender in excess of amounts payable to the other Lenders generally,

then the Parent may, on 14 Business Days' prior written notice to the Agent and such Lender, replace such Lender by requiring such Lender to (and such Lender shall) transfer pursuant to Clause 28 (*Changes to the Lenders*) all (and not part only) of its rights and obligations under this Agreement to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Parent, and which is acceptable to the Agent (acting reasonably) and (in the case of any transfer of a Revolving Facility Commitment), the Issuing Bank, which confirms its willingness to assume and does assume all the obligations of the transferring Lender (including the assumption of the transferring Lender's participations on the same basis as the transferring Lender) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest and/or Letter of Credit fees, Break Costs and other amounts payable in relation thereto under the Finance Documents.

- (b) The replacement of a Lender pursuant to this Clause shall be subject to the following conditions:
  - (i) the Parent shall have no right to replace the Agent or Security Agent;
  - (ii) neither the Agent nor the Lender shall have any obligation to the Parent to find a Replacement Lender;
  - (iii) in the event of a replacement of a Non-Consenting Lender such replacement must take place no later than 45 days after the date the Non-Consenting Lender notifies the Parent and the Agent of its failure or refusal to give a consent in relation to, or agree to any waiver or amendment to the Finance Documents requested by the Parent; and
  - (iv) in no event shall the Lender replaced under this paragraph (b) be required to pay or surrender to such Replacement Lender any of the fees received by such Lender pursuant to the Finance Documents.
- (c) In the event that:
  - (i) the Parent or the Agent (at the request of the Parent) has requested the Lenders to give a consent in relation to, or to agree to a waiver or amendment of, any provisions of the Finance Documents;
  - (ii) the consent, waiver or amendment in question requires the approval of all the Lenders; and
  - (iii) the Majority Lenders have consented or agreed to such waiver or amendment,

then any Lender who does not and continues not to consent or agree to such waiver or amendment shall be deemed a "**Non-Consenting Lender**".

#### 39.4 Disenfranchisement of Defaulting Lenders

- (a) For so long as a Defaulting Lender has any Available Commitment, in ascertaining the Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments or Total Revolving Commitments has been obtained to approve any request for a consent, waiver, amendment or other vote

under the Finance Documents, that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitments.

(b) For the purposes of this Clause 39.4, the Agent may assume that the following Lenders are Defaulting Lenders:

- (i) any Lender which has notified the Agent that it has become a Defaulting Lender;
- (ii) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "**Defaulting Lender**" has occurred,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Agent) or the Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

### 39.5 Replacement of a Defaulting Lender

(a) The Parent may, at any time a Lender has become and continues to be a Defaulting Lender, by giving five Business Days' prior written notice to the Agent and such Lender:

- (i) replace such Lender by requiring such Lender to (and such Lender shall) transfer pursuant to Clause 28 ( *Changes to the Lenders*) all (and not part only) of its rights and obligations under this Agreement;
- (ii) require such Lender to (and such Lender shall) transfer pursuant to Clause 28 ( *Changes to the Lenders*) all (and not part only) of the undrawn Revolving Commitment of the Lender; or
- (iii) require such Lender to (and such Lender shall) transfer pursuant to Clause 28 ( *Changes to the Lenders*) all (and not part only) of its rights and obligations in respect of the Revolving Facility,

to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Parent, and which (unless the Agent is an Impaired Agent) is acceptable to the Agent (acting reasonably) and (in the case of any transfer of a Revolving Facility Commitment) to the Issuing Bank, which confirms its willingness to assume and does assume all the obligations or all the relevant obligations of the transferring Lender (including the assumption of the transferring Lender's participations or unfunded participations (as the case may be) on the same basis as the transferring Lender) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest and/or Letter of Credit fees, Break Costs and other amounts payable in relation thereto under the Finance Documents.

(b) Any transfer of rights and obligations of a Defaulting Lender pursuant to this Clause 39 shall be subject to the following conditions:

- (i) the Parent shall have no right to replace the Agent or Security Agent;
- (ii) neither the Agent nor the Defaulting Lender shall have any obligation to the Parent to find a Replacement Lender;
- (iii) the transfer must take place no later than 90 days after the notice referred to in paragraph (a) above; and

- (iv) in no event shall the Defaulting Lender be required to pay or surrender to the Replacement Lender any of the fees received by the Defaulting Lender pursuant to the Finance Documents.

#### 40. **CONFIDENTIALITY**

##### 40.1 **Confidential Information**

Each Finance Party agrees to keep all Confidential Information confidential and not to disclose it to anyone, save to the extent permitted by Clause 40.2 (*Disclosure of Confidential Information*), and to ensure that all Confidential Information is protected with security measures and a degree of care that would apply to its own confidential information.

##### 40.2 **Disclosure of Confidential Information**

Any Finance Party may disclose:

- (a) to any of its Affiliates and Related Funds and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives such Confidential Information as that Finance Party shall consider appropriate if any person to whom the Confidential Information is to be given pursuant to this paragraph (a) is informed in writing of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of the information or is otherwise bound by requirements of confidentiality in relation to the Confidential Information;
- (b) to any person:
  - (i) to (or through) whom it assigns or transfers (or may potentially assign or transfer) all or any of its rights and/or obligations under one or more Finance Documents and to any of that person's Affiliates, Related Funds, Representatives and professional advisers;
  - (ii) with (or through) whom it enters into (or may potentially enter into), whether directly or indirectly, any sub-participation in relation to, or any other transaction under which payments are to be made or may be made by reference to, one or more Finance Documents and/or one or more Obligors and to any of that person's Affiliates, Related Funds, Representatives and professional advisers;
  - (iii) appointed by any Finance Party or by a person to whom paragraph (b)(i) or (ii) above applies to receive communications, notices, information or documents delivered pursuant to the Finance Documents on its behalf (including, without limitation, any person appointed under paragraph (d) of Clause 30.14 (*Relationship with the Lenders*));
  - (iv) who invests in or otherwise finances (or may potentially invest in or otherwise finance), directly or indirectly, any transaction referred to in paragraph (b)(i) or (b)(ii) above;
  - (v) to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation;

- (vii) to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes;
- (viii) who is a Party; or
- (ix) with the consent of the Parent;

in each case, such Confidential Information as that Finance Party shall consider appropriate if:

- (A) in relation to paragraphs (b)(i), (b)(ii) and (b)(iii) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking except that there shall be no requirement for a Confidentiality Undertaking if the recipient is a professional adviser and is subject to professional obligations to maintain the confidentiality of the Confidential Information;
  - (B) in relation to paragraph (b)(iv) above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking or is otherwise bound by requirements of confidentiality in relation to the Confidential Information they receive and is informed that some or all of such Confidential Information may be price-sensitive information;

- (c) to any person appointed by that Finance Party or by a person to whom paragraph (b)(i) or (b)(ii) above applies to provide administration or settlement services in respect of one or more of the Finance Documents including without limitation, in relation to the trading of participations in respect of the Finance Documents, such Confidential Information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this paragraph (c) if the service provider to whom the Confidential Information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Parent and the relevant Finance Party;
  - (d) to any rating agency (including its professional advisers) such Confidential Information as may be required to be disclosed to enable such rating agency to carry out its normal rating activities in relation to the Finance Documents and/or the Obligors if the rating agency to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information.

#### 40.3 Entire agreement

This Clause 40 (*Confidentiality*) constitutes the entire agreement between the Parties in relation to the obligations of the Finance Parties under the Finance Documents regarding Confidential Information and supersedes any previous agreement, whether express or implied, regarding Confidential Information.

#### 40.4 Inside information

Each of the Finance Parties acknowledges that some or all of the Confidential Information is or may be price-sensitive information and that the use of such information may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and each of the Finance Parties undertakes not to use any Confidential Information for any unlawful purpose.

#### 40.5 Notification of disclosure

Each of the Finance Parties agrees (to the extent permitted by law and regulation) to inform the Parent:

- (a) of the circumstances of any disclosure of Confidential Information made pursuant to paragraph (b)(v) of Clause 40.2 (*Disclosure of Confidential Information*) except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and
- (b) upon becoming aware that Confidential Information has been disclosed in breach of this Clause 40 (*Confidentiality*).

#### 40.6 Continuing obligations

The obligations in this Clause 40 (*Confidentiality*) are continuing and, in particular, shall survive and remain binding on each Finance Party for a period of twelve months from the earlier of:

- (a) the date on which all amounts payable by the Obligors under or in connection with the Finance Documents have been paid in full and all Commitments have been cancelled or otherwise cease to be available; and
- (b) the date on which such Finance Party otherwise ceases to be a Finance Party.

#### 41. COUNTERPARTS

Each Finance Document may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

#### 42. GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

#### 43. ENFORCEMENT

##### 43.1 Jurisdiction of English courts

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence,

validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a “**Dispute**”).

- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 43.1 is for the benefit of the Finance Parties and Secured Parties only. As a result, no Finance Party or Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.

#### **43.2 Service of process**

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Obligor (other than an Obligor incorporated in England and Wales):
  - (i) irrevocably appoints the Company as its agent for service of process in relation to any proceedings before the English courts in connection with any Finance Document (and the Company by its execution of this Agreement, accepts that appointment); and
  - (ii) agrees that failure by an agent for service of process to notify the relevant Obligor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Parent (on behalf of all the Obligors) must immediately (and in any event within 2 Business Days of such event taking place) appoint another agent on terms acceptable to the Agent. Failing this, the Agent may appoint another agent for this purpose.
- (c) The Parent expressly agrees and consents to the provisions of this Clause 43 and Clause 42 ( *Governing law* ).

This Agreement has been entered into in England on the date stated at the beginning of this Agreement.

Dear Andrew:

This letter agreement memorializes our mutual understanding that the employment agreement entered into between you and McJunkin Red Man Holding Corporation (the "Company") on September 10, 2008 (the "Employment Agreement") shall be amended as follows.

1. Annual Bonus. For the fiscal year commencing on January 1, 2011, your target annual bonus shall be sixty-seven percent (67%) of your base salary as in effect at the beginning of such fiscal year with the actual annual bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the board of directors of the Company in consultation with you.

AMENDED AND RESTATED  
EMPLOYMENT AGREEMENT

AMENDED AND RESTATED EMPLOYMENT AGREEMENT, dated as of December 31, 2009 (this "Amended Employment Agreement"), by and among McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), and James Underhill (the "Executive").

WHEREAS, on December 4, 2006, PVF Holdings LLC, a Delaware limited liability company (" PVF"), McJunkin Red Man Corporation, a West Virginia corporation, and the Executive entered into an Employment Agreement (the "Employment Agreement");

WHEREAS, the parties desire to extend the term of the Employment Agreement and to make certain other changes to the Employment Agreement; and

WHEREAS, the Employment Agreement is hereby superseded by this Amended Employment Agreement, which reflects the current terms of the Executive's employment.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the parties hereto agree as follows:

Section 1. Employment.

1.1. Term. The Company agree to continue to employ the Executive, and the Executive agrees to continue to be employed by the Company, in each case pursuant to this Amended Employment Agreement, for a period ending on the earlier to occur of (i) January 31, 2012 and (ii) the termination of the Executive's employment in accordance with Section 3 hereof (the "Term").

1.2. Duties. During the Term, the Executive shall serve as the Company's Executive Vice President and Chief Financial Officer and such other positions as an officer or director of the Company and such affiliates of the Company as the Executive and the board of directors of the Company (the "Board") shall mutually agree from time to time. In such positions, the Executive shall perform such duties, functions and responsibilities during the Term commensurate with the Executive's positions as reasonably directed by the Chief Executive Officer of the Company (the "CEO").

1.3. Exclusivity. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the Company, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the CEO, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit; provided, however, that it shall not be a

---

violation of this Amended Employment Agreement for the Executive to engage in other outside business activities with the Board's prior written consent.

## Section 2. Compensation.

2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Company shall pay to the Executive a salary at an annual rate of five hundred thousand dollars (\$500,000), payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary will be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Amended Employment Agreement and the Base Salary shall not be reduced at any time (including after any such increase).

2.2. Annual Bonus. For each completed fiscal year occurring during the Term, the Executive shall be eligible to receive additional cash incentive compensation (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Executive's Base Salary as in effect at the beginning of such fiscal year, with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the Board in consultation with the CEO.

2.3. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Company as in effect from time to time on the same basis as other senior executives of the Company.

2.4. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.5. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Amended Employment Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

## Section 3. Employment Termination.

3.1. Termination of Employment. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause) at any time upon not less than thirty (30) days' notice to the other party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, and any unreimbursed expenses in accordance with Section 2.5 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan,

program, policy or practice or other contract or agreement of the Company and its affiliated companies through the date of termination of employment (collectively, the "Accrued Amounts").

### 3.2. Certain Terminations.

(a) Termination by the Company other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term (i) by the Company other than for Cause or Disability or (ii) by the Executive for Good Reason, in addition to the Accrued Amounts the Executive shall be entitled to the following payments and benefits: (x) the continuation of his Base Salary at the rate in effect immediately prior to the date of termination for a period of twelve (12) months, (y) the continuation on the same terms as an active senior executive of medical benefits the Executive would otherwise be eligible to receive as an active senior executive of the Company for twelve (12) months or until such earlier time as the Executive becomes eligible for medical benefits from a subsequent employer and (z) a pro rata Annual Bonus for the fiscal year in which the termination occurs (the "Pro Rata Annual Bonus Payment"), based on the Company's actual performance through the end of such fiscal year and the number of days the Executive was employed during such fiscal year (such payments and benefits, the "Severance Payments"). The Company's obligations to make the Severance Payments shall be conditioned upon: (i) the Executive's continued compliance with his obligations under Section 4 of this Amended Employment Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Amended Employment Agreement, the Executive will immediately return to the Company any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a). Subject to Section 3.2(d), the Severance Payments (with the exception of the Pro Rata Annual Bonus Payment) will commence to be paid to the Executive on the sixtieth (60<sup>th</sup>) day following the termination of the Executive's employment, provided that the Release has been executed, delivered and has become irrevocable as of such date. The Pro Rata Annual Bonus Payment will be paid at the time the Company ordinarily pays incentive bonuses to its executives.

(b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, in addition to the Accrued Amounts, the Executive (or the Executive's estate, if applicable) shall be entitled to receive a pro-rated portion of the Annual Bonus based on the Company's performance for the full fiscal year in which termination occurs and the number of days the Executive was employed by the Company during such fiscal year.

(c) Definitions. For purposes of this Section 3.2, the following terms shall have the following meanings:

(1) "Cause" shall mean the Executive's (i) continuing failure, for more than 10 days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is

capable of being cured and is cured within 10 days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or indictment or conviction of any felony; (v) material violation of the provisions of this Amended Employment Agreement unless such violation is capable of being cured and is cured within 10 days of the Executive receiving written notice of such violation; (vi) chronic absenteeism; or (vii) abuse of alcohol or another controlled substance.

(2) “Disability” shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company in which Executive participates, or, if there is no such plan, the Executive’s inability, due to physical or mental ill health, to perform the essential functions of the Executive’s job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

(3) “Good Reason” shall mean (i) a material and adverse change in the Executive’s duties or responsibilities, or (ii) a reduction in the Executive’s Base Salary or target Annual Bonus.

(d) Section 409A Specified Employee. If the Executive is a “specified employee” for purposes of Section 409A of the United States Internal Revenue Code of 1986, as amended (the “Code”), and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any Severance Payments required to be made pursuant to Section 3.2(a) which are subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment equaling six (6) months of his Base Salary at the rate in effect immediately prior to the date of termination. For purposes of this Amended Employment Agreement, the Executive’s employment with the Company shall be considered to have terminated when the Executive incurs a “separation from service” with the Company within the meaning of Section 409A(a)(2)(A)(i) of the Code, and applicable administrative guidance issued thereunder.

3.3. Exclusive Remedy. The foregoing payments upon termination of the Executive’s employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Amended Employment Agreement.

3.4. Resignation from All Positions. Upon the termination of the Executive’s employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company’s affiliates.

3.5. Cooperation. Following the termination of the Executive’s employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive’s services to the Company and its subsidiaries. The Company shall pay the Executive a reasonable fee for any such services and

promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

Section 4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights.

4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with the Company, the Executive has been and will be exposed to and has and will receive information relating to the confidential affairs of the Company and its affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its affiliates and other forms of information considered by the Company and its affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

4.2. Non-Competition. By and in consideration of the Company's entering into this Amended Employment Agreement and the payments to be made and the benefits to be provided hereunder and in further consideration of the Executive's exposure to the Confidential Information of the Company and its affiliates, the Executive agrees that the Executive shall not, during the Executive's employment with the Company (whether during the Term or thereafter) and for a period of twelve (12) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined

below) and in connection with the Executive's association directly or indirectly engage in any activity that is similar to any activity that the Executive was engaged in with the Company during the 12 months preceding the date of termination; provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean (i) any Person that is actively engaged in any geographic area in any business which materially competes with the Company or any of its subsidiaries' or affiliates' business of the distribution of industrial pipe, valves and fittings or any other business which is material to the Company or any of its subsidiaries or affiliates (a "Material Business") or (ii) any Person who within a two (2) year period following termination of the Executive's employment is reasonably expected to materially compete with a Material Business or have revenue in excess of \$100,000,000 derived from a business that is competitive with a Material Business. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its affiliates.

4.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Company or its subsidiaries and any of its or their customers or clients so as to cause harm to the Company or its affiliates.

4.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 4.2, 4.3 or 4.4 hereof.

4.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to the business or activities of the Company and its affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation,

including all rights or benefits therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its applicable affiliate as the Executive's employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Amended Employment Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof as set forth on Exhibit B hereto (the "Existing Inventions"). Notwithstanding anything to the contrary herein, the Developments shall not include any Existing Inventions. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 4.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 4.6 with the same legal force and effect as if executed by the Executive.

4.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Amended Employment Agreement to any Person; provided the Executive may disclose this Amended Employment Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure not to disclose the terms of this Amended Employment Agreement further.

4.8. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this paragraph shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the covenants contained in this Section 4 are reasonable and necessary to protect the businesses of

the Company and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

#### Section 5. Representation.

The Executive and the Company each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Amended Employment Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Amended Employment Agreement.

#### Section 6. Non-Disparagement.

The Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company and its subsidiaries and affiliates shall advise their officers and directors not to make any such statement regarding the Executive.

#### Section 7. Withholding.

The Company may withhold from any amounts payable under this Amended Employment Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

#### Section 8. Miscellaneous.

8.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

8.2. Amendments and Waivers. This Amended Employment Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that the observance of any provision of this Amended Employment Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Amended Employment Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except

as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8.3. Assignment; No Third-Party Beneficiaries. This Amended Employment Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. Nothing in this Amended Employment Agreement shall confer upon any Person not a party to this Amended Employment Agreement, or the legal representatives of such Person, any rights or remedies of any nature or kind whatsoever under or by reason of this Amended Employment Agreement.

8.4. Notices. Unless otherwise provided herein, all notices, requests, demands, claims and other communications provided for under the terms of this Amended Employment Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set forth below:

8.6. Severability. Whenever possible, each provision or portion of any provision of this Amended Employment Agreement, including those contained in Section 4 hereof, will be interpreted in such manner as to be effective and valid under applicable law but the invalidity or unenforceability of any provision or portion of any provision of this Amended Employment Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Amended Employment Agreement in that jurisdiction or the validity or enforceability of this Amended Employment Agreement, including that provision or portion of any provision, in any other jurisdiction. 8.12 Section 409A Compliance. This Amended Employment Agreement is intended to comply with Section 409A of the Code (to the extent applicable) and, to the extent it would not adversely impact the Company, the Company agrees to interpret, apply and administer this Amended Employment Agreement in the least restrictive manner necessary to comply with such requirements and without resulting in any diminution in the value of payments or benefits to the Executive.

**R E C I T A L S:**

WHEREAS, the Company has adopted the McJ Holding Corporation 2007 Stock Option Plan (the “Plan”), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the Participant’s services and of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Grant of the Option. The Company hereby grants to the Participant the right and option (the “Option”) to purchase, on the terms and conditions hereinafter set forth, all or any part of an aggregate of [\_\_\_\_\_] Shares, subject to adjustment as set forth in the Plan. 2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the second (2<sup>nd</sup>) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the second (2<sup>nd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-fourth (1/4) of the Shares originally subject to the Option, provided that the Participant’s Employment with the Company or any of its Affiliates has not terminated as of such anniversary;

(iii) On and after the third (3<sup>rd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-half (1/2) of the Shares originally subject to the Option, provided that the Participant’s Employment with the Company or any of its Affiliates has not terminated as of such anniversary;

(v) On and after the fifth (5<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option provided, that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary.

(vi) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion."

(b) If the Participant's Employment is terminated by the Company or an Affiliate for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company or any of its Affiliates terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically canceled by the Company without payment of consideration therefor, and the Vested Portion of the Option shall remain exercisable for the period set forth in Section 2(d).

(d) Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) 90 days following the date of the Participant's termination of Employment (other than a termination of Employment due to the Participant's death or Disability).

(e) Notwithstanding the foregoing, upon termination of Employment due to the Participant's death or Disability, the Participant or the Participant's executor or administrator, or the person or persons to whom the Participant's right under this Agreement shall pass by will or by the laws of descent and distribution as the case may be may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) twenty-four months following such termination of Employment.

(f) Unless the Option is exercised on the day the Option expires or within a period of five (5) business days in advance of the day the Option expires, the Participant is not permitted to exercise the Option while having inside information ( *voorwetenschap* ) as defined in Section 5:53 of the Dutch Act on the Financial Supervision, to the extent that Dutch law is applicable.

### 3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the “Purchased Shares”) and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer; provided, however, that with the written consent of the Committee (which consent may be withheld for any or no reason), payment of such aggregate exercise price may instead be made, in whole or in part, by (A) the delivery to the Company of a certificate or certificates representing Shares having a Fair Market Value on the date of exercise equal to the aggregate exercise price, duly endorsed or accompanied by a duly executed stock power, which delivery effectively transfers to the Company good and valid title to such shares, free and clear of any pledge, commitment, lien, claim or other encumbrance (such shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of such exercise), or (B) by a reduction in the number of Purchased Shares to be issued upon such exercise having a Fair Market Value on the date of exercise equal to the aggregate exercise price in respect of the Purchased Shares, provided that the Company is not then prohibited from purchasing or acquiring such Shares. (b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the “Legal Requirements”) that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company’s determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant’s name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant’s death or Disability, the Option shall remain exercisable by the Participant’s executor or administrator, or the person or persons to whom the Participant’s rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(e) (and the term

“Participant” shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

#### 4. Sale of Shares.

(a) To the extent that Dutch law is applicable, the Shares acquired upon the exercise of the Option, may only be sold by the Participant if he or she is not in the possession of inside information as defined in Section 5:53 of the Dutch Act on the Financial Supervision, unless:

(i) the Option is exercised on the day the Option expires or within a period of five business days in advance of the day the Option expires, and

(ii) the Participant has given written notice to the Company of his intention to sell the Shares acquired upon the exercise of the Option in accordance with (i) at least four months before the day the Option expires.

After the Participant has notified the Company as stated under (i), the Participant is obliged to sell the Shares within the period mentioned under (ii).

(b) To the extent that Dutch law is applicable, and the Shares are not sold within the period specified above under (a), the Shares acquired upon the exercise of the Option, may only be sold by the Participant if he or she is not in the possession of inside information as defined in Section 5:53 of the Dutch Act on the Financial Supervision.

5. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company’s or its Affiliates’ right to terminate the Employment of such Participant.

6. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

7. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or

encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

8. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

9. Securities Laws. Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

10. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Participant's legal representatives. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's heirs, executors, administrators and successors.

11. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

12. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

13. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

14. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or

provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

- ☐ None of the statements above apply.

16. Adoption of Stockholders Agreement. The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Management Stockholders Agreement among PVF LLC (formerly known as McJ Holding LLC), the Company, and the other parties thereto (the “Stockholders Agreement”) as an “Executive” (as defined in the Stockholders Agreement) with the rights and obligations of holders of “Stock” (as defined in the Stockholders Agreement) and the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (a) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement); (b) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders Agreement and the terms and conditions thereof that the Participant deems necessary; and (c) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of Participant enforceable against the Participant in accordance with its terms and the terms of the Stockholders Agreement.

NONQUALIFIED STOCK OPTION AGREEMENT**

THIS AGREEMENT (this “Agreement”), is made effective as of [\_\_\_\_\_, 200\_\_] (the “Date of Grant”), between McJunkin Red Man Holding Corporation, a Delaware corporation (the “Company”), PVF Holdings LLC, a Delaware limited liability company (“PVF Holdings LLC”) (solely for purposes of Section 15 hereof), and [\_\_\_\_\_] (the “Participant”).

**R E C I T A L S:**

WHEREAS, the Company has adopted the McJ Holding Corporation 2007 Stock Option Plan (the “Plan”), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the Participant’s services and of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Grant of the Option. The Company hereby grants to the Participant the right and option (the “Option”) to purchase, on the terms and conditions hereinafter set forth, all or any part of an aggregate of [\_\_\_\_\_] Shares, subject to adjustment as set forth in the Plan. The Option Price shall be \$ [\_\_\_\_\_] USD, which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the second (2<sup>nd</sup>) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the second (2<sup>nd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-fourth (1/4) of the Shares originally subject to the Option, provided that the Participant’s Employment with the Company or any of its Affiliates has not terminated as of such anniversary;

(iii) On and after the third (3<sup>rd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-half (1/2) of the Shares originally subject to the Option, provided that the Participant’s Employment with the Company or any of its Affiliates has not terminated as of such anniversary;

---

(iv) On and after the fourth (4<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of three-fourths (3/4) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary; and

(v) On and after the fifth (5<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option provided, that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary.

(vi) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion."

(b) If the Participant's Employment is terminated by the Company or an Affiliate for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company or any of its Affiliates terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically canceled by the Company without payment of consideration therefor, and the Vested Portion of the Option shall remain exercisable for the period set forth in Section 2(d).

(d) Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) 90 days following the date of the Participant's termination of Employment (other than a termination of Employment due to the Participant's death or Disability).

(e) Notwithstanding the foregoing, upon termination of Employment due to the Participant's death or Disability, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) twenty-four months following such termination of Employment.

### 3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer; provided, however, that with the written consent of the Committee (which consent may be withheld for any or no reason), payment of such aggregate exercise price may instead be made, in whole or in part, by (A) the delivery to the Company of a certificate or certificates

representing Shares having a Fair Market Value on the date of exercise equal to the aggregate exercise price, duly endorsed or accompanied by a duly executed stock power, which delivery effectively transfers to the Company good and valid title to such shares, free and clear of any pledge, commitment, lien, claim or other encumbrance (such shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of such exercise), or (B) by a reduction in the number of Purchased Shares to be issued upon such exercise having a Fair Market Value on the date of exercise equal to the aggregate exercise price in respect of the Purchased Shares, provided that the Company is not then prohibited from purchasing or acquiring such Shares. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the "Legal Requirements") that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant's death or Disability, the Option shall remain exercisable by the Participant's executor or administrator, or the person or persons to whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(e) (and the term "Participant" shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to

continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliates' right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

8. Securities Laws. Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Participant's legal representatives. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

14. Accredited Investor Status Representation of Participant. Please check the box next to any of the following statements that apply:

- ☐ Your individual net worth, or joint net worth with your spouse, as of the date hereof, exceeds \$1,000,000;
- ☐ You had individual income in excess of \$200,000 in each of the two most recent years, or joint income with your spouse in excess of \$300,000 in each of those years, and have a reasonable expectation of reaching the same income level in the current year; or
- ☐ None of the statements above apply.

15. Adoption of Stockholders Agreement. The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Management Stockholders Agreement among PVF LLC (formerly known as McJ Holding LLC), the Company, and the other parties thereto (the “Stockholders Agreement”) as an “Executive” (as defined in the Stockholders Agreement) with the rights and obligations of holders of “Stock” (as defined in the Stockholders Agreement) and the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (a) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement); (b) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders

Agreement and the terms and conditions thereof that the Participant deems necessary; and (c) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of Participant enforceable against the Participant in accordance with its terms and the terms of the Stockholders Agreement.

WHEREAS, on May 1, 2000, the Employer (formerly known as Transmark Heaton Valves Limited) and the Executive entered into a Service Agreement (the “Previous Agreement”); and

WHEREAS, the Previous Agreement is hereby superseded by this Agreement, which reflects the terms and conditions of the Executive’s employment with the Employer as of the Effective Date (as defined below).

