14.11 Integration. This Agreement and the other Credit Documents represent the agreement of the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Borrower, the Administrative Agent, the Collateral Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

14.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

14.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such

action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 14.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 14.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 14.13 any special, exemplary, punitive or consequential damages.

14.14 Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) neither the Administrative Agent nor the Collateral Agent nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent, the Collateral Agent and Lenders, on one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

14.15 **WAIVERS OF JURY TRIAL**. THE BORROWER, EACH AGENT AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

14.16 Confidentiality. The Administrative Agent, each Co-Lead Arranger and each Lender shall hold all non-public information furnished by or on behalf of the Borrower in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender, the Administrative Agent or the Co-Lead Arrangers pursuant to the requirements of this Agreement ("Confidential Information"), confidential in accordance with its customary procedure for handling confidential information of this nature and (in the case of a Lender that is a bank) in accordance with safe and sound banking practices and in any event may (i) make disclosure as required or requested by any governmental agency or representative thereof or pursuant to legal process or to such Lender's, the Administrative Agent's or Co-Lead

Arrangers' attorneys, professional advisors or independent auditors or Affiliates, provided that unless specifically prohibited by applicable law or court order, each Lender, each Co-Lead Arranger and the Administrative Agent shall notify the Borrower of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information, and provided, further, that in no event shall any Lender, Co-Lead Arranger or the Administrative Agent be obligated or required to return any materials furnished by the Borrower or any Subsidiary of the Borrower, (ii) make disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation by such Lender of any Loans or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) in Hedge Agreements or any other swap or derivative transaction relating to the Borrower and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by provisions that in substance are equivalent to those in this Section 14.16), (iii) make disclosure of such information reasonably required by any lender or other Person providing financing to such Lender (provided such lenders or other Persons are advised of the confidential nature of such information and agree to keep such information confidential on terms consistent with this Section 14.16), and (iv) make disclosure to any rating agency, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any Confidential Information received by it from any of the Agents or any Lender.

14.17 Direct Website Communications.

(a) (i) The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (B) relates to the payment of any principal or other amount due under the Credit Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under the Credit Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of the Credit Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at (212) 461-7760, Attn: Relationship Manager/McJunkin. Nothing in this Section 14.17 shall prejudice the right of the Borrower, the Administrative Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

(ii) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(b) The Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "Platform"), so long as the access to such Platform is limited (i) to the Agents and the Lenders and (ii) remains subject the confidentiality requirements set forth in Section 14.16.

(c) The Platform is provided "as is" and "as available." The Agent Parties do not warrant the accuracy or completeness of the Communications, or the adequacy of the platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Agent Parties in connection with the Communications or the platform. In no event shall the Administrative Agent, the Collateral Agent or any of its affiliates or any of their respective officers, directors, employees, agents, advisors or representatives (collectively, "Agent Parties") have any liability to the Borrower, any Lender or any other person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Communications through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties (other than trustees and advisors)) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents.

(d) The Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, its Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that the Borrower has indicated contains only publicly available information with respect to the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, its Subsidiaries and their securities. Notwithstanding the foregoing, the

Borrower shall be under no obligation under this Section 14.17 (d) to indicate any document or notice as containing only publicly available information.

14.18 USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower and each Guarantor, which information includes the name and address of the Borrower and each Guarantor and other information that will allow such Lender to identify the Borrower and each Guarantor in accordance with the Patriot Act.

SECTION 15. Limitation on Permitted Discretion; Special Provisions regarding Accounts, Inventory, and Application of Collateral Proceeds

15.1 Accounts and Account Collections.

(a) At any time that an Event of Default exists or has occurred and is continuing and after notice of such action has been provided to the Borrower, Collateral Agent shall, at its option, have the exclusive right to settle, adjust or compromise any claim, offset, counterclaim or dispute with Account Debtors of any Credit Party or grant any credits, discounts or allowances.

(b) Collateral Agent shall have the right at any time or times during the continuance of an Event of Default or Cash Dominion Event and after notice of such action has been provided to the Borrower, in Collateral Agent's name or in the name of a nominee of Collateral Agent, and may communicate directly with any Account Debtor, to verify the validity, amount or any other matter relating to any Account or other Collateral, by mail, telephone, e-mail, facsimile transmission or otherwise. To facilitate the exercise of the right described in the immediately preceding sentence, Borrower hereby agrees to provide Collateral Agent upon request, at any time during the continuance of an Event of Default, the name and address of each material Account Debtor of Borrower or any Borrowing Base Guarantor.

(c) Within sixty (60) days after the Closing Date (or such later date as the Administration Agent may reasonably agree in writing), the Borrower will, and will cause each of the Guarantors to establish and maintain, at its sole expense, blocked accounts or lockboxes and related deposit accounts (in each case, "Blocked Accounts") with such banks as are reasonably acceptable to Collateral Agent into which Borrower and the Guarantors shall promptly deposit and direct their respective Account Debtors to directly remit all payments on Accounts and all payments constituting proceeds of Inventory or other Collateral in the identical form in which such payments are made, whether by cash, check or other manner and shall be identified and segregated from all other funds of the Credit Parties. All proceeds of the Loans shall be deposited into a Blocked Account. Borrower and Guarantors shall deliver, or cause to be delivered, to Collateral Agent a Control Agreement duly authorized, executed and delivered by each bank where a Blocked Account for the benefit of Borrower or any Guarantor is maintained. Except as permitted by Section 15.1(d)(iii), Borrower and Guarantors shall not establish any deposit accounts after the Closing Date, unless Borrower or Guarantor

(as applicable) have complied in full with the provisions of this Section 15.1 with respect to such deposit accounts.

(d) At all times after the initial Blocked Accounts are established pursuant to the foregoing paragraph (c), Borrower and each Guarantor shall maintain a cash management system which is acceptable to the Administrative Agent and the Collateral Agent (the "Cash Management System"). The Cash Management System shall contain, among other things, the following:

(i) With respect to the Blocked Accounts of Borrower and such Guarantors as the Collateral Agent shall determine in its sole discretion, the applicable bank maintaining such Blocked Accounts shall agree, pursuant to the applicable Control Agreement, to forward daily all amounts in each Blocked Account to one Blocked Account designated as concentration account in the name of Borrower (the "Concentration Account") at the bank that shall be designated as the Concentration Account bank for Borrower (the "Concentration Account Bank"). The Concentration Account Bank shall agree, pursuant to the applicable Control Agreement from and after the receipt of a notice (an "Activation Notice") from the Collateral Agent (which Activation Notice may be given by Collateral Agent at any time during the existence of a Cash Dominion Event) and so long as such Cash Dominion Event is continuing, to forward daily all amounts in the Concentration Account to the account designated as collection account (the "Collection Account") which shall be under the exclusive dominion and control of the Collateral Agent; provided that at any time when no Cash Dominion Event is continuing, the balance standing to the credit of the Concentration Account shall be distributed as directed by the Borrower in accordance with this Section 15.1;

(ii) With respect to the Blocked Accounts of such Guarantors as the Collateral Agent shall determine in its sole discretion, the applicable bank maintaining such Blocked Accounts shall agree, from and after the receipt of an Activation Notice from the Collateral Agent (which Activation Notice may be given by Collateral Agent at any time during the existence of a Cash Dominion Event) and so long as such Cash Dominion Event is continuing, to forward all amounts in each Blocked Account to the Collection Account and to commence the process of daily sweeps from such Blocked Account into the Collection Account; and

(iii) Any provision of this Section 15.1 to the contrary notwithstanding, Credit Parties may maintain payroll accounts, trust accounts or other accounts that are not a part of the Cash Management Systems or subject to a Control Agreement provided that no Credit Party shall accumulate or maintain cash in such accounts (other than cash not constituting proceeds of Collateral or Loans) as of any date of determination in excess of checks outstanding against such accounts as of that date and amounts necessary to meet minimum balance requirements plus $1,000,000 in the aggregate for all such accounts.

(e) At all times following the establishment of the Cash Management System pursuant to this Section 15.1 and after the occurrence and during the continuation of a Cash Dominion Event, on each Business Day, at or before 1:00 p.m. New York City time, the Collateral Agent shall apply all funds received in the Collection Account on a daily basis to the repayment (by transferring same to the account of or pursuant to direction of Administrative Agent) of (i) first, fees and reimbursable expenses of Agents then due and payable; (ii) second, to interest then due and payable on all Loans, (iii) third, the Swing Line Loans, (iv) fourth, ABR Loans (including Protection Advances), (v) fifth, LIBOR Loans, together with all accrued and unpaid interest thereon, and (vi) last, other amounts which are then due and owing by the Borrower hereunder or under any other Credit Document, in each case without a reduction in the Revolving Commitments; all further funds received in any of the Collection Account shall, unless an Event of Default has occurred and is continuing, be transferred or applied by the Collateral Agent in accordance with the directions of Borrower or the respective other Borrowing Base Guarantor. If an Event of Default has occurred and is continuing, the Collateral Agent shall not transfer or apply any such funds from the Collection Account in accordance with such directions unless the Administrative Agent and the Collateral Agent determine to release such funds to Borrower. Absent any such determination by the Administrative Agent and the Collateral Agent, all such funds in the Collection Account shall be transferred to the Cash Collateral Account to be applied to the Obligations as they come due (whether at stated maturity, by acceleration or otherwise). If consented to by the Administrative Agent, the Collateral Agent and the Required Lenders, such funds in the Cash Collateral Account may be released to Borrower.

(f) Borrower and its directors, employees, agents and other Affiliates and Guarantors shall, acting as trustee for Collateral Agent, receive, as the property of Collateral Agent, any monies, checks, notes, drafts or any other payment relating to and/or proceeds of Accounts, Inventory or other Collateral which come into their possession or under their control and, following the establishment of the Cash Management Systems pursuant to this Section 15.1, within three (3) Business Days after receipt thereof, shall deposit or cause the same to be deposited in the Blocked Accounts, or remit the same or cause the same to be remitted, in kind, to Collateral Agent.

15.2 Limitation on Permitted Discretion..

(a) The Administrative Agent shall have the right to establish, modify or eliminate Reserves against Eligible Accounts and Eligible Inventory from time to time in its Permitted Discretion. In addition, the Administrative Agent reserves the right, at any time and from time to time after the Closing Date, to adjust any of the applicable criteria, to establish new criteria and to adjust advance rates with respect to Eligible Accounts and Eligible Inventory, in its Permitted Discretion, subject to clause (vi) of the proviso to Section 14.1.

(b) Notwithstanding the foregoing or any provision in this Agreement to the contrary, circumstances, conditions, events or contingencies arising prior to the Closing Date and disclosed to the Co-Lead Arrangers, Administrative Agent or Collateral Agent prior to the Closing Date shall not be the basis for any establishment or modification of

Reserves, eligibility criteria or advance rates unless (i) in the case of Reserves and eligibility criteria, such Reserves or eligibility criteria were established on the Closing Date or (ii) such circumstances, conditions, events or contingencies shall have changed in a material respect since the Closing Date.

(c) Any exercise of Permitted Discretion shall be based on a good faith reasonable determination of the Administrative Agent that (i) the circumstances, conditions, events or contingencies giving rise thereto will or reasonably could be expected to adversely affect a material portion of the value of the Eligible Accounts or Eligible Inventory, the enforceability or priority of the Collateral Agent's Liens thereon or the amount the Secured Parties would likely receive in the liquidation of any material portion of Eligible Accounts or Eligible Inventory and (ii) the proposed action to be taken by the Administrative Agent to mitigate the effects described in clause (i) (including the amount of any Reserve) bears a reasonable relationship to the circumstance, condition, event or other contingency that is the basis therefor.

(d) Upon delivery of notice to Borrower by the Administrative Agent of its intent to establish or increase a Reserve, the Administrative Agent shall be available to discuss the proposed Reserve or increase, and the Borrower may take such action as may be required so that the circumstance, condition, event or other contingency that is the basis for such Reserve or increase no longer exists, in a manner and to the extent reasonably satisfactory to the Administrative Agent in the exercise of its Permitted Discretion. In no event shall such notice and opportunity limit the right of the Administrative Agent to establish or change such Reserve, unless the Administrative Agent shall have determined in its Permitted Discretion that the circumstance, condition, event or other contingency that is the basis for such new Reserve or such change no longer exists or has otherwise been adequately addressed by the Borrower.

IN WITNESS WHEREOF, each of the parties hereto has caused a counterpart of this Agreement to be duly executed and delivered as of the date first above written.

i. all Accounts,

ii. all Inventory or documents of title, customs receipts, insurance certificates, shipping documents and other written materials related to the purchase or import of any Inventory,

Each Grantor hereby agrees to provide to the Collateral Agent, promptly upon request, any information reasonably necessary to effectuate the filings or recordings authorized by this Section 2(b).

This Agreement secures the payment of all the Obligations. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the Obligations and would be owed to the Collateral Agent or the Secured Parties under the Credit Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving any Grantor.

The Security Interests are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Collateral.

(c) Notwithstanding anything to the contrary herein, no Grantor shall be required to perfect the Security Interests granted by this Agreement (including Security Interests in cash, cash accounts and Investment Property) by any means other than (i) filings pursuant to the UCC of the relevant state(s) or (ii) delivery to the Collateral Agent (or its bailee) to be held in its possession of all Collateral consisting of Instruments or Negotiable Documents.

(a) Such Grantor shall maintain the Security Interest created by this Agreement as a perfected Security Interest having at least the priority described in Section 3.1 and shall defend such Security Interest against the claims and demands of all Persons whomsoever, in each case subject to Section 3.2(c).

(b) Such Grantor will furnish to the Collateral Agent, the Lenders and the Letter of Credit Issuers from time to time statements and schedules further identifying and describing the assets and property of such Grantor and such other reports in connection therewith as the Collateral Agent may reasonably request.

(c) Subject to clause (d) below and Section 3.2(c), each Grantor agrees that at any time and from time to time, at the expense of such Grantor, it will execute any and all further documents, financing statements, agreements and instruments, and take all such further actions

(including the filing and recording of financing statements and other documents), which may be required under any applicable law, or which the Collateral Agent or the Required Lenders may reasonably request, in order (i) to grant, preserve, protect and perfect the validity and priority of the Security Interests created or intended to be created hereby or (ii) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral, including the filing of any financing or continuation statements under the UCC in effect in any jurisdiction with respect to the Security Interests created hereby, all at the expense of such Grantor.

(d) Notwithstanding anything in this Section 4.1 to the contrary, (i) with respect to any assets acquired by such Grantor after the date hereof that are required by the Credit Agreement to be subject to the Lien created hereby or (ii) with respect to any Person that, subsequent to the date hereof, becomes a U.S. Subsidiary that is required by the Credit Agreement to become a party hereto, the relevant Grantor after the acquisition or creation thereof shall promptly take all actions required by the Credit Agreement or this Section 4.1.

Each Grantor agrees promptly to provide the Collateral Agent with certified organizational documents reflecting any of the changes described in the first sentence of this paragraph. Each Grantor also agrees promptly to notify the Collateral Agent if any material portion of the Collateral is damaged or destroyed.

4.3 Notices. Each Grantor will advise the Collateral Agent the Lenders and the Letter of Credit Issuers promptly, in reasonable detail, of any Lien of which it has knowledge (other than the Security Interests created hereby or Liens permitted under the Credit Agreement) on any of the Collateral which would adversely affect, in any material respect, the ability of the Collateral Agent to exercise any of its remedies hereunder.

5. Remedial Provisions.

5.1 Certain Matters Relating to Accounts. (a) At any time after the occurrence and during the continuance of an Event of Default or, as contemplated by the Credit Agreement, a Cash Dominion Event and after giving reasonable notice to the Borrower and any other relevant Grantor, the Administrative Agent shall have the right, but not the obligation, to instruct the Collateral Agent to (and upon such instruction, the Collateral Agent shall) make test verifications of the Accounts in any manner and through any medium that such Agent reasonably considers advisable, and each Grantor shall furnish all such assistance and information as such Agent may require in connection with such test verifications. Such Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.

(b) The Collateral Agent hereby authorizes each Grantor to collect such Grantor’s Accounts and the Collateral Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required in writing by

the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Accounts, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Collateral Agent if required, in a Collateral Account maintained under the sole dominion and control of and on terms and conditions reasonably satisfactory to the Collateral Agent, subject to withdrawal by the Collateral Agent for the account of the Secured Parties only as provided in Section 5.5, and (ii) until so turned over, shall be held by such Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Collateral Agent's request at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall deliver to the Collateral Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

(d) Upon the occurrence and during the continuance of an Event of Default, a Grantor shall not grant any extension of the time of payment of any of the Accounts, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon if the Collateral Agent shall have instructed the Grantors not to grant or make any such extension, credit, discount, compromise or settlement under any circumstances during the continuance of such Event of Default.

(e) At the direction of the Collateral Agent, upon the occurrence and during the continuance of an Event of Default, each Grantor shall grant to the Collateral Agent to the extent assignable, an irrevocable, non-exclusive, fully paid-up, royalty-free, worldwide license to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired by such Grantor. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

5.2 Communications with Credit Parties; Grantors Remain Liable. (a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default or, as contemplated by the Credit Agreement, a Cash Dominion Event, after giving reasonable notice to the relevant Grantor of its intent to do so, communicate with obligors under the Accounts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Accounts. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.

(b) Upon the written request of the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Accounts that the Accounts have been assigned to the Collateral Agent for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Collateral Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Collateral Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any Secured Party of any payment relating thereto, nor shall the Collateral Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

5.3 Proceeds to be Turned Over To Collateral Agent. In addition to the rights of the Collateral Agent and the Secured Parties specified in Section 5.1 with respect to payments of Accounts, if an Event of Default shall occur and be continuing and the Collateral Agent so requires by notice in writing to the relevant Grantor (it being understood that the exercise of remedies by the Secured Parties in connection with an Event of Default under Section 11.5 of the Credit Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), all Proceeds received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent hereunder shall be held by the Collateral Agent in a Collateral Account maintained under its dominion and control and on terms and conditions reasonably satisfactory to the Collateral Agent. All Proceeds while held by the Collateral Agent in a Collateral Account (or by such Grantor in trust for the Collateral Agent and the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 5.4.

5.4 Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral as well as any Collateral consisting of cash, at any time after receipt as follows:

(a) first, to the payment of all reasonable and documented costs and expenses incurred by the Collateral Agent or any other Secured Party in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of any Grantor and any other reasonable and documented costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document;

(b) second, to the Secured Parties, an amount equal to all Obligations owing to them on the date of any distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties in proportion to the unpaid amounts thereof; and

(c) third, any surplus then remaining shall be paid to the Grantors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

5.5 Code and Other Remedies. If an Event of Default shall occur and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law and also may with notice to the relevant Grantor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any Lender or Letter of Credit Issuer or elsewhere for cash or on credit or for future delivery at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent and any Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase the whole or any part of the Collateral so sold, and the Collateral Agent or such Secured Party may, subject to (x) the satisfaction in full in cash of all payments due pursuant to Section 5.4(a) hereof and (y) the satisfaction of the Obligations in accordance with the priorities set forth in Section 5.4 hereof, pay the purchase price by crediting the amount thereof against the Obligations. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent

permitted by law, each Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent, at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 5.5 in accordance with the provisions of Section 5.4.

5.6 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any Secured Party to collect such deficiency.

5.7 Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Grantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Grantor and without notice to or further assent by any Grantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents, the Letters of Credit and any other documents executed and delivered in connection therewith and any other documents executed and delivered in connection therewith and any documents entered into with the applicable Administrative Agent or the Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds may be amended, modified, supplemented or terminated, in whole or in part, as the applicable Administrative Agent (or the Required Lenders, as the case may be, or, in the case of documents entered into with the applicable Administrative Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds, the party thereto) may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Grantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Borrower or any Grantor or any other person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any Borrower or any Grantor or any other person or any release of any Borrower or any Grantor or any other person shall not relieve any Grantor in respect of which a demand or collection is not made or any Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied,

or as a matter of law, of the Collateral Agent or any other Secured Party against any Grantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

5.8 Access Rights on Mortgaged Properties. The Grantors hereby agree with the Collateral Agent that, at any time during the continuance of an Event of Default and after notice of such action to the Borrower, the Revolving Credit Collateral Agent (as defined in the Intercreditor Agreement) shall have access, during the Access Period (as defined in the Intercreditor Agreement), and each such Grantor that owns any of the Mortgaged Premises has granted a non-exclusive easement in gross over its property to permit the uses by Revolving Credit Collateral Agent (as defined in the Intercreditor Agreement) contemplated by Section 3.3 of the Intercreditor Agreement. The Collateral Agent hereby consents to such easement.

5.9 Conflict with Credit Agreement. In the event of any conflict between the terms of this Section 5 and the Credit Agreement, the Credit Agreement shall control.

5.10 Access Rights on Mortgaged Properties. The Grantors hereby agree that, at any time during the continuance of an Event of Default and after notice of such action to the Borrower, the Collateral Agent shall have access, during the Access Period (as defined in the Intercreditor Agreement), and each such Grantor that owns any of the Mortgaged Premises a non-exclusive easement in gross over its property to permit the uses by Collateral Agent (as defined in the Intercreditor Agreement) contemplated by Section 3.3 of the Intercreditor Agreement.

6. The Collateral Agent.

6.1 Collateral Agent's Appointment as Attorneys-in-Fact, etc. (a) Each Grantor hereby appoints, which appointment is irrevocable and coupled with an interest, effective upon and during the occurrence of an Event of Default, the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, either in the Collateral Agent's name or in the name of such Grantor or otherwise, without assent by such Grantor, to do any or all of the following, in each case after and during the occurrence of an Event of Default and after written notice by the Collateral Agent of its intent to do so:

(i) take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Account or with respect to any other Collateral whenever payable;

(ii) [intentionally omitted];

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral;

(iv) execute, in connection with any sale provided for in Section 5.5, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) obtain and adjust insurance required to be maintained by such Grantor or paid to the Collateral Agent pursuant to Section 9.3 of the Credit Agreement;

(vi) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct;

(vii) ask or demand for, collect and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral;

(viii) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral;

(ix) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral;

(x) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its affiliates in any manner other than with respect to its continuing rights in such Collateral);

(xi) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its affiliates in any manner other than with respect to its continuing rights in such Collateral);

(xii) [intentionally omitted]; and

(xiii) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things that the Collateral Agent deems necessary to protect, preserve or realize upon the

Collateral and the Collateral Agent's and the Secured Parties' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 6.1, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due ABR Loans under the Credit Agreement, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Collateral Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

6.2 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent, any Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the Secured Parties hereunder are solely to protect the Collateral Agent's and the Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any Secured Party to exercise any such powers. The Collateral Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

6.3 Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of

any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Credit Agreement, and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the applicable Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

6.4 Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, and all obligations of the Grantors hereunder shall be absolute and unconditional.

6.5 Continuing Security Interest; Assignments Under the Credit Agreement; Release. (a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Grantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all Obligations under the Credit Documents (other than any contingent indemnity obligations not then due) and the obligations of each Grantor under this Agreement shall have been satisfied by payment in full, the Commitments shall be terminated and no Letters of Credit shall be outstanding, notwithstanding that from time to time during the term of the Credit Agreement the Credit Parties may be free from any Obligations.

(b) A Subsidiary Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Subsidiary Grantor shall be automatically released upon the consummation of any transaction permitted under the Credit Agreement as a result of which such Subsidiary Grantor ceases to be a Subsidiary Guarantor.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement or upon the effectiveness of any written consent to the release of the Security Interest granted hereby in any Collateral pursuant to Section 14.1 of the Credit Agreement, the Security Interest in such Collateral shall be automatically released and such Collateral sold free and clear of the Lien and Security Interests created hereby.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.5 shall be without recourse to or warranty by the Collateral Agent.

6.6 Reinstatement. Each Grantor further agrees that, if any payment made by any Credit Party or other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of Collateral are required to be returned by any Secured Party to such Credit Party, its estate, trustee, receiver or any other party, including any Grantor, under any bankruptcy law, state or federal law, common law or equitable cause,

then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made or, if prior thereto the Lien granted hereby or other Collateral securing such liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), such Lien or other Collateral shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect any Lien or other Collateral securing the obligations of any Grantor in respect of the amount of such payment.

7. Collateral Agent As Agent.

(a) The CIT Group/Business Credit, Inc. and Bank of America, N.A. have been appointed, collectively, to act as the Collateral Agent under the Credit Agreement, by the Lenders and Letter of Credit Issuers under the Credit Agreement and, by their acceptance of the benefits hereof, the other Secured Parties. The Collateral Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement, provided that the Collateral Agent shall exercise, or refrain from exercising, any remedies provided for in Section 5 in accordance with the instructions of Required Lenders. In furtherance of the foregoing provisions of this Section 7(a), each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Collateral Agent for the ratable benefit of the applicable Lenders and Letter of Credit Issuers and Secured Parties in accordance with the terms of this Section 7(a).

(b) The Collateral Agent shall at all times be the same Person that is the Collateral Agent under the Credit Agreement. Written notice of resignation by the Collateral Agent pursuant to Section 13.9 of the Credit Agreement shall also constitute notice of resignation as Collateral Agent under this Agreement; removal of the Collateral Agent shall also constitute removal under this Agreement; and appointment of a Collateral Agent pursuant to Section 13.9 of the Credit Agreement shall also constitute appointment of a successor Collateral Agent under this Agreement. Upon the acceptance of any appointment as Collateral Agent under Section 13.9 of the Credit Agreement by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Collateral Agent under this Agreement, and the retiring or removed Collateral Agent under this Agreement shall promptly (i) transfer to such successor Collateral Agent all sums, securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Collateral Agent under this Agreement, and (ii) execute and deliver to such successor Collateral Agent or otherwise authorize the filing of such amendments to financing statements and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Collateral Agent of the Security Interests created hereunder, whereupon such retiring or removed Collateral Agent shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Collateral Agent's resignation or removal hereunder as Collateral Agent, the provisions of this Agreement

shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Collateral Agent hereunder.

8. Miscellaneous.

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Grantor and the Collateral Agent in accordance with Section 14.1 of the Credit Agreement.

8.2 Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 14.2 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Grantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. Neither the Collateral Agent nor any Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion. The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4 Enforcement Expenses; Indemnification. (a) Each Grantor agrees to pay any and all expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by any Secured Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, such Grantor under this Agreement.

(b) Each Grantor agrees to pay, and to save the Collateral Agent and the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Grantor agrees to pay, and to save the Collateral Agent and the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this

Agreement to the extent a Borrower would be required to do so pursuant to Section 12.5 of the Credit Agreement.

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.

8.5 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent except pursuant to a transaction permitted by the Credit Agreement.

8.6 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

8.7 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

8.8 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.9 Integration. This Agreement together with the other Credit Documents represents the agreement of each of the Grantors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

8.10 **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

8.11 Submission To Jurisdiction Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for

recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in Section 8.2 or at such other address of which such Person shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.11 any special, exemplary, punitive or consequential damages.

2.1 Commitments. Subject to and upon the terms and conditions herein set forth, each Lender having a Term Loan Commitment severally agrees to make a loan or loans (each a "Term Loan") on the Closing Date to the Borrower in Dollars, which Term Loans shall not exceed for any such Lender the Term Loan Commitment of such Lender and in the aggregate shall not exceed $575,000,000.

Such Term Loans (i) shall be made on the Closing Date in accordance with the preceding paragraph, (ii) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans, provided that all such Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, (iii) may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid, may not be reborrowed, (iv) shall not exceed for any such Lender its Term Loan Commitment and (v) shall not exceed in the aggregate the total of all Term Loan Commitments. On the Term Loan Maturity Date, all then unpaid Term Loans shall be repaid in full.

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Term Loans shall be in a multiple of $1,000,000 and, shall not be less than the Minimum Borrowing Amount with respect thereto. More than one Borrowing may be incurred on any date, provided that at no time shall there be outstanding more than six (6) Borrowings of LIBOR Loans under this Agreement.

2.3 Notice of Borrowing. (a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office (i) prior to 12:00 Noon (New York City time) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) of the Borrowing of Term Loans if all or any of such Term Loans are to be initially LIBOR Loans, and (ii) prior written notice (or telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) prior to 10:00 a.m. (New York City time) on the date of the Borrowing of Term Loans if all such Term Loans are to be ABR Loans. the Closing Date) and (iii) whether the Term Loans shall consist of ABR Loans and/or LIBOR Loans and, if the Term Loans are to include LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of the proposed Borrowing of Term Loans, of such Lender's proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

(b) [Intentionally Omitted].

(c) [Intentionally Omitted].

(d) [Intentionally Omitted]

(e) [Intentionally Omitted].

(f) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice.

2.4 Disbursement of Funds. (a) No later than 12:00 Noon (New York City time) on the date specified in each Notice of Borrowing each Lender will make available its *pro rata* portion, if any, of each Borrowing requested to be made on such date in the manner provided below.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments, and in immediately available funds to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the

Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if paid by such Lender, the Federal Funds Effective Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, for the respective Loans.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt. (a) The Borrower shall repay to the Administrative Agent in Dollars, for the benefit of the applicable Lenders, on the Term Loan Maturity Date, the then-unpaid Term Loans made to the Borrower.

(b) The Borrower shall repay to the Administrative Agent, in Dollars, for the benefit of the Lenders of Term Loans, on each date set forth below (each, a "Term Loan Repayment Date"), the principal amount of the Term Loans equal to (x) the outstanding principal amount of Term Loans immediately after closing on the Closing Date multiplied by (y) the percentage set forth below opposite such Repayment Date (each, a "Term Loan Repayment Amount"):

(c) In the event that any New Term Loans are made, such New Term Loans shall, subject to Section 2.14(d), be repaid by the borrower thereof in the amounts (each, a "New Term Loan Repayment Amount") and on the dates (each a "New Repayment Date") set forth in the applicable Joinder Agreement.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent shall maintain the Register pursuant to Section 14.6(b), and a sub account for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Term Loan made hereunder, the Type of each Loan made and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (d) and (e) of this Section 2.5 shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Conversions and Continuations. (a) The Borrower shall have the option on any Business Day to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans made to the Borrower (as applicable) of one Type into a Borrowing or Borrowings of another Type and the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans as LIBOR Loans for an additional Interest Period on the last Business Day of the existing Interest Period, provided that (i) no partial conversion of LIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if a Default or Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans may not be continued as LIBOR

Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least three Business Days' prior written notice or written notice prior to 10:00 a.m. (New York City time) on the same Business Day in the case of a conversion into ABR Loans (or, in each case, telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) (each, a "Notice of Conversion or Continuation") specifying the Term Loans to be so converted or continued, the Type of Term Loans to be converted or continued into and, if such Term Loans are to be converted into or continued as LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Term Loans.

(b) If any Default or Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in paragraph (a) above, the Borrower shall be deemed to have elected to continue such Borrowing of LIBOR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.

2.7 *Pro Rata* Borrowings. Each Borrowing of Term Loans under this Agreement shall be granted by the Lenders *pro rata* on the basis of their then-applicable Term Loan Commitments. Each Borrowing of New Term Loans under this Agreement shall be granted by the Lenders *pro rata* on the basis of their then applicable New Term Loan Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation under any Credit Document.

2.8 Interest. (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable ABR Margin plus the ABR in effect from time to time.

(b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable LIBOR Margin in effect from time to time plus the relevant LIBOR Rate.

(c) If all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) at a rate *per annum* that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto plus 2% or (y) in the case of any overdue interest, to the extent permitted by applicable law, the rate described in Section 2.8(a) plus 2% from and including the date of such non-payment to but excluding the date on which such amount is paid in full (after as well as before judgment). Payment or acceptance of the increased rates of interest provided for in this Section 2.8 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last day of each March, June, September and December, (ii) in respect of each LIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, (iii) in respect of each Loan (except, other than in the case of prepayments, any ABR Loan), on any prepayment date (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance with Section 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans (in the case of the initial Interest Period applicable thereto) or prior to 10:00 a.m. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to a Borrowing of LIBOR Loans, the Borrower shall have the right to elect by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower be a one, two, three, six or if available to all the Lenders as determined by the Lenders in good faith based on prevailing market conditions, a nine or twelve month period.

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of LIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of

ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of LIBOR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day, provided that if any Interest Period would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day; and

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan if such Interest Period would extend beyond the applicable maturity date of such Loan.

2.10 Increased Costs, Illegality, etc. (a) In the event that (x) in the case of clause (i) below, the Administrative Agent or (y) in the case of clauses (ii) and (iii) below, any Lender shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the LIBOR Rate for any Interest Period that (x) deposits in the principal amounts of the Loans comprising such LIBOR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBOR Rate; or

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans (other than any such increase or reduction attributable to Taxes) because of (x) any change since the date hereof in any applicable law, governmental rule, regulation, guideline or order (or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, guideline or order), such as, for example, without limitation, a change in official reserve requirements, and/or (y) other circumstances affecting the interbank LIBOR market or the position of such Lender in such market; or

(iii) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lender in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the date hereof that materially and adversely affects the interbank LIBOR market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion given by the Borrower with respect to LIBOR Loans that have not yet been incurred shall be deemed rescinded by the Borrower (y) in the case of clause (ii) above, the Borrower shall pay to such Lender, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if the affected LIBOR Loan is then being made pursuant to a Borrowing, cancel said Borrowing by giving the Administrative Agent telephonic notice thereof on the same date that the Borrower was notified by a Lender pursuant to Section 2.10(a)(ii) or (iii) (confirmed promptly in writing no later than 10:00 a.m. (New York City time) on the next day) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Loan into an ABR Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the date hereof, the adoption of any applicable law, rule or regulation regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, the National Association of Insurance Commissioners, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by a Lender or its parent with any request or directive made or adopted after the date hereof regarding capital adequacy (whether or not having the force of law) of any such authority, association, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such adoption, effectiveness, change or compliance (taking into consideration such Lender's or its parent's policies with respect to capital adequacy), then from time to time, promptly after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate

such Lender or its parent for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any such law, rule or regulation as in effect on the date hereof. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) It is understood that to the extent duplicative of Section 5.4, this Section 2.10 shall not apply to Taxes.

2.11 Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 14.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loans is not made as a result of a withdrawn Notice of Borrowing, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as an LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii), 2.10(a)(iii), 2.10(b), or 5.4 with respect to such Lender, it will, if requested by the Borrower use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, or 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11, or 5.4, as the case may be, for any such amounts incurred or accruing

prior to the 181st day prior to the giving of such notice to the Borrower; provided that if the event giving rise to such additional cost, reduction in amounts, loss, tax or other additional amounts has a retroactive effect, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof**.**

(d) The terms and provisions of the New Term Loans and New Term Loan Commitments of any Series shall be, except as otherwise set forth herein or in the applicable Joinder Agreement, identical to the existing Term Loans; provided that (i) the applicable New Term Loan Maturity Date of each Series shall be no earlier than the final maturity of the Term Loans outstanding on the Increased Amount Date with respect to such New Term Loans and the mandatory prepayment and other payment rights (other than scheduled amortization) of the New Term Loans and the existing Term Loans shall be identical, (ii) the weighted average life to maturity of all New Term Loans of any Series shall be no shorter than the weighted average life to maturity of the Term Loans outstanding on the Increased Amount Date, (iii) the rate of interest and the amortization schedule applicable to the New Term Loans of each Series shall be determined by the Borrower and the applicable new Lenders and shall be set forth in each applicable Joinder Agreement; provided that such Borrower shall be the Borrower or a Subsidiary Guarantor and (iv) all other terms applicable to the New Term Loans of each Series that differ from the existing Term Loans shall be reasonably acceptable to the Administrative Agent (as evidenced by its execution of the applicable Joinder Agreement).

(e) Each Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this Section 2.14.

Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be (a) applied to Term Loans in such manner as the Borrower may determine and (b) applied to reduce Repayment Amounts, and/or any New Term Loan Repayment Amounts, as the case may be, in such order as the Borrower may determine. At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Term Loan of a Defaulting Lender.

5.2 Mandatory Prepayments. (a) Term Loan Prepayments. (i) On each occasion that a Prepayment Event occurs, the Borrower shall, within one Business Day after the occurrence of a Debt Incurrence Prepayment Event and within five Business Days after the occurrence of any other Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within five Business Days after the Reinvestment Period relating to such Prepayment Event or 180 days thereafter, as applicable), prepay, in accordance with paragraph (c) below, the principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds from such Prepayment Event. If the Stock or Stock Equivalents of any Credit Party is sold or any Credit Party is sold as a going concern on any date, the sale proceeds shall be allocated as follows: (x) that portion of the sale proceeds equal to the aggregate value of "Accounts" and "Cost" of "Inventory" (in each case, as defined in the Revolving Loan Credit Agreement") shall be allocated to the Revolving Credit Collateral (as defined in the Intercreditor Agreement) of the Credit Parties so sold and shall be deemed to be proceeds thereof and (y) the balance of sale proceeds shall be allocated to the Collateral of the Credit Parties so sold and shall be deemed to be proceeds thereof and applied pursuant to the foregoing sentence.

(ii) Not later than the date that is ninety days after the last day of any fiscal year (commencing with and including the fiscal year ending December 31, 2007), the Borrower shall prepay, in accordance with paragraph (c) below, the principal of Term Loans in an amount equal to (x) 50% of Excess Cash Flow for such fiscal year, provided that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Borrower's ratio of Consolidated Total Debt on the date of prepayment (prior to giving effect thereto) to Consolidated EBITDA for the most recent Test Period ended prior to such prepayment date is no greater than 4.00 to 1.00 but greater than 3.00 to 1.00 and (B) no payment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Borrower's ratio of Consolidated Total Debt on the date of prepayment (prior to giving effect thereto) to Consolidated EBITDA for the most recent Test Period ended prior to such prepayment date is no greater than 3.00 to 1.00), minus (y) the principal amount of Term Loans voluntarily prepaid pursuant to Section 5.1 during such fiscal year.

(b) [Intentionally Omitted]

(c) Application to Repayment Amounts. Each prepayment of Term Loans required by Section 5.2(a)(i) or (ii) shall be applied to the next four Repayment Amounts in chronological order and further applied on a pro rata basis to the remaining Repayment

Amounts. With respect to each such prepayment, the Borrower will, not later than the date specified in Section 5.2(a) for making such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing no later than 1:00 p.m. (New York City time)) requesting that the Administrative Agent provide notice of such prepayment Term Loan Lender.

(d) Application to Term Loans. With respect to prepayment of Term Loans required by Section 5.2(a), the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(e) LIBOR Interest Periods. In lieu of making any payment pursuant to this Section 5.2 in respect of any LIBOR Loan other than on the last day of the Interest Period therefor so long as no Event of Default shall have occurred and be continuing, the Borrower at its option may deposit with the Administrative Agent an amount equal to the amount of the LIBOR Loan to be prepaid and such LIBOR Loan shall be repaid on the last day of the Interest Period therefor in the required amount. Such deposit shall be held by the Administrative Agent in a corporate time deposit account established on terms reasonably satisfactory to the Administrative Agent, earning interest at the then-customary rate for accounts of such type. Such deposit shall constitute cash collateral for the Obligations, provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 5.2.

(f) Minimum Amount. No prepayment shall be required pursuant to Section 5.2(a)(i) unless and until the amount at any time of Net Cash Proceeds from Prepayment Events required to be applied at or prior to such time pursuant to such Section and not yet applied at or prior to such time to prepay Term Loans pursuant to such Section exceeds (i) $5,000,000 for a single Prepayment Event or (ii) $10,000,000 in the aggregate for all such Prepayment Events.

(g) Foreign Asset Sales. Notwithstanding any other provisions of this Section 5.2, (i) to the extent that any of or all the Net Cash Proceeds of a Casualty Event or any asset sale by a Restricted Foreign Subsidiary giving rise to an Asset Sale Prepayment Event (a "Foreign Asset Sale") or Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.2 but may be retained by the applicable Restricted Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Restricted Foreign Subsidiary to promptly take all actions required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 5.2 and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all

the Net Cash Proceeds of any Foreign Asset Sale or Excess Cash Flow would have an adverse tax or accounting consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Restricted Foreign Subsidiary, provided that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds or Excess Cash Flow so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 5.2(a), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Restricted Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Restricted Foreign Subsidiary.

5.3 Method and Place of Payment. (a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto, not later than 12:00 Noon (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of Loans (whether of principal, interest or otherwise) hereunder shall be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. (New York City time) on such day) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than 2:00 p.m. (New York City time) shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments. (a) Any and all payments made by or on behalf of the Borrower or any Guarantor under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any Indemnified Taxes; provided that if the Borrower or any Guarantor shall be required by law to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions or withholdings applicable to additional sums payable under this Section 5.4) the Administrative Agent, the Collateral Agent, or any Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the Borrower or any Guarantor shall make such deductions or withholdings and (iii)

the Borrower or any Guarantor shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. Whenever any Indemnified Taxes are payable by the Borrower, as promptly as possible thereafter, the Borrower shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt (or other evidence acceptable to such Lender, acting reasonably) received by the Borrower showing payment thereof.

(b) The Borrower shall pay and shall indemnify and hold harmless the Administrative Agent, the Collateral Agent, and each Lender with regard to any Other Taxes (whether or not such Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority).

(c) The Borrower shall indemnify and hold harmless the Administrative Agent, the Collateral Agent, and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on, or paid by, the Administrative Agent, the Collateral Agent, or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of Borrower or any Guarantor under this Agreement or under any other Credit Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent or the Collateral Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Each Non-U.S. Lender making or acquiring a Loan to the Borrower shall:

(i) deliver to the Borrower and the Administrative Agent two copies of either (x) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN (together with a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Code)), (y) Internal Revenue Service Form W-8BEN or Form W-8ECI, or (z) Internal Revenue Service Form W-8IMY (together with the forms and certificates described in clauses (x) and (y), as appropriate), in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax on payments by the Borrower under this Agreement; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower;

unless in any such case any Change in Law or other event has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or

would prevent such Lender from duly completing and delivering any such form with respect to it and such Lender so advises the Borrower and the Administrative Agent. Each Person that shall become a Participant pursuant to Section 14.6 or a Lender pursuant to Section 14.6 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 5.4(d), provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased.

(e) Each Lender that is entitled to an exemption from or reduction of non-U.S. withholding tax under the laws of the jurisdiction in which any Borrower or Guarantor is organized, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement or any other Credit Document by such Borrower or Guarantor shall deliver to such Borrower or Guarantor (with a copy to the Administrative Agent), as applicable, at the time or times prescribed by applicable law and reasonably requested by such Borrower or Guarantor, as applicable, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without such withholding or at such reduced rate, provided that such Lender is legally entitled to complete, execute and deliver such documentation, such documentation is necessary in order for such exemption or reduction to apply and in such Lender's reasonable judgment the completion, execution or submission would not materially prejudice the legal position of the Lender. In addition, each Lender shall deliver such other documentation prescribed by applicable law and reasonably requested by the Borrower or the Administrative Agent (including an IRS Form W-8 or W-9) as will enable the Borrower or the Administrative Agent to determine whether such Lender is subject to United States backup withholding or information reporting requirements.

(f) If the Borrower determines in good faith that a reasonable basis exists for contesting any taxes for which indemnification has been demanded hereunder, the relevant Lender, the Administrative Agent or the Collateral Agent, as applicable, shall cooperate with the Borrower in a reasonable challenge of such taxes at the Borrower's expense if so requested by the Borrower. If any Lender, the Administrative Agent or the Collateral Agent, as applicable, receives a refund of a tax for which a payment has been made by the Borrower pursuant to this Agreement, which refund in the good faith judgment of such Lender, the Administrative Agent or the Collateral Agent, as the case may be, is attributable to such payment made by the Borrower, then the Lender, the Administrative Agent or the Collateral Agent, as the case may be, shall reimburse the Borrower for such amount (together with any interest received thereon) as the Lender, Administrative Agent or the Collateral Agent, as the case may be, determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any taxes imposed on the refund) than it would have been in if the payment had not been required. A Lender, the Administrative Agent or the Collateral Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. The Borrower, upon the request of the Lender, the Administrative Agent or the Collateral Agent, as applicable, agrees to repay the amount paid over to the Borrower to the Lender, the Administrative Agent or the Collateral Agent, as applicable, in the event the Lender, the Administrative Agent or the Collateral Agent, as applicable, is required to repay the refund to the Governmental Authority. Neither the Lender, the Administrative Agent nor the Collateral Agent shall be obliged to disclose any information

regarding its tax affairs or computations to the Borrower in connection with this paragraph (f) or any other provision of this Section 5.4.

(g) The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

5.5 Computations of Interest and Fees. (a) Interest on LIBOR Loans and, except as provided in the next succeeding sentence, ABR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans in respect of which the rate of interest is calculated on the basis of the Prime Rate and interest on overdue interest shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

5.6 Limit on Rate of Interest.

(a) No Payment shall exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if any Payment exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

7.2 Notice of Borrowing Prior to the making of each Term Loan, the Administrative Agent shall have received a Notice of Borrowing (whether in writing or by telephone) meeting the requirements of Section 2.3.

The acceptance of the benefits of each Credit Event shall constitute a representation and warranty by each Credit Party to each of the Lenders that all the applicable conditions specified above exist as of that time.

SECTION 8. Representations, Warranties and Agreements

In order to induce the Lenders to enter into this Agreement, to make the Loans as provided for herein, the Borrower (with respect to itself and its Subsidiaries) makes the following representations and warranties to, and agreements with, the Lenders, all of which shall survive the execution and delivery of this Agreement and the making of the Loans and the issuance of the Letters of Credit:

8.1 Corporate Status. The Borrower and each Material Subsidiary (a) is a duly organized and validly existing corporation or other entity in good standing under the laws of the jurisdiction of its organization and has the corporate or other organizational power and authority to own its property and assets and to transact the business in which it is engaged and (b) has duly qualified and is authorized to do business and is in good standing in all jurisdictions where it is required to be so qualified, except where the failure to be so qualified could not reasonably be expected to result in a Material Adverse Effect.

8.2 Corporate Power and Authority. Each Credit Party has the corporate or other organizational power and authority to execute, deliver and carry out the terms and provisions of the Credit Documents to which it is a party and has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Credit Documents to which it is a party. Each Credit Party has duly executed and delivered each Credit Document to which it is a party and each such Credit Document constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity. Each Credit Party is in compliance with all laws, orders, writs and injunctions except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

8.3 No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party nor compliance with the terms and provisions thereof nor the consummation of the Merger and the other transactions contemplated hereby or thereby will (a) contravene any applicable provision of any material law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of such Credit Party or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents) pursuant to, the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which such Credit Party or any of the Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or (c) violate any provision of the certificate of incorporation, by-laws or other constitutional documents of such Credit Party or any of the Restricted Subsidiaries.

8.4 Litigation. There are no actions, suits or proceedings (including Environmental Claims) pending or, to the knowledge of the Borrower, threatened with respect to the Borrower or any of its Subsidiaries that could reasonably be expected to result in a Material Adverse Effect or a Material Adverse Change.

8.5 Margin Regulations. Neither Borrower nor any of its Subsidiaries is engaged principally, as one or more of its important activities, in the business of extending credit for the purpose of purchasing any "margin stock" as defined in Regulation U. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, U or X of the Board.

8.6 Governmental Approvals. The execution, delivery and performance of the Merger Agreement or any Credit Document does not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents and (iii) such licenses, approvals, authorizations or consents the failure to obtain or make could not reasonably be expected to have a Material Adverse Effect.

8.8 True and Complete Disclosure. (a) None of the factual information and data (taken as a whole) heretofore or contemporaneously furnished by or on behalf of the Borrower, any of the Subsidiaries or any of their respective authorized representatives in writing to the Administrative Agent and/or any Lender on or before the Closing Date (including (i) the Confidential Information Memorandum and (ii) all information contained in the Credit Documents) for purposes of or in connection with this Agreement or any transaction contemplated herein contained any untrue statement or omitted to state any material fact necessary to make such information and data (taken as a whole) not misleading at such time in light of the circumstances under which such information or data was furnished, it being understood and agreed that for purposes of this Section 8.8(a), such factual information and data shall not include projections and pro forma financial information.

(b) The projections and pro forma financial information contained in the information and data referred to in paragraph (a) above were based on good faith estimates and assumptions believed by such Persons to be reasonable at the time made, it being recognized by the Lenders that such projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such projections may differ from the projected results.

8.9 Financial Condition; Financial Statements. The (a) unaudited historical consolidated financial information of the Borrower as set forth in the Confidential Information Memorandum, and (b) the Historical Financial Statements, in each case present or will, when provided, present fairly in all material respects the combined financial position of the Borrower and its Subsidiaries at the respective dates of said information, statements and results of operations for the respective periods covered thereby. The financial statements referred to in clause (b) of this Section 8.9 have been prepared in accordance with GAAP, consistently applied (except to the extent provided in the notes to said financial statements), and the audit reports accompanying such financial statements are not subject to any qualification as to the scope of the audit or the status of the Borrower as a going concern. There has been no Material Adverse Change since December 31, 2006.

8.10 Tax Returns and Payments. The Borrower and each of the Subsidiaries has filed all federal income tax returns and all other material tax returns, domestic and foreign, required to be filed by it and has paid all income and other material Taxes payable by it that have become due, other than those (a) not yet delinquent or (b) contested in good faith as to which adequate reserves have been provided in accordance with GAAP and which could not reasonably be expected to result in a Material Adverse Effect. The Borrower and each of the Subsidiaries have paid, or have provided adequate reserves (in the good faith judgment of the management of the Borrower) in accordance with GAAP for the payment of, all material federal, state, provincial and foreign income taxes applicable for all prior fiscal years and for the current fiscal year to the Closing Date.

(a) Each Plan is in compliance with ERISA, the Code and any applicable Requirement of Law; no Reportable Event has occurred (or is reasonably likely to occur) with respect to any Plan; no Plan is insolvent or in reorganization (or is reasonably likely to be insolvent or in reorganization), and no written notice of any such insolvency or reorganization has been given to the Borrower, any Subsidiary or any ERISA Affiliate; no Plan (other than a multiemployer plan) has an accumulated or waived funding deficiency (or is reasonably likely to have such a deficiency); none of the Borrower, any Subsidiary or any ERISA Affiliate has incurred (or is reasonably likely expected to incur) any liability to or on account of a Plan pursuant to Section 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201 or 4204 of ERISA or Section 4971 or 4975 of the Code or has been notified in writing that it will incur any liability under any of the foregoing Sections with respect to any Plan; no proceedings have been instituted (or are reasonably likely to be instituted) to terminate or to reorganize any Plan or to appoint a trustee to administer any Plan, and no written notice of any such proceedings has been given to the Borrower, any Subsidiary or any ERISA Affiliate; and no lien imposed under the Code or ERISA on the assets of the Borrower or any Subsidiary or any ERISA Affiliate exists (or is reasonably likely to exist) nor has the Borrower, any Subsidiary or any ERISA Affiliate been notified in writing that such a lien will be imposed on the assets of the Borrower, any Subsidiary or any ERISA Affiliate on account of any Plan, except to the extent that a breach of any of the representations, warranties or agreements in this Section 8.11 would not result, individually or in the aggregate, in an amount of liability that would be reasonably likely to have a Material Adverse Effect. No Plan (other than a multiemployer plan) has an Unfunded Current Liability that would, individually or when taken together with any other liabilities referenced in this Section 8.11, be reasonably likely to have a Material Adverse Effect. With respect to Plans that are multiemployer plans (as defined in Section 3(37) of ERISA), the representations and warranties in this Section 8.11(a), other than any made with respect to (i) liability under Section 4201 or 4204 of ERISA or (ii) liability for termination or reorganization of such Plans under ERISA, are made to the best knowledge of the Borrower.

(b) All Foreign Plans are in compliance with, and have been established, administered and operated in accordance with, the terms of such Foreign Plans and applicable law, except for any failure to so comply, establish, administer or operate the Foreign Plans as would not reasonably be expected to have a Material Adverse Effect. All contributions or other payments which are due with respect to each Foreign Plan have been made in full and there are no funding deficiencies thereunder, except to the extent any such events would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

8.12 Subsidiaries. Schedule 8.12 lists each Subsidiary of the Borrower (and the direct and indirect ownership interest of the Borrower therein), in each case existing on the Closing Date. To the knowledge of the Borrower, after due inquiry, each Material Subsidiary as of the Closing Date has been so designated on Schedule 8.12.

8.13 Intellectual Property. The Borrower and each of the Restricted Subsidiaries have obtained all intellectual property, free from burdensome restrictions, that are necessary for the operation of their respective businesses as currently conducted and as proposed to be conducted, except where the failure to obtain any such rights could not reasonably be expected to have a Material Adverse Effect.

(b) Neither the Borrower, nor any of the Subsidiaries has treated, stored, transported, released or disposed or arranged for disposal or transport for disposal of Hazardous Materials at, on, under or from any currently or formerly owned or leased Real Estate or facility in a manner that could reasonably be expected to have a Material Adverse Effect.

8.15 Properties. (a) The Borrower and each of the Subsidiaries have good and marketable title to or leasehold interest in all properties that are necessary for the operation of their respective businesses as currently conducted and as proposed to be conducted, free and clear of all Liens (other than any Liens permitted by this Agreement or the Revolving Loan Credit Agreement) and except where the failure to have such good title could not reasonably be expected to have a Material Adverse Effect and (b) no Mortgage encumbers improved Real Estate that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 9.3.

9.4 Payment of Taxes. Each Credit Party will pay and discharge, and will cause each of the Subsidiaries to pay and discharge, all material taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which material penalties attach thereto, and all lawful material claims that, if unpaid, could reasonably be expected to become a material Lien upon any properties of each Credit Party or any of the Restricted Subsidiaries, provided that no Credit Party, nor any of the Subsidiaries shall be required to pay any such tax, assessment, charge, levy or claim that is being contested in good faith and by proper proceedings if it has maintained adequate reserves (in the good faith judgment of the management of the Borrower) with respect thereto in accordance with GAAP and the failure to pay could not reasonably be expected to result in a Material Adverse Effect.

9.5 Consolidated Corporate Franchises. The Borrower will do, and will cause each Material Subsidiary to do, or cause to be done, all things necessary to preserve and keep in full force and effect its existence, corporate rights and authority, except to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect; provided, however, that the Borrower and its Subsidiaries may consummate any transaction permitted under Section 10.3, 10.4 or 10.5.

Promptly after the Borrower or any Subsidiary or any ERISA Affiliate knows or has reason to know of the occurrence of any of the following events that, individually or in the aggregate (including in the aggregate such events previously disclosed or exempt from disclosure hereunder, to the extent the liability therefor remains outstanding), would be reasonably likely to have a Material Adverse Effect, the Borrower will deliver to each of the Lenders a certificate of an Authorized Officer or any other senior officer of the Borrower setting forth details as to such occurrence and the action, if any, that the Borrower, such Subsidiary or such ERISA Affiliate is required or proposes to take, together with any notices (required, proposed or otherwise) given to or filed with or by the Borrower, such Subsidiary, such ERISA Affiliate, the PBGC, a Plan participant (other than notices relating to an individual participant's benefits) or the Plan administrator with respect thereto: that a Reportable Event has occurred; that an accumulated funding deficiency has been incurred or an application is to be made to the Secretary of the Treasury for a waiver or modification of the minimum funding standard (including any required installment payments) or an extension of any amortization period under Section 412 of the Code with respect to a Plan; that a Plan having an Unfunded Current Liability has been or is to be terminated, reorganized, partitioned or declared insolvent under Title IV of ERISA (including the giving of written notice thereof); that a Plan has an Unfunded Current Liability that has or will result in a lien under ERISA or the Code; that proceedings will be or have been instituted to terminate a Plan having an Unfunded Current Liability (including the giving of written notice thereof); that a proceeding has been instituted against the Borrower, a Subsidiary or an ERISA Affiliate pursuant to Section 515 of ERISA to collect a delinquent contribution to a Plan; that the PBGC has notified the Borrower, any Subsidiary or any ERISA Affiliate of its intention to appoint a trustee to administer any Plan; that the Borrower, any Subsidiary or any ERISA Affiliate has failed to make a required installment or other payment pursuant to Section 412 of the Code with respect to a Plan; or that the Borrower, any Subsidiary or any ERISA Affiliate has incurred or will incur (or has been notified in writing that it will incur) any liability (including any contingent or secondary liability) to or on account of a Plan pursuant to Section 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201 or 4204 of ERISA or Section 4971 or 4975 of the Code.