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the Parties agree as follows:

### 1. Employment

- 1.1. Term. The Employer agrees to employ the Executive, and the Executive agrees to be employed by the Employer pursuant to this Agreement, for a period commencing on the Closing Date (such date, the “Effective Date”) and ending on the earlier of (i) the fifth (5<sup>th</sup>) anniversary of the Effective Date and (ii) the termination of the Executive’s employment in accordance with Section 3 hereof (the “Term”).
  - 1.2. Duties. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall hold the title of Executive Vice President of McJunkin Red Man Holding Corporation, a Delaware corporation (“Holdco”) and such other positions as an officer or director of the Employer, PVF Holdings LLC, a Delaware limited liability company (“PVF”), or their respective subsidiaries (the Employer, PVF and each of their subsidiaries, shall be referred to as the “Group”) as the Executive and the Chief Executive Officer of McJunkin Red Man Corporation, a Delaware corporation, (the “CEO”), or such other person designated by the CEO (the “CEO’s Designee”), shall mutually agree from time to time. From the Effective Date through December 31, 2010, the Executive shall also retain the title of Chief Executive Office of the Employer. The Executive shall perform such duties, functions and responsibilities commensurate with the Executive’s positions as reasonably directed by the CEO or the CEO’s Designee.
-

- 1.3. Exclusivity. During the Term, the Executive shall devote his full time and attention to the business and affairs of the Group, shall faithfully serve the Group, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the CEO or the CEO's Designee, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Group and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit, except that the Executive may sit on the boards of other companies with the consent of the CEO or the CEO's Designee, which shall not be unreasonably withheld.
  - 1.4. Compliance with Group Policies and Restrictions on Interests. During the Term, the Executive (i) shall comply with Group policies in force from time to time including those in relation to the disclosure of interests and (ii) shall not, directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined in Section 8.4); provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the United States Securities Exchange Act of 1934, as amended (the "Exchange Act"), or traded on the London Stock Exchange or any other internationally recognized stock exchange, standing alone, be prohibited by this Section 1.4 so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof.
2. Compensation
- 2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Employer shall pay to the Executive a salary at an annual rate of £212,500 (the "Base Salary"), payable in monthly instalments on or about the last Thursday of each month. The Base Salary shall be reviewed annually and may be adjusted upward by the Board of Directors of Holdco (the "Board") (or a committee thereof), in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Agreement and the Base Salary shall not be reduced at any time (including after any such increase).
  - 2.2. Annual Bonus. Beginning with the fiscal year that commences on January 1, 2010, for each completed fiscal year during the Term, the Executive shall be eligible to receive additional cash incentive compensation pursuant to the annual bonus plan of Holdco in effect at such time (the "Annual Bonus"). The target Annual Bonus shall be one hundred percent (100%) of the Executive's Base Salary as in effect at the beginning of such fiscal year with the actual Annual Bonus to be based upon such individual and/or Employer and/or Group performance criteria established for each such fiscal year by the Board. In respect

of fiscal year 2009, the Executive shall be entitled to receive a bonus on the basis determined by the Employer prior to the Effective Time and as set forth in Exhibit A.

- 2.3. Equity. The Executive shall be granted stock options to purchase shares of common stock of Holdco as determined by the Board from time to time, with the terms of such stock options to be determined by the Board in its discretion.
  - 2.4. Employee Benefits. From the Effective Date through December 31, 2011, the Executive shall participate in the same employee benefit plans and programs in which he participates as of the Effective Date. Thereafter during the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Employer as in effect from time to time on a substantially similar basis as other senior executives of Holdco.
  - 2.5. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Employer's vacation policy as in effect from time to time. Notwithstanding the foregoing, the Executive shall be entitled to all statutory and other customary holidays in England and Wales, and to twenty five (25) days holiday per calendar year to be taken at such times as may be approved by the CEO or the CEO's Designee. Such entitlement shall accrue from day to day. No more than five (5) days of holiday to which the Executive was entitled in the previous year but which he did not take during such previous year may be carried forward to any subsequent year without the consent of the CEO or the CEO's Designee. If the Executive has on the termination of his employment hereunder, howsoever caused, any unused holiday entitlement, he shall be entitled to payment in lieu thereof. If, on termination, he has taken holiday in excess of such entitlement, there shall be deducted from any final payment due to him a sum in respect of each such day taken. For the purpose of this section, the formula for calculating any payment or repayment will be 1/260 of the Executive's basic annual salary for each relevant holiday day.
  - 2.6. Business Expenses. The Employer shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Employer as approved by the CEO or the CEO's Designee and in effect from time to time.
3. Termination of Employment
- 3.1. Generally. The Employer may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Employer for Cause (as defined in Section 8.1)) at any time upon not less than thirty (30) days' notice to the other Party or in the case of notice to be given by the Employer, such longer period as may be required to be

given under the provisions of the Employment Rights Act 1996. Upon the termination of the Executive's employment with the Employer for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, any unreimbursed expenses in accordance with Section 2.6 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Employer and its affiliates through the date of termination of employment (collectively, the "Accrued Amounts").

### 3.2. Certain Terminations

- a) Termination by the Employer other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term by the Employer other than for Cause or Disability (as defined in Section 8.2), or by the Executive for Good Reason (as defined in Section 8.3), the Executive shall be entitled to: (i) the Accrued Amounts, (ii) a pro-rata bonus for the fiscal year of termination, based on actual performance through the end of the applicable fiscal year and the number of days that have elapsed in the fiscal year through the date of termination (a "Pro-Rata Bonus"), (iii) payment of an amount equal to the sum of one-twelfth (1/12) of Base Salary and one-twelfth (1/12) of the target Annual Bonus each month for eighteen (18) months following termination (the "Severance Payments") and (iv) continuation of private medical benefits on the same terms as active senior executives for eighteen (18) months following termination ("Medical Continuation"). The Severance Payments and Medical Continuation shall be reduced by any period of notice given to the Executive that exceeds thirty (30) days where that additional period of notice is served by the Executive. The Employer's obligations to make the Severance Payments and to provide Medical Continuation shall be conditioned on: (i) the Executive's continued compliance with his obligations under Section 4 of this Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in substantially the form attached hereto as Exhibit B. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Agreement, the Executive shall immediately return to the Employer any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a), and the Medical Continuation shall immediately terminate. Subject to Section 3.2(c), the Employer will commence payment of the Severance Payments as soon as practicable following the effectiveness of the Release. Any Pro-Rata Bonus will be paid at the time Holdco ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

- b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, the Executive (or the Executive's estate, if applicable) will receive (i) the Accrued Amounts, and (ii) a Pro-Rata Bonus.
  - c) Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Agreement.
- 3.3. Resignation from All Positions. Upon the termination of the Executive's employment with the Employer for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any member of the Group or from any officer or directorship which he holds by virtue of the employment. The Executive shall cooperate with the Employer in effecting any removal or resignation and shall execute any document or do anything which is necessary to give effect thereto. By entering into this Agreement the Executive irrevocably appoints the Employer as his attorney to act on his behalf to execute any document or do anything in his name necessary to effect his resignation in accordance with this Section 3.3. If there is any doubt as to whether such execution (or other thing) has been carried out within the authority conferred by this Section 3.3 a certificate in writing (signed by any director of the Employer) will be sufficient to prove that the act or thing falls within that authority.
- 3.4. Cooperation. Following the termination of the Executive's employment with the Employer for any reason, the Executive agrees to reasonably cooperate with the Group upon reasonable request of the CEO or the CEO's Designee and to be reasonably available to the Group with respect to matters arising out of the Executive's services to the Employer and other members of the Group. The Employer shall pay the Executive a reasonable fee for any such services and promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.
4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights
- 4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with the Employer, the Executive will be exposed to and will receive information relating to the confidential affairs of the Group, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Employer and other members of the Group and other forms of information considered by the Group to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and

development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the “Confidential Information”). The Executive agrees that at all times during the Executive’s employment with the Employer and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a “Person”) other than in connection with the Executive’s employment with the Employer without the prior written consent of the Employer and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Employer, unless required by law to disclose such information, in which case the Executive shall provide the Employer with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction.

No provision of this Section 4.1 shall prevent the Executive from making a protected disclosure in accordance with the provisions of the Employment Rights Act 1996.

Upon termination of the Executive’s employment with the Employer, the Executive shall promptly supply to the Employer all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive’s employment with the Employer, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

- 4.2. Non-Competition. By and in consideration of the Employer entering into this Agreement and the payments made and the benefits provided hereunder, and in further consideration of the Executive’s exposure to the Confidential Information of the Employer and other members of the Group, the Executive agrees that the Executive shall not for eighteen (18) months after termination of his employment (the “Restriction Period”), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined in Section 8.5); provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Exchange Act or traded on the London Stock Exchange or any other internationally recognized stock exchange, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder

thereof. During the Restriction Period, upon request of the Employer, the Executive shall notify the Employer of the Executive's then-current employment status.

- 4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee or consultant of the Employer or any other member of the Group where such employee or consultant was a person who immediately prior to the end of the Executive's employment (the "Termination Date") or in the six (6) months prior thereto reported directly to the Executive or to a person who reported directly to the Executive or with whom the Executive worked closely at any time during the period of six (6) months prior to the Termination Date.
- 4.4. Interference with Business Relationships. During the Restriction Period the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Employer or any other member of the Group, in respect of whom the Executive had access to confidential information or with whose custom or business the Executive or employees reporting to him were personally concerned, to terminate its relationship or otherwise cease doing business in whole or in part with the Employer or its subsidiaries or affiliates, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Employer or any other member of the Group and any of its or their customers or clients so as to cause harm to the Employer or the relevant member of the Group.
- 4.5. Intellectual Property Rights.
- a) The Executive may make or create Intellectual Property Rights (as defined in Section 8.4) in the course of his duties performed pursuant to the Agreement and he agrees that he has a special obligation to further the interests of the Employer and those of other members of the Group in relation to their business in this respect.
  - b) Where the Executive makes or creates any Intellectual Property Rights which may be of benefit to the Employer or any other member of the Group, he shall inform the Employer in writing and such Intellectual Property Rights shall be owned absolutely by the Employer to the extent permitted by law. The Executive shall enter into all documents and do all things necessary to ensure such ownership. The Executive waives all moral rights therein.
  - c) Rights and obligations under this Section 4.5 will continue after the termination of this Agreement in respect of all Intellectual Property Rights made or obtained during the Executive's employment with the Employer and will be binding on the personal representatives of the Executive.

- d) The Executive agrees that he will not by his acts or omissions do anything which would or might prejudice the rights of the Employer under this Section 4.5.
  - e) By entering into this Agreement the Executive irrevocably appoints the Employer to act on his behalf to execute any document and do anything in his name for the purpose of giving the Employer (or its nominee) the full benefit of the provisions of this Section 4.5 or the Employer's entitlement under statute. If there is any doubt as to whether such execution (or other thing) has been carried out within the authority conferred by this Section 4.5, a certificate in writing (signed by any director or the secretary of the Employer) will be sufficient to prove that the act or thing falls within that authority.
- 4.6. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the Parties agree not to disclose the terms of this Agreement to any Person; provided that the Executive may disclose this Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure not to disclose the terms of this Agreement further.
- 4.7. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Employer for which the Employer would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Employer shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Employer may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Employer to the Executive. The terms of this Section 4.7 shall not prevent the Employer from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Employer further agree that the provisions of the covenants contained in this Section 4 are reasonable and necessary to protect the businesses of the Employer and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.
5. Representation. The Executive and the Employer each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Agreement.

6. Non-Disparagement. From and after the Effective Date and following termination of the Executive's employment with the Employer, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Employer and its subsidiaries and affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Employer or any of its subsidiaries, affiliates, employees, officers, directors or stockholders.
  7. Withholding and Deductions. The Employer will withhold from any amounts payable under this Agreement such deductions as it is required to make pursuant to any applicable law or regulation and any amount which the Executive owes to the Employer or any other member of the Group and the Executive hereby consents to such deduction.
  8. Definitions. For purposes of this Agreement, the following terms shall have the following meanings:
    - 8.1. "Cause" shall mean the Executive's (i) continuing failure, for more than ten (10) days after the Employer's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Employer; (ii) failure to observe material policies generally applicable to officers or employees of the Employer unless such failure is capable of being cured and is cured within ten (10) days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Employer or any other member of the Group; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Employer or any other member of the Group or being charged with or convicted of any arrestable criminal offence (other than an offence under road traffic legislation for which a fine or non-custodial penalty is imposed); or (v) material violation of the provisions of this Agreement unless such violation is capable of being cured and is cured within ten (10) days of the Executive receiving written notice of such violation.
    - 8.2. "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Employer or its affiliates in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365-day period irrespective of whether such days are consecutive.
    - 8.3. "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities; (ii) a reduction in the Executive's Base Salary or target Annual Bonus; or (iii) breach by the Employer of any material provision of this Agreement; provided, that the Executive must give notice of termination for Good Reason within sixty (60) days of the occurrence of the first event giving rise to Good Reason.
    - 8.4. "Intellectual Property Rights" means patents, copyrights, database rights, registered and unregistered design rights, utility models, trade marks, and any
-

9. Miscellaneous.

- 9.1. Indemnification. The Employer shall indemnify the Executive to the fullest extent provided under the Employer’s Articles of Association. The Employer and other members of the Group shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the CEO, CEO’s Designee or Board shall, in good faith, deem appropriate for coverage of directors and officers of the Employer and Group.
- 9.2. Amendments and Waivers. This Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the Parties; provided, that, the observance of any provision of this Agreement may be waived in writing by the Party that will lose the benefit of such provision as a result of such waiver. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein, no failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
- 9.3. Assignment; No Third-Party Beneficiaries. This Agreement, and the Executive’s rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. To the extent permitted by law, no person other than the Parties and other members of the Group shall have the right to enforce any term of this Agreement under the Contracts (Rights of Third Parties) Act 1999 although this does not affect any other right or remedy of any third party which exists or is available other than under that Act.

### **3. Shares Subject to the Plan**

The total number of Shares which may be issued under the Plan is 4,715.4509, subject to adjustment pursuant to Section 7 hereof. The Shares may consist, in whole or in part, of unissued Shares or treasury Shares. The issuance of Shares upon the exercise of an Option or in consideration of the cancellation or termination of an Option shall reduce the total number of Shares available under the Plan, as applicable. Shares which are subject to Options which terminate or lapse without the payment of consideration may again be the subject of Options granted under the Plan.

### **4. Administration**

The Plan shall be administered by the Committee. Subject to the express limitations of the Plan, the Committee shall have authority in its discretion to determine the employees, consultants or directors of the Company and its Affiliates to whom, and the time or times at which, Options may be granted, the number of Shares subject to each Option, the Option Price of an Option, the time or times at which an Option will become vested and any other conditions of an Option. Options may, in the discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or its Affiliates or by a company acquired by the Company or with which the Company combines. The number of Shares underlying such substitute awards shall be counted against the aggregate number of Shares available for Options under the Plan. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may amend the terms of any Option agreement, provided that no such amendment shall be made without the consent of a Participant, if such action would diminish any of the rights of such Participant under such Option agreement. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, except as otherwise provided herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, without limitation, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Option consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require Participants to make arrangements

---

which are satisfactory to it to pay any amounts it may determine are required to be withheld for federal, state, local or other taxes in connection with an Option.

## **5. Limitations**

No Option may be granted under the Plan after the tenth anniversary of the Effective Date, but Options theretofore granted may extend beyond that date.

## **6. Terms and Conditions of Options**

Options granted under the Plan shall be non-qualified stock options and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine and set forth in the applicable Option agreement:

- (a) Option Price. The Option Price shall be determined by the Committee, provided that the Option Price may not be less than the Fair Market Value of a Share on the date the Option is granted.
  - (b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.
  - (c) Exercise of Options. Except as otherwise provided in the Plan or in an Option agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to the following sentence. The Option Price for the Shares as to which an Option is exercised and any applicable withholding taxes shall be paid to the Company in full at the time of exercise at the election of the Participant, in cash or by check or wire transfer, or by such other means as are permitted by the Committee. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the
-

Participant has given written notice of exercise of the Option, has paid in full for such Shares, satisfied any applicable withholding requirements and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or the applicable Option agreement.

- (d) Unless the Committee determines otherwise, exercise of an Option shall be conditioned upon the execution by the Participant of the Stockholders Agreement, if such agreement remains in effect at the time of such exercise.

## **7. Adjustments Upon Certain Events**

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Options granted under the Plan:

- (a) Generally. In the event of any extraordinary cash or Share dividend, or Share split, reverse split, reorganization, reclassification, recapitalization, repurchase, issuance of warrants, rights or debentures, merger, consolidation, spin-off, split-up, combination or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares or any transaction similar to the foregoing, the Committee, without liability to any person, shall take such equitable actions as are appropriate in its reasonable judgment to preserve the economic rights of the Participant, whether by adjusting the terms of the Option or such other means as the Committee shall determine.
  - (b) Transaction. The Committee may provide in the applicable Option agreement or otherwise that, in the event of a Transaction, (i) any outstanding Options then held by Participants which are unexercisable or otherwise unvested shall automatically be deemed exercisable or otherwise vested upon the consummation of such Transaction, and (ii) the Committee may either (A) cancel all Options and make payment in connection with such cancellation equal to the excess, if any, of the Fair Market Value of the Shares subject to such Options over the aggregate Option Price of such Options or (B) provide for the issuance of substitute options or other awards that will preserve, as
-

nearly as practicable, the economic terms of Options previously granted hereunder, in each case as determined by the Committee in good faith.

#### **8. No Right to Employment or Options**

The granting of an Option under the Plan shall impose no obligation on the Company or any Affiliate of the Company to continue the Employment of a Participant and shall not lessen or affect the Company's or such Affiliate's right to terminate the Employment of such Participant. No Participant or other Person shall have any claim to be granted any Option, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Options. The terms and conditions of Options and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

#### **9. Successors and Assigns**

The rights and obligations under the Plan shall be binding on and inure to all predecessors, successors and assigns of the Company and any Participant, including, without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

#### **10. Nontransferability of Options**

Unless otherwise determined by the Committee, an Option shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. An Option exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

#### **11. Amendments or Termination**

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made without the consent of a Participant, if such action would diminish any of the rights of such Participant under any Option theretofore granted to such Participant under the Plan; provided, however, that the Committee may

---

amend the Plan in such manner as it deems necessary to permit the granting of Options meeting the requirements of the Code or other applicable laws.

#### **12. Compliance with Law**

No Option shall be granted under the Plan, and no Shares shall be issued and delivered upon exercise of an Option, unless and until the Company and/or the Participant shall have complied with all applicable federal or state registration, listing and/or qualification requirements and all other applicable requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the exercise of any Option, require each Participant (a) to represent in writing that the Shares received upon exercise of an Option are being acquired for investment and not with a view to distribution and (b) to make such other representations and warranties as are deemed reasonably appropriate by the Committee. Stock certificates representing Shares acquired upon the exercise of any Option that have not been registered under the Securities Act of 1933, as amended, shall, if required by the Committee, bear the legends as may be required by the Stockholders Agreement or by the Option agreement evidencing a particular Option. Without in any way limiting the provisions set forth above, no Participant shall make any disposition of all or any portion of Shares acquired or to be acquired pursuant to an Option, except in compliance with all applicable federal and state securities laws and the provisions of the Stockholders Agreement.

#### **13. International Participants**

With respect to Options which may be subject to the laws of jurisdictions outside the United States of America, the Committee may, in its sole discretion, amend the terms of the Plan or Options with respect to such Participants in order to conform such terms with the requirements of such local law.

#### **14. Choice of Law**

The Plan shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws.

---

**15. Effectiveness of the Plan**

The Plan shall be effective as of the Effective Date.

The approval or consent of the Members shall not be required in order to authorize the taking of any action by the Company unless and then only to the extent that (a) this Agreement shall expressly provide therefor, (b) such approval or consent shall be required by non-waivable provisions of the Delaware Act or (c) the Board shall have determined in its sole discretion that obtaining such approval or consent would be appropriate or desirable. Section 3.2 Interests Generally. As of the date hereof, the Company has two authorized classes of Interests: Common Units and Profits Units. Subject to the terms of this Agreement, additional classes of Interests denominated in the form of Units may be authorized from time to time by the Board without obtaining the consent of any Member or class of

Members. Except as otherwise provided in this Article III, Units in a particular class may be issued from time to time, at such prices and on such terms as the Board may determine, without obtaining the consent of any Member or class of Members.

(a) Common Units. The holders of Common Units will have voting rights with respect to their Common Units as provided in Section 3.3(d) and shall have the rights with respect to profits and losses of the Company and distributions from the Company as are set forth herein. The holders of Profits Units are not required to make any Capital Contribution to the Company in exchange for their Profits Units, it being recognized that such Units shall be issued only to Management Members who own Common Units and who agree to provide services to the Company pursuant to Section 5.2.

#### Section 3.3 Meetings of Members.

(a) Meetings; Notice of Meetings. Meetings of the Members may be called by the Board from time to time. Notice of any such meeting shall be given to all Members entitled to vote at such meeting not less than two nor more than 60 days prior to the date of such meeting and shall state the location, date and hour of the meeting and, in the case of a special meeting, the nature of the business to be transacted. (b) Waiver of Notice. No notice of any meeting of Members need be given to any Member who submits a signed waiver of notice, whether before or after the meeting. Neither the business to be transacted at, nor the purpose of, any meeting of the Members need be specified in a written waiver of notice. The attendance of any Member at a meeting of Members shall constitute a waiver of notice of such meeting, except when the Member attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business on the ground that the meeting is not lawfully called or convened.

(c) Quorum. Except as otherwise required by applicable law or by this Agreement, the presence in person or by proxy of the holders of record of a Majority in Interest shall constitute a quorum for the transaction of business at such meeting.

Except as otherwise required by applicable law or this Agreement, the vote of a Majority in Interest at any meeting at which a quorum is present shall be sufficient for the transaction of any business at such meeting.

(e) Proxies. Each Member may authorize any Person to act for such Member by proxy on all matters in which a Member is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Every proxy must be signed by the Member or such Member's attorney-in-fact. No proxy shall be valid after the expiration of three years from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the Member executing it unless otherwise provided in such proxy, provided that such right to revocation shall not invalidate or otherwise affect actions taken under such proxy prior to such revocation.

(f) Organization. Each meeting of Members shall be conducted by such Person as the Board may designate.

(g) Action Without a Meeting. Unless otherwise provided in this Agreement, any action which may be taken at any meeting of the Members may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by Members holding not less than the minimum number of Common Units necessary to authorize or take such action at a meeting at which the Members holding all Common Units entitled to vote thereon were present and voted. Prompt notice of the taking of action without a meeting by less than unanimous written consent shall be given to those Members who have not consented in writing.

Section 3.7 **[Intentionally Omitted]**

Section 3.8 Other Business for GSCP Members. The Company and each of the Members agrees and acknowledges that the GSCP Members or any of their respective Affiliates, or any of their respective partners, officers, members, shareholders, subsidiaries, directors, employees, agents, consultants, or legal or other advisors may at any time possess or acquire knowledge of a potential transaction or matter which may be a Competitive Opportunity and may exploit a Competitive Opportunity or engage in, or hold interests in, one or more businesses that may compete with a business of the Company or any of its Subsidiaries. The Company and each of the Members agrees and acknowledges that neither the Company nor any of its Subsidiaries shall have an interest in, or expectation that, such Competitive Opportunity be offered to it, any such interest or expectation being hereby renounced so that the GSCP Members and their respective Affiliates, and their respective partners, officers, members, shareholders, directors, employees, agents, consultants, or legal or other advisors (i) shall have no duty to communicate or present such Competitive Opportunity to the Company or any of its Subsidiaries, (ii) shall have the right to hold any such Competitive Opportunity for their own account, or to recommend, assign or otherwise transfer such Competitive Opportunity to Persons other than the Company or any of its Subsidiaries and (iii) shall not be liable to the Company or any of its Subsidiaries or their respective members or shareholders by reason of the fact that they pursue or acquire such Competitive Opportunity for themselves, direct, sell, assign or otherwise transfer such Competitive Opportunity to another Person, do not communicate information regarding such Competitive Opportunity to the Company or any of its Subsidiaries, engage in, or hold any interest in, any business that competes with any business of the Company or any of its Subsidiaries.

Section 3.9 Additional Members.

(a) Admission Generally. Upon the approval of the Board, the Company may admit one or more additional Members (each an “ **Additional Member**”), to be treated as a “Member” or one of the “Members” for all purposes hereunder. The Board may designate any such Additional Member as an “Investor Member” or a “Management Member” hereunder.

(b) Rights of Additional Members. Prior to the admission of an Additional Member, the Board shall determine:

- (i) the Capital Contribution (if any) of such Additional Member;
- (ii) the rights, if any, of such Additional Member to appoint Directors to the Board;
- (iii) the number of Units to be granted to such Additional Member and whether such Units shall be Common Units, Profits Units or Units of an additional class of Interests authorized by the Board; and in the case of Common Units, the price to be paid therefor; and
- (iv) whether such Additional Member will be a Management Member (including whether such Management Member will be a Coinvest Management Member) or an Investor Member.

(c) Admission Procedure. Each Person shall be admitted as an Additional Member at the time such Person (i) executes a joinder agreement to this Agreement, (ii) makes Capital Contributions (if any) to the Company in an amount to be determined by the Board, (iii) complies with the applicable Board resolution, if any, with respect to such admission, (iv) is issued Units by the Company or otherwise becomes a holder of Units in accordance with this Agreement and (v) is named as a Member in Schedule A. The Board is authorized to amend Schedule A to reflect any issuance of Units and any such admission and any actions pursuant to this Section 3.9.

Section 3.10 Preemptive Rights.

(a) Preemptive Rights. Except as otherwise provided in Section 3.10(h), prior to a Qualified IPO, the Company shall not issue or sell Equity Securities (each a “Preemptive Issuance”) to any Person (other than to the Company or any of its Subsidiaries), except in compliance with the provisions of this Section 3.10.

(b) Participation Notice. Not fewer than fifteen (15) business days prior to the consummation of the Preemptive Issuance, the Company shall provide a written notice (the “Participation Notice”) to each Member (other than each Coinvest Management Member) who holds Common Units or Eligible Profits Units and who is an “accredited investor” (as defined in Rule 501(a) under the Securities Act as of the date of such issuance) (the “ Eligible Members”). The Participation Notice shall include, to the extent known:

(i) the material terms of the proposed Preemptive Issuance, including (A) the amount and kind of Equity Securities to be included in the Preemptive Issuance, (B) the price per unit of the Equity Securities (or, if such consideration is not cash, the Fair Market Value of such unit), (C) the portion of the Preemptive Issuance equal to the aggregate number of Common Units and/or Eligible Profits Units held by such Eligible Member immediately prior to such Preemptive Issuance divided by the aggregate number of Common Units and Eligible Profits Units outstanding immediately prior to such Preemptive Issuance (with respect to each Eligible Member, its “Participation Portion”) and (D) the name (if known) of each Person to whom the Equity Securities are proposed to be issued (each a “Preemptive Transferee”); and

(ii) an offer by the Company to issue to each Eligible Member such Eligible Member’s Participation Portion, on the same terms and conditions as the issuance to each of the Preemptive Transferees.

(c) Election to Participate. Within fifteen (15) business days after the delivery of the Participation Notice, each Eligible Member desiring to accept the offer pursuant to Section 3.10(b)(ii) shall send an irrevocable commitment (each a “Participation Commitment”) to the Company specifying the amount or proportion of his, her or its Participation Portion which such Eligible Member desires to be issued to him, her or it (each a “Participating Buyer”). The acceptance of each Participating Buyer shall be irrevocable except as hereinafter provided and so long as the terms and conditions applicable to the Preemptive Issuance remain as stated in the Participation Notice, each such Participating Buyer shall be obligated to acquire in the Preemptive Issuance on the same terms and conditions, with respect to each Equity Security issued, as the Preemptive Transferees such amount or proportion of his, her or its Participation Portion as such Participating Buyer shall have specified in such Participating Buyer’s Participation Commitment. Each Eligible Member that does not accept such offer (or accepts such offer in an amount or proportion less than his, her or its Participation Portion) shall be deemed to have waived all (or the portion of the Participation Portion as to which such Eligible Member did not accept the offer) of his, her or its rights under this Section 3.10 with respect to the Preemptive Issuance specified in the Participation Notice, and the Company shall thereafter be free to issue Equity Securities in such Preemptive Issuance to the Preemptive Transferee and any Participating Buyers, at a price not less than the price set forth in the Participation Notice and on other terms not materially more favorable in the aggregate to the Preemptive Transferee and any Participating Buyers than those set forth in the Participation Notice. If the principal terms of such proposed Preemptive Issuance change such that they are materially more favorable in the aggregate to the Preemptive Transferee and the Participating Buyers than those set forth in the Participation Notice, it shall be necessary for a separate Participation Notice to be furnished, and the terms and provisions of this Section 3.10 separately complied with, in order to consummate such Preemptive Issuance. In addition to any other rights the Company may have, in the event a Participating Buyer breaches his, her or its obligation to purchase such Equity Securities after delivering a Participation Commitment, such Member shall be deemed to have waived all of such holder’s rights under this Section 3.10 with respect to such Preemptive Issuance and all future Preemptive Issuances.

(d) Expiration of Commitment. If, after one hundred eighty (180) days following the delivery of the Participation Notice to the Eligible Members, the Company has not completed the

Preemptive Issuance on the terms and conditions specified in such Participation Notice, each Participating Buyer shall be released from his, her or its obligations under such Participating Buyer's Participation Commitment, the Participation Notice shall be null and void, and it shall be necessary for a separate Participation Notice to be furnished, and the terms and provisions of this Section 3.10 separately complied with, in order to consummate such Preemptive Issuance.

(e) Cooperation. Each Participating Buyer shall take or cause to be taken all such reasonable actions, consistent with the provisions of this Agreement, as may be necessary or appropriate in order expeditiously to consummate each Preemptive Issuance to such Participating Buyer pursuant to this Section 3.10 and any related transactions. Without limiting the generality of the foregoing, each Participating Buyer agrees to execute and deliver the same subscription and other agreements to which the Preemptive Transferee will be party, as the case may be, as may be specified by the Board.

(f) Closing. All issuances of Equity Securities pursuant to the Preemptive Issuance shall be consummated contemporaneously at the offices of the Company on the closing date for the Preemptive Issuance set forth in the Participation Notice or at such other time and/or place as the Board shall specify by notice to each Participating Buyer, which such notice shall be delivered at least fifteen (15) business days prior to the proposed closing date. The delivery of the certificates or other instruments, if any, evidencing the Equity Securities to be issued to such Participating Buyer, registered in the name of such Participating Buyer, free and clear of any liens or encumbrances, with any transfer tax stamps affixed, shall be made on such date against payment of the subscription price for such Equity Securities in the form specified in the Participation Notice.

(g) Retroactive Compliance. Notwithstanding the notice requirements of Section 3.10(b), the Company may proceed with any Preemptive Issuance prior to having complied with the provisions of Section 3.10; provided that:

(i) the Board shall have determined that the Preemptive Issuance will not adversely affect any Eligible Member so long as such Eligible Members are given retroactive opportunity to participate in accordance with Section 3.10(g)(ii); and

(ii) the Company shall, within fifteen (15) business days of the consummation of such Preemptive Issuance (and in any event prior to making any distribution in respect of Equity Securities issued in connection therewith):

(A) provide to each Eligible Member who would have been entitled to receive a Participation Notice in connection with such Preemptive Issuance (1) notice of such Preemptive Issuance and (2) the Participation Notice described in Section 3.10(b) in which the actual price per share of Equity Securities shall be set forth, and permit each such Eligible Member to exercise his, her or its participation rights under this Section 3.10 with respect thereto; and

(B) (1) include in the subscription (or similar) agreement with the purchaser(s) of the Equity Securities a provision permitting the Company to repurchase

such securities in an amount necessary to satisfy the provisions of Section 3.10(c) in response to the Participation Notice furnished pursuant to clause (A) above or (2) cause the issuance of additional Equity Securities in an amount necessary to permit each requesting Eligible Member to purchase his, her or its Participation Portion of the total Preemptive Issuance, including the portion issued pursuant to this Section 3.10(g), in response to the Participation Notice furnished pursuant to clause (A) above.

(h) Exceptions. This Section 3.10 shall not apply to any (i) issuance to any Management Member; (ii) issuance to an employee (or Affiliate thereof) of the Company or any Subsidiary of the Company in his or her capacity as such; (iii) issuance upon the exercise or conversion of any Unit Equivalents; (iv) issuance pursuant to any deferred compensation arrangement of any director or employee (or in each case any Affiliate thereof) of the Company or any Subsidiary of the Company in his or her capacity as such; (v) issuance, dividend or distribution paid in securities or any subdivision or combination of securities; (vi) issuance (including a strategic issuance) of securities in connection with a joint venture, acquisition, disposition or business combination or in consideration for any bona-fide arms' length acquisition with a third-party, (vii) customary issuance of equity or equity equivalents as ancillary parts of a bona-fide arm's length debt-financing transaction or (viii) issuance pursuant to a public offering of the Company's securities.

(iii) Each person named as a Director herein or subsequently appointed as a Director is hereby designated as a “manager” (within the meaning of the Delaware Act) of the Company. **(c) Board Vacancies; Resignation; Removal.**

(i) Subject to Section 4.1(c)(ii), each Director shall hold his office until his death or until his successor shall have been duly elected and qualified in accordance with this Section 4.1. If any GSCP Director or David Fox, III shall cease for any reason to serve as a Director, the vacancy resulting thereby shall be filled by another person designated by the GSCP Members. Upon receipt of any such written request, the Board and the Members shall promptly take all such action necessary or desirable to cause the removal of such Director from office. Notwithstanding the foregoing, any Director may be removed for Director Cause by a Majority in Interest. Upon removal from the Board, the Director shall cease to be a “manager” (within the meaning of the Delaware Act).

(d) Meetings of the Board. The Board shall meet at such time as determined by a majority of the votes held by all Directors to discuss the business of the Company. The Board may hold meetings either within or without the State of Delaware. The Company and the Board shall give all Directors at least two days’ notice of all meetings of the Board.

(e) Quorum and Acts of the Board. At all meetings of the Board, a quorum shall consist of not less than a number of Directors holding a majority of the votes held by all Directors, provided that during the Initial Period a quorum shall include at least three (3) GSCP Directors. All actions of the Board shall require the affirmative vote of at least a majority of the votes held by all Directors (whether or not present at the meeting). Each Director shall be entitled to one vote on each matter that comes before the Board; provided that each GSCP Director, other than Harry K. Hornish (who shall be entitled to one vote on each matter that comes before the Board), shall be entitled to three (3) votes on each matter that comes before the Board. From and after the date hereof, the GSCP Members shall be entitled, upon provision of written notice to the Company, to increase or decrease the number of votes held by any GSCP Director. Any action that may be taken at a meeting of the Board or any committee thereof may also be taken by written consent of Directors holding a majority of the votes held by all Directors or members of the committee holding a majority of the votes held by all members of the committee in lieu of a meeting.

(f) Telephonic Board Meetings. The Company shall take or cause to be taken all necessary actions to allow any Director to attend telephonically any meeting of the Board or any committee thereof.

(g) Committees of Directors. The Board may, by resolution passed by a majority of the votes held by all Directors, designate one or more committees. Such resolution shall specify the duties, quorum requirements, number of votes and qualifications of each of the members of such committees, each such committee to consist of such number of Directors as the Board may fix from time to time; provided that each such committee shall include at least one RM Director and one McJ Director. The Board may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the

extent provided in the resolution of the Board, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Company. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board. Each committee shall keep regular minutes of its meetings and report the same to the Board when required.

The Company acknowledges that the provisions of this Section 4.1, including the GSCP Institutional Letter Agreement and the GSCP Parallel Letter Agreement, are intended to provide each of GSCP Institutional and GSCP Parallel with “contractual management rights” within the meaning of ERISA and the regulations promulgated thereunder.

Section 4.2 Directors as Agents. The Directors, to the extent of their powers set forth in this Agreement, are agents of the Company for the purpose of the Company’s business, and the actions of the Directors taken in accordance with such powers shall bind the Company.

Section 4.3 Officers. The Board shall appoint an individual or individuals to serve as the Company’s Chief Executive Officer, President and Chief Financial Officer and may, from time to time as it deems advisable, appoint additional officers of the Company (together with the Chief Executive Officer, President and Chief Financial Officer, the “**Officers**”) and assign such officers titles (including, without limitation, Vice President, Secretary and Treasurer). Unless the Board decides otherwise, if the title is one commonly used for officers of a business corporation formed under the Delaware General Corporation Law, the assignment of such title shall constitute the delegation to such person of the authorities and duties that are normally associated with that office. Any delegation pursuant to this Section 4.3 may be revoked at any time by the Board. Any Officer may be removed with or without cause by the Board, except as otherwise provided in any services or employment agreement between such Officer and the Company.

Each Member represents and warrants that (i) such Member's financial situation is such that such Member can afford to bear the economic risk of holding the Interests for an indefinite period and (ii) such Member can afford to suffer the complete loss of such Member's investment in the Interests.

(d) Access to Information; Sophistication; Lack of Reliance. Each Member represents and warrants that (i) such Member is familiar with the business and financial condition, properties, operations and prospects of the Company and that such Member has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Company and the terms and conditions of the purchase of the Interests and to obtain any additional information that such Member deems necessary; (ii) such Member's knowledge and experience in financial and business matters is such that such Member is capable of evaluating the merits and risk of the investment in the Interests; and (iii) such Member has carefully reviewed the terms and provisions of this Agreement and has evaluated the restrictions and obligations contained therein. In furtherance of the foregoing, each Member represents and warrants that (i) no representation or warranty, express or implied, whether written or oral, as to

the financial condition, results of operations, prospects, properties or business of the Company or as to the desirability or value of an investment in the Company has been made to such Member by or on behalf of the Company; (ii) such Member has relied upon such Member's own independent appraisal and investigation, and the advice of such Member's own counsel, tax advisors and other advisors, regarding the risks of an investment in the Company; and (iii) such Member will continue to bear sole responsibility for making its own independent evaluation and monitoring of the risks of its investment in the Company. For purposes of this Section 5.1(d), the Company includes each of the businesses to be acquired by the Company pursuant to the Merger Agreement.

(e) Accredited Investor. Each Member represents and warrants that such Member is an "accredited investor" as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act and, in connection with the execution of this Agreement, agrees to deliver such certificates to that effect as the Board may request.

#### Section 5.2 Covenants.

(a) Transactions with Affiliates. Except for transactions contemplated by this Agreement and transactions entered into at or prior to the Effective Time, neither the Company nor any of its Subsidiaries shall enter into any transactions with any of the GSCP Members or any of their Affiliates except for transactions which (i) are otherwise permitted or contemplated by this Agreement or (ii) are upon fair and reasonable terms not materially less favorable to the Company than it would obtain in a hypothetical comparable arms' length transaction with a Person that is not an Affiliate of the GSCP Members.

(b) Fees. Except as set forth in Section 14.11, the Company shall not pay or become obligated to pay any of the GSCP Members or any of their Affiliates any management, monitoring or similar fees with respect to the GSCP Members' investment in the Company without the prior written consent of (i) McJ Members holding a majority of the outstanding Common Units then held by all McJ Members and (ii) RM Members holding a majority of the outstanding Common Units then held by all RM Members.

(c) Regulatory Matters. The Company shall and shall cause its Subsidiaries to keep the GSCP Members informed, on a current basis, of any events, discussions, notices or changes with respect to any criminal or regulatory investigation or action involving the Company or any of its Subsidiaries, so that the GSCP Members and their Affiliates will have the opportunity to take appropriate steps to avoid or mitigate any regulatory consequences to them that might arise from such investigation or action.

Each Member’s Capital Account shall be further adjusted with respect to any special allocations pursuant to Section 8.2. Unless otherwise determined by the Board in a manner more favorable to such Management Member, in the event that a Management Member becomes an Inactive Management Member for any reason other than a termination of employment for Cause, a percentage of the Restricted Common Units and Profits Units issued to such Management Member shall be immediately forfeited for no consideration according to the following schedule:

If the termination occurs	Percentage of such Management Member's Restricted Common Units/ Profits Units to be Forfeited

<p>(d) <u>No Right to Continued Employment</u>. ## ARTICLE VIII ALLOCATIONS

Section 8.1 Book Allocations of Income and Loss. Except as provided in Section 8.2, each item of income, gain, loss and deduction of the Company shall be allocated among the Capital Accounts as of the end of the applicable Accounting Period in a manner that as closely as possible gives effect to the provisions of Article IX and the other relevant provisions of this Agreement.

Section 8.2 Special Book Allocations.

(a) Qualified Income Offset. If any Member unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulations section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) and such adjustment, allocation or distribution causes or increases a deficit in such Member's Capital Account (a "**Deficit**"), items of gross income and gain for such Accounting Period and each subsequent Accounting Period shall be specifically allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Deficit of such Member as quickly as possible; provided that an allocation pursuant to this Section 8.2(a) shall be made only if and to the extent that such Member would have a Deficit after all other allocations provided for in this Article VIII have been tentatively made as if this Section 8.2(a) were not in this Agreement. This Section 8.2(a) is intended to comply with the qualified income offset provision of Treasury Regulations section 1.704-1(b)(2)(ii)(d) and shall be interpreted in a manner consistent therewith.

(b) Restorative Allocations. Any special allocations of items of income or gain pursuant to this Section 8.2 shall be taken into account in computing subsequent allocations pursuant to this Agreement, so that the net amount for any item so allocated and all other items allocated to each Member pursuant to this Agreement shall be equal, to the extent possible, to the net amount that would have been allocated to each Member pursuant to the provisions of this Agreement if such special allocations had not occurred.

(c) Allocation Adjustments. Notwithstanding anything to the contrary herein, the Board is authorized to allocate items of income, gain, loss and expense and to otherwise modify the distributions and allocations provisions, to reflect any admission of new Members, or distributions of property, as determined by the Board in its sole discretion.

Section 8.3 Tax Allocations. The income, gains, losses, credits and deductions recognized by the Company shall be allocated among the Members, for U.S. federal, state and local income tax purposes, to the extent permitted under the Code and the Treasury Regulations,

in the same manner that each such item is allocated to the Members' Capital Accounts. Notwithstanding the foregoing, the Board shall have the power to make such allocations for U.S. federal, state and local income tax purposes so long as such allocations have substantial economic effect, or are otherwise in accordance with the Members' Interests, in each case within the meaning of the Code and the Treasury Regulations. In accordance with section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for U.S. federal income tax purposes and its fair market value at the time of contribution.

## ARTICLE IX DISTRIBUTIONS

### Section 9.1 Distributions Generally.

(a) In the sole discretion of the Board, the Company may from time to time distribute its available cash to the Members. The Company shall make any such distributions as follows:

(i) First, to the holders of Common Units (including Restricted Common Units), pro rata in proportion to the number of Common Units (including Restricted Common Units) outstanding at the time of such distribution, until each holder of Common Units (including Restricted Common Units) has received an amount equal to such holder's aggregate Capital Contributions prior to the time of such distribution.

(ii) Second, to the holders of all Units (including Profits Units), pro rata in proportion to the number of Units (including Profits Units) outstanding at the time of such distribution.

(b) Notwithstanding the foregoing and except as provided in Section 9.6, the amount of any distribution to a holder of Restricted Common Units shall not be made with respect to such holder's Restricted Common Units to the extent such Restricted Common Units are subject to forfeiture pursuant to Section 7.2(a)(ii) or pursuant to an Employment Agreement, as applicable, and such distributions shall be held by the Company until such time as such Restricted Common Units are no longer subject to such forfeiture.

(c) In the event that new Profits Units are issued after the Effective Time pursuant to the terms of this Agreement and with the approval of the Board, this Section 9.1 will be amended to reflect the issuance thereof.

(d) In the event that Common Units are issued after the Effective Time pursuant to the terms of this Agreement and with the approval of the Board, this Section 9.1 shall be amended to reflect the issuance thereof as may be necessary to give such Common Units their intended economics, as so determined by the Board. With regard thereto, it is understood and agreed notwithstanding anything in Section 9.1(a)(i) to the contrary, after the Common Units issued and

outstanding as of the Effective Time have received aggregate distributions in an amount equal to or greater than the aggregate Capital Contributions made at or prior to the Effective Time with respect to such Common Units, the Profits Units issued and outstanding as of the Effective Time will share with the Common Units issued and outstanding as of the Effective Time, pro rata, in any future distributions. Notwithstanding the foregoing, nothing herein shall preclude priority or other distributions to Common Units or any other Units issued after the Effective Time in accordance with their terms.

Section 9.2 Distributions In Kind. In the event of a distribution of Company property, such property shall for all purposes of this Agreement be deemed to have been sold at its Fair Market Value and the proceeds of such sale shall be deemed to have been distributed to the Members.

Section 9.3 No Withdrawal of Capital. Except as otherwise expressly provided in Section 12.10 or Article XIII, no Member shall have the right to withdraw capital from the Company or to receive any distribution or return of such Member's Capital Contributions.

Section 9.4 Withholding.

(a) Each Member shall, to the fullest extent permitted by applicable law, indemnify and hold harmless each Person who is or who is deemed to be the responsible withholding agent for U.S. federal, state or local income tax purposes against all claims, liabilities and expenses of whatever nature (other than any claims, liabilities and expenses in the nature of penalties and accrued interest thereon that result from such Person's fraud, willful misfeasance, bad faith or gross negligence) relating to such Person's obligation to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Company or as a result of such Member's participation in the Company.

(b) Notwithstanding any other provision of this Article IX, (i) each Member hereby authorizes the Company to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Company or any of its Affiliates with respect to such Member or as a result of such Member's participation in the Company and (ii) if and to the extent that the Company shall be required to withhold or pay any such taxes (including any amounts withheld from amounts payable to the Company to the extent attributable, in the judgment of the Members, to such Member's Interest), such Member shall be deemed for all purposes of this Agreement to have received a payment from the Company as of the time such withholding or tax is required to be paid, which payment shall be deemed to be a distribution with respect to such Member's Interest to the extent that the Member (or any successor to such Member's Interest) is then entitled to receive a distribution. To the extent that the aggregate of such payments to a Member for any period exceeds the distributions to which such Member is entitled for such period, such Member shall make a prompt payment to the Company of such amount.

(c) If the Company makes a distribution in kind and such distribution is subject to withholding or other taxes payable by the Company on behalf of any Member, such Member shall make a prompt payment to the Company of the amount of such withholding or other taxes by wire transfer.

Section 9.5 Restricted Distributions. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make a distribution to any Member on account of its Interest if such distribution would violate Section 18-607 or 18-804 of the Delaware Act or other applicable law.

Section 9.6 Tax Distributions. In the event that the Company sells an equity interest in a Subsidiary, resulting in taxable income being recognized by the Members, or the Members are otherwise allocated taxable income from the Company (in each case, other than upon an Exit Event), the Company may make distributions to the Members to the extent of available cash (as determined by the Board in its discretion) in an amount equal to such income multiplied by a reasonable tax rate determined by the Board; it being understood that, if the Members are allocated material taxable income without corresponding cash distributions sufficient to pay the resulting tax liabilities, it is the Company's intention to make the tax distributions referred to herein, provided that the Board in its sole discretion shall determine whether any such tax distributions will be made. Notwithstanding the foregoing, in the event holders of Restricted Common Units are allocated taxable income from the Company (other than upon an Exit Event) and, as a result of Section 9.1(b), the product of (i) the taxable income allocated to such holders of Restricted Common Units and (ii) a reasonable tax rate (determined by the Board) exceeds the distributions made to such holders of Restricted Common Units with respect to such Restricted Common Units, then the Company will make tax distributions to such holders of Restricted Common Units to the extent of available cash (as determined by the Board in its discretion) in an amount up to such excess. Any distributions made to a Member pursuant to this Section 9.6 shall reduce the amount otherwise distributable to such Member pursuant to the other provisions of this Agreement, so that to the maximum extent possible, the total amount of distributions received by each Member pursuant to this Agreement at any time is the same as such Member would have received if no distribution had been made pursuant to this Section 9.6. To the extent the cumulative sum of tax distributions made to a Member under this Section 9.6 has not been applied pursuant to the preceding sentence to reduce other amounts distributable to such Member, such Member shall contribute to the Company the remaining amounts necessary to give full effect to the preceding sentence on the date of the final liquidating distribution made by the Company pursuant to Section 13.2.

Section 9.7 Mandatory Distributions of Cash. In the event that the Company receives any cash (whether by selling an equity interest in a Subsidiary, by receiving a cash dividend from a Subsidiary or otherwise), the Company will distribute substantially all such cash to the Members in accordance with Article IX; provided, that this Section 9.7 shall not apply to any cash received by the Company as a capital contribution or reserved by the Company to pay any expenses or obligations, for contingencies or to satisfy the Company's obligations to make payments to any former McApple Shareholder.

## ARTICLE X

### BOOKS AND RECORDS

Section 10.1 Books, Records and Financial Statements. At all times during the continuance of the Company, the Company shall maintain, at its principal place of business,

separate books of account for the Company that shall show a true and accurate record of all costs and expenses incurred, all charges made, all credits made and received and all income derived in connection with the operation of the Company's business in accordance with generally accepted accounting principles consistently applied, and, to the extent inconsistent therewith, in accordance with this Agreement. Such books of account, together with a copy of this Agreement and the Certificate, shall at all times be maintained at the principal place of business of the Company and shall be open to inspection and examination at reasonable times by each Member and its duly authorized representative for any purpose reasonably related to such Member's Interest, provided that the Company may maintain the confidentiality of Schedule A.

Section 10.2 Filings of Returns and Other Writings; Tax Matters Partner.

(a) The Company shall timely file all Company tax returns and shall timely file all other writings required by any governmental authority having jurisdiction to require such filing. Within ninety (90) days after the end of each taxable year (or as soon as reasonably practicable thereafter), the Company shall send to each Person that was a Member at any time during such year copies of Schedule K-1, "Partner's Share of Income, Credits, Deductions, Etc.", or any successor schedule or form, with respect to such Person, together with such additional information as may be necessary for such Person to file his, her or its United States federal income tax returns.

(b) GSCP V shall be the tax matters partner of the Company, within the meaning of section 6231 of the Code (the "**Tax Matters Partner**") unless a Majority in Interest votes otherwise. Each Member hereby consents to such designation and agrees that upon the request of the Tax Matters Partner, such Member will execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent. The Tax Matters Partner shall, in its sole discretion, determine whether to make or revoke any tax election available to the Company pursuant to the Code.

(c) Promptly following the written request of the Tax Matters Partner, the Company shall, to the fullest extent permitted by applicable law, reimburse and indemnify the Tax Matters Partner for all reasonable expenses, including reasonable legal and accounting fees, claims, liabilities, losses and damages incurred by the Tax Matters Partner in connection with any administrative or judicial proceeding with respect to the tax liability of the Members, except to the extent arising from the bad faith, gross negligence, willful violation of law, fraud or breach of this Agreement by such Tax Matters Partner.

(d) The provisions of this Section 10.2 shall survive the termination of the Company or the termination of any Member's Interest and shall remain binding on the Members for as long a period of time as is necessary to resolve with the Internal Revenue Service any and all matters regarding the U.S. federal income taxation of the Company or the Members.

Section 10.3 Code Section 83 Safe Harbor Election.

(a) By executing this Agreement, each Member authorizes and directs the Company to elect to have the “Safe Harbor” described in the proposed Revenue Procedure set forth in Internal Revenue Service Notice 2005-43 (the “**Notice**”) apply to any interest in the Company transferred to a service provider by the Company on or after the effective date of such Revenue Procedure in connection with services provided to the Company. For purposes of making such Safe Harbor election, the Tax Matters Partner is hereby designated as the “partner who has responsibility for federal income tax reporting” by the Company and, accordingly, execution of such Safe Harbor election by the Tax Matters Partner constitutes execution of a “Safe Harbor Election” in accordance with Section 3.03(1) of the Notice. The Company and each Member hereby agree to comply with all requirements of the Safe Harbor described in the Notice, including the requirement that each Member shall prepare and file all U.S. federal income tax returns reporting the income tax effects of each Safe Harbor Partnership Interest (as defined in the Notice) issued by the Company in a manner consistent with the requirements of the Notice.

(b) A Member’s obligation to comply with the requirements of this Section 10.3 shall survive such Member’s ceasing to be a Member of the Company and/or the termination, dissolution, liquidation and winding up of the Company, and, for purposes of this Section 10.3, the Company shall be treated as continuing in existence.

(c) Each Member authorizes the Tax Matters Partner to amend Sections 10.3(a) and 10.3(b) to the extent necessary to achieve substantially the same tax treatment with respect to any interest in the Company transferred to a service provider by the Company in connection with services provided to the Company as set forth in Section 4 of the Notice (e.g., to reflect changes from the rules set forth in the Notice in subsequent Internal Revenue Service guidance), provided that such amendment is not materially adverse to such Member (as compared with the after-tax consequences that would result if the provisions of the Notice applied to all interests in the Company transferred to a service provider by the Company in connection with services provided to the Company).

(d) Each Member further agrees to execute any forms or documents reasonably necessary to effectuate any of the foregoing provisions of this Section 10.3.

Section 10.4 Accounting Method. For both financial and tax reporting purposes, the books and records of the Company shall be kept on the accrual method of accounting applied in a consistent manner and shall reflect all Company transactions and be appropriate and adequate for the Company’s business.

## ARTICLE XI

### LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 11.1 Liability. Except as otherwise provided by the Delaware Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person.

Section 11.2 Exculpation. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence, willful misconduct or willful breach of this Agreement.

Section 11.3 Fiduciary Duty. Any duties (including fiduciary duties) of a Covered Person to the Company or to any other Covered Person that would otherwise apply at law or in equity are hereby eliminated to the fullest extent permitted under the Delaware Act and any other applicable law, provided that (i) the foregoing shall not eliminate the obligation of each Covered Person to act in compliance with the express terms of this Agreement and (ii) the foregoing shall not be deemed to eliminate the implied contractual covenant of good faith and fair dealing. Notwithstanding anything to the contrary contained in this Agreement, each of the Members hereby acknowledges and agrees that each Director, in determining whether or not to vote in support of or against any particular decision for which the Board's consent is required, may act in and consider the best interest of the Member or Members who designated such Director and shall not be required to act in or consider the best interests of the Company, any Subsidiary of the Company or any other Members.

Section 11.4 Indemnification. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that no Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Covered Person by reason of such Covered Person's gross negligence, willful misconduct or willful breach of this Agreement with respect to such acts or omissions; provided, that any indemnity under this Section 11.4 shall be provided out of and to the extent of Company assets only, and no Covered Person shall have any personal liability on account thereof.

Section 11.5 Expenses. To the fullest extent permitted by applicable law, expenses (including, without limitation, reasonable attorneys' fees, disbursements, fines and amounts paid in settlement) incurred by a Covered Person in defending any claim, demand, action, suit or proceeding relating to or arising out of their performance of their duties on behalf of the Company shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an undertaking by or on behalf of the Covered Person to repay such amount if it shall ultimately be determined by a court of competent jurisdiction that the Covered Person is not entitled to be indemnified as authorized in this Section 11.5.

Section 11.6 Severability. To the fullest extent permitted by applicable law, if any portion of this Article shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Director or Officer and may indemnify each employee or agent of the Company as to costs, charges and expenses (including reasonable

attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Company, to the fullest extent permitted by any applicable portion of this Article that shall not have been invalidated.

## ARTICLE XII

### TRANSFERS OF INTERESTS

Section 12.1 Restrictions on Transfers of Interests by Investor Members. Prior to the one (1) year anniversary of a Qualified IPO, no McJ Member, RM Member or Management Member shall Transfer any Units other than, subject in each case to Section 12.2(c) and (f), (i) with the approval of the Board, (ii) Common Units by a McJ Member or RM Member pursuant to a Permitted Transfer, (iii) Profits Units by a Management Member pursuant to Section 12.3, (iv) pursuant to Section 12.7, (v) pursuant to Section 12.8, (vi) pursuant to Section 12.9, (vii) pursuant to the Registration Rights Agreement, (viii) to the Company by any Former McApple Shareholder pursuant to the Put Option in accordance with the McApple Contribution Agreement or (ix) to the Company pursuant to Article VII. Each GSCP Member may Transfer all or any part of its Units at any time to any Person, subject to compliance with Section 12.7 to the extent applicable, and applicable securities laws.

Section 12.2 Overriding Provisions. Notwithstanding anything to the contrary in this Agreement:

(a) Any Transfer in violation of this Article XII shall be null and void *ab initio*, and the provisions of Section 12.2(e) shall not apply to any such Transfers. The approval of any Transfer in any one or more instances shall not limit or waive the requirement for such approval in any other or future instance.

(b) All Transfers permitted under this Article XII are subject to this Section 12.2 and Sections 12.4 and 12.5.

(c) In addition to meeting all of the other requirements of this Agreement, no Transfer by a Member pursuant to the terms of this Article XII shall be effected on or through an "established securities market" or a "secondary market or the substantial equivalent thereof," as such terms are used in Treasury Regulations section 1.7704-1, and, at the request of the Board, the transferor and/or the transferee shall provide the Company with an opinion of counsel, in form and substance reasonably acceptable to the Board, that such Transfer was effected in compliance with this Section 12.2(c). For the avoidance of doubt, the Board may, in its sole discretion, refuse to accept any opinion of counsel with respect to any Transfer that is not described in one of the "safe harbors" set forth in paragraph (e) of Treasury Regulations section 1.7704-1.