9.12 Pledges of Additional Stock and Evidence of Indebtedness(a) . (a) Except as set forth in Section 10.1(j) or (k) and subject to any applicable limitations set forth in the Security Documents or with respect to which, in the reasonable judgment of the Administrative Agent and the Collateral Agent (confirmed in writing by notice to the Borrower), the cost or other consequences (including any adverse tax consequences) of doing so shall be excessive in view of the benefits to be obtained by the Lenders therefrom, the Borrower will pledge, and, if

applicable, will cause each Subsidiary Guarantor to pledge, to the Collateral Agent for the benefit of the Secured Parties, (i) all the Stock of each Domestic Subsidiary (other than any Excluded Subsidiary) held by the Borrower or any Subsidiary Guarantor and the Stock of any Foreign Subsidiary (other than any Excluded Subsidiary) held directly by the Borrower or any Subsidiary Guarantor (provided that in no event shall more than 65% of the issued and outstanding Stock of any such Foreign Subsidiary be so pledged), in each case, formed or otherwise purchased or acquired after the date hereof, in each case pursuant to the Pledge Agreement (or a supplement thereto) in form and substance reasonably satisfactory to Administrative Agent and the Collateral Agent, (ii) all evidences of Indebtedness in excess of $5,000,000 received by the Borrower or any of the Subsidiary Guarantors in connection with any disposition of assets pursuant to Section 10.4(b), in each case pursuant to the Pledge Agreement (or a supplement thereto) in form and substance reasonably satisfactory to Administrative Agent and the Collateral Agent and (iii) any promissory notes executed after the date hereof evidencing Indebtedness of the Borrower, each Subsidiary that is owing to the Borrower or any Subsidiary Guarantor, in each case pursuant the Pledge Agreement (or a supplement thereto) in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent.

Notwithstanding anything to the contrary contained in Section 11.3(a), in the event that the Borrower fails to comply with the requirement of the covenant set forth in Section 10.9, until the expiration of the tenth day after the date on which Section 9.1 Financials with respect to the Test Period in which the covenant set forth in such Section is being measured are required to be delivered pursuant to Section 9.1, any of the Investors shall have the right to make a direct or indirect equity investment in the Borrower or any Restricted Subsidiary in cash (the "Cure Right"), and upon the receipt by such Person of net cash proceeds pursuant to the exercise of the Cure Right (including through the capital contribution of any such Net Cash proceeds to such person, the "Cure Amount"), the covenant set forth in such Section shall be recalculated, giving effect to a pro forma increase to Consolidated EBITDA for such Test Period in an amount equal to such net cash proceeds; provided that such pro forma adjustment to Consolidated EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the covenant set forth in such Section with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Credit Document.

If, after the exercise of the Cure Right and the recalculations pursuant to the preceding paragraph, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 10.9 during such Test Period (including for purposes of Section 7.1), the Borrower shall be deemed to have satisfied the requirements of such covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 11.3 that had occurred shall be deemed cured; provided that (i) in each Test Period there shall be at least one fiscal quarter in which no Cure Right is exercised and (ii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in compliance with the covenant set forth in Section 10.9.

SECTION 13. The Administrative Agent

13.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly

delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. The provisions of this Section 13 are solely for the benefit of the Agents, any sub-agent and the Lenders and no Credit Party shall have any rights as a third party beneficiary of any of the provisions hereof. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower or any of its Subsidiaries.

(b) The Administrative Agent and each Lender hereby irrevocably designate and appoint the Collateral Agent as its agent under this Agreement and the other Credit Documents, and the Administrative Agent and each Lender irrevocably authorize the Collateral Agent, in such capacity, (i) to take such action on their behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto and (ii) to enter into any and all of the Security Documents (including, for the avoidance of doubt, the Intercreditor Agreement) together with such other documents as shall be necessary to give effect to (x) the ranking and priority of Indebtedness contemplated by the Intercreditor Agreement and (y) the Collateral contemplated by the other Security Documents, on its behalf. For the avoidance of doubt, each Lender agrees to be bound by the terms of the Intercreditor Agreement to the same extent as if it were a party thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with the Administrative Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

(c) The Syndication Agent, in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 13.

13.2 Delegation of Duties. Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 13.2 and of Section 13.7 shall apply to any of the Affiliates of Administrative Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent**.** All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 13 and Section 14.5 shall apply to any such sub-agent and to the

Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by the Administrative Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of the Credit Parties and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to Administrative Agent and not to any Credit Party, Lender or any other Person and no Credit Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent**.**

13.3 General Immunity. (a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Credit Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of any Credit Party, or for the financial condition or business affairs of any Credit Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Credit Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to make any disclosures with respect to the foregoing other than to the extent required under this Agreement. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amount thereof.

(b) Exculpatory Provisions. No Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by any Agent under or in connection with any of the Credit Documents except to the extent caused by such Agent's gross negligence or willful misconduct. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Credit Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Required Lenders (or such other Lenders as may be required to give such instructions under Section 14.1) and, upon receipt of such instructions from Required Lenders (or such other Lenders, as the case may be), such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Borrower and its Subsidiaries),

accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Credit Documents in accordance with the instructions of Required Lenders (or such other Lenders as may be required to give such instructions under Section 14.1)

13.4 Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

13.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless it has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable).

13.6 Non-Reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of the Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender. Each Lender represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance

upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent or the Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliate. Notwithstanding anything herein to the contrary, each Lender acknowledges that the lien and security interest granted to the Collateral Agent pursuant to the Security Agreement or other applicable Security Document, and the exercise of any right or remedy by the Collateral Agent thereunder, are subject to the provisions of the Intercreditor Agreement and that in the event of any conflict between the terms of the Intercreditor Agreement and such Security Document, the terms of the Intercreditor Agreement shall govern and control.

13.7 Indemnification. The Lenders agree to indemnify the Administrative Agent and the Collateral Agent and any sub-agent thereof, each in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs (including legal fees and costs), expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent or the Collateral Agent or such sub-agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent or such sub-agent under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or the Collateral Agent's or such sub-agent's gross negligence or willful misconduct. The agreements in this Section 13.7 shall survive the payment of the Loans and all other amounts payable hereunder.

13.8 Agents in their Individual Capacity. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent or any sub-agent thereof in its individual capacity as a Lender hereunder. With respect to its participation in the Loans and the Letters of Credit, each Agent and any sub-agent thereof shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include each Agent or any sub-agent thereof in its individual capacity. Any Agent or any sub-agent thereof and its respective Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with Borrower or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Borrower for services in connection herewith and otherwise without having to account for the same to Lenders.

13.9 Successor Agents. The Administrative Agent may resign as Administrative Agent and the Collateral Agent may resign as Collateral Agent upon 20 days' prior written notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent or the Collateral Agent shall resign as Collateral Agent under this Agreement and the other Credit Documents, then the Required Lenders shall appoint from among the Lenders a successor Administrative Agent or successor Collateral Agent, as applicable, which successor agent in each case, shall be approved by the Borrower (which approval shall not be unreasonably withheld) so long as no Default or Event of Default is continuing, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent or the Collateral Agent, as the case may be, and the term "Administrative Agent" or "Collateral Agent", as the case may be, shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's or Collateral Agent's rights, powers and duties as Administrative Agent or Collateral Agent, as the case may be, shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or Collateral Agent, as the case may be, or any of the parties to this Agreement or any holders of the Loans. After any retiring Administrative Agent's or Collateral Agent's resignation as Administrative Agent or Collateral Agent, as the case may be, the provisions of this Section 13 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or Collateral Agent under this Agreement and the other Credit Documents.

13.10 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

13.11 REPORTS AND FINANCIAL STATEMENTS; DISCLAIMER BY LENDERS. By signing this Agreement, each Lender:

(a) is deemed to have requested that the Agents furnish such Lender, promptly after it becomes available, (i) a copy of all financial statements to be delivered by the Borrower hereunder, (ii) a copy of any notice of Default or Event of Default received by such Agent and (iii) a copy of each Report;

(b) expressly agrees and acknowledges that no Agent (i) makes any representation or warranty as to the accuracy of any Report, or (ii) shall be liable for any information contained in any Report;

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agent or other party performing any audit or examination will inspect only specific information regarding the Borrower and will rely significantly upon the Borrower's books and records, as well as on representations of the Borrower's personnel;

(d) agrees to keep all Reports confidential in accordance with Section 14.16; and

without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agents and any such other Person or Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Agents and any such other Person or Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable costs of counsel) incurred by the Agents and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

SECTION 14. Miscellaneous

14.1 Amendments and Waivers. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 14.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (b) waive, on such terms and

conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall directly (i) forgive or reduce any portion of any Loan or any Repayment Amount or extend the final scheduled maturity date of any Loan or extend any scheduled Repayment Date for any Loan or reduce the stated rate (it being understood that any change to the definitions of Consolidated Total Debt to Consolidated EBITDA Ratio or in the component definitions thereof shall not constitute a reduction in the rate and only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the "default rate" or amend Section 2.8(c)), or forgive any portion, or extend the date for the payment, of any interest or fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Lender's Commitment, or increase the aggregate amount of the Commitments of any Lender, or amend or modify any provisions of Section 5.3(a) (with respect to the ratable allocation of any payments only), 2.4 (with respect to the ratable disbursement of funds) and 14.8(a), in each case without the written consent of each Lender directly and adversely affected thereby, or (ii) amend, modify or waive any provision of this Section 14.1 or reduce the percentages specified in the definitions of the term "Required Lenders" or consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 13 without the written consent of the then-current Administrative Agent, or, (iv) release all or substantially all of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee) or release all or substantially all of the Collateral under the Security Agreement or the Pledge Agreement without the prior written consent of each Lender, or (v) amend Section 2.9 so as to permit Interest Period intervals greater than six months without regard to availability to Lenders, without the written consent of each Lender directly and adversely affected thereby; or (vi) amend, modify or waive any provisions hereof relating to the Administrative Agent in a manner that directly and adversely affects it rights and obligations hereunder without the written consent of the Administrative Agent; or (x) amend, modify or waive any provisions hereof relating to the Collateral Agent in a manner that directly and adversely affects it rights and obligations hereunder without the written consent of the Collateral Agent. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Term Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans ("Refinanced Term Loans") with a replacement term loan tranche ("Replacement Term Loans") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans) and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Term Loans in effect immediately prior to such refinancing.

14.2 Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 14.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower or the Administrative Agent.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three (3) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile,

when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant to Sections 2.3, 2.6, 2.9, and 5.1 shall not be effective until received.

14.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

14.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

14.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Latham & Watkins LLP, one local counsel in each relevant local jurisdiction and such additional counsel to the extent consented to by the Borrower, (b) to pay or reimburse each Lender, and Agent for all its reasonable and documented costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, Collateral Agent and the other Agents (unless there is an actual or perceived conflict of interest in which case each such Person may retain its own counsel), (c) to pay, indemnify, and hold harmless each Lender, and Agent from, any and all recording and filing fees and (d) to pay, indemnify, and hold harmless each Lender, and Agent and their respective directors, officers, employees, trustees, investment advisors and agents from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including reasonable and documented fees, disbursements and other charges of one primary counsel and one local counsel in each relevant jurisdiction to such indemnified Persons (unless there is an actual or perceived conflict of interest or the availability of different claims or defenses in which case each such Person may retain its own counsel), related to the Transactions or with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents, including, without limitation, any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law or to any actual or alleged presence, release or threatened release of Hazardous Materials or any other Environmental Claims involving or attributable to the operations of the Borrower, any of its Subsidiaries or any of the Real Estate (all the foregoing in this clause (d), collectively, the "indemnified liabilities"), provided that the Borrower shall have no obligation hereunder to the Administrative Agent or any Lender nor any of their Related

Parties with respect to indemnified liabilities to the extent attributable to the bad faith, gross negligence or willful misconduct of, or material breach of the Credit Documents by, the party to be indemnified or any of its Related Parties. All amounts payable under this Section 14.5 shall be paid within ten (10) Business Days of receipt by the Borrower of an invoice relating thereto setting forth such expense in reasonable detail. No Person indemnified under this Section 14.5 shall be liable for any special, indirect, consequential or punitive damages relating to this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith. The agreements in this Section 14.5 shall survive repayment of the Loans and all other amounts payable hereunder

14.6 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower or without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 14.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 14.6), pledges to the extent provided in paragraph (d) of this Section 14.6 and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (which consent shall not be unreasonably withheld or delayed; provided that it being understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority), provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (unless increased costs would result therefrom at any time when no Event of Default under Section 11.1 or Section 11.5 is continuing) or, if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing, any other assignee;

(B) the Administrative Agent (which consent shall not be unreasonably withheld or delayed; provided that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund), or, in the case of assignments in connection with the initial syndication of Commitments and Loans only, the Co-Lead Arrangers.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, or assignments in connection with the initial syndication of Commitments and Loans (in amounts, and to such Persons, as previously agreed between the Borrower and the Co-Lead Arrangers), the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, and increments of $1,000,000 in excess thereof, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed), provided that no such consent of the Borrower shall be required if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing; provided, further, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds or by a single assignor made to Affiliates or related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500, provided that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "Administrative Questionnaire").

For the purpose of this Section 14.6(b), the term "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 14.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 5.4 and 14.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 14.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 14.6.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Lender (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 14.6 and any written consent to such assignment required by paragraph (b) of this Section 14.6, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (each, a "Participant") in all or a portion of such Lender's

rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it), provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 14.1 under subsections (i) and (iv) that affects such Participant. Subject to paragraph (c)(ii) of this Section 14.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the requirements of those Sections) and had acquired its interest by assignment pursuant to paragraph (b) of this Section 14.6. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 14.8(b) as though it were a Lender, provided such Participant agrees to be subject to Section 14.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 14.6 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit L evidencing the Term Loans, respectively, owing to such Lender.

(e) Subject to Section 14.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

14.7 Replacements of Lenders under Certain Circumstances. (a) The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken or (c)

becomes a Defaulting Lender, with a replacement bank or other financial institution, provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts (other than any disputed amounts), pursuant to Section 2.10, 2.11 or 5.4, as the case may be) owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 14.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein) and (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 14.1 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then provided no Event of Default then exists, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent, provided that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and (c) the replacement Lender shall grant such consent. In connection with any such assignment, the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 14.6.

14.8 Adjustments; Set-off. (a) If any Lender (a "benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the

Borrower to the extent permitted by applicable law, subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld) upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

14.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

14.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14.11 Integration. This Agreement and the other Credit Documents represent the agreement of the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Borrower, the Administrative Agent, the Collateral Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

14.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

14.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such

action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 14.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 14.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 14.13 any special, exemplary, punitive or consequential damages.

14.14 Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) neither the Administrative Agent nor the Collateral Agent nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent, the Collateral Agent and Lenders, on one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

14.15 **WAIVERS OF JURY TRIAL**. THE BORROWER, EACH AGENT AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

14.16 Confidentiality. The Administrative Agent and each Lender shall hold all non-public information furnished by or on behalf of the Borrower in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender or the Administrative Agent pursuant to the requirements of this Agreement ("Confidential Information"), confidential in accordance with its customary procedure for handling confidential information of this nature and (in the case of a Lender that is a bank) in accordance with safe and sound banking practices and in any event may (i) make disclosure as required or requested by any governmental agency or representative thereof or pursuant to legal process or to such Lender's or the Administrative Agent's attorneys, professional advisors or independent auditors

or Affiliates, provided that unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify the Borrower of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by the Borrower or any Subsidiary of the Borrower, (ii) make disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation by such Lender of any Loans or any participations therein or by any pledgees referred to in Section 14.16(d) or by direct or indirect contractual counterparties (or the professional advisors thereto) in Hedge Agreements (provided, such assignees, transferees, participants, pledgees, counterparties and advisors are advised of and agree to be bound by provisions that in substance are the equivalent to those in this Section 14.16), (iii) make disclosure of such information reasonably required by any lender or other Person providing financing to such Lender (provided such lenders or other Persons are advised of the confidential nature of such information and agree to keep such information confidential on terms consistent with this Section 14.16), and (iv) make disclosure to any rating agency, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any Confidential Information received by it from any of the Agents or any Lender.

14.17 Direct Website Communications.

(a) (i) The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (B) relates to the payment of any principal or other amount due under the Credit Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under the Credit Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of the Credit Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to lpgloans@lehman.com or such other email address as disclosed in writing to the Borrower. Nothing in this Section 14.17 shall prejudice the right of the Borrower, the Administrative Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

(ii) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above

shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(b) The Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "Platform"), so long as the access to such Platform is limited (i) to the Agents and the Lenders and (ii) remains subject the confidentiality requirements set forth in Section 14.16.

(c) The Platform is provided "as is" and "as available." The Agent Parties do not warrant the accuracy or completeness of the Communications, or the adequacy of the platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Agent Parties in connection with the Communications or the platform. In no event shall the Administrative Agent, the Collateral Agent or any of its affiliates or any of their respective officers, directors, employees, agents, advisors or representatives (collectively, "Agent Parties") have any liability to the Borrower, any Lender or any other person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Communications through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents.

(d) The Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, its Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that the Borrower has indicated contains only publicly available information with respect to the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, its Subsidiaries and their securities. Notwithstanding the foregoing, the Borrower shall be under no obligation under this Section 14.17 (d) to indicate any document or notice as containing only publicly available information.

14.18 USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

IN WITNESS WHEREOF, each of the parties hereto has caused a counterpart of this Agreement to be duly executed and delivered as of the date first above written.

SECTION 4. Delivery of the Collateral. All original stock certificates or instruments, if any, representing or evidencing the Collateral shall be promptly delivered to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent. The Collateral Agent shall have the right, at any time after the occurrence and during the continuance of an Event of Default and with notice to the relevant Pledgor, to transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Shares. Each delivery of Collateral (including any After-acquired Shares) shall be accompanied by a schedule describing the securities theretofore and then being pledged hereunder, which shall be attached hereto as part of Schedule 1 and made a part hereof; provided that the failure to deliver or attach any such schedule hereto shall not affect the validity of such pledge of such securities; provided, further, that the failure by the Collateral Agent to attach any schedule so delivered shall not constitute a Default or Event of Default hereunder or under any other Credit Document . Each schedule so delivered shall supersede any prior schedules so delivered.

SECTION 5. Representations and Warranties. Each Pledgor represents and warrants to the Collateral Agent and each other Secured Party as follows:

(a) Schedule 1 hereto (i) correctly represents as of the Closing Date (A) the issuer, the certificate number, the Pledgor and the record and beneficial owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Pledged Shares and (B) the issuer, the initial principal amount, the Pledgor and holder, date of issuance and maturity date of all Pledged Debt, and (ii) together with the comparable schedule to each supplement hereto, accurately and completely describes all Equity Interests, debt securities and promissory notes required to be pledged hereunder. Except as set forth on Schedule 1, the Pledged Shares represent all (or 65% in the case of pledges of Foreign Subsidiaries) of the issued and outstanding Equity Interests of each class of Equity Interests in the issuer on the Closing Date.

(b) Such Pledgor is the legal and beneficial owner of the Collateral pledged or assigned by such Pledgor hereunder, free and clear of any Lien, except for the Lien created by this Agreement.

(c) As of the Closing Date, the Pledged Shares pledged by such Pledgor hereunder have been duly authorized and validly issued and, in the case of Pledged Shares issued by a corporation, are fully paid and non-assessable.

(d) As of the Closing Date, all of the Pledged Debt, to the knowledge of such Pledgor only with respect to Pledged Debt owed by an issuer other than a Subsidiary of a Pledgor, has been duly authorized, authenticated or issued, and delivered, and is the legal, valid and binding obligation of the issuers thereof and is not in default.

(e) The execution and delivery by such Pledgor of this Agreement and the pledge of the Collateral pledged by such Pledgor hereunder pursuant hereto create a legal, valid and enforceable security interest in such Collateral and, upon the earlier of (i) delivery of such Collateral to the Collateral Agent in the State of New York or (ii) the filing of all UCC financing statements naming each Pledgor as "debtor" and the Collateral Agent as "secured party" and describing the Collateral in the filing offices set forth opposite such Pledgor's name on Schedule 5(e) hereto, shall constitute a fully perfected Lien on and first priority security interest in the Collateral, securing the payment of the Obligations, in favor of the Collateral Agent for the benefit of the Secured Parties, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity.

(f) Such Pledgor has full power, authority and legal right to pledge all the Collateral pledged by such Pledgor pursuant to this Agreement, and this Agreement constitutes a legal, valid and binding obligation of each Pledgor, enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity.

SECTION 6. Certification of Limited Liability Company, Limited Partnership Interests and Pledged Debt. (a) The Equity Interests in any Domestic Subsidiary that is organized as a limited liability company or limited partnership and pledged hereunder shall be represented by a certificate and in the organizational documents of such Domestic Subsidiary, the applicable Pledgor shall cause the issuer of such interests to elect to treat such interests as a "security" within the meaning of Article 8 of the UCC of its jurisdiction of organization or formation, as applicable, by including in its organizational documents language substantially similar to the following and, accordingly, such interests shall be governed by Article 8 of the UCC:

> "The Partnership/Company hereby irrevocably elects that all membership interests in the Partnership/Company shall be securities governed by Article 8 of the Uniform Commercial Code of [jurisdiction of organization or formation, as applicable]. Each certificate evidencing partnership/membership interests in the Partnership/Company shall bear the following legend: "This certificate evidences an interest in [name of Partnership/LLC] and shall be a security for purposes of Article 8 of the Uniform Commercial Code." No change to this provision shall be effective until all outstanding certificates have been surrendered for cancellation and any new certificates thereafter issued shall not bear the foregoing legend."

(b) Each Pledgor will cause any Indebtedness for borrowed money in an aggregate principal amount exceeding $5,000,000 owed to such Pledgor to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent pursuant to the terms hereof.

SECTION 7. Further Assurances. Each Pledgor agrees that at any time and from time to time, at the expense of such Pledgor, it will promptly execute or otherwise authorize the filing of any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents), which may be required under any applicable law, or which the Collateral Agent or the Administrative Agent may reasonably request, in order (x) to perfect and protect any pledge, assignment or security interest granted or purported to be granted hereby (including the priority thereof) or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral.

SECTION 8. Voting Rights; Dividends and Distributions; Etc. (a) So long as no Event of Default shall have occurred and be continuing:

(i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement or the other Credit Documents.

(ii) The Collateral Agent shall execute and deliver (or cause to be executed and delivered) to each Pledgor all such proxies and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above.

(b) Subject to paragraph (c) below, each Pledgor shall be entitled to receive and retain and use, free and clear of the Lien created by this Agreement, any and all dividends, distributions, principal and interest made or paid in respect of the Collateral to the extent permitted by the Credit Agreement, as applicable; provided, however, that any and all noncash dividends, interest, principal or other distributions that would constitute Pledged Shares or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Shares or received in exchange for Pledged Shares or Pledged Debt or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Collateral and shall, if received by such Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsement).

(c) Upon written notice to a Pledgor by the Collateral Agent following the occurrence and during the continuance of an Event of Default,

(i) all rights of such Pledgor to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 8(a)(i) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights during the continuance of such Event of Default, provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following the occurrence and

during the continuance of an Event of Default to permit the Pledgors to exercise such rights. When no Events of Default are continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, or after all Events of Default have been cured or waived pursuant to Section 12 or Section 14.1 of the Credit Agreement, as applicable, each Pledgor shall have the right to exercise the voting and consensual rights that such Pledgor would otherwise be entitled to exercise pursuant to the terms of Section 8(a)(i) (and the obligations of the Collateral Agent under Section 8(a)(ii) shall be reinstated);

(ii) all rights of such Pledgor to receive the dividends, distributions and principal and interest payments that such Pledgor would otherwise be authorized to receive and retain pursuant to Section 8(b) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to receive and hold as Collateral such dividends, distributions and principal and interest payments during the continuance of such Event of Default. When no Events of Default are continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, or after all Events of Default have been cured or waived pursuant to Section 12 or Section 14.1 of the Credit Agreement, as applicable, the Collateral Agent shall repay to each Pledgor (without interest) all dividends, distributions and principal and interest payments that such Pledgor would otherwise be permitted to receive, retain and use pursuant to the terms of Section 8(b);

(iii) all dividends, distributions and principal and interest payments that are received by such Pledgor contrary to the provisions of Section 8(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Pledgor and shall forthwith be delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsements); and

(iv) in order to permit the Collateral Agent to receive all dividends, distributions and principal and interest payments to which it may be entitled under Section 8(b) above, to exercise the voting and other consensual rights that it may be entitled to exercise pursuant to Section 8(c)(i) above, and to receive all dividends, distributions and principal and interest payments that it may be entitled to under Sections 8(c)(ii) and (c)(iii) above, such Pledgor shall from time to time execute and deliver to the Collateral Agent appropriate proxies, dividend payment orders and other instruments as the Collateral Agent may reasonably request in writing.

SECTION 9. Transfers and Other Liens; Additional Collateral; Etc. Each Pledgor shall:

(a) not (i) except as permitted by the Credit Agreement sell or otherwise dispose of, or grant any option or warrant with respect to, any of the Collateral or (ii) create or suffer to exist any consensual Lien upon or with respect to any of the Collateral, except for the Lien created by this Agreement, provided that in the event such Pledgor sells or otherwise disposes of assets as permitted by the Credit Agreement, and such assets are or include any of the Collateral, the Collateral Agent shall release such Collateral to such Pledgor free and clear of the Lien created by this Agreement concurrently with the consummation of such sale;

(b) pledge and, if applicable, cause each Domestic Subsidiary to pledge, to the Collateral Agent for the ratable benefit of the Secured Parties, immediately upon acquisition thereof, all the Equity Interests and all evidence of Indebtedness held or received by such Pledgor or Domestic Subsidiary required to be pledged hereunder pursuant to Section 9.12 of the Credit Agreement, in each case pursuant to a supplement to this Agreement substantially in the form of Annex A hereto (it being understood that the execution and delivery of such a supplement shall not require the consent of any Pledgor hereunder and that the rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Subsidiary Pledgor as a party to this Agreement); and

(c) defend its and the Collateral Agent's title or interest in and to all the Collateral (and in the Proceeds thereof) against any and all Liens (other than the Lien created by this Agreement), however arising, and any and all Persons whomsoever.

SECTION 10. Collateral Agent Appointed Attorney-in-Fact. Each Pledgor hereby appoints, which appointment is irrevocable and coupled with an interest, the Collateral Agent as such Pledgor's attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, to take any action and to execute any instrument, in each case after the occurrence and during the continuance of an Event of Default, that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including to receive, indorse and collect all instruments made payable to such Pledgor representing any dividend, distribution or principal or interest payment in respect of the Collateral or any part thereof and to give full discharge for the same.

SECTION 11. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect its interest and the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Pledged Shares, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

SECTION 12. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) or other applicable law or in equity and also may, with notice to the relevant Grantor, sell the Collateral or any part thereof in one or more parcels at public or private sale, at

any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any other Secured Party shall have the right upon any such public sale and, to the extent permitted by law, upon any such private sale, to purchase all or any part of the Collateral so sold, and the Collateral Agent or such other Secured Party may pay the purchase price by crediting the amount thereof against the Obligations. Each Pledgor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, each Pledgor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree.

(b) The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral at any time after receipt as follows:

(i) first, to the payment of all reasonable and documented costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of any Pledgor and any other reasonable and documented costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document;

(ii) second, to the Secured Parties, an amount equal to all Obligations owing to them on the date of any such distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties in proportion to the unpaid amounts thereof; and

(iii) third, any surplus then remaining shall be paid to the Pledgors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(c) The Collateral Agent may exercise any and all rights and remedies of each Pledgor in respect of the Collateral.

(d) All payments received by any Pledgor in respect of the Collateral after the occurrence and during the continuance of an Event of Default shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsement).

SECTION 13. Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Pledgor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Pledgor and without notice to or further assent by any Pledgor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith and the Hedge Agreements and any other documents executed and delivered in connection therewith and any documents entered into with the applicable Administrative Agent or the Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds may be amended, modified, supplemented or terminated, in whole or in part, as the applicable Administrative Agent (or the Required Lenders, as the case may be, or, in the case of any Hedge Agreement or documents entered into with the applicable Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds, the party thereto) may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Pledgor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Borrower or any Pledgor or any other person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any

payments from any Borrower or any Pledgor or any other person or any release of any Borrower or any Pledgor or any other person shall not relieve any Pledgor in respect of which a demand or collection is not made or any Pledgor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Pledgor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

SECTION 14. Continuing Security Interest; Assignments Under the Credit Agreement; Release. (a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Pledgor and the successors and assigns thereof, and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all the Obligations (other than any contingent indemnity obligations not then due) under the Credit Documents shall have been satisfied by payment in full, and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement and any Hedge Agreement the Credit Parties may be free from any Obligations.

(b) A Subsidiary Pledgor shall automatically be released from its obligations hereunder and the pledge of such Subsidiary Pledgor shall be automatically released upon the consummation of any transaction expressly permitted under the Credit Agreement, as a result of which such Subsidiary Pledgor ceases to be a Subsidiary Guarantor.

(c) Upon any sale or other transfer by any Pledgor of any Collateral that is permitted under the Credit Agreement or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 14.1 of the Credit Agreement, the obligations of such Pledgor with respect to such Collateral shall be automatically released and such Collateral sold free and clear of the Lien and security interests created hereby.

(d) In connection with any termination or release pursuant to the foregoing paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Pledgor or authorize the filing of, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 14 shall be without recourse to or warranty by the Collateral Agent.

SECTION 15. Reinstatement. Each Pledgor further agrees that, if any payment made by any Credit Party or other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of Collateral are required to be returned by any Secured Party to such Credit Party, its estate, trustee, receiver or any other party, including any Pledgor, under any bankruptcy law, state, federal or foreign law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made or, if prior thereto the Lien granted hereby or other Collateral securing such liability hereunder shall have been released or terminated by virtue of such cancellation or surrender),

such Lien or other Collateral shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect any Lien or other Collateral securing the obligations of any Pledgor in respect of the amount of such payment.

SECTION 16. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 14.2 of the Credit Agreement. All communications and notices hereunder to any Pledgor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

SECTION 17. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

SECTION 18. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 19. Integration. This Agreement together with the other Credit Documents represents the agreement of each of the Pledgors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

SECTION 20. Amendments in Writing; No Waiver; Cumulative Remedies. (a) None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Pledgor and the Collateral Agent in accordance with Section 14.1 of the Credit Agreement.

(b) Neither the Collateral Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 20(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

SECTION 21. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

SECTION 22. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Pledgor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent.

SECTION 23. **WAIVER OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

SECTION 24. Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in Section 16 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 24 any special, exemplary, punitive or consequential damages.

SECTION 25. **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

SECTION 26. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of January 31, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among the Borrower, Lehman Commercial Paper Inc., as Administrative Agent and as Collateral Agent, and certain other persons which may be or become parties thereto, or become bound thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.

[SIGNATURE PAGE TO PLEDGE AGREEMENT]

SUPPLEMENT NO. 1 dated as of April 30, 2007 (this "Supplement"), to the PLEDGE AGREEMENT dated as of January 31, 2007, among McJunkin Corporation, a West Virginia corporation (the "Borrower"), each of the Subsidiaries of the Borrower listed on the signature pages thereto (each such Subsidiary being a "Subsidiary Pledgor" and, collectively, the "Subsidiary Pledgors"; the Subsidiary Pledgors and the Borrower are referred to collectively as the "Pledgors") and Lehman Commercial Paper Inc., as Collateral Agent (in such capacity, the "Collateral Agent") under the Credit Agreement referred to below.

A. Reference is made to the Term Loan Credit Agreement dated as of January 31, 2007(as the same may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, the "Credit Agreement") among the Borrower, the lending institutions from time to time party thereto (the "Lenders"), Lehman Commercial Paper Inc., as Administrative Agent and as Collateral Agent and the Term Loan Guarantee dated as of January 31, 2007 (as the same may be amended, restated, supplemented and or otherwise modified from time to time, the "Guarantee"), among the Guarantors party thereto and the Collateral Agent.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Pledge Agreement.

C. The Pledgors have entered into the Pledge Agreement in order to induce the Administrative Agent, the Collateral Agent, the Syndication Agent, and the Lenders to enter into the Credit Agreement, to induce the Lenders to make their respective Extensions of Credit to the Borrower under the Credit Agreement and to induce one or more Lenders or affiliates of Lenders to enter into Hedge Agreements with the Borrower.

D. The undersigned Pledgor (the "Additional Pledgor") is (a) the legal and beneficial owner of the Equity Interests described under Schedule 1 hereto and issued by the entity named therein (such pledged Equity Interests, together with all other Equity Interests required to be pledged under the Pledge Agreement (the "After-acquired Additional Pledged Shares"), referred to collectively herein as the "Additional Pledged Shares") and (b) the legal and beneficial owner of the Indebtedness described under Schedule 1 hereto and issued by the entity named therein (such Indebtedness, together with all other Indebtedness required to be pledged under the Pledge Agreement, the "Additional Pledged Debt"), in each case as such schedule may be amended in accordance with the Credit Agreement.

E. Section 9.12 of the Credit Agreement and Section 9(b) of the Pledge Agreement provide that additional Subsidiaries may become Subsidiary Pledgors under the Pledge Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Additional Pledgor is executing this Supplement in accordance with the requirements of Section 9(b) of the Pledge Agreement to pledge to the Collateral Agent for the ratable benefit of the Secured Parties the Additional Pledged Shares and the Additional Pledged Debt in order to induce (i) the Lenders to make additional Extensions of Credit and as consideration for Extensions of Credit previously made and (ii) the Lender Counterparties to enter into Hedge Agreements with the Borrower.

Accordingly, the Collateral Agent and the undersigned Additional Pledgor agree as follows:

SECTION 1. In accordance with Section 9(b) of the Pledge Agreement, the Additional Pledgor by its signature hereby transfers, assigns and pledges to the Collateral Agent for the ratable benefit of the Secured Parties, and hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties, a security interest in all of the Additional Pledgor's right, title and interest in the following, whether now owned or existing or hereafter acquired or existing or arising (collectively, the "Additional Collateral"):

(a) the Additional Pledged Shares held by the Additional Pledgor and the certificates representing such Additional Pledged Shares and any interest of such Additional Pledgor in the entries on the books of the issuer of the Additional Pledged Shares or any financial intermediary pertaining to the Additional Pledged Shares and all dividends, cash, warrants, rights, instruments and other property or proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Additional Pledged Shares;

(b) the Additional Pledged Debt and the instruments evidencing the Additional Pledged Debt owed to such Additional Pledgor, and all interest, cash, instruments and other property or proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Additional Pledged Debt; and

(c) to the extent not covered by clauses (a) and (b) above, respectively, all Proceeds of any or all of the foregoing Additional Collateral.

For purposes of the Pledge Agreement, (x) the Collateral shall be deemed to include the Additional Collateral and (y) the After-acquired Pledged Shares shall be deemed to include the Additional After-acquired Pledge Shares.

SECTION 2. The Additional Pledgor represents and warrants as follows:

(a) Schedule 1 hereto (i) correctly represents as of the date hereof (A) the issuer, the certificate number, the Pledgor and registered owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Additional Pledged Shares and (B) the issuer, the initial principal amount, the Pledgor and holder, date of and maturity date of all Additional Pledged Debt and (ii) together with Schedule 1 to the Pledge Agreement and the comparable schedules to each other Supplement to the Pledge Agreement, accurately and completely describes all Equity Interests, debt securities and promissory notes required to be pledged under the Pledge Agreement. Except as set forth on Schedule 1 hereto, the Additional Pledged Shares represent all (or 65% in the case of pledges of Foreign Subsidiaries)of the issued and outstanding Equity Interests of each class of Equity Interests of the issuer on the date hereof.

(b) The Additional Pledgor is the legal and beneficial owner of the Additional Collateral pledged or assigned by such Additional Pledgor hereunder free and clear of any Lien, except for the Lien created by this Supplement to the Pledge Agreement.

(c) As of the date of this Supplement, the Additional Pledged Shares pledged by the Additional Pledgor hereunder have been duly authorized and validly issued and, in the case of Additional Pledged Shares issued by a corporation, are fully paid and nonassessable.

(d) The execution and delivery by the Additional Pledgor of this Supplement and the pledge of the Additional Collateral pledged by the Additional Pledgor hereunder pursuant hereto create a valid and perfected first priority security interest in the Additional Collateral, securing the payment of the Obligations, in favor of the Collateral Agent for the ratable benefit of the Secured Parties.

(e) The Additional Pledgor has full power, authority and legal right to pledge all the Additional Collateral pledged by such Additional Pledgor pursuant to this Supplement and this Supplement constitutes a legal, valid and binding obligation of the Additional Pledgor, enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity.

SECTION 3. This Supplement may be executed by one or more of the parties to this Supplement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Supplement signed by all the parties shall be lodged with the Collateral Agent and the Borrower. This Supplement shall become effective as to the Additional Pledgor when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of such Additional Pledgor and the Collateral Agent.

SECTION 4. Except as expressly supplemented hereby, the Pledge Agreement shall remain in full force and effect.

SECTION 5. THIS SUPPLEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. E. (b) the Additional Pledged Debt and the instruments evidencing the Additional Pledged Debt owed to the Additional Pledgor, and all interest, cash, instruments and other property or proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Additional Pledged Debt; and

The Security Interests are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Collateral.

4. Covenants.

Each Grantor hereby covenants and agrees with the Collateral Agent and the Secured Parties that, from and after the date of this Agreement until the Obligations under the Credit Documents are paid in full and the Commitments are terminated:

Each Grantor will advise the Collateral Agent and the Lenders promptly, in reasonable detail, of any Lien of which it has knowledge (other than the Security Interests created hereby or Liens permitted under the Credit Agreement) on any of the Collateral which would adversely affect, in any material respect, the ability of the Collateral Agent to exercise any of its remedies hereunder.

(a) At any time after the occurrence and during the continuance of an Event of Default and after giving reasonable notice to the Borrower and any other relevant Grantor, the Administrative Agent shall have the right, but not the obligation, to instruct the Collateral Agent to (and upon such instruction, the Collateral Agent shall) make test verifications of the Accounts in any manner and through any medium that such Agent reasonably considers advisable, and each Grantor shall furnish all such assistance and information as such Agent may require in connection with such test verifications. Such Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.

(b) The Collateral Agent hereby authorizes each Grantor to collect such Grantor's Accounts and the Collateral Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required in writing by the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Accounts, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Collateral Agent if required, in a Collateral Account maintained under the sole dominion and control of and on terms and conditions reasonably satisfactory to the Collateral Agent, subject to withdrawal by the Collateral Agent for the account of the Secured Parties only as provided in Section 5.5, and (ii) until so turned over, shall be held by such Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Accounts shall be accompanied by a

report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Collateral Agent's request at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall deliver to the Collateral Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

(d) Upon the occurrence and during the continuance of an Event of Default, a Grantor shall not grant any extension of the time of payment of any of the Accounts, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon if the Collateral Agent shall have instructed the Grantors not to grant or make any such extension, credit, discount, compromise or settlement under any circumstances during the continuance of such Event of Default.

(e) At the direction of the Collateral Agent, upon the occurrence and during the continuance of an Event of Default, each Grantor shall grant to the Collateral Agent to the extent assignable, an irrevocable, non-exclusive, fully paid-up, royalty-free, worldwide license to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired by such Grantor. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

5.2 Communications with Credit Parties; Grantors Remain Liable. (a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default, after giving reasonable notice to the relevant Grantor of its intent to do so, communicate with obligors under the Accounts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Accounts. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.

(b) Upon the written request of the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Accounts that the Accounts have been assigned to the Collateral Agent for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Collateral Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Collateral Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any Secured Party of any payment relating thereto, nor shall the Collateral Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the

nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

5.3 Proceeds to be Turned Over To Collateral Agent. In addition to the rights of the Collateral Agent and the Secured Parties specified in Section 5.1 with respect to payments of Accounts, if an Event of Default shall occur and be continuing and the Collateral Agent so requires by notice in writing to the relevant Grantor (it being understood that the exercise of remedies by the Secured Parties in connection with an Event of Default under Section 11.5 of the Credit Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), all Proceeds received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent hereunder shall be held by the Collateral Agent in a Collateral Account maintained under its dominion and control and on terms and conditions reasonably satisfactory to the Collateral Agent. All Proceeds while held by the Collateral Agent in a Collateral Account (or by such Grantor in trust for the Collateral Agent and the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 5.4.

5.4 Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral as well as any Collateral consisting of cash, at any time after receipt as follows:

(a) first, to the payment of all reasonable and documented costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of any Grantor and any other reasonable and documented costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document;

(b) second, to the Secured Parties, an amount equal to all Obligations owing to them on the date of any distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties in proportion to the unpaid amounts thereof; and

(c) third, any surplus then remaining shall be paid to the Grantors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

5.5 Code and Other Remedies. If an Event of Default shall occur and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law and also may with notice to the relevant Grantor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any Lender or elsewhere for cash or on credit or for future delivery at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent and any Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase the whole or any part of the Collateral so sold, and the Collateral Agent or such Secured Party may, subject to (x) the satisfaction in full in cash of all payments due pursuant to Section 5.4(a) hereof and (y) the satisfaction of the Obligations in accordance with the priorities set forth in Section 5.4 hereof, pay the purchase price by crediting the amount thereof against the Obligations. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, each Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent, at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 5.5 in accordance with the provisions of Section 5.4.

5.6 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any Secured Party to collect such deficiency.

5.7 Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Grantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Grantor and without notice to or further assent by any Grantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents, the Letters of Credit and any other documents executed and delivered in connection therewith and the Hedge Agreements and any other documents executed and delivered in connection therewith and any documents entered into with the applicable Administrative Agent or the Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds may be amended, modified, supplemented or terminated, in whole or in part, as the applicable Administrative Agent (or the Required Lenders, as the case may be, or, in the case of any Hedge Agreement or documents entered into with the applicable Administrative Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds, the party thereto) may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against any Grantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Borrower or any Grantor or any other person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any Borrower or any Grantor or any other person or any release of any Borrower or any Grantor or any other person shall not relieve any Grantor in respect of which a demand or collection is not made or any Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Grantor. For the purposes hereof “demand” shall include the commencement and continuance of any legal proceedings.

5.8 Access Rights on Mortgaged Properties. The Grantors hereby agree with the Collateral Agent that, at any time during the continuance of an Event of Default and after notice of such action to the Borrower, the Revolving Credit Collateral Agent (as defined in the Intercreditor Agreement) shall have access, during the Access Period (as defined in the Intercreditor Agreement), and each such Grantor that owns any of the Mortgaged Premises has granted a non-exclusive easement in gross over its property to permit the uses by Revolving

Credit Collateral Agent (as defined in the Intercreditor Agreement) contemplated by Section 3.3 of the Intercreditor Agreement. The Collateral Agent hereby consents to such easement.

6. The Collateral Agent.

6.1 Collateral Agent's Appointment as Attorneys-in-Fact, etc. (a) Each Grantor hereby appoints, which appointment is irrevocable and coupled with an interest, effective upon and during the occurrence of an Event of Default, the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, either in the Collateral Agent's name or in the name of such Grantor or otherwise, without assent by such Grantor, to do any or all of the following, in each case after and during the occurrence of an Event of Default and after written notice by the Collateral Agent of its intent to do so:

(i) take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Account or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Collateral Agent's and the Secured Parties' Security Interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral;

(iv) execute, in connection with any sale provided for in Section 5.5, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) obtain and adjust insurance required to be maintained by such Grantor or paid to the Collateral Agent pursuant to Section 9.3 of the Credit Agreement;

(vi) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct;

(vii) ask or demand for, collect and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral;

(viii) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral;

(ix) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral;

(x) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its affiliates in any manner other than with respect to its continuing rights in such Collateral);

(xi) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate (with such Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect such Grantor or any of its affiliates in any manner other than with respect to its continuing rights in such Collateral);

(xii) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and

(xiii) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things that the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's and the Secured Parties' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 6.1, together with interest thereon at a rate per annum

equal to the highest rate per annum at which interest would then be payable on any category of past due ABR Loans under the Credit Agreement, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Collateral Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

6.2 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent, any Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the Secured Parties hereunder are solely to protect the Collateral Agent's and the Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any Secured Party to exercise any such powers. The Collateral Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

6.3 Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Credit Agreement, and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the applicable Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

6.4 Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, and all obligations of the Grantors hereunder shall be absolute and unconditional.

6.5 Continuing Security Interest; Assignments Under the Credit Agreement; Release. (a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Grantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all Obligations under the Credit Documents (other than any contingent indemnity obligations not then due) and the obligations of each Grantor under this Agreement shall have been satisfied by payment in full, the Commitments shall be terminated and no Letters of Credit shall be outstanding, notwithstanding that from time to time during the term of the Credit Agreement and any Hedge Agreement the Credit Parties may be free from any Obligations.

(b) A Subsidiary Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Subsidiary Grantor shall be automatically released upon the consummation of any transaction permitted under the Credit Agreement as a result of which such Subsidiary Grantor ceases to be a Subsidiary Guarantor.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement or upon the effectiveness of any written consent to the release of the Security Interest granted hereby in any Collateral pursuant to Section 14.1 of the Credit Agreement, the Security Interest in such Collateral shall be automatically released and such Collateral sold free and clear of the Lien and Security Interests created hereby.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.5 shall be without recourse to or warranty by the Collateral Agent.

6.6 Reinstatement. Each Grantor further agrees that, if any payment made by any Credit Party or other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of Collateral are required to be returned by any Secured Party to such Credit Party, its estate, trustee, receiver or any other party, including any Grantor, under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made or, if prior thereto the Lien granted hereby or other Collateral securing such liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), such Lien or other Collateral shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect any Lien or other Collateral securing the obligations of any Grantor in respect of the amount of such payment.

7. Collateral Agent As Agent.

(a) Lehman Commercial Paper Inc. has been appointed to act as the Collateral Agent under the Credit Agreement, by the Lenders under the Credit Agreement and, by their

acceptance of the benefits hereof, the other Secured Parties. The Collateral Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement, provided that the Collateral Agent shall exercise, or refrain from exercising, any remedies provided for in Section 5 in accordance with the instructions of Required Lenders. In furtherance of the foregoing provisions of this Section 7(a), each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Collateral Agent for the ratable benefit of the applicable Lenders and Secured Parties in accordance with the terms of this Section 7(a).

(b) The Collateral Agent shall at all times be the same Person that is the Collateral Agent under the Credit Agreement. Written notice of resignation by the Collateral Agent pursuant to Section 13.9 of the Credit Agreement shall also constitute notice of resignation as Collateral Agent under this Agreement; removal of the Collateral Agent shall also constitute removal under this Agreement; and appointment of a Collateral Agent pursuant to Section 13.9 of the Credit Agreement shall also constitute appointment of a successor Collateral Agent under this Agreement. Upon the acceptance of any appointment as Collateral Agent under Section 13.9 of the Credit Agreement by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Collateral Agent under this Agreement, and the retiring or removed Collateral Agent under this Agreement shall promptly (i) transfer to such successor Collateral Agent all sums, securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Collateral Agent under this Agreement, and (ii) execute and deliver to such successor Collateral Agent or otherwise authorize the filing of such amendments to financing statements and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Collateral Agent of the Security Interests created hereunder, whereupon such retiring or removed Collateral Agent shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Collateral Agent's resignation or removal hereunder as Collateral Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Collateral Agent hereunder.

(c) The Collateral Agent shall not be deemed to have any duty whatsoever with respect to any Secured Party that is a counterparty to a Hedge Agreement the obligations under which constitute Obligations, unless it shall have received written notice in form and substance satisfactory to the Collateral Agent from a Grantor or any such Secured Party as to the existence and terms of the applicable Hedge Agreement.

8. Miscellaneous.

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written

instrument executed by the affected Grantor and the Collateral Agent in accordance with Section 14.1 of the Credit Agreement.

8.2 Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 14.2 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Grantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. Neither the Collateral Agent nor any Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion. The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4 Enforcement Expenses; Indemnification. (a) Each Grantor agrees to pay any and all expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by any Secured Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, such Grantor under this Agreement.

(b) Each Grantor agrees to pay, and to save the Collateral Agent and the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Grantor agrees to pay, and to save the Collateral Agent and the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent a Borrower would be required to do so pursuant to Section 12.5 of the Credit Agreement.

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.

8.5 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent except pursuant to a transaction permitted by the Credit Agreement.

8.6 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

8.7 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

8.8 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.9 Integration. This Agreement together with the other Credit Documents represents the agreement of each of the Grantors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

8.10 **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

8.11 Submission To Jurisdiction Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such

action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in Section 8.2 or at such other address of which such Person shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.11 any special, exemplary, punitive or consequential damages.

8.12 Acknowledgments. Each party hereto hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents to which it is a party;

(b) neither the Collateral Agent nor any other Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between the Grantors, on the one hand, and the Collateral Agent and the other Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders and any other Secured Party or among the Grantors and the Lenders and any other Secured Party.

8.13 Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 9.11 of the Credit Agreement shall become a Grantor, with the same force and effect as if originally named as a Grantor herein, for all purposes of this Agreement upon execution and delivery by such Subsidiary of a written supplement substantially in the form of Annex B hereto. The execution and delivery of any instrument adding an additional Grantor as a party to this Agreement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

8.14 **WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

9. Intercreditor Agreement

9.1 Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of January 31, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among the Borrower, Lehman Commercial Paper Inc., as Administrative Agent and as Collateral Agent, and certain other persons which may be or become parties thereto, or become bound thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.

A. Reference is made to the Term Loan Credit Agreement, dated as of January 31, 2007 (as the same may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, the "Credit Agreement"), among McJunkin Corporation, a West Virginia corporation (the "Borrower"), the lending institutions from time to time party thereto (the "Lenders") and Lehman Commercial Paper Inc. as Administrative Agent and as Collateral Agent

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement.

C. Section 8.13 of the Security Agreement provides that each Subsidiary of the Borrower that is required to become a party to the Security Agreement pursuant to Section 9.11 of the Credit Agreement shall become a Grantor, with the same force and effect as if originally named as a Grantor therein, for all purposes of the Security Agreement upon execution and delivery by such Subsidiary of an instrument in the form of this Supplement. Each undersigned Subsidiary (each, a "New Grantor") is executing this Supplement in accordance with the requirements of the Security Agreement to become a Subsidiary Grantor under the Security Agreement as consideration for the Obligations.

Accordingly, the Collateral Agent and the New Grantors agree as follows:

SECTION 1. In accordance with Section 8.13 of the Security Agreement, each New Grantor by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor and each New Grantor hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, each New Grantor, as security for the payment and performance in full of the Obligations, does hereby bargain, sell, convey, assign, set over, mortgage, pledge, hypothecate and transfer to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all of the Collateral of such New Grantor, in each case whether now or hereafter existing or in which it now has or hereafter acquires an interest. Each reference to a "Grantor" in the Security Agreement shall be deemed to include each New Grantor. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. Each New Grantor represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in

accordance with its terms, subject to the effects of bankruptcy, insolvency or similar laws affecting creditors' rights generally and general equitable principles.

SECTION 3. This Supplement may be executed by one or more of the parties to this Supplement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. SECTION 7. Any provision of this Supplement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Security Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All notices, requests and demands pursuant hereto shall be made in accordance with Section 8.2 of the Security Agreement. All communications and notices hereunder to each New Grantor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

"Type" shall mean as to any Term Loan, its nature as an ABR Loan or a LIBOR Loan.

"Unfunded Current Liability" of any Plan shall mean the amount, if any, by which the present value of the accrued benefits under the Plan as of the close of its most recent plan year, determined in accordance with Statement of Financial Accounting Standards No. 87 as in effect on the date hereof, based upon the actuarial assumptions that would be used by the Plan's actuary in a termination of the Plan, exceeds the fair market value of the assets allocable thereto.

"Unrestricted Subsidiary" shall mean (a) any Subsidiary of McJunkin Opco that is formed or acquired after the Closing Date, provided that at such time (or promptly thereafter) the Borrower designates such Subsidiary an Unrestricted Subsidiary in a written notice to the Administrative Agent, (b) any Restricted Subsidiary subsequently re-designated as an Unrestricted Subsidiary by the Borrower in a written notice to the Administrative Agent, provided that in the case of (a) and (b), (x) such designation or re-designation shall be deemed to be an Investment by McJunkin Opco on the date of such re-designation in an Unrestricted Subsidiary in an amount equal to the sum of (i) McJunkin Opco's direct or indirect equity ownership percentage of the net worth of such designated or re-designated Restricted Subsidiary immediately prior to such designated or re-designation (such net worth to be calculated without regard to any guarantee provided by such designated or re-designated Restricted Subsidiary) and (ii) the aggregate principal amount of any Indebtedness owed by such designated or re-designated Restricted Subsidiary to McJunkin Opco or any other Restricted Subsidiary immediately prior to such designated or re-designation, all calculated, except as set forth in the parenthetical to clause (i), on a consolidated basis in accordance with GAAP and (y) no Default or Event of Default would result from such designation or re-designation and (c) each Subsidiary of an Unrestricted Subsidiary; provided, however, that at the time of any written designation or re-designation by the Borrower to the Administrative Agent that any Unrestricted Subsidiary shall no longer constitute an Unrestricted Subsidiary, such Unrestricted Subsidiary shall cease to be an Unrestricted Subsidiary to the extent no Default or Event of Default would result from such designation or re-designation. On or promptly after the date of its formation, acquisition,

designation or re-designation, as applicable, each Unrestricted Subsidiary (other than an Unrestricted Subsidiary that is a Foreign Subsidiary) shall have entered into a tax sharing agreement containing terms that, in the reasonable judgment of the Administrative Agent, provide for an appropriate allocation of tax liabilities and benefits. An Unrestricted Subsidiary which has been re-designated as a Restricted Subsidiary may not be subsequently re-designated as an Unrestricted Subsidiary.

"Voting Stock" shall mean, with respect to any Person, such Person's Stock or Stock Equivalents having the right to vote for the election of directors of such Person under ordinary circumstances.

(b) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test or covenant contained in this Agreement with respect to any period during which any Specified Transaction occurs, the Consolidated Total Debt to Consolidated EBITDA and the Consolidated EBITDA to Consolidated Interest Expense Ratio shall be calculated with respect to such period and such Specified Transaction on a Pro Forma Basis.

For purposes of determining compliance under Section 10.1 with respect to any amount in a Foreign Currency, such amount shall be deemed to equal the Dollar Equivalent thereof based on the average Exchange Rate for a Foreign Currency for the most recent twelve-month period immediately prior to the date of determination determined in a manner consistent with that used in calculating Consolidated EBITDA for the related period.

1.4 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

SECTION 2. Amount and Terms of Credit

2.1 Commitments. Subject to and upon the terms and conditions herein set forth, each Lender having a Term Loan Commitment severally agrees to make a loan or loans (each a "Term Loan") on the Closing Date to the Borrower in Dollars, which Term Loans shall not exceed for any such Lender the Term Loan Commitment of such Lender and in the aggregate shall not exceed $450,000,000.

Such Term Loans (i) shall be made on the Closing Date in accordance with the preceding paragraph, (ii) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans, provided that all such Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, (iii) may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid, may not be reborrowed, (iv) shall not exceed for any such Lender its Term Loan Commitment and (v) shall not exceed in the aggregate the total of all Term Loan Commitments. On the Term Loan Maturity Date, all then unpaid Term Loans shall be repaid in full.

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Term Loans shall be in a multiple of $1,000,000 and, shall not be less than the Minimum Borrowing Amount with respect thereto. More than one Borrowing may be incurred on any date, provided that at no time shall there be outstanding more than six (6) Borrowings of LIBOR Loans under this Agreement.

2.3 Notice of Borrowing. (a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office (i) prior to 12:00 Noon (New York City time) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) of the Borrowing of Term Loans if all or any of such Term Loans are to be initially LIBOR Loans, and (ii) prior written notice (or telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) prior to 10:00 a.m. (New York City time) on the date of the Borrowing of Term Loans if all such Term Loans are to be ABR Loans. Such Notice of Borrowing shall specify (i) the aggregate principal amount of the Term Loans to be made, (ii) the date of the Borrowing (which shall be the Closing Date) and (iii) whether the Term Loans shall consist of ABR Loans and/or LIBOR Loans and, if the Term Loans are to include LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of the proposed Borrowing of Term Loans, of such Lender's proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

(b) [Intentionally Omitted].

(c) [Intentionally Omitted].

(d) [Intentionally Omitted]

(e) [Intentionally Omitted].

(f) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice.

2.4 Disbursement of Funds. (a) No later than 12:00 Noon (New York City time) on the date specified in each Notice of Borrowing each Lender will make available its *pro rata* portion, if any, of each Borrowing requested to be made on such date in the manner provided below.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments, and in immediately available funds to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to

the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if paid by such Lender, the Federal Funds Effective Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, for the respective Loans.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt. (a) The Borrower shall repay to the Administrative Agent in Dollars, for the benefit of the applicable Lenders, on the Term Loan Maturity Date, the then-unpaid Term Loans made to the Borrower.

(b) [Intentionally Omitted].

(c) [Intentionally Omitted].

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent shall maintain the Register pursuant to Section 14.6(b), and a sub account for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Term Loan made hereunder, the Type of each Loan made and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (d) and (e) of this Section 2.5 shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as

applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Conversions and Continuations . (a) The Borrower shall have the option on any Business Day to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans made to the Borrower (as applicable) of one Type into a Borrowing or Borrowings of another Type and the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans as LIBOR Loans for an additional Interest Period on the last Business Day of the existing Interest Period, provided that (i) no partial conversion of LIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if a Default or Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans may not be continued as LIBOR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least three Business Days' prior written notice or written notice prior to 10:00 a.m. (New York City time) on the same Business Day in the case of a conversion into ABR Loans (or, in each case, telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) (each, a "Notice of Conversion or Continuation") specifying the Term Loans to be so converted or continued, the Type of Term Loans to be converted or continued into and, if such Term Loans are to be converted into or continued as LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Term Loans.

(b) If any Default or Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in paragraph (a) above, the Borrower shall be deemed to have elected to continue such Borrowing of LIBOR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.

2.7 *Pro Rata* Borrowings. Each Borrowing of Term Loans under this Agreement shall be granted by the Lenders *pro rata* on the basis of their then-applicable Term Loan Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other

Lender to fulfill its commitments hereunder and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation under any Credit Document.

2.8 Interest. (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable ABR Margin plus the ABR in effect from time to time.

(b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable LIBOR Margin in effect from time to time plus the relevant LIBOR Rate.

(c) If all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) at a rate *per annum* that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto plus 2% or (y) in the case of any overdue interest, to the extent permitted by applicable law, the rate described in Section 2.8(a) plus 2% from and including the date of such non-payment to but excluding the date on which such amount is paid in full (after as well as before judgment). Payment or acceptance of the increased rates of interest provided for in this Section 2.8 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last day of each March, June, September and December, (ii) in respect of each LIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, (iii) in respect of each Loan (except, other than in the case of prepayments, any ABR Loan), on any prepayment date (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance with Section 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans (in the case of the initial Interest Period applicable thereto) or prior to 10:00 a.m. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to a Borrowing of LIBOR Loans, the Borrower shall have the right to elect by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing no later than 1:00 p.m. (New York City time)) the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower be a one, two, three, six or if available to all the Lenders as determined by the Lenders in good faith based on prevailing market conditions, a nine or twelve month period.

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of LIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of LIBOR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day, provided that if any Interest Period would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day; and

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan if such Interest Period would extend beyond the applicable maturity date of such Loan.

2.10 Increased Costs, Illegality, etc(a) . (a) In the event that (x) in the case of clause (i) below, the Administrative Agent or (y) in the case of clauses (ii) and (iii) below, any Lender shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the LIBOR Rate for any Interest Period that (x) deposits in the principal amounts of the Loans comprising such LIBOR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBOR Rate; or

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans (other than any

such increase or reduction attributable to Taxes) because of (x) any change since the date hereof in any applicable law, governmental rule, regulation, guideline or order (or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, guideline or order), such as, for example, without limitation, a change in official reserve requirements, and/or (y) other circumstances affecting the interbank LIBOR market or the position of such Lender in such market; or

(iii) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lender in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the date hereof that materially and adversely affects the interbank LIBOR market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion given by the Borrower with respect to LIBOR Loans that have not yet been incurred shall be deemed rescinded by the Borrower (y) in the case of clause (ii) above, the Borrower shall pay to such Lender, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if the affected LIBOR Loan is then being made pursuant to a Borrowing, cancel said Borrowing by giving the Administrative Agent telephonic notice thereof on the same date that the Borrower was notified by a Lender pursuant to Section 2.10(a)(ii) or (iii) (confirmed promptly in writing no later than 10:00 a.m. (New York City time) on the next day) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Loan into an ABR Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the date hereof, the adoption of any applicable law, rule or regulation regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, the National Association of Insurance Commissioners, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by a Lender or its parent with any request or directive made or adopted after the date hereof regarding capital adequacy (whether or not having the force of law) of any such authority, association, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such adoption, effectiveness, change or compliance (taking into consideration such Lender's or its parent's policies with respect to capital adequacy), then from time to time, promptly after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or its parent for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any such law, rule or regulation as in effect on the date hereof. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) It is understood that to the extent duplicative of Section 5.4, this Section 2.10 shall not apply to Taxes.

2.11 Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 14.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loans is not made as a result of a withdrawn Notice of Borrowing, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as an LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii), 2.10(a)(iii), 2.10(b), or 5.4 with respect

to such Lender, it will, if requested by the Borrower use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, or 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11, or 5.4, as the case may be, for any such amounts incurred or accruing prior to the 181st day prior to the giving of such notice to the Borrower; provided that if the event giving rise to such additional cost, reduction in amounts, loss, tax or other additional amounts has a retroactive effect, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 3. Sponsor and Borrower Purchases.

3.1 Notice of Sponsor and Borrower Purchases. Sponsor may (i) from time to time seek to purchase in accordance with Section 14.6 Loans from Lenders pursuant to open market purchases, including, without limitation, pursuant to a Dutch auction, on terms to be agreed among the Sponsor and the Lenders participating in such open market purchases (each, a "Sponsor Purchase", and collectively, the "Sponsor Purchases"), in an aggregate amount for all such Sponsor Purchases by Sponsor Affiliated Lenders not to exceed 30% of the aggregate principal amount of the Loans outstanding at any time (the "Sponsor Purchase Cap Amount"), and (ii) at any time on or after the date of such Sponsor Purchase, contribute (the "Sponsor Contribution") the Loans acquired in such Sponsor Purchase to Holdings as a contribution to the equity of Holdings in return for additional Stock in Holdings and Holdings will then contribute (the "Holdings Contribution" and, together with the Sponsor Contribution, the "Contributions") the Loans acquired in such Sponsor Purchase to Borrower as a contribution to the equity of Borrower in return for additional Stock of Borrower. Additionally, the Borrower may from time to time seek to purchase in accordance with Section 14.6 Loans from Lenders pursuant to open market purchases, including, without limitation, pursuant to a Dutch auction, on terms to be agreed among the Borrower and the Lenders participating in such open market purchases (each, a "Borrower Purchase", and collectively, the "Borrower Purchases").

3.2 Cancellation of Loans. Notwithstanding any provision in this Agreement or the other Credit Documents, (a) if the Sponsor Purchases are contributed by any Sponsor Affiliated Lender as an equity contribution to Holdings and Borrower pursuant to and to the extent provided in the definition of "Contributions", then promptly following such Contributions, any Loans that are the subject of such Contributions shall be forgiven by Sponsor, Holdings and Borrower, as applicable, and shall be cancelled and no longer outstanding (and may not be resold by Borrower), for all purposes of this Agreement and all other Credit Documents, including, but not limited to (A) the making of, or the application of, any payments to the Lenders under this

Agreement or any other Credit Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Credit Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Credit Document; (b) immediately following the consummation of a Borrower Purchase, any Loans that are the subject of such Borrower Purchase shall be forgiven by Borrower and shall be cancelled and no longer outstanding (and may not be resold by Borrower), for all purposes of this Agreement and all other Credit Documents, including, but not limited to (A) the making of, or the application of, any payments to the Lenders under this Agreement or any other Credit Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Credit Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Credit Document; and (c) the parties hereto hereby agree that any Contribution or Borrower Purchase will not be a voluntary prepayment by Borrower for any purpose under this Agreement and the other Credit Documents, including, without limitation, the application of Section 5.3(a) and Section 14.8(a).

3.3 Acknowledgement. Each Lender acknowledges that (a) Affiliates of Borrower, including the Fund and/or entities controlled by the Fund that have complied with the definition of "Sponsor Affiliated Lender" may purchase Loans hereunder from Lenders from time to time on or after the Closing Date in an aggregate amount not to exceed the Sponsor Purchase Cap Amount, subject to the restrictions set forth in Section 14.6 and (b) other Affiliates of Borrower constituting Sponsor Affiliated Institutional Lenders may purchase Loans hereunder from Lenders from time to time on or after the Closing Date, subject to the restrictions set forth in Section 14.6 but not subject to the Sponsor Purchase Cap Amount or any other obligations described in the definition of "Sponsor Affiliated Lender."

Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be applied to Term Loans in such manner as the Borrower may determine. At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Term Loan of a Defaulting Lender.

5.2 Mandatory Prepayments. (a) Term Loan Prepayments. (i) After the Discharge of McJunkin Opco Term Obligations, on each occasion that a Prepayment Event occurs, the Borrower shall, within one Business Day after the occurrence of a Debt Incurrence Prepayment Event and within five Business Days after the occurrence of any other Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within five Business Days after the Reinvestment Period relating to such Prepayment Event or 180 days thereafter, as applicable), prepay, in accordance with paragraph (c) below, the principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds from such Prepayment Event. If the Stock or Stock Equivalents of any Restricted Subsidiary is sold or any Restricted Subsidiary is sold as a going concern on any date, the sale proceeds shall be allocated as follows: (x) that portion of the sale proceeds equal to the aggregate value of "Accounts" and "Cost" of "Inventory" (in each case, as defined in the McJunkin Opco Revolving Credit Agreement") shall be allocated to the Revolving Credit Collateral (as defined in the Intercreditor Agreement) of the Restricted Subsidiary so sold and shall be deemed to be proceeds thereof and (y) the balance of sale proceeds shall be allocated to the Collateral of the Restricted Subsidiaries so sold and shall be deemed to be proceeds thereof and applied pursuant to the foregoing sentence.

(ii) After the Discharge of McJunkin Opco Term Obligations, not later than the date that is ninety days after the last day of any fiscal year (commencing with and including the fiscal year ending December 31, 2007), the Borrower shall prepay, in accordance with paragraph (c) below, the principal of Term Loans in an amount equal to (x) 50% of Excess Cash Flow for such fiscal year, provided that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Borrower's ratio of Consolidated Total Debt on the date of prepayment (prior to giving effect thereto) to Consolidated EBITDA for the most recent Test Period ended prior to such prepayment date is no greater than 2.50 to 1.00 but greater than 2.00 to 1.00 and (B) no payment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Borrower's ratio of Consolidated Total Debt on the date of prepayment (prior to giving effect thereto) to Consolidated EBITDA for the most recent Test Period ended prior to such prepayment date is no greater than 2.00 to 1.00), minus (y) the principal amount of Term Loans voluntarily prepaid pursuant to Section 5.1 during such fiscal year.

(iii) On each occasion that a Qualified IPO occurs, the Borrower shall, within one Business Day after the occurrence thereof, prepay, in accordance with paragraph (c) below, the principal amount of Term Loans in an amount equal to 50% of the cash proceeds received

from such Qualified IPO, net of underwriting discounts and commissions and other reasonable costs and expenses associated therewith, including reasonable legal fees and expenses.

(b) Compliance with McJunkin Opco Term Loan Credit Agreement. Notwithstanding anything to the contrary, (A) no prepayments of Loans shall be required or permitted pursuant to Section 5.2(a)(i) or (ii) if dividends (as defined in the McJunkin Opco Credit Agreements) are not permitted to be made by McJunkin Opco pursuant to the McJunkin Opco Credit Agreements and (B) the amount of Net Cash Proceeds required to be applied toward prepayment of Loans pursuant to Section 5.2(a)(i) or (ii) shall be reduced on a dollar for dollar basis by amounts actually applied toward prepayment of McJunkin Opco Term Loans pursuant to Section 5.2(a)(i) or (ii) of the McJunkin Opco Term Loan Credit Agreement, as applicable.

(c) Application to Repayment Amounts. With respect to each prepayment of Term Loans required by Section 5.2(a), the Borrower will, not later than the date specified in Section 5.2(a) for making such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing no later than 1:00 p.m. (New York City time)) requesting that the Administrative Agent provide notice of such prepayment to the applicable Term Loan Lenders.

(d) Application to Term Loans. With respect to prepayment of Term Loans required by Section 5.2(a), the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(e) LIBOR Interest Periods. In lieu of making any payment pursuant to this Section 5.2 in respect of any LIBOR Loan other than on the last day of the Interest Period therefor so long as no Event of Default shall have occurred and be continuing, the Borrower at its option may deposit with the Administrative Agent an amount equal to the amount of the LIBOR Loan to be prepaid and such LIBOR Loan shall be repaid on the last day of the Interest Period therefor in the required amount. Such deposit shall be held by the Administrative Agent in a corporate time deposit account established on terms reasonably satisfactory to the Administrative Agent, earning interest at the then-customary rate for accounts of such type. Such deposit shall constitute cash collateral for the Obligations, provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 5.2.

(f) Minimum Amount. No prepayment shall be required pursuant to Section 5.2(a)(i) unless and until the amount at any time of Net Cash Proceeds from Prepayment Events required to be applied at or prior to such time pursuant to such Section and not yet applied at or prior to such time to prepay Term Loans pursuant to such Section exceeds (i) $5,000,000 for a single Prepayment Event or (ii) $10,000,000 in the aggregate for all such Prepayment Events (it being understood that (x) Net Cash Proceeds from Prepayment Events not applied toward prepayment of McJunkin Opco Term Loans pursuant to Section 5.2(a)(i) of the McJunkin Opco Term Loan Credit Agreement as a result of the operation of Section 5.2(f) of the McJunkin Opco Term Loan

Credit Agreement shall reduce the $10,000,000 basket in this clause (ii) on a dollar for dollar basis) and (y) only the portion of Net Cash Proceeds in excess of the $10,000,000 basket in this clause (ii) (as may be reduced pursuant to the preceding clause (x)) shall be required to prepay the Term Loans.

(g) Foreign Asset Sales. Notwithstanding any other provisions of this Section 5.2, (i) to the extent that any of or all the Net Cash Proceeds of a Casualty Event or any asset sale by a Restricted Foreign Subsidiary giving rise to an Asset Sale Prepayment Event (a "Foreign Asset Sale") or Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.2 but may be retained by the applicable Restricted Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Restricted Foreign Subsidiary to promptly take all actions required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 5.2 and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Asset Sale or Excess Cash Flow would have an adverse tax or accounting consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Restricted Foreign Subsidiary, provided that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds or Excess Cash Flow so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 5.2(a), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Restricted Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Restricted Foreign Subsidiary.

(h) Optional Waiver of Mandatory Prepayments. Notwithstanding the foregoing provisions of this Section 5.2, the Lenders shall have the right to waive by written notice to Borrower and the Administrative Agent on or before the date on which such mandatory prepayment would otherwise be required to be made hereunder the right to receive the amount of such mandatory prepayment of the Loans. If any Lender elects to waive the right to receive the amount of such mandatory prepayment, all of the amount that otherwise would have been applied to mandatorily prepay such Loans of such Lender shall be retained by Borrower for use at its discretion.

5.3 Method and Place of Payment . (a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of

the Lenders entitled thereto, not later than 12:00 Noon (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of Loans (whether of principal, interest or otherwise) hereunder shall be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. (New York City time) on such day) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than 2:00 p.m. (New York City time) shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments. (a) Any and all payments made by or on behalf of the Borrower under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any Indemnified Taxes; provided that if the Borrower shall be required by law to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions or withholdings applicable to additional sums payable under this Section 5.4) the Administrative Agent, the Collateral Agent, or any Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the Borrower shall make such deductions or withholdings and (iii) the Borrower shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. Whenever any Indemnified Taxes are payable by the Borrower, as promptly as possible thereafter, the Borrower shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt (or other evidence acceptable to such Lender, acting reasonably) received by the Borrower showing payment thereof.

(b) The Borrower shall pay and shall indemnify and hold harmless the Administrative Agent, the Collateral Agent, and each Lender with regard to any Other Taxes (whether or not such Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority).

(c) The Borrower shall indemnify and hold harmless the Administrative Agent, the Collateral Agent, and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on, or paid by, the Administrative Agent, the Collateral Agent, or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of Borrower under this Agreement or under any other Credit

Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent or the Collateral Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Each Non-U.S. Lender making or acquiring a Loan to the Borrower shall:

(i) deliver to the Borrower and the Administrative Agent two copies of either (x) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN (together with a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Code)), (y) Internal Revenue Service Form W-8BEN or Form W-8ECI, or (z) Internal Revenue Service Form W-8IMY (together with the forms and certificates described in clauses (x) and (y), as appropriate), in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax on payments by the Borrower under this Agreement; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower;

unless in any such case any Change in Law or other event has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Lender from duly completing and delivering any such form with respect to it and such Lender so advises the Borrower and the Administrative Agent. Each Person that shall become a Participant pursuant to Section 14.6 or a Lender pursuant to Section 14.6 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 5.4(d), provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased.

(e) Each Lender that is entitled to an exemption from or reduction of non-U.S. withholding tax under the laws of the jurisdiction in which the Borrower is organized, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement or any other Credit Document by Borrower shall deliver to Borrower (with a copy to the Administrative Agent), as applicable, at the time or times prescribed by applicable law and reasonably requested by Borrower such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without such withholding or at such reduced rate, provided that such Lender is legally entitled to complete, execute and deliver such documentation, such documentation is necessary in order for such

exemption or reduction to apply and in such Lender's reasonable judgment the completion, execution or submission would not materially prejudice the legal position of the Lender. In addition, each Lender shall deliver such other documentation prescribed by applicable law and reasonably requested by the Borrower or the Administrative Agent (including an IRS Form W-8 or W-9) as will enable the Borrower or the Administrative Agent to determine whether such Lender is subject to United States backup withholding or information reporting requirements.

(f) If the Borrower determines in good faith that a reasonable basis exists for contesting any taxes for which indemnification has been demanded hereunder, the relevant Lender, the Administrative Agent or the Collateral Agent, as applicable, shall cooperate with the Borrower in a reasonable challenge of such taxes at the Borrower's expense if so requested by the Borrower. If any Lender, the Administrative Agent or the Collateral Agent, as applicable, receives a refund of a tax for which a payment has been made by the Borrower pursuant to this Agreement, which refund in the good faith judgment of such Lender, the Administrative Agent or the Collateral Agent, as the case may be, is attributable to such payment made by the Borrower, then the Lender, the Administrative Agent or the Collateral Agent, as the case may be, shall reimburse the Borrower for such amount (together with any interest received thereon) as the Lender, Administrative Agent or the Collateral Agent, as the case may be, determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any taxes imposed on the refund) than it would have been in if the payment had not been required. A Lender, the Administrative Agent or the Collateral Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. The Borrower, upon the request of the Lender, the Administrative Agent or the Collateral Agent, as applicable, agrees to repay the amount paid over to the Borrower to the Lender, the Administrative Agent or the Collateral Agent, as applicable, in the event the Lender, the Administrative Agent or the Collateral Agent, as applicable, is required to repay the refund to the Governmental Authority. Neither the Lender, the Administrative Agent nor the Collateral Agent shall be obliged to disclose any information regarding its tax affairs or computations to the Borrower in connection with this paragraph (f) or any other provision of this Section 5.4.

(g) The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

5.5 Computations of Interest and Fees. (a) Interest on LIBOR Loans and, except as provided in the next succeeding sentence, ABR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans in respect of which the rate of interest is calculated on the basis of the Prime Rate and interest on overdue interest shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

5.6 Limit on Rate of Interest.

(a) No Payment shall exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if any Payment exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

SECTION 6. Conditions Precedent to Initial Borrowing

The initial Borrowing under this Agreement is subject to the satisfaction of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent.

6.1 Credit Documents. The Administrative Agent shall have received:

6.7 Fees. The Co-Lead Arrangers and the Collateral Agent shall have received the fees to be received on the Closing Date set forth in the Engagement Letter and all expenses required to be paid by the Borrower pursuant to the Engagement Letter (including the reasonable fees, disbursements and other charges of counsel) for which invoices have been presented prior to the Closing Date shall have been paid.

6.8 Representations and Warranties. On the Closing Date, the representations and warranties made by the Borrower contained herein or in the other Credit Documents shall be true and correct in all material respects.

6.9 Solvency Certificate. On the Closing Date, Administrative Agent shall have received a certificate from an Authorized Officer of the Borrower, with appropriate attachments and demonstrating that after giving effect to the consummation of the Dividend Transactions, the Borrower on a consolidated basis with its Subsidiaries is Solvent.

SECTION 7. [Intentionally Omitted.]

SECTION 8. Representations, Warranties and Agreements

In order to induce the Lenders to enter into this Agreement, to make the Loans as provided for herein, the Borrower (with respect to itself and its Subsidiaries) makes the following representations and warranties to, and agreements with, the Lenders, all of which shall survive the execution and delivery of this Agreement and the making of the Loans:

8.1 Corporate Status. The Borrower and each Material Subsidiary (a) is a duly organized and validly existing corporation or other entity in good standing under the laws of the jurisdiction of its organization and has the corporate or other organizational power and authority to own its property and assets and to transact the business in which it is engaged and (b) has duly qualified and is authorized to do business and is in good standing in all jurisdictions where it is required to be so qualified, except where the failure to be so qualified could not reasonably be expected to result in a Material Adverse Effect.

8.2 Corporate Power and Authority. Borrower has the corporate or other organizational power and authority to execute, deliver and carry out the terms and provisions of the Credit Documents and has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Credit Documents. Borrower has duly executed and delivered each Credit Document and each such Credit Document constitutes the legal, valid and binding obligation of Borrower enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity. Borrower is in compliance with all laws, orders, writs and injunctions except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

8.3 No Violation. Neither the execution, delivery or performance by Borrower of the Credit Documents nor compliance with the terms and provisions thereof nor the consummation of the other transactions contemplated hereby or thereby will (a) contravene any applicable provision of any material law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of

(or the obligation to create or impose) any Lien upon any of the property or assets of Borrower or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents) pursuant to, the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which Borrower or any of the Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or (c) violate any provision of the certificate of incorporation, by-laws or other constitutional documents of Borrower or any of the Restricted Subsidiaries.

8.4 Litigation. There are no actions, suits or proceedings (including Environmental Claims) pending or, to the knowledge of the Borrower, threatened with respect to the Borrower or any of its Subsidiaries that could reasonably be expected to result in a Material Adverse Effect or a Material Adverse Change.

8.5 Margin Regulations. Neither Borrower nor any of its Subsidiaries is engaged principally, as one or more of its important activities, in the business of extending credit for the purpose of purchasing any "margin stock" as defined in Regulation U. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, U or X of the Board.

8.6 Governmental Approvals. The execution, delivery and performance of any Credit Document does not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents and (iii) such licenses, approvals, authorizations or consents the failure to obtain or make could not reasonably be expected to have a Material Adverse Effect.

8.7 Investment Company Act. The Borrower is not an "investment company", or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended.

8.8 True and Complete Disclosure. (a) None of the factual information and data (taken as a whole) heretofore or contemporaneously furnished by or on behalf of the Borrower, any of the Subsidiaries or any of their respective authorized representatives in writing to the Administrative Agent and/or any Lender on or before the Closing Date (including (i) the Confidential Information Memorandum and (ii) all information contained in the Credit Documents) for purposes of or in connection with this Agreement or any transaction contemplated herein contained any untrue statement or omitted to state any material fact necessary to make such information and data (taken as a whole) not misleading at such time in light of the circumstances under which such information or data was furnished, it being understood and agreed that for purposes of this Section 8.8(a), such factual information and data shall not include projections and pro forma financial information.

(b) The projections and pro forma financial information contained in the information and data referred to in paragraph (a) above were based on good faith estimates and assumptions believed by such Persons to be reasonable at the time made, it being recognized by the Lenders that such projections as to future events are not to be viewed as

facts and that actual results during the period or periods covered by any such projections may differ from the projected results.

8.9 Financial Condition; Financial Statements. The financial statements referred to in clause (b) of this Section 8.9 have been prepared in accordance with GAAP, consistently applied (except to the extent provided in the notes to said financial statements), and the audit reports accompanying such financial statements are not subject to any qualification as to the scope of the audit or the status of McJunkin Opco as a going concern. There has been no Material Adverse Change since December 31, 2007.

8.10 Tax Returns and Payments. The Borrower and each of the Subsidiaries has filed all federal income tax returns and all other material tax returns, domestic and foreign, required to be filed by it and has paid all income and other material Taxes payable by it that have become due, other than those (a) not yet delinquent or (b) contested in good faith as to which adequate reserves have been provided in accordance with GAAP and which could not reasonably be expected to result in a Material Adverse Effect. The Borrower and each of the Subsidiaries have paid, or have provided adequate reserves (in the good faith judgment of the management of the Borrower) in accordance with GAAP for the payment of, all material federal, state, provincial and foreign income taxes applicable for all prior fiscal years and for the current fiscal year to the Closing Date.

(a) Each Plan is in compliance with ERISA, the Code and any applicable Requirement of Law; no Reportable Event has occurred (or is reasonably likely to occur) with respect to any Plan; no Plan is insolvent or in reorganization (or is reasonably likely to be insolvent or in reorganization), and no written notice of any such insolvency or reorganization has been given to the Borrower, any Subsidiary or any ERISA Affiliate; no Plan (other than a multiemployer plan) has an accumulated or waived funding deficiency (or is reasonably likely to have such a deficiency); none of the Borrower, any Subsidiary or any ERISA Affiliate has incurred (or is reasonably likely expected to incur) any liability to or on account of a Plan pursuant to Section 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201 or 4204 of ERISA or Section 4971 or 4975 of the Code or has been notified in writing that it will incur any liability under any of the foregoing Sections with respect to any Plan; no proceedings have been instituted (or are reasonably likely to be instituted) to terminate or to reorganize any Plan or to appoint a trustee to administer any Plan, and no written notice of any such proceedings has been given to the Borrower, any Subsidiary or any ERISA Affiliate; and no lien imposed under the Code or ERISA on the assets of the Borrower or any Subsidiary or any ERISA Affiliate exists (or is reasonably likely to exist) nor has the Borrower, any Subsidiary or any ERISA Affiliate been notified in writing that such a lien will be imposed on the assets of the Borrower, any Subsidiary or any ERISA Affiliate on account of any Plan, except to the extent that a breach of any of the representations, warranties or agreements in this Section 8.11 would not result, individually or in the aggregate, in an amount of liability that would be reasonably likely to have a Material Adverse Effect. No

Plan (other than a multiemployer plan) has an Unfunded Current Liability that would, individually or when taken together with any other liabilities referenced in this Section 8.11, be reasonably likely to have a Material Adverse Effect. (b) All Foreign Plans are in compliance with, and have been established, administered and operated in accordance with, the terms of such Foreign Plans and applicable law, except for any failure to so comply, establish, administer or operate the Foreign Plans as would not reasonably be expected to have a Material Adverse Effect. All contributions or other payments which are due with respect to each Foreign Plan have been made in full and there are no funding deficiencies thereunder, except to the extent any such events would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

8.12 Subsidiaries. Schedule 8.12 lists each Subsidiary of the Borrower (and the direct and indirect ownership interest of the Borrower therein), in each case existing on the Closing Date. To the knowledge of the Borrower, after due inquiry, each Material Subsidiary as of the Closing Date has been so designated on Schedule 8.12.

8.13 Intellectual Property. The Borrower and each of the Restricted Subsidiaries have obtained all intellectual property, free from burdensome restrictions, that are necessary for the operation of their respective businesses as currently conducted and as proposed to be conducted, except where the failure to obtain any such rights could not reasonably be expected to have a Material Adverse Effect.

8.15 Properties. The Borrower and each of the Subsidiaries have good and marketable title to or leasehold interest in all properties that are necessary for the operation of their respective businesses as currently conducted and as proposed to be conducted, free and clear of all Liens (other than any Liens permitted by this Agreement or the McJunkin Opco Revolving Credit Agreement) and except where the failure to have such good title could not reasonably be expected to have a Material Adverse Effect.

Notwithstanding the foregoing, the obligations in paragraphs (a) and (b) of this Section 9.1 may be satisfied with respect to financial information of McJunkin Opco and the Restricted Subsidiaries by furnishing (A) the applicable financial statements of any direct or indirect parent of McJunkin Opco or (B) the Borrower's (or any direct or indirect parent thereof's), as applicable, Form 10-K or 10-Q, as applicable, filed with the SEC; provided that, with respect to each of clauses (A) and (B) above, to the extent such information relates to a parent of the Borrower, such information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to McJunkin Opco and the Restricted Subsidiaries on a standalone basis, on the other hand.

The Administrative Agent and the Required Lenders shall give the Borrower the opportunity to participate in any discussions with the Borrower's independent public accountants.

9.3 Maintenance of Insurance. The Borrower will, and will cause each of the Material Subsidiaries to, at all times maintain in full force and effect, with insurance companies that the Borrower believes (in the good faith judgment of the management of the Borrower) are financially sound and responsible at the time the relevant coverage is placed or renewed, insurance in at least such amounts (after giving effect to any self-insurance which the Borrower believes (in the good faith judgment of management of the Borrower) is reasonable and prudent in light of the size and nature of its business) and against at least such risks (and with such risk retentions) as the Borrower believes (in the good faith judgment of management of the Borrower) is reasonable and prudent in light of the size and nature of its business; and will furnish to the Administrative Agent (for deliver to the Lenders), upon written request from the Administrative Agent, information presented in reasonable detail as to the insurance so carried. maintained adequate reserves (in the good faith judgment of the management of the Borrower) with respect thereto in accordance with GAAP and the failure to pay could not reasonably be expected to result in a Material Adverse Effect.

9.5 Consolidated Corporate Franchises. The Borrower will do, and will cause each Material Subsidiary to do, or cause to be done, all things necessary to preserve and keep in full force and effect its existence, corporate rights and authority, except to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect; provided, however, that the Borrower and its Subsidiaries may consummate any transaction permitted under Sections 10.3, 10.4 or 10.5 of the McJunkin Opco Credit Agreements.

9.6 Compliance with Statutes, Regulations, etc. The Borrower will, and will cause each Subsidiary to, comply with all applicable laws, rules, regulations and orders applicable to it or its property, including all governmental approvals or authorizations required to conduct its business, and to maintain all such governmental approvals or authorizations in full force and effect, in each case except where the failure to do so, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

9.9 Transactions with Affiliates. The Borrower will conduct, and cause each of the Restricted Subsidiaries to conduct, all transactions with any of its Affiliates (other than the Borrower or the Restricted Subsidiaries) on terms that are substantially as favorable to the Borrower or such Restricted Subsidiary as it would obtain in a comparable arm's-length transaction with a Person that is not an Affiliate, provided that the foregoing restrictions shall not apply to (a) the payment of customary fees to the Sponsor for management, consulting and financial services rendered to the Borrower and the Subsidiaries and customary investment banking fees paid to the Sponsor for services rendered to the Borrower and the Subsidiaries in connection with divestitures, acquisitions, financings and other transactions, (b) transactions permitted by Section 10.6 of the McJunkin Opco Credit Agreements or Section 10.4 hereof, (c) Dividend Transaction Expenses, (d) the issuance of Stock or Stock Equivalents of the Borrower pursuant to arrangements described in clause (f) of this Section 9.9, (e) loans and other transactions by the Borrower and the Restricted Subsidiaries to the extent permitted under Section 10 of the McJunkin Opco Credit Agreements and Section 10.4 hereof, (f) employment and severance arrangements between the Borrower and the Restricted Subsidiaries and their respective officers and employees in the ordinary course of business, (g) payments by the Borrower (and any direct or indirect parent thereof) and the Restricted Subsidiaries pursuant to the tax sharing agreements among the Borrower (and any such parent) and the Restricted Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Borrower and the Restricted Subsidiaries, (h) the payment of customary fees and reasonable out of pocket costs to, and indemnities provided on behalf of, directors, managers, consultants, officers and employees of the Borrower and the Restricted Subsidiaries in the ordinary course of business to the extent attributable to the ownership or operation of the Borrower and the Restricted Subsidiaries, (i) transactions pursuant to permitted agreements in existence on the Closing Date and set forth on Schedule 9.9 or any amendment thereto to the extent such an amendment is not adverse, taken as a whole, to the Lenders in any material respect, and (j) customary payments by the Borrower and any Restricted Subsidiaries to the Sponsor made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions or divestitures), which payments are approved by the majority of the members of the board of directors or a majority of the disinterested members of the board of directors of the Borrower (or any direct or indirect parent thereof), in good faith.

(b) The Borrower agrees that it will, or will cause its relevant Subsidiaries to, complete each of the actions described on Schedule 9.17(b) as soon as commercially reasonable and by no later than the date set forth in Schedule 9.17(b) with respect to such action or such later date as the Administrative Agent may reasonably agree.

11.6 ERISA. (a) Any Plan shall fail to satisfy the minimum funding standard required for any plan year or part thereof or a waiver of such standard or extension of any amortization period is sought or granted under Section 412 of the Code; any Plan is or shall have been terminated or is the subject of termination proceedings under ERISA (including the giving of written notice thereof); an event shall have occurred or a condition shall exist in either case entitling the PBGC to terminate any Plan or to appoint a trustee to administer any Plan (including the giving of written notice thereof); any Plan shall have an accumulated funding deficiency (whether or not waived); the Borrower or any Subsidiary or any ERISA Affiliate has incurred or is likely to incur a liability to or on account of a Plan under Section 409,

11.7 [Intentionally Omitted].

11.8 Pledge Agreement. The Pledge Agreement or any material provision thereof shall cease to be in full force or effect (other than pursuant to the terms hereof or thereof or as a result of acts or omissions of the Collateral Agent or any Lender) or Borrower shall deny or disaffirm in writing its obligations under the Pledge Agreement; or

11.12 Change of Control. A Change of Control shall occur;

then, (1) upon the occurrence of any Event of Default described in Section 11.5, automatically, and (2) upon the occurrence of any other Event of Default, at the request of (or with the consent of) Required Lenders, upon notice to the Borrower by Administrative Agent, (A) each of the following shall immediately become due and payable, in each case without presentment, demand, protest or other requirements of any kind, all of which are hereby expressly waived by Borrower: (I) the unpaid principal amount of and accrued interest on the Loans, and (II) all other Obligations; (B) Administrative Agent may cause Collateral Agent to enforce any and all Liens and security interests created pursuant to Security Documents.

SECTION 12. Investors' Right to Cure. Notwithstanding anything to the contrary contained in Section 11.3(a), in the event that the Borrower fails to comply with the requirement of the covenant set forth in Section 10.1, until the expiration of the tenth day after the date on which Section 9.1 Financials with respect to the Test Period in which the covenant set forth in such Section is being measured are required to be delivered pursuant to Section 9.1, any of the Investors shall have the right to make a direct or indirect equity investment in the Borrower or any Restricted Subsidiary in cash (the "Cure Right"), and upon the receipt by such Person of net cash proceeds pursuant to the exercise of the Cure Right (including through the capital contribution of any such Net Cash proceeds to such person, the "Cure Amount"), the

covenant set forth in such Section shall be recalculated, giving effect to a pro forma increase to Consolidated EBITDA for such Test Period in an amount equal to such net cash proceeds; provided that such pro forma adjustment to Consolidated EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the covenant set forth in such Section with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Credit Document.

If, after the exercise of the Cure Right and the recalculations pursuant to the preceding paragraph, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 10.1 during such Test Period (including for purposes of Section 7.1), the Borrower shall be deemed to have satisfied the requirements of such covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 11.3 that had occurred shall be deemed cured; provided that (i) in each Test Period there shall be at least one fiscal quarter in which no Cure Right is exercised and (ii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in compliance with the covenant set forth in Section 10.1.

In the event that any of the Investors elect to exercise a Cure Right (as defined in the McJunkin Opco Term Loan Credit Agreement) (such Cure Right, a "McJunkin Opco Cure Right") pursuant to the McJunkin Opco Term Loan Credit Agreement and the Borrower is in compliance with the requirement of covenant set forth in Section 10.1 without giving effect to the Cure Amount (as defined in the McJunkin Opco Term Loan Credit Agreement) (such Cure Amount, the "McJunkin Opco Cure Amount") of such McJunkin Opco Cure Right, then the exercise of such McJunkin Opco Cure Right shall not be deemed an exercise of a Cure Right under this Agreement.

In the event that any of the Investors elect to exercise both a Cure Right pursuant to this Section 12.1 and a McJunkin Cure Right pursuant to the McJunkin Opco Term Loan Credit Agreement, then the McJunkin Cure Amount of such McJunkin Cure Right shall be deemed to be the Cure Amount of such Cure Right and such deemed Cure Amount shall not breach clause (ii) of the proviso in the second paragraph of this Section 12.

SECTION 13. The Administrative Agent

13.1 Appointment. (a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. The

provisions of this Section 13 are solely for the benefit of the Agents, any sub-agent and the Lenders and Borrower shall not have any rights as a third party beneficiary of any of the provisions hereof. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower or any of its Subsidiaries.

(b) The Administrative Agent and each Lender hereby irrevocably designate and appoint the Collateral Agent as its agent under this Agreement and the other Credit Documents, and the Administrative Agent and each Lender irrevocably authorize the Collateral Agent, in such capacity, (i) to take such action on their behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto and (ii) to enter into any and all of the Security Documents (including, for the avoidance of doubt, the Intercreditor Agreement) together with such other documents as shall be necessary to give effect to (x) the ranking and priority of Indebtedness contemplated by the Intercreditor Agreement and (y) the Collateral contemplated by the other Security Documents, on its behalf. For the avoidance of doubt, each Lender agrees to be bound by the terms of the Intercreditor Agreement to the same extent as if it were a party thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with the Administrative Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

(c) The Syndication Agent, in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 13.

13.2 Delegation of Duties. Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 13.2 and of Section 13.7 shall apply to any of the Affiliates of Administrative Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent**.** All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 13 and Section 14.5 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by the Administrative Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to

indemnification) directly, without the consent or joinder of any other Person, against any or all of the Borrower and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to Administrative Agent and not to Borrower, Lender or any other Person and neither Borrower nor any Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent**.**

13.3 General Immunity. (a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Credit Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of Borrower, or for the financial condition or business affairs of Borrower, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Credit Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to make any disclosures with respect to the foregoing other than to the extent required under this Agreement. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amount thereof.

(b) Exculpatory Provisions. No Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by any Agent under or in connection with any of the Credit Documents except to the extent caused by such Agent's gross negligence or willful misconduct. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Credit Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Required Lenders (or such other Lenders as may be required to give such instructions under Section 14.1) and, upon receipt of such instructions from Required Lenders (or such other Lenders, as the case may be), such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Borrower and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Credit Documents in accordance with the instructions of Required Lenders (or such other Lenders as may be required to give such instructions under Section 14.1)

13.4 Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice,

consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

13.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless it has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable).

13.6 Non-Reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender. Each Lender represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make

such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower that may come into the possession of the Administrative Agent or the Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliate.

13.7 Indemnification. The Lenders agree to indemnify the Administrative Agent and the Collateral Agent and any sub-agent thereof, each in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs (including legal fees and costs), expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent or the Collateral Agent or such sub-agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent or such sub-agent under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or the Collateral Agent's or such sub-agent's gross negligence or willful misconduct. The agreements in this Section 13.7 shall survive the payment of the Loans and all other amounts payable hereunder.

13.8 Agents in their Individual Capacity. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent or any sub-agent thereof in its individual capacity as a Lender hereunder. With respect to its participation in the Loans and the Letters of Credit, each Agent and any sub-agent thereof shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include each Agent or any sub-agent thereof in its individual capacity. Any Agent or any sub-agent thereof and its respective Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with Borrower or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Borrower for services in connection herewith and otherwise without having to account for the same to Lenders.

13.9 Successor Agents. The Administrative Agent may resign as Administrative Agent and the Collateral Agent may resign as Collateral Agent upon 20 days' prior written notice to the

Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent or the Collateral Agent shall resign as Collateral Agent under this Agreement and the other Credit Documents, then the Required Lenders shall appoint from among the Lenders a successor Administrative Agent or successor Collateral Agent, as applicable, which successor agent in each case, shall be approved by the Borrower (which approval shall not be unreasonably withheld) so long as no Default or Event of Default is continuing, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent or the Collateral Agent, as the case may be, and the term "Administrative Agent" or "Collateral Agent", as the case may be, shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's or Collateral Agent's rights, powers and duties as Administrative Agent or Collateral Agent, as the case may be, shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or Collateral Agent, as the case may be, or any of the parties to this Agreement or any holders of the Loans. After any retiring Administrative Agent's or Collateral Agent's resignation as Administrative Agent or Collateral Agent, as the case may be, the provisions of this Section 13 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or Collateral Agent under this Agreement and the other Credit Documents.

13.10 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

13.11 REPORTS AND FINANCIAL STATEMENTS; DISCLAIMER BY LENDERS. By signing this Agreement, each Lender:

(a) is deemed to have requested that the Agents furnish such Lender, promptly after it becomes available, (i) a copy of all financial statements to be delivered by the Borrower hereunder, (ii) a copy of any notice of Default or Event of Default received by such Agent and (iii) a copy of each Report;

(b) expressly agrees and acknowledges that no Agent (i) makes any representation or warranty as to the accuracy of any Report, or (ii) shall be liable for any information contained in any Report;

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agent or other party performing any audit or examination will inspect only specific information regarding the Borrower and will rely significantly upon the Borrower's books and records, as well as on representations of the Borrower's personnel;

(d) agrees to keep all Reports confidential in accordance with Section 14.16; and

without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agents and any such other Person or Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Agents and any such other Person or Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable costs of counsel) incurred by the Agents and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

SECTION 14. Miscellaneous

14.1 Amendments and Waivers. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 14.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time, (a) enter into with Borrower written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Borrower hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall directly (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate (it being understood that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the "default rate" or amend Section 2.8(c)), or forgive or reduce any portion, or extend the date for the payment, of any interest or fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Lender's Commitment, or increase the aggregate amount of the Commitments of any Lender, or amend or modify any provisions of Section 5.3(a) (with respect to the ratable allocation of any payments only), 2.4 (with respect to the ratable disbursement of funds), 3 and 14.8(a), in each case without the written consent of each Lender directly and adversely affected thereby, or (ii) amend, modify or waive any provision of this Section 14.1 or

reduce the percentages specified in the definitions of the term "Required Lenders" or consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party, in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 13 without the written consent of the then-current Administrative Agent, or, (iv) release all or substantially all of the Collateral under the Security Agreement or the Pledge Agreement without the prior written consent of each Lender, or (v) amend Section 2.9 so as to permit Interest Period intervals greater than six months without regard to availability to Lenders, without the written consent of each Lender directly and adversely affected thereby; or (vi) amend, modify or waive any provisions hereof relating to the Administrative Agent in a manner that directly and adversely affects it rights and obligations hereunder without the written consent of the Administrative Agent; or (x) amend, modify or waive any provisions hereof relating to the Collateral Agent in a manner that directly and adversely affects it rights and obligations hereunder without the written consent of the Collateral Agent. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Term Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans ("Refinanced Term Loans") with a replacement term loan tranche ("Replacement Term Loans") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such

Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans) and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Term Loans in effect immediately prior to such refinancing.

14.2 Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 14.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower or the Administrative Agent.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three (3) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant to Sections 2.3, 2.6, 2.9, and 5.1 shall not be effective until received.

14.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

14.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

14.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Latham & Watkins LLP, one local counsel in each relevant local jurisdiction and such additional counsel to the extent consented to by the Borrower, (b) to pay or reimburse each Lender, and Agent for all its reasonable and documented costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, Collateral Agent and the other Agents (unless there is an actual or perceived conflict of interest in which case each such Person may retain its own counsel), (c) to pay, indemnify, and hold harmless each Lender, and Agent from, any and all recording and filing fees and (d) to pay, indemnify, and hold harmless each Lender, and Agent and their respective directors, officers, employees, trustees, investment advisors and agents from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including reasonable and documented fees, disbursements and other charges of one primary counsel and one local counsel in each relevant jurisdiction to such indemnified Persons (unless there is an actual or perceived conflict of interest or the availability of different claims or defenses in which case each such Person may retain its own counsel), related to the Dividend Transactions or with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents, including, without limitation, any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law or to any actual or alleged presence, release or threatened release of Hazardous Materials or any other Environmental Claims involving or attributable to the operations of the Borrower, any of its Subsidiaries or any of the Real Estate (all the foregoing in this clause (d), collectively, the "indemnified liabilities"), provided that the Borrower shall have no obligation hereunder to the Administrative Agent or any Lender nor any of their Related Parties with respect to indemnified liabilities to the extent attributable to the bad faith, gross negligence or willful misconduct of, or material breach of the Credit Documents by, the party to be indemnified or any of its Related Parties. All amounts payable under this Section 14.5 shall be paid within ten (10) Business Days of receipt by the Borrower of an invoice relating thereto setting forth such expense in reasonable detail. No Person indemnified under this Section 14.5 shall be liable for any special, indirect, consequential or punitive damages relating to this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith. The agreements in this Section 14.5 shall survive repayment of the Loans and all other amounts payable hereunder

14.6 Successors and Assigns; Participations and Assignments(a) . (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower or without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 14.6. Nothing in this

Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 14.6), pledges to the extent provided in paragraph (d) of this Section 14.6 and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (which consent shall not be unreasonably withheld or delayed; provided that it being understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority), provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (unless increased costs would result therefrom at any time when no Event of Default under Section 11.1 or Section 11.5 is continuing) or, if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing, any other assignee;

(B) the Administrative Agent (which consent shall not be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender, or an Approved Fund, or, in the case of assignments in connection with the initial syndication of Commitments and Loans only, the Co-Lead Arrangers.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, or assignments in connection with the initial syndication of Commitments and Loans (in amounts, and to such Persons, as previously agreed between the Borrower and the Co-Lead Arrangers), the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, and increments of $1,000,000 in excess thereof, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed), provided that no such consent of the Borrower shall be required if an Event of Default

under Section 11.1 or Section 11.5 has occurred and is continuing; provided, further, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds or by a single assignor made to Affiliates or related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500, provided that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "Administrative Questionnaire");

(E) neither Sponsor nor any Affiliate of Borrower or Sponsor other than any Sponsor Affiliated Lender or Sponsor Affiliated Institutional Lender may be a permitted assignee (and Administrative Agent shall not consent to any such other Person); and

(F) the Assignment and Acceptance with respect to each assignment involving a Sponsor Affiliated Lender or a Sponsor Affiliated Institutional Lender shall include the provisions described in the definitions thereof; and

(G) the Assignment and Acceptance with respect to each Borrower Purchase and each Sponsor Purchase shall include a representation that Borrower or Sponsor Affiliated Lender shall comply with the provisions of Section 3 hereof.

For the purpose of this Section 14.6(b), the term "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 14.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning

Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 5.4 and 14.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 14.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 14.6.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Lender (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 14.6, and any written consent to such assignment required by paragraph (b) of this Section 14.6, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it), provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document, provided that such agreement or instrument may provide

that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 14.1 under subsections (i) and (iv) that affects such Participant. Subject to paragraph (c)(ii) of this Section 14.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the requirements of those Sections) and had acquired its interest by assignment pursuant to paragraph (b) of this Section 14.6. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 14.8(b) as though it were a Lender, provided such Participant agrees to be subject to Section 14.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 14.6 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit L evidencing the Term Loans, respectively, owing to such Lender.

(e) Subject to Section 14.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

14.7 Replacements of Lenders under Certain Circumstances(a) . (a) The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken or (c) becomes a Defaulting Lender, with a replacement bank or other financial institution, provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts (other than any disputed amounts), pursuant to Section 2.10, 2.11 or 5.4, as

the case may be) owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 14.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein) and (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 14.1 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then provided no Event of Default then exists, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent, provided that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and (c) the replacement Lender shall grant such consent. In connection with any such assignment, the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 14.6; provided, that the Borrower or replacement Lender shall be obligated to pay the registration and processing fee referred to therein.

14.8 Adjustments; Set-off(a) . (a) If any Lender (a "benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. For the avoidance of doubt, the parties hereto agree that the provisions of this Section 14.8(a) shall not be construed to apply to (i) any payment made by Borrower pursuant to and in accordance with Section 3 of this Agreement and (ii) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the

Borrower to the extent permitted by applicable law, subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld) upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

14.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

14.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14.11 Integration. This Agreement and the other Credit Documents represent the agreement of the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Borrower, the Administrative Agent, the Collateral Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

14.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

14.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such

action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 14.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 14.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 14.13 any special, exemplary, punitive or consequential damages.

14.14 Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) neither the Administrative Agent nor the Collateral Agent nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent, the Collateral Agent and Lenders, on one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

14.15 **WAIVERS OF JURY TRIAL**. THE BORROWER, EACH AGENT AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

14.16 Confidentiality. The Administrative Agent and each Lender shall hold all non-public information furnished by or on behalf of the Borrower in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender or the Administrative Agent pursuant to the requirements of this Agreement ("Confidential Information"), confidential in accordance with its customary procedure for handling confidential information of this nature and (in the case of a Lender that is a bank) in accordance with safe and sound banking practices and in any event may (i) make disclosure as required or requested by any governmental agency or representative thereof or pursuant to legal process or to such Lender's or the Administrative Agent's attorneys, professional advisors or independent auditors

or Affiliates, provided that unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify the Borrower of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by the Borrower or any Subsidiary of the Borrower, (ii) make disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation by such Lender of any Loans or any participations therein or by any pledgees referred to in Section 14.16(d) or by direct or indirect contractual counterparties (or the professional advisors thereto) in Hedge Agreements (provided, such assignees, transferees, participants, pledgees, counterparties and advisors are advised of and agree to be bound by provisions that in substance are the equivalent to those in this Section 14.16), (iii) make disclosure of such information reasonably required by any lender or other Person providing financing to such Lender (provided such lenders or other Persons are advised of the confidential nature of such information and agree to keep such information confidential on terms consistent with this Section 14.16), and (iv) make disclosure to any rating agency, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any Confidential Information received by it from any of the Agents or any Lender.

14.17 Direct Website Communications.

(a) (i) The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (B) relates to the payment of any principal or other amount due under the Credit Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under the Credit Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of the Credit Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to lpgloans@lehman.com or such other email address as disclosed in writing to the Borrower. Nothing in this Section 14.17 shall prejudice the right of the Borrower, the Administrative Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

(ii) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above

shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(b) The Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "Platform"), so long as the access to such Platform is limited (i) to the Agents and the Lenders and (ii) remains subject the confidentiality requirements set forth in Section 14.16.

(c) The Platform is provided "as is" and "as available." The Agent Parties do not warrant the accuracy or completeness of the Communications, or the adequacy of the platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Agent Parties in connection with the Communications or the platform. In no event shall the Administrative Agent, the Collateral Agent or any of its affiliates or any of their respective officers, directors, employees, agents, advisors or representatives (collectively, "Agent Parties") have any liability to the Borrower, any Lender or any other person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Communications through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents.

(d) The Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, its Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that the Borrower has indicated contains only publicly available information with respect to the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, its Subsidiaries and their securities. Notwithstanding the foregoing, the Borrower shall be under no obligation under this Section 14.17 (d) to indicate any document or notice as containing only publicly available information.

SECTION 5. Representations and Warranties. Pledgor represents and warrants to the Collateral Agent and each other Secured Party as follows:

(a) Schedule 1 hereto (i) correctly represents as of the Closing Date (A) the issuer, the certificate number, the Pledgor and the record and beneficial owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Pledged Shares and (B) the issuer, the initial principal amount, the Pledgor and holder, date of issuance and maturity date of all Pledged Debt, and (ii) together with the comparable schedule to each supplement hereto, accurately and completely describes all Equity Interests, debt securities and

(b) Pledgor is the legal and beneficial owner of the Collateral pledged or assigned by Pledgor hereunder, free and clear of any Lien, except for the Lien created by this Agreement.

(c) As of the Closing Date, the Pledged Shares pledged by Pledgor hereunder have been duly authorized and validly issued and, in the case of Pledged Shares issued by a corporation, are fully paid and non-assessable.

(f) Pledgor has full power, authority and legal right to pledge all the Collateral pledged by Pledgor pursuant to this Agreement, and this Agreement constitutes a legal, valid and binding obligation of Pledgor, enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity.

SECTION 6. Certification of Limited Liability Company and Limited Partnership Interests. The Equity Interests in any Person that is organized as a limited liability company or limited partnership and pledged hereunder shall be represented by a certificate and in the organizational documents of such Person, the Pledgor shall cause the issuer of such interests to elect to treat such interests as a "security" within the meaning of Article 8 of the UCC of its jurisdiction of organization or formation, as applicable, by including in its organizational documents language substantially similar to the following and, accordingly, such interests shall be governed by Article 8 of the UCC:

"The Partnership/Company hereby irrevocably elects that all membership interests in the Partnership/Company shall be securities governed by Article 8 of the Uniform Commercial Code of [jurisdiction of organization or formation, as applicable]. Each certificate evidencing partnership/membership interests in the Partnership/Company shall bear the following legend:

“This certificate evidences an interest in [name of Partnership/LLC] and shall be a security for purposes of Article 8 of the Uniform Commercial Code.” No change to this provision shall be effective until all outstanding certificates have been surrendered for cancellation and any new certificates thereafter issued shall not bear the foregoing legend.”

SECTION 7. Further Assurances. Pledgor agrees that at any time and from time to time, at the expense of Pledgor, it will promptly execute or otherwise authorize the filing of any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents), which may be required under any applicable law, or which the Collateral Agent or the Administrative Agent may reasonably request, in order (x) to perfect and protect any pledge, assignment or security interest granted or purported to be granted hereby (including the priority thereof) or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral.

SECTION 8. Voting Rights; Dividends and Distributions; Etc. (a) So long as no Event of Default shall have occurred and be continuing:

(i) Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement or the other Credit Documents.

(ii) The Collateral Agent shall execute and deliver (or cause to be executed and delivered) to Pledgor all such proxies and other instruments as Pledgor may reasonably request for the purpose of enabling Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above.

(b) Subject to paragraph (c) below, Pledgor shall be entitled to receive and retain and use, free and clear of the Lien created by this Agreement, any and all dividends, distributions, principal and interest made or paid in respect of the Collateral to the extent permitted by the Credit Agreement, as applicable; provided, however, that any and all noncash dividends, interest, principal or other distributions that would constitute Pledged Shares or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Shares or received in exchange for Pledged Shares or Pledged Debt or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Collateral and shall, if received by Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of Pledgor and be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsement).

(c) Upon written notice to a Pledgor by the Collateral Agent following the occurrence and during the continuance of an Event of Default,

(i) all rights of Pledgor to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 8(a)(i) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights during the continuance of such Event of Default, provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following the occurrence and during the continuance of an Event of Default to permit the Pledgor to exercise such rights. When no Events of Default are continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, or after all Events of Default have been cured or waived pursuant to Section 12 or Section 14.1 of the Credit Agreement, as applicable, Pledgor shall have the right to exercise the voting and consensual rights that Pledgor would otherwise be entitled to exercise pursuant to the terms of Section 8(a)(i) (and the obligations of the Collateral Agent under Section 8(a)(ii) shall be reinstated);

(ii) all rights of Pledgor to receive the dividends, distributions and principal and interest payments that Pledgor would otherwise be authorized to receive and retain pursuant to Section 8(b) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to receive and hold as Collateral such dividends, distributions and principal and interest payments during the continuance of such Event of Default. When no Events of Default are continuing and the Borrower has delivered to the Collateral Agent a certificate to that effect, or after all Events of Default have been cured or waived pursuant to Section 12 or Section 14.1 of the Credit Agreement, as applicable, the Collateral Agent shall repay to Pledgor (without interest) all dividends, distributions and principal and interest payments that Pledgor would otherwise be permitted to receive, retain and use pursuant to the terms of Section 8(b);

(iii) all dividends, distributions and principal and interest payments that are received by Pledgor contrary to the provisions of Section 8(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of Pledgor and shall forthwith be delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsements); and

(iv) in order to permit the Collateral Agent to receive all dividends, distributions and principal and interest payments to which it may be entitled under Section 8(b) above, to exercise the voting and other consensual rights that it may be entitled to exercise pursuant to Section 8(c)(i) above, and to receive all dividends, distributions and principal and interest payments that it may be entitled to under Sections 8(c)(ii) and (c)(iii) above, Pledgor shall from time to time execute and deliver to the

Collateral Agent appropriate proxies, dividend payment orders and other instruments as the Collateral Agent may reasonably request in writing.