(d) The Company shall promptly amend Schedule A to reflect any permitted Transfers of Interests pursuant to and in accordance with this Article XII.

(e) The Company shall, from the effective date of any permitted assignment of an Interest (or part thereof), thereafter pay all further distributions on account of such Interest (or part thereof) to the assignee of such Interest (or part thereof), provided that such assignee shall have no right or powers as a Member unless such assignee complies with Section 12.5.

(f) The Board may prohibit any Transfer by a Member if, in the reasonable discretion of the Board, such Transfer would (i) cause the number of Interests to be held of record by 450 or more Persons, as such determination would be made pursuant to Section 12(g) of the Exchange Act, or (ii) otherwise cause the Company to be subject to the registration requirements of Section 12 of the Exchange Act.

Section 12.3 Involuntary Transfers. Any transfer of title or beneficial ownership of Profits Units by a Management Member upon default, foreclosure, forfeit, divorce, court order or otherwise than by a voluntary decision on the part of such Management Member (each, an “**Involuntary Transfer**”) shall be void unless the Management Member complies with this Section 12.3 and enables the Company to exercise in full its rights hereunder. Upon any Involuntary Transfer, the Company shall have the right to purchase such Profits Units pursuant to this Section 12.3 and the Person to whom such Profits Units have been Transferred (the “**Involuntary Transferee**”) shall have the obligation to sell such Profits Units in accordance with this Section 12.3. Upon the Involuntary Transfer of any Profits Units, such Management Member shall promptly (but in no event later than two days after such Involuntary Transfer) furnish written notice to the Company indicating that the Involuntary Transfer has occurred, specifying the name of the Involuntary Transferee, giving a detailed description of the circumstances giving rise to, and stating the legal basis for, the Involuntary Transfer. Upon the receipt of the notice described in the preceding sentence, and for sixty (60) days thereafter, the Company shall have the right to purchase, and the Involuntary Transferee shall have the obligation to sell, all (but not less than all) of the Profits Units acquired by the Involuntary Transferee for a purchase price equal to the lesser of (i) the Fair Market Value of such Interest and (ii) the amount of the indebtedness or other liability that gave rise to the Involuntary Transfer plus the excess, if any, of the Carrying Value of such Interests over the amount of such indebtedness or other liability that gave rise to the Involuntary Transfer. Notwithstanding anything to the contrary, any Involuntary Transfer of Profits Units shall result in the immediate forfeiture of such Profits Units and without any compensation therefor, and such Involuntary Transferee shall have no rights with respect to such Profits Units. The provisions of Article VII providing for no consideration upon a forfeiture are exclusive and no holder of any forfeited Restricted Common Unit and Profits Unit shall be entitled to any rights under this Agreement with respect thereto (including, without limitation, pursuant to Article IX) nor any claim to any distribution under Section 18-604 of the Delaware Act or otherwise.

Section 12.4 Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the Company and its successors and assigns and each Member and his, her and its respective successors, permitted assigns, heirs and personal representatives, so long as they hold Units. Each Member shall have the right to assign all or part of its or his rights and obligations under this Agreement only to a transferee pursuant to a Transfer of Units in compliance with the terms of this Agreement. Upon any such assignment, such assignee shall have and be able to exercise and enforce all rights of

the assigning Member which are assigned to it and, to the extent such rights are assigned, any reference to the assigning Member shall be treated as a reference to the assignee.

Section 12.5 Substitute Members. In the event any Management Member or Investor Member Transfers its Interest in compliance with the other provisions of this Article XII (other than Section 12.3), the transferee thereof shall have the right to become a substitute Management Member or substitute Investor Member, as the case may be, but only upon satisfaction of the following:

(a) execution of such instruments as the Board deems reasonably necessary or desirable to effect such substitution; and

(b) the parties hereto hereby agree that any person who acquires any Units from the Company on or after the date hereof shall become, prior to such acquisition, a signatory to this Agreement by executing a written instrument (which may include a Letter of Transmittal (as defined in the Merger Agreement)) setting forth that the person agrees to be bound by the terms and conditions of this Agreement and this Agreement will be deemed to be amended to include such person as a Member and, in the case of a transferee of a Management Member who resides in a state with a community property system, such transferee causes his or her spouse, if any, to execute a Spousal Waiver in the form of Exhibit B attached hereto. Upon the execution of the instrument of assumption by such transferee and, if applicable, the Spousal Waiver by the spouse of such transferee, such transferee shall enjoy all of the rights and shall be subject to all of the restrictions and obligations of the transferor of such transferee.

Section 12.6 Release of Liability. In the event any Member shall Transfer such Member's entire Interest (other than in connection with an Exit Event) in compliance with the provisions of this Agreement, without retaining any interest therein, directly or indirectly, then the selling Member shall, to the fullest extent permitted by applicable law, be relieved of any further liability arising hereunder for events occurring from and after the date of such Transfer, provided, however, that no such Transfer shall relieve any Member of its obligations pursuant to Section 3.6 hereof and such obligations shall survive any termination of such Member's membership in the Company.

Section 12.7 Tag-Along Rights.

(a) Subject to Section 12.7(e) and the last two sentences of this Section 12.7(a), prior to a Qualified IPO, if any GSCP Member proposes to Transfer any Units to any Person(s) other than to an Affiliate of any GSCP Member, it shall give not less than fifteen (15) business days' prior written notice (the "**Tag-Along Notice**") of such intended Transfer to each other Member (the "**Tag-Along Members**") (with a copy to the Company), which shall identify the proposed transferee (the "**Tag-Along Offeror**"), the aggregate number of Units being Transferred, the purchase price therefor, the form of consideration and a summary of the other material terms and conditions of the proposed Transfer, and shall contain an offer (the "**Tag-Along Offer**") by the Tag-Along Offeror to each Tag-Along Member, which shall be irrevocable for a period of fifteen (15) business days after the delivery thereof (the "**Tag-Along Period**") (and, to the extent the Tag-Along Offer is accepted during such period, shall remain irrevocable until the

consummation of the Transfer contemplated by the Tag-Along Offer), to purchase the Units (as calculated below) of such Tag-Along Member at the same price per Unit to be paid to, and upon the same terms and conditions as, the GSCP Members. Notice of any Member's intention to accept a Tag-Along Offer, in whole or in part, shall be irrevocable and shall be evidenced by a writing signed by such Tag-Along Member and delivered to the Tag-Along Offeror (with a copy to the Company) prior to the end of the Tag-Along Period, setting forth the number and class of Units that Tag-Along Member elects to Transfer (each such notice, a "Tag-Along Acceptance Notice"); provided, however, that such Tag-Along Member may only Transfer up to that number of Units as shall equal the product of (x) a fraction, the numerator of which is the aggregate number of Units proposed to be acquired by the Tag-Along Offeror(s) and the denominator of which is the aggregate number of Units held by the GSCP Members and the other Members as of the date of the Tag-Along Notice and (y) the number of Units owned by such Tag-Along Member as of the date of the Tag-Along Notice. The Tag-Along Offer may be accepted in whole or in part at the option of each of the Tag-Along Members; and provided, further, that the Tag-Along Members who initially accepted the Tag-Along Offer to the maximum extent to which he, she or it was entitled and the GSCP Members shall each have the opportunity to Transfer to the Tag-Along Offeror, on a pro rata basis, the number of Units for which the Tag-Along Members were permitted to accept in the Tag-Along Offer but did not, if any. The number of Units proposed to be Transferred by the GSCP Members shall be reduced if and to the extent necessary to comply with this Section 12.7(a). In the event that a Transfer by the GSCP Members does not constitute an Exit Event, unless otherwise determined by the Board in its sole discretion, Management Members may only participate in such sale with respect to their Common Units (other than Non-Vested Restricted Common Units) and Eligible Profits Units. In the event that a Transfer by the GSCP Members does not constitute a Transfer of ten percent (10%) or more of the aggregate number of Units then held by the GSCP Members, unless otherwise determined by the Board in its sole discretion, Coinvest Management Members shall not be entitled to participate in such sale pursuant to this Section 12.7.

(b) All Transfers of Units to the Tag-Along Offeror shall be consummated contemporaneously at the offices of the Company on the later of (i) the closing date for the Transfer by the GSCP Members to the Tag-Along Offeror, which shall not be more than sixty (60) days after the expiration of the Tag-Along Period or (ii) the fifth day following the expiration or termination of all waiting periods under anti-trust or competition laws applicable to such Transfers, or at such other time and/or place as the parties to such Transfers may collectively agree. The delivery of certificates or other instruments, if applicable, evidencing such Units duly endorsed for Transfer shall be made on such date against payment of the purchase price for such Units in the form specified in the Tag-Along Notice. In connection with the consummation of a Transfer pursuant to this Section 12.7, such Tag-Along Members accepting the Tag-Along Offer shall execute all documents containing such terms and conditions, including, without limitation, representations and warranties with respect to (x) matters of title to such Tag-Along Member's Units and (y) the due authorization (or capacity) and due and valid execution and delivery by such Tag-Along Member of documentation in respect of such Transfer, as those executed by the GSCP Members; provided that the liability of such Tag-Along Member in connection with the Transfer of Units pursuant to such Tag-Along Offer (whether pursuant to a representation, warranty, covenant, indemnification provision or agreement) shall be limited to the gross proceeds received by such Tag-Along Member in

connection with such Transfer. Each Tag-Along Member shall execute and deliver such other instruments and agreements as may be reasonably requested by the Tag-Along Offeror or the GSCP Members.

(c) Each Tag-Along Member will take all such actions, including, without limitation, voting his, her or its Units in favor of such Tag-Along Offer and waiving any appraisal, dissenter or similar rights under applicable law as may be reasonably requested by the GSCP Members to carry out the purposes of this Section 12.7.

(d) If after the later of (i) one hundred eighty (180) days following the expiration of the Tag-Along Period and (ii) the fifth day following the expiration or termination of all waiting periods under anti-trust or competition laws applicable to such Transfers (or at such other time and/or place as the parties to such Transfers may collectively agree), the Transfers of Units pursuant to this Section 12.7 have not been consummated (except by reason of a breach by any Tag-Along Member), each Tag-Along Member shall be released from his, her or its obligations under his, her or its Tag-Along Acceptance Notice, the Tag-Along Offer and each Tag-Along Acceptance Notice shall be null and void, and it shall be necessary for a separate Tag-Along Offer to be furnished, and the terms and provisions of this Section 12.7 separately complied with, in order to consummate an applicable Transfer pursuant to this Section 12.7.

(e) The requirements of this Section 12.7 shall not apply to any Transfer of Units to a Drag-Along Transferee pursuant to Section 12.8 or any Transfer of Units pursuant to Section 12.9.

#### Section 12.8 Drag-Along Rights.

(a) Prior to a Qualified IPO, if any GSCP Member proposes to (i) Transfer Units to any Person(s) other than to an Affiliate of any GSCP Member, or (ii) effect an Exit Event (any such Transfer or Exit Event referred to in (i) and (ii) above, a **“Drag-Along Sale”**, and the transferee with respect to a Drag-Along Sale, the **“Drag-Along Transferee”**), then such GSCP Member may (subject to any Former McApple Shareholder’s Put Option in accordance with the McApple Contribution Agreement, if applicable, and subject to applicable law) require all other Members (the **“Drag-Along Members”**) to Transfer Units (as calculated below) as a part of such Drag-Along Sale to such Drag-Along Transferee at the same price per Unit to be paid to, and upon the same terms and conditions as, the GSCP Members, all of which shall be set forth in the Drag-Along Notice (as defined below). Each Drag-Along Member shall be required to Transfer that number of Units as shall, subject to Section 12.8(f), equal the product of (x) a fraction, the numerator of which is the number of Units proposed to be Transferred by the GSCP Members to the Drag-Along Transferee and the denominator of which is the aggregate number of Units owned as of the date of the Drag-Along Notice by the GSCP Members and (y) the number of Units owned by such Drag-Along Member as of the date of the Drag-Along Notice.

(b) The rights set forth in Section 12.8(a) shall be exercised by giving written notice (the **“Drag-Along Notice”**) to each Drag-Along Member (with a copy to the Company) at least fifteen (15) business days’ prior to the proposed closing date of such Drag-Along Sale, which notice shall identify the Drag-Along Transferee, the number of Units proposed to be Transferred

pursuant to the Drag-Along Sale, the purchase price therefor, the form of consideration and a summary of the other material terms and conditions of the proposed Drag-Along Sale and the proposed closing date thereof.

(c) All Transfers of Units to the Drag-Along Transferee shall be consummated contemporaneously at the offices of the Company on the later of (i) the closing date for the Transfer by the GSCP Members to the Drag-Along Transferee set forth in the Drag-Along Notice or (ii) the fifth day following the expiration or termination of all waiting periods under anti-trust or competition laws applicable to such Transfers, or at such other time and/or place as the GSCP Members and the Drag-Along Transferee may collectively agree. The delivery of certificates or other instruments evidencing such Units duly endorsed for Transfer, if applicable, shall be made on such date against payment of the purchase price for such Units in the form specified in the Drag-Along Notice. In connection with the consummation of a Transfer pursuant to this Section 12.8, such Drag-Along Member shall execute all documents containing such terms and conditions, including, without limitation, representations and warranties with respect to (x) matters of title to such Drag-Along Member's Units and (y) the due authorization (or capacity) and due and valid execution and delivery by such Drag-Along Member of documentation in respect of such Transfer, as those executed by the GSCP Members; provided that the liability of such Drag-Along Member in connection with his, her or its Transfer of Units pursuant to such Drag-Along Sale (whether pursuant to a representation, warranty, covenant, indemnification provision or agreement) shall be limited to the gross proceeds received by such Member in connection with such Transfer. Each Member shall execute and deliver such other instruments and agreements as may be reasonably requested by the Drag-Along Transferee or the GSCP Members.

(d) If after the later of (i) one hundred eighty (180) days following delivery of the Drag-Along Notice and (ii) the fifth day following the expiration or termination of all waiting periods under anti-trust or competition laws applicable to such Transfers (or at such other time and/or place as the parties to such Transfers may collectively agree), the Transfers of Units pursuant to this Section 12.8 have not been consummated (except by reason of a breach by any Drag-Along Member), each Drag-Along Member shall be released from his, her or its obligations with respect to such proposed Transfers, the Drag-Along Offer and the Drag-Along Notice shall be null and void, and it shall be necessary for a separate Drag-Along Offer to be furnished, and the terms and provisions of this Section 12.8 separately complied with, in order to consummate a Drag-Along Sale.

(e) Any Exit Event may be structured as an auction and may be initiated by the delivery to the Company and the Drag-Along Members of a written notice that the GSCP Members have elected to initiate an auction sale procedure. The GSCP Members shall be entitled to take all steps reasonably necessary to carry out an auction of the Company, including, without limitation, selecting an investment bank, providing confidential information (pursuant to confidentiality agreements), selecting the winning bidder and negotiating the requisite documentation. The Company and each Drag-Along Member shall provide assistance with respect to these actions as reasonably requested by the GSCP Members.

(f) In the event the GSCP Members sell less than 100% of their Common Units, the number of Units that the Drag-Along Members shall be required to transfer pursuant to Section 12.8(a) shall be based on the relative number of Common Units held by each of them unless the Board in its sole discretion determines that the Profits Units shall participate in the sale, in which case the principles applicable to any Exit Event pursuant to Section 12.8(g) shall apply to such sale.

(g) In the event that an Exit Event is structured as a sale of Interests by the Members, rather than a sale of the Company's assets with a subsequent distribution of proceeds by the Company, then the purchase agreement governing such Interest sale will have provisions therein which replicate, to the greatest extent possible, the economic result which would have been attained under Articles IX and XIII had the Exit Event been structured as a sale of the Company's assets and a distribution of proceeds.

(h) Any transaction costs, including transfer taxes and legal, accounting and investment banking fees incurred by the Company and the GSCP Members in connection with an Exit Event shall, unless the applicable purchaser refuses, be borne by the Company in the event of a merger, consolidation or sale of assets and shall otherwise be borne by the Members on a pro rata basis based on the consideration received by each Member in such Exit Event.

#### Section 12.9 Qualified IPO.

(a) Generally. Upon a determination by the Board to effect a Qualified IPO, the Board shall take such actions as are necessary to structure the Qualified IPO, including, without limitation, causing the public offering of the stock of an existing or newly formed Subsidiary of the Company (a "**Subsidiary IPO**") or effecting any Transfers, mergers, consolidations or restructurings pursuant to Section 12.9(b) and making any such amendments to this Agreement as may be deemed by the Board to be necessary to facilitate such IPO; provided that, (x) any such amendment that would adversely impact the McJ Members in a manner differently than it impacts the GSCP Members shall be subject to the prior approval of McJ Members holding a majority of the Common Units then held by all McJ Members, such approval not to be unreasonably withheld, and (y) any such amendment that would adversely impact the RM Members in a manner differently than it impacts the GSCP Members shall be subject to the prior approval of RM Members holding a majority of the Common Units then held by all RM Members, such approval not to be unreasonably withheld.

(b) IPO of Newco or the Company. In the event of a determination by the Board to effect a Qualified IPO pursuant to Section 12.9(a), the Board can require in order to facilitate such Qualified IPO (i) a Transfer of all or substantially all of (x) the assets of the Company or (y) the Interests to a newly organized stock corporation or other business entity ("**Newco**"), (ii) a merger of the Company into Newco by merger or consolidation or (iii) any other restructuring of the Interests, in any such case in anticipation of a Qualified IPO, and each Member shall take such steps to effect such Transfer, merger, consolidation or other restructuring as may be requested by the Board, including, without limitation, Transferring such Member's Interests to Newco in exchange for capital stock of Newco; provided, that, in the event of such an exchange, each Interest would be exchanged for a number of shares of Newco stock determined in a manner

such that each Member is treated no less favorably than such Member would have been treated upon an Exit Event (assuming the value of the consideration to be received by such Investor Members or such Investor Member, as the case may be, in the Exit Event is the mid-point of the filing range in the Qualified IPO); and provided, further, in lieu of effecting such exchange of the Common Units (and/or at the option and request of the Board, Profits Units) of Management Members, the Company shall, at the request of the Board, pay to the Management Members cash in an amount equal to the aggregate Fair Market Value of the shares such Management Member would otherwise have received pursuant to the preceding proviso. Notwithstanding the preceding sentence, no Member shall be required to take any action or omit to take any action to the extent such action or omission violates applicable law. If the Board determines to effect a Qualified IPO pursuant to this Section 12.9 and the Members receive shares of Newco pursuant to any such Transfer, merger, consolidation or restructuring, each Member agrees that the Company may (without the consent of any Member) amend the Registration Rights Agreement to reflect the transactions contemplated by this Section 12.9.

(c) Subsidiary IPO. In the event that the Board determines to effect a Qualified IPO pursuant to Section 12.9(a) and elects that such Qualified IPO occur through a Subsidiary IPO, then this Agreement shall continue to remain in full force and effect with any amendments or modifications thereto as shall be effectuated by the Board; provided that, following such Subsidiary IPO, (i) the Company and such existing or newly formed Subsidiary shall enter into a registration rights agreement that is substantially similar to the Registration Rights Agreement, except that such registration rights agreement will provide for rights of the Company to request registrations of its equity interests in such existing or newly formed Subsidiary (and to piggyback on such registrations) rather than providing for the rights of Members to participate directly in public offerings and (ii) the Members shall amend this Agreement or enter into such ancillary agreements as they deem necessary to permit such Members to achieve liquidity with respect to their Interest in the Company (indirectly, through the Company's exercise of its registration rights in such existing or newly formed Subsidiary and through the Company's use of the proceeds resulting therefrom to redeem Units from Members) to the same extent as they would have been entitled to do had there been an IPO of Newco rather than a Subsidiary IPO.

#### Section 12.10 Redemption Rights.

(a) Redemption by McJ Members. Subject to the Put Option of the Former McApple Shareholders, if applicable, from and after the first anniversary of a Qualified IPO, McJ Members holding a majority of the outstanding Common Units then held by all McJ Members will have the right to cause the Company to redeem the Common Units held by all McJ Members in return for their share of the Company's assets that they would receive if the Company were to be liquidated under Article XIII on such redemption date (or use its reasonable best efforts to cause the shares of MRM to be distributed to the McJ Members if the Qualified IPO is a Qualified IPO of MRM). The date of such redemption requested by the McJ Members shall be the date determined by the Board in its reasonable discretion. Upon a redemption pursuant to this Section 12.10(a), each Member agrees that the Company may (without the consent of any Member) amend the Registration Rights Agreement and this Agreement (including amendments to allocations of income, gain or loss, to cause the McJ Members to have a capital account balance immediately before the distribution equal to the value of the assets being distributed to

them, as determined by the Board in its sole discretion) to reflect the transactions contemplated by this Section 12.10(a). Notwithstanding the forgoing, the Company will not be required to make any redemption pursuant to this Section 12.10(a) if the Board determines that such redemption is reasonably likely to have a material adverse tax consequence to the Company or to any Member other than the Members requesting such redemption.

(b) Redemption by RM Members. From and after the first anniversary of a Qualified IPO, RM Members holding a majority of the outstanding Common Units then held by all RM Members will have the right to cause the Company to redeem the Common Units held by all RM Members in return for their share of the Company's assets that they would receive if the Company were to be liquidated under Article XIII on such redemption date (or use its reasonable best efforts to cause the shares of any Subsidiary to be distributed to the RM Members if the Qualified IPO is a Subsidiary IPO). The date of such redemption requested by the RM Members shall be the date determined by the Board in its reasonable discretion. Upon a redemption pursuant to this Section 12.10(b), each Member agrees that the Company may (without the consent of any Member) amend the Registration Rights Agreement and this Agreement (including amendments to allocations of income, gain or loss, to cause the RM Members to have a capital account balance immediately before the distribution equal to the value of the assets being distributed to them, as determined by the Board in its sole discretion) to reflect the transactions contemplated by this Section 12.10(b). Notwithstanding the forgoing, the Company will not be required to make any redemption pursuant to this Section 12.10(b) if the Board determines that such redemption is reasonably likely to have a material adverse tax consequence to the Company or to any Member other than the Members requesting such redemption.

#### Section 12.11 Certain Call Rights Upon Termination of Employment.

(a) Except as otherwise agreed in writing by the Company, if the employment of any Coinvest Management Member with the Company or any of its Subsidiaries terminates for any reason (such time being referred to as the "**Termination Date**"), the Company shall have the right, but not the obligation, to purchase, for cash, in one or more transactions, all or any portion of the Common Units held by such Coinvest Management Member (the "**Equity Call Option**") and such Common Units subject to the Equity Call Option, the "**Call Equity Securities**") at the Equity Call Purchase Price.

(b) If the Company desires to exercise the Equity Call Option, it shall deliver written notice thereof (a "**Call Notice**") to the Coinvest Management Member no later than the first anniversary of the Termination Date (the "**Call Period**"), which notice shall set forth the number of and identify the Call Equity Securities of the Coinvest Management Member the Company desires to repurchase, the Equity Call Purchase Price for each such Call Equity Security, and the proposed closing date of the transaction.

(c) All sales of Call Equity Securities to the Company pursuant to this Section 12.11 shall be consummated at the offices of the Company at such time specified in the Call Notice, or at such other time and/or place as the Company may otherwise agree. The delivery of certificates or other instruments evidencing such Call Equity Securities duly endorsed for

transfer shall be made on such date against payment of the purchase price for such Call Equity Securities.

(d) Notwithstanding anything to the contrary contained in this Agreement, all repurchases of Call Equity Securities by the Company pursuant to the Equity Call Option shall be subject to applicable restrictions contained in the Delaware Act or such other governing law, and in the Company's and its Subsidiaries' debt and equity financing agreements.

### ARTICLE XIII

#### DISSOLUTION, LIQUIDATION AND TERMINATION

Section 13.1 Dissolving Events. The Company shall be dissolved and its affairs wound up in the manner hereinafter provided upon the first to occur of any of the following events:

(a) the Board and a Majority in Interest of the Members shall vote or agree in writing to dissolve the Company;

(b) any event which under applicable law would cause the dissolution of the Company, provided that, unless required by applicable law, the Company shall not be wound up as a result of any such event and the business of the Company shall continue.

Notwithstanding the foregoing, the death, retirement, resignation, expulsion, bankruptcy or dissolution of any Member or the occurrence of any other event that terminates the continued membership of any Member in the Company under the Delaware Act shall not, in and of itself, cause the dissolution of the Company. In such event, the remaining Member(s) shall continue the business of the Company without dissolution.

Section 13.2 Dissolution and Winding-Up. Upon the dissolution of the Company, the assets of the Company shall be liquidated or distributed under the direction of and to the extent determined by the Board and the business of the Company shall be wound up. Within a reasonable time after the effective date of dissolution of the Company, the Company's assets shall be distributed in the following manner and order:

First, to creditors in satisfaction of indebtedness (other than any loans or advances that may have been made by any of the Members to the Company), whether by payment or the making of reasonable provision for payment, and the expenses of liquidation, whether by payment or the making of reasonable provision for payment, including the establishment of reasonable reserves (which may be funded by a liquidating trust) determined by the Board or the liquidating trustee, as the case may be, to be reasonably necessary for the payment of the Company's expenses, liabilities and other obligations (whether fixed, conditional, unmatured or contingent);

Second, to the payment of loans or advances that may have been made by any of the Members to the Company; and

Third, to the Members in accordance with Section 9.1, taking into account any amounts previously distributed under Section 9.1 and 9.6. provided that no payment or distribution in any of the foregoing categories shall be made until all payments in each prior category shall have been made in full, and provided, further, that if the payments due to be made in any of the foregoing categories exceed the remaining assets available for such purpose, such payments shall be made to the Persons entitled to receive the same pro rata in accordance with the respective amounts due to them.

Section 13.3 Distributions in Cash or in Kind. Upon the dissolution of the Company, the Board shall use all commercially reasonable efforts to liquidate all of the Company's assets in an orderly manner and apply the proceeds of such liquidation as set forth in Section 13.2, provided that if in the good faith judgment of the Board, a Company asset should not be liquidated, the Board shall cause the Company to allocate, on the basis of the Fair Market Value of any Company assets not sold or otherwise disposed of, any unrealized gain or loss based on such value to the Members' Capital Accounts as though the assets in question had been sold on the date of distribution and, after giving effect to any such adjustment, distribute such assets in accordance with Section 13.2 as if such Fair Market Value had been received in cash, subject to the priorities set forth in Section 13.2, and provided, further, that the Board shall in good faith attempt to liquidate sufficient Company assets to satisfy in cash (or make reasonable provision for) the debts and liabilities referred to in Section 13.2.

Section 13.4 Termination. The Company shall terminate when the winding up of the Company's affairs has been completed, all of the assets of the Company have been distributed and the Certificate has been canceled, all in accordance with the Delaware Act.

Section 13.5 Claims of the Members. The Members and former Members shall look solely to the Company's assets for the return of their Capital Contributions, and if the assets of the Company remaining after payment of or due provision for all debts, liabilities and obligations of the Company are insufficient to return such Capital Contributions, the Members and former Members shall have no recourse against the Company or any other Member.

**AMENDMENT NO. 1 TO THE  
AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT  
OF  
PVF HOLDINGS LLC**

This Amendment No. 1 (this “Amendment”) to the Amended and Restated Limited Liability Company Agreement of PVF Holdings LLC (the “Company”) dated October 31, 2007 (the “Agreement”) is entered into and effective as of December 18, 2007, by and among the GSCP Members.

**WITNESSETH**

WHEREAS, pursuant to Section 14.12 of the Agreement, the amendments set forth herein may be made with the written approval of the Members holding a majority of the then outstanding Common Units (which majority must include the GSCP Members); and

WHEREAS, the GSCP Members, who, as of the date hereof hold in the aggregate a majority of the outstanding Common Units, wish to amend the Agreement as set forth herein.

NOW, THEREFORE, in consideration of the foregoing, the GSCP Members hereby agree as follows:

**1. Amendments.**

1.1. Section 5.1(e) of the Agreement is hereby amended by adding the following at the beginning of such subsection:

Except as may otherwise be provided in a Member’s subscription agreement with respect to his, her or its Interests,

1.2. ARTICLE VI of the Agreement is hereby amended to add a new Section 6.5 as follows:

Section 6.5 Midfield Members.