SECTION 9. Transfers and Other Liens; Additional Collateral; Etc. Pledgor shall:

(a) not (i) except as permitted by the Credit Agreement sell or otherwise dispose of, or grant any option or warrant with respect to, any of the Collateral or (ii) create or suffer to exist any consensual Lien upon or with respect to any of the Collateral, except for the Lien created by this Agreement, provided that in the event Pledgor sells or otherwise disposes of assets as permitted by the Credit Agreement, and such assets are or include any of the Collateral, the Collateral Agent shall release such Collateral to Pledgor free and clear of the Lien created by this Agreement concurrently with the consummation of such sale; and

Pledgor hereby appoints, which appointment is irrevocable and coupled with an interest, the Collateral Agent as Pledgor's attorney-in-fact, with full authority in the place and stead of Pledgor and in the name of Pledgor or otherwise, to take any action and to execute any instrument, in each case after the occurrence and during the continuance of an Event of Default, that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including to receive, indorse and collect all instruments made payable to Pledgor representing any dividend, distribution or principal or interest payment in respect of the Collateral or any part thereof and to give full discharge for the same.

SECTION 11. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect its interest and the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

SECTION 12. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) or other applicable law or in equity and also may, with notice to the relevant Grantor,

sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of Pledgor, and Pledgor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any other Secured Party shall have the right upon any such public sale and, to the extent permitted by law, upon any such private sale, to purchase all or any part of the Collateral so sold, and the Collateral Agent or such other Secured Party may pay the purchase price by crediting the amount thereof against the Obligations. Pledgor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, Pledgor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree.

(b) The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral at any time after receipt as follows:

(i) first, to the payment of all reasonable and documented costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of Pledgor and any other reasonable and documented costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document;

(ii) second, to the Secured Parties, an amount equal to all Obligations owing to them on the date of any such distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of

any one over any other) to such Secured Parties in proportion to the unpaid amounts thereof; and

(iii) third, any surplus then remaining shall be paid to the Pledgor or its successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(c) Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(d) The Collateral Agent may exercise any and all rights and remedies of Pledgor in respect of the Collateral.

(e) All payments received by Pledgor in respect of the Collateral after the occurrence and during the continuance of an Event of Default shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of Pledgor and shall be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary indorsement).

SECTION 13. Amendments, etc. with Respect to the Obligations; Waiver of Rights. Pledgor shall remain obligated hereunder notwithstanding that, without any reservation of rights against Pledgor and without notice to or further assent by Pledgor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith and the Hedge Agreements and any other documents executed and delivered in connection therewith and any documents entered into with the applicable Administrative Agent or the Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds may be amended, modified, supplemented or terminated, in whole or in part, as the applicable Administrative Agent (or the Required Lenders, as the case may be, or, in the case of any Hedge Agreement or documents entered into with the applicable Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds, the party thereto) may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Agreement or any property subject thereto. When

making any demand hereunder against Pledgor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand any other person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any other person or any release of any other person shall not relieve Pledgor in respect of which a demand or collection is not made or Pledgor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against Pledgor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

SECTION 14. Continuing Security Interest; Assignments Under the Credit Agreement; Release. (a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon Pledgor and the successors and assigns thereof, and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all the Obligations (other than any contingent indemnity obligations not then due) under the Credit Documents shall have been satisfied by payment in full, and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement and any Hedge Agreement the Borrower may be free from any obligations.

(b) [Intentionally Omitted.]

(c) Upon any sale or other transfer by Pledgor of any Collateral that is permitted under the Credit Agreement or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 14.1 of the Credit Agreement, the obligations of Pledgor with respect to such Collateral shall be automatically released and such Collateral sold free and clear of the Lien and security interests created hereby.

(d) In connection with any termination or release pursuant to the foregoing paragraph (a) or (c), the Collateral Agent shall execute and deliver to Pledgor or authorize the filing of, at Pledgor's expense, all documents that Pledgor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 14 shall be without recourse to or warranty by the Collateral Agent.

SECTION 15. Reinstatement. Pledgor further agrees that, if any payment made by Borrower or other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of Collateral are required to be returned by any Secured Party to the Borrower, its estate, trustee, receiver or any other party, including Pledgor, under any bankruptcy law, state, federal or foreign law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made or, if prior thereto the Lien granted hereby or other Collateral securing such liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), such Lien or other Collateral shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect any Lien or other Collateral securing the obligations of Pledgor in respect of the amount of such payment.

SECTION 16. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 14.2 of the Credit Agreement. All communications and notices hereunder to Pledgor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 14.2 of the Credit Agreement.

SECTION 17. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Collateral Agent and the Borrower.

SECTION 18. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 19. Integration. This Agreement together with the other Credit Documents represents the agreement of the Pledgor with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

SECTION 20. Amendments in Writing; No Waiver; Cumulative Remedies. (a) None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Pledgor and the Collateral Agent in accordance with Section 14.1 of the Credit Agreement.

(b) Neither the Collateral Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 20(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion.

(c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

SECTION 21. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

SECTION 22. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of Pledgor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent.

SECTION 23. **WAIVER OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

SECTION 24. Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in Section 16 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 24 any special, exemplary, punitive or consequential damages.

SECTION 25. **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

"Trademarks" shall mean all trademarks now owned or hereafter acquired by the Grantor, including those listed on Schedule VI (as such schedule may be amended or supplemented from time to time); provided that any "intent to use" Trademark applications for which a "Statement of Use" or "Amendment to Allege Use" has not been filed (but only until such statement is filed) are excluded from this definition.

"UCC" shall mean the Uniform Commercial Code as from time to time in effect in the State of New York; provided, however, that, in the event that, by reason of mandatory provisions of law, any of the attachment, perfection or priority of the

Collateral Agent's and the Secured Parties' Security Interest in any Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of New York, the term "UCC" shall mean the Uniform Commercial Code as in effect in such other jurisdiction for purposes of the provisions hereof relating to such attachment, perfection or priority and for purposes of definitions related to such provisions.

(c) The words "hereof", "herein", "hereto" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section, subsection, clause and Schedule references are to this Security Agreement unless otherwise specified. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation."

(d) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

(e) Where the context requires, terms relating to the Collateral or any part thereof, when used in relation to a Grantor, shall refer to the Grantor's Collateral or the relevant part thereof.

(f) References to "Lenders" in this Agreement shall be deemed to include Affiliates of any Lender that may from time to time enter into Hedge Agreements with the Borrower.

2. Grant of Security Interest.

(a) The Grantor hereby bargains, sells, conveys, assigns, sets over, mortgages, pledges, hypothecates and transfers to the Collateral Agent, for the ratable benefit of the Secured Parties, and grants to the Collateral Agent, for the ratable benefit of the Secured Parties a lien on and continuing security interest in (the "Security Interest"), all of its right, title and interest in, to and under all of the following property now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations:

(i) all Accounts;

(ii) all Chattel Paper;

(iii) all Commercial Tort Claims, if any;

(iv) all Documents;

(v) all Equipment;

(vi) all General Intangibles;

(vii) all Instruments;

(viii) all Intellectual Property;

(ix) all Inventory;

(x) all Investment Property;

(xi) all Letters of Credit and Letter-of-Credit Rights;

(xii) all Money;

(xiii) all Supporting Obligations;

(xiv) all Collateral Accounts;

(xv) all books and records pertaining to the Collateral; and

(xvi) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing.

(b) The Grantor hereby irrevocably authorizes the Collateral Agent and its Affiliates, counsel and other representatives, at any time and from time to time, to file or record financing statements, amendments to financing statements and, with notice to the Borrower, other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Collateral Agent reasonably determines appropriate to perfect the Security Interests of the Collateral Agent under this Agreement, and such financing statements and amendments may describe the Collateral covered thereby as "all assets" or "all personal property" or words of similar effect, whether now owned or hereafter acquired. The Grantor hereby also authorizes the Collateral Agent and its Affiliates, counsel and other representatives, at any time and from time to time, to file continuation statements with respect to previously filed financing statements. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction to the Collateral Agent.

The Grantor hereby agrees to provide to the Collateral Agent, promptly upon request, any information reasonably necessary to effectuate the filings or recordings authorized by this Section 2(b).

The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interests granted by the Grantor hereunder, without the signature of the

Grantor, and naming the Grantor or the Grantors as debtors and the Collateral Agent, as the case may be, as secured party.

This Agreement secures the payment of all the Obligations. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the Obligations and would be owed to the Collateral Agent or the Secured Parties under the Credit Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Grantor.

The Security Interests are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of the Grantor with respect to or arising out of the Collateral.

3. Representations and Warranties.

The Grantor hereby represents and warrants to the Collateral Agent and each other Secured Party that:

3.1 Title; No Other Liens. Except for (a) the Security Interest granted to the Collateral Agent for the ratable benefit of the Secured Parties pursuant to this Agreement, (b) the Liens permitted by the Credit Agreement and (c) any Liens securing Indebtedness which is no longer outstanding or any Liens with respect to commitments to lend which have been terminated, the Grantor owns each item of the Collateral free and clear of any and all Liens or claims of others. No security agreement, financing statement or other public notice with respect to all or any part of the Collateral that evidences a Lien securing any material Indebtedness is on file or of record in any public office, except such as (i) have been filed in favor of the Collateral Agent for the ratable benefit of the Secured Parties pursuant to this Agreement or (ii) are permitted by the Credit Agreement.

3.2 Perfected First Priority Liens. (a) This Agreement is effective to create in favor of the Collateral Agent, for its benefit and for the benefit of the Secured Parties, legal, valid and enforceable Security Interests in the Collateral, subject to the effects of bankruptcy, insolvency or similar laws affecting creditors' rights generally and general equitable principles.

(b) Subject to the limitations set forth in clause (c) of this Section 3.2, the Security Interests granted pursuant to this Agreement (i) will constitute valid and perfected Security Interests in the Collateral (as to which perfection may be obtained by the filings or other actions described in clause (A), (B), or (C) of this paragraph in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, as collateral security for the Obligations, upon (A) the filing of all financing statements, in each case, naming the Grantor as "debtor" and the Collateral Agent as "secured party" and describing the Collateral in the filing offices specified in Schedule 3.2(b), (B) delivery to Collateral Agent (or its bailee) of all Instruments, Chattel Paper, Certificated Securities

and Negotiable Documents, in each case, properly endorsed for transfer or in blank, and (C) completion of the filing and recording of fully executed agreements in the form hereof (or a supplement hereto) and containing a description of all Collateral constituting Patents and Trademarks in the United States Patent and Trademark Office (or any successor office) within the three month period (commencing as of the date hereof) or, with respect to all Collateral constituting Patents and registered Trademarks acquired after the date hereof, within three months thereafter, and all Collateral constituting registered Copyrights in the United States Copyright Office (or a successor office) within the one month period (commencing as of the date hereof) or, with respect to all Collateral constituting Copyrights acquired after the date hereof, within one month thereafter pursuant to 35 USC § 261, and 15 USC § 1060, or 17 USC § 205 and the regulations thereunder, and otherwise as may be required pursuant to the laws of any other necessary jurisdiction to the extent that a security interest may be perfected by such filings and recordings, and (ii) are prior to all other Liens on the Collateral other than Liens permitted pursuant to Section 10.2 of the Credit Agreement.

(c) Notwithstanding anything to the contrary herein, no Grantor shall be required to perfect the Security Interests granted by this Agreement (including Security Interests in cash, cash accounts and Investment Property) by any means other than (i) filings pursuant to the UCC of the relevant state(s), (ii) filings approved by United States government offices with respect to Intellectual Property or (iii) delivery to the Collateral Agent (or its bailee) to be held in its possession of all Collateral consisting of Instruments, Certificated Securities or Negotiable Documents.

(d) It is understood and agreed that the Security Interests in cash and Investment Property created hereunder shall not prevent the Grantors from using such assets in the ordinary course of their respective businesses, subject to the provisions of the Control Agreements with respect to such cash and Investment Property.

4. Covenants.

The Grantor hereby covenants and agrees with the Collateral Agent and the Secured Parties that, from and after the date of this Agreement until the Obligations under the Credit Documents are paid in full and the Commitments are terminated:

4.1 Maintenance of Perfected Security Interest; Further Documentation. (a) The Grantor shall maintain the Security Interest created by this Agreement as a perfected Security Interest having at least the priority described in Section 3.1 and shall defend such Security Interest against the claims and demands of all Persons whomsoever, in each case subject to Section 3.2(c).

(b) The Grantor will furnish to the Collateral Agent and the Lenders from time to time statements and schedules further identifying and describing the assets and property of the Grantor and such other reports in connection therewith as the Collateral Agent may reasonably request.

(c) Subject to clause (d) below and Section 3.2(c), the Grantor agrees that at any time and from time to time, at the expense of the Grantor, it will execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents, including all applicable documents required under Section 3.2(b)(C)), which may be required under any applicable law, or which the Collateral Agent or the Required Lenders may reasonably request, in order (i) to grant, preserve, protect and perfect the validity and priority of the Security Interests created or intended to be created hereby or (ii) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral, including the filing of any financing or continuation statements under the UCC in effect in any jurisdiction with respect to the Security Interests created hereby and all applicable documents required under Section 3.2(b)(C), all at the expense of the Grantor.

(d) Notwithstanding anything in this Section 4.1 to the contrary, with respect to any assets acquired by the Grantor after the date hereof that are required by the Credit Agreement to be subject to the Lien created hereby, the relevant Grantor after the acquisition thereof shall promptly take all actions required by the Credit Agreement or this Section 4.1.

4.2 Changes in Locations, Name, etc. The Grantor will furnish to the Collateral Agent prompt written notice of any change (i) in its legal name, (ii) in its jurisdiction of organization or location for purposes of the UCC, (iii) in its identity or type of organization or corporate structure or (iv) in its Federal Taxpayer Identification Number or organizational identification number. The Grantor agrees promptly to provide the Collateral Agent with certified organizational documents reflecting any of the changes described in the first sentence of this paragraph. The Grantor also agrees promptly to notify the Collateral Agent if any material portion of the Collateral is damaged or destroyed.

4.3 Notices. The Grantor will advise the Collateral Agent and the Lenders promptly, in reasonable detail, of any Lien of which it has knowledge (other than the Security Interests created hereby or Liens permitted under the Credit Agreement) on any of the Collateral which would adversely affect, in any material respect, the ability of the Collateral Agent to exercise any of its remedies hereunder.

5. Remedial Provisions.

5.1 Certain Matters Relating to Accounts. (a) At any time after the occurrence and during the continuance of an Event of Default and after giving reasonable notice to the Borrower and any other relevant Grantor, the Administrative Agent shall have the right, but not the obligation, to instruct the Collateral Agent to (and upon such instruction, the Collateral Agent shall) make test verifications of the Accounts in any manner and through any medium that such Agent reasonably considers advisable, and the Grantor shall furnish all such assistance and information as such Agent may require in connection with such test verifications. Such Agent shall have

the absolute right to share any information it gains from such inspection or verification with any Secured Party.

(b) The Collateral Agent hereby authorizes the Grantor to collect the Grantor's Accounts and the Collateral Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required in writing by the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Accounts, when collected by the Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by the Grantor in the exact form received, duly endorsed by the Grantor to the Collateral Agent if required, in a Collateral Account maintained under the sole dominion and control of and on terms and conditions reasonably satisfactory to the Collateral Agent, subject to withdrawal by the Collateral Agent for the account of the Secured Parties only as provided in Section 5.5, and (ii) until so turned over, shall be held by the Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of the Grantor. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Collateral Agent's request at any time after the occurrence and during the continuance of an Event of Default, the Grantor shall deliver to the Collateral Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

(d) Upon the occurrence and during the continuance of an Event of Default, a Grantor shall not grant any extension of the time of payment of any of the Accounts, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon if the Collateral Agent shall have instructed the Grantors not to grant or make any such extension, credit, discount, compromise or settlement under any circumstances during the continuance of such Event of Default.

(e) At the direction of the Collateral Agent, upon the occurrence and during the continuance of an Event of Default, the Grantor shall grant to the Collateral Agent to the extent assignable, an irrevocable, non-exclusive, fully paid-up, royalty-free, worldwide license to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired by the Grantor. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

5.2 Communications with Borrower; Grantors Remain Liable. (a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default, after giving reasonable notice to the relevant Grantor of its intent to do so, communicate with obligors under the Accounts to verify with them to the Collateral Agent's satisfaction the existence,

amount and terms of any Accounts. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.

(b) Upon the written request of the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, the Grantor shall notify obligors on the Accounts that the Accounts have been assigned to the Collateral Agent for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Collateral Agent.

(c) Anything herein to the contrary notwithstanding, the Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Collateral Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any Secured Party of any payment relating thereto, nor shall the Collateral Agent or any Secured Party be obligated in any manner to perform any of the obligations of the Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

5.3 Proceeds to be Turned Over To Collateral Agent. In addition to the rights of the Collateral Agent and the Secured Parties specified in Section 5.1 with respect to payments of Accounts, if an Event of Default shall occur and be continuing and the Collateral Agent so requires by notice in writing to the relevant Grantor (it being understood that the exercise of remedies by the Secured Parties in connection with an Event of Default under Section 11.5 of the Credit Agreement shall be deemed to constitute a request by the Collateral Agent for the purposes of this sentence and in such circumstances, no such written notice shall be required), all Proceeds received by the Grantor consisting of cash, checks and other near-cash items shall be held by the Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of the Grantor, and shall, forthwith upon receipt by the Grantor, be turned over to the Collateral Agent in the exact form received by the Grantor (duly endorsed by the Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent hereunder shall be held by the Collateral Agent in a Collateral Account maintained under its dominion and control and on terms and conditions reasonably satisfactory to the Collateral Agent. All Proceeds while held by the Collateral Agent in a Collateral Account (or by the Grantor in trust for the Collateral Agent and the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 5.4.

5.4 Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral as well as any Collateral consisting of cash, at any time after receipt as follows:

(a) first, to the payment of all reasonable and documented costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, the other Credit Documents or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of the Grantor and any other reasonable and documented costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document;

(b) second, to the Secured Parties, an amount equal to all Obligations owing to them on the date of any distribution, and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties in proportion to the unpaid amounts thereof; and

(c) third, any surplus then remaining shall be paid to the Grantors or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

5.5 Code and Other Remedies. If an Event of Default shall occur and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law and also may with notice to the relevant Grantor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any Lender or elsewhere for cash or on credit or for future delivery at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold

absolutely free from any claim or right on the part of the Grantor, and the Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent and any Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase the whole or any part of the Collateral so sold, and the Collateral Agent or such Secured Party may, subject to (x) the satisfaction in full in cash of all payments due pursuant to Section 5.4(a) hereof and (y) the satisfaction of the Obligations in accordance with the priorities set forth in Section 5.4 hereof, pay the purchase price by crediting the amount thereof against the Obligations. The Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to the Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, the Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. The Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent, at places which the Collateral Agent shall reasonably select, whether at the Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 5.5 in accordance with the provisions of Section 5.4.

5.6 Deficiency. The Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any Secured Party to collect such deficiency.

5.7 Amendments, etc. with Respect to the Obligations; Waiver of Rights. The Grantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against the Grantor and without notice to or further assent by the Grantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith and the Hedge Agreements and any other documents executed and delivered in

connection therewith and any documents entered into with the applicable Administrative Agent or the Collateral Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds may be amended, modified, supplemented or terminated, in whole or in part, as the applicable Administrative Agent (or the Required Lenders, as the case may be, or, in the case of any Hedge Agreement or documents entered into with the applicable Administrative Agent or any of its respective affiliates in connection with treasury, depositary or cash management services or in connection with any automated clearinghouse transfer of funds, the party thereto) may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against the Grantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any other person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any other person or any release of any other person shall not relieve the Grantor in respect of which a demand or collection is not made or the Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against the Grantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

5.8 [Intentionally Omitted.]

6. The Collateral Agent.

6.1 Collateral Agent's Appointment as Attorneys-in-Fact, etc. (a) The Grantor hereby appoints, which appointment is irrevocable and coupled with an interest, effective upon and during the occurrence of an Event of Default, the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Grantor and in the name of the Grantor or otherwise, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, the Grantor hereby gives the Collateral Agent the power and right, on behalf of the Grantor, either in the Collateral Agent's name or in the name of the Grantor or otherwise, without assent by the Grantor, to do any or all of the following, in each case after and during the occurrence of an Event of Default and after written notice by the Collateral Agent of its intent to do so:

(i) take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Account or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Collateral Agent's and the Secured Parties' Security Interest in such Intellectual Property and the goodwill and general intangibles of the Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral;

(iv) execute, in connection with any sale provided for in Section 5.5, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) obtain and adjust insurance required to be maintained by the Grantor or paid to the Collateral Agent pursuant to Section 9.3 of the Credit Agreement;

(vi) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct;

(vii) ask or demand for, collect and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral;

(viii) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral;

(ix) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral;

(x) defend any suit, action or proceeding brought against the Grantor with respect to any Collateral (with the Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially

affect the Grantor or any of its affiliates in any manner other than with respect to its continuing rights in such Collateral);

(xi) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate (with the Grantor's consent (not to be unreasonably withheld or delayed) to the extent such action or its resolution could materially affect the Grantor or any of its affiliates in any manner other than with respect to its continuing rights in such Collateral);

(xii) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and

(xiii) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and the Grantor's expense, at any time, or from time to time, all acts and things that the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's and the Secured Parties' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as the Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If the Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 6.1, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due ABR Loans under the Credit Agreement, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Grantor, shall be payable by the Grantor to the Collateral Agent on demand.

(d) The Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

6.2 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent, any Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the Secured Parties hereunder are solely to protect the Collateral Agent's and the Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any Secured Party to exercise any such powers. The Collateral Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to the Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

6.3 Authority of Collateral Agent. The Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Credit Agreement, and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the applicable Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

6.4 Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, and all obligations of the Grantors hereunder shall be absolute and unconditional.

6.5 Continuing Security Interest; Assignments Under the Credit Agreement; Release. (a) This Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Grantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all Obligations under the Credit Documents (other than any contingent indemnity obligations not then due) and the obligations of the Grantor under this Agreement shall have been satisfied by payment in full, the Commitments shall be terminated and no Letters of Credit shall be outstanding, notwithstanding that from time

to time during the term of the Credit Agreement and any Hedge Agreement the Borrower may be free from any Obligations.

(b) The Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of the Grantor shall be automatically released upon the consummation of any transaction permitted under the Credit Agreement.

Calculations of interest shall be made using the nominal rate method of calculation, and will not be calculated using the effective rate method of calculation or on any other basis that gives effect to the principle of deemed reinvestment of interest. All payments of interest to be made hereunder will be paid both before and after maturity and before and after default and/or judgment, if any, until payment thereof, and interest will accrue on overdue interest, if any.

1.5 Interest Act (Canada)

For the purposes of this Agreement, whenever interest to be paid hereunder is to be calculated on the basis of a year of three hundred and sixty (360) days, as in the case of the unused line fee and the LC facility fees, or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year

in which the same is to be ascertained and divided by either three hundred and sixty (360) or such other period of time, as the case may be.

1.6 Equivalent Amount

For the purpose of determining compliance with covenant and default limitations set forth in the Agreement, amounts expressed in U.S. Dollars shall be measured by aggregating the Equivalent Amount of the applicable items denominated in U.S. Dollars with the items in Canadian Dollars.

SECTION 2 CREDIT FACILITIES

2.1 **Revolver Commitment.**

2.1.1 Revolver Loans.

Each Lender agrees, severally on a Pro Rata basis up to its Revolver Commitment, on the terms set forth herein, to make Revolver Loans to Borrower from time to time through the Commitment Termination Date. The Revolver Loans may be repaid and reborrowed as provided herein. In no event shall Lenders have any obligation to honour a request for a Revolver Loan in excess of Availability.

2.1.2 Revolver Notes.

The Revolver Loans made by each Lender and interest accruing thereon shall be evidenced by the records of Agent and such Lender. At the request of any Lender, Borrower shall deliver a Revolver Note to such Lender.

2.1.3 Use of Proceeds.

The proceeds of Revolver Loans shall be used by Borrower solely (a) to satisfy existing Debt; (b) to pay fees and transaction expenses associated with the closing of this credit facility; (c) to pay Obligations in accordance with this Agreement; and (d) for working capital and other lawful general corporate purposes of Borrower, including those set out in the recitals to this Agreement.

2.1.4 Voluntary Termination of Revolver Commitments.

The Revolver Commitments shall terminate on the Revolver Termination Date, unless sooner terminated in accordance with this Agreement. Upon at least 90 days prior written notice to Agent at any time after the first Loan Year, Borrower may, at its option, terminate, without premium or penalty, the Revolver Commitments and this credit facility. Any notice of termination given by Borrower shall be irrevocable. On the termination date, Borrower shall make Full Payment of all Obligations.

2.1.5 Overadvances.

If the aggregate Revolver Loans exceed the Borrowing Base (“Overadvance”) or the aggregate Revolver Commitments at any time, the excess amount shall be payable by Borrower on demand by Agent, but all such Revolver Loans shall nevertheless constitute Obligations

secured by the Collateral and entitled to all benefits of the Loan Documents. Unless its authority has been revoked in writing by Required Lenders, Agent may require Lenders to honour requests for Overadvance Loans and to forbear from requiring Borrower to cure an Overadvance, (a) when no other Event of Default is known to Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required), and (ii) the Overadvance is not known by Agent to exceed $10,000,000; and (b) regardless of whether an Event of Default exists, if Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance does not continue for more than 30 consecutive days. In no event shall Overadvance Loans be required that would cause the outstanding Revolver Loans and LC Obligations to exceed the aggregate Revolver Commitments. Any funding of an Overadvance Loan or sufferance of an Overadvance shall not constitute a waiver by Agent or Lenders of the Event of Default caused thereby. In no event shall Borrower or other Obligor be deemed a beneficiary of this Section nor authorized to enforce any of its terms.

2.1.6 Protective Advances.

Agent shall be authorized, in its discretion, at any time that a Default or Event of Default exists or any conditions in Section 6 are not satisfied, and without regard to the aggregate Commitments, to make Prime Rate Revolver Loans ("Protective Advances") (a) if Agent deems such Loans necessary or desirable to preserve or protect any Collateral, or to enhance the collectibility or repayment of Obligations; or (b) to pay any other amounts chargeable to Obligors under any Loan Documents, including costs, fees and expenses. All Protective Advances shall be Obligations, secured by the Collateral, and shall be treated for all purposes as Extraordinary Expenses. Each Lender shall participate in each Protective Advance on a Pro Rata basis. Required Lenders may at any time revoke Agent's authorization to make further Protective Advances by written notice to Agent. Absent such revocation, Agent's determination that funding of a Protective Advance is appropriate shall be conclusive.

2.1.7 Decrease in Revolver Commitments.

Notwithstanding anything to the contrary contained in this Agreement, so long as no Default or Event of Default has occurred and is continuing or would occur as a result thereof, and subject to the terms and conditions of this Section 2.1.7, Borrower shall have the right (which may be exercised only once during the term of this Agreement) after the Closing Date and before the end of the Commitment Termination Date, upon not less than thirty (30) Business Days' prior written notice to Agent (such written notice being herein referred to as a "Commitment Reduction Notice"), to reduce, without premium or penalty, on the date specified in the Commitment Reduction Notice (the "Commitment Reduction Date") the amount of the Commitments by an amount equal to $25,000,000 (the "Commitment Reduction Amount"); provided, however, that in no event shall the amount of the Commitments be reduced to an amount less than $125,000,000. Subject to the preceding sentence, on the Commitment Reduction Date, (i) the Commitments shall be reduced by the Commitment Reduction Amount and each Lender's Commitment shall be reduced by such Lender's Pro Rata share of the Commitments, and (ii) Borrower shall pay to Agent, in immediately available funds, for application to the Loans owed to relevant Lenders, the dollar amount necessary so that after giving effect to Commitment Reduction Amount the outstanding Loans and Letters of Credit do

not exceed the Commitments; provided, however, any such reduction is subject to the following additional conditions being satisfied in form and substance satisfactory to Agent and its counsel: (a) Borrower shall have delivered to Agent an Amended and Restated Revolver Note, payable to the order of the relevant Lender, reflecting the reduced Commitment of such Lender, duly executed by Borrower; and (b) Borrower shall have delivered to Agent an amendment to this Agreement evidencing this Commitment Reduction Amount, duly executed by Borrower, with Agent being hereby authorized by each Lender to execute such an amendment on behalf of such Lender.

2.2 Letter of Credit Facility.

2.2.1 Issuance of Letters of Credit.

Issuing Bank agrees to issue Letters of Credit from time to time until 30 days prior to the Revolver Termination Date (or until the Commitment Termination Date, if earlier), on the terms set forth herein, including the following:

(a) Borrower acknowledges that Issuing Bank's willingness to issue any Letter of Credit is conditioned upon Issuing Bank's receipt of a LC Application with respect to the requested Letter of Credit, as well as such other instruments and agreements as Issuing Bank may customarily require for issuance of a letter of credit of similar type and amount. Issuing Bank shall have no obligation to issue any Letter of Credit unless (i) Issuing Bank receives a LC Request and LC Application at least three Business Days prior to the requested date of issuance; and (ii) each LC Condition is satisfied. If Issuing Bank receives written notice from a Lender at least one Business Day before issuance of a Letter of Credit that any LC Condition has not been satisfied, Issuing Bank shall have no obligation to issue the requested Letter of Credit (or any other) until such notice is withdrawn in writing by that Lender or until Required Lenders have waived such condition in accordance with this Agreement. Prior to receipt of any such notice, Issuing Bank shall not be deemed to have knowledge of any failure of LC Conditions.

(b) Letters of Credit may be requested by Borrower only (i) to support obligations of Borrower incurred in the Ordinary Course of Business; or (ii) for other purposes as Agent and Lenders may approve from time to time in writing. The renewal or extension of any Letter of Credit shall be treated as the issuance of a new Letter of Credit, except that delivery of a new LC Application shall be required at the discretion of Issuing Bank.

(c) Borrower assumes all risks of the acts, omissions or misuses of any Letter of Credit by the beneficiary. In connection with issuance of any Letter of Credit, none of Agent, Issuing Bank or any Lender shall be responsible for the existence, character, quality, quantity, condition, packing, value or delivery of any goods purported to be represented by any Documents; any differences or variation in the character, quality, quantity, condition, packing, value or delivery of any goods from that expressed in any Documents; the form, validity, sufficiency, accuracy, genuineness or legal effect of any Documents or of any endorsements thereon; the time, place, manner or order in which

shipment of goods is made; partial or incomplete shipment of, or failure to ship, any goods referred to in a Letter of Credit or Documents; any deviation from instructions, delay, default or fraud by any shipper or other Person in connection with any goods, shipment or delivery; any breach of contract between a shipper or vendor and Borrower; errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex, telecopy, e-mail, telephone or otherwise; errors in interpretation of technical terms; the misapplication by a beneficiary of any Letter of Credit or the proceeds thereof; or any consequences arising from causes beyond the control of Issuing Bank, Agent or any Lender, including any act or omission of a Governmental Authority. The rights and remedies of Issuing Bank under the Loan Documents shall be cumulative. Issuing Bank shall be fully subrogated to the rights and remedies of each beneficiary whose claims against Borrower are discharged with proceeds of any Letter of Credit.

(d) In connection with its administration of and enforcement of rights or remedies under any Letters of Credit or LC Documents, Issuing Bank shall be entitled to act, and shall be fully protected in acting, upon any certification, notice or other communication in whatever form believed by Issuing Bank, in good faith, to be genuine and correct and to have been signed, sent or made by a proper Person. Issuing Bank may consult with and employ legal counsel, accountants and other experts to advise it concerning its obligations, rights and remedies, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by such experts. Issuing Bank may employ agents and attorneys in connection with any matter relating to Letters of Credit or LC Documents, and shall not be liable for the negligence or misconduct of any such agents or attorneys selected with reasonable care.

2.2.2 Reimbursement; Participations.

(a) If Issuing Bank honours any request for payment under a Letter of Credit, Borrower shall pay to Issuing Bank, on the same day ("Reimbursement Date"), the amount paid by Issuing Bank under such Letter of Credit, together with interest at the interest rate for Prime Rate Revolver Loans from the Reimbursement Date until payment by Borrower. The obligation of Borrower to reimburse Issuing Bank for any payment made under a Letter of Credit shall be absolute, unconditional and irrevocable, and shall be paid without regard to any lack of validity or enforceability of any Letter of Credit or the existence of any claim, setoff, defense or other right that Borrower may have at any time against the beneficiary. Whether or not Borrower submits a Notice of Borrowing, Borrower shall be deemed to have requested a Borrowing of Prime Rate Revolver Loans, in an amount necessary to pay all amounts due Issuing Bank on any Reimbursement Date and each Lender agrees to fund its Pro Rata share of such Borrowing whether or not the Commitments have terminated, an Overadvance exists or is created thereby, or the conditions in Section 6 are satisfied. The amount of any request for payment under a Letter of Credit denominated in a currency other than Dollars

shall be converted into Dollars at the Agent's spot buying rate in Toronto at approximately 12:00 p.m. (Eastern time) on the date of such drawing/request for payment.

(b) Upon issuance of a Letter of Credit, each Lender shall be deemed to have irrevocably and unconditionally purchased from Issuing Bank, without recourse or warranty, an undivided Pro Rata interest and participation in all LC Obligations relating to the Letter of Credit. If Issuing Bank makes any payment under a Letter of Credit and Borrower does not reimburse such payment on the Reimbursement Date, Agent shall promptly notify Lenders and each Lender shall promptly (within one Business Day) and unconditionally pay to Agent, for the benefit of Issuing Bank, the Lender's Pro Rata share of such payment. Upon request by a Lender, Issuing Bank shall furnish copies of any Letters of Credit and LC Documents in its possession at such time.

(c) The obligation of each Lender to make payments to Agent for the account of Issuing Bank in connection with Issuing Bank's payment under a Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, setoff, compensation, qualification or exception whatsoever, and shall be made in accordance with this Agreement under all circumstances, irrespective of any lack of validity or unenforceability of any Loan Documents; any draft, certificate or other document presented under a Letter of Credit having been determined to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or the existence of any setoff, compensation or defense that any Obligor may have with respect to any Obligations. Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by Borrower or other Person of any obligations under any LC Documents. Issuing Bank does not make to Lenders any express or implied warranty, representation or guarantee with respect to the Collateral, LC Documents or any Obligor. Issuing Bank shall not be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Documents; the validity, genuineness, enforceability, collectibility, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor.

(d) No Issuing Bank Indemnitee shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or wilful misconduct. Issuing Bank shall not have any liability to any Lender if Issuing Bank refrains from any action under any Letter of Credit or LC Documents until it receives written instructions from Required Lenders.

2.2.3 Cash Collateral.

If any LC Obligations, whether or not then due or payable, shall for any reason be outstanding at any time (a) that an Event of Default exists, (b) that Availability is less than zero, (c) after the Commitment Termination Date, or (d) within 20 Business Days prior to the Revolver Termination Date, then Borrower shall, at Issuing Bank's or Agent's request, Cash Collateralize all outstanding LC Obligations. If Borrower fails to Cash Collateralize the outstanding LC Obligations as required herein, Lenders may (and shall upon direction of Agent) advance, as Revolver Loans, the amount of the Cash Collateral required (whether or not the Commitments have terminated, an Overadvance exists, or the conditions in Section 6 are satisfied).

SECTION 3 INTEREST, FEES AND CHARGES

3.1 Interest.

3.1.1 Rates and Payment of Interest.

(a) The Obligations shall bear interest (i) if a Prime Rate Loan, at the Prime Rate in effect from time to time, plus the Applicable Margin for Prime Rate Revolver Loans; (ii) if a BA Equivalent Loan, at the BA Equivalent Rate for the applicable Interest Period, plus the Applicable Margin for BA Equivalent Revolver Loans; and (iii) if any other Obligation (including, to the extent permitted by law, interest not paid when due), at the Prime Rate in effect from time to time, plus the Applicable Margin for Prime Rate Revolver Loans. Interest shall accrue from the date the Loan is advanced or the Obligation is incurred or payable, until paid by Borrower. If a Loan is repaid on the same day made, one day's interest shall accrue.

(b) During any Default or Event of Default, if Agent or Required Lenders in their discretion so elect, Obligations shall bear interest at the Default Rate. Borrower acknowledges that the cost and expense to Agent and each Lender due to a Default or an Event of Default are difficult to ascertain and that the Default Rate is a fair and reasonable estimate to compensate Agent and Lenders for such added cost and expense.

(c) Interest accrued on the Loans shall be due and payable in arrears, (i) on the first day of each month and, for any BA Equivalent Loan, the last day of its Interest Period; and (ii) on the Commitment Termination Date. Interest accrued on any other Obligations shall be due and payable as provided in the Loan Documents and, if no payment date is specified, shall be due and payable on demand. Notwithstanding the foregoing, interest accrued at the Default Rate shall be due and payable on demand.

3.1.2 Application of BA Equivalent Rate to Outstanding Loans.

(a) Borrower may on any Business Day, subject to delivery of a Notice of Conversion/Continuation, elect to convert any portion of the Prime Rate Loans to, or to continue any BA Equivalent Loan at the end of its Interest

Period as, a BA Equivalent Loan. During any Default or Event of Default, Agent may (and shall at the direction of Required Lenders) declare that no Loan may be made, converted or continued as a BA Equivalent Loan.

(b) Whenever Borrower desires to convert or continue Loans as BA Equivalent Loans, Borrower shall give Agent a Notice of Conversion/Continuation, no later than 12:00 p.m. (Eastern time) at least three Business Days before the requested conversion or continuation date. Promptly after receiving any such notice, Agent shall notify each Lender thereof. Each Notice of Conversion/Continuation shall be irrevocable, and shall specify the aggregate principal amount of Loans to be converted or continued, the conversion or continuation date (which shall be a Business Day), and the duration of the Interest Period (which shall be deemed to be one month if not specified). If, upon the expiration of any Interest Period in respect of any BA Equivalent Loans, Borrower shall have failed to deliver a Notice of Conversion/Continuation, it shall be deemed to have elected to convert such Loans into Prime Rate Loans.

3.1.3 Interest Periods.

In connection with the making, conversion or continuation of any BA Equivalent Loans, Borrower shall select an interest period ("Interest Period") to apply, which interest period shall be one, two, three or six months; provided, however, that:

(a) the Interest Period shall commence on the date the Loan is made or continued as, or converted into, a BA Equivalent Loan, and shall expire on the numerically corresponding day in the calendar month at its end;

(b) if any Interest Period commences on a day for which there is no corresponding day in the calendar month at its end or if such corresponding day falls after the last Business Day of such month, then the Interest Period shall expire on the last Business Day of such month; and if any Interest Period would expire on a day that is not a Business Day, the period shall expire on the next Business Day; and

(c) no Interest Period shall extend beyond the Revolver Termination Date.

3.1.4 Interest Rate Not Ascertainable.

If Agent shall determine that on any date for determining BA Equivalent Rate, adequate and fair means do not exist for ascertaining such rates on the basis provided herein, then Agent shall immediately notify Borrower of such determination. Until Agent notifies Borrower that such circumstance no longer exists, the obligation of Lenders to make further BA Equivalent Loans shall be suspended, and no further Loans may be converted into or continued as BA Equivalent Loans, as applicable.

3.2 Fees.

3.2.1 Unused Line Fee.

Borrower shall pay to Agent, for the Pro Rata benefit of Lenders, a fee equal to the (a) (i) 0.25% (if the outstanding amount of all Borrowings under this Agreement, for the immediately preceding Fiscal Quarter, are greater than 50% of the Revolver Commitments), or (ii) 0.375% (if the outstanding amount of all Borrowings under this Agreement, for the immediately preceding Fiscal Quarter, are equal to or less than 50% of the Revolver Commitments) times (b) the amount by which the Revolver Commitments exceed the average daily balance of Loans during any month. Such fee shall be payable in arrears, on the first day of each month and on the Commitment Termination Date.

The Agent shall pay to each Lender, on or before the third Business Day of each month and on the Commitment Termination Date, the foregoing unused line fee based on each Lender's Revolver Commitment and each Lender's respective Pro Rata share of the Revolver Loans during the applicable month.

3.2.2 LC Facility Fees.

Borrower shall pay (a) to Agent, for the Pro Rata benefit of Lenders, a fee equal to the Applicable Margin in effect for BA Equivalent Revolver Loans times the average daily stated amount of Letters of Credit (which amount shall include, for Letters of Credit denominated in U.S. Dollars, the Equivalent Amount thereof in Dollars), which fee shall be payable monthly in arrears, on the first day of each month; (b) Borrower shall pay to Issuing Bank, for its own account, a fronting fee equal to 0.125% per annum of the stated amount of each Letter of Credit issued, which fee shall be payable monthly in arrears, on the first day of each month; and (c) Borrower shall pay to Issuing Bank, for its own account, all customary charges associated with the issuance, amending, negotiating, payment, processing, transfer and administration of Letters of Credit, which charges shall be paid as and when incurred. During an Event of Default, the fee payable under clause (a) shall be increased by 2% per annum.

3.2.3 Closing Fee.

Borrower shall pay to Agent, for the Pro Rata benefit of the Lenders, a closing fee of $295,000, which shall be paid concurrently with the funding of the initial Loans hereunder.

3.2.4 Administrative Fees.

In consideration of Agent's administration of the Loans hereunder, Borrower shall pay to Agent, for its own account, the fees described in the Fee Letter.

3.3 Computation of Interest, Fees, Yield Protection.

In addition to Section 1.4 hereof or as otherwise set forth herein, interest, as well as fees and other charges calculated on a per annum basis, shall be computed for the actual days elapsed, based on a year of 365 or 366 days, as the case may be.

Each determination by Agent of any interest, fees or interest rate hereunder shall be final, conclusive and binding for all purposes, absent manifest error. All fees shall be fully earned when due and shall not be subject to rebate or refund, nor subject to proration except as specifically provided herein. All fees payable under Section 3.2 and in the Fee Letter are compensation for services and are not, and shall not be deemed to be, interest or any other charge for the use, forbearance or detention of money. A certificate, calculated in accordance with the terms of this Agreement, as to amounts payable by Borrower under Section 3.6, 3.7, 3.9 or 5.8, submitted to Borrower by Agent or the affected Lender, as applicable, shall be final, conclusive and binding for all purposes, absent manifest error.

3.4 Overdraft Loans.

In respect of the accounts of an Obligor opened and maintained with the Bank, whenever a cheque or other item is presented for payment against such account in an amount greater than the then available balance in such account (an "Overdraft Loan"), such presentation shall be deemed to constitute a Notice of Borrowing for a Loan on the date of such notice in the amount of such Overdraft Loan (or the Equivalent Amount thereof), bearing interest by reference to the Prime Rate Revolving Loan.

3.5 Illegality.

Notwithstanding anything to the contrary herein, if (a) any change in any law or interpretation thereof by any Governmental Authority makes it unlawful for a Lender to make or maintain a BA Equivalent Loan or to maintain any Commitment with respect to BA Equivalent Loans or (b) a Lender determines that the making or continuance of a BA Equivalent Loan has become impracticable as a result of a circumstance that adversely affects the determination of the BA Equivalent Rate, then such Lender shall give notice thereof to Agent and Borrower and may (i) declare that BA Equivalent Loans, as applicable, will not thereafter be made by such Lender, whereupon any request for a BA Equivalent Loan, from such Lender shall be deemed to be a request for a Prime Rate Loan, as applicable, unless such Lender's declaration has been withdrawn (and it shall be withdrawn promptly upon cessation of the circumstances described in clause (a) or (b) above); and/or (ii) require that all outstanding BA Equivalent Loans, as applicable, made by such Lender be converted to Prime Rate Loan, as applicable, immediately, in which event all outstanding BA Equivalent Loans, as applicable, of such Lender shall be immediately converted to Prime Rate Loans.

3.6 Increased Costs.

If, by reason of (a) the introduction of or any change (including any change by way of imposition or increase of Statutory Reserves or other reserve requirements) in any law or interpretation thereof, or (b) the compliance with any guideline or request from any Governmental Authority or other Person exercising control over banks or financial institutions generally (whether or not having the force of law):

(i) a Lender shall be subject to any Tax with respect to any BA Equivalent Loan or Letter of Credit or its obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations, or a change shall result in the basis of taxation of any payment to a Lender with respect to its BA Equivalent Loans, or its obligation to make BA Equivalent Loans,

issue Letters of Credit or participate in LC Obligations (except for Excluded Taxes); or

(ii) any reserve (including any imposed by the Board of Governors or any other Governmental Authority), special deposits or similar requirement against assets of, deposits with or for the account of, or credit extended by, a Lender shall be imposed or deemed applicable, or any other condition affecting a Lender's BA Equivalent Loans or obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations shall be imposed on such Lender;

and as a result there shall be an increase in the cost to such Lender of agreeing to make or making, funding or maintaining, BA Equivalent Loans, Letters of Credit or participations in LC Obligations, or there shall be a reduction in the amount receivable by such Lender, then the Lender shall promptly notify Borrower and Agent of such event, and Borrower shall, within five days following demand therefor, pay such Lender the amount of such increased costs or reduced amounts.

If a Lender determines that, because of circumstances described above or any other circumstances arising hereafter affecting such Lender or the Lender's position in any market, BA Equivalent Rate or the Applicable Margin applicable thereto, as applicable, will not adequately and fairly reflect the cost to such Lender of funding BA Equivalent Loans, issuing Letters of Credit or participating in LC Obligations, then (A) the Lender shall promptly notify Borrower and Agent of such event; (B) such Lender's obligation to make BA Equivalent Loans, issue Letters of Credit or participate in LC Obligations shall be immediately suspended, until each condition giving rise to such suspension no longer exists; and (C) such Lender shall make a Prime Rate Loan as part of any requested Borrowing of BA Equivalent Loans, as applicable, which Prime Rate Loan shall, for all purposes, be considered part of such Borrowing.

3.7 Capital Adequacy.

If a Lender determines that any introduction of or any change in a Capital Adequacy Regulation, any change in the interpretation or administration of a Capital Adequacy Regulation by a Governmental Authority charged with interpretation or administration thereof, or any compliance by such Lender or any Person controlling such Lender with a Capital Adequacy Regulation, increases the amount of capital required or expected to be maintained by such Lender or Person (taking into consideration its capital adequacy policies and desired return on capital) as a consequence of such Lender's Commitments, Loans, participations in LC Obligations or other obligations under the Loan Documents, then Borrower shall, within five days following demand therefor, pay such Lender an amount sufficient to compensate for such increase. A Lender's demand for payment shall set forth the nature of the occurrence giving rise to such compensation and a calculation of the amount to be paid. In determining such amount, the Lender may use any reasonable averaging and attribution method.

3.8 Mitigation.

Each Lender agrees that, upon becoming aware that it is subject to Section 3.5, 3.6, 3.7 or 5.8, it will take reasonable measures to reduce Borrower's obligations under such Sections, including funding or maintaining its Commitments or Loans through another office, as long as

use of such measures would not adversely affect the Lender's Commitments, Loans, business or interests, and would not be inconsistent with any internal policy or applicable legal or regulatory restriction.

3.9 Funding Losses.

If for any reason (other than default by a Lender) (a) any Borrowing of, or conversion to or continuation of, a BA Equivalent Loan does not occur on the date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation (whether or not withdrawn), (b) any repayment or conversion of a BA Equivalent Loan occurs on a day other than the end of its Interest Period, or (c) Borrower fail to repay a BA Equivalent Loan when required hereunder, then Borrower shall pay to Agent its customary administrative charge and to each Lender all losses and expenses that it sustains as a consequence thereof, including any loss or expense arising from liquidation or redeployment of funds or from fees payable to terminate deposits of matching funds. Lenders shall not be required to purchase Dollar deposits in any Dollar market (offshore or otherwise) to fund any BA Equivalent Loan, but the provisions hereof shall be deemed to apply as if each Lender had purchased such deposits to fund its BA Equivalent Loans.

3.10 Maximum Interest.

In no event shall interest, charges or other amounts that are contracted for, charged or received by Agent and Lenders pursuant to any Loan Documents and that are deemed interest under Applicable Law ("interest") exceed the highest rate permissible under Applicable Law ("maximum rate"). If, in any month, any interest rate, absent the foregoing limitation, would have exceeded the maximum rate, then the interest rate for that month shall be the maximum rate and, if in a future month, that interest rate would otherwise be less than the maximum rate, then the rate shall remain at the maximum rate until the amount of interest actually paid equals the amount of interest which would have accrued if it had not been limited by the maximum rate. If, upon Full Payment of the Obligations, the total amount of interest actually paid under the Loan Documents is less than the total amount of interest that would, but for this Section, have accrued under the Loan Documents, then Borrower shall, to the extent permitted by Applicable Law, pay to Agent, for the account of Lenders, (a) the lesser of (i) the amount of interest that would have been charged if the maximum rate had been in effect at all times, or (ii) the amount of interest that would have accrued had the interest rate otherwise set forth in the Loan Documents been in effect, minus (b) the amount of interest actually paid under the Loan Documents. If a court of competent jurisdiction determines that Agent or any Lender has received interest in excess of the maximum amount allowed under Applicable Law, such excess shall be deemed received on account of, and shall automatically be applied to reduce, Obligations other than interest (regardless of any erroneous application thereof by Agent or any Lender), and upon Full Payment of the Obligations, any balance shall be refunded to Borrower. In determining whether any excess interest has been charged or received by Agent or any Lender, all interest at any time charged or received from Borrower in connection with the Loan Documents shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated and spread in equal parts throughout the full term of the Obligations.

SECTION 4 LOAN ADMINISTRATION

4.1 Manner of Borrowing and Funding Revolver Loans.

4.1.1 Notice of Borrowing.

(a) Whenever Borrower desires funding of a Borrowing of Revolver Loans, Borrower shall give Agent a Notice of Borrowing. Such notice must be received by Agent no later than 12:00 p.m. (Eastern time) (i) on the Business Day of the requested funding date, in the case of Prime Rate Loans, and (ii) at least three Business Days prior to the requested funding date, in the case of BA Equivalent Loans. Notices received after 12:00 p.m. (Eastern time) shall be deemed received on the next Business Day. Each Notice of Borrowing shall be irrevocable and shall specify (A) the principal amount of the Borrowing, (B) the requested funding date (which must be a Business Day), (C) whether the Borrowing is to be made as Prime Rate Loans or BA Equivalent Loans, and (D) in the case of BA Equivalent Loans, the duration of the applicable Interest Period (which shall be deemed to be one month if not specified).

(b) Unless payment is otherwise timely made by Borrower, the becoming due of any Obligations (whether principal, interest, fees or other charges, including Extraordinary Expenses, LC Obligations, Cash Collateral and Bank Product Debt) shall be deemed to be a request for Prime Rate Loans, on the due date, in the amount of such Obligations. The proceeds of such Loans shall be disbursed as direct payment of the relevant Obligation.

(c) If Borrower establishes a controlled disbursement account with Agent or any Affiliate of Agent, then the presentation for payment of any cheque or other item of payment drawn on such account at a time when there are insufficient funds to cover it shall be deemed to be a request for Prime Rate Loans, on the date of such presentation, in the amount of the cheque and items presented for payment. The proceeds of such Revolver Loans may be disbursed directly to the controlled disbursement account or other appropriate account.

4.1.2 Fundings by Lenders.

Each Lender shall timely honour its Revolver Commitment by funding its Pro Rata share of each Borrowing of Revolver Loans that is properly requested hereunder. Except for Borrowings to be made as Swingline Loans, Agent shall endeavour to notify Lenders of each Notice of Borrowing (or deemed request for a Borrowing) by 12:00 p.m. (Eastern time) on the proposed funding date for Prime Rate Loans or by 3:00 p.m. (Eastern time) at least three Business Days before any proposed funding of BA Equivalent Loans. Each Lender shall fund to Agent such Lender's Pro Rata share of the Borrowing to the account specified by Agent in immediately available funds not later than 2:00 p.m. (Eastern time) on the requested funding date, unless Agent's notice is received after the times provided above, in which event each Lender shall fund its Pro Rata share by 12:00 p.m. (Eastern time) on the next Business Day. Subject to its receipt of such amounts from Lenders, Agent shall disburse the proceeds of the Revolver Loans as directed by Borrower. Unless Agent shall have received (in sufficient time to

act) written notice from a Lender that it does not intend to fund its Pro Rata share of a Borrowing, Agent may assume that such Lender has deposited or promptly will deposit its share with Agent, and Agent may disburse a corresponding amount to Borrower. If a Lender's share of any Borrowing is not in fact received by Agent, then Borrower agrees to repay to Agent on demand the amount of such share, together with interest thereon from the date disbursed until repaid, at the rate applicable to such Borrowing.

4.1.3 Swingline Loans; Settlement.

(a) Agent may, but shall not be obligated to, advance Swingline Loans to Borrower out of Agent's own funds, up to an aggregate outstanding amount of $15,000,000, unless the funding is specifically required to be made by all Lenders hereunder. Each Swingline Loan shall constitute a Revolver Loan for all purposes, except that payments thereon shall be made to Agent for its own account. The obligation of Borrower to repay Swingline Loans shall be evidenced by the records of Agent and need not be evidenced by any promissory note.

(b) To facilitate administration of the Revolver Loans, Lenders and Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by Borrower) that settlement among them with respect to Revolver Loans (other than Swingline Loans) may take place periodically on a date determined from time to time by Agent, which shall occur at least once every five Business Days. On each settlement date, settlement shall be made with each Lender in accordance with the Settlement Report delivered by Agent to Lenders. Between settlement dates, Agent may in its discretion apply payments on Revolver Loans to Swingline Loans, regardless of any designation by Borrower or any provision herein to the contrary. Each Lender's obligation to make settlements with Agent is absolute and unconditional, without offset, compensation, counterclaim or other defense, and whether or not the Commitments have terminated, an Overadvance exists, or the conditions in Section 6 are satisfied.

4.1.4 Notices.

Borrower authorizes Agent and Lenders to extend, convert or continue Loans, effect selections of interest rates, and transfer funds to or on behalf of Borrower based on telephonic or e-mailed instructions. Borrower shall confirm each such request by prompt delivery to Agent of a Notice of Borrowing or Notice of Conversion/Continuation, if applicable, but if it differs in any material respect from the action taken by Agent or Lenders, the records of Agent and Lenders shall govern. Neither Agent nor any Lender shall have any liability for any loss suffered by Borrower as a result of Agent or any Lender acting upon its understanding of telephonic or e-mailed instructions from a person believed in good faith by Agent or any Lender to be a person authorized to give such instructions on Borrower's behalf.

4.2 Defaulting Lender.

If a Lender fails to make any payment to Agent that is required hereunder, Agent may (but shall not be required to), in its discretion, retain payments that would otherwise be made to

such defaulting Lender hereunder, apply the payments to such Lender's defaulted obligations or readvance the funds to Borrower in accordance with this Agreement. The failure of any Lender to fund a Loan or to make a payment in respect of a LC Obligation shall not relieve any other Lender of its obligations hereunder, and no Lender shall be responsible for default by another Lender. Lenders and Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by Borrower) that, solely for purposes of determining a defaulting Lender's right to vote on matters relating to the Loan Documents and to share in payments, fees and Collateral proceeds thereunder, a defaulting Lender shall not be deemed to be a "Lender" until all its defaulted obligations have been cured.

4.3 Number and Amount of BA Equivalent Loans; Determination of Rate.

For ease of administration, all BA Equivalent Revolver Loans having the same length and beginning date of their Interest Periods shall be aggregated together, and such Loans shall be allocated among Lenders on a Pro Rata basis. No more than three (3) aggregated BA Equivalent Loans may be outstanding at any time, and each aggregate BA Equivalent Loan when made, continued or converted shall be in a minimum amount of $1,000,000, or an increment of $100,000, in excess thereof. Upon determining BA Equivalent Rate for any Interest Period requested by Borrower, Agent shall promptly notify Borrower thereof by telephone or electronically and, if requested by Borrower, shall confirm any telephonic notice in writing.

4.4 Effect of Termination.

On the effective date of any termination of the Commitments, all Obligations shall be immediately due and payable. All undertakings of the Obligors contained in the Loan Documents shall survive any termination, and Agent shall retain its Liens in the Collateral and all of its rights and remedies under the Loan Documents until Full Payment of the Obligations. Notwithstanding Full Payment of the Obligations, Agent shall not be required to terminate its Liens in any Collateral unless, with respect to any damages Agent may incur as a result of the dishonour or return of Payment Items applied to Obligations, Agent receives (a) a written agreement, executed by the Obligors and any Person whose advances are used in whole or in part to satisfy the Obligations, indemnifying Agent and Lenders from any such damages; or (b) such Cash Collateral as Agent, in its discretion, deems necessary to protect against any such damages. The provisions of Sections 2.2, 3.6, 3.7, 3.9, 5.4, 5.8, 12, 15.2 and this Section, and the obligation of each Obligor and Lender with respect to each indemnity given by it in any Loan Document, shall survive Full Payment of the Obligations and any release relating to this credit facility.

SECTION 5 PAYMENTS

5.1 General Payment Provisions.

All payments of Obligations shall be made in Dollars, without offset, compensation, counterclaim or defense of any kind, free of (and without deduction for) any Taxes, and in immediately available funds, not later than 12:00 p.m. (Eastern time) on the due date. Any payment after such time shall be deemed made on the next Business Day. Obligors may, at the time of payment, specify to Agent the Obligations to which such payment is to be applied, but Agent shall in all events retain the right to apply such payment in such manner as Agent, subject to the provisions hereof, may determine to be appropriate. If any payment under the Loan

Documents shall be stated to be due on a day other than a Business Day, the due date shall be extended to the next Business Day and such extension of time shall be included in any computation of interest and fees. Any payment of a BA Equivalent Loan prior to the end of its Interest Period shall be accompanied by all amounts due under Section 3.9. Any prepayment of Loans shall be applied first to Prime Rate Loans and then to BA Equivalent Loans.

5.2 Repayment of Revolver Loans.

Revolver Loans shall be due and payable in full on the Revolver Termination Date, unless payment is sooner required hereunder. Revolver Loans may be prepaid from time to time, without penalty or premium. Notwithstanding anything herein to the contrary, (i) if an Overadvance exists, Borrower shall, on the sooner of Agent's demand or the first Business Day after Borrower has knowledge thereof, repay the outstanding Revolver Loans in an amount sufficient to reduce the principal balance of Revolver Loans to the Borrowing Base.

5.3 Payment of Other Obligations.

Obligations other than Loans, including LC Obligations and Extraordinary Expenses, shall be paid by Obligors as provided in the Loan Documents or, if no payment date is specified, on demand.

5.4 Marshalling; Payments Set Aside.

None of Agent or Lenders shall be under any obligation to marshal any assets in favour of any Obligor or against any Obligations. If any Obligor makes a payment to Agent or Lenders, or if Agent or any Lender receives payment from the proceeds of Collateral, exercise of setoff, compensation or otherwise, and such payment is subsequently invalidated or required to be repaid to a trustee, receiver or any other Person, then the Obligations originally intended to be satisfied, and all Liens, rights and remedies therefor, shall be revived and continued in full force and effect as if such payment had not been received and any enforcement, setoff or compensation had not occurred.

5.5 Post-Default Allocation of Payments.

5.5.1 Allocation.

Notwithstanding anything herein to the contrary, during an Event of Default, monies to be applied to the Obligations, whether arising from payments by Obligors, realization on Collateral, setoff, compensation or otherwise, shall be allocated as follows:

(a) first, to all costs and expenses, including Extraordinary Expenses, owing to Agent;

(b) second, to all amounts owing to Agent on Swingline Loans or Protective Advances;

(c) third, to all amounts owing to Issuing Bank on LC Obligations;

(d) fourth, to all Obligations constituting fees owing to Agent and owing to Lenders (on a Pro Rata basis), (excluding amounts relating to Bank Products);

(e) fifth, to all Obligations constituting interest owing to Agent and owing to the Lenders (on a Pro Rata basis), (excluding amounts relating to Bank Products);

(f) sixth, to provide Cash Collateral for outstanding Letters of Credit;

(g) seventh, to all other Obligations owing to Agent, and owing to the Lenders (on a Pro Rata basis), other than Bank Product Debt;

(h) eighth, to Bank Product Debt in respect of Bank Products provided by the Agent or an Affiliate of the Agent; and

(i) last, to Bank Product Debt in respect of Bank Products provided by any other Lender or an Affiliate of any other Lender.

Amounts shall be applied to each category of Obligations set forth above until Full Payment thereof and then to the next category. If amounts are insufficient to satisfy a category, they shall be applied on a pro rata basis among the Obligations in the category. Amounts distributed with respect to any Bank Product Debt shall be the lesser of the applicable Bank Product Amount last reported to Agent or the actual Bank Product Debt as calculated by the methodology reported to Agent for determining the amount due. Agent shall have no obligation to calculate the amount to be distributed with respect to any Bank Product Debt, but may rely upon written notice of the amount (setting forth a reasonably detailed calculation) from the Secured Party. In the absence of such notice, Agent may assume the amount to be distributed is the Bank Product Amount last reported to it. The allocations and applications of payments set forth in this Section are solely to determine the rights and priorities of Agent and Lenders as among themselves, and may be changed by agreement among them without the consent of any Obligor. This Section is not for the benefit of or enforceable by any Obligor.

5.5.2 Erroneous Application.

Agent shall not be liable for any application of amounts made by it in good faith and, if any such application is subsequently determined to have been made in error, the sole recourse of any Lender or other Person to which such amount should have been made shall be to recover the amount from the Person that actually received it (and, if such amount was received by any Lender, such Lender hereby agrees to return it).

5.6 Application of Payments.

Borrower and each applicable Obligor irrevocably waives the right to direct the application of any payments or Collateral proceeds, and agrees that Agent shall have the continuing, exclusive right to apply and reapply same against the Obligations, in such manner as Agent deems advisable, notwithstanding any entry by Agent in its records. If, as a result of Agent’s receipt of Payment Items or proceeds of Collateral, a credit balance exists, the balance shall not accrue interest in favour of Borrower and shall be made available to Borrower as long as no Default or Event of Default exists.

5.7 Loan Account; Account Stated.

5.7.1 Loan Account.

Agent shall maintain in accordance with its usual and customary practices an account or accounts ("Loan Account") evidencing the Debt of Borrower resulting from each Loan or issuance of a Letter of Credit from time to time. Any failure of Agent to record anything in the Loan Account, or any error in doing so, shall not limit or otherwise affect the obligation of Borrower to pay any amount owing hereunder. Agent may maintain a single Loan Account in the name of Borrower.

5.7.2 Entries Binding.

Entries made in the Loan Account shall constitute presumptive evidence of the information contained therein. If any information contained in the Loan Account is provided to or inspected by any Person, then such information shall be conclusive and binding on such Person for all purposes absent manifest error, except to the extent such Person notifies Agent in writing within 30 days after receipt or inspection that specific information is subject to dispute.

5.8 Taxes.

5.8.1 Payments Free of Taxes.

Any and all payments by or on account of any obligation of Obligors hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Indemnified Taxes, provided that if an Obligor shall be required by applicable law to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section) the Agent or Lenders, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made; (ii) Obligors shall make such deductions or withholdings; and (iii) Obligors shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law.

5.8.2 Payment of Other Taxes by Obligors.

Without limiting the provisions of Section 5.8.1, Obligors shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

5.8.3 Indemnification by Obligors.

Obligors shall indemnify the Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Agent or Lender, as the case may be, and any penalties, interest, additions to tax and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to an Obligor by a Lender (with a copy to the

Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

5.8.4 Evidence of Payments.

As soon as practicable after any payment of Indemnified Taxes by an Obligor to a Governmental Authority, Obligors shall deliver to the Agent, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

5.8.5 Authorized Foreign Banks.

In addition to the provisions of Section 5.8, in respect of amounts paid or credited by or on account of an Obligor to or for the benefit of a particular Lender that is an "authorized foreign bank" for purposes of the ITA, the obligations under this Section 5.8 to pay an additional amount shall apply where the particular Lender is liable for Tax under Part XIII of the ITA in respect of such payment, even if such Obligor is not required under the ITA to deduct or withhold an amount in respect of Taxes on such payment and this Section 5.8 shall apply, *mutatis mutandis*, as if such Obligor was required to withhold an amount in respect of such Taxes.

SECTION 6 CONDITIONS PRECEDENT

6.1 Conditions Precedent to Initial Loans.

In addition to the conditions set forth in Section 6.2, Lenders shall not be required to fund any requested Loan, issue any Letter of Credit, or otherwise extend credit to Borrower hereunder, until the date ("Closing Date") that each of the following conditions has been satisfied:

(a) Notes shall have been executed by Borrower and delivered to each Lender that requests issuance of a Note. Each other Loan Document shall have been duly executed and delivered to Agent by each of the signatories thereto, and each Obligor shall be in compliance with all terms thereof.

(b) Agent shall have received all PPSA and other Lien searches and other evidence satisfactory to Agent that such Liens are the only Liens upon the Collateral, except Permitted Liens.

(c) The Agent shall have received:

(i) acknowledgment copies of proper financing or filing statements, publications or recordations, duly filed on or before the Closing Date under the PPSA of all jurisdictions that the Agent may deem necessary or desirable in order to perfect the Agent's Lien; and

(ii) duly executed "Termination Statements" and such other instruments, in form and substance satisfactory to the Agent, as shall be necessary to terminate and discharge and satisfy all Liens on the Property of the Obligors (except Permitted Liens).

(d) Agent shall have received (i) the Shareholder Subordination Agreement, and (ii) the 331562 Estoppel Agreement.

(e) Agent shall have received duly executed agreements establishing each Dominion Account, in form and substance satisfactory to Agent.

(f) Agent shall have received certificates, in form and substance satisfactory to it, from a knowledgeable Senior Officer of each Obligor certifying that, after giving effect to the initial Loans and transactions hereunder, (i) such Obligor is Solvent; (ii) no Default or Event of Default exists; (iii) the representations and warranties set forth in Section 9 are true and correct; and (iv) such Obligor has complied with all agreements and conditions to be satisfied by it under the Loan Documents.

(g) Agent shall have received a certificate of a duly authorized officer of each Obligor, certifying (i) that attached copies of such Obligor's Organic Documents are true and complete, and in full force and effect, without amendment except as shown, (ii) that an attached copy of resolutions authorizing execution and delivery of the Loan Documents is true and complete, and that such resolutions are in full force and effect, were duly adopted, have not been amended, modified or revoked, and constitute all resolutions adopted with respect to this credit facility, and (iii) to the title, name and signature of each Person authorized to sign the Loan Documents. Agent may conclusively rely on this certificate until it is otherwise notified by the applicable Obligor in writing.

(h) Agent shall have received, in form and substance satisfactory to it, consignee's consent letters from the Persons who are consignees of Obligor Inventory and the requisite assignment of PPSA filings in favour of the Agent reflecting the Agent's security in the consigned Inventory of the Obligors.

(i) Agent shall have received a written opinion of Fleming LLP as well as any local counsel to Obligors or Agent, in form and substance satisfactory to Agent.

(j) Agent shall have received copies of the charter documents of each Obligor, certified as appropriate by the provincial ministry or Secretary of State or another official of such Obligor's jurisdiction of organization. Agent shall have received compliance certificates, certificates of status, certificates d'attestation and good standing certificates for each Obligor, issued by the appropriate official of such Obligor's jurisdiction of organization and each jurisdiction where such Obligor's conduct of business or ownership of Property necessitates qualification.

(k) Agent shall have received copies of policies or certificates of insurance and binders of Insurance for the insurance policies carried by Obligors with requisite loss payable endorsements, all in compliance with the Loan Documents and in form and substance satisfactory to the Agent.

(l) Agent shall have completed its legal due diligence of Obligors, with results satisfactory to Agent. No material adverse change, in the opinion of the Agent, (i) in the financial condition of any Obligor, (ii) in the quality, quantity or value of any Collateral, (iii) in each Obligor's business prospects or its results from operations, or (iv) in each of the Obligor's liabilities, shall have occurred since July 31, 2006.

(m) Since July 31, 2006, to the Closing Date, there shall have been no material adverse change or material disruption in the financial, banking or capital markets which could reasonably be expected to have a Material Adverse Effect on the Loans.

(n) The Revolver Commitments, and the allocation of same among a syndicate of lenders acceptable to the Agent, shall have been arranged and completed.

(o) Agent shall have received a Borrowing Base Certificate prepared as of September 30, 2006. Upon giving effect to the initial funding of Loans and issuance of Letters of Credit, and the payment by Borrower of all fees and expenses incurred in connection herewith as well as any payables stretched beyond their customary payment practices, Availability shall be at least $20,000,000.

(p) The Borrower shall have paid all fees and expenses of the Agent and Lenders, including as provided in the Fee Letter and hereunder, and all attorney costs and audit costs incurred in connection with any of the Loan Documents and the transactions contemplated thereby to the extent invoiced.

(q) The Agent shall have received evidence satisfactory to the Agent that the terms of this Agreement and the other Loan Documents are not in violation of or contrary to the provisions of any other document to which Borrower or any Subsidiary is a party or by which they are bound.

(r) There shall exist no action, suit, investigation, litigation, or proceeding pending or threatened in any court or before any arbitrator or governmental authority that in Lenders' good faith credit discretion (a) could reasonably be expected to have a Material Adverse Effect or impair Obligors' ability to perform their obligations under the Loan Agreement, or (b) could reasonably be expected to materially and adversely affect the Obligations or the transactions contemplated thereby.

(s) Agent shall have reviewed and confirmed their satisfaction with the instruments/debt documents evidencing the Debt of and any other creditors not being paid out and discharged on or prior to the Closing Date.

(t) The Agent shall have received evidence satisfactory to it that each Obligor shall have obtained all governmental and third party consents and approvals as Agent may consider necessary or appropriate in connection with this Agreement and the transactions contemplated thereby.

(u) The Agent shall have received evidence that the Obligor 2006 Amalgamation has occurred, on terms and conditions satisfactory to the Agent.

(v) All proceedings taken in connection with the execution of this Agreement, all other Loan Documents and all documents and papers relating thereto shall be satisfactory in form, scope, and substance to the Agent and the Lenders.

The acceptance by the Borrower of any Loans made or Letters of Credit issued on the Closing Date shall be deemed to be a representation and warranty made by the Borrower to the effect that all of the conditions precedent to the making of such Loans or the issuance of such Letters of Credit have been satisfied, with the same effect as delivery to the Agent and the Lenders of a certificate signed by a Responsible Officer of the Borrower, dated the Closing Date, to such effect.

Execution and delivery to the Agent by a Lender of a counterpart of this Agreement or by an Assignment and Acceptance shall be deemed confirmation by such Lender that (i) all conditions precedent in this Section 6.1 have been fulfilled to the satisfaction of such Lender, (ii) the decision of such Lender to execute and deliver to the Agent an executed counterpart of this Agreement was made by such Lender independently and without reliance on the Agent or any other Lender as to the satisfaction of any condition precedent set forth in this Section 6.1, and (iii) all documents sent to such Lender for approval, consent, or satisfaction were acceptable to such Lender.

6.2 Conditions Precedent to All Credit Extensions.

Agent, Issuing Bank and Lenders shall not be required to fund any Loans, arrange for issuance of any Letters of Credit or grant any other accommodation to or for the benefit of Borrower, unless the following conditions are satisfied:

(a) No Default or Event of Default shall exist at the time of, or result from, such funding, issuance or grant;

(b) The representations and warranties of each Obligor in the Loan Documents shall be true and correct on the date of, and upon giving effect to, such funding, issuance or grant (except for representations and warranties that expressly relate to an earlier date);

(c) All conditions precedent in any other Loan Document shall be satisfied;

(d) No event shall have occurred or circumstance exist that has or could reasonably be expected to have a Material Adverse Effect; and

(e) With respect to issuance of a Letter of Credit, the LC Conditions shall be satisfied.

Each request (or deemed request) by Borrower for funding of a Loan, issuance of a Letter of Credit or grant of an accommodation shall constitute a representation by Borrower that the foregoing conditions are satisfied on the date of such request and on the date of such funding, issuance or grant. As an additional condition to any funding, issuance or grant, Agent shall have

received such other information, documents, instruments and agreements as it deems appropriate in connection therewith.

6.3 Limited Waiver of Conditions Precedent.

If Agent, Issuing Bank or Lenders fund any Loans, arrange for issuance of any Letters of Credit or grant any other accommodation when any conditions precedent are not satisfied (regardless of whether the lack of satisfaction was known or unknown at the time), it shall not operate as a waiver of (a) the right of Agent, Issuing Bank and Lenders to insist upon satisfaction of all conditions precedent with respect to any subsequent funding, issuance or grant; nor (b) any Default or Event of Default due to such failure of conditions or otherwise.

SECTION 7 COLLATERAL

7.1 Grant of Security Interest.

To secure the prompt payment and performance of all Obligations, each Obligor hereby grants to Agent, for the benefit of Secured Parties, a continuing security interest in and Lien upon all personal Property (save and exclusive solely of Equipment) of Obligors, including all of the following Property, whether now owned or hereafter acquired, and wherever located:

(a) all Accounts;

(b) all Chattel Paper, including electronic chattel paper;

(c) all Deposit Accounts and Dominion Accounts;

(d) all General Intangibles, including Intellectual Property;

(e) all Goods, including Inventory but excluding Equipment;

(f) all Instruments;

(g) all Investment Property;

(h) all monies, whether or not in the possession or under the control of Agent, a Lender, or a bailee or Affiliate of Agent or a Lender, including any Cash Collateral;

(i) all accessions to, substitutions for, and all replacements, products, and cash and non-cash proceeds of the foregoing, including proceeds of and unearned premiums with respect to insurance policies, and claims against any Person for loss, damage or destruction of any Collateral; and

(j) all books and records (including customer lists, files, correspondence, tapes, computer programs, print-outs and computer records) pertaining to the foregoing.

7.2 Lien on Deposit Accounts/Dominion Accounts; Cash Collateral.

7.2.1 Deposit Accounts/Dominion Accounts.

(a) To further secure the prompt payment and performance of all Obligations, each Obligor hereby grants to Agent, for the benefit of Secured Parties, a continuing security interest in and Lien upon all of Obligors' right, title and interest in and to each Deposit Account and Dominion Account of such Obligor and any deposits or other sums at any time credited to any such Deposit Account and Dominion Account, including any sums in any blocked or lockbox accounts or in any accounts into which such sums are swept. For greater certainty, Obligors hereby agree that, unless otherwise agreed to by Agent, they will not maintain any Deposit Accounts, other than Dominion Accounts with the Bank.

(b) Each Obligor authorizes and directs Bank to deliver to Agent, on a daily basis, all balances in the Dominion Accounts maintained by such Obligor with such depository for application to the Obligations then outstanding. Each Obligor irrevocably appoints Agent as such Obligor's attorney to collect such balances to the extent any such delivery is not so made.

7.2.2 Cash Collateral.

Any Cash Collateral may be invested, in Agent's discretion, in Cash Equivalents, but Agent shall have no duty to do so, regardless of any agreement, understanding or course of dealing with Borrower, and shall have no responsibility for any investment or loss. Borrower hereby grants to Agent, for the benefit of Secured Parties, a security interest in all Cash Collateral held from time to time and all proceeds thereof, as security for the Obligations, whether such Cash Collateral is held in the Cash Collateral Account or elsewhere. Agent may apply Cash Collateral to the payment of any Obligations, in such order as Agent may elect, as they become due and payable. The Cash Collateral Account and all Cash Collateral shall be under the sole dominion and control of Agent. No Borrower or other Person claiming through or on behalf of Borrower shall have any right to any Cash Collateral, until Full Payment of all Obligations.

7.3 Other Collateral.

7.3.1 Certain After-Acquired Collateral.

Obligors shall promptly notify Agent in writing if, after the Closing Date, any Obligor obtains any interest in any Collateral consisting of Deposit Accounts, Chattel Paper, documents, Instruments, Intellectual Property or Investment Property and, upon Agent's request, shall promptly execute such documents and take such actions as Agent deems appropriate to effect Agent's duly perfected, opposable and first priority Lien upon such Collateral, subject to Permitted Liens, including obtaining any appropriate possession, control agreement or Lien Waiver. If any Collateral is in the possession of a third party, at Agent's request, Obligors shall obtain an acknowledgment that such third party holds the Collateral for the benefit of Agent.

7.4 No Assumption of Liability.

The Lien on Collateral granted hereunder is given as security only and shall not subject Agent or any Lender to, or in any way modify, any obligation or liability of Obligors relating to any Collateral.

7.5 Further Assurances.

Promptly upon request, Obligors shall deliver such instruments, assignments, title certificates, or other documents or agreements, and shall take such actions, as Agent deems appropriate under Applicable Law to evidence or perfect or render opposable its Lien on any Collateral, or otherwise to give effect to the intent of this Agreement. Each Obligor authorizes Agent to file any financing statements or other application of publication that indicates the Collateral as "all present and after acquired personal property" or "the universality of all present and future movable property" of such Obligor, or words to similar effect, and ratifies any action taken by Agent before the Closing Date to effect or perfect or render opposable its Lien on any Collateral.

SECTION 8 COLLATERAL ADMINISTRATION

8.1 Borrowing Base Certificates.

By the twentieth day of each month (or with such other frequency as Agent may require, from time to time, acting in their sole discretion), Borrower shall deliver to Agent (and Agent shall promptly deliver same to Lenders) a Borrowing Base Certificate prepared as of the close of business of the previous month, and at such other times as Agent may request. All calculations of Availability in any Borrowing Base Certificate shall originally be made by Borrower and certified by a Senior Officer, provided that Agent may from time to time review and adjust any such calculation (a) to reflect its reasonable estimate of declines in value of any Collateral, due to collections received in the Dominion Account or otherwise; and (b) to the extent the calculation is not made in accordance with this Agreement or does not accurately reflect the Availability Reserve.

8.2 Administration of Accounts.

8.2.1 Records and Schedules of Accounts.

Each Obligor shall keep accurate and complete records of its Accounts, including all payments and collections thereon, and shall submit to Agent, on such periodic basis as Agent may request, a sales and collections report, in form satisfactory to Agent. Each Obligor shall also provide to Agent, on or before the 20th day of each month, a detailed aged trial balance of all Accounts as of the end of the preceding month, specifying each Account's Account Debtor name, amount, invoice date and due date, showing any discount, allowance, credit, authorized return or dispute, and including such proof of delivery, copies of invoices and invoice registers, copies of related documents, repayment histories, status reports and other information as Agent may request (including the addresses for each Account Debtor). If Accounts in an aggregate face amount of $100,000 or more cease to be Eligible Accounts, Borrower or applicable Obligor shall notify Agent of such occurrence promptly (and in any event within one Business Day) after Borrower or applicable Obligor has knowledge thereof.

8.2.2 Taxes.

If an Account of an Obligor includes a charge for any Taxes, Agent is authorized, in its discretion, to pay the amount thereof to the proper taxing authority for the account of Borrower and to charge Borrower therefor; provided, however, that neither Agent nor Lenders shall be liable for any Taxes that may be due from Obligor or with respect to any Collateral.

8.2.3 Account Verification.

Whether or not a Default or Event of Default exists, Agent shall have the right at any time, in the name of Agent, any designee of Agent or any Obligor to verify the validity, amount or any other matter relating to any Accounts of Obligors by mail, telephone or otherwise. Obligors shall cooperate fully with Agent in an effort to facilitate and promptly conclude any such verification process.

8.2.4 Maintenance of Dominion Account.

Obligors shall maintain Dominion Accounts pursuant to lockbox or other arrangements acceptable to Agent with Bank. Obligors shall obtain an agreement (in form and substance satisfactory to Agent) from Bank, establishing Agent's control over and Lien in the Dominion Account, requiring immediate deposit of all remittances received in the Dominion Account, and waiving offset and compensation rights of such servicer against any funds in the Dominion Account, except offset or compensation rights for customary administrative charges. Neither Agent nor Lenders assume any responsibility to Obligors for any Dominion Account, including any claim of accord and satisfaction or release with respect to any Payment Items accepted by servicer.

8.2.5 Proceeds of Collateral.

Obligors shall request in writing and otherwise take all reasonable steps to ensure that all payments on Accounts or otherwise relating to Collateral are made directly to a Dominion Account. If any Obligor or Subsidiary receives cash or Payment Items with respect to any Collateral, it shall hold same in trust for Agent and promptly (not later than the next Business Day) deposit same into a Dominion Account.

8.3 Administration of Inventory.

8.3.1 Records and Reports of Inventory.

Each Obligor shall keep accurate and complete records of its Inventory and shall submit to Agent, on or before the 20th day of each month, or as frequent as the Agent may request, inventory reports in form satisfactory to Agent. Agent may participate in and observe each inventory count.

8.3.2 Returns of Inventory.

No Obligor shall return any Inventory to a supplier, vendor or other Person, whether for cash, credit or otherwise, unless (a) such return is in the Ordinary Course of Business; (b) no Default, Event of Default or Overadvance exists or would result therefrom; (c) Agent is promptly

notified if the aggregate Value of all Inventory returned in any month exceeds $100,000; and (d) any payment received by an Obligor for a return is promptly remitted to Agent for application to the Obligations.

8.3.3 Acquisition, Sale and Maintenance.

No Obligor shall acquire or accept any Inventory on consignment or approval, and shall take all steps to assure that all Inventory is produced in accordance with Applicable Law. No Obligor shall sell any Inventory on consignment (unless the conditions in respect of such Inventory, set forth in paragraph (i) of the definition of Eligible Inventory, are met to the satisfaction of the Agent) or approval or any other basis under which the customer may return or require Obligors to repurchase such Inventory. Obligors shall use, store and maintain all Inventory with reasonable care and caution, in accordance with applicable standards of any insurance and in conformity with all Applicable Law, and shall make current rent payments (within applicable grace periods provided for in leases) at all locations where any Collateral is located.

8.4 Administration of Equipment and Real Estate.

8.4.1 Records and Schedules of Equipment and Real Estate.

Each Obligor shall keep accurate and complete records of its Equipment, including kind, quality, quantity, cost, acquisitions and dispositions thereof, and shall submit to Agent, on such periodic basis as Agent may request, a current schedule thereof, in form satisfactory to Agent. Promptly upon request, Obligors shall deliver to Agent evidence of their ownership or interests in any Real Estate and Equipment.

8.4.2 Dispositions of Equipment.

No Obligor shall sell, lease or otherwise dispose of or alienate any Equipment or Real Estate, without the prior written consent of Agent, other than (a) a Permitted Asset Disposition, and (b) Equipment or Real Estate pledged as security for the ATB Financial Debt (as long as the Net Proceeds of such dispositions are used to acquire replacement Equipment or Real Estate or to pay or pre-pay amounts owing under the ATB Financial Debt or as otherwise permitted by the ATB Financial Debt documents).

8.5 Administration of Deposit Accounts.

Schedule 8.5 sets forth all Dominion Accounts maintained by Obligors. Each Obligor shall take all actions necessary to establish Agent’s control of each such Dominion Account. Each Obligor shall be the sole account holder of each Dominion Account and shall not allow any other Person (other than Agent) to have control over a Dominion Account or any Property deposited therein. Each Obligor shall not open any Deposit Account or Dominion Account without the consent of Agent.

8.6 General Provisions.

8.6.1 Location of Collateral.

All tangible (corporeal) items of Collateral, other than Inventory in transit, shall at all times be kept by Obligors at the business locations set forth in Schedule 8.6.1, except that Obligors may (a) make sales or other dispositions of Collateral in accordance with Section 10.2.6; and (b) move Collateral to another location in Canada, as applicable, upon 30 Business Days prior written notice to Agent.

8.6.2 Insurance of Collateral; Condemnation Proceeds.

(a) Each Obligor shall maintain insurance with respect to the Collateral, covering casualty, hazard, public liability, theft, malicious mischief, and such other risks, in such amounts, with such endorsements, and with such insurers (rated A+ or better by A.M. Best Rating Guide) as are satisfactory to Agent. All proceeds under each policy shall be payable to Agent. From time to time upon request, Obligors shall deliver to Agent the originals or certified copies of its insurance policies and updated flood plain searches. Unless Agent shall agree otherwise, each policy shall include satisfactory endorsements (i) showing Agent as sole loss payee, first mortgagee or additional insured, as appropriate; (ii) requiring 30 days prior written notice to Agent in the event of cancellation of the policy for any reason whatsoever; and (iii) specifying that the interest of Agent shall not be impaired or invalidated by any act or neglect of any Obligor or the owner of the Property, nor by the occupation of the premises for purposes more hazardous than are permitted by the policy. If any Obligor fails to provide and pay for such insurance, Agent may, at its option, but shall not be required to, procure the insurance and charge Obligors therefor. Each Obligor agrees to deliver to Agent, promptly as rendered, copies of all reports made to insurance companies. While no Event of Default exists, Obligors may settle, adjust or compromise any insurance claim, as long as the proceeds are delivered to Agent. If an Event of Default exists, only Agent shall be authorized to settle, adjust and compromise such claims.

(b) Any proceeds of insurance (other than proceeds from workers' compensation or D&O insurance) and any awards arising from condemnation of any Collateral shall be paid to Agent. Any such proceeds or awards that relate to Inventory shall be applied to payment of the Revolver Loans, and then to any other Obligations outstanding.

8.6.3 Protection of Collateral.

All expenses of protecting, storing, warehousing, insuring, handling, maintaining and shipping any Collateral, all Taxes payable with respect to any Collateral (including any sale thereof), and all other payments required to be made by Agent to any Person to realize upon any Collateral, shall be borne and paid by Obligors. Agent shall not be liable or responsible in any way for the safekeeping of any Collateral, for any loss or damage thereto (except for reasonable care in its custody while Collateral is in Agent's actual possession), for any diminution in the

value thereof, or for any act or default of any warehouseman, carrier, forwarding agency or other Person whatsoever, but the same shall be at Obligors' sole risk.

8.6.4 Defense of Title to Collateral.

Each Obligor shall at all times defend its title to Collateral and Agent's Liens therein against all Persons, claims and demands whatsoever, except Permitted Liens.

8.7 Power of Attorney.

Each Obligor hereby irrevocably constitutes and appoints Agent (and all Persons designated by Agent) as such Obligor's true and lawful attorney (and agent-in-fact) for the purposes provided in this Section. Agent, or Agent's designee, may, without notice and in either its or an Obligor's name, but at the cost and expense of Obligors:

SECTION 9 REPRESENTATIONS AND WARRANTIES

9.1 General Representations and Warranties.

To induce Agent and Lenders to enter into this Agreement and to make available the Commitments, Loans and Letters of Credit, each Obligor represents and warrants that:

9.1.1 Organization and Qualification.

Each Obligor and Subsidiary is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Each Obligor and Subsidiary is duly qualified, authorized to do business and in good standing as a foreign corporation in each jurisdiction where failure to be so qualified could reasonably be expected to have a Material Adverse Effect.

9.1.2 Power and Authority.

Each Obligor is duly authorized to execute, deliver and perform its Loan Documents. The execution, delivery and performance of the Loan Documents have been duly authorized by all necessary action, and do not (a) require any consent or approval of any holders of Equity Interests of any Obligor, other than those already obtained; (b) contravene the Organic Documents of any Obligor; (c) violate or cause a default under any Applicable Law or Material Contract; or (d) result in or require the imposition of any Lien (other than Permitted Liens) on any Property of any Obligor.

9.1.3 Enforceability.

Each Loan Document is a legal, valid and binding obligation of each Obligor party thereto, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

9.1.4 Capital Structure.

Schedule 9.1.4 shows, for each Obligor and Subsidiary, its name, its jurisdiction of organization, its authorized and issued Equity Interests, the holders of its Equity Interests and all direct or indirect holders of such holders, and all agreements binding on such holders with respect to their Equity Interests. Each Obligor has good title to its Equity Interests in its Subsidiaries, subject only to Agent's Lien, and all such Equity Interests are duly issued, fully paid and non-assessable. There are no outstanding options to purchase, warrants, subscription rights, agreements to issue or sell, convertible interests, phantom rights or powers of attorney relating to any Equity Interests of any Obligor or Subsidiary other than (i) Red Man Pipe Canada's call right to purchase the voting Equity Interests of the Borrower held by Midfield Holdings (which call right may be exercised between May 13th and November 13th of 2008), and (ii) Midfield Holdings' options to purchase non-voting Equity Interests of the Borrower.

9.1.5 Corporate Names; Locations.

During the five years preceding the Closing Date, except as shown on Schedule 9.1.5, no Obligor or Subsidiary has been known as or used any corporate, fictitious or trade names, has

been the surviving corporation of a merger, amalgamation or combination, or has acquired any substantial part of the assets of any Person. The chief executive offices and other places of business of Obligors and Subsidiaries are shown on Schedule 8.6.1. During the five years preceding the Closing Date, no Obligor or Subsidiary has had any other office or place of business.

9.1.6 Title to Properties; Priority of Liens.

Each Obligor and Subsidiary has good and marketable title to (or valid leasehold interests in) all of its Real Estate, and good title to all of its personal (movable) Property, including all Property reflected in any financial statements delivered to Agent or Lenders, in each case free of Liens except Permitted Liens. Each Obligor and Subsidiary has paid and discharged all lawful claims that, if unpaid, could become a Lien on its Properties, other than Permitted Liens. All Liens of Agent in the Collateral are duly perfected, opposable and first priority Liens, subject only to Permitted Liens that are expressly allowed to have priority over Agent's Liens.

9.1.7 Accounts.

Agent may rely, in determining which Accounts are Eligible Accounts, on all statements and representations made by Borrower with respect thereto. Borrower warrants, with respect to each Account at the time it is shown as an Eligible Account in a Borrowing Base Certificate, that:

(a) it is genuine and in all respects what it purports to be, and is not evidenced by a judgment;

(b) it arises out of a completed, bona fide sale and delivery of goods or rendition of services in the Ordinary Course of Business, and substantially in accordance with any purchase order, contract or other document relating thereto;

(c) it is for a sum certain, maturing as stated in the invoice covering such sale or rendition of services, a copy of which has been furnished or is available to Agent on request;

(d) it is not subject to any offset, compensation, Lien (other than Agent's Lien), deduction, defense, dispute, counterclaim or other adverse condition except as arising in the Ordinary Course of Business and disclosed to Agent; and it is absolutely owing by the Account Debtor, without contingency in any respect;

(e) no purchase order, agreement, document or Applicable Law restricts assignment of the Account to Agent (regardless of whether, under the UCC, the PPSA or the Civil Code, the restriction is ineffective);

(f) no extension, compromise, settlement, modification, credit, deduction or return has been authorized with respect to the Account, except discounts or allowances granted in the Ordinary Course of Business for prompt payment that are reflected on the face of the invoice related thereto and in the reports submitted to Agent hereunder; and

(g) to the best of Borrower's knowledge, (i) there are no facts or circumstances that are reasonably likely to impair the enforceability or collectibility of such Account; (ii) the Account Debtor had the capacity to contract when the Account arose, continues to meet the applicable Borrower's customary credit standards, is Solvent, is not contemplating or subject to an Insolvency Proceeding, and has not failed, or suspended or ceased doing business; and (iii) there are no proceedings or actions threatened or pending against any Account Debtor that could reasonably be expected to have a material adverse effect on the Account Debtor's financial condition.

9.1.8 Financial Statements.

The consolidated and consolidating balance sheets, and related statements of income, cash flow and shareholder's equity, of Obligors and Subsidiaries that have been and are hereafter delivered to Agent and Lenders, are prepared in accordance with GAAP, and fairly present the financial positions and results of operations of Obligors and Subsidiaries at the dates and for the periods indicated. All projections delivered from time to time to Agent and Lenders have been prepared in good faith, based on reasonable assumptions in light of the circumstances at such time. Since July 31, 2006 there has been no change in the condition, financial or otherwise, of any Obligor or Subsidiary that could reasonably be expected to have a Material Adverse Effect. No financial statement delivered to Agent or Lenders at any time contains any untrue statement of a material fact, nor fails to disclose any material fact necessary to make such statement not materially misleading. The provision for Taxes on the books of each Obligor and Subsidiary is adequate for all years not closed by applicable statutes, and for its current Fiscal Year.

9.1.11 Brokers.

There are no brokerage commissions, finder's fees or investment banking fees payable in connection with any transactions contemplated by the Loan Documents.

9.1.12 Intellectual Property.

Each Obligor and Subsidiary owns or has the lawful right to use all Intellectual Property necessary for the conduct of its business, without conflict with any rights of others. There is no pending or, to any Obligor's knowledge, threatened Intellectual Property Claim with respect to

any Obligor, any Subsidiary or any of their Property (including any Intellectual Property). Except as disclosed on Schedule 9.1.12, no Obligor or Subsidiary pays or owes any Royalty or other compensation to any Person with respect to any Intellectual Property. 9.1.14 Compliance with Laws.

Each Obligor and Subsidiary has duly complied, and its Properties and business operations are in compliance, in all material respects with all Applicable Law, except where noncompliance could not reasonably be expected to have a Material Adverse Effect. There have been no citations, notices or orders of material noncompliance issued to any Obligor or Subsidiary under any Applicable Law.

9.1.15 Compliance with Environmental Laws.

Except as disclosed on Schedule 9.1.15, no Obligor's or Subsidiary's past or present operations, Real Estate or other Properties are subject to any federal, provincial, territorial, state or local investigation to determine whether any remedial action is needed to address any environmental pollution, hazardous material or environmental clean-up. No Obligor or Subsidiary has received any Environmental Notice. No Obligor or Subsidiary has any contingent liability with respect to any Environmental Release, environmental pollution or hazardous material on any Real Estate now or previously owned, leased or operated by it. The representations and warranties contained in the Environmental Agreement are true and correct on the Closing Date.

9.1.16 Burdensome Contracts.

No Obligor or Subsidiary is a party or subject to any contract, agreement or charter restriction that could reasonably be expected to have a Material Adverse Effect. No Obligor or Subsidiary is party or subject to any Restrictive Agreement, except as shown on Schedule 9.1.16, none of which prohibit the execution or delivery of any Loan Documents by an Obligor nor the performance by an Obligor of any obligations thereunder.

9.1.17 Litigation.

Except as shown on Schedule 9.1.17, there are no actions, suits, proceedings or investigations pending or, to any Obligor's knowledge, threatened against any Obligor or Subsidiary, or any of their businesses, operations, Properties, prospects or conditions, that (a)

No Obligor or Subsidiary is in default with respect to any order, injunction or judgment of any Governmental Authority.

9.1.18 No Defaults.

No event or circumstance has occurred or exists that constitutes a Default or Event of Default. No Obligor or Subsidiary is in default, and no event or circumstance has occurred or exists that with the passage of time or giving of notice would constitute a default, under any Material Contract or in the payment of any Borrowed Money. There is no basis upon which any party (other than Borrower or Subsidiary) could terminate a Material Contract prior to its scheduled termination date.

9.1.19 Pension Compliance.

Except as otherwise disclosed in Schedule 9.1.19:

(a) Each Plan is in compliance in all material respects with all applicable laws and the terms of such Plans. Each of the Obligor's and each of its Subsidiaries' Plans are duly registered where required by, and are in compliance and good standing in all material respects under, all applicable laws, acts, statutes, regulations, orders, directives and agreements, including, without limitation, the ITA and the PBA, any successor legislation thereto, and other applicable laws of any jurisdiction. Each Obligor has made all required contributions to any Plan when due, and no application for or taking of a funding waiver or an extension of any amortization period has been made with respect to any Plan.

(b) There are no pending or, to the best knowledge of Obligors, threatened claims, actions or lawsuits, or action by any Governmental Authority or any Plan administrator or trustee, with respect to any Plan which has resulted or could reasonably be expected to result in a Material Adverse Effect. There has been no prohibited transaction or breach of the fiduciary responsibility rules with respect to any Plan or any breach by the Borrower of any other laws, rules, regulations or terms of any Plans or any whole or partial termination or wind up of any Plan which has resulted or could reasonably be expected to result in a Material Adverse Effect.

No Obligor or Subsidiary has any withdrawal liability in connection with a Multiemployer Plan or Foreign Plan. All employer and employee contributions to Foreign Plans, to the extent required by law or the terms of such plans, have been made or accrued in accordance with normal accounting principles. The fair market value of the assets of each funded Foreign Plan, the liability of each insurer for any Foreign Plan funded through insurance and/or the book reserve established for each Foreign Plan, together with any accrued contributions, are sufficient to provide the accrued benefit obligations of all participants in such plans according to the actuarial assumptions and valuations most recently used to account for such obligations in accordance with applicable generally accepted accounting principles. Each Foreign Plan required to be registered has been registered and is maintained in good standing with all applicable regulatory authorities.

9.1.20 Workers' Compensation.

Each Obligor does not have any unpaid workers' compensation or like obligations except as are being incurred and paid on a current basis in the Ordinary Course of Business, and there are no proceedings, claims, actions, orders or investigations of any Governmental Authority relating to worker's compensation outstanding, pending or threatened relating to them or any of their employees or former employees which could reasonably be expected to give rise to a Material Adverse Effect.

11.5.2 Waivers.

The failure or delay of Agent or any Lender to require strict performance by Obligors with any terms of the Loan Documents, or to exercise any rights or remedies with respect to Collateral or otherwise, shall not operate as a waiver thereof nor as establishment of a course of dealing. All rights and remedies shall continue in full force and effect until Full Payment of all Obligations. No modification of any terms of any Loan Documents (including any waiver thereof) shall be effective, unless such modification is specifically provided in a writing directed to Obligors and executed by Agent or the requisite Lenders, and such modification shall be applicable only to the matter specified. Agent shall promptly, upon receipt thereof, forward to each Lender copies of the results of any field audit or other examination or any appraisal prepared by or on behalf of Agent with respect to any Obligor or Collateral ("Report"). Each Lender agrees (a) that neither Bank nor Agent makes any representation or warranty as to the accuracy or completeness of any Report, and shall not be liable for any information contained in or omitted from any Report; (b) that the Reports are not intended to be comprehensive audits or examinations, and that Agent or any other Person performing any audit or examination will inspect only specific information regarding Obligations or the Collateral and will rely significantly upon Obligors' books and records as well as upon representations of Obligors' officers and employees; and (c) to keep all Reports confidential and strictly for such Lender's internal use, and not to distribute any Report (or the contents thereof) to any Person (except to such Lender's Participants, attorneys and accountants) or use any Report in any manner other than administration of the Loans and other Obligations. Each Lender agrees to indemnify and hold harmless Agent and any other Person preparing a Report from any action such Lender may take as a result of or any conclusion it may draw from any Report, as well as any Claims arising in connection with any third parties that obtain all or any part of a Report through such Lender.

12.3 Reliance By Agent.

Agent shall be entitled to rely, and shall be fully protected in relying, upon any certification, notice or other communication (including those by telephone, telex, telegram, telecopy or e-mail) believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and upon the advice and statements of Agent Professionals.

12.4 Action Upon Default.

Agent shall not be deemed to have knowledge of any Default or Event of Default unless it has received written notice from a Lender or Borrower specifying the occurrence and nature thereof. If any Lender acquires knowledge of a Default or Event of Default, it shall promptly notify Agent and the other Lenders thereof in writing. Each Lender agrees that, except as otherwise provided in any Loan Documents or with the written consent of Agent and Required Lenders, it will not take any Enforcement Action, accelerate its Obligations, or exercise any right that it might otherwise have under Applicable Law to credit bid at foreclosure sales, UCC, PPSA, Civil Code sales, sales by a creditor, judicial sales or other similar dispositions of Collateral. Notwithstanding the foregoing, however, a Lender may take action to preserve or enforce its rights against an Obligor where a deadline or limitation period is applicable that would, absent such action, bar enforcement of Obligations held by such Lender, including the filing of proofs of claim in an Insolvency Proceeding.

12.5 Ratable Sharing.

If any Lender shall obtain any payment or reduction of any Obligation, whether through set-off, compensation or otherwise, in excess of its share of such Obligation, determined on a Pro Rata basis or in accordance with Section 5.5.1, as applicable, such Lender shall forthwith purchase from Agent, Issuing Bank and the other Lenders such participations in the affected Obligation as are necessary to cause the purchasing Lender to share the excess payment or reduction on a Pro Rata basis or in accordance with Section 5.5.1, as applicable. If any of such payment or reduction is thereafter recovered from the purchasing Lender, the purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

12.6 Indemnification of Agent Indemnitees.

12.6.1 Indemnification.

EACH LENDER SHALL INDEMNIFY AND HOLD HARMLESS AGENT INDEMNITEES, TO THE EXTENT NOT REIMBURSED BY OBLIGORS (BUT WITHOUT LIMITING THE INDEMNIFICATION OBLIGATIONS OF OBLIGORS UNDER ANY LOAN DOCUMENTS), ON A PRO RATA BASIS, AGAINST ALL CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY AGENT INDEMNITEE, EXCEPT CLAIMS RESULTING FROM SUCH AGENT INDEMNITEE'S GROSS NEGLIGENCE OR WILFUL MISCONDUCT. If Agent is sued by any receiver, trustee in bankruptcy, debtor-in-possession or other Person for any alleged preference from an Obligor or fraudulent transfer, then any monies paid by Agent in settlement or satisfaction of such proceeding, together with all interest, costs and expenses (including attorneys' fees) incurred in the defense of same, shall be promptly reimbursed to Agent by Lenders to the extent of each Lender's Pro Rata share.

12.6.2 Proceedings.

Without limiting the generality of the foregoing, if at any time (whether prior to or after the Commitment Termination Date) any action, suit, proceeding is brought against any Agent Indemnitees by an Obligor, or any Person claiming through an Obligor, to recover damages for any act taken or omitted by Agent in connection with any Obligations, Collateral, Loan Documents or matters relating thereto, or otherwise to obtain any other relief of any kind on

account of any transaction relating to any Loan Documents, each Lender agrees to indemnify and hold harmless Agent Indemnitees with respect thereto and to pay to Agent Indemnitees such Lender's Pro Rata share of any amount that any Agent Indemnitee is required to pay under any judgment or other order entered in such proceeding or by reason of any settlement, including all interest, costs and expenses (including attorneys' fees) incurred in defending same. In Agent's discretion, Agent may reserve for any such proceeding, and may satisfy any judgment, order or settlement, from proceeds of Collateral prior to making any distributions of Collateral proceeds to Lenders.

12.7 Limitation on Responsibilities of Agent.

Agent shall not be liable to Lenders for any action taken or omitted to be taken under the Loan Documents, except for losses directly and solely caused by Agent's gross negligence or wilful misconduct. Agent does not assume any responsibility for any failure or delay in performance or any breach by any Obligor or Lender of any obligations under the Loan Documents. Agent does not make to Lenders any express or implied warranty, representation or guarantee with respect to any Obligations, Collateral, Loan Documents or Obligor. No Agent Indemnitee shall be responsible to Lenders for any recitals, statements, information, representations or warranties contained in any Loan Documents; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectibility, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection, opposability or priority of any Lien therein; the validity, enforceability or collectibility of any Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor or Account Debtor. No Agent Indemnitee shall have any obligation to any Lender to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any Obligor of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents.

12.8 Successor Agent and Co-Agents.

12.8.1 Resignation; Successor Agent.

Subject to the appointment and acceptance of a successor Agent as provided below, Agent may resign at any time by giving at least 30 days written notice thereof to Lenders and Borrower. Upon receipt of such notice, Required Lenders shall have the right to appoint a successor Agent which shall be (a) a Lender or an Affiliate of a Lender; or (b) a commercial bank that is organized under the laws of Canada or the United States or any state or district thereof (provided that such U.S. bank is an "authorized foreign bank" as defined in section 2 of the *Bank Act* (Canada), has a combined capital surplus of at least $200,000,000 and (provided no Default or Event of Default exists) is reasonably acceptable to Borrower. If no successor agent is appointed prior to the effective date of the resignation of Agent, then Agent may appoint a successor agent from among Lenders. Upon acceptance by a successor Agent of an appointment to serve as Agent hereunder, such successor Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Agent without further act, and the retiring Agent shall be discharged from its duties and obligations hereunder but shall continue to have the benefits of the indemnification set forth in Sections 12.6 and 15.2. Notwithstanding any Agent's resignation, the provisions of this Section 12 shall continue in effect for its benefit with respect

to any actions taken or omitted to be taken by it while Agent. Any successor by merger, amalgamation or acquisition of the stock or assets of Bank shall continue to be Agent hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

12.8.2 Separate Collateral Agent.

It is the intent of the parties that there shall be no violation of any Applicable Law denying or restricting the right of financial institutions to transact business in any jurisdiction. If Agent believes that it may be limited in the exercise of any rights or remedies under the Loan Documents due to any Applicable Law, Agent may appoint an additional Person who is not so limited, as a separate collateral agent or co-collateral agent. If Agent so appoints a collateral agent or co-collateral agent, each right and remedy intended to be available to Agent under the Loan Documents shall also be vested in such separate agent. Every covenant and obligation necessary to the exercise thereof by such agent or mandatary shall run to and be enforceable by it as well as Agent. Lenders shall execute and deliver such documents as Agent deems appropriate to vest any rights or remedies in such agent or mandatary. If any collateral agent or co-collateral agent shall die or dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of such agent or mandatary, to the extent permitted by Applicable Law, shall vest in and be exercised by Agent until appointment of a new agent or mandatary.

12.8.3 Withholding Tax.

(a) Subject to paragraph (b) of this Section, each Lender and the Bank represents and warrants to the Agent and the other Lenders and the Borrower that it is either a resident of Canada or is an “authorized foreign bank” as defined in section 2 of the *Bank Act* (Canada). Each Lender that is an “authorized foreign bank” as defined in section 2 of the *Bank Act* (Canada) further represents and warrants to the Borrower and the other Lenders and agrees that for purposes of the ITA, it will receive all amounts paid or credited to it under this Agreement in respect of its Canadian banking business;

(b) If the Canada Revenue Agency or any other Governmental Authority of Canada or other jurisdiction asserts a claim that the Agent did not properly withhold tax from amounts paid to or for the account of any Lender such Lender shall indemnify the Agent and the Borrower fully for all amounts paid, directly or indirectly, by the Agent or the Borrower as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to the Agent under this Section, together with all costs and expenses (including costs of legal counsel);

(c) Without prejudice to the survival of any other agreement contained herein, the representations and warranties contained in paragraph (a) of this Section and the agreements and obligations contained in paragraph (b) of this Section shall survive the payment in full of principal, interest, fees and any other amounts payable hereunder, the termination of this Agreement and any other Loan Document and the replacement of the Agent.

12.9 Due Diligence and Non-Reliance.

Each Lender acknowledges and agrees that it has, independently and without reliance upon Agent or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Obligor and its own decision to enter into this Agreement and to fund Loans and participate in LC Obligations bereunder. Each Lender has made such inquiries concerning the Loan Documents, the Collateral and each Obligor as such Lender feels necessary. Each Lender further acknowledges and agrees that the other Lenders and Agent have made no representations or warranties concerning any Obligor, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Lender will, independently and without reliance upon the other Lenders or Agent, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Loans and participating in LC Obligations, and in taking or refraining from taking any action under any Loan Documents. Except as expressly provided herein and except for notices, reports and other information expressly requested by a Lender, Agent shall have no duty or responsibility to provide any Lender with any notices, reports or certificates furnished to Agent by any Obligor or any credit or other information concerning the affairs, financial condition, business or Properties of any Obligor (or any of its Affiliates) which may come into possession of Agent or any of Agent's Affiliates.

12.10 Replacement of Certain Lenders.

In the event that any Lender (a) fails to fund its Pro Rata share of any Loan or LC Obligation hereunder, and such failure is not cured within two Business Days, (b) defaults in performing any of its obligations under the Loan Documents, or (c) fails to give its consent to any amendment, waiver or action for which consent of all Lenders was required and Required Lenders consented, then, in addition to any other rights and remedies that any Person may have, Agent may, by notice to such Lender within 120 days after such event, require such Lender to assign all of its rights and obligations under the Loan Documents to Eligible Assignee(s) specified by Agent, pursuant to appropriate Assignment and Acceptance(s) and within 20 days after Agent's notice. Agent is irrevocably appointed as attorney-in-fact to execute any such Assignment and Acceptance if the Lender fails to execute same. Such Lender shall be entitled to receive, in cash, concurrently with such assignment, all amounts owed to it under the Loan Documents, including all principal, interest and fees through the date of assignment (but excluding any prepayment charge).

12.11 Remittance of Payments and Collections.

12.11.1 Remittances Generally.

All payments by any Lender to Agent shall be made by the time and on the day set forth in this Agreement, in immediately available funds. If no time for payment is specified or if payment is due on demand by Agent and request for payment is made by Agent by 12:00 p.m. (Eastern time) on a Business Day, payment shall be made by Lender not later than 2:00 p.m. (Eastern time) on such day, and if request is made after 12:00 p.m. (Eastern time), then payment shall be made by 12:00 p.m. (Eastern time) on the next Business Day. Payment by Agent to any Lender shall be made by wire transfer, in the type of funds received by Agent. Any and all fees and interest paid by the Borrower to the Agent, for the Pro Rata benefit of the Lenders, on the

first day of each month, shall be paid by the Agent to the Lenders on or before the third Business Day of such month. Any such payment shall be subject to Agent's right of offset or compensation for any amounts due from such Lender under the Loan Documents.

12.11.2 Failure to Pay.

If any Lender fails to pay any amount when due by it to Agent pursuant to the terms hereof, such amount shall bear interest from the due date until paid at the rate determined by Agent as customary in the banking industry for interbank compensation. In no event shall Obligors be entitled to receive credit for any interest paid by a Lender to Agent.

12.11.3 Recovery of Payments.

If Agent pays any amount to a Lender in the expectation that a related payment will be received by Agent from an Obligor and such related payment is not received, then Agent may recover such amount from each Lender that received it. If Agent determines at any time that an amount received under any Loan Document must be returned to an Obligor or paid to any other Person pursuant to Applicable Law or otherwise, then, notwithstanding any other term of any Loan Document, Agent shall not be required to distribute such amount to any Lender. If any amounts received and applied by Agent to any Obligations are later required to be returned by Agent pursuant to Applicable Law, Lenders shall pay to Agent, on demand, such Lender's Pro Rata share of the amounts required to be returned.

12.12 Agent in its Individual Capacity.

As a Lender, Bank shall have the same rights and remedies under the other Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include Bank in its capacity as a Lender. Each of Bank and its Affiliates may accept deposits from, maintain deposits or credit balances for, invest in, lend money to, provide Barik Products to, act as trustee under indentures of, serve as financial or other advisor to, and generally engage in any kind of business with, Obligors and their Affiliates, as if Bank were any other bank, without any duty to account therefor (including any fees or other consideration received in connection therewith) to the other Lenders. In their individual capacity, Bank and its Affiliates may receive information regarding Obligors, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and each Lender agrees that Bank and its Affiliates shall be under no obligation to provide such information to Lenders, if acquired in such individual capacity and not as Agent hereunder.

12.13 Agent Titles.

Each Lender, other than Bank, that is designated (on the cover page of this Agreement or otherwise) by Bank as an "Agent" or "Arranger" or "Manager" of any type shall not have any right, power, responsibility or duty under any Loan Documents other than those applicable to all Lenders, and shall in no event be deemed to have any fiduciary relationship with any other Lender.

12.14 No Third Party Beneficiaries.

This Section 12 is an agreement solely among Lenders and Agent, and does not confer any rights or benefits upon Borrower or any other Person. As between Borrower and Agent, any action that Agent may take under any Loan Documents shall be conclusively presumed to have been authorized and directed by Lenders as herein provided.

SECTION 13 BENEFIT OF AGREEMENT; ASSIGNMENTS AND PARTICIPATIONS

13.1 Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of Obligors, Agent and Lenders and their respective successors and assigns, except that (a) no Obligors shall have the right to assign its rights or delegate its obligations under any Loan Documents, and (b) any assignment by a Lender must be made in compliance with Section 13.3. Agent may treat the Person which made any Loan as the owner thereof for all purposes until such Person makes an assignment in accordance with Section 13.3. Any authorization or consent of a Lender shall be conclusive and binding on any subsequent transferee or assignee of such Lender.

13.2 Participations.

13.2.1 Permitted Participants; Effect.

Any Lender may, in the ordinary course of its business and in accordance with Applicable Law, at any time sell to a financial institution ("Participant") a participating interest in the rights and obligations of such Lender under any Loan Documents. Despite any sale by a Lender of participating interests to a Participant, such Lender's obligations under the Loan Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for performance of such obligations, such Lender shall remain the holder of its Loans and Commitments for all purposes, all amounts payable by Obligors shall be determined as if such Lender had not sold such participating interests, and Obligors and Agent shall continue to deal solely and directly with such Lender in connection with the Loan Documents. Each Lender shall be solely responsible for notifying its Participants of any matters under the Loan Documents, and Agent and the other Lenders shall not have any obligation or liability to any such Participant. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.8 unless Borrower agrees otherwise in writing.