(a) Notwithstanding the provisions of Section 6.3, each Midfield Member shall be required to contribute cash to the Company in an amount equal to the amount of United States Dollars set forth under the heading “Deferred Capital Contribution” on Schedule A, as adjusted pursuant to this Section 6.5(a). Beginning on the date such Midfield Member is admitted as a Member of the Company, interest shall accrue on his or her outstanding Deferred Capital Contribution at a rate of 3.88% per annum, compounded annually on each anniversary of the date such Midfield Member is admitted as Member of the Company and calculated

---

on the basis of a three hundred sixty-five (365) day-year or three hundred sixty-six (366) day-year, as applicable, applied to the actual number of days such Deferred Capital Contribution is outstanding (with respect to each Midfield Member, the sum of (x) his or her Deferred Capital Contribution and (y) any accrued interest, such Midfield Member's "**Deferred Cash Contribution Amount**"). Each Midfield Member shall be required to contribute his or her Deferred Cash Contribution Amount to the Company on the earlier to occur of (i) the date of the closing of Red Man Pipe & Supply Canada Ltd.'s exercise of its call right set forth in Section 10 of the Midfield Shareholders Agreement and (ii) December 31, 2008 (the earlier of (i) and (ii), the "**Due Date**"). Upon contribution of cash by a Midfield Member to the Company in an amount equal to such Midfield Member's Deferred Cash Contribution Amount, all Deferred Common Units held by such Midfield Member shall no longer be Deferred Common Units but shall remain as Common Units. A Midfield Member's Deferred Capital Contribution, as set forth on Schedule A, shall constitute a Capital Contribution for purposes of Section 9.1(a).

(b) If any Midfield Member fails to contribute to the Company in cash his or her Deferred Cash Contribution Amount pursuant to Section 6.5(a) by the Due Date (each such Midfield Member, a "**Defaulting Midfield Member**"), then, in addition to any other remedy the Company may have under this Agreement or in law or equity against such Defaulting Midfield Member, at any time within thirty days after the Due Date, the Company shall have the right, but not the obligation to cause all of the Deferred Common Units held by such Defaulting Midfield Member to be immediately forfeited. Such forfeiture shall be deemed to have satisfied each such Defaulting Midfield Member's Deferred Cash Contribution Amount by the Fair Market Value of the Deferred Common Units so forfeited; provided, that such Defaulting Member shall remain liable for the Deferred Cash Contribution Amount to the extent that the Fair Market Value of the Deferred Common Units so forfeited is less than the Deferred Cash Contribution Amount. For the avoidance of doubt, if the Fair Market Value of the Deferred Common Units so forfeited is greater than the Deferred Cash Contribution Amount, the Midfield Member shall not be entitled to receive any consideration from the Company or otherwise with respect to such forfeited Deferred Common Units. If such Defaulting Midfield Member does not hold any Common Units other than Deferred Common Units that have been so forfeited, then such Defaulting Midfield Member shall no longer be a Member of the Company and Schedule A shall be amended to remove such Defaulting Midfield Member as a Member.

(c) Notwithstanding anything herein to the contrary, if the Company exercises its Equity Call Option pursuant to Section 12.11 with respect to any Midfield Member who at such time has an obligation to

deliver a Deferred Cash Contribution Amount to the Company, then within ten days of such exercise the Company shall have the right, but not the obligation, to cause all of the Deferred Common Units held by each such Midfield Member to be immediately forfeited. Such forfeiture shall be deemed to have satisfied in full the Company's obligation to pay each such Midfield Member the Equity Call Purchase Price pursuant to this Agreement with respect to all Deferred Common Units held by such Midfield Member, and such forfeiture shall be deemed to have satisfied each such Midfield Member's Deferred Cash Contribution Amount by the Equity Call Purchase Price of the Deferred Common Units so forfeited; provided, that such Defaulting Member shall remain liable for the Deferred Cash Contribution Amount to the extent that the Equity Call Purchase Price of the Deferred Common Units so forfeited is less than the Deferred Cash Contribution Amount. For the avoidance of doubt, if the Equity Call Purchase Price of the Deferred Common Units so forfeited is greater than the Deferred Cash Contribution Amount, the Midfield Member shall not be entitled to receive any consideration from the Company or otherwise with respect to such forfeited Deferred Common Units.

(d) Notwithstanding anything herein to the contrary, any amount otherwise distributable to a Midfield Member pursuant to Article IX with respect to his or her Deferred Common Units shall not be distributed to such Midfield Member to the extent such Midfield Member has an obligation to deliver a Deferred Cash Contribution Amount. Instead, such amount shall be retained by the Company and shall be deemed to have satisfied such Midfield Member's Deferred Cash Contribution Amount by the amount otherwise distributable and the number of Common Units of such Midfield Member that are Deferred Common Units shall be appropriately reduced. In connection with a Transfer of Deferred Common Units by a Midfield Member pursuant to Section 12.8, each Midfield Member shall direct the transferee of such Deferred Common Units to pay directly to the Company on behalf of such Midfield Member that portion of the proceeds that such Midfield Member would otherwise be entitled to receive in the Transfer equal to the amount of such Midfield Member's Deferred Cash Contribution Amount.

(e) Notwithstanding anything herein to the contrary, Midfield Members shall not be entitled to participate in Transfers pursuant to Section 12.7 with respect to any Deferred Common Units.

(f) If a Midfield Member contributes Canadian Dollars to the Company in satisfaction of all or a portion of his or her Deferred Cash Contribution Amount, the extent to which such contribution satisfies such Midfield Member's Deferred Cash Contribution Amount shall be determined by converting the amount of contributed Canadian Dollars to

United States Dollars based upon the spot rate at the close of business on the business day immediately prior to the Due Date, or, if earlier, the business day immediately prior to the day such Midfield Member contributes Canadian Dollars to the Company.

1.3. Section 9.1(a) of the Agreement is hereby amended to add the following to the beginning of the second sentence thereof:

Subject to Section 6.5 and Section 9.1(b),

1.4. ARTICLE XV of the Agreement is hereby amended to add the following definitions:

, Section 6.5 (Midfield Members) and the definition of “Equity Call Purchase Price”

1.6. Section 14.19 is hereby amended to add the following at the end thereof:

Each of the Units shall be a “security” for the purposes of the *Securities Transfer Act*, or the equivalent enactment (if any), of each Province or Territory of Canada.

1.7. A new Section 14.20 is added to the Agreement as follows:

Section 14.20 Certificates for Deferred Common Units. All Deferred Common Units shall be represented by certificates ( "**Deferred Common Certificates**"). At such time as Deferred Common Units no longer are Deferred Common Units, the Company may cancel such certificates and in such case such Common Units that were previously Deferred Common Units shall be uncertificated. In order to provide for the safekeeping of the Deferred Common Certificates and to facilitate the enforcement of the terms and conditions hereof, all Deferred Common Certificates shall be held by the Company on behalf of the Midfield Members. Each Midfield Member hereby irrevocably appoints the Company as his or her true and lawful agent and attorney-in-fact, with full powers of substitution, to act in such Midfield Member's name, place and stead, to do or refrain from doing all such acts and things, and to execute and deliver all such documents, as the Company shall deem necessary or appropriate in connection with a public offering of securities of the Company or a sale pursuant to Section 12.8, including, without in any way limiting the generality of the foregoing, in the case of a sale pursuant to Section 12.8, to execute and deliver on behalf of such Midfield Member a purchase and sale agreement and any other agreements and documents that the Company deems necessary in connection with any such sale, and in the case of a public offering, to execute and deliver on behalf of such Midfield Member an underwriting agreement, a "hold back" agreement, a custody agreement, and any other agreements and documents that the Company deems necessary in connection with any such public offering, and in the case of any sale pursuant to Section 12.8 and any public offering, to receive on behalf of such Midfield Member the proceeds of the sale or public offering of such Midfield Member's Units, to hold back from any such proceeds any amount that the Company deems necessary to reserve against such Midfield Member's share of any expenses of sale and sale obligations. Each Midfield Member hereby ratifies and confirms all that the Company shall do or cause to be done by virtue of its appointment as his or her agent and attorney-in-fact. In acting for each Midfield Member pursuant to the appointment set forth in this Section 14.20, the Company shall not be responsible to any Midfield Member for any loss or damage a Midfield Member may suffer by reason of the performance by the Company of its duties under this Agreement, except for loss or damage arising from willful violation of law or gross negligence by the Company in the performance of its duties hereunder. The appointment of the Company shall be deemed coupled with an interest and as such shall be irrevocable and shall survive the death, incompetency, mental illness or insanity of the Midfield Member, and any person dealing with the Company may conclusively and absolutely rely, without inquiry, upon any act of the Company as the act of such Midfield Member in all matters referred to in this Section 14.20.

2. **Capitalized Terms**. Capitalized terms used herein and not otherwise defined shall have the meanings given to them in the Agreement (as in effect immediately prior to the effectiveness

From and after the first anniversary of a Qualified IPO, TM Members holding a majority of the outstanding Common Units then held by all TM Members will have the right to cause the Company to redeem the Common Units held by all TM Members in return for their share of the Company's assets that they would receive if the Company were to be liquidated under Article XIII on such redemption date (or use its reasonable best efforts to cause the shares of any Subsidiary to be distributed to the TM Members if the Qualified IPO is a Subsidiary IPO). The date of such redemption requested by the TM Members shall be the date determined by the Board in its reasonable discretion. Upon a redemption pursuant to this Section 12.10(c), each Member agrees that the Company may (without the consent of any Member) amend the Registration Rights Agreement and this Agreement (including amendments to allocations of income, gain or loss, to cause the TM Members to have a capital account balance immediately before the distribution equal to the value of the assets being distributed to them, as determined by the Board in its sole discretion) to reflect the transactions contemplated by this Section 12.10(c). Notwithstanding the forgoing, the Company will not be required to make any redemption pursuant to this Section 12.10(c) if the Board determines that such redemption is reasonably likely to have a material adverse tax consequence to the Company or to any Member other than the Members requesting such redemption.

Any such request by any GSCP Member pursuant to this Section 2.1(a)(i) is referred to herein as a “Demand Registration Request,” and the registration so requested is referred to herein as a “Demand Registration” (with respect to any Demand Registration, the GSCP Member(s) making such demand for registration being referred to as the “Initiating Holder(s)”). As promptly as practicable, but no later than five (5) Business Days after receipt of a Demand Registration Request, the Company shall give written notice (the “Demand Exercise Notice”) of such Demand Registration Request to all Holders of record of Registrable Securities.

---

(ii) The Company, subject to Sections 2.3 and 2.6, shall include in a Demand Registration ( x ) the Registrable Securities of the Initiating Holders and ( y ) the Registrable Securities of any other Holder of Registrable Securities, which shall have made a written request to the Company for inclusion in such registration pursuant to Section 2.2 (which request shall specify the maximum number of Registrable Securities intended to be disposed of by such Participating Holder) within thirty (30) days after the receipt of the Demand Exercise Notice (or fifteen (15) days if, at the request of the Initiating Holders, the Company states in such written notice or gives telephonic notice to all Holders, with written confirmation to follow promptly thereafter, that such registration will be on a Form S-3).

(iii) The Company shall, as expeditiously as possible, but subject to Section 2.1(b), use its reasonable best efforts to ( x ) effect such registration under the Securities Act (including, without limitation, by means of a shelf registration pursuant to Rule 415 under the Securities Act if so requested and if the Company is then eligible to use such a registration) of the Registrable Securities which the Company has been so requested to register, for distribution in accordance with such intended method of distribution, including a distribution to, and resale by, the members or partners of a Holder (a “ Partner Distribution”) and ( y ) if requested by the GSCP Members, obtain acceleration of the effective date of the registration statement relating to such registration.

(iv) Notwithstanding anything contained herein to the contrary, the Company shall, at the request of any Holder seeking to effect a Partner Distribution, file any prospectus supplement or post-effective amendments and to otherwise take any action necessary to include therein all disclosure and language deemed necessary or advisable by such Holder if such disclosure or language was not included in the initial registration statement, or revise such disclosure or language if deemed necessary or advisable by such Holder, to effect such Partner Distribution.

(b) Notwithstanding anything to the contrary in Section 2.1(a), the Demand Registration rights granted in Section 2.1(a) are subject to the following limitations: ( i ) the Company shall not be required to cause a registration pursuant to Section 2.1(a)(i) to be declared effective within a period of one hundred and eighty (180) days after the effective date of any other registration statement of the Company filed pursuant to the Securities Act; ( ii ) the Company shall not be required to effect more than five (5) Demand Registrations for the GSCP Members (it being understood that if a single Demand Registration Request is delivered by more than one GSCP Member, the registration requested by such Demand Registration Request shall constitute only one Demand Registration); and ( iii ) if the Board, in its good faith judgment, determines that any registration of Registrable Securities should not be made or continued because it would materially interfere with any material financing, acquisition, corporate reorganization or merger or other transaction or event involving the Company or any of its subsidiaries (a “ Valid Business Reason”), then ( x ) the Company may postpone filing a registration statement relating to a Demand Registration Request until five (5) Business Days after such Valid Business Reason no longer exists, but in no event for more than three (3) months after the date the Board determines a Valid Business Reason exists and ( y ) in case a registration statement has been filed relating to a Demand Registration Request, if the Valid Business Reason has not resulted from actions taken by the Company, the Company may cause such registration statement to be withdrawn and its effectiveness terminated or may postpone amending or

---

supplementing such registration statement until five (5) Business Days after such Valid Business Reason no longer exists, but in no event for more than three (3) months after the date the Board determines a Valid Business Reason exists (such period of postponement or withdrawal under this clause (iii), the “Postponement Period”); and the Company shall give written notice of its determination to postpone or withdraw a registration statement and of the fact that the Valid Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof; provided, however, the Company shall not be permitted to postpone or withdraw a registration statement after the expiration of any Postponement Period until nine (9) months after the expiration of such Postponement Period.

If the Company shall give any notice of postponement or withdrawal of any registration statement pursuant to clause (iii) above, the Company shall not, during the period of postponement or withdrawal, register any Common Equity, other than pursuant to a registration statement on Form S-4 or S-8 (or an equivalent registration form then in effect). Each Holder of Registrable Securities agrees that, upon receipt of any notice from the Company that the Company has determined to withdraw any registration statement pursuant to clause (iii) above, such Holder will discontinue its disposition of Registrable Securities pursuant to such registration statement and, if so directed by the Company, will deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, then in such Holder’s possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice. If the Company shall have withdrawn or prematurely terminated a registration statement filed under Section 2.1(a)(i) (whether pursuant to clause (iii) above or as a result of any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court), the Company shall not be considered to have effected an effective registration for the purposes of this Agreement until the Company shall have filed a new registration statement covering the Registrable Securities covered by the withdrawn registration statement and such registration statement shall have been declared effective and shall not have been withdrawn. If the Company shall give any notice of withdrawal or postponement of a registration statement, the Company shall, not later than five (5) Business Days after the Valid Business Reason that caused such withdrawal or postponement no longer exists (but in no event later than three (3) months after the date of the postponement or withdrawal), use its reasonable best efforts to effect the registration under the Securities Act of the Registrable Securities covered by the withdrawn or postponed registration statement in accordance with this Section 2.1 (unless the Initiating Holders shall have withdrawn such request, in which case the Company shall not be considered to have effected an effective registration for the purposes of this Agreement), and such registration shall not be withdrawn or postponed pursuant to clause (iii) of Section 2.1(b) above.

(c) In connection with any Demand Registration, the Company shall have the right to designate the lead managing underwriter (any lead managing underwriter for the purposes of this Agreement, the “Manager”) in connection with such registration and each other managing underwriter for such registration; provided that in each case, each such underwriter is reasonably satisfactory to the GSCP Members.

## 2.2. Piggyback Registrations.

---

(a) If, at any time after the IPO, the Company proposes or is required (pursuant to Section 2.1 or otherwise) to register any of its equity securities under the Securities Act (other than pursuant to registrations on Form S-4 or Form S-8 or any similar successor forms thereto), the Company shall give prompt written notice (in any event within five (5) Business Days after receipt of notice of any exercise of demand registration rights by any Person) of its intention to do so to each of the Holders of record of Registrable Securities. Upon the written request of any such Holder, made within twenty (20) days following the receipt of any such written notice (which request shall specify the maximum number of Registrable Securities intended to be disposed of by such Holder and the intended method of distribution thereof), the Company shall, subject to Sections 2.2(c), 2.3 and 2.6 hereof, use its reasonable best efforts to cause all such Registrable Securities, the Holders of which have so requested the registration thereof, to be registered under the Securities Act with the securities which the Company at the time proposes to register to permit the sale or other disposition by the Holders (in accordance with the intended method of distribution thereof) of the Registrable Securities to be so registered, including, if necessary, by filing with the SEC a post-effective amendment or a supplement to the registration statement filed by the Company or the prospectus related thereto pursuant to a Form 8-K. There is no limitation on the number of such piggyback registrations pursuant to the preceding sentence which the Company is obligated to effect. No registration of Registrable Securities effected under this Section 2.2(a) shall relieve the Company of its obligations to effect Demand Registrations under Section 2.1 hereof.

(b) The Company, subject to Sections 2.3 and 2.6, may elect to include in any registration statement and offering pursuant to demand registration rights by any Person, (i) authorized but unissued shares of Common Equity or shares of Common Equity held by the Company as treasury shares and (ii) any other shares of Common Equity which are requested to be included in such registration pursuant to the exercise of piggyback registration rights granted by the Company after the date hereof and which are not inconsistent with the rights granted in, or otherwise conflict with the terms of, this Agreement (“Additional Piggyback Rights”); provided, however, that such inclusion shall be permitted only to the extent that it is pursuant to, and subject to, the terms of the underwriting agreement or arrangements, if any, entered into by the Initiating Holders.

(c) If, at any time after giving written notice of its intention to register any equity securities and prior to the effective date of the registration statement filed in connection with such registration, the Company shall determine for any reason not to register or to delay registration of such equity securities, the Company may, at its election, give written notice of such determination to all Holders of record of Registrable Securities and (i) in the case of a determination not to register, shall be relieved of its obligation to register any Registrable Securities in connection with such abandoned registration, without prejudice, however, to the rights of Holders under Section 2.1, and (ii) in the case of a determination to delay such registration of its equity securities, shall be permitted to delay the registration of such Registrable Securities for the same period as the delay in registering such other equity securities.

(d) Any Holder shall have the right to withdraw its request for inclusion of its Registrable Securities in any registration statement pursuant to this Section 2.2 by giving written notice to the Company of its request to withdraw; provided, however, that (i) such request must be made in writing prior to the earlier of the execution of the underwriting agreement or the

---

execution of the custody agreement with respect to such registration and ( ii ) such withdrawal shall be irrevocable and, after making such withdrawal, a Holder shall no longer have any right to include Registrable Securities in the registration as to which such withdrawal was made.

(e) Notwithstanding anything contained herein to the contrary, the Company shall, at the request of any Holder (including to effect a Partner Distribution), file any prospectus supplement or post-effective amendments and otherwise take any action necessary to include therein all disclosure and language deemed necessary or advisable by such Holder if such disclosure or language was not included in the initial registration statement, or revise such disclosure or language if deemed necessary or advisable by such Holder.

### 2.3. Allocation of Securities Included in Registration Statement.

(a) If any requested registration made pursuant to Section 2.1 involves an underwritten offering and the Manager of such offering shall advise the Company that, in its view, the number of securities requested to be included in such registration by the Holders of Registrable Securities, the Company or any other Persons exercising Additional Piggyback Rights exceeds the largest number (the “Section 2.3(a) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Majority Participating Holders, the Company shall use its reasonable best efforts to include in such registration:

(i) first, all Registrable Securities requested to be included in such registration by the Holders thereof (including pursuant to the exercise of piggyback rights pursuant the Section 2.2); provided, however, that if the number of such Registrable Securities exceeds the Section 2.3(a) Sale Number, the number of such Registrable Securities (not to exceed the Section 2.3(a) Sale Number) to be included in such registration shall be allocated on a pro rata basis among all Holders requesting that Registrable Securities be included in such registration, based on the number of Registrable Securities then owned by each such Holder requesting inclusion in relation to the number of Registrable Securities owned by all Holders requesting inclusion;

(ii) second, to the extent that the number of Registrable Securities to be included pursuant to clause (i) of this Section 2.3(a) is less than the Section 2.3(a) Sale Number, any securities that the Company proposes to register, up to the Section 2.3(a) Sale Number; and

(iii) third, to the extent that the number of Registrable Securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(a) is less than the Section 2.3(a) Sale Number, the remaining Registrable Securities to be included in such registration shall be allocated on a pro rata basis among all Persons requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights (“Piggyback Shares”), based on the aggregate number of Piggyback Shares then owned by each Person requesting inclusion in relation to the aggregate number of Piggyback Shares owned by all Persons requesting inclusion, up to the Section 2.3(a) Sale Number.

Notwithstanding anything in this Section 2.3(a) to the contrary, no employee shareholder of the Company will be entitled to include Registrable Securities in a registration requested by the GSCP Members pursuant to Section 2.1 to the extent the Manager of such

---

offering shall determine in good faith that the participation of such employee shareholder would adversely affect the marketability of the securities being sold by the Initiating Holder(s) in such registration.

(b) If any registration made pursuant to Section 2.2 involves an underwritten primary offering on behalf of the Company after the date hereof and the Manager (as selected by the Company) shall advise the Company that, in its view, the number of securities requested to be included in such registration exceeds the number (the “Section 2.3(b) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Company, the Company shall include in such registration:

(i) first, all equity securities that the Company proposes to register for its own account;

(ii) second, to the extent that the number of Registrable Securities to be included pursuant to clause (i) of this Section 2.3(b) is less than the Section 2.3(b) Sale Number, the remaining Registrable Securities to be included in such registration shall be allocated on a pro rata basis among all Holders requesting that Registrable Securities be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2, based on the aggregate number of Registrable Securities then owned by each such Holder requesting inclusion in relation to the aggregate number of Registrable Securities owned by all Holders requesting inclusion, up to the Section 2.3(b) Sale Number; and

(iii) third, to the extent that the number of Registrable Securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(b) is less than the Section 2.3(b) Sale Number, the remaining Registrable Securities to be included in such registration shall be allocated on a pro rata basis among all Persons requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights, based on the aggregate number of Piggyback Shares then owned by each Person requesting inclusion in relation to the aggregate number of Piggyback Shares owned by all Persons requesting inclusion, up to the Section 2.3(b) Sale Number.

(c) If any registration pursuant to Section 2.2 involves an underwritten offering that was initially requested by any Person(s) other than a Holder to whom the Company has granted registration rights which are not inconsistent with the rights granted in, or otherwise conflict with the terms of, this Agreement and the Manager (as selected by the Company or such other Person) shall advise the Company that, in its view, the number of securities requested to be included in such registration exceeds the number (the “Section 2.3(c) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Company, the Company shall include in such registration:

(i) first, the shares requested to be included in such registration shall be allocated on a pro rata basis among such Person(s) requesting the registration and all Holders requesting that Registrable Securities be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2, based on the aggregate number of securities or Registrable Securities, as applicable, then owned by each of the foregoing requesting inclusion in

---

relation to the aggregate number of securities or Registrable Securities, as applicable, owned by all such Holders and Persons requesting inclusion, up to the Section 2.3(c) Sale Number;

(ii) second, to the extent that the number of Registrable Securities to be included pursuant to clause (i) of this Section 2.3(c) is less than the Section 2.3(c) Sale Number, the remaining shares to be included in such registration shall be allocated on a pro rata basis among all Persons requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights, based on the aggregate number of Piggyback Shares then owned by each Person requesting inclusion in relation to the aggregate number of Piggyback Shares owned by all Persons requesting inclusion, up to the Section 2.3(c) Sale Number; and

(iii) third, to the extent that the number of securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(c) is less than the Section 2.3(c) Sale Number, the remaining shares to be included in such registration shall be allocated to shares the Company proposes to register for its own account, up to the Section 2.3(c) Sale Number.

(d) If, as a result of the proration provisions set forth in clauses (a), (b) or (c) of this Section 2.3, any Holder shall not be entitled to include all Registrable Securities in a registration that such Holder has requested be included, such Holder may elect to withdraw such Holder's request to include Registrable Securities in such registration or may reduce the number requested to be included; provided, however, that ( x ) such request must be made in writing prior to the earlier of the execution of the underwriting agreement or the execution of the custody agreement with respect to such registration and ( y ) such withdrawal or reduction shall be irrevocable and, after making such withdrawal or reduction, such Holder shall no longer have any right to include Registrable Securities in the registration as to which such withdrawal or reduction was made to the extent of the Registrable Securities so withdrawn or reduced.

2.4. Registration Procedures. (b) (i) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement continuously effective for such period as any Participating Holder pursuant to such registration statement shall request and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all Registrable Securities covered by such registration statement in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement and ( ii) provide notice to such sellers of Registrable Securities and the Manager, if any, of the Company's reasonable determination that a post-effective amendment to a registration statement would be appropriate;

(d) use its reasonable best efforts to register or qualify the Registrable Securities covered by such registration statement under such other securities or state "blue sky" laws of such jurisdictions as any sellers of Registrable Securities or any managing underwriter, if any, shall reasonably request in writing, and do any and all other acts and things which may be reasonably necessary or advisable to enable such sellers or underwriter, if any, to consummate the disposition of the Registrable Securities in such jurisdictions (including keeping such registration or qualification in effect for so long as such registration statement remains in effect), except that in no event shall the Company be required to qualify to do business as a foreign corporation in any jurisdiction where it would not, but for the requirements of this paragraph (d), be required to be so qualified, to subject itself to taxation in any such jurisdiction or to consent to general service of process in any such jurisdiction;

(f) comply (and continue to comply) with all applicable rules and regulations of the SEC (including, without limitation, maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)) and internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)) in accordance with the Exchange Act), and make generally available to its security holders, as soon as reasonably practicable after the effective date of the registration statement (and in any event within forty-five (45) days, or ninety (90) days if it is a fiscal year, after the end of such twelve month period described hereafter), an earnings statement (which need not be audited) covering the period of at least twelve (12) consecutive months beginning with the first day of the Company’s first calendar quarter after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(g) (i) ( A ) cause all such Registrable Securities covered by such registration statement to be listed on the principal securities exchange on which similar securities issued by the Company are then listed (if any), if the listing of such Registrable Securities is then permitted under the rules of such exchange, or ( B ) if no similar securities are then so listed, to either cause all such Registrable Securities to be listed on a national securities exchange or to secure designation of all such Registrable Securities as a Nasdaq National Market “national market system security” within the meaning of Rule 11Aa2-1 of the Exchange Act or, failing that, secure Nasdaq National Market authorization for such shares and, without limiting the generality of the foregoing, take all actions that may be required by the Company as the issuer of such Registrable Securities in order to facilitate the managing underwriter’s arranging for the

(i) enter into such customary agreements (including, if applicable, an underwriting agreement) and take such other actions as the Majority Participating Holders or the underwriters shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (it being understood that the Holders of the Registrable Securities which are to be distributed by any underwriters shall be parties to any such underwriting agreement and may, at their option, require that the Company make to and for the benefit of such Holders the representations, warranties and covenants of the Company which are being made to and for the benefit of such underwriters);

(j) use its reasonable best efforts ( i ) to obtain an opinion from the Company's counsel and a "cold comfort" letter and updates thereof from the Company's independent public accountants who have certified the Company's financial statements included or incorporated by reference in such registration statement, in each case, in customary form and covering such matters as are customarily covered by such opinions and "cold comfort" letters (including, in the case of such "cold comfort" letter, events subsequent to the date of such financial statements) delivered to underwriters in underwritten public offerings, which opinion and letter shall be dated the dates such opinions and "cold comfort" letters are customarily dated and otherwise reasonably satisfactory to the underwriters, if any, and to the Majority Participating Holders, and ( ii ) furnish to each Holder participating in the offering and to each underwriter, if any, a copy of such opinion and letter addressed to such Holder or underwriter;

(o) prior to the filing of any document which is to be incorporated by reference into the registration statement or the prospectus (after the initial filing of such registration statement), and prior to the filing of any free writing prospectus, provide copies of such document to counsel for each Participating Holder and to each managing underwriter, if any, and make the Company’s representatives reasonably available for discussion of such document and make such changes in such document concerning the Participating Holders prior to the filing thereof as counsel for the Participating Holders or underwriters may reasonably request;

(p) furnish to counsel for each Participating Holder and to each managing underwriter, without charge, at least one signed copy of the registration statement and any post-effective amendments or supplements thereto, including financial statements and schedules, all documents incorporated therein by reference, the prospectus contained in such registration statement (including each preliminary prospectus and any summary prospectus), any other prospectus filed under Rule 424 under the Securities Act and all exhibits (including those incorporated by reference) and any free writing prospectus utilized in connection therewith;

(v) in connection with any underwritten offering, if at any time the information conveyed to a purchaser at the time of sale includes any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, promptly file with the SEC such amendments or supplements to such information as may be necessary so that the statements as so amended or supplemented will not, in light of the circumstances, be misleading.

To the extent the Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) (a “WKSI”) at the time any Demand Registration Request is submitted to the Company, and such Demand Registration Request requests that the Company file an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) (an “automatic shelf registration statement”) on Form S-3, the Company shall file an automatic shelf registration statement which covers those Registrable Securities which are requested to be registered. The Company shall use its commercially reasonable best efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405 under the Securities Act)) during the period during which such automatic shelf registration statement is required to remain effective. If the Company does not pay the filing fee covering the Registrable Securities at the time the automatic shelf registration statement is filed, the Company agrees to pay such fee at such time or times as the Registrable Securities are to be sold. If the automatic shelf registration statement has been outstanding for at least three (3) years, at the end of the third year the Company shall refile a new automatic shelf registration statement covering the Registrable Securities. If at any time when the Company is required to re-evaluate its WKSI status the Company determines that it is not a WKSI, the Company shall use its commercially reasonable best efforts to refile the shelf registration statement on Form S-3 and, if such form is not available, Form S-1 and keep such registration statement effective during the period during which such registration statement is required to be kept effective.

If the Company files any shelf registration statement for the benefit of the holders of any of its securities other than the Holders, the Company agrees that it shall include in such registration statement such disclosures as may be required by Rule 430B under the Securities Act (referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the Holders) in order to ensure that the Holders may be added to such shelf registration statement at a later time through the filing of a prospectus supplement rather than a post-effective amendment.

The Company may require as a condition precedent to the Company’s obligations under this Section 2.4 that each Participating Holder as to which any registration is being effected furnish the Company such information regarding such seller and the distribution of such securities as the Company may from time to time reasonably request provided that such

---

information is necessary for the Company to consummate such registration and shall be used only in connection with such registration.

Each Holder of Registrable Securities agrees that upon receipt of any notice from the Company of the happening of any event of the kind described in clause (v) of paragraph (e) of this Section 2.4, such Holder will discontinue such Holder's disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by paragraph (e) of this Section 2.4 and, if so directed by the Company, will deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in such Holder's possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice. In the event the Company shall give any such notice, the applicable period mentioned in paragraph (b) of this Section 2.4 shall be extended by the number of days during such period from and including the date of the giving of such notice to and including the date when each Participating Holder covered by such registration statement shall have received the copies of the supplemented or amended prospectus contemplated by paragraph (e) of this Section 2.4.

If any such registration statement or comparable statement under state "blue sky" laws refers to any Holder by name or otherwise as the Holder of any securities of the Company, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance satisfactory to such Holder and the Company, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the Company's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Company, or (ii) in the event that such reference to such Holder by name or otherwise is not in the judgment of the Company, as advised by counsel, required by the Securities Act or any similar federal statute or any state "blue sky" or securities law then in force, the deletion of the reference to such Holder.

#### 2.5. Registration Expenses.

(a) The Company shall pay all Expenses with respect to any registration of Registrable Securities pursuant to Article 2, whether or not a registration statement becomes effective.

(b) Notwithstanding the foregoing, (x) the provisions of this Section 2.5 shall be deemed amended to the extent necessary to cause these expense provisions to comply with state "blue sky" laws of each state in which the offering is made and (y) in connection with any registration hereunder, each Participating Holder shall pay all underwriting discounts and commissions and any transfer taxes, if any, attributable to the sale of such Registrable Securities, pro rata with respect to payments of discounts and commissions in accordance with the number of shares sold in the offering by such Participating Holder.

2.6. Certain Limitations on Registration Rights. In the case of any registration under Section 2.1 pursuant to an underwritten offering, or, in the case of a registration under Section 2.2, if the Company has determined to enter into an underwriting agreement in connection

---

therewith, all securities to be included in such registration shall be subject to such underwriting agreement and no Person may participate in such registration unless such Person (i) agrees to sell such Person's securities on the basis provided therein and completes and executes all reasonable questionnaires, and other documents (including custody agreements and powers of attorney) which must be executed in connection therewith; provided, however, that all such documents shall be consistent with the provisions hereof and (ii) provides such other information to the Company or the underwriter as may be necessary to register such Person's securities.

#### 2.7. Limitations on Sale or Distribution of Other Securities.

(a) Each Holder agrees, (i) to the extent requested in writing by a managing underwriter, if any, of any registration effected pursuant to Section 2.1, not to sell, transfer or otherwise dispose of, including any sale pursuant to Rule 144 under the Securities Act, any Common Equity, or any other equity security of the Company or any security convertible into or exchangeable or exercisable for any equity security of the Company (other than as part of such underwritten public offering) during the time period reasonably requested by the managing underwriter, not to exceed ninety (90) days or such shorter period as the Company or any executive officer or director of the Company shall agree to (and the Company hereby also so agrees (except that the Company may effect any sale or distribution of any such securities pursuant to a registration on Form S-4 (if reasonably acceptable to such managing underwriter) or Form S-8, or any successor or similar form which is (x) then in effect or (y) shall become effective upon the conversion, exchange or exercise of any then outstanding Common Equity Equivalent), to use its reasonable best efforts to cause each holder of any equity security or any security convertible into or exchangeable or exercisable for any equity security of the Company purchased from the Company at any time other than in a public offering so to agree), and (ii) to the extent requested in writing by a managing underwriter of any underwritten public offering effected by the Company for its own account, not to sell any Common Equity (other than as part of such underwritten public offering) during the time period reasonably requested by the managing underwriter, which period shall not exceed ninety (90) days or such shorter period as the Company or any executive officer or director of the Company shall agree to.

(b) The Company hereby agrees that, if it shall previously have received a request for registration pursuant to Section 2.1 or 2.2, and if such previous registration shall not have been withdrawn or abandoned, the Company shall not sell, transfer, or otherwise dispose of, any Common Equity, or any other equity security of the Company or any security convertible into or exchangeable or exercisable for any equity security of the Company (other than as part of such underwritten public offering, a registration on Form S-4 or Form S-8 or any successor or similar form which is (x) then in effect or (y) shall become effective upon the conversion, exchange or exercise of any then outstanding Common Equity Equivalent), until a period of ninety (90) days shall have elapsed from the effective date of such previous registration; and the Company shall (i) so provide in any registration rights agreements hereafter entered into with respect to any of its securities and (ii) use its reasonable best efforts to cause each holder of any equity security or any security convertible into or exchangeable or exercisable for any equity security of the Company purchased from the Company at any time other than in a public offering to so agree.

---

2.8. No Required Sale. Nothing in this Agreement shall be deemed to create an independent obligation on the part of any Holder to sell any Registrable Securities pursuant to any effective registration statement.

2.9. Indemnification.

(a) In the event of any registration of any securities of the Company under the Securities Act pursuant to this Article 2, the Company will, and hereby agrees to, and hereby does, indemnify and hold harmless, to the fullest extent permitted by law, each Participating Holder, its directors, officers, fiduciaries, employees, stockholders, members or general and limited partners (and the directors, officers, fiduciaries, employees, stockholders, members or general and limited partners thereof), each other Person who participates as a seller (and its directors, officers, fiduciaries, employees, stockholders, members or general and limited partners), underwriter or Qualified Independent Underwriter, if any, in the offering or sale of such securities, each officer, director, employee, stockholder, fiduciary, managing director, agent, affiliate, consultant, representative, successor, assign or partner of such underwriter or Qualified Independent Underwriter, and each other Person, if any, who controls such seller or any such underwriter or Qualified Independent Underwriter within the meaning of the Securities Act, from and against any and all losses, claims, damages or liabilities, joint or several, actions or proceedings (whether commenced or threatened) and expenses (including reasonable fees of counsel and any amounts paid in any settlement effected with the Company's consent, which consent shall not be unreasonably withheld or delayed) to which each such indemnified party may become subject under the Securities Act or otherwise in respect thereof (collectively, "Claims"), insofar as such Claims arise out of or are based upon ( i) any untrue statement or alleged untrue statement of a material fact contained in any registration statement under which such securities were registered under the Securities Act or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, ( ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary, final or summary prospectus or any amendment or supplement thereto, together with the documents incorporated by reference therein, or any free writing prospectus utilized in connection therewith, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or ( iii) any untrue statement or alleged untrue statement of a material fact in the information conveyed by the Company to any purchaser at the time of the sale to such purchaser, or the omission or alleged omission to state therein a material fact required to be stated therein, or ( iv) any violation by the Company of any federal, state or common law rule or regulation applicable to the Company and relating to action required of or inaction by the Company in connection with any such registration, and the Company will reimburse any such indemnified party for any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such Claim as such expenses are incurred; provided, however, that the Company shall not be liable to any such indemnified party in any such case to the extent such Claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact made in such registration statement or amendment thereof or supplement thereto or in any such prospectus or any preliminary, final or summary prospectus or free writing prospectus in reliance upon and in conformity with written information furnished to the Company by or on behalf of such indemnified party specifically for

---

use therein. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such indemnified party and shall survive the transfer of such securities by such seller.

(b) Each Participating Holder (and, if the Company requires as a condition to including any Registrable Securities in any registration statement filed in accordance with Section 2.1 or 2.2, any underwriter and Qualified Independent Underwriter, if any) shall, severally and not jointly, indemnify and hold harmless (in the same manner and to the same extent as set forth in paragraph (a) of this Section 2.9) to the extent permitted by law the Company, its officers and directors, each Person controlling the Company within the meaning of the Securities Act and all other prospective sellers and their directors, officers, stockholders, fiduciaries, managing directors, agents, affiliates, consultants, representatives, successors, assigns or general and limited partners and respective controlling Persons with respect to any untrue statement or alleged untrue statement of any material fact in, or omission or alleged omission of any material fact from, such registration statement, any preliminary, final or summary prospectus contained therein, or any amendment or supplement thereto, or any free writing prospectus utilized in connection therewith, if such statement or alleged statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company or its representatives by or on behalf of such Participating Holder or underwriter or Qualified Independent Underwriter, if any, specifically for use therein and reimburse such indemnified party for any legal or other expenses reasonably incurred in connection with investigating or defending any such Claim as such expenses are incurred; provided, however, that the aggregate amount which any such Participating Holder shall be required to pay pursuant to this Section 2.9(b) and Sections 2.9(c) and (e) shall in no case be greater than the amount of the net proceeds received by such Participating Holder upon the sale of the Registrable Securities pursuant to the registration statement giving rise to such Claim. The Company and each Participating Holder hereby acknowledge and agree that, unless otherwise expressly agreed to in writing by such Participating Holders to the contrary, for all purposes of this Agreement, the only information furnished or to be furnished to the Company for use in any such registration statement, preliminary, final or summary prospectus or amendment or supplement thereto or any free writing prospectus are statements specifically relating to (a) the beneficial ownership of shares of Common Equity by such Participating Holder and its Affiliates and (b) the name and address of such Participating Holder. If any additional information about such Holder or the plan of distribution (other than for an underwritten offering) is required by law to be disclosed in any such document, then such Holder shall not unreasonably withhold its agreement referred to in the immediately preceding sentence. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such indemnified party and shall survive the transfer of such securities by such Holder.

(c) Indemnification similar to that specified in the preceding paragraphs (a) and (b) of this Section 2.9 (with appropriate modifications) shall be given by the Company and each Participating Holder with respect to any required registration or other qualification of securities under any applicable securities and state “blue sky” laws.

(d) Any Person entitled to indemnification under this Agreement shall notify promptly the indemnifying party in writing of the commencement of any action or proceeding

---

with respect to which a claim for indemnification may be made pursuant to this Section 2.9, but the failure of any indemnified party to provide such notice shall not relieve the indemnifying party of its obligations under the preceding paragraphs of this Section 2.9, except to the extent the indemnifying party is materially and actually prejudiced thereby and shall not relieve the indemnifying party from any liability which it may have to any indemnified party otherwise than under this Article 2. In case any action or proceeding is brought against an indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, unless in the reasonable opinion of outside counsel to the indemnified party a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, to assume the defense thereof jointly with any other indemnifying party similarly notified, to the extent that it chooses, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party that it so chooses, the indemnifying party shall not be liable to such indemnified party for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, that ( i ) if the indemnifying party fails to take reasonable steps necessary to defend diligently the action or proceeding within twenty (20) days after receiving notice from such indemnified party that the indemnified party believes it has failed to do so; or ( ii ) if such indemnified party who is a defendant in any action or proceeding which is also brought against the indemnifying party reasonably shall have concluded that there may be one or more legal or equitable defenses available to such indemnified party which are not available to the indemnifying party or which may conflict with those available to another indemnified party with respect to such Claim; or ( iii ) if representation of both parties by the same counsel is otherwise inappropriate under applicable standards of professional conduct, then, in any such case, the indemnified party shall have the right to assume or continue its own defense as set forth above (but with no more than one firm of counsel for all indemnified parties in each jurisdiction, except to the extent any indemnified party or parties reasonably shall have made a conclusion described in clause (ii) or (iii) above) and the indemnifying party shall be liable for any expenses therefor. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment ( A ) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and ( B ) does not include a statement as to an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(e) If for any reason the foregoing indemnity is unavailable, unenforceable or is insufficient to hold harmless an indemnified party under Sections 2.9(a), (b) or (c), then each applicable indemnifying party shall contribute to the amount paid or payable to such indemnified party as a result of any Claim in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, with respect to such Claim. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. If, however, the allocation

---

provided in the second preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative faults but also the relative benefits of the indemnifying party and the indemnified party as well as any other relevant equitable considerations. The parties hereto agree that it would not be just and equitable if any contribution pursuant to this Section 2.9(e) were to be determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the preceding sentences of this Section 2.9(e). The amount paid or payable in respect of any Claim shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such Claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. Notwithstanding anything in this Section 2.9(e) to the contrary, no indemnifying party (other than the Company) shall be required pursuant to this Section 2.9(e) to contribute any amount greater than the amount of the net proceeds received by such indemnifying party upon the sale of the Registrable Securities pursuant to the registration statement giving rise to such Claim, less the amount of any indemnification payment made by such indemnifying party pursuant to Sections 2.9(b) and (c).

(f) The indemnity and contribution agreements contained herein shall be in addition to any other rights to indemnification or contribution which any indemnified party may have pursuant to law or contract and shall remain operative and in full force and effect regardless of any investigation made or omitted by or on behalf of any indemnified party and shall survive the transfer of the Registrable Securities by any such party.

(g) The indemnification and contribution required by this Section 2.9 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred; provided, however, that the recipient thereof hereby undertakes to repay such payments if and to the extent it shall be determined by a court of competent jurisdiction that such recipient is not entitled to such payment hereunder.

### 3. Underwritten Offerings.

3.1. Requested Underwritten Offerings. If requested by the underwriters for any underwritten offering pursuant to a registration requested under Section 2.1, the Company shall enter into a customary underwriting agreement with the underwriters. Such underwriting agreement shall ( i) be satisfactory in form and substance to the Majority Participating Holders, ( ii) contain terms not inconsistent with the provisions of this Agreement and ( iii) contain such representations and warranties by, and such other agreements on the part of, the Company and such other terms as are generally prevailing in agreements of that type, including, without limitation, indemnities and contribution agreements on substantially the same terms as those contained herein. Any Participating Holder shall be a party to such underwriting agreement and may, at its option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such underwriters shall also be made to and for the benefit of such Participating Holder and that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement be

---

conditions precedent to the obligations of such Participating Holder; provided, however, that the Company shall not be required to make any representations or warranties with respect to written information specifically provided by a Participating Holder for inclusion in the registration statement. Each such Participating Holder shall not be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Participating Holder, its ownership of and title to the Registrable Securities, any written information specifically provided by such Participating Holder for inclusion in the registration statement and its intended method of distribution; and any liability of such Participating Holder to any underwriter or other Person under such underwriting agreement shall be limited to liability arising from breach of its representations and warranties and shall in no case be greater than the amount of the net proceeds received by such Holder upon the sale of the Registrable Securities pursuant to the registration statement.

3.2. Piggyback Underwritten Offerings. In the case of a registration pursuant to Section 2.2, if the Company shall have determined to enter into an underwriting agreement in connection therewith, all of the Participating Holders' Registrable Securities to be included in such registration shall be subject to such underwriting agreement. Any Participating Holder may, at its option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such underwriters shall also be made to and for the benefit of such Participating Holder and that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement be conditions precedent to the obligations of such Participating Holder; provided, however, that the Company shall not be required to make any representations or warranties with respect to written information specifically provided by a Participating Holder for inclusion in the registration statement. Each such Participating Holder shall not be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Participating Holder, its ownership of and title to the Registrable Securities, any written information specifically provided by such Participating Holder for inclusion in the registration statement and its intended method of distribution; and any liability of such Participating Holder to any underwriter or other Person under such underwriting agreement shall be limited to liability arising from breach of its representations and warranties and shall in no case be greater than the amount of the net proceeds received by such Participating Holder upon the sale of the Registrable Securities pursuant to the registration statement.

#### 4. General.

4.1. Adjustments Affecting Registrable Securities. The Company agrees that it shall not effect or permit to occur any combination or subdivision of shares of Common Equity which would adversely affect the ability of any Holder of any Registrable Securities to include such Registrable Securities in any registration contemplated by this Agreement or the marketability of such Registrable Securities in any such registration. The Company agrees that it will take all reasonable steps necessary to effect a subdivision of shares of Common Equity if in the reasonable judgment of ( a ) the GSCP Members or ( b ) the managing underwriter for the offering in respect of such Demand Registration Request, such subdivision would enhance the marketability of the Registrable Securities. Each Holder agrees to vote all of its shares of capital stock in a manner, and to take all other actions necessary, to permit the Company to carry out the intent of the preceding sentence including, without limitation, voting in favor of an amendment

---

to the Company's organizational documents in order to increase the number of authorized shares of capital stock of the Company. In any event, the provisions of this Agreement shall apply, to the full extent set forth herein with respect to the Registrable Securities, to any and all shares of capital stock of the Company or any successor or assign of the Company (whether by merger, share exchange, consolidation, sale of assets or otherwise) which may be issued in respect of, in exchange for or in substitution of, Registrable Securities and shall be appropriately adjusted for any stock dividends, splits, reverse splits, combinations, recapitalizations and the like occurring after the date hereof.

4.2. Rule 144 and Rule 144A. If the Company shall have filed a registration statement pursuant to the requirements of Section 12 of the Exchange Act or a registration statement pursuant to the requirements of the Securities Act in respect of the Common Equity or Common Equity Equivalents, the Company covenants that (i) so long as it remains subject to the reporting provisions of the Exchange Act, it will timely file the reports required to be filed by it under the Securities Act or the Exchange Act (including, but not limited to, the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144 under the Securities Act, as such Rule may be amended ("Rule 144")) or, if the Company is not required to file such reports, it will, upon the request of any Holder, make publicly available other information so long as necessary to permit sales by such Holder under Rule 144, Rule 144A under the Securities Act, as such Rule may be amended ("Rule 144A"), or any similar rules or regulations hereafter adopted by the SEC, and (ii) it will take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144, (B) Rule 144A or (C) any similar rule or regulation hereafter adopted by the SEC. Upon the request of any Holder of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements.

4.3. Nominees for Beneficial Owners. If Registrable Securities are held by a nominee for the beneficial owner thereof, the beneficial owner thereof may, at its option, be treated as the Holder of such Registrable Securities for purposes of any request or other action by any Holder or Holders of Registrable Securities pursuant to this Agreement (or any determination of any number or percentage of shares constituting Registrable Securities held by any Holder or Holders of Registrable Securities contemplated by this Agreement), provided that the Company shall have received assurances reasonably satisfactory to it of such beneficial ownership.

4.4. Amendments and Waivers. Any provisions of this Agreement may be amended, modified, supplemented or waived with the written approval of Holders holding a majority of the Registrable Securities then held by all Holders (which majority must include the GSCP Members, so long as any GSCP Member holds any Registrable Securities); provided, however, that (a) any amendment, modification, supplement or waiver of any of the provisions of this Agreement that affects the McJ Members disproportionately vis-à-vis the GSCP Members and results in a material adverse effect on the McJ Members will require the written approval of the GSCP Members and of the McJ Members holding a majority of the Registrable Securities then held by all McJ Members (such approval by the McJ Members not to be unreasonably withheld or delayed), and (b) any amendment, modification, supplement or waiver of any of the provisions of this Agreement that affects the RM Members disproportionately vis-à-vis the

---

GSCP Members and results in a material adverse effect on the RM Members will require the written approval of the GSCP Members and of the RM Members holding a majority of the Registrable Securities then held by all RM Members (such approval by the RM Members not to be unreasonably withheld or delayed). Notwithstanding the foregoing, this Agreement may be amended, modified, supplemented or waived with the written approval of the Company pursuant to Section 12.9 or 12.10 of the LLC Agreement. No waiver of any of the provisions of this Agreement shall be deemed to or shall constitute a waiver of any other provision hereof (whether or not similar). No failure or delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof or of any other or future exercise of any such right, power or privilege.

4.5. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the others shall be in writing and delivered personally or sent by registered or certified mail, postage prepaid, or by facsimile to the Company or to any McJ Member or RM Member at the address set forth below and to any subsequent holder of Units subject to this Agreement at such address as indicated by the Company's records, or at such address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party. Any notice, request, instruction or other document given as provided above shall be deemed given to the receiving party upon actual receipt, if delivered personally; three (3) business days after deposit in the mail, if sent by registered or certified mail; upon confirmation of successful transmission if sent by facsimile ( provided that if given by facsimile such notice, request, instruction or other document shall be followed up within one (1) business day by dispatch pursuant to one of the other methods described herein); or on the next business day after deposit with an overnight courier, if sent by an overnight courier:

4.6. Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the Company and its successors and assigns and each Holder and his, her and its respective successors, permitted assigns, heirs and personal representatives, personal representatives and assigns of the parties hereto, whether so expressed or not. This Agreement may not be assigned by the Company, without the prior written consent of the GSCP Members. Each Holder shall have the right to assign all or part of its or his rights and obligations under this Agreement only in accordance with transfers of Registrable Securities permitted under, and made in compliance with, the LLC Agreement. Upon any such assignment, such assignee shall have and be able to exercise and enforce all rights of the assigning Holder which are assigned to it and, to the extent such rights are assigned, any reference to the assigning Holder shall be treated as a reference to the assignee. The parties hereto and their respective successors may assign their rights under this Agreement, in whole or in part, to any purchaser of shares of Registrable Securities held by them.

4.7. Entire Agreement. #### 4.8. Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware located in the County of New Castle and the Federal courts of the United States of America located in the County of New Castle solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware State or Federal court located in the County of New Castle. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 4.5 or in such other manner as may be permitted by law shall be valid and sufficient service thereof.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 4.8.

#### 4.9. Interpretation; Construction

(a) The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation."

---

(b) The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

4.10. Counterparts. This Agreement may be executed in separate counterparts (including by facsimile), all of which taken together shall constitute one and the same agreement.

4.11. Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

4.12. Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. SUBSCRIPTION AGREEMENT (this "Agreement") dated as of October 3, 2008 by and among McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), Len Anthony (the "Subscriber") and, for purposes of Section 7 only, PVF Holdings LLC ("PVF").

RECITALS

WHEREAS, on October 3, 2008, the Company appointed the Subscriber to serve as a member of the board of directors of the Company; and

WHEREAS, in exchange for the Cash Consideration (as defined below), the Subscriber desires to purchase from the Company, and the Company desires to issue to the Subscriber, the Purchased Shares (as defined below).

NOW THEREFORE, in consideration of the mutual promises herein made, and in consideration of the representations, warranties, and covenants herein contained, the Company and the Subscriber hereby agree as set forth below.

Section 1. Agreement to Sell and Purchase Securities. Subject to the terms and provisions set forth in this Agreement, (a) Subscriber agrees to purchase 56.7396 shares of common stock, par value \$0.01 per share, of the Company (the "Common Stock"), at a purchase price of \$8,812.18 per share, for an aggregate purchase price of \$500,000 (the "Cash Consideration") and (b) in consideration for the Cash Consideration, the Company agrees to issue, sell and deliver to the Subscriber 56.7396 shares of Common Stock (the "Purchased Shares").

Section 2. Closing. The delivery of the Purchased Shares to the Subscriber shall take place at a closing (the "Closing") on such date as the Company and the Subscriber shall mutually agree. The Subscriber shall deliver the Cash Consideration to the Company by wire transfer of immediately available funds or by such other form of payment acceptable to the Company so that at the Closing, the Company can deliver the Purchased Shares against receipt of cleared funds. The time and date upon which the Closing occurs is herein called the "Closing Date."

Section 3. Acceptance. This Agreement is subject to the acceptance of the Company. The Company reserves the right to accept or reject the subscription of Purchased Shares or any portion thereof. Upon such acceptance, this Agreement shall become a binding agreement between the Company, the Subscriber, and for purposes of Section 7 only, PVF.

Section 4. Representations and Warranties of the Subscriber. The Subscriber represents, warrants and agrees that:

(a) The Subscriber has all requisite power and authority to execute and deliver this Agreement and any and all instruments necessary or appropriate in order to

---

effectuate fully the terms and conditions of this Agreement and to perform and consummate his obligations hereunder. This Agreement has been duly and validly executed and delivered by the Subscriber and constitutes a valid and legally binding obligation of the Subscriber, enforceable against the Subscriber in accordance with its terms and conditions, except as enforceability thereof may be limited by any applicable bankruptcy, reorganization, insolvency or other laws affecting creditors' rights generally or by general principles of equity.

(b) The execution, delivery and performance of this Agreement by the Subscriber does not (i) violate, conflict with, or constitute a breach of or default under any agreement to which the Subscriber is a party or which he is bound or (y) violate any law, regulation, order, writ, judgment, injunction or decree applicable to the Subscriber. No consent or approval of, or filing with, any governmental or regulatory body is required to be obtained or made by the Subscriber in connection with the execution and delivery of this Agreement.

(c) The Subscriber is acquiring the Purchased Shares for his own account, for investment and not with a view to the sale or distribution thereof, nor with any present intention of distributing or selling the same. The Purchased Shares have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and, consequently, the materials relating to the offer have not been subject to review and comment by the staff of the Securities and Exchange Commission or any other governmental authority. Furthermore, there is not now and there may never be any public market for the Purchased Shares. Rule 144 promulgated under the Securities Act is not presently available with respect to the sale of any Purchased Shares.

(d) The Subscriber is an "accredited investor," as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act and, in connection with the execution of this Agreement, the Subscriber agrees to deliver such certificates to that effect as the board of directors of the Company may request.

(e) The Subscriber has had an opportunity to ask questions and receive answers concerning the terms and conditions of the offering of the Purchased Shares and has had full access to such other information concerning the Company as he has requested. The Subscriber's knowledge and experience in financial and business matters is such that he is capable of evaluating the merits and risk of the investment in the Purchased Shares. The Subscriber has carefully reviewed the terms and provisions of this Agreement and has evaluated the restrictions and obligations contained herein. In furtherance of the foregoing, the Subscriber represents and warrants that (i) no representation or warranty, express or implied, whether written or oral, as to the financial condition, results of operations, prospects, properties or business of the Company or as to the desirability or value of an investment in the Company has been made to the Subscriber by or on behalf of the Company, (ii) the Subscriber has relied upon his own independent appraisal and investigation, and the advice of his own counsel, tax advisors and other advisors, regarding the risks of an investment in the Company and (iii) the Subscriber will continue to bear sole responsibility for making his own independent evaluation and monitoring of the risks of his investment in the Company.

(f) The Subscriber's financial situation is such that the Subscriber can afford to bear the economic risk of holding the Purchased Shares for an indefinite period and the Subscriber can afford to suffer the complete loss of his investment in the Purchased Shares.

(g) The Subscriber is not subscribing for the Purchased Shares as a result of or subsequent to any advertisement, article, notice or other communication published in any newspapers, magazine or similar media or broadcast over television or radio, or presented at any seminar or meeting, or any solicitation of a subscription by a person or entity not previously known to the Subscriber in connection with investments in securities generally.

(h) The Subscriber understands and acknowledges that (i) he is being issued the Purchased Shares as part of a written compensatory contract pursuant to Rule 701 of the Securities Act for services to the Company and its affiliates, and (ii) he or she would not be issued the Purchased Shares if he or she were not an employee or director of the Company or one of its affiliates.

(i) The Subscriber hereby acknowledges that any investment gain attributable to ownership of the Purchased Shares will not be taken into consideration for any compensation purpose.

Section 5. Survival. All of the representations, warranties and agreements of the Subscriber set forth herein shall survive the execution and delivery of this Agreement.