13.2.2 Voting Rights.

Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, waiver or other modification of any Loan Documents other than that which forgives principal, interest or fees, reduces the stated interest rate or fees payable with respect to any Loan or Commitment in which such Participant has an interest, postpones the Commitment Termination Date or any date fixed for any regularly scheduled payment of principal, interest or fees on such Loan or Commitment, or releases Borrower, Guarantor or substantial portion of the Collateral.

13.2.3 Benefit of Set-Off.

Obligors agree that each Participant shall have a right of set-off or compensation in respect of its participating interest to the same extent as if such interest were owing directly to a Lender, and each Lender shall also retain the right of set-off or compensation with respect to any participating interests sold by it. By exercising any right of set-off or compensation, a Participant agrees to share with Lenders all amounts received through its set-off or compensation, in accordance with Section 12.5 as if such Participant were a Lender.

13.3 Assignments.

13.3.1 Permitted Assignments.

A Lender may assign to any Eligible Assignee, acceptable to Agent acting reasonably (for greater certainty, any assignment by a Lender to an Affiliate of Lender shall not require such Agent's consent), any of its rights and obligations under the Loan Documents, as long as (a) each assignment is of a constant, and not a varying, percentage of the transferor Lender's rights and obligations under the Loan Documents and, in the case of a partial assignment, is in a minimum principal amount of $10,000,000 (unless otherwise agreed by Agent in its discretion) and integral multiples of $1,000,000 in excess of that amount; (b) except in the case of an assignment in whole of a Lender's rights and obligations, the aggregate amount of the Commitments retained by the transferor Lender be at least $5,000,000 (unless otherwise agreed by Agent in its discretion); and (c) the parties to each such assignment shall execute and deliver to Agent, for its acceptance and recording, an Assignment and Acceptance. Nothing herein shall limit the right of a Lender to pledge or assign any rights under the Loan Documents to (i) any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors and any Operating Circular issued by such Federal Reserve Bank, or (ii) counterparties to swap agreements relating to any Loans; provided, however, that any payment by Obligors to the assigning Lender in respect of any Obligations assigned as described in this sentence shall satisfy Obligors' obligations hereunder to the extent of such payment, and no such assignment shall release the assigning Lender from its obligations hereunder.

13.3.2 Effect; Effective Date.

Upon delivery to Agent of an assignment notice in the form of Exhibit D and a processing fee of $3,500, such assignment shall become effective as specified in the notice, if it complies with this Section 13.3. From the effective date of such assignment, the Eligible Assignee shall for all purposes be a Lender under the Loan Documents, and shall have all rights and obligations of a Lender thereunder. Upon consummation of an assignment, the transferor Lender, Agent and Borrower shall make appropriate arrangements for issuance of replacement and/or new Notes, as appropriate.

13.4 Representation of Lenders.

Each Lender represents and warrants to Borrower, Agent and other Lenders that none of the consideration used by it to fund its Loans or to participate in any other transactions under this Agreement constitutes for any purpose of ERISA or Section 4975 of the Code assets of any "plan" as defined in Section 3(3) of ERISA or Section 4975 of the Code and the interests of such Lender in and under the Loan Documents shall not constitute plan assets under ERISA.

SECTION 14 GUARANTEES

14.1 The Guarantees

Each Guarantor, as primary obligor and not as a surety merely, hereby unconditionally and irrevocably, jointly and severally (solidarily), guarantees to the Agent and each of the Lenders the punctual payment when due in accordance with the terms hereof of all Obligations, of whatever kind and description, of the Borrower to the Agent and each of the Lenders now or hereafter existing, whether direct or indirect, absolute or contingent, matured or unmatured, secured or unsecured pursuant to or arising out of or under this Agreement (including all interest that accrues after the commencement of any Insolvency Proceeding by or against the Borrower, whether or not allowed in such case or proceeding), including, without limitation, all Obligations (all such obligations so guaranteed are referred to herein as the "Guaranteed Obligations").

14.2 Guarantee Absolute

Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with their terms regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agent and/or Lenders with respect thereto. The liability of each Guarantor hereunder shall be solidary (joint and several) and absolute and unconditional irrespective of:

(a) Any lack of validity or enforceability of the Obligations or the Guaranteed Obligations or any agreement or instrument relating thereto;

(b) Any change in the time, manner or place of the payment of, or in any other term of, all or any of the Obligations or the Guaranteed Obligations, or any amendment or modification of or any consent to departure from this Agreement or any other Loan Document;

(c) Any exchange, release, unopposability or nonperfection of any Collateral or any release or amendment to, waiver of, or consent to departure from, or any Guarantee for, all or any part of the Obligations or the Guaranteed Obligations;

(d) the absence of any action to enforce this Agreement (including this Section) or any other Loan Document, or any waiver, consent or indulgence of any kind by Agent or any Lender with respect thereto;

(e) Any whole or partial termination of this Guarantee as to any other Guarantor;

(f) the insolvency of any Obligor; (e) any election by Agent or any Lender to avail itself of an Insolvency Proceeding or any election in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code, or otherwise; (f) any borrowing or grant of a Lien by Borrower, as debtor-in- possession; (g) the disallowance of any claims of Agent or any Lender against any Obligor for the repayment of any Obligations under debtor relief laws; or

(g) Any other circumstance which might otherwise constitute a defence available to, or a discharge of, the Borrower in respect of the Obligations or the Guaranteed Obligations or a Guarantor in respect of this Guarantee or the Guaranteed Obligations.

This Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations or the Guaranteed Obligations are rescinded or must otherwise be returned by the Agent and/or Lenders upon the bankruptcy or reorganization of any Guarantor or otherwise under applicable law, all as though such payment had not been made.

14.3 Consents, Waivers and Renewals

Each Guarantor hereby renounces to the benefits of division and discussion. Each Guarantor hereby waives promptness, diligence, notice of the acceptance hereof, notice of intent to accelerate and notice of acceleration and any other notice with respect to any of the Obligations or the Guaranteed Obligations and this Agreement and any requirement that the Agent and/or Lenders protect, secure, perfect, render opposable or insure any Agent's Lien or Lien on any Property subject thereto or exhaust any right or take any action against the Borrower any Guarantor or any other Person or any Collateral before proceeding hereunder. Each Guarantor agrees that the Agent and/or Lenders may at any time and from time to time, either before or after the maturity thereof, without notice to or further consent of the Borrower or the Guarantor extend the time of payment of, exchange or surrender any Collateral for, or renew any of the Obligations or the Guaranteed Obligations, and may also make any agreements with the Borrower, any Guarantor or with any other party to or Person liable on any of the Obligations, or interested therein, for the extension, renewal, payment, compromise, discharge, or release thereof, in whole or in part, or for any modification of the terms thereof or of any agreement between the Agent and/or any Lenders and the Borrower or any such other party or Person, without in any way impairing or affecting this Guarantee. Each Guarantor agrees to make payment to the Agent, for the rateable benefit of the Lenders, of any of the Obligations and the Guaranteed Obligations whether or not the Agent and/or any Lenders shall have resorted to any collateral security, or shall have proceeded against any other obligor principally or secondarily obligated with respect to any of the Obligations or the Guaranteed Obligations. The Agent and/or Lenders shall be free to deal with the Borrower and the Guarantor as it sees fit.

Agent and Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral by judicial foreclosure or non judicial sale or enforcement, without affecting any rights and remedies under this Section 14. If, in the exercise of any rights or remedies, Agent or any Lender shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Obligor or any other Person, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, Obligors consent to such action by Agent or such Lender and waive any claim based upon such action, even if the action may result in loss of any rights of subrogation that any Obligor might otherwise have had but for such action. Any election of remedies that results in denial or impairment of the right of Agent or any Lender to seek a deficiency judgment against any Obligor shall not impair any other Obligor's obligation to pay the full amount of the Obligations. Each Obligor waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for the Obligations, even though that election

of remedies destroys such Obligor's rights of subrogation against any other Person. If Agent bids at any foreclosure or trustee's sale or at any private sale, Agent may bid all or a portion of the Obligations and the amount of such bid need not be paid by Agent but shall be credited against the Obligations. The amount of the successful bid at any such sale, whether Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Collateral, and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of the Obligations guaranteed under this Section 14, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

14.4 Subrogation

No Guarantor shall exercise any rights which it may acquire by way of subrogation under this Agreement, by any payment made hereunder or otherwise, until all the Obligations and the Guaranteed Obligations shall have been paid in full. If any amount shall be paid to the Borrower on account of such subrogation rights in violation of the foregoing restriction, such amount shall be held in trust for the benefit of the Agent (for itself and the other Lenders) and shall forthwith be paid to the Agent (for itself and the other Lenders) to be credited and applied to the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement.

14.5 Subordination.

Each Obligor hereby postpones any right of enforcement, remedy and action and subordinates any claims, including any right of payment, subrogation, contribution and indemnity, that it may have at any time against any other Obligor, howsoever arising, to the Full Payment of all Obligations. Any such claims (whether secured or unsecured) and any such remedial rights are hereby assigned to the Agent (and shall be assigned pursuant to documentation satisfactory to the Agent), and any such claims owing and paid to an Obligor in contravention of the terms of this Agreement shall be received and held by any such Obligor in trust for the benefit of the Agent (for itself and the other Lenders) and the proceeds thereof shall forthwith be paid over to the Agent (for itself and the other Lenders) to be credited and applied to the Obligations, whether matured or unmatured, in accordance with the terms of this Agreement.

14.6 Protection Clause

Whenever herein a representation or warranty is expressed by a Guarantor or, subject to Section 14.1 above, any agreement to do any act or thing is made by a Guarantor, same shall be deemed to be a representation or warranty as to that Guarantor only and not a representation or warranty of any matter or circumstance of any other Guarantor and an agreement as to its conduct and not the conduct of any other Guarantor. Subject to Section 14.1 above, no Guarantor shall be liable for any obligation of any other Guarantor.

14.7 Limitation on Guarantee of Obligations

(a) In any action or proceeding with respect to any Guarantor involving any state or provincial corporate law, or any state or provincial or federal bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of such Guarantor under Section 14.1 hereof

would otherwise be held or determined to be void, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under said Section 14.1, then, notwithstanding any other provision hereof to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Lender, the Agent or any other Person, be automatically limited and reduced to the highest amount which is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

(b) To the extent that any Guarantor shall make a payment under this Agreement of all or any of the Guaranteed Obligations (a "Guarantor Payment") which, taking into account all other Guarantor Payments then previously or concurrently made by the Guarantor, exceeds the amount which the Guarantor would otherwise have paid if the Guarantor had paid the aggregate Obligations satisfied by such Guarantor Payment in the same proportion that such Guarantor's "Allocable Amount" (as defined below) (in effect immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of the Guarantor in effect immediately prior to the making of such Guarantor Payment, then, following payment in full in cash of the Obligations and termination of the Commitments, such Guarantor shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, the Guarantor for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(i) As of any date of determination, the "Allocable Amount" of any Guarantor shall be equal to the maximum amount of the claim which could then be recovered from such Guarantor under this Agreement without rendering such claim voidable or avoidable under Section 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

(ii) This subsection (b) is intended only to define the relative rights of Guarantor and nothing set forth in this subsection (b) is intended to or shall impair the obligations of Guarantor, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement.

(iii) The rights of the parties under this subsection (b) shall be exercisable upon the full and indefeasible payment of the Obligations and the termination of this Agreement and the other Loan Documents.

(iv) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of any Guarantor to which such contribution and indemnification is owing.

14.8 Guarantee of Payment

The Guarantor further agrees that this Guarantee constitutes a guaranty of payment when due and not of collection, and waives any right to require that any resort be had by the Agent or any Lender to any of the Collateral or other security held for payment of the Guaranteed Obligations or to any balance of any deposit account or credit on the books of the Agent or any Lender in favour of any other Guarantor or any other Person or to any other guarantor of all or part of the Guaranteed Obligations.

SECTION 15 MISCELLANEOUS

15.1 Consents, Amendments and Waivers.

15.1.1 Amendment.

No modification of any Loan Document, including any extension or amendment of a Loan Document or any waiver of a Default or Event of Default, shall be effective without the prior written agreement of Agent, with the consent of Required Lenders, and each Obligor party to such Loan Document; provided, however, that

(a) without the prior written consent of Agent, no modification shall be effective with respect to any provision in a Loan Document that relates to any rights, duties or discretion of Agent;

(b) without the prior written consent of Issuing Bank, no modification shall be effective with respect to any LC Obligations or Section 2.2;

(c) without the prior written consent of each affected Lender, no modification shall be effective that would (i) increase the Commitment of such Lender; or (ii) reduce the amount of, or waive or delay payment of, any principal, interest or fees payable to such Lender; and

(d) without the prior written consent of all Lenders (except a defaulting Lender as provided in Section 4.2), no modification shall be effective that would (i) extend the Revolver Termination Date; (ii) alter Section 5.5, 7.1 (except to add Collateral), or 15.1.1; (iii) amend the definitions of Borrowing Base (and the defined terms used in such definition), Pro Rata or Required Lenders; (iv) increase any advance rate, or increase total Commitments; (v) release Collateral with a book value greater than $2,000,000 during any calendar year, except as currently contemplated by the Loan Documents; or (vi) release any Obligor from liability for any Obligations, if such Obligor is Solvent at the time of the release.

15.1.2 Limitations.

The agreement of Obligors shall not be necessary to the effectiveness of any modification of a Loan Document that deals solely with the rights and duties of Lenders, Agent and/or Issuing Bank as among themselves. Only the consent of the parties to the Fee Letter or any agreement relating to a Bank Product shall be required for any modification of such agreement, and no

Affiliate of a Lender that is party to a Bank Product agreement shall have any other right to consent to or participate in any manner in modification of any other Loan Document. The making of any Loans during the existence of a Default or Event of Default shall not be deemed to constitute a waiver of such Default or Event of Default, nor to establish a course of dealing. Any waiver or consent granted by Lenders hereunder shall be effective only if in writing, and then only in the specific instance and for the specific purpose for which it is given.

15.1.3 Payment for Consents.

Borrower will not, directly or indirectly, pay any remuneration or other thing of value, whether by way of additional interest, fee or otherwise, to any Lender (in its capacity as a Lender hereunder) as consideration for agreement by such Lender with any modification of any Loan Documents, unless such remuneration or value is concurrently paid, on the same terms, on a Pro Rata basis to all Lenders providing their consent.

15.2 Indemnity.

EACH OBLIGOR SHALL INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST ANY CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE, INCLUDING CLAIMS ARISING FROM THE NEGLIGENCE OF AN INDEMNITEE. In no event shall any party to a Loan Document have any obligation thereunder to indemnify or hold harmless an Indemnitee with respect to a Claim that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or wilful misconduct of such Indemnitee.

15.3 Notices and Communications.

15.3.1 Notice Address.

Subject to Section 4.1.4, all notices, requests and other communications by or to a party hereto shall be in writing and shall be given to Borrower, at Borrower's address shown on the signature pages hereof, and to any other Person at its address shown on the signature pages hereof (or, in the case of a Person who becomes a Lender after the Closing Date, at the address shown on its Assignment and Acceptance), or at such other address as a party may hereafter specify by notice in accordance with this Section 15.3. Each such notice, request or other communication shall be effective only (a) if given by facsimile transmission, when transmitted to the applicable facsimile number, if confirmation of receipt is received; (b) if given by mail, three Business Days after deposit in the Canada post mail, with first-class postage pre-paid, addressed to the applicable address; or (c) if given by personal delivery, when duly delivered to the notice address with receipt acknowledged. Notwithstanding the foregoing, no notice to Agent pursuant to Section 2.1.4, 2.2, 3.1.2, or 4.1.1 shall be effective until actually received by the individual to whose attention at Agent such notice is required to be sent. Any written notice, request or other communication that is not sent in conformity with the foregoing provisions shall nevertheless be effective on the date actually received by the noticed party. Any notice received by Borrower shall be deemed received by all Obligors.

15.3.2 Electronic Communications; Voice Mail.

Electronic mail and internet websites may be used only for routine communications, such as financial statements, Borrowing Base Certificates and other information required by Section 10.1.2, administrative matters, distribution of Loan Documents for execution, and matters permitted under Section 4.1.4. Agent and Lenders make no assurances as to the privacy and security of electronic communications. Electronic and voice mail may not be used as effective notice under the Loan Documents.

15.3.3 Non-Conforming Communications.

Agent and Lenders may rely upon any notices purportedly given by or on behalf of Borrower even if such notices were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. Borrower shall indemnify and hold harmless each Indemnitee from any liabilities, losses, costs and expenses arising from any telephonic communication purportedly given by or on behalf of Borrower.

15.4 Performance of Obligors' Obligations.

Agent may, in its discretion at any time and from time to time, at Borrower's expense, pay any amount or do any act required of an Obligor under any Loan Documents or otherwise lawfully requested by Agent to (a) enforce any Loan Documents or collect any Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity, opposability or priority of Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, privilege or priority or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of Agent under this Section shall be reimbursed to Agent by Borrower, on demand, with interest from the date incurred to the date of payment thereof at the Default Rate applicable to Prime Rate Revolver Loans. Any payment made or action taken by Agent under this Section shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

15.5 Credit Inquiries.

Each Obligor hereby authorizes Agent and Lenders (but they shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Obligor or Subsidiary.

15.6 Severability.

Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of the Loan Documents shall remain in full force and effect.

15.7 Cumulative Effect; Conflict of Terms.

The provisions of the Loan Documents are cumulative. The parties acknowledge that the Loan Documents may use several different limitations, tests or measurements to regulate the same or similar matters, and they agree that these are cumulative and that each must be performed as provided. Except as otherwise specifically provided in another Loan Document (by specific reference to the applicable provision of this Agreement), if any provision contained herein is in direct conflict with any provision in another Loan Document, the provision herein shall govern and control.

15.8 Counterparts; Facsimile Signatures.

Any Loan Document may be executed in counterparts, each of which taken together shall constitute one instrument. Loan Documents may be executed and delivered by facsimile, and they shall have the same force and effect as manually signed originals. Agent may require confirmation by a manually-signed original, but failure to request or deliver same shall not limit the effectiveness of any facsimile signature.

15.9 Entire Agreement.

Time is of the essence of the Loan Documents. The Loan Documents embody the entire understanding of the parties with respect to the subject matter thereof and supersede all prior understandings regarding the same subject matter.

15.10 Obligations of Lenders.

The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or Commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled, to the extent not otherwise restricted hereunder, to protect and enforce its rights arising out of the Loan Documents. It shall not be necessary for Agent or any other Lender to be joined as an additional party in any proceeding for such purposes. Nothing in this Agreement and no action of Agent or Lenders pursuant to the Loan Documents shall be deemed to constitute Agent and Lenders to be a partnership, association, joint venture or any other kind of entity, nor to constitute control of any Obligor. Each Obligor acknowledges and agrees that in connection with all aspects of any transaction contemplated by the Loan Documents, Obligors, Agent, Issuing Bank and Lenders have an arms-length business relationship that creates no fiduciary duty on the part of Agent, Issuing Bank or any Lender, and each Obligor, Agent, Issuing Bank and Lender expressly disclaims any fiduciary relationship.

15.11 Confidentiality.

During the term of this Agreement and for 12 months thereafter, Agent and Lenders agree to take reasonable precautions to maintain the confidentiality of any information that Obligors deliver to Agent and Lenders and identify as confidential at the time of delivery, except that Agent and any Lender may disclose such information (a) to their respective officers, directors, employees, Affiliates and agents, including legal counsel, auditors and other professional advisors; (b) to any party to the Loan Documents from time to time; (c) pursuant to the order of any court or administrative agency; (d) upon the request of any Governmental

Authority exercising regulatory authority over Agent or such Lender; (e) which ceases to be confidential, other than by an act or omission of Agent or any Lender, or which becomes available to Agent or any Lender on a nonconfidential basis; (f) to the extent reasonably required in connection with any litigation relating to any Loan Documents or transactions contemplated thereby, or otherwise as required by Applicable Law; (g) to the extent reasonably required for the exercise of any rights or remedies under the Loan Documents; (h) to any actual or proposed party to a Bank Product or to any Transferee, as long as such Person agrees to be bound by the provisions of this Section; (i) to the National Association of Insurance Commissioners or any similar organization, or to any nationally recognized rating agency that requires access to information about a Lender's portfolio in connection with ratings issued with respect to such Lender; or (j) with the consent of Obligors. Notwithstanding the foregoing, Agent and Lenders may issue and disseminate to the public general information describing this credit facility, including the names and addresses of Obligors and a general description of Obligors' businesses, and may use Borrower's names in advertising and other promotional materials.

15.12 Governing Law; Choice of Forum; Service of Process.

(a) THIS AGREEMENT SHALL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED IN ACCORDANCE WITH THE INTERNAL LAWS (AS OPPOSED TO THE CONFLICT OF LAWS PROVISIONS PROVIDED THAT PERFECTION ISSUES MAY GIVE EFFECT TO APPLICABLE CHOICE OR CONFLICT OF LAW RULES SET FORTH IN ARTICLE IX OF THE UCC OR IN THE PPSA OR CIVIL CODE OF QUEBEC, AS APPLICABLE) OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE PROVINCE OF ONTARIO, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE OBLIGORS, THE AGENT AND THE LENDERS CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS, EACH OF THE OBLIGORS, THE AGENT AND THE LENDERS IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS AGREEMENT OR ANY DOCUMENT RELATED HERETO. NOTWITHSTANDING THE FOREGOING: (1) THE AGENT AND THE LENDERS SHALL HAVE THE RIGHT TO BRING ANY ACTION OR PROCEEDING AGAINST AN OBLIGOR OR ITS PROPERTY IN THE COURTS OF ANY OTHER JURISDICTION THE AGENT OR THE LENDERS DEEM NECESSARY OR APPROPRIATE IN ORDER TO REALIZE ON THE COLLATERAL OR OTHER SECURITY FOR THE OBLIGATIONS AND (2) EACH OF THE PARTIES HERETO ACKNOWLEDGES THAT ANY APPEALS

FROM THE COURTS DESCRIBED IN THE IMMEDIATELY PRECEDING SENTENCE MAY HAVE TO BE HEARD BY A COURT LOCATED OUTSIDE THOSE JURISDICTIONS.

(c) EACH OBLIGOR HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND CONSENTS THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL OR BY PERSONAL DELIVERY OR TELECOPIER AS PROVIDED IN SECTION 15.3 DIRECTED TO THE ATTENTION OF OBLIGORS AT ITS ADDRESS SET FORTH HEREIN AND SERVICE MADE BY REGISTERED MAIL SHALL BE DEEMED TO BE COMPLETED FIVE (5) DAYS AFTER THE SAME SHALL HAVE BEEN SO DEPOSITED IN THE MAIL POSTAGE PREPAID AND IF MADE OTHERWISE SHALL BE DEEMED TO BE COMPLETED AT THE TIMES PROVIDED IN SECTION 15.3. NOTWITHSTANDING THE FOREGOING, IF THE PARTY EFFECTING SUCH SERVICE OF PROCESS KNOWS OR OUGHT REASONABLY TO KNOW OF ANY DIFFICULTIES WITH THE POSTAL SYSTEM THAT MIGHT AFFECT THE DELIVERY OF MAIL, SUCH SERVICE OF PROCESS MAY NOT BE MAILED BUT MUST BE EFFECTED BY PERSONAL DELIVERY OR BY A TELECOMMUNICATIONS DEVICE CAPABLE OF CREATING A WRITTEN RECORD. NOTHING CONTAINED HEREIN SHALL AFFECT THE RIGHT OF AGENT OR THE LENDERS TO SERVE LEGAL PROCESS BY ANY OTHER MANNER PERMITTED BY LAW.

15.13 Waivers by Obligors.

To the fullest extent permitted by Applicable Law, each Obligor waives (a) the right to trial by jury (which Agent and each Lender hereby also waives) in any proceeding, claim or counterclaim of any kind relating in any way to any Loan Documents, Obligations or Collateral; (b) Presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties at any time held by Agent on which an Obligor may in any way be liable, and hereby ratifies anything Agent may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Agent to exercise any rights or remedies; (e) the benefit of all valuation, appraisement and exemption laws; (f) any claim against Agent or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, Obligations, Loan Documents or transactions relating thereto; and (g) notice of acceptance hereof. Each Obligor acknowledges that the foregoing waivers are a material inducement to Agent and Lenders entering into this Agreement and that Agent and Lenders are relying upon the foregoing in their dealings with Obligors. Each Obligor has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

15.14 Survival of Representations and Warranties

All of the Obligors' representations and warranties contained in this Agreement shall survive the execution, delivery, and acceptance thereof by the parties, notwithstanding any investigation by the Agent or the Lenders or their respective agents.

15.15 Fees and Expenses

The Borrower agrees to pay to the Agent, for its benefit, on demand, all costs and expenses that Agent or Bank pays or incurs (but not the allocated costs of Agent's employees engaged in day-to-day administration, but including the Agent's auditors' fees and costs) in connection with the negotiation, preparation, syndication, consummation, administration, enforcement, and termination of this Agreement or any of the other Loan Documents, including, without limitation (a) Extraordinary Expenses, (b) attorney costs; (c) costs and expenses (including reasonable lawyers' and paralegals' fees and disbursements) for any amendment, supplement, waiver, consent, or subsequent closing in connection with the Loan Documents and the transactions contemplated thereby; (d) costs and expenses of lien searches; (e) taxes, fees and other charges for filing financing statements and continuations, and other actions to perfect, protect, and continue the Agent's Liens (including costs and expenses paid or incurred by the Agent in connection with the consummation of Agreement); (f) sums paid or incurred to pay any amount or take any action required of the Borrower under the Loan Documents that the Borrower fails to pay or take; (g) costs of appraisals, inspections, and verifications of the Collateral, including travel, lodging, and meals for inspections of the Collateral and the Obligors' operations by the Agent plus the Agent's then customary charge (U.S.$850 per day per person) for field examinations and audits and the preparation of reports thereof for each agent or employee of the Agent with respect to each field examination or audit; (h) costs and expenses of forwarding loan proceeds, collecting cheques and other items of payment, and establishing and maintaining Payment Accounts, including lock boxes; (i) costs and expenses of preserving and protecting the Collateral (and to maintain any insurance required hereunder or to verify Collateral); and (j) costs and expenses (including attorneys' costs) paid or incurred, by Agent or any Lender, to obtain payment of the Obligations, enforce the Agent's Liens, sell or otherwise realize upon the Collateral, and otherwise enforce the provisions of the Loan Documents, or to defend any claims made or threatened against the Agent or any Lender arising out of the transactions contemplated hereby (including preparations for and consultations concerning any such matters). All legal, accounting and consulting fees shall be charged to Borrower by Agent's professionals at their full hourly rates, regardless of any reduced or alternative fee billing arrangements that Agent, any Lender or any of their Affiliates may have with such professionals with respect to this or any other transaction. The foregoing shall not be construed to limit any other provisions of the Loan Documents regarding costs and expenses to be paid by the Obligors. All of the foregoing costs and expenses shall be charged to the Borrower's Loan Account as Revolving Loans as described in Section 5.2 and shall constitute Obligations.

15.16 Limitation of Liability

NO CLAIM MAY BE MADE BY ANY OBLIGOR, ANY LENDER OR OTHER PERSON AGAINST THE AGENT, ANY LENDER, OR THE AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS OF ANY OF THEM FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES IN RESPECT OF ANY CLAIM

FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY ACT, OMISSION OR EVENT OCCURRING IN CONNECTION THEREWITH, AND EACH OBLIGOR AND EACH LENDER HEREBY WAIVE, RELEASE AND AGREE NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOUR.

15.17 Final Agreement

This Agreement and the other Loan Documents including the Fee Letter are intended by the Obligors, the Agent and the Lenders to be the final, complete, and exclusive expression of the agreement between them. This Agreement supersedes any and all prior oral or written agreements relating to the subject matter hereof. No modification, rescission, waiver, release, or amendment of any provision of this Agreement or any other Loan Document shall be made, except by a written agreement signed by the Obligors and a duly authorized officer of each of the Agent and the requisite Lenders.

15.18 Precedence

In the event that any provisions of the Loan Documents (other than this Agreement) (the "Conflicted Agreements") contradict and are otherwise incapable of being construed in conjunction with the provisions of this Agreement, the provisions of this Agreement shall take precedence over those contained in the Conflicted Agreements and, in particular, if any act of an Obligor is expressly permitted under this Agreement but is prohibited under the Conflicted Agreements, any such act shall be permitted under this Agreement and shall be deemed to be permitted under the Conflicted Agreements.

15.19 Judgment Currency.

If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the " Original Currency'') into another currency (the "Second Currency"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Agent could purchase in the Toronto foreign exchange market, the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Obligor agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following the date the Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Agent may, in accordance with normal banking procedures, purchase, in the Toronto foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency, each Obligor agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Agent against such loss. The term "rate of exchange" in this Section means the spot rate at which the Agent, in accordance with normal practices, is able on the relevant date to purchase the Original Currency with the Second Currency, and includes any premium and costs of exchange payable in connection with such purchase.

CONSENT AND FIRST AMENDMENT TO
THE LOAN AND SECURITY AGREEMENT

EXECUTED by the parties hereto as of the 26th day of April, 2007,

AMONG: **MIDFIELD SUPPLY ULC**

(the "Borrower")

AND: **MEGA PRODUCTION TESTING INC.**

(the "Guarantor")

AND: **BANK OF AMERICA, N.A. (acting through its Canada branch)**

in its capacity as agent for Lenders and in its capacity as collateral agent for Secured Parties under the Security Documents

(the "Agent")

AND: **THE FINANCIAL INSTITUTIONS PARTY TO THE LOAN AND SECURITY AGREEMENT, as Lenders**

(collectively the "Lenders")

WHEREAS Borrower, the other Obligors thereto, Lenders and Agent, in its capacity as agent for and on behalf of Lenders and in its capacity as collateral agent for Secured Parties under the Security Documents, entered into a Loan and Security Agreement made as of November 2, 2006 (as the same has or may be amended, modified, restated, supplemented or replaced from time to time, the "**Loan and Security Agreement**");

AND WHEREAS Borrower has advised Agent and Lenders that an Event of Default has occurred under Section 11.1(c) of the Loan and Security Agreement as a result of the Covenant Violations (as hereinafter defined);

AND WHEREAS Borrower has advised Agent that it intends to acquire all of the issued and outstanding shares of Northern Boreal Supply Ltd., a corporation organized under the laws of Alberta ("**Northern**"), pursuant to the terms of a share purchase agreement substantially in the form attached hereto as Schedule "A"(the "**Northern SPA**"), by and among, *inter alia*, Borrower, as purchaser, Douglas Halwa, Daryl Loney and Don Dashney, collectively as vendors (the "**Northern Vendors**"), and Northern, as the company (hereinafter the "**Northern Transaction**");

AND WHEREAS Borrower has advised Agent that it intends to acquire all of the issued and outstanding shares of each of (i) Hagan Oilfield Supply Ltd., a corporation organized under the laws of Alberta, (ii) 1048025 Alberta Ltd., a corporation organized under the laws of Alberta, and (iii) 1236564 Alberta Ltd., a corporation organized under the laws of Alberta (collectively, the "**Hagan Companies**"), pursuant to the terms of a share purchase agreement substantially in the form attached hereto as Schedule "B" (the "**Hagan SPA**"), by and among, *inter alia*, Borrower, as purchaser, 1177903 Alberta Ltd., TJ Hagan Contracting Ltd., Scott Ritchie and 993099 Alberta Ltd., collectively as vendors (the "**Hagan Vendors**"), and the Hagan Companies

(hereinafter the "**Hagan Transaction**"; together with the Northern Transaction, collectively the "**Transactions**");

AND WHEREAS, pursuant to Section 10.1.9 of the Loan and Security Agreement, each of Northern and the Hagan Companies, as a Subsidiary of the Borrower, shall guarantee the Obligations in a manner satisfactory to Agent, and shall execute and deliver such documents, instruments and agreements and take such other actions as Agent shall require to evidence and perfect and render opposable a Lien in favour of Agent (for the benefit of Secured Parties) on all Property of such Person, including delivery of such legal opinions, in form and substance satisfactory to Agent, as it shall deem appropriate;

AND WHEREAS Agent and Lenders wish to confirm their consent to the Transactions, the parties hereto have agreed to amend certain provisions of the Loan and Security Agreement and Agent and Lenders have agreed to waive the Event of Default existing as a result of the Covenant Violations, but, in each case, only to the extent and subject to the limitations set forth in this Consent and First Amendment to the Loan and Security Agreement (hereinafter this "**Amendment Agreement**") and without prejudice to Agent's, Lenders' and Secured Parties' other rights;

NOW THEREFORE for good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the parties hereby agree as follows:

ARTICLE I — INTERPRETATION

1.1 All capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to such terms in the Loan and Security Agreement.

ARTICLE II — WAIVER TO LOAN AND SECURITY AGREEMENT

2.1 Borrower has advised Agent and Lenders that an Event of Default has occurred under Section 11.1(c) of the Loan and Security Agreement as a result of Borrower's failure to:

(a) comply with the requirement set forth in Section 10.1.2(a) of the Loan and Security Agreement that Borrower deliver to Agent and Lenders the unqualified audited financial statements of Borrower for the fiscal year ending October 31, 2006 within 120 days of the close of such fiscal year (the "**Fiscal Year Violation**"); and

(b) comply with the requirement set forth in Section 10.1.2(b) of the Loan and Security Agreement that Borrower deliver to Agent and Lenders within 30 days after the end of each calendar month, for the months of November, 2006, December, 2006, January 2007 and February 2007 (the "**Violation Period**"), monthly financial statements including but not limited to unaudited balance sheets and related statements of income and cash flow (the "**Monthly Violation**", and collectively with the Fiscal Year Violation, the "**Covenant Violations**")

2.2 Subject to the terms of this Amendment Agreement, Agent and Lenders hereby waive, as of the First Amendment Effective Date (hereinafter defined), the Event of Default

existing as a result of the Covenant Violations, provided, however, that Borrower shall deliver to Agent and Lenders: (i) the unqualified audited financial statements of Borrower for the fiscal year ending October 31, 2006, and (ii) the monthly unaudited balance sheets and related financial statements (in accordance with Section 10.1.2(b) of the Loan and Security Agreement) for the Violation Period, in each case, on or before the First Amendment Effective Date.

ARTICLE III — CONSENT

3.1 Further to Borrower's advice that it anticipates executing the Northern SPA and the Hagan SPA and that each of Northern and the Hagan Companies has, or will, become a Subsidiary of Borrower, notwithstanding the terms of the Loan and Security Agreement or any other Loan Document, to the extent necessary, Agent and Lenders hereby consent to the Transactions.

3.2 The consent herein provided, and the satisfaction of the conditions contained in Section 10.1.9 of the Loan and Security Agreement, is conditioned on the execution and delivery, on or before the Consent Effective Date (as hereinafter defined), of the documents, instruments and things listed on Schedule "C" hereto (together with such other or further opinions, certificates, directions of payment or other documents or things reasonably required by Agent).

ARTICLE IV — AMENDMENTS

4.1 As of the Consent Effective Date, the following defined terms shall be added to Section 1.1 of the Loan and Security Agreement, in alphabetical order:

"Hagan Debt — the unsecured balance of the purchase price owing by Borrower to 1177903 Alberta Ltd., TJ Hagan Contracting Ltd., 993099 Alberta Ltd. and Scott Ritchie, in the aggregate principal amount of $750,000, payable on or before May 1, 2008, bearing interest thereon at the rate of 6% per annum from April 1, 2007, the whole in respect of the acquisition by Borrower of all the issued and outstanding shares of each of Hagan Oilfield Supply Ltd., 1048025 Alberta Ltd. and 1236564 Alberta Ltd."

"Northern Debt — the unsecured balance of the purchase price owing by Borrower to Daryl Loney, Douglas Halwa and Don Dashney, in the aggregate principal amount of $2,500,000, payable on or before February 1, 2008, bearing interest thereon at the rate of 6% per annum from April 1, 2007, the whole in respect of the acquisition by Borrower of all the issued and outstanding shares of Northern Boreal Supply Ltd."

4.2 As of the Consent Effective Date, the following clauses **(j)** and **(k)** are added to Section 10.2.1 of the Loan and Security Agreement

"(j) Hagan Debt, provided same is subject to a Subordination Agreement; and"

"(k) Northern Debt, provided same is subject to a Subordination Agreement."

Each advance shall be supported by an officer's certificate detailing the Tangible Asset being acquired, and shall not exceed 100% of the cost of the asset being acquired less GST and all appropriate taxes. conclusive evidence of the indebtedness of Borrower to Lender pursuant to this agreement.

– Borrower authorizes and directs Lender to automatically debit, by mechanical, electronic or manual means, any bank account of Borrower for all amounts payable by Borrower to Lender pursuant to this agreement. 1.2. Duties. During the Term, the Executive shall serve as Chairman of the Board of Directors of the Company (the "Board") and an employee of the Company and in such other positions as an officer or director of the Company and its subsidiaries and affiliates as the Executive and the Board shall mutually agree from time to time. During the Term, the Executive shall perform such duties, functions and responsibilities commensurate with the Executive's positions as reasonably directed by the Board.

1.3. Exclusivity. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the Company, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the Board, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit; provided, however, that it shall not be a violation of this Amended Employment Agreement for the Executive to (i) serve on the board of directors of the Tulsa Chamber of Commerce, (ii) maintain the Executive's current ownership interest in and involvement with Prideco or (iii) engage in such other activities with the Board's prior written consent.

Section 2. Compensation.

2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Company shall pay to the Executive a salary at an annual rate of six hundred ninety thousand dollars ($690,000) payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary will be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Amended Employment Agreement and the Base Salary shall not be reduced at any time (including after any such increase).

2.2. Annual Bonus. Beginning with the fiscal year that commences on January 1, 2008, for each completed fiscal year during the Term, the Executive shall be eligible to receive additional cash incentive compensation (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Base Salary as in effect at the beginning of such fiscal year, with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for such fiscal year by the Board in consultation with the Executive.

2.3. Equity. On the Effective Date, pursuant to the Limited Liability Company Agreement of McJ Holding LLC dated as of December 4, 2006, as amended or restated from time to time (the "LLC Agreement"), the Executive was granted 381.3098 Profits Units (as defined in the LLC Agreement). Notwithstanding Section 7.2(a)(ii) of the LLC Agreement, in the event that the Executive's employment with the Company is terminated at any time for any reason, zero percent (0%) of the Executive's Profits Units shall be subject to forfeiture.

2.4. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Company and its subsidiaries and affiliates as in effect from time to time on the same basis as senior executives. Notwithstanding the foregoing, during the Term, the annual value attributable to retirement benefits will include approximately one hundred twenty thousand dollars ($120,000) pursuant to a nonqualified deferred compensation plan and an additional amount pursuant to an employer-sponsored qualified retirement plan.

2.5. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.6. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Amended Employment Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

Section 3. Employment Termination.

3.1. Termination of Employment. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause) at any time upon not less than thirty (30) days' notice to the other party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, any unreimbursed expenses in accordance with Section 2.6 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Company and its affiliated companies through the date of termination of employment (collectively, the "Accrued Amounts").

3.2. Certain Terminations.

(a) Termination by the Company other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term (i) by the Company other than for Cause or Disability or (ii) by the Executive for Good Reason, in addition to the Accrued Amounts, the Executive shall be entitled to the following payments and benefits: (x) the continuation of his Base Salary at the rate in effect immediately prior to the date of termination for a period of twelve (12) months, (y) the continuation on the same terms as an active senior executive of medical benefits the Executive would otherwise be eligible to receive as an active senior executive of the Company for twelve (12) months or until such earlier time as the Executive becomes eligible for medical benefits from a subsequent employer and (z) a pro rata Annual Bonus for the fiscal year in which the termination occurs (the "Pro Rata Annual Bonus Payment"), based on the Company's actual performance through the end of such fiscal year and the number of days the Executive was employed during such fiscal year (such payments and benefits, the "Severance Payments"). The Company's obligation to make the Severance Payments shall be conditioned upon: (i) the Executive's continued compliance with his obligations under Section 4 of this Amended Employment Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Amended Employment Agreement, the Executive will immediately return to the Company any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a). Subject to Section 3.2(d), the Severance Payments (with the exception of the Pro Rata Annual Bonus Payment) will commence to be paid to the Executive as soon as practicable following the effectiveness of the Release. The Pro Rata Annual Bonus Payment will be paid at the time the Company ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

(b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, in addition to the Accrued Amounts, the Executive (or the Executive's estate, if applicable) shall be entitled to receive a Pro Rata Annual Bonus Payment based on the Company's performance for the full fiscal year in which termination occurs and the number of days the Executive was employed by the Company during such fiscal year.

(c) Definitions. For purposes of this Section 3.2, the following terms shall have the following meanings:

(1) "Cause" shall mean the Executive's (i) continuing failure, for more than ten (10) days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company or any of its subsidiaries and affiliates unless such failure is capable of being cured and is cured within ten (10) days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company or any of its subsidiaries and affiliates; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or any

of its subsidiaries and affiliates or indictment or conviction of any felony; (v) material violation of the provisions of this Amended Employment Agreement unless such violation is capable of being cured and is cured within ten (10) days of the Executive receiving written notice of such violation; (vi) chronic absenteeism; or (vii) abuse of alcohol or another controlled substance.

(2) "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company or any of its subsidiaries or affiliates in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

(3) "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities; (ii) a reduction in the Executive's Base Salary or target Annual Bonus; or (iii) a relocation of the Executive's principal place of employment by more than fifty (50) miles.

(d) Section 409A Specified Employee. If the Executive is a "specified employee" for purposes of Section 409A of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any Severance Payments required to be made pursuant to Section 3.2(a) which are subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment equaling six (6) months of his Base Salary at the rate in effect immediately prior to the date of termination.

3.3. Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Amended Employment Agreement.

3.4. Resignation from All Positions. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company's subsidiaries and affiliates.

3.5. Cooperation. Following the termination of the Executive's employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive's services to the Company and its subsidiaries and affiliates. The Company shall pay the Executive a reasonable fee for any such services and promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

Section 4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights.

4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's positions with Sooner, MRM Corporation and the Company, the Executive has been and will be exposed to and has and will receive information relating to the confidential affairs of the Company and its subsidiaries and affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its subsidiaries and affiliates and other forms of information considered by the Company and its subsidiaries and affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

4.2. Non-Competition. By and in consideration of the Company's entering into this Amended Employment Agreement and the payments to be made and the benefits to be provided hereunder and in connection with the Executive's sale of shares of Sooner pursuant to the Stock Purchase Agreement, and in further consideration of the Executive's exposure to the Confidential Information of the Company and its subsidiaries and affiliates, the Executive agrees that the Executive shall not, for the period which is the longer of (i) five (5) years following the Effective Date or (ii) during the Executive's employment with the Company (whether during the Term or thereafter) and for a period of twenty-four (24) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor

in, any Restricted Enterprise (as defined below); provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean any Person that is actively engaged in any geographic area in any business which is either (i) in competition with the business of the Company or any of its subsidiaries or affiliates or (ii) proposed to be conducted by the Company or any of its subsidiaries or affiliates in their respective business plans as in effect at that time. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its subsidiaries or affiliates.

4.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its subsidiaries and affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries or affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries or affiliates, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Company or its subsidiaries or affiliates and any of its or their customers or clients so as to cause harm to the Company or its subsidiaries or affiliates.

4.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 4.2, 4.3 or 4.4 hereof.

4.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to the business or activities of the Company and its subsidiaries and affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation, including all rights or benefits therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its

applicable affiliate as the Executive's employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its subsidiaries and affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Amended Employment Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof as set forth on Exhibit B hereto (the "Existing Inventions"). Notwithstanding anything to the contrary herein, the Developments shall not include any Existing Inventions. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 4.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 4.6 with the same legal force and effect as if executed by the Executive.

4.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Amended Employment Agreement to any Person; provided that the Executive may disclose this Amended Employment Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure not to disclose the terms of this Amended Employment Agreement further.

4.8. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this Section 4.8 shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the covenants contained in this Section 4 are reasonable and necessary to protect the businesses of the Company and its subsidiaries and affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

Section 5. Representation.

Each of the Executive and the Company represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Amended Employment Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Amended Employment Agreement.

Section 6. Non-Disparagement.

From and after the Effective Date and following termination of the Executive's employment with the Company, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its subsidiaries and affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company and its subsidiaries and affiliates shall cause their officers and directors not to make any such statement regarding the Executive.

Section 7. Withholding.

The Company may withhold from any amounts payable under this Amended Employment Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

Section 8. Miscellaneous.

8.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

8.2. Amendments and Waivers. This Amended Employment Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that, the observance of any provision of this Amended Employment Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Amended Employment Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect

hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8.3. Assignment; No Third-Party Beneficiaries. This Amended Employment Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. Nothing in this Amended Employment Agreement shall confer upon any Person not a party to this Amended Employment Agreement, or the legal representatives of such Person, any rights or remedies of any nature or kind whatsoever under or by reason of this Amended Employment Agreement.

8.4. Notices. Unless otherwise provided herein, all notices, requests, demands, claims and other communications provided for under the terms of this Amended Employment Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set forth below:

8.5. Governing Law. This Amended Employment Agreement shall be construed and enforced in accordance with, and the rights and obligations of the parties hereto shall be governed by, the laws of the State of New York, without giving effect to the conflicts of law principles thereof.

8.6. Severability. Whenever possible, each provision or portion of any provision of this Amended Employment Agreement, including those contained in Section 4 hereof, will be interpreted in such manner as to be effective and valid under applicable law but the invalidity or unenforceability of any provision or portion of any provision of this Amended Employment Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Amended Employment Agreement in that jurisdiction or the validity or enforceability of this Amended Employment Agreement, including that provision or portion of any provision, in any other jurisdiction. In addition, should a court or arbitrator determine that any provision or portion of any provision of this Amended Employment Agreement, including those contained in Section 4 hereof, is not reasonable or valid, either in period of time, geographical area, or otherwise, the parties hereto agree that such provision should be interpreted and enforced to the maximum extent which such court or arbitrator deems reasonable or valid.

8.7. Entire Agreement. From and after the Effective Date, (i) this Amended Employment Agreement, (ii) the Stock Purchase Agreement and (iii) the LLC Agreement constitute the entire agreement between the parties hereto, and supersede all prior representations, agreements and understandings (including any prior course of dealings), both written and oral, between the parties hereto with respect to the subject matter hereof.

8.8. Counterparts. This Amended Employment Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

8.9. Binding Effect. This Amended Employment Agreement shall inure to the benefit of, and be binding on, the successors of each of the parties, including, without limitation, the Executive's heirs and the personal representatives of the Executive's estate and any successor to all or substantially all of the business and/or assets of the Company.

8.10. General Interpretive Principles. The name assigned this Amended Employment Agreement and headings of the sections, paragraphs, subparagraphs, clauses and subclauses of this Amended Employment Agreement are for convenience of reference only and shall not in any way affect the meaning or interpretation of any of the provisions hereof. Words of inclusion shall not be construed as terms of limitation herein, so that references to "include," "includes" and "including" shall not be limiting and shall be regarded as references to non-exclusive and non-characterizing illustrations.

8.11. Mitigation. Notwithstanding any other provision of this Amended Employment Agreement, (a) the Executive will have no obligation to mitigate damages for any breach or termination of this Amended Employment Agreement by the Company, whether by seeking employment or otherwise and (b) the amount of any payment or benefit due the Executive after the date of such breach or termination will not be reduced or offset by any payment or benefit that the Executive may receive from any other source.

8.12 Section 409A Compliance. This Amended Employment Agreement is intended to comply with Section 409A of the Code (to the extent applicable) and, to the extent it would not adversely impact the Company, the Company agrees to interpret, apply and administer this Amended Employment Agreement in the least restrictive manner necessary to comply with such requirements and without resulting in any diminution in the value of payments or benefits to the Executive.

Release

1. In consideration of the payments and benefits to be made under the Amended and Restated Employment Agreement, dated as of September 24, 2008 (the "Employment Agreement"), to which Craig Ketchum (the "Executive") and McJunkin Red Man Holding Corporation (the "Company") (each of the Executive and the Company, a "Party" and collectively, the "Parties") are parties, the sufficiency of which the Executive acknowledges, the Executive, with the intention of binding himself and his heirs, executors, administrators and assigns, does hereby release, remise, acquit and forever discharge the Company and each of its subsidiaries and affiliates (the "Company Affiliated Group"), their present and former officers, directors, executives, shareholders, agents, attorneys, employees and employee benefit plans (and the fiduciaries thereof), and the successors, predecessors and assigns of each of the foregoing (collectively, the "Company Released Parties"), of and from any and all claims, actions, causes of action, complaints, charges, demands, rights, damages, debts, sums of money, accounts, financial obligations, suits, expenses, attorneys' fees and liabilities of whatever kind or nature in law, equity or otherwise, whether accrued, absolute, contingent, unliquidated or otherwise and whether now known or unknown, suspected or unsuspected, which the Executive, individually or as a member of a class, now has, owns or holds, or has at any time heretofore had, owned or held, arising on or prior to the date hereof, against any Company Released Party that arises out of, or relates to, the Employment Agreement, the Executive's employment with the Company or any of its subsidiaries and affiliates, or any termination of such employment, including claims (i) for severance or vacation benefits, unpaid wages, salary or incentive payments, (ii) for breach of contract, wrongful discharge, impairment of economic opportunity, defamation, intentional infliction of emotional harm or other tort, (iii) for any violation of applicable state and local labor and employment laws (including, without limitation, all laws concerning unlawful and unfair labor and employment practices) and (iv) for employment discrimination under any applicable federal, state or local statute, provision, order or regulation, and including, without limitation, any claim under Title VII of the Civil Rights Act of 1964 ("Title VII"), the Civil Rights Act of 1988, the Fair Labor Standards Act, the Americans with Disabilities Act ("ADA"), the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), the Age Discrimination in Employment Act ("ADEA"), and any similar or analogous state statute, excepting only:

(A) rights of the Executive arising under, or preserved by, this Release or Sections 2.3 and 3 of the Employment Agreement;

(B) the right of the Executive to receive COBRA continuation coverage in accordance with applicable law;

(C) claims for benefits under any health, disability, retirement, life insurance or other, similar employee benefit plan (within the meaning of Section 3(3) of ERISA) of the Company Affiliated Group; and

(D) rights to indemnification the Executive has or may have under the by-laws or certificate of incorporation of any member of the Company Affiliated Group or as an insured under any director's and officer's liability insurance policy now or previously in force.

2. The Employee acknowledges and agrees that the release of claims set forth in this Release is not to be construed in any way as an admission of any liability whatsoever by any Company Released Party, any such liability being expressly denied.

3. The release of claims set forth in this Release applies to any relief no matter how called, including, without limitation, wages, back pay, front pay, compensatory damages, liquidated damages, punitive damages, damages for pain or suffering, costs, and attorneys' fees and expenses.

4. The Executive specifically acknowledges that his acceptance of the terms of the release of claims set forth in this Release is, among other things, a specific waiver of his rights, claims and causes of action under Title VII, ADEA, ADA and any state or local law or regulation in respect of discrimination of any kind; provided, however, that nothing herein shall be deemed, nor does anything contained herein purport, to be a waiver of any right or claim or cause of action which by law the Executive is not permitted to waive.

5. As to rights, claims and causes of action arising under the ADEA, the Executive acknowledges that he has been given but not utilized a period of twenty-one (21) days to consider whether to execute this Release. If the Executive accepts the terms hereof and executes this Release, he may thereafter, for a period of seven (7) days following (and not including) the date of execution, revoke this Release as it relates to the release of claims arising under the ADEA. If no such revocation occurs, this Release shall become irrevocable in its entirety, and binding and enforceable against the Executive, on the day next following the day on which the foregoing seven-day period has elapsed. If such a revocation occurs, the Executive shall irrevocably forfeit any right to payment of the Severance Payments (as defined in the Employment Agreement), but the remainder of the Employment Agreement shall continue in full force.

6. Other than as to rights, claims and causes of action arising under the ADEA, the release of claims set forth in this Release shall be immediately effective upon execution by the Executive.

7. The Executive acknowledges and agrees that he has not, with respect to any transaction or state of facts existing prior to the date hereof, filed any complaints, charges or lawsuits against any Company Released Party with any governmental agency, court or tribunal.

8. The Executive acknowledges that he has been advised to seek, and has had the opportunity to seek, the advice and assistance of an attorney with regard to the release of claims set forth in this Release, and has been given a sufficient period within which to consider the release of claims set forth in this Release.

9. The Executive acknowledges that the release of claims set forth in this Release relates only to claims which exist as of the date of this Release.

10. The Executive acknowledges that the Severance Payments he is receiving in connection with the release of claims set forth in this Release and his obligations under this Release are in addition to anything of value to which the Executive is entitled from the Company and any of its affiliates.

11. Each provision hereof is severable from this Release, and if one or more provisions hereof are declared invalid, the remaining provisions shall nevertheless remain in full force and effect. If any provision of this Release is so broad, in scope, or duration or otherwise, as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

12. This Release constitutes the complete agreement of the Parties in respect of the subject matter hereof and shall supersede all prior agreements between the Parties in respect of the subject matter hereof except to the extent set forth herein.

13. The failure to enforce at any time any of the provisions of this Release or to require at any time performance by another party of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or to affect the validity of this Release, or any part hereof, or the right of any party thereafter to enforce each and every such provision in accordance with the terms of this Release.

14. This Release may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be deemed effective for all purposes.

EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT, dated as of December 4, 2006 (the "Employment Agreement"), by and among McJ Holding LLC, a Delaware limited liability company ("McJ Holding LLC"), McJunkin Corporation, a West Virginia corporation (the "Company"), and James Underhill (the "Executive").

WHEREAS, pursuant to the Agreement and Plan of Merger, dated as of the date hereof (the "Merger Agreement"), between McJ Holding Corporation, a Delaware corporation ("McJ Holding Corporation"), Hg Acquisition Corp., a West Virginia corporation and wholly-owned subsidiary of McJ Holding Corporation ("Hg Acquisition") and the Company, Hg Acquisition will merge with and into the Company with the Company continuing as the surviving corporation (the "Merger");

WHEREAS, the Executive acknowledges that McJ Holding Corporation would not have entered into the Merger Agreement unless the Executive executes this Employment Agreement and agrees to be bound by the covenants contained in Section 4 hereof; and

WHEREAS, the Executive is currently employed as the Company's Executive Vice President and Chief Financial Officer and the Company and the Executive desire to continue the Executive's employment with the Company on the terms and conditions set forth in this Employment Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the parties hereto agree as follows:

Section 1. Employment.

1.1. Term. McJ Holding LLC and the Company agree to employ the Executive, and the Executive agrees to be employed by McJ Holding LLC and the Company, in each case pursuant to this Employment Agreement, for a period commencing on the Closing Date (as defined in the Merger Agreement) (such date, the "Effective Date") and ending on the earlier of (i) the third (3rd) anniversary of the Effective Date and (ii) the termination of the Executive's employment in accordance with Section 3 hereof (the "Term").

1.2. Duties. During the Term, the Executive shall serve as the Company's Executive Vice President and Chief Financial Officer and such other positions as an officer or director of the Company and such affiliates of the Company as the Executive and the board of directors of the Company (the "Board") shall mutually agree from time to time. In such positions, the Executive shall perform such duties, functions and responsibilities during the Term commensurate with the Executive's positions as reasonably directed by the Chief Executive Officer of the Company (the "CEO").

1.3. Exclusivity. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the

Company, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the CEO, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit; provided, however, that it shall not be a violation of this Employment Agreement for the Executive to engage in other outside business activities with the Board's prior written consent.

Section 2. Compensation.

2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Company shall pay to the Executive a salary at an annual rate of four hundred fifty thousand dollars ($450,000), payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary will be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Employment Agreement and the Base Salary shall not be reduced at any time (including after any such increase).

2.2. Annual Bonus. For each completed fiscal year occurring during the Term commencing with the 2007 fiscal year, the Executive shall be eligible to receive additional cash incentive compensation (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Executive's Base Salary as in effect at the beginning of such fiscal year, with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the Board in consultation with the CEO. The Annual Bonus for the calendar year ending December 31, 2006 shall be determined in accordance with the Company's existing bonus plan, consistent with past practice (but excluding any Merger-related expenses and any interest expenses associated with the additional borrowing incurred in connection with the Merger).

2.3. Equity. On the Effective Date, pursuant to the Limited Liability Company Agreement of McJ Holding LLC dated as of the date hereof (the "LLC Agreement"), the Executive will be granted Profits Units (as defined in the LLC Agreement) as set forth therein. Notwithstanding Section 7.2(a)(ii) of the LLC Agreement, if the Executive terminates his employment with Good Reason (as defined herein) or the Company terminates the Executive's employment without Cause (as defined herein), no Profits Units issued to the Executive shall be subject to forfeiture.

2.4. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Company as in effect from time to time on the same basis as other senior executives of the Company. Notwithstanding the foregoing, during the Term, the annual value attributable to retirement benefits will be approximately seventy thousand dollars ($70,000), which amount (x) is in addition to any benefits pursuant to the McJunkin Corporation Profit-Sharing and Savings Plan and Trust and (y) includes any benefits under the Amended and Restated McJunkin Corporation Supplemental Executive Savings Plan and Trust (the "SERP") or any plan that replaces the SERP.

2.5. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.6. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Employment Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

Section 3. Employment Termination.

3.1. Termination of Employment. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause) at any time upon not less than thirty (30) days' notice to the other party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, any unreimbursed expenses in accordance with Section 2.6 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Company and its affiliated companies through the date of termination of employment (collectively, the "Accrued Amounts").

3.2. Certain Terminations.

(a) Termination by the Company other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term (i) by the Company other than for Cause or Disability or (ii) by the Executive for Good Reason, in addition to the Accrued Amounts the Executive shall be entitled to the following payments and benefits: (x) the continuation of his Base Salary at the rate in effect immediately prior to the date of termination for a period of twelve (12) months, (y) the continuation on the same terms as an active senior executive of medical benefits the Executive would otherwise be eligible to receive as an active senior executive of the Company for twelve (12) months or until such earlier time as the Executive becomes eligible for medical benefits from a subsequent employer and (z) a pro rata Annual Bonus for the fiscal year in which the termination occurs (the "Pro Rata Annual Bonus Payment"), based on the Company's actual performance through the end of such fiscal year and the number of days the Executive was employed during such fiscal year (such payments and benefits, the "Severance Payments"). The Company's obligations to make the Severance Payments shall be conditioned upon: (i) the Executive's continued compliance with his obligations under Section 4 of this Employment Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Employment Agreement, the Executive will immediately return to the Company any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a). Subject to Section 3.2(d), the Severance Payments (with the exception of the Pro Rata Annual Bonus Payment) will commence to be paid to the Executive as soon as practicable following the

effectiveness of the Release. The Pro Rata Annual Bonus Payment will be paid at the time the Company ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

(b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, in addition to the Accrued Amounts, the Executive (or the Executive's estate, if applicable) shall be entitled to receive a pro-rated portion of the Annual Bonus based on the Company's performance for the full fiscal year in which termination occurs and the number of days the Executive was employed by the Company during such fiscal year.

(c) Definitions. For purposes of this Section 3.2, the following terms shall have the following meanings:

(1) "Cause" shall mean the Executive's (i) continuing failure, for more than 10 days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is capable of being cured and is cured within 10 days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or indictment or conviction of any felony; (v) material violation of the provisions of this Employment Agreement unless such violation is capable of being cured and is cured within 10 days of the Executive receiving written notice of such violation; (vi) chronic absenteeism; or (vii) abuse of alcohol or another controlled substance.

(2) "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

(3) "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities, (ii) a reduction in the Executive's Base Salary or target Annual Bonus or (iii) a relocation of the Executive's principal place of employment by more than 50 miles.

(d) Section 409A Specified Employee. If the Executive is a "specified employee" for purposes of Section 409A of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any Severance Payments required to be made pursuant to Section 3.2(a) which are subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment equaling six (6) months of his Base Salary at the rate in effect immediately prior to the date of termination.

3.3. Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Employment Agreement.

3.4. Resignation from All Positions. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company's affiliates.

3.5. Cooperation. Following the termination of the Executive's employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive's services to the Company and its subsidiaries. The Company shall pay the Executive a reasonable fee for any such services and promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

Section 4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights.

4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with the Company, the Executive has been and will be exposed to and has and will receive information relating to the confidential affairs of the Company and its affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its affiliates and other forms of information considered by the Company and its affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been

produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

4.2. Non-Competition. By and in consideration of the Company's entering into this Employment Agreement and the payments to be made and the benefits to be provided hereunder and in further consideration of the Executive's exposure to the Confidential Information of the Company and its affiliates, the Executive agrees that the Executive shall not, during the Executive's employment with the Company (whether during the Term or thereafter) and for a period of twelve (12) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined below) and in connection with the Executive's association directly or indirectly engage in any activity that is similar to any activity that the Executive was engaged in with the Company during the 12 months preceding the date of termination; provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean (i) any Person that is actively engaged in any geographic area in any business which materially competes with McJ Holding LLC's or any of its subsidiaries' business of the distribution of industrial pipe, valves and fittings or any other business which is material to McJ Holding LLC or any of its subsidiaries (a "Material Business") or (ii) any Person who within a two (2) year period following termination of the Executive's employment is reasonably expected to materially compete with a Material Business or have revenue in excess of $100,000,000 derived from a business that is competitive with a Material Business. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its affiliates.

4.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Company or its subsidiaries and any of its or their customers or clients so as to cause harm to the Company or its affiliates.

4.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 4.2, 4.3 or 4.4 hereof.

4.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to the business or activities of the Company and its affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation, including all rights or benefits therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its applicable affiliate as the Executive's employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Employment Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof as set forth on Exhibit B hereto (the "Existing Inventions"). Notwithstanding anything to the contrary herein, the Developments shall not include any Existing Inventions. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 4.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 4.6 with the same legal force and effect as if executed by the Executive.

4.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Employment Agreement to any Person; provided the Executive may disclose this Employment Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure not to disclose the terms of this Employment Agreement further.

4.8. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this paragraph shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the covenants contained in this Section 4 are reasonable and necessary to protect the businesses of the Company and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

Section 5. Representation.

The Executive and the Company each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Employment Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Employment Agreement.

Section 6. Non-Disparagement.

From and after the Effective Date and following termination of the Executive's employment with the Company, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company shall cause its officers and directors not to make any such statement regarding the Executive.

Section 7. Withholding.

The Company may withhold from any amounts payable under this Employment Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

Section 8. Miscellaneous.

8.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain

director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

8.2. Amendments and Waivers. This Employment Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that the observance of any provision of this Employment Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Employment Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8.3. Assignment; No Third-Party Beneficiaries. This Employment Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. Nothing in this Employment Agreement shall confer upon any Person not a party to this Employment Agreement, or the legal representatives of such Person, any rights or remedies of any nature or kind whatsoever under or by reason of this Employment Agreement.

8.4. Notices. Unless otherwise provided herein, all notices, requests, demands, claims and other communications provided for under the terms of this Employment Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set forth below:

8.6. Severability. Whenever possible, each provision or portion of any provision of this Employment Agreement, including those contained in Section 4 hereof, will be interpreted in such manner as to be effective and valid under applicable law but the invalidity or unenforceability of any provision or portion of any provision of this Employment Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Employment Agreement in that jurisdiction or the validity or enforceability of this Employment Agreement, including that provision or portion of any provision, in any other jurisdiction. In addition, should a court or arbitrator determine that any provision or portion of any provision of this Employment Agreement, including those contained in Section 4 hereof, is not reasonable or valid, either in period of time, geographical area, or otherwise, the parties hereto agree that such provision should be interpreted and enforced to the maximum extent which such court or arbitrator deems reasonable or valid.

From and after the Effective Date, (i) this Employment Agreement, (ii) the LLC Agreement and (iii) the letter agreement between the Executive and the Company, dated July 7, 2006, regarding the Special Retention Bonus and Special Severance Payment, constitute the entire agreement between the parties hereto, and supersede all prior representations, agreements and understandings (including any prior course of dealings), both written and oral, between the parties hereto with respect to the subject matter hereof. date the Merger Agreement terminates in accordance with its terms, this Employment Agreement shall terminate, and shall be of no force or effect.

8.8. Counterparts. This Employment Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

8.9. Binding Effect. 8.10. General Interpretive Principles. The name assigned this Employment Agreement and headings of the sections, paragraphs, subparagraphs, clauses and subclauses of this Employment Agreement are for convenience of reference only and shall not in any way affect the meaning or interpretation of any of the provisions hereof. Words of inclusion shall not be construed as terms of limitation herein, so that references to "include", "includes" and "including" shall not be limiting and shall be regarded as references to non-exclusive and non-characterizing illustrations.

8.11. Mitigation. Notwithstanding any other provision of this Employment Agreement, (a) the Executive will have no obligation to mitigate damages for any breach or termination of this Employment Agreement by the Company, whether by seeking employment or otherwise and (b) the amount of any payment or benefit due the Executive after the date of such breach or termination will not be reduced or offset by any payment or benefit that the Executive may receive from any other source.

8.12 Section 409A Compliance. This Employment Agreement is intended to comply with Section 409A of the Code (to the extent applicable) and, to the extent it would not adversely impact the Company, the Company agrees to interpret, apply and administer this Employment Agreement in the least restrictive manner necessary to comply with such requirements and without resulting in any diminution in the value of payments or benefits to the Executive.

IN WITNESS WHEREOF, the parties have executed this Employment Agreement as of the date first written above.

(A) rights of the Executive arising under, or preserved by, this Release or Sections 2.3 and 3 of the Employment Agreement;

(B) the right of the Executive to receive COBRA continuation coverage in accordance with applicable law;

(C) claims for benefits under any health, disability, retirement, life insurance or other, similar employee benefit plan (within the meaning of Section 3(3) of ERISA) of the Company Affiliated Group; and

(D) rights to indemnification the Executive has or may have under the by-laws or certificate of incorporation of any member of the Company Affiliated Group or as an insured under any director's and officer's liability insurance policy now or previously in force.

2. The Employee acknowledges and agrees that the release of claims set forth in this Release is not to be construed in any way as an admission of any liability whatsoever by any Company Released Party, any such liability being expressly denied.

3. The release of claims set forth in this Release applies to any relief no matter how called, including, without limitation, wages, back pay, front pay, compensatory damages, liquidated damages, punitive damages, damages for pain or suffering, costs, and attorneys' fees and expenses.

4. The Executive specifically acknowledges that his acceptance of the terms of the release of claims set forth in this Release is, among other things, a specific waiver of his rights, claims and causes of action under Title VII, ADEA, ADA and any state or local law or regulation in respect of discrimination of any kind; provided, however, that nothing herein shall be deemed, nor does anything contained herein purport, to be a waiver of any right or claim or cause of action which by law the Executive is not permitted to waive.

5. As to rights, claims and causes of action arising under the ADEA, the Executive acknowledges that he has been given but not utilized a period of twenty-one (21) days to consider whether to execute this Release. If the Executive accepts the terms hereof and executes this Release, he may thereafter, for a period of seven (7) days following (and not including) the date of execution, revoke this Release as it relates to the release of claims arising under the ADEA. If no such revocation occurs, this Release shall become irrevocable in its entirety, and binding and enforceable against the Executive, on the day next following the day on which the foregoing seven-day period has elapsed. If such a revocation occurs, the Executive shall irrevocably forfeit any right to payment of the Severance Payments (as defined in the Employment Agreement), but the remainder of the Employment Agreement shall continue in full force.

6. Other than as to rights, claims and causes of action arising under the ADEA, the release of claims set forth in this Release shall be immediately effective upon execution by the Executive.

7. The Executive acknowledges and agrees that he has not, with respect to any transaction or state of facts existing prior to the date hereof, filed any complaints, charges or lawsuits against any Company Released Party with any governmental agency, court or tribunal.

8. The Executive acknowledges that he has been advised to seek, and has had the opportunity to seek, the advice and assistance of an attorney with regard to the release of claims set forth in this Release, and has been given a sufficient period within which to consider the release of claims set forth in this Release.

9. The Executive acknowledges that the release of claims set forth in this Release relates only to claims which exist as of the date of this Release.

10. The Executive acknowledges that the Severance Payments he is receiving in connection with the release of claims set forth in this Release and his obligations under this Release are in addition to anything of value to which the Executive is entitled from the Company.

11. Each provision hereof is severable from this Release, and if one or more provisions hereof are declared invalid, the remaining provisions shall nevertheless remain in full force and effect. If any provision of this Release is so broad, in scope, or duration or otherwise, as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

12. This Release constitutes the complete agreement of the Parties in respect of the subject matter hereof and shall supersede all prior agreements between the Parties in respect of the subject matter hereof except to the extent set forth herein.

13. The failure to enforce at any time any of the provisions of this Release or to require at any time performance by another party of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or to affect the validity of this Release, or any part hereof, or the right of any party thereafter to enforce each and every such provision in accordance with the terms of this Release.

14. This Release may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be deemed effective for all purposes.

15. This Release shall be binding upon any and all successors and assigns of the Executive and the Company.

16. Except for issues or matters as to which federal law is applicable, this Release shall be governed by and construed and enforced in accordance with the laws of the State of New York without giving effect to the conflicts of law principles thereof.

EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT, dated as of December 4, 2006 (the "Employment Agreement"), by and among McJ Holding LLC, a Delaware limited liability company ("McJ Holding LLC"), McJunkin Corporation, a West Virginia corporation (the "Company"), and David Fox, III (the "Executive").

WHEREAS, pursuant to the Agreement and Plan of Merger, dated as of the date hereof (the "Merger Agreement"), between McJ Holding Corporation, a Delaware corporation ("McJ Holding Corporation"), Hg Acquisition Corp., a West Virginia corporation and wholly-owned subsidiary of McJ Holding Corporation ("Hg Acquisition"), and the Company, Hg Acquisition will merge with and into the Company with the Company continuing as the surviving corporation (the "Merger");

WHEREAS, pursuant to the Merger Agreement and the McApple Contribution Agreement, dated as of the date hereof (the "Contribution Agreement"), among McJ Holding LLC, the Company, the Executive and the other parties thereto, and by reason of the consummation of the transactions thereunder, the Executive will contribute shares of McJunkin Appalachian Oilfield Supply Company ("McApple") and receive Common Units (as defined in the Limited Liability Company Agreement of McJ Holding LLC, dated as of the date hereof (the "LLC Agreement")), and other significant consideration therefor;

WHEREAS, the Executive acknowledges that McJ Holding Corporation would not have entered into the Merger Agreement unless the Executive executes this Employment Agreement and agrees to be bound by the covenants contained in Section 4 hereof; and

WHEREAS, the Executive is currently employed by the Company or its subsidiary and the Company and the Executive desire to continue the Executive's employment with the Company on the terms and conditions set forth in this Employment Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the parties hereto agree as follows:

Section 1. Employment.

1.1. Term. McJ Holding LLC and the Company agree to employ the Executive, and the Executive agrees to be employed by McJ Holding LLC and the Company, in each case pursuant to this Employment Agreement, for a period commencing on the Closing Date (as defined in the Merger Agreement) (such date, the "Effective Date") and ending on the earlier of (i) the third (3rd) anniversary of the Effective Date and (ii) the termination of the Executive's employment in accordance with Section 3 hereof (the "Term").

1.2. Duties. During the Term, the Executive shall serve as the Company's Executive Vice President – McJunkin Appalachian and such other positions as an officer or director of the Company and such affiliates of the Company as the Executive and the board of directors of the Company (the "Board") shall mutually agree from time to time. In such positions, the Executive shall perform such duties, functions and responsibilities during the Term

commensurate with the Executive's positions as reasonably directed by the Chief Executive Officer of the Company (the "CEO").

1.3. Exclusivity. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the Company, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the CEO, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit; provided, however, that it shall not be a violation of this Employment Agreement for the Executive to (i) participate at his current level of activity with respect to service on the boards of Cabell Huntington Hospital, Guaranty Bank, Hospice of Huntington and Big Green Scholarship Foundation, or manage his personal investment portfolio, so long as such participation and management does not interfere with his duties and responsibilities as defined in this Employment Agreement or (ii) engage in such other activities with the Board's prior written consent.

Section 2. Compensation.

2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Company shall pay to the Executive a salary at an annual rate of five hundred seventy-five thousand dollars ($575,000), payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary will be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Employment Agreement and the Base Salary shall not be reduced at any time (including after any such increase).

2.2. Annual Bonus. For each completed fiscal year occurring during the Term commencing with the 2007 fiscal year, the Executive shall be eligible to receive additional cash incentive compensation (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Executive's Base Salary as in effect at the beginning of such fiscal year, with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the Board in consultation with the CEO. The Annual Bonus for the calendar year ending December 31, 2006 shall be determined in accordance with McApple's existing bonus plan, consistent with past practice (but excluding any Merger-related expenses and any interest expenses associated with the additional borrowing incurred in connection with the Merger).

2.3. Equity. On the Effective Date, the Executive will be granted Restricted Common Units subject to Article VII of the LLC Agreement with a corresponding capital account as of the Effective Time (as defined in the LLC Agreement) of two million five hundred twenty thousand dollars ($2,520,000) (the "Restricted Common Units"). Notwithstanding Section 7.2(a)(ii) of the LLC Agreement, if the Executive terminates his employment with Good Reason (as defined herein) or the Company terminates the Executive's employment without Cause (as defined herein), during or subsequent to the Term, no Restricted

Common Units issued to the Executive shall be subject to forfeiture and they shall thereby be fully vested, and the restrictions and conditions applicable to such Restricted Common Units shall be deemed to have lapsed immediately prior to the occurrence of such event. Notwithstanding Section 7.2 of the LLC Agreement, in the event of a termination of the Executive's employment due to the Executive's death or Disability, or in the event of a Transaction (as defined in the LLC Agreement), all Restricted Common Units issued to the Executive shall vest, and the restrictions and conditions applicable to such Restricted Common Units shall be deemed to have lapsed immediately prior to the occurrence of any such event. Notwithstanding Section 7.2(a)(i) of the LLC Agreement, if the Executive's employment is terminated with Cause, he shall not forfeit those Restricted Common Units which immediately prior to such termination were not subject to forfeiture; provided however, that McJ Holding LLC may repurchase those units for Fair Market Value (as defined in the LLC Agreement). If the Executive disagrees with the amount of the Fair Market Value as so determined, the Executive can challenge such determination in a writing to McJ Holding LLC within 30 days of his receipt of such determination, in which case, unless McJ Holding LLC informs the Executive of its decision in writing to not pursue the repurchase of such units, the fair market value of such units shall be determined by a third party appraiser reasonably acceptable to McJ Holding LLC and the Executive, with the cost of such appraisal paid 50% by the Company and 50% by the Executive. This Section 2.3, and the definitions of Good Reason, Cause and Disability contained in this Employment Agreement, shall control over any conflicting or inconsistent provisions of the LLC Agreement and shall survive the expiration of this Employment Agreement in accordance with its terms, and continue to be legally operative for so long as any Restricted Common Units are not vested. The Executive shall make a timely and valid election pursuant to Section 83(b) of the Internal Revenue Code of 1986, as amended, with respect to all the Restricted Common Units subject to such grant.

2.4. Cash Payment. On the Closing Date (as defined in the Merger Agreement), the Company shall pay to the Executive two million four hundred eighty thousand dollars ($2,480,000) in cash.

2.5. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Company as in effect from time to time on the same basis as other senior executives of the Company. Notwithstanding the foregoing, during the Term, the annual value attributable to retirement benefits will be approximately one hundred thousand dollars ($100,000), which amount (x) is in addition to any benefits pursuant to the McJunkin Corporation Profit-Sharing and Savings Plan and Trust and (y) includes any benefits under the Amended and Restated McJunkin Corporation Supplemental Executive Savings Plan and Trust (the "SERP") or any plan that replaces the SERP.

2.6. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.7. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Employment Agreement upon

presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

Section 3. Employment Termination.

3.1. Termination of Employment. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause) at any time upon not less than thirty (30) days' notice to the other party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, and any unreimbursed expenses in accordance with Section 2.7 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Company and its affiliated companies through the date of termination of employment (collectively, the "Accrued Amounts").

3.2. Certain Terminations.

(a) Termination by the Company Other Than For Cause or Disability, Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term (i) by the Company other than for Cause or Disability or (ii) by the Executive for Good Reason, in addition to the Accrued Amounts the Executive shall be entitled to the following payments and benefits: (x) the continuation of his Base Salary at the rate in effect immediately prior to the date of termination for a period of twelve (12) months, (y) the continuation on the same terms as an active senior executive of medical benefits the Executive would otherwise be eligible to receive as an active senior executive of the Company for twelve (12) months or until such earlier time as the Executive becomes eligible for medical benefits from a subsequent employer and (z) a pro rata Annual Bonus for the fiscal year in which the termination occurs (the "Pro Rata Annual Bonus Payment"), based on the Company's actual performance through the end of such fiscal year and the number of days the Executive was employed during such fiscal year (such payments and benefits, the "Severance Payments"). The Company's obligations to make the Severance Payments shall be conditioned upon: (i) the Executive's continued compliance with his obligations under Section 4 of this Employment Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Employment Agreement, the Executive will immediately return to the Company any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a). Subject to Section 3.2(d), the Severance Payments (with the exception of the Pro Rata Annual Bonus Payment) will commence to be paid to the Executive as soon as practicable following the effectiveness of the Release. The Pro Rata Annual Bonus Payment will be paid at the time the Company ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

(b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, in addition to the Accrued Amounts, the Executive (or the Executive's estate, if applicable) shall be entitled to receive a pro-rated portion of the Annual Bonus based on the Company's performance for the full fiscal year in which termination occurs and the number of days the Executive was employed by the Company during such fiscal year.

(c) Definitions. For purposes of this Section 3.2, the following terms shall have the following meanings:

(1) "Cause" shall mean the Executive's (i) continuing failure, for more than 10 days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is capable of being cured and is cured within 10 days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or indictment or conviction of any felony; (v) material violation of the provisions of this Employment Agreement unless such violation is capable of being cured and is cured within 10 days of the Executive receiving written notice of such violation; (vi) chronic absenteeism; (vii) abuse of alcohol or another controlled substance; or (viii) failure to make a valid and timely Section 83(b) election as set forth in Section 2.3 hereof.

(2) "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

(3) "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities, (ii) a reduction in the Executive's Base Salary or target Annual Bonus or (iii) a relocation of the Executive's principal place of employment by more than 50 miles.

(d) Section 409A Specified Employee. If the Executive is a "specified employee" for purposes of Section 409A of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any Severance Payments required to be made pursuant to Section 3.2(a) which are subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment equaling six (6) months of his Base Salary at the rate in effect immediately prior to the date of termination.

3.3. Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Employment Agreement.

3.4. Resignation from All Positions. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company's affiliates.

3.5. Cooperation. Following the termination of the Executive's employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive's services to the Company and its subsidiaries. The Company shall pay the Executive a reasonable fee for any such services and promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

Section 4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights.

4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with the Company, the Executive has been and will be exposed to and has and will receive information relating to the confidential affairs of the Company and its affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its affiliates and other forms of information considered by the Company and its affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

4.2. Non-Competition. By and in consideration of the Company's entering into this Employment Agreement and the payments to be made and the benefits to be provided hereunder and in connection with the Executive's contribution of shares of McApple pursuant to the McApple Agreement (as defined in the Merger Agreement), and in further consideration of the Executive's exposure to the Confidential Information of the Company and its affiliates, the Executive agrees that the Executive shall not, for the period which is the longer of (i) five (5) years following the Effective Date or (ii) during the Executive's employment with the Company (whether during the Term or thereafter) and for a period of twenty-four (24) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined below); provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean any Person that is actively engaged in any geographic area in any business which is either (i) in competition with the business of McJ Holding LLC or any of its subsidiaries or (ii) proposed to be conducted by McJ Holding LLC or any of its subsidiaries in the Company's business plan as in effect at that time. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its affiliates.

4.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Company or its subsidiaries and any of its or their customers or clients so as to cause harm to the Company or its affiliates.

4.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 4.2, 4.3 or 4.4 hereof.

4.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to

the business or activities of the Company and its affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation, including all rights or benefits therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its applicable affiliate as the Executive's employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Employment Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 4.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 4.6 with the same legal force and effect as if executed by the Executive.

4.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Employment Agreement to any Person; provided the Executive may disclose this Employment Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure agrees not to disclose the terms of this Employment Agreement further.

4.8. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this paragraph shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the

covenants contained in this Section 4 are reasonable and necessary to protect the businesses of the Company and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

Section 5. Representation.

The Executive and the Company each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Employment Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Employment Agreement.

Section 6. Non-Disparagement.

From and after the Effective Date and following termination of the Executive's employment with the Company, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company shall cause its officers and directors not to make any such statement regarding the Executive.

Section 7. Withholding.

The Company may withhold from any amounts payable under this Employment Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

Section 8. Miscellaneous.

8.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

8.2. Amendments and Waivers. This Employment Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that the observance of any provision of this Employment Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Employment Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein,

no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8.3. Assignment; No Third-Party Beneficiaries. (B) the right of the Executive to receive COBRA continuation coverage in accordance with applicable law;

(C) claims for benefits under any health, disability, retirement, life insurance or other, similar employee benefit plan (within the meaning of Section 3(3) of ERISA) of the Company Affiliated Group; and

(D) rights to indemnification the Executive has or may have under the by-laws or certificate of incorporation of any member of the Company Affiliated Group or as an insured under any director's and officer's liability insurance policy now or previously in force.

2. The Employee acknowledges and agrees that the release of claims set forth in this Release is not to be construed in any way as an admission of any liability whatsoever by any Company Released Party, any such liability being expressly denied.

3. The release of claims set forth in this Release applies to any relief no matter how called, including, without limitation, wages, back pay, front pay, compensatory damages, liquidated damages, punitive damages, damages for pain or suffering, costs, and attorneys' fees and expenses.

4. The Executive specifically acknowledges that his acceptance of the terms of the release of claims set forth in this Release is, among other things, a specific waiver of his rights, claims and causes of action under Title VII, ADEA, ADA and any state or local law or regulation in respect of discrimination of any kind; provided, however, that nothing herein shall be deemed, nor does anything contained herein purport, to be a waiver of any right or claim or cause of action which by law the Executive is not permitted to waive.

5. As to rights, claims and causes of action arising under the ADEA, the Executive acknowledges that he has been given but not utilized a period of twenty-one (21) days to consider whether to execute this Release. If the Executive accepts the terms hereof and executes this Release, he may thereafter, for a period of seven (7) days following (and not including) the date of execution, revoke this Release as it relates to the release of claims arising under the ADEA. If no such revocation occurs, this Release shall become irrevocable in its entirety, and binding and enforceable against the Executive, on the day next following the day on which the foregoing seven-day period has elapsed. If such a revocation occurs, the Executive shall irrevocably forfeit any right to payment of the Severance Payments (as defined in the Employment Agreement), but the remainder of the Employment Agreement shall continue in full force.

6. Other than as to rights, claims and causes of action arising under the ADEA, the release of claims set forth in this Release shall be immediately effective upon execution by the Executive.

7. The Executive acknowledges and agrees that he has not, with respect to any transaction or state of facts existing prior to the date hereof, filed any complaints, charges or lawsuits against any Company Released Party with any governmental agency, court or tribunal.

8. The Executive acknowledges that he has been advised to seek, and has had the opportunity to seek, the advice and assistance of an attorney with regard to the release of claims set forth in this Release, and has been given a sufficient period within which to consider the release of claims set forth in this Release.

9. The Executive acknowledges that the release of claims set forth in this Release relates only to claims which exist as of the date of this Release.

10. The Executive acknowledges that the Severance Payments he is receiving in connection with the release of claims set forth in this Release and his obligations under this Release are in addition to anything of value to which the Executive is entitled from the Company.

11. Each provision hereof is severable from this Release, and if one or more provisions hereof are declared invalid, the remaining provisions shall nevertheless remain in full force and effect. If any provision of this Release is so broad, in scope, or duration or otherwise, as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

12. This Release constitutes the complete agreement of the Parties in respect of the subject matter hereof and shall supersede all prior agreements between the Parties in respect of the subject matter hereof except to the extent set forth herein.

13. The failure to enforce at any time any of the provisions of this Release or to require at any time performance by another party of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or to affect the validity of this Release, or any part hereof, or the right of any party thereafter to enforce each and every such provision in accordance with the terms of this Release.

14. This Release may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be deemed effective for all purposes.

EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT, dated as of October 31, 2007 (the "Employment Agreement"), by and among McJ Holding LLC, a Delaware limited liability company ("McJ Holding LLC"), McJunkin Corporation, a West Virginia corporation (the "Company"), and Dee Paige (the "Executive"). The name of McJ Holding LLC shall be changed to PVF Holding LLC prior to the Effective Date (as defined below).

WHEREAS, pursuant to the Stock Purchase Agreement, dated as of July 6, 2007 (the "Stock Purchase Agreement"), between West Oklahoma PVF Company, a Delaware corporation ("Buyer"), and Red Man Pipe & Supply Co., an Oklahoma corporation ("Sooner"), and the holders of all outstanding shares of stock of Sooner listed on Schedule 1 thereto, Buyer will acquire all of the issued and outstanding capital stock of Sooner;

WHEREAS, the Executive acknowledges that Buyer would not have entered into the Stock Purchase Agreement unless the Executive executes this Employment Agreement and agrees to be bound by the covenants contained in Section 4 hereof; and

WHEREAS, the Executive is currently employed by Sooner and the Company desires to employ the Executive on the terms and conditions set forth in this Employment Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the parties hereto agree as follows:

Section 1. Employment.

1.1. Term. McJ Holding LLC and the Company agree to employ the Executive, and the Executive agrees to be employed by McJ Holding LLC and the Company, in each case pursuant to this Employment Agreement, for a period commencing on the Closing Date (as defined in the Stock Purchase Agreement) (such date, the "Effective Date") and ending on the earlier of (i) the third (3rd) anniversary of the Effective Date and (ii) the termination of the Executive's employment in accordance with Section 3 hereof (the "Term").

1.2. Duties. During the Term, the Executive shall serve as the Company's Executive Vice President — International & Corporate Development and such other positions as an officer or director of the Company and such affiliates of the Company as the Executive and the board of directors of the Company (the "Board") shall mutually agree from time to time. In such positions, the Executive shall perform such duties, functions and responsibilities during the Term commensurate with the Executive's positions as reasonably directed by the Co-Chief Executive Officers of the Company, or at such time as there is one Chief Executive Officer, the Chief Executive Officer (the Co-Chief Executive Officers or Chief Executive Officer, as applicable, the "CEO").

1.3. Exclusivity. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the Company, and shall in all material respects conform to and comply with the lawful and

reasonable directions and instructions given to him by the CEO, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit; provided, however, that it shall not be a violation of this Employment Agreement for the Executive to engage in other outside business activities with the Board's prior written consent.

Section 2. Compensation.

2.1. Salary. Subject to the last two sentences of this Section 2.1, as compensation for the performance of the Executive's services hereunder, until November 1, 2007 the Company shall pay to the Executive the same base salary as he was being paid immediately before the Effective Date, and during the Term, beginning November 1, 2007, the Company shall pay to the Executive a salary at an annual rate of three hundred thirty-eight thousand seven hundred fifty dollars ($338,750), in each case payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary will be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. Subject to the last two sentences of this Section 2.1, no increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Employment Agreement and the Base Salary shall not be reduced at any time (including after any such increase). Prior to the beginning of each full calendar year during the Term, the Company shall determine the amount of retirement plan contributions payable to or on behalf of the Executive for such year. To the extent that amount exceeds $22,500, the Base Salary shall be reduced by half of such excess. To the extent that amount is less than $22,500, the Base Salary shall be increased by half of such difference.

2.2. Annual Bonus. Beginning with the fiscal year that commences on January 1, 2008, for each completed fiscal year during the Term the Executive shall be eligible to receive additional cash incentive compensation (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Executive's Base Salary as in effect at the beginning of such fiscal year (after taking into effect any increase or decrease made pursuant to Section 2.1), with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the Board in consultation with the CEO. The Annual Bonus for the calendar year ending December 31, 2007 shall be determined in accordance with the existing bonus plan of Sooner, consistent with past practice.

2.3. Equity. On the Effective Date, pursuant to the Limited Liability Company Agreement of McJ Holding LLC dated as of December 4, 2006, as amended or restated from time to time (the "LLC Agreement"), the Executive will be granted 597.3853 Profits Units (as defined in the LLC Agreement). Notwithstanding Section 7.2(a)(ii) of the LLC Agreement, if the Executive terminates his employment with Good Reason (as defined herein) or the Company terminates the Executive's employment without Cause (as defined herein), no Profits Units issued to the Executive shall be subject to forfeiture.

2.4. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans

and programs of the Company as in effect from time to time on the same basis as other senior executives of the Company.

2.5. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.6. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Employment Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

Section 3. Employment Termination.

3.1. Termination of Employment. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause) at any time upon not less than thirty (30) days' notice to the other party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, any unreimbursed expenses in accordance with Section 2.6 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Company and its affiliated companies through the date of termination of employment (collectively, the "Accrued Amounts").

3.2. Certain Terminations.

(a) Termination by the Company other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term (i) by the Company other than for Cause or Disability or (ii) by the Executive for Good Reason, in addition to the Accrued Amounts the Executive shall be entitled to the following payments and benefits: (x) the continuation of his Base Salary at the rate in effect immediately prior to the date of termination for a period of twelve (12) months, (y) the continuation on the same terms as an active senior executive of medical benefits the Executive would otherwise be eligible to receive as an active senior executive of the Company for twelve (12) months or until such earlier time as the Executive becomes eligible for medical benefits from a subsequent employer and (z) a pro rata Annual Bonus for the fiscal year in which the termination occurs (the "Pro Rata Annual Bonus Payment"), based on the Company's actual performance through the end of such fiscal year and the number of days the Executive was employed during such fiscal year (such payments and benefits, the "Severance Payments"). The Company's obligations to make the Severance Payments shall be conditioned upon: (i) the Executive's continued compliance with his obligations under Section 4 of this Employment Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Employment Agreement, the Executive will immediately return to the Company any portion of

the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a). Subject to Section 3.2(d), the Severance Payments (with the exception of the Pro Rata Annual Bonus Payment) will commence to be paid to the Executive as soon as practicable following the effectiveness of the Release. The Pro Rata Annual Bonus Payment will be paid at the time the Company ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

(b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, in addition to the Accrued Amounts, the Executive (or the Executive's estate, if applicable) shall be entitled to receive a pro-rated portion of the Annual Bonus based on the Company's performance for the full fiscal year in which termination occurs and the number of days the Executive was employed by the Company during such fiscal year.

(c) Definitions. For purposes of this Section 3.2, the following terms shall have the following meanings:

(1) "Cause" shall mean the Executive's (i) continuing failure, for more than 10 days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is capable of being cured and is cured within 10 days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or indictment or conviction of any felony; (v) material violation of the provisions of this Employment Agreement unless such violation is capable of being cured and is cured within 10 days of the Executive receiving written notice of such violation; (vi) chronic absenteeism; or (vii) abuse of alcohol or another controlled substance.

(2) "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

(3) "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities, (ii) a reduction in the Executive's Base Salary or target Annual Bonus or (iii) a relocation of the Executive's principal place of employment by more than 50 miles.

(d) Section 409A Specified Employee. If the Executive is a "specified employee" for purposes of Section 409A of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any Severance Payments required to be made pursuant to Section 3.2(a) which are subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment

equaling six (6) months of his Base Salary at the rate in effect immediately prior to the date of termination.

3.3. Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Employment Agreement.

3.4. Resignation from All Positions. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company's affiliates.

3.5. Cooperation. Following the termination of the Executive's employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive's services to the Company and its subsidiaries. The Company shall pay the Executive a reasonable fee for any such services and promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

Section 4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights.

4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with Sooner and the Company, the Executive has been and will be exposed to and has and will receive information relating to the confidential affairs of the Company and its affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its affiliates and other forms of information considered by the Company and its affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all

property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

4.2. Non-Competition. By and in consideration of the Company's entering into this Employment Agreement and the payments to be made and the benefits to be provided hereunder, and in further consideration of the Executive's exposure to the Confidential Information of the Company and its affiliates, the Executive agrees that the Executive shall not, during the Executive's employment with the Company (whether during the Term or thereafter) and for a period of twelve (12) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined below) and in connection with the Executive's association directly or indirectly engage in any activity that is similar to any activity that the Executive was engaged in with the Company during the 12 months preceding the date of termination; provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean (i) any Person that is actively engaged in any geographic area in any business which materially competes with McJ Holding LLC's or any of its subsidiaries' business of the distribution of industrial pipe, valves and fittings or any other business which is material to McJ Holding LLC or any of its subsidiaries (a "Material Business") or (ii) any Person who within a two (2) year period following termination of the Executive's employment is reasonably expected to materially compete with a Material Business or have revenue in excess of $100,000,000 derived from a business that is competitive with a Material Business. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its affiliates.

4.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries, or directly or indirectly interfere with (or assist any Person to

interfere with) any material relationship between the Company or its subsidiaries and any of its or their customers or clients so as to cause harm to the Company or its affiliates.

4.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 4.2, 4.3 or 4.4 hereof.

4.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to the business or activities of the Company and its affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation, including all rights or benefits therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its applicable affiliate as the Executive's employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Employment Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof as set forth on Exhibit B hereto (the "Existing Inventions"). Notwithstanding anything to the contrary herein, the Developments shall not include any Existing Inventions. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 4.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 4.6 with the same legal force and effect as if executed by the Executive.

4.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Employment Agreement to any Person; provided the Executive may disclose this Employment Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom

the Executive makes such disclosure not to disclose the terms of this Employment Agreement further.

4.8. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this paragraph shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the covenants contained in this Section 4 are reasonable and necessary to protect the businesses of the Company and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

Section 5. Representation.

The Executive and the Company each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Employment Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Employment Agreement.

Section 6. Non-Disparagement.

From and after the Effective Date and following termination of the Executive's employment with the Company, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company shall cause its officers and directors not to make any such statement regarding the Executive.

Section 7. Withholding.

The Company may withhold from any amounts payable under this Employment Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

Section 8. Miscellaneous.

8.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

8.2. Amendments and Waivers. This Employment Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that, the observance of any provision of this Employment Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Employment Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8.3. Assignment; No Third-Party Beneficiaries. This Employment Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. Nothing in this Employment Agreement shall confer upon any Person not a party to this Employment Agreement, or the legal representatives of such Person, any rights or remedies of any nature or kind whatsoever under or by reason of this Employment Agreement.

8.4. Notices. Unless otherwise provided herein, all notices, requests, demands, claims and other communications provided for under the terms of this Employment Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set forth below:

8.5. Governing Law. This Employment Agreement shall be construed and enforced in accordance with, and the rights and obligations of the parties hereto shall be governed by, the laws of the State of New York, without giving effect to the conflicts of law principles thereof.

8.6. Severability. Whenever possible, each provision or portion of any provision of this Employment Agreement, including those contained in Section 4 hereof, will be interpreted in such manner as to be effective and valid under applicable law but the invalidity or unenforceability of any provision or portion of any provision of this Employment Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Employment Agreement in that jurisdiction or the validity or enforceability of this Employment Agreement, including that provision or portion of any provision, in any other jurisdiction. In addition, should a court or arbitrator determine that any provision or portion of any provision of this Employment Agreement, including those contained in Section 4 hereof, is not reasonable or valid, either in period of time, geographical area, or otherwise, the parties hereto agree that such provision should be interpreted and enforced to the maximum extent which such court or arbitrator deems reasonable or valid.

8.7. Entire Agreement. From and after the Effective Date this Employment Agreement and the LLC Agreement constitute the entire agreement between the parties hereto, and supersede all prior representations, agreements and understandings (including any prior course of dealings), both written and oral, between the parties hereto with respect to the subject matter hereof. In the event the Closing (as defined in the Stock Purchase Agreement) does not occur before the date the Stock Purchase Agreement terminates in accordance with its terms, this Employment Agreement shall terminate, and shall be of no force or effect.

8.8. Counterparts. This Employment Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

8.9. Binding Effect. This Employment Agreement shall inure to the benefit of, and be binding on, the successors of each of the parties, including, without limitation, the Executive's heirs and the personal representatives of the Executive's estate and any successor to all or substantially all of the business and/or assets of the Company.

8.10. General Interpretive Principles. The name assigned this Employment Agreement and headings of the sections, paragraphs, subparagraphs, clauses and subclauses of this Employment Agreement are for convenience of reference only and shall not in any way affect the meaning or interpretation of any of the provisions hereof. Words of inclusion shall not be construed as terms of limitation herein, so that references to "include," "includes" and "including" shall not be limiting and shall be regarded as references to non-exclusive and non-characterizing illustrations.

8.11. Mitigation. Notwithstanding any other provision of this Employment Agreement, (a) the Executive will have no obligation to mitigate damages for any breach or termination of this Employment Agreement by the Company, whether by seeking employment or otherwise and (b) the amount of any payment or benefit due the Executive after the date of such breach or termination will not be reduced or offset by any payment or benefit that the Executive may receive from any other source.

8.12 Section 409A Compliance. This Employment Agreement is intended to comply with Section 409A of the Code (to the extent applicable) and, to the extent it would not adversely impact the Company, the Company agrees to interpret, apply and administer this Employment Agreement in the least restrictive manner necessary to comply with such requirements and without resulting in any diminution in the value of payments or benefits to the Executive.

IN WITNESS WHEREOF, the parties have executed this Employment Agreement as of the date first written above.

Release

1. In consideration of the payments and benefits to be made under the Employment Agreement, dated as of October 31, 2007 (the "Employment Agreement"), to which Dee Paige (the "Executive"), McJ Holding LLC (the "LLC") and McJunkin Corporation (the "Company") (each of the Executive, the LLC and the Company, a "Party" and collectively, the "Parties") are parties, the sufficiency of which the Executive acknowledges, the Executive, with the intention of binding himself and his heirs, executors, administrators and assigns, does hereby release, remise, acquit and forever discharge the Company and each of its subsidiaries and affiliates (the "Company Affiliated Group"), their present and former officers, directors, executives, shareholders, agents, attorneys, employees and employee benefit plans (and the fiduciaries thereof), and the successors, predecessors and assigns of each of the foregoing (collectively, the "Company Released Parties"), of and from any and all claims, actions, causes of action, complaints, charges, demands, rights, damages, debts, sums of money, accounts, financial obligations, suits, expenses, attorneys' fees and liabilities of whatever kind or nature in law, equity or otherwise, whether accrued, absolute, contingent, unliquidated or otherwise and whether now known or unknown, suspected or unsuspected, which the Executive, individually or as a member of a class, now has, owns or holds, or has at any time heretofore had, owned or held, arising on or prior to the date hereof, against any Company Released Party that arises out of, or relates to, the Employment Agreement, the Executive's employment with the Company or any of its subsidiaries and affiliates, or any termination of such employment, including claims (i) for severance or vacation benefits, unpaid wages, salary or incentive payments, (ii) for breach of contract, wrongful discharge, impairment of economic opportunity, defamation, intentional infliction of emotional harm or other tort, (iii) for any violation of applicable state and local labor and employment laws (including, without limitation, all laws concerning unlawful and unfair labor and employment practices) and (iv) for employment discrimination under any applicable federal, state or local statute, provision, order or regulation, and including, without limitation, any claim under Title VII of the Civil Rights Act of 1964 ("Title VII"), the Civil Rights Act of 1988, the Fair Labor Standards Act, the Americans with Disabilities Act ("ADA"), the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), the Age Discrimination in Employment Act ("ADEA"), and any similar or analogous state statute, excepting only:

(A) rights of the Executive arising under, or preserved by, this Release or Sections 2.3 and 3 of the Employment Agreement;

(B) the right of the Executive to receive COBRA continuation coverage in accordance with applicable law;

(C) claims for benefits under any health, disability, retirement, life insurance or other, similar employee benefit plan (within the meaning of Section 3(3) of ERISA) of the Company Affiliated Group; and

(D) rights to indemnification the Executive has or may have under the by-laws or certificate of incorporation of any member of the Company Affiliated Group or as an insured under any director's and officer's liability insurance policy now or previously in force.

2. The Employee acknowledges and agrees that the release of claims set forth in this Release is not to be construed in any way as an admission of any liability whatsoever by any Company Released Party, any such liability being expressly denied.

3. The release of claims set forth in this Release applies to any relief no matter how called, including, without limitation, wages, back pay, front pay, compensatory damages, liquidated damages, punitive damages, damages for pain or suffering, costs, and attorneys' fees and expenses.

4. The Executive specifically acknowledges that his acceptance of the terms of the release of claims set forth in this Release is, among other things, a specific waiver of his rights, claims and causes of action under Title VII, ADEA, ADA and any state or local law or regulation in respect of discrimination of any kind; provided, however, that nothing herein shall be deemed, nor does anything contained herein purport, to be a waiver of any right or claim or cause of action which by law the Executive is not permitted to waive.

5. As to rights, claims and causes of action arising under the ADEA, the Executive acknowledges that he has been given but not utilized a period of twenty-one (21) days to consider whether to execute this Release. If the Executive accepts the terms hereof and executes this Release, he may thereafter, for a period of seven (7) days following (and not including) the date of execution, revoke this Release as it relates to the release of claims arising under the ADEA. If no such revocation occurs, this Release shall become irrevocable in its entirety, and binding and enforceable against the Executive, on the day next following the day on which the foregoing seven-day period has elapsed. If such a revocation occurs, the Executive shall irrevocably forfeit any right to payment of the Severance Payments (as defined in the Employment Agreement), but the remainder of the Employment Agreement shall continue in full force.

6. Other than as to rights, claims and causes of action arising under the ADEA, the release of claims set forth in this Release shall be immediately effective upon execution by the Executive.

7. The Executive acknowledges and agrees that he has not, with respect to any transaction or state of facts existing prior to the date hereof, filed any complaints, charges or lawsuits against any Company Released Party with any governmental agency, court or tribunal.

8. The Executive acknowledges that he has been advised to seek, and has had the opportunity to seek, the advice and assistance of an attorney with regard to the release of claims set forth in this Release, and has been given a sufficient period within which to consider the release of claims set forth in this Release.

9. The Executive acknowledges that the release of claims set forth in this Release relates only to claims which exist as of the date of this Release.

10. The Executive acknowledges that the Severance Payments he is receiving in connection with the release of claims set forth in this Release and his obligations under this Release are in addition to anything of value to which the Executive is entitled from the Company.

11. Each provision hereof is severable from this Release, and if one or more provisions hereof are declared invalid, the remaining provisions shall nevertheless remain in full force and effect. If any provision of this Release is so broad, in scope, or duration or otherwise, as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

12. This Release constitutes the complete agreement of the Parties in respect of the subject matter hereof and shall supersede all prior agreements between the Parties in respect of the subject matter hereof except to the extent set forth herein.

13. The failure to enforce at any time any of the provisions of this Release or to require at any time performance by another party of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or to affect the validity of this Release, or any part hereof, or the right of any party thereafter to enforce each and every such provision in accordance with the terms of this Release.

14. This Release may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be deemed effective for all purposes.

15. This Release shall be binding upon any and all successors and assigns of the Executive and the Company.

16. Except for issues or matters as to which federal law is applicable, this Release shall be governed by and construed and enforced in accordance with the laws of the State of New York without giving effect to the conflicts of law principles thereof.

EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT, dated as of December 4, 2006 (the "Employment Agreement"), by and among McJ Holding LLC, a Delaware limited liability company ("McJ Holding LLC"), McJunkin Corporation, a West Virginia corporation (the "Company"), and Stephen D. Wehrle (the "Executive").

WHEREAS, pursuant to the Agreement and Plan of Merger, dated as of the date hereof (the "Merger Agreement"), between McJ Holding Corporation, a Delaware corporation ("McJ Holding Corporation"), Hg Acquisition Corp., a West Virginia corporation and wholly-owned subsidiary of McJ Holding Corporation ("Hg Acquisition") and the Company, Hg Acquisition will merge with and into the Company with the Company continuing as the surviving corporation (the "Merger");

WHEREAS, pursuant to the (i) Merger Agreement, (ii) McJunkin Contribution Agreement, dated as of the date hereof, among McJ Holding LLC, the Company, the Executive and the other Major Shareholders (as defined in the Merger Agreement) (the "McJ Contribution Agreement") and (iii) McApple Contribution Agreement, dated as of the date hereof, among McJ Holding LLC, the Company, the Executive and the other shareholders of McJunkin Appalachian Oilfield Supply Company ("McApple") named on Exhibit A thereto (the "McApple Contribution Agreement"), and by reason of the consummation of the transactions thereunder, the Executive will sell shares of the Company and McApple and receive significant consideration therefor;

WHEREAS, the Executive acknowledges that McJ Holding Corporation would not have entered into the Merger Agreement unless the Executive executes this Employment Agreement and agrees to be bound by the covenants contained in Section 4 hereof; and

WHEREAS, the Executive is currently employed as the Company's Executive Vice President of Sales and the Company and the Executive desire to continue the Executive's employment with the Company on the terms and conditions set forth in this Employment Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the parties hereto agree as follows:

Section 1. Employment.

1.1. Term. McJ Holding LLC and the Company agree to employ the Executive, and the Executive agrees to be employed by McJ Holding LLC and the Company, in each case pursuant to this Employment Agreement, for a period commencing on the Closing Date (as defined in the Merger Agreement) (such date, the "Effective Date") and ending on the earlier of (i) the third (3rd) anniversary of the Effective Date and (ii) the termination of the Executive's employment in accordance with Section 3 hereof (the "Term").

1.2. Duties. During the Term, the Executive shall serve as the Company's Executive Vice President of Sales and such other positions as an officer or director

of the Company and such affiliates of the Company as the Executive and the board of directors of the Company (the "Board") shall mutually agree from time to time. In such positions, the Executive shall perform such duties, functions and responsibilities during the Term commensurate with the Executive's positions as reasonably directed by the Chief Executive Officer of the Company (the "CEO").

1.3. Exclusivity. During the Term, and excluding any periods of vacation and sick leave to which the Executive is entitled, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the Company, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the CEO, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit; provided, however, that it shall not be a violation of this Employment Agreement for the Executive to (i) serve on the boards of directors of Thomas Health Systems, West Virginia Hospital Association and Chemical Alliance Zone or (ii) engage in such other activities with the Board's prior written consent.

Section 2. Compensation.

2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Company shall pay to the Executive a salary at an annual rate of five hundred eighty thousand dollars ($580,000), payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary will be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Employment Agreement and the Base Salary shall not be reduced at any time (including after any such increase).

2.2. Annual Bonus. For each completed fiscal year occurring during the Term commencing with the 2007 fiscal year, the Executive shall be eligible to receive additional cash incentive compensation (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Executive's Base Salary as in effect at the beginning of such fiscal year, with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the Board in consultation with the CEO. The Annual Bonus for the calendar year ending December 31, 2006 shall be determined in accordance with the Company's existing bonus plan, consistent with past practice (but excluding any Merger-related expenses and any interest expenses associated with the additional borrowing incurred in connection with the Merger).

2.3. Equity. On the Effective Date, pursuant to the Limited Liability Company Agreement of McJ Holding LLC dated as of the date hereof (the "LLC Agreement"), the Executive will be granted Profits Units (as defined in the LLC Agreement) as set forth therein. Notwithstanding Section 7.2(a)(ii) of the LLC Agreement, in the event that the Executive's employment with the Company is terminated for any reason other than by the Company for Cause (as defined herein), a percentage of the Profits Units issued to the Executive shall be forfeited according to the following schedule:

If the Termination Occurs	Percentage of the Executive's Profits Units to be Forfeited
Before the fourth anniversary of the grant of the Executive's Profits Units	100%
On or after the fourth anniversary, but before the fifth anniversary, of the grant of the Executive's Profits Units	50%
On or after the fifth anniversary of the grant of the Executive's Profits Units	0%

2.4. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Company as in effect from time to time on the same basis as other senior executives of the Company. Notwithstanding the foregoing, during the Term, the annual value attributable to retirement benefits will be approximately ninety thousand dollars ($90,000), which amount includes any benefits pursuant to the McJunkin Corporation Profit-Sharing and Savings Plan and Trust. The Executive acknowledges and agrees that, without limiting the Executive's entitlement under the previous sentence, upon the request of the Company, the Executive shall consent to the discontinuance, effective as of the Effective Date, of benefits and accruals under (i) the Amended and Restated McJunkin Corporation Supplemental Executive Savings Plan and Trust, (ii) non-qualified deferred compensation arrangements between the Company and the Executive and (iii) split-dollar life insurance arrangements between the Company and the Executive (including the Split Dollar Life Insurance Agreement between the Executive and the Company, dated as of July 20, 1999, the Demand Note by the Executive in favor of the Company, effective January 1, 2004, and the collateral assignment under which the Executive assigned the life insurance policy as collateral to the Company).

2.5. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.6. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Employment Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

Section 3. Employment Termination.

3.1. Termination of Employment. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause) at any time upon not less than thirty (30) days' notice to the other

party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, any unreimbursed expenses in accordance with Section 2.6 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Company and its affiliated companies through the date of termination of employment (collectively, the "Accrued Amounts").

3.2. Certain Terminations.

(a) Termination by the Company other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term (i) by the Company other than for Cause or Disability or (ii) by the Executive for Good Reason, in addition to the Accrued Amounts the Executive shall be entitled to the following payments and benefits: (x) the continuation of his Base Salary at the rate in effect immediately prior to the date of termination for a period of twelve (12) months, (y) the continuation on the same terms as an active senior executive of medical benefits the Executive would otherwise be eligible to receive as an active senior executive of the Company for twelve (12) months or until such earlier time as the Executive becomes eligible for medical benefits from a subsequent employer and (z) a pro rata Annual Bonus for the fiscal year in which the termination occurs (the "Pro Rata Annual Bonus Payment"), based on the Company's actual performance through the end of such fiscal year and the number of days the Executive was employed during such fiscal year (such payments and benefits, the "Severance Payments"). The Company's obligations to make the Severance Payments shall be conditioned upon: (i) the Executive's continued compliance with his obligations under Section 4 of this Employment Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 4 of this Employment Agreement, the Executive will immediately return to the Company any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a). Subject to Section 3.2(d), the Severance Payments (with the exception of the Pro Rata Annual Bonus Payment) will commence to be paid to the Executive as soon as practicable following the effectiveness of the Release. The Pro Rata Annual Bonus Payment will be paid at the time the Company ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

(b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, in addition to the Accrued Amounts, the Executive (or the Executive's estate, if applicable) shall be entitled to receive a pro-rated portion of the Annual Bonus based on the Company's performance for the full fiscal year in which termination occurs and the number of days the Executive was employed by the Company during such fiscal year.

(c) Definitions. For purposes of this Section 3.2, the following terms shall have the following meanings:

(1) "Cause" shall mean the Executive's (i) continuing

failure, for more than 10 days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is capable of being cured and is cured within 10 days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or indictment or conviction of any felony; (v) material violation of the provisions of this Employment Agreement unless such violation is capable of being cured and is cured within 10 days of the Executive receiving written notice of such violation; (vi) chronic absenteeism; or (vii) abuse of alcohol or another controlled substance.

(2) "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

(3) "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities, (ii) a reduction in the Executive's Base Salary or target Annual Bonus or (iii) a relocation of the Executive's principal place of employment by more than 50 miles.

(d) Section 409A Specified Employee. If the Executive is a "specified employee" for purposes of Section 409A of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any Severance Payments required to be made pursuant to Section 3.2(a) which are subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment equaling six (6) months of his Base Salary at the rate in effect immediately prior to the date of termination.

3.3. Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Employment Agreement.

3.4. Resignation from All Positions. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company's affiliates.

3.5. Cooperation. Following the termination of the Executive's employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive's services to the Company and its subsidiaries. The Company shall pay the Executive a reasonable fee for any such services and

promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

Section 4. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights.

4.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with the Company, the Executive has been and will be exposed to and has and will receive information relating to the confidential affairs of the Company and its affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its affiliates and other forms of information considered by the Company and its affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

4.2. Non-Competition. By and in consideration of the Company's entering into this Employment Agreement and the payments to be made and the benefits to be provided hereunder and in connection with the Executive's sale of shares of the Company and McApple pursuant to the Merger Agreement, and in further consideration of the Executive's exposure to the Confidential Information of the Company and its affiliates, the Executive agrees that the Executive shall not, for the period which is the longer of (i) five (5) years following the Effective Date or (ii) during the Executive's employment with the Company (whether during the Term or thereafter) and for a period of twenty-four (24) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any

manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any Restricted Enterprise (as defined below); provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 4.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean any Person that is actively engaged in any geographic area in any business which is either (i) in competition with the business of McJunkin Holding LLC or any of its subsidiaries or (ii) proposed to be conducted by McJunkin Holding LLC or any of its subsidiaries in the Company's business plan as in effect at that time. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

4.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its affiliates.