Section 6. Subscriber's Employment. Nothing in this Agreement shall confer upon the Subscriber any right to continue to serve as a director of the Company or any of its affiliates or interfere in any way with the right of the Company or any of its affiliates, as the case may be, in their sole discretion, to terminate the Subscriber's service as director or to increase or decrease the Subscriber's compensation at any time.

#### Section 7. Stockholders Agreement

(a) The Subscriber hereby agrees to become a party to the Management Stockholders Agreement by and among PVF Holdings LLC, the Company and the Executives parties thereto, dated as of March 27, 2007, as amended, attached hereto as Exhibit A (the "Stockholders Agreement"). Except as otherwise expressly set forth in this Section 7, the Subscriber hereby agrees to be bound by, and subject to, all of the representations, warranties, covenants, terms and conditions set forth in the Stockholders Agreement that are applicable to an Executive (as defined in the Stockholders Agreement). Execution and delivery of this Agreement by the Subscriber shall also constitute execution and delivery by him of the Stockholders Agreement, without further action of any party.

(b) The Company, PVF and the Subscriber hereby agree that effective upon the consummation of a Qualified IPO (as defined in the Stockholders Agreement)

of the Company, the Subscriber shall no longer be a party to the Stockholders Agreement and the Stockholders Agreement shall automatically terminate, without further action of any party, with respect to the Subscriber and the Purchased Shares; *provided* that no such termination shall relieve any party thereto (including the Subscriber) of any liability or damages to any other party thereto resulting from a breach of the Stockholders Agreement prior to such termination.

Section 8. Governing Law; Waiver of Jury Trial. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without reference to the conflict of laws principles thereof. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware located in the County of New Castle and the Federal courts of the United States of America located in the County of New Castle solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware State or Federal court located in the County of New Castle. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in this Agreement or in such other manner as may be permitted by law shall be valid and sufficient service thereof. *Each of the parties irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any and all rights to trial by jury in connection with any litigation arising out of or relating to this Agreement or the transactions contemplated hereby.*

Section 9. Assignment; Binding Effect; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by the Subscriber (whether by operation of law or otherwise) without the prior written consent of the Company. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. Each of the Company's affiliates is a third party beneficiary under this Agreement. Notwithstanding anything contained in this Agreement to the contrary, nothing in this Agreement (other than as set forth in the immediately preceding sentence), express or implied, is intended to confer on any person other than the parties hereto or their respective heirs, successors, executors, administrators and assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement.

Section 10. Entire Agreement. This Agreement and the Stockholders Agreement constitute the entire agreement among the parties with respect to the subject

Section 11. Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or otherwise affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

The Option Price shall be \$8,812.18, which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the third (3<sup>rd</sup>) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the third (3<sup>rd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-third (1/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary;

(iii) On and after the fourth (4<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of two-thirds (2/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary; and

---

(iv) On and after the fifth (5<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary.

(v) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion."

(b) If the Participant's Employment is terminated by the Company for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically canceled by the Company without payment of consideration therefor, and the Vested Portion of the Option shall remain exercisable until the earliest to occur of (i) the ten (10) year anniversary of the Date of Grant and (ii) ninety (90) days following the date of the Participant's termination of Employment.

(d) If the Participant's Employment with the Company terminates due to the Participant's death or Disability, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten (10) year anniversary of the Date of Grant and (ii) twenty-four (24) months following such termination of Employment.

### 3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer; provided, however, that with the written consent of the Committee (which consent may be withheld for any or no reason), payment of such aggregate exercise price may instead be made, in whole or in part, by (i) the delivery to the Company of a certificate or certificates representing Shares having a Fair Market Value on the date of exercise equal to the aggregate exercise price, duly endorsed or accompanied by a duly executed stock power, which delivery effectively transfers to the Company good and valid title to such shares, free and clear of any pledge, commitment, lien, claim or other encumbrance (such shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of such exercise), or (ii) by a reduction in the number of Purchased Shares to be issued upon such exercise having a Fair Market Value on the date of exercise equal to the aggregate exercise price in respect of the Purchased Shares, provided that the Company is not then prohibited from purchasing or acquiring such Shares. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to

Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the “Legal Requirements”) that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company’s determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant’s name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant’s death or Disability, the Option shall remain exercisable by the Participant’s executor or administrator, or the person or persons to whom the Participant’s rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(d) (and the term “Participant” shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company’s or its Affiliates’ right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

8. Securities Laws. Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Participant's legal representatives. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

14. Accredited Investor Status Representation of Participant. Please check the box next to any of the following statements that apply:

- ☐ None of the statements above apply.

15. Adoption of Stockholders Agreement.

(a) The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Management Stockholders Agreement among PVF LLC (formerly known as McJ Holding LLC), the Company, and the other parties thereto (the “Stockholders Agreement”) as an “Executive” (as defined in the Stockholders Agreement) with the rights and obligations of holders of “Stock” (as defined in the Stockholders Agreement) and the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (i) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement); (ii) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders Agreement and the terms and conditions thereof that the Participant deems necessary; and (iii) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of Participant enforceable against the Participant in accordance with its terms and the terms of the Stockholders Agreement.

(b) The Company, PVF Holdings LLC and the Participant hereby agree that effective upon the consummation of a Qualified IPO (as defined in the Stockholders Agreement) of the Company, the Participant shall no longer be a party to the Stockholders Agreement and the

Stockholders Agreement shall automatically terminate, without further action of any party, with respect to the Option granted to the Participant hereunder and any shares received by the Participant upon the exercise of the Option; *provided* that no such termination shall relieve any party thereto (including the Participant) of any liability or damages to any other party thereto resulting from a breach of the Stockholders Agreement prior to such termination.

SUBSCRIPTION AGREEMENT (this "Agreement") dated as of October 30, 2009 by and among McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), John Perkins (the "Subscriber") and, for purposes of Section 7 only, PVF Holdings LLC ("PVF").

RECITALS

WHEREAS, in exchange for the Cash Consideration (as defined below), the Subscriber desires to purchase from the Company, and the Company desires to issue to the Subscriber, the Purchased Shares (as defined below).

NOW THEREFORE, in consideration of the mutual promises herein made, and in consideration of the representations, warranties, and covenants herein contained, the Company and the Subscriber hereby agree as set forth below.

Section 1. Agreement to Sell and Purchase Securities. Subject to the terms and provisions set forth in this Agreement, (a) Subscriber agrees to purchase 43,706 shares of common stock, par value \$0.01 per share, of the Company (the "Common Stock"), at a purchase price of \$11.44 per share, for an aggregate purchase price of \$500,000 (the "Cash Consideration") and (b) in consideration for the Cash Consideration, the Company agrees to issue, sell and deliver to the Subscriber 43,706 shares of Common Stock (the "Purchased Shares").

Section 2. Closing. The delivery of the Purchased Shares to the Subscriber shall take place at a closing (the "Closing") on such date as the Company and the Subscriber shall mutually agree. The Subscriber shall deliver the Cash Consideration to the Company by wire transfer of immediately available funds or by such other form of payment acceptable to the Company so that at the Closing, the Company can deliver the Purchased Shares against receipt of cleared funds. The time and date upon which the Closing occurs is herein called the "Closing Date."

Section 3. Acceptance. This Agreement is subject to the acceptance of the Company. The Company reserves the right to accept or reject the subscription of Purchased Shares or any portion thereof. Upon such acceptance, this Agreement shall become a binding agreement between the Company, the Subscriber, and for purposes of Section 7 only, PVF.

Section 4. Representations and Warranties of the Subscriber. The Subscriber represents, warrants and agrees that:

(a) The Subscriber has all requisite power and authority to execute and deliver this Agreement and any and all instruments necessary or appropriate in order to effectuate fully the terms and conditions of this Agreement and to perform and consummate his obligations hereunder. This Agreement has been duly and validly executed and delivered by the Subscriber and constitutes a valid and legally binding

---

obligation of the Subscriber, enforceable against the Subscriber in accordance with its terms and conditions, except as enforceability thereof may be limited by any applicable bankruptcy, reorganization, insolvency or other laws affecting creditors' rights generally or by general principles of equity.

(b) The execution, delivery and performance of this Agreement by the Subscriber does not (i) violate, conflict with, or constitute a breach of or default under any agreement to which the Subscriber is a party or which he is bound or (y) violate any law, regulation, order, writ, judgment, injunction or decree applicable to the Subscriber. No consent or approval of, or filing with, any governmental or regulatory body is required to be obtained or made by the Subscriber in connection with the execution and delivery of this Agreement.

(c) The Subscriber is acquiring the Purchased Shares for his own account, for investment and not with a view to the sale or distribution thereof, nor with any present intention of distributing or selling the same. The Purchased Shares have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and, consequently, the materials relating to the offer have not been subject to review and comment by the staff of the Securities and Exchange Commission or any other governmental authority. Furthermore, there is not now and there may never be any public market for the Purchased Shares. Rule 144 promulgated under the Securities Act is not presently available with respect to the sale of any Purchased Shares.

(d) The Subscriber is an "accredited investor," as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act and, in connection with the execution of this Agreement, the Subscriber agrees to deliver such certificates to that effect as the board of directors of the Company may request.

(e) The Subscriber has had an opportunity to ask questions and receive answers concerning the terms and conditions of the offering of the Purchased Shares and has had full access to such other information concerning the Company as he has requested. The Subscriber's knowledge and experience in financial and business matters is such that he is capable of evaluating the merits and risk of the investment in the Purchased Shares. The Subscriber has carefully reviewed the terms and provisions of this Agreement and has evaluated the restrictions and obligations contained herein. In furtherance of the foregoing, the Subscriber represents and warrants that (i) no representation or warranty, express or implied, whether written or oral, as to the financial condition, results of operations, prospects, properties or business of the Company or as to the desirability or value of an investment in the Company has been made to the Subscriber by or on behalf of the Company, (ii) the Subscriber has relied upon his own independent appraisal and investigation, and the advice of his own counsel, tax advisors and other advisors, regarding the risks of an investment in the Company and (iii) the Subscriber will continue to bear sole responsibility for making his own independent evaluation and monitoring of the risks of his investment in the Company.

(f) The Subscriber's financial situation is such that the Subscriber can afford to bear the economic risk of holding the Purchased Shares for an indefinite period

and the Subscriber can afford to suffer the complete loss of his investment in the Purchased Shares.

(g) The Subscriber is not subscribing for the Purchased Shares as a result of or subsequent to any advertisement, article, notice or other communication published in any newspapers, magazine or similar media or broadcast over television or radio, or presented at any seminar or meeting, or any solicitation of a subscription by a person or entity not previously known to the Subscriber in connection with investments in securities generally.

(h) The Subscriber understands and acknowledges that (i) he is being issued the Purchased Shares as part of a written compensatory contract pursuant to Rule 701 of the Securities Act for services to the Company and its affiliates, and (ii) he or she would not be issued the Purchased Shares if he or she were not an employee or director of the Company or one of its affiliates.

(i) The Subscriber hereby acknowledges that any investment gain attributable to ownership of the Purchased Shares will not be taken into consideration for any compensation purpose.

Section 5. Survival. All of the representations, warranties and agreements of the Subscriber set forth herein shall survive the execution and delivery of this Agreement.

Section 6. Subscriber's Employment. Nothing in this Agreement shall confer upon the Subscriber any right, following appointment of the Subscriber to the board of directors of the Company, to continue to serve as a director of the Company or any of its affiliates or interfere in any way with the right of the Company or any of its affiliates, as the case may be, in their sole discretion, to terminate, following appointment of the Subscriber to the board of directors of the Company, the Subscriber's service as director or to increase or decrease the Subscriber's compensation at any time.

#### Section 7. Stockholders Agreement

(a) The Subscriber hereby agrees to become a party to the Management Stockholders Agreement by and among PVF, the Company and the Executives named therein, dated as of March 27, 2007, as amended, attached hereto as Exhibit A (the "Stockholders Agreement"). Except as otherwise expressly set forth in this Section 7, the Subscriber hereby agrees to be bound by, and subject to, all of the representations, warranties, covenants, terms and conditions set forth in the Stockholders Agreement that are applicable to an Executive (as defined in the Stockholders Agreement). Execution and delivery of this Agreement by the Subscriber shall also constitute execution and delivery by him of the Stockholders Agreement, without further action of any party.

(b) The Company, PVF and the Subscriber hereby agree that effective upon the consummation of a Qualified IPO (as defined in the Stockholders Agreement)

of the Company, the Subscriber shall no longer be a party to the Stockholders Agreement and the Stockholders Agreement shall automatically terminate, without further action of any party, with respect to the Subscriber and the Purchased Shares; *provided* that no such termination shall relieve any party thereto (including the Subscriber) of any liability or damages to any other party thereto resulting from a breach of the Stockholders Agreement prior to such termination.

Section 8. Governing Law; Waiver of Jury Trial. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without reference to the conflict of laws principles thereof. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware located in the County of New Castle and the Federal courts of the United States of America located in the County of New Castle solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware State or Federal court located in the County of New Castle. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in this Agreement or in such other manner as may be permitted by law shall be valid and sufficient service thereof. *Each of the parties irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any and all rights to trial by jury in connection with any litigation arising out of or relating to this Agreement or the transactions contemplated hereby.*

Section 9. Assignment; Binding Effect; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by the Subscriber (whether by operation of law or otherwise) without the prior written consent of the Company. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. Each of the Company's affiliates is a third party beneficiary under this Agreement. Notwithstanding anything contained in this Agreement to the contrary, nothing in this Agreement (other than as set forth in the immediately preceding sentence), express or implied, is intended to confer on any person other than the parties hereto or their respective heirs, successors, executors, administrators and assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement.

Section 10. Entire Agreement. This Agreement and the Stockholders Agreement constitute the entire agreement among the parties with respect to the subject

matter hereof and supersede all prior agreements and understandings (oral and written) among the parties with respect thereto.

Section 11. Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or otherwise affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

Section 12. Revocability. This Agreement may not be withdrawn or revoked by the Subscriber in whole or in part without the prior written consent of the Company.

Section 13. Notices. All notices, requests, demands, claims and other communications provided for under the terms of this Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set forth below:

**MCJUNKIN RED MAN HOLDING CORPORATION**  
**NONQUALIFIED STOCK OPTION AGREEMENT**

THIS AGREEMENT (this "Agreement"), is made effective as of December 3, 2009 (the "Date of Grant"), between McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), PVF Holdings LLC, a Delaware limited liability company ("PVF Holdings LLC") (solely for purposes of Section 15 hereof), and John A. Perkins (the "Participant").

R E C I T A L S:

WHEREAS, the Company has adopted the McJ Holding Corporation 2007 Stock Option Plan (the "Plan"), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the Participant's services and of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Grant of the Option. The Company hereby grants to the Participant the right and option (the "Option") to purchase, on the terms and conditions hereinafter set forth, all or any part of an aggregate of 8,741 Shares, subject to adjustment as set forth in the Plan. The Option Price shall be \$11.44 USD, which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the second (2<sup>nd</sup>) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the second (2<sup>nd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-fourth (1/4) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary;

(iii) On and after the third (3<sup>rd</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-half (1/2) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary;

---

(iv) On and after the fourth (4<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of three-fourths (3/4) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary; and

(v) On and after the fifth (5<sup>th</sup>) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option provided, that the Participant's Employment with the Company or any of its Affiliates has not terminated as of such anniversary.

(vi) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion."

(b) If the Participant's Employment is terminated by the Company or an Affiliate for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company or any of its Affiliates terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically canceled by the Company without payment of consideration therefor, and the Vested Portion of the Option shall remain exercisable for the period set forth in Section 2(d).

(d) Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) 90 days following the date of the Participant's termination of Employment (other than a termination of Employment due to the Participant's death or Disability).

(e) Notwithstanding the foregoing, upon termination of Employment due to the Participant's death or Disability, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) twenty-four months following such termination of Employment.

### 3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer; provided, however, that with the written consent of the Committee (which consent may be withheld for any or no reason), payment of such aggregate exercise price may instead be made, in whole or in part, by (A) the delivery to the Company of a certificate or certificates

representing Shares having a Fair Market Value on the date of exercise equal to the aggregate exercise price, duly endorsed or accompanied by a duly executed stock power, which delivery effectively transfers to the Company good and valid title to such shares, free and clear of any pledge, commitment, lien, claim or other encumbrance (such shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of such exercise), or (B) by a reduction in the number of Purchased Shares to be issued upon such exercise having a Fair Market Value on the date of exercise equal to the aggregate exercise price in respect of the Purchased Shares, provided that the Company is not then prohibited from purchasing or acquiring such Shares. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the "Legal Requirements") that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant's death or Disability, the Option shall remain exercisable by the Participant's executor or administrator, or the person or persons to whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(e) (and the term "Participant" shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to

continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliates' right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes (including any Employee National Insurance contributions). The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder (other than with respect to any Secondary (Employer) National Insurance).

8. Securities Laws. Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Participant's legal representatives. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final,

binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

14. Accredited Investor Status Representation of Participant. Please check the box next to any of the following statements that apply:

- ☒ Your individual net worth, or joint net worth with your spouse, as of the date hereof, exceeds \$1,000,000;
- ☐ You had individual income in excess of \$200,000 in each of the two most recent years, or joint income with your spouse in excess of \$300,000 in each of those years, and have a reasonable expectation of reaching the same income level in the current year; or
- ☐ None of the statements above apply.

15. Adoption of Stockholders Agreement. The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Management Stockholders Agreement among PVF LLC (formerly known as McJ Holding LLC), the Company, and the other parties thereto (the "Stockholders Agreement") as an "Executive" (as defined in the Stockholders Agreement) with the rights and obligations of holders of "Stock" (as defined in the Stockholders Agreement) and the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (a) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or

desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement); (b) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders Agreement and the terms and conditions thereof that the Participant deems necessary; and (c) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of Participant enforceable against the Participant in accordance with its terms and the terms of the Stockholders Agreement.

16. Complete Agreement. The Plan and this Agreement shall constitute the entire agreement between the parties with respect to the Option.

## INDEMNIFICATION AGREEMENT

This Indemnification Agreement (“Agreement”) is made as of August 11, 2010 by and between McJunkin Red Man Holding Corporation, a Delaware corporation (the “Company”), and Peter C. Boylan, III (“Indemnitee”).

### RECITALS

WHEREAS, the Company desires to attract and retain the services of highly qualified individuals, such as Indemnitee, to serve the Company;

WHEREAS, in order to induce Indemnitee to continue to provide services to the Company, the Company wishes to provide for the indemnification of, and advancement of expenses to, Indemnitee to the maximum extent permitted by applicable law;

WHEREAS, the Company’s Certificate of Incorporation (the “Charter”) and Bylaws (the “Bylaws”) require indemnification of the officers and directors of the Company, and Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (the “DGCL”);

WHEREAS, the Bylaws and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the board of directors, officers and other persons with respect to indemnification;

WHEREAS, the Company and Indemnitee recognize the continued difficulty in obtaining liability insurance for the Company’s directors, officers, employees, agents and fiduciaries, the significant and continual increases in the cost of such insurance and the general trend of insurance companies to reduce the scope of coverage of such insurance;

WHEREAS, the Company and Indemnitee further recognize the substantial increase in corporate litigation in general, subjecting directors, officers, employees, agents and fiduciaries to expensive litigation risks at the same time as the availability and scope of coverage of liability insurance provide increasing challenges for the Company;

WHEREAS, Indemnitee does not regard the protection currently provided by applicable law, the Company’s governing documents and available insurance as adequate under the present circumstances, and the Indemnitee and certain other directors, officers, employees, agents and fiduciaries of the Company may not be willing to continue to serve in such capacities without additional protection;

WHEREAS, the Board of Directors of the Company (the “Board”) has determined that the increased difficulty in attracting and retaining highly qualified persons such as Indemnitee is detrimental to the best interests of the Company’s stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

---

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified; and

WHEREAS, this Agreement is a supplement to and in furtherance of the indemnification provided in the Bylaws and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnatee thereunder.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnatee do hereby covenant and agree as follows:

Section 1. Services to the Company. Indemnatee agrees to serve as a director of the Company. Indemnatee may at any time and for any reason resign from such position (subject to any other contractual obligation or any obligation imposed by operation of law), in which event the Company shall have no obligation under this Agreement to continue Indemnatee in such position. This Agreement shall not be deemed an employment contract between the Company (or any of its subsidiaries or any Enterprise) and Indemnatee. The foregoing notwithstanding and subject to Section 16 of this Agreement, this Agreement shall continue in force after Indemnatee has ceased to serve as a director of the Company and will continue to provide coverage, to the extent provided for in this Agreement, for matters that occurred while Indemnatee served as a director of the Company.

## Section 2. Definitions

As used in this Agreement:

(a) “Corporate Status” describes the status of a person who is or was a director, officer, employee, agent or consultant of the Company or of any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise which such person is or was serving at the request of the Company as a director, officer, employee, agent, consultant or fiduciary.

(b) “Enterprise” shall mean the Company and any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnatee is or was serving at the request of the Company as a director, officer, employee, agent, consultant or fiduciary.

(c) “Expenses” shall include all reasonable attorneys’ fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, any federal, state, local or foreign taxes imposed on Indemnatee as a result of the actual or deemed receipt of any payments under this Agreement, ERISA excise taxes and penalties, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, or otherwise participating in, a Proceeding. Expenses also shall include (i) Expenses incurred in connection with any appeal resulting from any Proceeding, including without limitation the premium,

security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent, and (ii) Expenses incurred by Indemnatee in connection with the interpretation, enforcement or defense of Indemnatee's rights under this Agreement, by litigation or otherwise. The parties agree that for the purposes of any advancement of Expenses for which Indemnatee has made written demand to the Company in accordance with this Agreement, all Expenses included in such demand that are certified by affidavit of Indemnatee's counsel as being reasonable shall be presumed conclusively to be reasonable. Expenses, however, shall not include amounts paid in settlement by Indemnatee or the amount of judgments or fines against Indemnatee.

(d) "Independent Counsel" means a law firm, or a partner (or, if applicable, member) of such a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past two years has been, retained to represent: (i) the Company or Indemnatee in any matter material to either such party (other than with respect to matters concerning the Indemnatee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term "Independent Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnatee in an action to determine Indemnatee's rights under this Agreement.

(e) The term "Proceeding" shall include any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil, criminal, administrative legislative, or investigative (formal or informal) nature, including any and all appeals therefrom, in which Indemnatee was, is or will be involved as a party, potential party, non-party witness or otherwise by reason of the fact that Indemnatee is or was a director, consultant or officer of the Company, by reason of any action taken by him or of any action on his part while acting as director, consultant or officer of the Company, or by reason of the fact that he is or was serving at the request of the Company as a director, consultant, officer, employee or agent of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise, in each case whether or not serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement, or advancement of expenses can be provided under this Agreement. If the Indemnatee believes in good faith that a given situation may lead to or culminate in the institution of a Proceeding, such situation shall be considered a Proceeding under this paragraph.

Section 3. Indemnity in Third-Party Proceedings. The Company shall indemnify Indemnatee in accordance with the provisions of this Section 3 if Indemnatee is, or is threatened to be made, a party to or a participant in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor (which is covered by Section 4 of this Agreement). Pursuant to this Section 3, Indemnatee shall be indemnified to the fullest extent permitted by applicable law against all Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by Indemnatee or on his behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnatee acted in good faith and in a

manner he reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal proceeding had no reasonable cause to believe that his conduct was unlawful. Indemnitee shall not enter into any settlement in connection with a Proceeding without ten (10) days prior notice to the Company.

Section 4. Indemnity in Proceedings by or in the Right of the Company. The Company shall indemnify Indemnitee in accordance with the provisions of this Section 4 if Indemnitee is, or is threatened to be made, a party to or a participant in any Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 4, Indemnitee shall be indemnified to the fullest extent permitted by applicable law against all Expenses actually and reasonably incurred by him or on his behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company. No indemnification for Expenses shall be made under this Section 4 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged by a court to be liable to the Company, unless and only to the extent that the Delaware Court of Chancery (the "Delaware Court") or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification for such expenses as the Delaware Court or such other court shall deem proper.

Section 5. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. To the extent that Indemnitee is a party to and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall indemnify Indemnitee against all Expenses actually and reasonably incurred by him in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee against (a) all Expenses actually and reasonably incurred by him or on his behalf in connection with each successfully resolved claim, issue or matter and (b) any claim, issue or matter related to any such successfully resolved claim, issue or matter. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter. Nothing in this Section 5 is intended to limit Indemnitee's rights provided for in Sections 3 and 4.

Section 6. Indemnification For Expenses of a Witness. To the extent that Indemnitee is, by reason of his Corporate Status, a witness or otherwise asked to participate in any Proceeding to which Indemnitee is not a party, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith. Nothing in this Section 6 is intended to limit Indemnitee's rights provided for in Sections 3 and 4.

Section 7. Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for some or a portion of Expenses, but not, however, for the total amount thereof, the Company shall nevertheless indemnify Indemnitee for the portion thereof to which Indemnitee is entitled.

Section 8. Additional Indemnification.

(a) Notwithstanding any provisions of Sections 3, 4, or 5, the Company shall indemnify Indemnitee to the fullest extent permitted by applicable law if Indemnitee is a party to or is threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by Indemnitee in connection with such Proceeding.

(b) For purposes of Section 8(a), the meaning of the phrase “to the fullest extent permitted by applicable law” shall include, but not be limited to:

- i. to the fullest extent permitted by the provision of the DGCL that authorizes or contemplates additional indemnification by agreement, or the corresponding provision of any amendment to or replacement of the DGCL or such provision thereof; and
- ii. to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its directors.

Section 9. Exclusions. Notwithstanding any provision in this Agreement to the contrary, the Company shall not be obligated under this Agreement to make any indemnity:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision;

(b) for any disgorgement of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company under Section 16(b) of the Securities Exchange Act of 1934, as amended, or similar provisions of state statutory law or common law;

(c) for claims initiated or brought by Indemnitee against the Company or its directors, officers, employees or other indemnitees, except (i) with respect to actions or proceedings brought to establish or enforce a right to receive Expenses or indemnification under this Agreement or any other agreement or insurance policy or under the Charter or the Bylaws now or hereafter in effect relating to indemnification, (ii) if the Board has approved the initiation or bringing of such claim, or (iii) as otherwise required under Delaware law; or

(d) for which payment is prohibited by applicable law.

Section 10. Advances of Expenses. Notwithstanding any provision of this Agreement to the contrary, the Company shall advance, to the extent not prohibited by applicable law, all Expenses incurred by or on behalf of Indemnitee (or which Indemnitee determines are reasonably likely to be paid or incurred by Indemnitee within three (3) months) in connection with any Proceeding, and such advancement shall be made within twenty (20) days after the receipt by the Company of a statement or statements requesting such advances (which shall include invoices received by Indemnitee in connection with such Expenses but, in the case of invoices in connection with legal services, any references to legal work performed or to

expenditures made that would cause Indemnatee to waive any privilege accorded by applicable law shall not be included with the invoice) from time to time, whether prior to or after final disposition of any Proceeding. Advances shall be unsecured and interest free. Advances shall be made without regard to Indemnatee's ability to repay expenses and without regard to Indemnatee's ultimate entitlement to indemnification under the other provisions of this Agreement. Advances shall include any and all reasonable Expenses incurred pursuing an action to enforce this right of advancement, including Expenses incurred preparing and forwarding statements to the Company to support the advances claimed. The Indemnatee shall qualify for advances upon the execution and delivery to the Company of this Agreement, which shall constitute an undertaking providing that the Indemnatee undertakes to the fullest extent required by applicable law to repay the amounts advanced (without interest) if and to the extent that it is ultimately determined by a court of competent jurisdiction in a final judgment, not subject to appeal, that Indemnatee is not entitled to be indemnified by the Company. No other form of undertaking shall be required other than the execution of this Agreement. This Section 10 shall not apply to any claim made by Indemnatee for which indemnity is excluded pursuant to Section 9. The right to advances under this paragraph shall in all events continue until final disposition of any Proceeding.

Section 11. Procedure for Notification and Defense of Claim.

(a) To obtain indemnification or advancement of Expenses under this Agreement, Indemnatee shall submit to the Company a written request therefor. The omission by Indemnatee to notify the Company hereunder will not relieve the Company from any liability which it may have to Indemnatee hereunder, under the Charter, the Bylaws, any resolution of the Board providing for indemnification or otherwise, and any delay in so notifying the Company shall not constitute a waiver by Indemnatee of any rights under this Agreement. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnatee has requested indemnification.

(b) The Company will be entitled to participate in any Proceeding at its own expense.

Section 12. Procedure Upon Application for Indemnification.

(a) Upon written request by Indemnatee for indemnification pursuant to Section 11(a), a determination, if required by applicable law, with respect to Indemnatee's entitlement thereto shall be made in the specific case by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnatee and, if it is so determined that Indemnatee is entitled to indemnification, payment to Indemnatee shall be made within ten (10) days after such determination. Indemnatee shall cooperate with the Independent Counsel making such determination with respect to Indemnatee's entitlement to indemnification, including providing to such counsel upon reasonable advance request any reasonable documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnatee and reasonably necessary to such determination. Any costs or expenses (including attorneys' fees and disbursements) incurred by Indemnatee in so cooperating with the Independent Counsel shall be deemed "Expenses" hereunder and shall be borne by the Company (irrespective of the determination as to Indemnatee's entitlement to

indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

(b) The Independent Counsel shall be selected by Indemnitee, and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected. The Company may, within ten (10) days after such written notice of Indemnitee's selection shall have been given, deliver to the Indemnitee a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 2 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person or firm so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If, within twenty (20) days after the later of submission by Indemnitee of a written request for indemnification pursuant to Section 11(a) hereof and the final disposition of the Proceeding no Independent Counsel shall have been selected and not objected to, the Indemnitee may petition a court of competent jurisdiction for resolution of any objection which shall have been made by the Company to the selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 12(a) hereof. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 14(a) of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing). The Company agrees to pay the reasonable fees and expenses of the Independent Counsel and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

### Section 13. Presumptions and Effect of Certain Proceedings.

(a) In making a determination with respect to entitlement to indemnification hereunder, the Independent Counsel making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 11(a) of this Agreement, and the Company shall have the burden of proof to overcome that presumption in connection with the making by the Independent Counsel of any determination contrary to that presumption. Neither the failure of the Company or of Independent Counsel to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company or by Independent Counsel that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of guilty, nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself

adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

(c) For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or the Board or counsel selected by any committee of the Board or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser, investment banker or other expert selected with reasonable care by the Company or the Board or any committee of the Board. The provisions of this Section 13(c) shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(d) The knowledge and/or actions, or failure to act, of any director, consultant, officer, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

#### Section 14. Remedies of Indemnitee.

(a) Subject to Section 14(e), in the event that (i) a determination is made pursuant to Section 12 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 10 of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section 12(a) of this Agreement within sixty (60) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section 5, 6 or 7 or the last sentence of Section 12(a) of this Agreement within ten (10) days after receipt by the Company of a written request therefor, (v) payment of indemnification pursuant to Section 3, 4 or 8 of this Agreement is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification, or (vi) in the event that the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, Indemnitee shall be entitled to an adjudication by a court of his entitlement to such indemnification and/or advancement of Expenses. Alternatively, Indemnitee, at his option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Indemnitee shall commence such proceeding seeking an adjudication or an award in arbitration within 180 days following the date on which Indemnitee first has the right to commence such proceeding pursuant to this Section 14(a); provided, however, that the foregoing clause shall not apply in respect of a proceeding brought by Indemnitee to enforce his rights under Section 5 of this Agreement. The Company shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 12(a) of this Agreement that Indemnitee is not entitled to indemnification, any judicial

proceeding or arbitration commenced pursuant to this Section 14 shall be conducted in all respects as a de novo trial, or arbitration, on the merits and Indemnatee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 14, the Company shall have the burden of proving Indemnatee is not entitled to indemnification or advancement of Expenses, as the case may be.

(c) If a determination shall have been made pursuant to Section 12(a) of this Agreement that Indemnatee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 14, absent (i) a misstatement by Indemnatee of a material fact, or an omission of a material fact necessary to make Indemnatee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) The Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 14 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement. It is the intent of the Company that, to the fullest extent permitted by applicable law, the Indemnatee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement or defense of Indemnatee's rights under this Agreement by litigation or otherwise because the cost and expense thereof would substantially detract from the benefits intended to be extended to the Indemnatee hereunder. To the fullest extent permitted by applicable law, the Company shall indemnify Indemnatee against any and all Expenses and, if requested by Indemnatee, shall (within ten (10) days after receipt by the Company of a written request therefor) advance such Expenses to Indemnatee, which are incurred by Indemnatee in connection with any action brought by Indemnatee for indemnification or advance of Expenses from the Company under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company, regardless of whether Indemnatee ultimately is determined to be entitled to such indemnification, advancement of Expenses or insurance recovery, as the case may be, in the suit for which indemnification or advances is being sought.

(e) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement of Indemnatee to indemnification under this Agreement shall be required to be made prior to the final disposition of the Proceeding.

Section 15. Non-exclusivity; Survival of Rights; Insurance; Subrogation.

(a) The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnatee may at any time be entitled under applicable law, the Charter, the Bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnatee under this Agreement in respect of any action taken or omitted by such Indemnatee in his Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in Delaware law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Charter, the Bylaws and this Agreement, it is the intent of the parties hereto that Indemnatee shall enjoy by this

Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, consultants, officers, employees, or agents of the Company or of any other Enterprise, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, consultant, officer, employee or agent under such policy or policies. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company has director and officer liability insurance in effect, the Company shall give prompt notice of such claim or of the commencement of a proceeding, as the case may be, to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies.

(c) In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

(d) The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (or for which advancement is provided hereunder) if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

(e) The Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, consultant, officer, employee or agent of any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise shall be reduced by any amount Indemnitee has actually received as indemnification or advancement of Expenses from such other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise.

Section 16. Duration of Agreement. This Agreement shall continue until and terminate upon the later of: (a) ten (10) years after the date that Indemnitee shall have ceased to serve as a director of the Company or (b) one (1) year after the final termination of any Proceeding then pending on such ten (10) year anniversary in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses hereunder and of any proceeding commenced by Indemnitee pursuant to Section 14 of this Agreement relating thereto. This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and his heirs, executors and administrators. The Company shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation or

otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to the Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

Section 17. Severability. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by applicable law; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

Section 18. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as a director of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof; provided, however, that this Agreement is a supplement to and in furtherance of the Charter, the Bylaws, any resolution of the Board providing for indemnification and applicable law, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder.

Section 19. Modification and Waiver. No supplement, modification or amendment, or waiver of any provision, of this Agreement shall be binding unless executed in writing by the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

Section 20. Notice by Indemnitee. Indemnitee agrees promptly to notify the Company in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification or advancement of Expenses covered hereunder. The failure of Indemnitee to so notify the Company shall not relieve the Company of any obligation which it may have to the Indemnitee under this Agreement or otherwise.

Section 21. Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given if (a) delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed, (b) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed, (c) mailed by reputable overnight courier and receipted for by the party to whom said notice or other communication shall have been directed or (d) sent by facsimile transmission, with receipt of oral confirmation that such transmission has been received:

(a) If to Indemnatee, at the address indicated on the signature page of this Agreement, or such other address as Indemnatee shall provide to the Company.

(b) If to the Company to:

McJunkin Red Man Holding Corporation

Tulsa, Oklahoma 74133  
Attn: Executive Vice President and General Counsel  
Facsimile: (866) 815-5063

or to any other address as may have been furnished to Indemnatee by the Company.

Section 22. Contribution. To the fullest extent permitted by applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnatee for any reason whatsoever, the Company, in lieu of indemnifying Indemnatee, shall contribute to the amount incurred by Indemnatee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnatee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding; and/or (ii) the relative fault of the Company (and its directors, officers, employees and agents) and Indemnatee in connection with such event(s) and/or transaction(s).

Section 23. Applicable Law and Consent to Jurisdiction. This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. Except with respect to any arbitration commenced by Indemnatee pursuant to Section 14(a) of this Agreement, the Company and Indemnatee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Delaware Court, and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) appoint, to the extent such party is not otherwise subject to service of process in the State of Delaware, The Corporation Trust Company, Wilmington, Delaware as its agent in the State of Delaware as such party's agent for acceptance of legal process in connection with any such action or proceeding against such party with the same legal force and validity as if served upon such party personally within the State of Delaware, (iv) waive any objection to the

laying of venue of any such action or proceeding in the Delaware Court, and (v) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

Section 24. Identical Counterparts. This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

Section 25. Miscellaneous. The headings of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

By execution hereof, the undersigned acknowledges receipt of the Prospectus dated           , 2011 (the “Prospectus”) of McJunkin Red Man Corporation (the “Company”) which, together with this Letter of Transmittal (the “Letter of Transmittal”), constitute the Company’s offer (the “Exchange Offer”) to exchange up to \$1,050,000,000 principal amount of its 9.50% Senior Secured Notes due December 15, 2016 (the “Exchange Notes”), which have been registered under the Securities Act of 1933, as amended (the “Securities Act”), for up to \$1,050,000,000 principal amount of its issued and outstanding 9.50% Senior Secured Notes due December 15, 2016 (the “Outstanding Notes”). The terms of the Exchange Notes are substantially identical to the terms of the Outstanding Notes for which they may be exchanged pursuant to the Exchange Offer, except that the transfer restrictions, registration rights and additional interest provisions relating to the Outstanding Notes will not apply to the Exchange Notes.

This Letter of Transmittal is to be used by Holders (as defined below) if: (i) certificates representing Outstanding Notes are to be physically delivered to the Exchange Agent herewith by Holders; (ii) tender of Outstanding Notes is to be made by book-entry transfer to the Exchange Agent’s account at The Depository Trust Company (“DTC”), Euroclear Bank S.A./N.V., as operator of the Euroclear system (“Euroclear”), or Clearstream Banking S.A. (“Clearstream”) by any financial institution that is a participant in DTC, Euroclear or Clearstream, as applicable, and whose name appears on a security position listing as the owner of Outstanding Notes (such participants, acting on behalf of Holders, are referred to herein, together with such Holders, as “Acting Holder”); or (iii) tender of Outstanding Notes is to be made according to the guaranteed delivery procedures.

---

DELIVERY OF DOCUMENTS TO DTC, EUROCLEAR OR CLEARSTREAM DOES NOT CONSTITUTE DELIVERY TO THE EXCHANGE AGENT.

If delivery of the Outstanding Notes is to be made by book-entry transfer to the account maintained by the Exchange Agent at DTC, Euroclear or Clearstream as set forth in (ii) in the immediately preceding paragraph, this Letter of Transmittal need not be manually executed; provided, however, that tenders of Outstanding Notes must be effected in accordance with the procedures mandated by DTC's Automated Tender Offer Program ("ATOP") or by Euroclear or Clearstream, as the case may be. To tender Outstanding Notes in this manner, the electronic instructions sent to DTC, Euroclear or Clearstream and transmitted to the Exchange Agent must contain the character by which the participant acknowledges its receipt of and agrees to be bound by this Letter of Transmittal.

Unless the context requires otherwise, the term "Holder" for purposes of this Letter of Transmittal means: (i) any person in whose name Outstanding Notes are registered on the books of the Company or any other person who has obtained a properly completed bond power from the registered Holder or (ii) any participant in DTC, Euroclear or Clearstream whose Outstanding Notes are held of record by DTC, Euroclear or Clearstream who desires to deliver such Outstanding Notes by book-entry transfer at DTC, Euroclear or Clearstream.

The undersigned has completed, executed and delivered this Letter of Transmittal to indicate the action the undersigned desires to take with respect to the Exchange Offer.

The instructions included with this Letter of Transmittal must be followed. Questions and requests for assistance or for additional copies of the Prospectus, this Letter of Transmittal and the Notice of Guaranteed Delivery may be directed to the Exchange Agent.

**HOLDERS WHO WISH TO ACCEPT THE EXCHANGE OFFER AND TENDER THEIR OUTSTANDING NOTES MUST COMPLETE THIS LETTER OF TRANSMITTAL IN ITS ENTIRETY.**

If the space provided below is inadequate, the Certificate Numbers and Principal Amounts should be listed on a separate signed schedule affixed hereto. Ladies and Gentlemen:

Upon the terms and subject to the conditions of the Exchange Offer, the undersigned hereby tenders to the Company the above-described aggregate principal amount of Outstanding Notes. Subject to, and effective upon, the acceptance for exchange of the Outstanding Notes tendered herewith, the undersigned hereby exchanges, assigns and transfers to, or upon the order of, the Company all right, title and interest in and to such Outstanding Notes. The undersigned hereby irrevocably constitutes and appoints the Exchange Agent as the true and lawful agent and attorney-in-fact of the undersigned (with full knowledge that said Exchange Agent also acts as the agent of the Company and as Trustee under the Indenture for the Outstanding Notes and the Exchange Notes) to cause the Outstanding Notes to be assigned, transferred and exchanged. The undersigned represents and warrants that it has full power and authority to tender, exchange, assign and transfer the Outstanding Notes and to acquire Exchange Notes issuable upon the exchange of such tendered Outstanding Notes, and that, when the same are accepted for exchange, the Company will acquire good and unencumbered title to the tendered Outstanding Notes, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim. The undersigned also warrants that it will, upon request, execute and deliver any additional documents deemed by the Exchange Agent or the Company to be necessary or desirable to complete the exchange, assignment and transfer of tendered Outstanding Notes.

The Exchange Offer is subject to certain conditions as set forth in the Prospectus under the caption “The Exchange Offer — Conditions to the Exchange Offer.” The undersigned recognizes that as a result of these conditions (which may be waived, in whole or in part, by the Company) as more particularly set forth in the Prospectus, the Company may not be required to exchange any of the Outstanding Notes tendered hereby and, in such event, the Outstanding Notes not exchanged will be returned to the undersigned at the address shown below the signature of the undersigned.

By tendering, each Holder of Outstanding Notes represents to the Company that (i) the Exchange Notes acquired pursuant to the Exchange Offer are being acquired in the ordinary course of business of the person receiving such Exchange Notes, whether or not such person is such Holder, (ii) at the time of the commencement of the Exchange Offer neither the Holder of Outstanding Notes nor, to the knowledge of such Holder, any such other person receiving Exchange Notes from such Holder is engaged in or intends to engage in, or has an arrangement or understanding with any person to participate in, a distribution (within the meaning of the Securities Act) of the Exchange Notes to be issued in the Exchange Offer in violation of the provisions of the Securities Act, (iii) neither the Holder nor, to the knowledge of such Holder, any such other person receiving Exchange Notes from such Holder is an “affiliate” of the Company within the meaning of Rule 405 under the Securities Act, or if the Holder or such other person is an “affiliate”, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable and (iv) if the Holder or such other person is a broker-dealer that holds Notes that were acquired for its own account as a result of market-making or other trading activities (other than Notes acquired directly from the Company or any of its affiliates), such Holder or other person will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Notes received by it in the Exchange Offer. By acknowledging that it will deliver and by delivering a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Notes, a broker-dealer is not deemed to admit that it is an “underwriter” within the meaning of the Securities Act.

For purposes of the Exchange Offer, the Company shall be deemed to have accepted validly tendered Outstanding Notes when, as and if the Company has given oral or written notice thereof to the Exchange Agent, with written confirmation of any oral notice to be given promptly thereafter, and complied with the applicable provisions of the Registration Rights Agreement. If any tendered Outstanding Notes are not accepted for exchange pursuant to the Exchange Offer for any reason or if Outstanding Notes are submitted for a greater aggregate principal amount than the Holder desires to exchange, such unaccepted or non-exchanged Outstanding Notes will be returned without expense to the tendering Holder thereof (or, in the case of Outstanding Notes tendered by book-entry transfer into the Exchange Agent’s account at the Book-Entry Transfer Facility pursuant to customary book-entry transfer procedures, such non-exchanged Notes will be credited to an account maintained with such Book-Entry Transfer Facility) promptly after the expiration or termination of the Exchange Offer.

All authority conferred or agreed to be conferred by this Letter of Transmittal shall survive the death, incapacity or dissolution of the undersigned and every obligation under this Letter of Transmittal shall be binding upon the undersigned’s heirs, personal representatives, successors and assigns.

The undersigned understands that tenders of Outstanding Notes pursuant to the instructions hereto will constitute a binding agreement between the undersigned and the Company upon the terms and subject to the conditions of the Exchange Offer.

Unless otherwise indicated under “Special Issuance Instructions,” please issue the certificates representing the Exchange Notes issued in exchange for the Outstanding Notes accepted for exchange and return any Outstanding Notes not tendered or not exchanged, in the name(s) of the undersigned (or in either such event in the case of Outstanding Notes tendered by DTC, Euroclear or Clearstream, by credit to the respective account at DTC, Euroclear or Clearstream). Similarly, unless otherwise indicated under “Special Delivery Instructions,” please send the certificates representing the Exchange Notes issued in exchange for the Outstanding Notes accepted for exchange and any certificates for Outstanding Notes not tendered or not exchanged (and accompanying documents as appropriate) to the undersigned at the address shown below the undersigned’s signatures, unless, in either event, tender is being made through DTC, Euroclear or Clearstream. In the event that both “Special Issuance Instructions” and “Special Delivery Instructions” are completed, please issue the certificates representing the Exchange Notes issued in exchange for the Outstanding Notes accepted for exchange and return any Outstanding Notes not tendered or not exchanged in the name(s) of, and send said certificates to, the person(s) so indicated. The undersigned recognizes that the Company has no obligation pursuant to the “Special Issuance Instructions” and “Special Delivery Instructions” to transfer any Outstanding Notes from the name of the registered holder(s) thereof if the Company does not accept for exchange any of the Outstanding Notes so tendered.

## INSTRUCTIONS

### FORMING PART OF THE TERMS AND CONDITIONS OF THE EXCHANGE OFFER

1. *DELIVERY OF THIS LETTER OF TRANSMITTAL AND CERTIFICATES.* The certificates for the tendered Outstanding Notes (or a confirmation of a book-entry into the Exchange Agent's account at DTC, Euroclear or Clearstream of all Outstanding Notes delivered electronically), as well as a properly completed and duly executed copy of this Letter of Transmittal or a facsimile hereof and any other documents required by this Letter of Transmittal must be received by the Exchange Agent at its address set forth herein prior to 5:00 P.M., New York City time, on the Expiration Date. The Company may extend the Expiration Date in its sole discretion by a public announcement given no later than 9:00 A.M., New York City time, on the next business day following the previously scheduled Expiration Date. The method of delivery of the tendered Outstanding Notes, this Letter of Transmittal and all other required documents to the Exchange Agent is at the election and risk of the Holder and, except as otherwise provided below, the delivery will be deemed made only when actually received by the Exchange Agent. If such delivery is by mail, the Company recommends registered mail, properly insured, with return receipt requested. In all cases, sufficient time should be allowed to assure timely delivery. No Letter of Transmittal or Outstanding Notes should be sent to the Company.

Holders who wish to tender their Outstanding Notes and (i) whose Outstanding Notes are not immediately available or (ii) who cannot deliver their Outstanding Notes, this Letter of Transmittal or any other documents required hereby to the Exchange Agent prior to the Exchange Date, or who cannot complete the procedure for book-entry transfer on a timely basis must tender their Outstanding Notes and follow the guaranteed delivery procedures set forth in the Prospectus. Pursuant to such procedures: (i) such tender must be made by or through an Eligible Institution (as defined below); (ii) prior to the Expiration Date, the Exchange Agent must have received from the Eligible Institution a properly completed and duly executed Notice of Guaranteed Delivery (by mail, hand delivery, overnight courier or facsimile transmission) setting forth the name and address of the Holder of the Outstanding Notes, the certificate number or numbers of such Outstanding Notes and the principal amount of Outstanding Notes tendered, stating that the tender is being made thereby and guaranteeing that within three New York Stock Exchange trading days after the Expiration Date, this Letter of Transmittal (or copy thereof) (or electronic instructions containing the character by which the participant acknowledges its receipt of and agrees to be bound by this Letter of Transmittal) together with the certificate(s) representing the Outstanding Notes (or a confirmation of electronic mail delivery of book-entry delivery into the Exchange Agent's account at DTC, Euroclear or Clearstream) and any of the required documents will be deposited by the Eligible Institution with the Exchange Agent; and (iii) such properly completed and executed Letter of Transmittal (or copy thereof) (or electronic instructions containing the character by which the participant acknowledges its receipt of and agrees to be bound by this Letter of Transmittal), as well as all other documents required by this Letter of Transmittal, and the certificate(s) representing all tendered Outstanding Notes in proper form for transfer (or a confirmation of electronic mail delivery of book-entry delivery into the Exchange Agent's account at DTC, Euroclear or Clearstream), must be received by the Exchange Agent within three New York Stock Exchange trading days after the Expiration Date. Any Holder of Outstanding Notes who wishes to tender these Outstanding Notes pursuant to the guaranteed delivery procedures described above must ensure that the Exchange Agent receives the Notice of Guaranteed Delivery prior to 5:00 P.M., New York City time, on the Expiration Date.

All questions as to the validity, form, eligibility (including time of receipt), acceptance and withdrawal of tendered Outstanding Notes will be determined by the Company in its sole discretion, which determination will be final and binding. The Company reserves the absolute right to reject any and all Outstanding Notes not properly tendered or any Outstanding Notes the Company's acceptance of which would, in the opinion of the Company or the Company's counsel, be unlawful. The Company also reserves the absolute right to waive any defects, irregularities or conditions of tender as to particular Outstanding Notes based on the specific facts or circumstances. Notwithstanding the foregoing, the Company does not expect to treat any Holder of Outstanding Notes differently to the extent they present the same facts or circumstances. The Company's interpretation of the terms and conditions of the Exchange Offer (including the instructions in this Letter of Transmittal) either before or after the Expiration Date will be in its sole discretion and will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Outstanding Notes must be cured within such time as the Company shall determine. Although the Company intends to notify Holders of defects or irregularities with respect to tenders of Outstanding Notes, neither the Company, the Exchange Agent nor any other person shall be under any duty to give notification of defects or irregularities with respect to tenders of Outstanding Notes, nor shall any of them incur any liability for failure to give such notification. Tenders of Outstanding Notes will not be deemed to have been made until such defects or irregularities have been

cured or waived and will be returned without cost by the Exchange Agent to the tendering Holders of Outstanding Notes, unless otherwise provided in this Letter of Transmittal, promptly after the expiration or termination of the Exchange Offer.

**2. PARTIAL TENDERS; WITHDRAWALS.** If less than all Outstanding Notes are tendered, the tendering Holder should fill in the number of Outstanding Notes tendered in the fourth column of the chart entitled “Description of Outstanding Notes.” All Outstanding Notes delivered to the Exchange Agent will be deemed to have been tendered unless otherwise indicated. If not all Outstanding Notes are tendered, Outstanding Notes for the principal amount of Outstanding Notes delivered to the Exchange Agent will be deemed to have been tendered unless otherwise indicated. If not all Outstanding Notes are tendered, a certificate or certificates representing Exchange Notes issued in exchange of any Outstanding Notes tendered and accepted will be sent to the Holder at his or her registered address, unless a different address is provided in the appropriate box in this Letter of Transmittal or unless tender is made through DTC, Euroclear or Clearstream, promptly after the Outstanding Notes are accepted for exchange.

**3. SIGNATURE ON THE LETTER OF TRANSMITTAL; BOND POWER AND ENDORSEMENTS; GUARANTEE OF SIGNATURES.** If this Letter of Transmittal (or copy hereof) is signed by the registered Holder of the Outstanding Notes tendered hereby, the signature must correspond with the name as written on the face of the Outstanding Notes without alteration, enlargement or any change whatsoever.

If this Letter of Transmittal (or copy hereof) is signed by the registered Holder of Outstanding Notes tendered and the certificate(s) for Exchange Notes issued in exchange therefor is to be issued (or any untendered number of Outstanding Notes is to be reissued) to the registered Holder, such Holder need not and should not endorse any tendered Outstanding Note, nor provide a separate bond power. In any other case, such Holder must either properly endorse the Outstanding Notes tendered or transmit a properly completed separate bond power with this Letter of Transmittal, with the signature on the endorsement or bond power guaranteed by an Eligible Institution.

If this Letter of Transmittal (or copy hereof) is signed by a person other than the registered Holder of Outstanding Notes listed therein, such Outstanding Notes must be endorsed or accompanied by properly completed bond powers which authorized such person to tender the Outstanding Notes on behalf of the registered Holder, in either case signed as the name of the registered Holder appears on the Outstanding Notes.

If this Letter of Transmittal (or copy hereof) or any Outstanding Notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, or officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and unless waived by the Company, evidence satisfactory to the Company of their authority to so act must be submitted with this Letter of Transmittal.

Endorsements on Outstanding Notes or signatures on bond powers required by this Instruction 3 must be guaranteed by an Eligible Institution.

Signatures on this Letter of Transmittal (or copy hereof) or a notice of withdrawal, as the case may be, must be guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, a commercial bank or trust company having an office or correspondent in the United States or an “eligible guarantor institution” within the meaning of Rule 17Ad-15 under the Exchange Act (an “Eligible Institution”) unless the Outstanding Notes tendered pursuant thereto are tendered (i) by a registered Holder (including any participant in DTC, Euroclear or Clearstream whose name appears on a security position listing as the owner of Outstanding Notes) who has not completed the box set forth herein entitled “Special Issuance Instructions” or “Special Delivery Instructions” of this Letter of Transmittal or (ii) for the account of an Eligible Institution.

**4. SPECIAL ISSUANCE AND DELIVERY INSTRUCTIONS.** Tendering Holders should include, in the applicable spaces, the name and address to which Exchange Notes or substitute Outstanding Notes for the aggregate principal amount not tendered or exchanged are to be sent, if different from the name and address of the person signing this Letter of Transmittal (or in the case of tender of the Outstanding Notes through DTC, Euroclear or Clearstream, if different from the account maintained at DTC, Euroclear or Clearstream indicated above). In the case of issuance in a different name, the taxpayer identification or social security number of the person named must also be indicated.

**5. TRANSFER TAXES.** Holders who tender their Outstanding Notes for Exchange Notes will not be obligated to pay any transfer taxes in connection with the exchange. If, however, certificates representing Exchange Notes, or Outstanding Notes for principal amounts not tendered or accepted for exchange, are to be delivered to, or are to be issued in the name of, any person other than the registered Holder of the Outstanding Notes tendered hereby, or if a transfer tax is imposed for any reason other

than the exchange of Outstanding Notes pursuant to the Exchange Offer, then the amount of any such transfer taxes (whether imposed on the registered Holder or any other person) will be payable by the tendering Holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted herewith, the amount of such transfer taxes will be billed directly to such tendering Holder.

Except as provided in this Instruction 5, it will not be necessary for transfer tax stamps to be affixed to the Outstanding Notes listed in this Letter of Transmittal.

6. **WAIVER OF CONDITIONS.** The Company reserves the absolute right to amend, waive or modify, in whole or in part, any of the conditions to the Exchange Offer set forth in the Prospectus. Notwithstanding the foregoing, in the event of a material change in the Exchange Offer, including the Company's waiver of a material condition, the Company will extend the Exchange Offer period if necessary so that at least five business days remain in the Exchange Offer following notice of the material change.

7. **MUTILATED, LOST, STOLEN OR DESTROYED NOTES.** Any Holder whose Outstanding Notes have been mutilated, lost, stolen or destroyed should contact the Exchange Agent at the address indicated above for further instructions.

8. **REQUESTS FOR ASSISTANCE OR ADDITIONAL COPIES.** Questions relating to the procedure for tendering, as well as requests for additional copies of the Prospectus and this Letter of Transmittal, may be directed to the Exchange Agent at the address and telephone number set forth above. In addition, all questions relating to the Exchange Offer, as well as requests for assistance or additional copies of the Prospectus and this Letter of Transmittal, may be directed to the Exchange Agent at the address specified in the Prospectus.

9. **IRREGULARITIES.** All questions as to the validity, form, eligibility (including time of receipt) and acceptance of Letters of Transmittal or Outstanding Notes will be determined by the Company, in its sole discretion, which determination will be final and binding. The Company reserves the absolute right to reject any or all Letters of Transmittal or tenders that are not in proper form or the acceptance of which would, in the opinion of the Company or the Company's counsel, be unlawful. The Company also reserves the right to waive any defaults, irregularities or conditions of tender as to the particular Outstanding Notes covered by any Letter of Transmittal or tendered pursuant to such Letter of Transmittal based on the specific facts or circumstances. Notwithstanding the foregoing, the Company does not expect to treat any Holder of Outstanding Notes differently to the extent they present the same facts or circumstances. None of the Company, the Exchange Agent or any other person will be under any duty to give notification of any defects or irregularities in tenders or incur any liability for failure to give any such notification. The Company's interpretation of the terms and conditions of the Exchange Offer either before or after the Expiration Date shall be final and binding.

10. **NO CONDITIONAL TENDERS.** No alternative, conditional, irregular or contingent tenders will be accepted unless consented to by the Company. All tendering holders of Outstanding Notes, by execution of this Letter of Transmittal, shall waive any right to receive notice of the acceptance of their Outstanding Notes for exchange.

11. **DEFINITIONS.** Capitalized terms used in this Letter of Transmittal and not otherwise defined have the meanings given in the Prospectus.