4.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Company or its subsidiaries and any of its or their customers or clients so as to cause harm to the Company or its affiliates.

4.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 4.2, 4.3 or 4.4 hereof.

4.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to the business or activities of the Company and its affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation, including all rights or benefits therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its applicable affiliate as the Executive's

employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Employment Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof as set forth on Exhibit B hereto (the "Existing Inventions"). Notwithstanding anything to the contrary herein, the Developments shall not include any Existing Inventions. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 4.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 4.6 with the same legal force and effect as if executed by the Executive.

4.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Employment Agreement to any Person; provided the Executive may disclose this Employment Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure not to disclose the terms of this Employment Agreement further.

4.8. Remedies. The Executive agrees that any breach of the terms of this Section 4 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this paragraph shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the covenants contained in this Section 4 are reasonable and necessary to protect the businesses of the Company and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

Section 5. Representation.

The Executive and the Company each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Employment Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Employment Agreement.

Section 6. Non-Disparagement.

From and after the Effective Date and following termination of the Executive's employment with the Company, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company shall cause its officers and directors not to make any such statement regarding the Executive.

Section 7. Withholding.

The Company may withhold from any amounts payable under this Employment Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

Section 8. Miscellaneous.

8.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

8.2. Amendments and Waivers. This Employment Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that the observance of any provision of this Employment Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Employment Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8.3. Assignment; No Third-Party Beneficiaries. This Employment Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. Nothing in this Employment Agreement shall confer upon any Person not a party to this Employment Agreement, or the legal representatives of such Person, any rights or remedies of any nature or kind whatsoever under or by reason of this Employment Agreement.

8.4. Notices. Unless otherwise provided herein, all notices, requests, demands, claims and other communications provided for under the terms of this Employment Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set forth below:

Either party may change its facsimile number or its address to which notices, requests, demands, claims and other communications hereunder are to be delivered by giving the other parties hereto notice in the manner then set forth.

8.5. Governing Law. This Employment Agreement shall be construed and enforced in accordance with, and the rights and obligations of the parties hereto shall be governed by, the laws of the State of New York, without giving effect to the conflicts of law principles thereof.

8.6. Severability. Whenever possible, each provision or portion of any provision of this Employment Agreement, including those contained in Section 4 hereof, will be interpreted in such manner as to be effective and valid under applicable law but the invalidity or unenforceability of any provision or portion of any provision of this Employment Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Employment Agreement in that jurisdiction or the validity or enforceability of this Employment Agreement, including that provision or portion of any provision, in any other jurisdiction. In addition, should a court or arbitrator determine that any provision or portion of any provision of this Employment Agreement, including those contained in Section 4 hereof, is not reasonable or valid, either in period of time, geographical area, or otherwise, the parties hereto agree that such provision should be interpreted and enforced to the maximum extent which such court or arbitrator deems reasonable or valid.

8.7. Entire Agreement. From and after the Effective Date, (i) this Employment Agreement, (ii) the Merger Agreement, (iii) the McJ Contribution Agreement, (iv) the McApple Contribution Agreement and (v) the LLC Agreement constitute the entire agreement between the parties hereto, and supersede all prior representations, agreements and understandings (including any prior course of dealings), both written and oral, between the parties hereto with respect to the subject matter hereof. In the event the Closing (as defined in the Merger Agreement) does not occur before the date the Merger Agreement terminates in accordance with its terms, this Employment Agreement shall terminate, and shall be of no force or effect.

8.8. Counterparts. This Employment Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

8.9. Binding Effect. This Employment Agreement shall inure to the benefit of, and be binding on, the successors of each of the parties, including, without limitation, the Executive's heirs and the personal representatives of the Executive's estate and any successor to all or substantially all of the business and/or assets of the Company.

8.10. General Interpretive Principles. The name assigned this Employment Agreement and headings of the sections, paragraphs, subparagraphs, clauses and subclauses of this Employment Agreement are for convenience of reference only and shall not in any way affect the meaning or interpretation of any of the provisions hereof. Words of inclusion shall not be construed as terms of limitation herein, so that references to "include", "includes" and "including" shall not be limiting and shall be regarded as references to non-exclusive and non-characterizing illustrations.

8.11. Mitigation. Notwithstanding any other provision of this Employment Agreement, (a) the Executive will have no obligation to mitigate damages for any breach or termination of this Employment Agreement by the Company, whether by seeking employment or otherwise and (b) the amount of any payment or benefit due the Executive after the date of such breach or termination will not be reduced or offset by any payment or benefit that the Executive may receive from any other source.

8.12 Section 409A Compliance. This Employment Agreement is intended to comply with Section 409A of the Code (to the extent applicable) and, to the extent it would not adversely impact the Company, the Company agrees to interpret, apply and administer this Employment Agreement in the least restrictive manner necessary to comply with such requirements and without resulting in any diminution in the value of payments or benefits to the Executive.

IN WITNESS WHEREOF, the parties have executed this Employment Agreement as of the date first written above.

Wehrle (the "Executive"), McJ Holding LLC (the "LLC") and McJunkin Corporation (the "Company") (each of the Executive, the LLC and the Company, a "Party" and collectively, the "Parties") are parties, the sufficiency of which the Executive acknowledges, the Executive, with the intention of binding himself and his heirs, executors, administrators and assigns, does hereby release, remise, acquit and forever discharge the Company and each of its subsidiaries and affiliates (the "Company Affiliated Group"), their present and former officers, directors, executives, shareholders, agents, attorneys, employees and employee benefit plans (and the fiduciaries thereof), and the successors, predecessors and assigns of each of the foregoing (collectively, the "Company Released Parties"), of and from any and all claims, actions, causes of action, complaints, charges, demands, rights, damages, debts, sums of money, accounts, financial obligations, suits, expenses, attorneys' fees and liabilities of whatever kind or nature in law, equity or otherwise, whether accrued, absolute, contingent, unliquidated or otherwise and whether now known or unknown, suspected or unsuspected, which the Executive, individually or as a member of a class, now has, owns or holds, or has at any time heretofore had, owned or held, arising on or prior to the date hereof, against any Company Released Party that arises out of, or relates to, the Employment Agreement, the Executive's employment with the Company or any of its subsidiaries and affiliates, or any termination of such employment, including claims (i) for severance or vacation benefits, unpaid wages, salary or incentive payments, (ii) for breach of contract, wrongful discharge, impairment of economic opportunity, defamation, intentional infliction of emotional harm or other tort, (iii) for any violation of applicable state and local labor and employment laws (including, without limitation, all laws concerning unlawful and unfair labor and employment practices) and (iv) for employment discrimination under any applicable federal, state or local statute, provision, order or regulation, and including, without limitation, any claim under Title VII of the Civil Rights Act of 1964 ("Title VII"), the Civil Rights Act of 1988, the Fair Labor Standards Act, the Americans with Disabilities Act ("ADA"), the Executive Retirement Income Security Act of 1974, as amended ("ERISA"), the Age Discrimination in Employment Act ("ADEA"), and any similar or analogous state statute, excepting only:

(A) rights of the Executive arising under, or preserved by, this Release or Sections 2.3 and 3 of the Employment Agreement;

(B) the right of the Executive to receive COBRA continuation coverage in accordance with applicable law;

(C) claims for benefits under any health, disability, retirement, life insurance or other, similar employee benefit plan (within the meaning of Section 3(3) of ERISA) of the Company Affiliated Group; and

(D) rights to indemnification the Executive has or may have under the by-laws or certificate of incorporation of any member of the Company Affiliated Group or as an insured under any director's and officer's liability insurance policy now or previously in force.

2. The Employee acknowledges and agrees that the release of claims set forth in this Release is not to be construed in any way as an admission of any liability whatsoever by any Company Released Party, any such liability being expressly denied.

3. The release of claims set forth in this Release applies to any relief no matter how called, including, without limitation, wages, back pay, front pay, compensatory damages, liquidated damages, punitive damages, damages for pain or suffering, costs, and attorneys' fees and expenses.

4. The Executive specifically acknowledges that his acceptance of the terms of the release of claims set forth in this Release is, among other things, a specific waiver of his rights, claims and causes of action under Title VII, ADEA, ADA and any state or local law or regulation in respect of discrimination of any kind; provided, however, that nothing herein shall be deemed, nor does anything contained herein purport, to be a waiver of any right or claim or cause of action which by law the Executive is not permitted to waive.

5. As to rights, claims and causes of action arising under the ADEA, the Executive acknowledges that he has been given but not utilized a period of twenty-one (21) days to consider whether to execute this Release. If the Executive accepts the terms hereof and executes this Release, he may thereafter, for a period of seven (7) days following (and not including) the date of execution, revoke this Release as it relates to the release of claims arising under the ADEA. If no such revocation occurs, this Release shall become irrevocable in its entirety, and binding and enforceable against the Executive, on the day next following the day on which the foregoing seven-day period has elapsed. If such a revocation occurs, the Executive shall irrevocably forfeit any right to payment of the Severance Payments (as defined in the Employment Agreement), but the remainder of the Employment Agreement shall continue in full force.

6. Other than as to rights, claims and causes of action arising under the ADEA, the release of claims set forth in this Release shall be immediately effective upon execution by the Executive.

7. The Executive acknowledges and agrees that he has not, with respect to any transaction or state of facts existing prior to the date hereof, filed any complaints, charges or lawsuits against any Company Released Party with any governmental agency, court or tribunal.

8. The Executive acknowledges that he has been advised to seek, and has had the opportunity to seek, the advice and assistance of an attorney with regard to the release of claims set forth in this Release, and has been given a sufficient period within which to consider the release of claims set forth in this Release.

9. The Executive acknowledges that the release of claims set forth in this Release relates only to claims which exist as of the date of this Release.

10. The Executive acknowledges that the Severance Payments he is receiving in connection with the release of claims set forth in this Release and his obligations under this Release are in addition to anything of value to which the Executive is entitled from the Company.

11. Each provision hereof is severable from this Release, and if one or more provisions hereof are declared invalid, the remaining provisions shall nevertheless remain in full force and effect. If any provision of this Release is so broad, in scope, or duration or otherwise, as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

12. This Release constitutes the complete agreement of the Parties in respect of the subject matter hereof and shall supersede all prior agreements between the Parties in respect of the subject matter hereof except to the extent set forth herein.

13. The failure to enforce at any time any of the provisions of this Release or to require at any time performance by another party of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or to affect the validity of this Release, or any part hereof, or the right of any party thereafter to enforce each and every such provision in accordance with the terms of this Release.

14. This Release may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be deemed effective for all purposes.

15. This Release shall be binding upon any and all successors and assigns of the Executive and the Company.

16. Except for issues or matters as to which federal law is applicable, this Release shall be governed by and construed and enforced in accordance with the laws of the State of New York without giving effect to the conflicts of law principles thereof.

The Committee may amend the terms of any Option agreement, provided that no such amendment shall be made without the consent of a Participant, if such action would diminish any of the rights of such Participant under such Option agreement. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, except as otherwise provided herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, without limitation, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Option consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require Participants to make arrangements which are satisfactory to it to pay any amounts it may determine are required to be withheld for federal, state, local or other taxes in connection with an Option.

5. **Limitations**

No Option may be granted under the Plan after the tenth anniversary of the Effective Date, but Options theretofore granted may extend beyond that date.

6. **Terms and Conditions of Options**

Options granted under the Plan shall be non-qualified stock options and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine and set forth in the applicable Option agreement:

(a) Option Price. The Option Price shall be determined by the Committee, provided that the Option Price may not be less than the Fair Market Value of a Share on the date the Option is granted.

(b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.

(c) Exercise of Options. Except as otherwise provided in the Plan or in an Option agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to the following sentence. The Option Price for the Shares as to which an Option is exercised and any applicable withholding taxes shall be paid to the Company in full at the time of exercise at the election of the Participant, in cash or by check or wire transfer, or by such other means as are permitted by the Committee. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, has paid in full for such Shares, satisfied any applicable withholding requirements and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or the applicable Option agreement.

(d) Unless the Committee determines otherwise, exercise of an Option shall be conditioned upon the execution by the Participant of the Stockholders Agreement, if such agreement remains in effect at the time of such exercise.

7. **Adjustments Upon Certain Events**

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Options granted under the Plan:

(a) Generally. In the event of any extraordinary cash or Share dividend, or Share split, reverse split, reorganization, reclassification, recapitalization, repurchase, issuance of warrants, rights or debentures, merger, consolidation, spin-off, split-up, combination or exchange of Shares or

other corporate exchange, or any distribution to shareholders of Shares or any transaction similar to the foregoing, the Committee, without liability to any person, shall take such equitable actions as are appropriate in its reasonable judgment to preserve the economic rights of the Participant, whether by adjusting the terms of the Option or such other means as the Committee shall determine.

(b) Transaction. The Committee may provide in the applicable Option agreement or otherwise that, in the event of a Transaction, (i) any outstanding Options then held by Participants which are unexercisable or otherwise unvested shall automatically be deemed exercisable or otherwise vested upon the consummation of such Transaction, and (ii) the Committee may either (A) cancel all Options and make payment in connection with such cancellation equal to the excess, if any, of the Fair Market Value of the Shares subject to such Options over the aggregate Option Price of such Options or (B) provide for the issuance of substitute options or other awards that will preserve, as nearly as practicable, the economic terms of Options previously granted hereunder, in each case as determined by the Committee in good faith.

8. **No Right to Employment or Options**

The granting of an Option under the Plan shall impose no obligation on the Company or any Affiliate of the Company to continue the Employment of a Participant and shall not lessen or affect the Company's or such Affiliate's right to terminate the Employment of such Participant. No Participant or other Person shall have any claim to be granted any Option, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Options. The terms and conditions of Options and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

9. **Successors and Assigns**

The rights and obligations under the Plan shall be binding on and inure to all predecessors, successors and assigns of the Company and any Participant, including, without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

10. **Nontransferability of Options**

Unless otherwise determined by the Committee, an Option shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. An Option exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

11. **Amendments or Termination**

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made without the consent of a Participant, if such action would diminish any of the rights of such Participant under any Option theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Options meeting the requirements of the Code or other applicable laws.

12. **Compliance with Law**

No Option shall be granted under the Plan, and no Shares shall be issued and delivered upon exercise of an Option, unless and until the Company and/or the Participant shall have complied with all applicable federal or state registration, listing and/or qualification requirements and all other applicable requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the exercise of any Option, require each Participant (a) to represent in writing that the Shares received upon exercise of an Option are being acquired for investment and not with a view to distribution and (b) to make such other representations and warranties as are deemed reasonably appropriate by the Committee. Stock certificates representing Shares acquired upon the exercise of any Option that have not been registered under the Securities Act of 1933, as amended, shall, if required by the Committee, bear the legends as may be required by the Stockholders Agreement or by the Option agreement evidencing a particular Option. Without in any way limiting the provisions set forth above, no Participant shall make any disposition of all or any portion of Shares acquired or to be acquired pursuant to an Option, except in compliance with all applicable federal and state securities laws and the provisions of the Stockholders Agreement.

13. **International Participants**

With respect to Options which may be subject to the laws of jurisdictions outside the United States of America, the Committee may, in its sole discretion, amend the terms of the Plan or Options with respect to such Participants in order to conform such terms with the requirements of such local law.

14. **Choice of Law**

The Plan shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws.

15. **Effectiveness of the Plan**

The Plan shall be effective as of the Effective Date.

NONQUALIFIED STOCK OPTION AGREEMENT

THIS AGREEMENT (the "Agreement"), is made effective as of [_____, 200___] (the "Date of Grant"), between McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), PVF Holdings LLC, a Delaware limited liability company ("PVF Holdings LLC") (solely for purposes of Section 15 hereof), and [_____] (the "Participant").

R E C I T A L S:

WHEREAS, the Company has adopted the McJ Holding Corporation 2007 Stock Option Plan (the "Plan"), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the Participant's services and of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Grant of the Option. The Company hereby grants to the Participant the right and option (the "Option") to purchase, on the terms and conditions hereinafter set forth, all or any part of an aggregate of [_____] Shares, subject to adjustment as set forth in the Plan. The Option Price shall be $[_____], which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the third (3rd) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the third (3rd) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-third (1/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary;

(iii) On and after the fourth (4th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of two-thirds (2/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary; and

(iv) On and after the fifth (5th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option provided, that the Participant's Employment with the Company has not terminated as of such anniversary.

(v) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion."

(b) If the Participant's Employment is terminated by the Company for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically canceled by the Company without payment of consideration therefor, and the Vested Portion of the Option shall remain exercisable for the period set forth in Section 2(d).

(d) Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) 90 days following the date of the Participant's termination of Employment (other than a termination of Employment due to the Participant's death or Disability).

(e) Notwithstanding the foregoing, upon termination of Employment due to the Participant's death or Disability, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) twenty-four months following such termination of Employment.

3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer; provided, however, that with the written consent of the Committee (which consent may be withheld for any or no reason), payment of such aggregate exercise price may instead be made, in whole or in part, by (A) the delivery to the Company of a certificate or certificates representing Shares having a Fair Market Value on the date of exercise equal to the aggregate exercise price, duly endorsed or accompanied by a duly executed stock power, which delivery effectively transfers to the Company good and valid title to such shares, free and clear of any pledge, commitment, lien, claim or other encumbrance (such shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of such exercise), or (B) by a reduction in

the number of Purchased Shares to be issued upon such exercise having a Fair Market Value on the date of exercise equal to the aggregate exercise price in respect of the Purchased Shares, provided that the Company is not then prohibited from purchasing or acquiring such Shares. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the "Legal Requirements") that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant's death or Disability, the Option shall remain exercisable by the Participant's executor or administrator, or the person or persons to whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(e) (and the term "Participant" shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliates' right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the

Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

8. Securities Laws. Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Participant's legal representatives. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant

or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

14. Accredited Investor Status Representation of Participant. Please check the box next to any of the following statements that apply:

- o None of the statements above apply.

15. Adoption of Stockholders Agreement. The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Management Stockholders Agreement among PVF LLC (formerly known as McJ Holding LLC), the Company, and the other parties thereto (the "Stockholders Agreement") as an "Executive" (as defined in the Stockholders Agreement) with the rights and obligations of holders of "Stock" (as defined in the Stockholders Agreement) and the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (a) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement); (b) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders Agreement and the terms and conditions thereof that the Participant deems necessary; and (c) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of

3. **Shares Subject to the Plan**

The total number of Shares which may be issued under the U.S. Option Plan and this Plan is 4,715.4509, subject to adjustment pursuant to Section 7 hereof. The Shares may consist, in whole or in part, of unissued Shares or treasury Shares. The issuance of Shares upon the exercise of an Option or in consideration of the cancellation or termination of an Option shall reduce the total number of Shares available under the Plan, as applicable. Shares which are subject to Options which terminate or lapse without the payment of consideration may again be the subject of Options granted under the Plan.

4. **Administration**

The Plan shall be administered by the Committee. Subject to the express limitations of the Plan, the Committee shall have authority in its discretion to determine the employees, consultants or directors of the Company and its Affiliates to whom, and the time or times at which, Options may be granted, the number of Shares subject to each Option, the Option Price of an Option, the time or times at which an Option will become vested and any other conditions of an Option. Options may, in the discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or its Affiliates or by a company acquired by the Company or with which the Company combines. The number of Shares underlying such substitute awards shall be counted against the aggregate number of Shares available for Options under the Plan. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may amend the terms of any Option agreement, provided that no such amendment shall be made without the consent of a Participant, if such action would diminish any of the rights of such Participant under such Option agreement. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, except as otherwise provided herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, without limitation, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Option consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving

any vesting conditions). The Committee shall require Participants to make arrangements which are satisfactory to it to pay any amounts it may determine are required to be withheld for federal, state, local or other taxes in connection with an Option.

5. **Limitations**

No Option may be granted under the Plan after March 27, 2017, but Options theretofore granted may extend beyond that date.

6. **Terms and Conditions of Options**

Options granted under the Plan shall be non-qualified stock options and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine and set forth in the applicable Option agreement:

(a) Option Price. The Option Price shall be determined by the Committee, provided that the Option Price may not be less than the Fair Market Value of a Share on the date the Option is granted.

(b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.

(c) Exercise of Options. Except as otherwise provided in the Plan or in an Option agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to the following sentence. The Option Price for the Shares as to which an Option is exercised and any applicable withholding taxes shall be paid to the Company in full at the time of exercise at the election of the Participant, in cash or by check or wire transfer, or by such other means as are permitted by the Committee. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, has paid in full for such Shares, satisfied any applicable withholding requirements and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or the applicable Option agreement.

(d) Unless the Committee determines otherwise, exercise of an Option shall be conditioned upon the execution by the Participant of the Stockholders Agreement, if such agreement remains in effect at the time of such exercise.

7. **Adjustments Upon Certain Events**

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Options granted under the Plan:

(a) Generally. In the event of any extraordinary cash or Share dividend, or Share split, reverse split, reorganization, reclassification, recapitalization, repurchase, issuance of warrants, rights or debentures, merger, consolidation, spin-off, split-up, combination or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares or any transaction similar to the foregoing, the Committee, without liability to any person, shall take such equitable actions as are appropriate in its reasonable judgment to preserve the economic rights of the Participant, whether by adjusting the terms of the Option or such other means as the Committee shall determine.

(b) Transaction. The Committee may provide in the applicable Option agreement or otherwise that, in the event of a Transaction, (i) any outstanding Options then held by Participants which are unexercisable or otherwise unvested shall automatically be deemed exercisable or otherwise vested upon the consummation of such Transaction, and (ii) the Committee may either (A) cancel all Options and make payment in connection with such cancellation equal to the excess, if any, of the Fair Market Value of the Shares subject to such Options over the aggregate Option Price of such Options or (B) provide for the issuance of substitute options or other awards that will preserve, as nearly as practicable, the economic terms of Options previously granted hereunder, in each case as determined by the Committee in good faith.

8. **No Right to Employment or Options**

The granting of an Option under the Plan shall impose no obligation on the Company or any Affiliate of the Company to continue the Employment of a Participant and shall not lessen or affect the Company's or such Affiliate's right to terminate the Employment of such Participant. No Participant or other Person shall have any claim to be granted any Option, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Options. The terms and conditions of Options and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

9. **Successors and Assigns**

Subject to applicable law, the rights and obligations under the Plan shall be binding on and inure to all predecessors, successors and assigns of the Company and any Participant, including, without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

10. **Nontransferability of Options**

Unless otherwise determined by the Committee and subject to applicable law, an Option shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. Subject to applicable law, an Option exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

11. **Amendments or Termination**

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made without the consent of a Participant, if such action would diminish any of the rights of such Participant under any Option theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Options meeting the requirements of the Code or other applicable laws.

12. **Compliance with Law**

No Option shall be granted under the Plan, and no Shares shall be issued and delivered upon exercise of an Option, unless and until the Company and/or the Participant shall have complied with all applicable federal or state registration, listing and/or qualification requirements and all other applicable requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the exercise of any Option, require each Participant (a) to represent in writing that the Shares received upon exercise of an Option are being acquired for investment and not with a view to distribution and (b) to make such other representations and warranties as are deemed reasonably appropriate by the Committee. Stock certificates representing Shares acquired upon the exercise of any Option that have not been registered under the United States Securities Act of 1933, as amended, shall, if required by the Committee, bear the legends as may be required by the Stockholders Agreement or by the Option agreement evidencing a particular Option. Without in any way limiting the provisions set forth above, no Participant shall make any disposition of all or any portion of Shares acquired or to be acquired pursuant to an Option, except in compliance with all applicable Canadian and United States federal, provincial and state securities laws and the provisions of the Stockholders Agreement.

13. **International Participants**

With respect to Options which may be subject to the laws of jurisdictions outside the United States of America, the Committee may, in its sole discretion, amend the terms of the Plan or Options with respect to such Participants in order to conform such terms with the requirements of such local law.

14. **Choice of Law**

The Plan shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws.

15. **Effectiveness of the Plan**

The Plan shall be effective as of the Effective Date.

(CANADA)

THIS AGREEMENT (the "Agreement"), is made effective as of [_____, 200___] (the "Date of Grant"), between McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), PVF Holdings LLC, a Delaware limited liability company ("PVF Holdings LLC") (solely for purposes of Section 15 hereof) and [_____] (the "Participant").

R E C I T A L S:

WHEREAS, the Company has adopted the McJunkin Red Man Holding Corporation 2007 Stock Option Plan (Canada) (the "Plan"), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the Participant's services and of the mutual covenants hereinafter set forth, and in consideration of the Participant's entering into the Non-Competition Agreement (as defined herein), the parties agree as follows:

The Option Price shall be US$ [_____], which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(i) Prior to the third (3rd) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the third (3rd) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-third (1/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary;

(iii) On and after the fourth (4th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of two-thirds (2/3) of the Shares

originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary; and

(iv) On and after the fifth (5th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option provided, that the Participant's Employment with the Company has not terminated as of such anniversary.

(v) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion." For clarity, the Participant must be actively at work on the anniversary of the Date of the Grant, and this does not include any period of time during which the Participant's Employment with the Company has being terminated and the Participant is receiving notice of termination pay or severance pay.

(b) If the Participant's Employment is terminated by the Company for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically cancelled by the Company without payment of consideration therefor as of the last day of active work of the Participant, not including any period for which the Participant is receiving notice of termination pay or severance, and the Vested Portion of the Option shall remain exercisable for the period set forth in Section 2(d).

(d) Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) 90 days following the date upon which the Participant receives notice of the termination of the Participant's Employment (other than a termination of Employment due to the Participant's death or Disability).

(e) Notwithstanding the foregoing, upon termination of Employment due to the Participant's death or Disability, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) twenty-four months following such termination of Employment.

3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to

Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable Canadian and United States provincial, state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the "Legal Requirements") that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant's death or Disability, the Option shall remain exercisable by the Participant's executor or administrator, or, subject to applicable laws, the person or persons to whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(e) (and the term "Participant" shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliates' right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission or other securities regulator or authority, any stock

exchange upon which such Shares are listed, and any applicable Canadian or United States federal, provincial or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution in compliance with applicable law, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer, compliance with applicable law and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

8. Securities Laws. In connection with the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. Subject to compliance with applicable law, this Agreement shall inure to the benefit of and shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan and the Stockholders Agreement. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. R E C I T A L S:

WHEREAS, the Company has adopted the McJunkin Red Man Holding Corporation 2007 Stock Option Plan (Canada) (the "Plan"), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the Participant's services and of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Grant of the Option. The Company hereby grants to the Participant the right and option (the "Option") to purchase, on the terms and conditions hereinafter set forth, all or any part of an aggregate of [_____] Shares, subject to adjustment as set forth in the Plan. The Option Price shall be US$ [_____], which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the third (3rd) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the third (3rd) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-third (1/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary;

(iii) On and after the fourth (4th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of two-thirds (2/3) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary; and

(iv) On and after the fifth (5th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent of the Shares originally subject to the Option provided, that the Participant's Employment with the Company has not terminated as of such anniversary.

(v) Notwithstanding the foregoing, in the event of (x) the Participant's death or Disability or (y) the occurrence of a Transaction, the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion." For clarity, the Participant must be actively at work on the anniversary of the Date of the Grant, and this does not include any period of time during which the Participant's Employment with the Company has being terminated and the Participant is receiving notice of termination pay or severance pay.

(b) If the Participant's Employment is terminated by the Company for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company terminates for any reason other than (x) Cause or (y) the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically cancelled by the Company without payment of consideration therefor as of the last day of active work of the Participant, not including any period for which the Participant is receiving notice of termination pay or severance, and the Vested Portion of the Option shall remain exercisable for the period set forth in Section 2(d).

(d) Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (i) the ten-year anniversary of the Date of Grant and (ii) 90 days following the date upon which the Participant receives notice of the termination of the Participant's Employment (other than a termination of Employment due to the Participant's death or Disability).

3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable Canadian and United States provincial, state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the "Legal Requirements") that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant's death or Disability, the Option shall remain exercisable by the Participant's executor or administrator, or, subject to applicable laws, the person or persons to whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(e) (and the term "Participant" shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliates' right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission or other securities regulator or authority, any stock exchange upon which such Shares are listed, and any applicable Canadian or United States federal, provincial or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution in compliance with applicable law, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer, compliance with applicable law and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

8. Securities Laws. In connection with the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. Subject to compliance with applicable law, this Agreement shall inure to the benefit of and shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan and the Stockholders Agreement. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

14. Adoption of Stockholders Agreement. The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Stockholders Agreement as an "Executive" (as defined in the Stockholders Agreement) with the rights and obligations of holders of "Stock" (as defined in the Stockholders Agreement) and the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (a) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement); (b) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders Agreement and the terms and conditions thereof that the Participant deems necessary; and (c) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of Participant enforceable against the Participant in accordance with its terms and the terms of the Stockholders Agreement.

15. Canadian Securities Representations of Participant. (a) A Participant's Deferred Amount shall be deemed to be invested as set forth in Section 4.2(b). Participants' Accounts shall be adjusted annually if deemed invested in the manner provided in Section 4.2(b)(ii) and quarterly if deemed invested in the manner provided in Section 4.2(b)(i), in either case to reflect the performance of the Investment Choices of each Participant as reflected on the Election Form set forth on Exhibit B. Participants may elect (but not more often than annually in the month of December) to change the manner in which their Accounts are invested between the Investment Choices (both as to future amounts and as to then existing Deferred Amounts) by completing the Election Form as set forth on Exhibit C and submitting it to the Administrator or his or her designated representative. Any such change will become effective on the immediately succeeding January 1.

(b) If a Participant's Account balance as of the beginning of a calendar year is less than $100,000, then such balance shall be credited quarterly by an amount equal to (x) the amount of such balance at the beginning of such year, multiplied by (y) the Prime Rate plus 1%. If a Participant's Account balance as of the beginning of a calendar year is $100,000 or greater, the Participant may elect between the following choices (the "Investment Choices") pursuant to the Election Form set forth on Exhibit B:

(i) The Participant may elect to have the balance in his or her Account credited quarterly by an amount equal to (x) the amount of such balance at the beginning of such quarter, multiplied by (y) the Prime Rate on the last day of such quarter divided by four plus 0.25%; or

(ii) The Participant may elect to have the balance of his or her Account deemed converted into a number of common units of PVF Holdings LLC determined by dividing the portion of the Account not already so converted by the value of one common unit determined as of the immediately succeeding December 31 (each, an "LLC Interest"). For example, if a Participant's Account balance attributable to Company Contributions is $100,000 on December 31 of a calendar year and the Participant elects on such day the Investment Choice described in this Section 4.2(b)(ii), on the next succeeding December 31, the Participant's Account will be credited with a number of LLC Interests equal to

$100,000 divided by the value of one LLC Interest on such succeeding December 31. Similarly, if the Participant makes the same election with respect to Elective Deferral Amounts to be credited during the immediately succeeding year, the Participant's Account will be credited on the succeeding December 31 with a number of LLC Interests determined by dividing the entire amount of such Elective Deferral Amounts for such year by the value of one LLC Interest on such December 31.

For the avoidance of doubt, a Participant whose Account balance as of the beginning of a calendar year is $100,000 or greater must choose either 4.2(b)(i) or 4.2(b)(ii) (and not a combination of the foregoing) for his or her entire account balance, and if no such election is made, the Participant's Account shall be invested as described in Section 4.2(b)(i).

4.3. **Vesting.**

(a) All Participants who are Participants on the Effective Date shall be fully vested and have a one hundred percent (100%) vested interest in their entire Account.

(b) All Participants at all times shall have an immediate one hundred percent (100%) vested interest in the portion of their Account which is attributable to Elective Deferral Amounts.

(c) Subject to Section 4.3(d), a Participant who was not a Participant on the Effective Date shall have a vested interest in the portion of his or her Account according to such schedule (which may include immediate vesting) as shall be determined by the Administrator at the time of admission as a Participant.

(d) Upon termination of a Participant's employment, the portion of his or her Account which has not vested in accordance with Section 4.3(c) shall be forfeited in its entirety for no consideration.

4.4. **Assets.** The Plan and the crediting of Accounts hereunder shall not constitute a trust and shall be merely for the purpose of recording an unsecured contractual obligation of the Company.

4.5. **Reports.** Until the aggregate of all Deferred Amounts in a Participant's Account shall have been paid in full, the Company will furnish to the Participant a report, on an annual basis, setting forth the amount of his or her Account, the value of the subaccounts and the vested percentage of the Company Contributions.

ARTICLE V
Payment of Deferred Amounts

5.1. **Form of Payment.** All payments of Deferred Amounts under the Plan shall be made in cash.

5.2. **Payment of Deferred Amount.**

(a) Upon termination of a Participant's employment that qualifies as a Separation from Service (other than due to the Participant's death or Permanent Disability), the Vested Balance of a Participant's Account shall be determined as of the date of such separation from service. For this purpose, with respect to a Participant's Account for which the Investment Choice set forth in Section 4.2(b)(ii) has been made, the value of the Vested Balance shall be based on the value of an LLC Interest on the immediately preceding December 31.

(b) The Vested Balance of a Participant's Account, plus interest at the Applicable Federal Rate in effect on the date that the Vested Balance is determined, shall be paid to the Participant in three (3) annual installments commencing on the January 1 of the second calendar year following the calendar year in which the Separation from Service occurs. Each payment shall include interest accrued through the applicable payment date.

5.3. **Effect of Death or Permanent Disability.** Notwithstanding any other provision of the Plan to the contrary, upon a Participant's death or Permanent Disability, the full amount of such Participant's Account, vested and unvested, shall be his or her Vested Balance and shall be paid within thirty (30) days to the Participant's Beneficiary in the case of death, or to the Participant in the case of Permanent Disability. For this purpose, with respect to a Participant's Account for which the Investment Choice set forth in Section 4.2(b)(ii) has been made, the amount of the Vested Balance shall be based on the value of an LLC Interest on the immediately preceding December 31.

5.4. **Effect of a Change in Control of the Company.** Notwithstanding any other provision of the Plan to the contrary, upon a Change in Control of the Company, the full amount of such Participant's Account, vested and unvested, shall be his or her Vested Balance and shall be distributed within thirty (30) days following the date of consummation of the Change of Control. For this purpose, with respect to a Participant's Account for which the Investment Choice set forth in Section 4.2(b)(ii) has been made, the amount of the Vested Balance shall be based on the value of an LLC Interest or the value of the assets of PVF Holdings LLC as determined in connection with the Change in Control.

5.5. **Six-Month Delay**. Notwithstanding anything to the contrary contained herein, if the Participant is a "specified employee" for purposes of Section 409A of the Code and the regulations thereunder, to the extent required to comply with Section 409A of the Code, any distribution hereunder which is subject to Section 409A of the Code shall not commence until one day after the day which is six (6) months from the date of termination, with the first payment equaling the amount of distribution that would have been paid had Section 409A of the Code not applied.

ARTICLE VI
Administration

6.1. **Eligibility.** Participants are limited to certain of the Company's management and highly compensated employees.

6.2. **Administrator.** The Administrator of the Plan shall be comprised of the Committee, except as otherwise determined by the Board. The Administrator shall have full authority to construe and interpret the terms and provisions of the Plan, to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan and to perform all acts, including the delegation of its administrative responsibilities, as it shall, from time to time, deem advisable, and to otherwise supervise the administration of the Plan. The Administrator may correct any defect, supply any omission or reconcile any inconsistency in the Plan, or in any election hereunder, in the manner and to the extent it shall deem necessary to carry the Plan into effect. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Administrator in connection with the Plan shall be within the absolute discretion of the Administrator and shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and assigns. A Participant who is also the Administrator, a member of a committee that is the Administrator or a person to whom the Administrator has delegated responsibility pursuant to this Section 6.2 shall not participate in any decision involving a request made by him or her or relating in any way to his or her rights, duties, and obligations as a Participant (unless such decision relates to all Participants generally and in a similar manner).

6.3. **Liability.** No member of the Board, nor the Administrator or an employee or agent of the Company or any of its affiliates, shall be liable for any act or action hereunder, whether of omission or commission, by any other member or employee or by any agent to whom duties in connection with the administration of the Plan have been delegated or, except in circumstances involving his or her bad faith, gross negligence or fraud, for anything done or omitted to be done by himself. The Company or the Administrator may consult with legal counsel, who may be counsel for the Company or other counsel, with respect to its obligations or duties hereunder, or with respect to any action or proceeding or any question of law, and shall not be liable with respect to any action taken or omitted by it in good faith pursuant to the advice of such counsel.

ARTICLE VII
Unsecured Creditor

Notwithstanding the establishment of the grantor trust, each Participant and Beneficiary shall have only the rights of a general, unsecured creditor of the Company.

ARTICLE VIII
Miscellaneous

8.1. **Amendment or Termination.** Notwithstanding any other provision of the Plan, the Company by action of the Board may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate it entirely; provided, however, that any such amendment, suspension or termination may not, without a Participant's prior, written consent, adversely affect any Deferred Amount credited to his or her Account prior to such amendment, suspension or termination. The preceding sentence shall not be construed to prohibit the Company from changing or eliminating any or all of the then available Investment Choices provided that if all Investment Choices are eliminated, any remaining Deferred Amounts shall be credited with a money market rate of interest as determined by the Administrator from

time to time. The Plan shall remain in effect until terminated pursuant to this Section 8.1. Upon termination of the Plan, all deferrals under the Plan shall cease, Participants shall be fully vested in their Accounts and Participants shall be paid the Vested Balance (determined as of the date of such termination) pursuant to their Payment Elections then effect. For this purpose, with respect to a Participant's Account for which the Investment Choice set forth in Section 4.2(b)(ii) has been made, the amount of the Vested Balance shall be based on the value of an LLC Interest on the immediately preceding December 31.

8.2. **Expenses.** The Company will bear all expenses incurred in administering the Plan and no part thereof shall be charged against any Participant's Account or any amounts distributable hereunder.

8.3. **Withholding.** The Company shall withhold from Participants' compensation, or from amounts payable hereunder, any federal, state or local taxes required by law to be so withheld.

8.4. **No Obligation.** Neither the Plan nor any elections hereunder shall create any obligation of the Company to establish or continue any other programs, plans or policies of any kind. Neither the Plan nor any election made pursuant to the Plan shall give any Participant or other employee the right to receive benefits not specifically provided for by the Plan, nor any right with respect to continuance of employment by the Company, nor shall there be a limitation in any way on the right of the Company to terminate an employee's employment with the Company at any time.

8.5. **No Assignment.** Except by will or the laws of descent and distribution, no right or interest in any Account or Deferred Amount under the Plan may be assigned, transferred, pledged or hypothecated, and no right or interest of any Participant in any Account hereunder or to any Deferred Amount shall be subject to any lien, pledge, encumbrance, charge, garnishment, execution, alienation, obligation or liability of such Participant, whether voluntary or involuntary, including, but not limited to, any liability that is for alimony or other payments for the support of a spouse or former spouse, or for any other relative of a Participant.

8.6. **Facility of Payment.** Any amounts payable hereunder to any person who is under legal disability or who, in the judgment of the Administrator, is unable to manage his or her financial affairs, may be paid to the legal representative of such person or may be applied for the benefit of such person in any manner that the Company may select. Any such payment shall be deemed to be payment for such person's Account and shall be a complete discharge of all liability of the Company with respect to the amount so paid.

8.7. **Applicable Law.** The Plan and the obligations of the Company hereunder shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any governmental or regulatory agency as may from time to time be required.

8.8. **Governing Law.** The Plan and actions taken in connection herewith shall be governed and construed in accordance with the laws of the State of New York (regardless of the law that might otherwise govern under applicable New York principles of conflict of laws). Any

provision of the Plan prohibited by the law of any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition without invalidating the remaining provisions hereof.

8.9. **Savings Clause**. The Plan is intended to be administered, operated and construed in compliance with Section 409A of the Code and any regulations and guidance thereunder. Notwithstanding this or any other provision of the Plan to the contrary, the Company may amend the Plan in any manner, or take any other action, that it determines, in its sole discretion, is necessary, appropriate or advisable to cause the Plan to comply with Section 409A and any regulations and guidance issued thereunder, including, without limitation, amendments or other actions that reduce the accruals of Participants hereunder or otherwise impair the rights of Participants hereunder. Any such action, once taken, shall be deemed to be effective from the earliest date necessary to avoid a violation of Section 409A and shall be final, binding and conclusive on all Participants and other individuals having or claiming any right or interest under the Plan.

8.10. **Construction.** Wherever any words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply. The titles to sections of the Plan are intended solely as a convenience and shall not be used as an aid in construction of any provisions hereof.

8.11. **Effective Date.** The Plan shall be effective as of the Effective Date.

This Agreement is made and entered into as of this 4th day of December, 2006 by and among McJ Holding Corporation, a Delaware corporation ("Parent"), Hg Acquisition Corp., a West Virginia corporation ("Merger Sub"), McJunkin Corporation, a West Virginia corporation (the "Company") and the persons listed on Annex 1 attached hereto (each such person an "Indemnifying Shareholder" and together the "Indemnifying Shareholders"). Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Merger Agreement (as defined below).

WHEREAS, concurrently with the execution of this Agreement, Parent, Merger Sub and the Company, are entering into an Agreement and Plan of Merger, dated as of the date hereof (as amended, restated or supplemented from time to time, the "Merger Agreement"), pursuant to which, upon the terms and subject to the conditions thereof, Merger Sub will be merged with and into the Company (the "Merger");

WHEREAS, pursuant to Section 6.13 of the Merger Agreement, the Surviving Corporation has agreed to use commercially reasonable efforts to sell the Non-Core Assets following consummation of the Merger;

WHEREAS, the Company has agreed to make payments to certain employees of the Company or its Subsidiaries as a result of the signing of the Merger Agreement, the agreements and documents referenced therein, and the transactions contemplated thereby; and

WHEREAS, each of the Indemnifying Shareholders agrees to provide the indemnity as set forth below.

NOW THEREFORE, in consideration for and to induce the Surviving Corporation to enter into and perform the covenants set forth in Section 6.13 of the Merger Agreement, the parties hereby agree that:

1. Indemnification. From and after the Effective Time, the Indemnifying Shareholders shall, jointly and severally, defend, indemnify and hold harmless Parent, Merger Sub, the Company, and their respective shareholders, members, partners, officers, directors, employees, attorneys, accountants, Affiliates, agents, other advisors and successors (each an "Indemnified Party" and together the "Indemnified Parties") (i) from and against any and all costs, charges, fees, expenses, losses, liabilities, obligations, claims, fines, penalties or interest paid or payable with respect thereto (including, without limitation, attorneys', accountants', consultants' and appraisers' fees and amounts paid or payable with respect to any investigation or remediation in connection with any Hazardous Substances at, on, under or migrating to or from any property being sold) ("Costs") incurred by any such Indemnified Parties in connection with, arising out of, or relating in any way to any Non-Core Asset listed on Part B of Annex G of the Merger Agreement, including, without limitation, the holding and disposition thereof and distribution of the Net Proceeds with respect thereto, as provided in Section 6.13 of the Merger Agreement to the extent the Costs for such Non-Core Asset exceed the Net

Proceeds with respect to such Non-Core Asset and (ii) for any amounts paid or payable by the Company or any of its Subsidiaries to any of its or their officers, directors or employees in excess of $965,000 in the aggregate in the nature of any "change in control", closing or signing bonus or similar payment as a result of the signing of the Merger Agreement, the agreements and documents referenced therein, or the transactions contemplated thereby (but excluding any severance payments made as a result of a termination of employment occurring after the Closing), other than the payments to the employees and in the amounts set forth on Schedule I to this Agreement. In addition, from and after the Effective Time, the Indemnifying Shareholders shall, jointly and severally, defend, indemnify and hold harmless the Indemnified Parties from and against payments by the Company or any of its Subsidiaries to the employees in the amounts set forth on Schedule I to this Agreement net of any tax benefit to the Company and its Subsidiaries as result of such payment less the amounts contributed by the Major Stockholders and M. Chilton Mueller after the date hereof and prior to the Effective Time. Notwithstanding anything herein to the contrary, from and after the Effective Time, the Indemnifying Shareholders shall, jointly and severally, defend, indemnify and hold harmless the Indemnified Parties from and against any liability of the Company and each of its Subsidiaries for any failure to properly withhold any amounts required to be deducted and withheld by the Company or any of its Subsidiaries and paid to the applicable taxing authorities under the Code or any applicable state, local or foreign Tax law with respect to any "change in control", closing or signing bonus or similar payment (including, without limitation, payments to the employees and in the amounts set forth on Schedule 1 to this Agreement) made by the Company or any of its Subsidiaries as a result of the signing of the Merger Agreement, the agreements and documents referenced therein, or the transactions contemplated thereby, provided that the indemnity provided in this sentence shall not apply to any withholding obligations that arise after the Effective Time.

Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.”

   b. The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

4. Entire Agreement; Binding Effect; Assignment. This Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties both written and oral, among the parties, with respect to

THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware located in the County of New Castle and the Federal courts of the United States of America located in the County of New Castle solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware State or Federal court located in the County of New Castle. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 2 or in such other manner as may be permitted by law shall be valid and sufficient service thereof.

   b. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND

UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.

It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in Delaware State or Federal court in the County of New Castle, this being in addition to any other remedy to which such party is entitled at law or in equity.

8. Further Assurances. At any time or from time to time after the date hereof, the parties hereto agree to cooperate with each other, and at the request of any other party, to execute and deliver any further instruments or documents and to take all such further action as the other party may reasonably request in order to evidence or effectuate the provisions of this Agreement and to otherwise carry out the intent of the parties hereunder.

10. Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Except as otherwise expressly provided in this Agreement, for purposes of calculating (a) the amount of outstanding Common Stock as of any date and (b) the amount of Common Stock owned by a Person hereunder (and the percentage of the outstanding Common Stock owned by a Person), no Common Stock Equivalents shall be treated as having been converted, exchanged or exercised for the underlying Common Stock.

Section 3. Restrictions on Transfers of Stock by Stockholders.

(a) Subject to the remaining subsections of this Section 3, no Executive Stockholder shall Transfer any Stock other than pursuant to (i) a Permitted Transfer, or (ii) Section 4 or Section 5 (to the extent applicable to such Transfer).

(b) Anything to the contrary contained in this Agreement notwithstanding, any Person to whom an Executive Stockholder Transfers Stock and who is not a Stockholder at the time of Transfer shall, upon consummation of, and as a condition to, such Transfer, execute and deliver to the Company (which the Company shall then deliver to all other Stockholders) an agreement pursuant to which such transferee agrees to be bound by the terms of this Agreement and such transferee shall thereafter be deemed to be an Executive Stockholder hereunder, the same rights and obligations as the transferor of such Stock.

(c) Any Transfer or attempted Transfer of Stock in violation of any provision of this Agreement shall be void, and the Company shall not record such Transfer on its books or treat any purported transferee of such Stock as the owner of such Stock for any purpose.

Section 4. Drag-Along Rights.

(a) Prior to a Qualified IPO, if Holdco, whether alone or in concert with any other Stockholder, proposes to (i) Transfer Stock to any Person who is not an Affiliate of Holdco, or (ii) effect an Exit Event (any such Transfer or Exit Event referred to in (i) or (ii) above, a "Drag-Along Sale", and the transferee with respect to a Drag-Along Sale, the "Drag-Along Transferee"), then Holdco may elect to require each (but not fewer than each) Executive Stockholder to Transfer Stock (as calculated below) as a part of such Drag-Along Sale to such Drag-Along Transferee at the same price per share (and, in the case of Common Stock Equivalents, such price per share subject to reduction for the amount per share of the exercise or purchase price (if any) of such Common Stock Equivalent) to be paid to, and upon the same terms and conditions as, Holdco, all of which shall be set forth in the Drag-Along Notice (as defined below). Each Executive Stockholder may be required to sell that number of shares of Stock as shall equal the product of (x) a fraction, the numerator of which is the number of shares of Stock proposed to be Transferred by Holdco and the denominator of which is the aggregate number of shares of Stock owned as of the date of the Drag-Along Notice by Holdco and (y) the number of shares of Stock owned by such Executive Stockholder as of the date of the Drag-Along Notice.

(b) The rights set forth in Section 4(a) shall be exercised by giving written notice (the "Drag-Along Notice") to each Executive Stockholder (with a copy to the Company) at least fifteen (15) business days prior to the proposed closing date of such Drag-Along Sale, which notice shall identify the Drag-Along Transferee, the amount and type of Stock being Transferred, the purchase price therefor, and a summary of the other material terms and conditions of the proposed Drag-Along Sale and the proposed closing date thereof.

(c) All Transfers of Stock to the Drag-Along Transferee pursuant to this Section 4 shall be consummated contemporaneously at the offices of the Company on the later of (i) the proposed closing date set forth in the Drag-Along Notice or (ii) the fifth Business Day following the expiration or termination of all waiting periods under anti-trust or competition laws applicable to such Transfers, or at such other time and/or place as the parties to such Transfers may collectively agree. The delivery of certificates or other instruments evidencing such Stock duly endorsed for transfer shall be made on such date against payment of the purchase price for such Stock in the form specified in the Drag-Along Notice.

(d) Any Exit Event may be structured as an auction and may be initiated by the delivery to the Company and the Drag-Along Transferees of a written notice that Holdco has elected to initiate an auction sale procedure. Holdco and its Affiliates shall be entitled to take all steps reasonably necessary to carry out an auction of the Company, including, without limitation, selecting an investment bank, providing confidential information (pursuant to confidentiality agreements), selecting the winning bidder and negotiating the requisite documentation. The Company and each Drag-Along Transferee shall provide assistance with respect to these actions as reasonably requested by Holdco and its Affiliates.

(e) Each Executive Stockholder will (i) take all such actions, including, without limitation, voting all of its shares of Stock in favor of such proposed Drag-Along Sale and waiving any appraisal, dissenter or similar rights under applicable law (in each case if applicable to such Drag-Along Sale), as may be reasonably requested by Holdco to carry out the

purposes of this Section 4, and (ii) execute all documents containing such terms and conditions, including representations and warranties solely with respect to (x) matters of title to the Executive Stockholders securities and (y) the due authorization (or capacity) and due and valid execution and delivery by such Executive Stockholder of documentation in respect of such Transfer, as those executed by Holdco, and shall execute and deliver such other instruments and agreements as may be reasonably requested by Holdco; provided, however, that such representations and warranties shall be made by the Executive Stockholders severally and not jointly and may be subject to knowledge qualifiers where applicable.

(f) Any transaction costs, including transfer taxes and legal, accounting and investment banking fees incurred by the Company and Holdco and its Affiliates in connection with an Exit Event shall, unless the applicable purchaser refuses, be borne by the Company in the event of a merger, consolidation or sale of assets and shall otherwise be borne by the Stockholders on a pro rata basis based on the consideration received by each Stockholder in such Exit Event.

Section 5. Certain Rights upon Termination of Employment.

(a) If at any time an Executive's Employment with the Company shall be terminated, the Company shall have the right, but not the obligation, to purchase all or any portion of the Restricted Stock and/or Option Stock owned by that Executive and any transferee who obtained Restricted Stock and/or Option Stock as a direct or indirect result of a Permitted Transfer by that Executive (a "Permitted Executive Transferee") (the "Call Option", and such Stock (not including unexercised Common Stock Equivalents to the extent cancelled upon such termination) subject to the Call Option, the "Call Option Stock") at the Call Option Price.

(b) If the Company desires to exercise its Call Option, it shall deliver written notice thereof (which shall include its valuation of the Fair Market Value of the Call Option Stock) (a "Call Option Notice") to the Executive and any Permitted Executive Transferees no later than one hundred and eighty one (181) days following the later of (x) termination of the Executive's Employment and (y) receipt of Option Stock in connection with a post-termination exercise. The Executive and any Permitted Executive Transferees shall deliver to the Company certificates representing the shares of Call Option Stock, free and clear of all claims, liens, or encumbrances, together with blank stock powers, duly executed with all signature guarantees at a closing at the principal office of the Company on the tenth day after the Fair Market Value of the Call Option Stock has been determined, or at such other place and time and in such manner as may be mutually agreed to by Executive and the Company. Subject to the next sentence, the proceeds from the purchase of the Call Option Stock pursuant to the Call Option shall be paid in immediately available funds by wire transfer, which shall be delivered to the Executive and any Permitted Executive Transferees at the closing of such purchase. Notwithstanding the foregoing, if the Company is not permitted by any loan or debt agreement to which the Company or any of its Subsidiaries may be a party, or by which any of them may be bound, or the provisions of any applicable law to purchase the Call Option Stock as provided above in cash, the Company may pay for the Call Option Stock with a note payable in a maximum of five (5) equal consecutive annual installments commencing on the first anniversary of the closing of the Call Option purchase and bearing interest at the prime rate in effect on the date of transfer.

(c) The "Call Option Price" means (i) in the event such termination of Employment of an Executive is by the Company for Cause, the lesser of (x) the Fair Market Value of the Call Option Stock on the date of repurchase and (y) the price paid for the Call Option Stock by such Executive, or (ii) in the event of any other termination of Employment of an Executive, the Fair Market Value of the Call Option Stock on the date of repurchase.

Section 6. Legend. Each Executive Stockholder and the Company shall take all such action necessary (including exchanging with the Company certificates representing shares of Stock issued prior to the date hereof) to cause each certificate representing outstanding shares of Stock owned by an Executive Stockholder to bear a legend containing the following words:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. THE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND MAY NOT BE OFFERED, SOLD, PLEDGED, EXCHANGED, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT IN COMPLIANCE WITH SUCH ACT."

"IN ADDITION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE RESTRICTIONS ON TRANSFER AND VOTING SET FORTH IN THE MANAGEMENT STOCKHOLDERS AGREEMENT DATED AS OF MARCH 27, 2007 BY THE COMPANY AND THE PARTIES THERETO, A COPY OF WHICH IS ON FILE IN THE OFFICE OF THE COMPANY."

The requirement that the above securities legend be placed upon certificates evidencing shares of Stock shall cease and terminate upon the earliest of the following events: (i) when such shares are transferred in a public offering, (ii) when such shares are transferred pursuant to Rule 144, as such Rule may be amended (or any successor provision thereto), under the Securities Act or (iii) when such shares are transferred in any other transaction if the seller delivers to the Company an opinion of its or his counsel, which counsel and opinion shall be reasonably satisfactory to the Company, or a "no-action" letter from the staff of the Securities and Exchange Commission, in either case to the effect that such legend is no longer necessary in order to protect the Company against a violation by it of the Securities Act upon any sale or other disposition of such shares without registration thereunder. Upon the consummation of any event requiring the removal of a legend hereunder, the Company, upon the surrender of certificates containing such legend, shall, at its own expense, deliver to the holder of any such shares as to which the requirement for such legend shall have terminated, one or more new certificates evidencing such shares not bearing such legend.

Section 7. Representations and Warranties; Acknowledgements. Each party hereto represents and warrants to the other parties hereto as follows:

(a) It or he has full power and authority to execute, deliver and perform its or his obligations under this Agreement.

(b) This Agreement has been duly and validly authorized, executed and delivered by it or him, and constitutes a valid and binding obligation of it or him, enforceable against it or him in accordance with its terms except to the extent that enforceability may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally (whether considered in a proceeding in equity or at law).

(c) The execution, delivery and performance of this Agreement by it or him does not (x) violate, conflict with, or constitute a breach of or default under its organizational documents, if any, or any material agreement to which it or he is a party or by which it or he is bound or (y) violate any law, regulation, order, writ, judgment, injunction or decree applicable to it or him.

(d) No consent or approval of, or filing with, any governmental or regulatory body is required to be obtained or made by it or him in connection with the execution and delivery hereof.

Section 8. Duration of Agreement. The rights and obligations of a Stockholder under this Agreement shall terminate at such time as such Stockholder no longer owns any shares of Stock.

Section 9. Further Assurances. Each party hereto shall do and perform or cause to be done and performed all such further acts and things and shall execute and deliver all such other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

Section 10. Amendment and Waiver. Except as otherwise provided herein, no modification, amendment or waiver of any provision of this Agreement shall be effective unless such modification, amendment or waiver is approved in writing by Stockholders holding a majority of the then outstanding Common Stock; provided, that, notwithstanding the foregoing, any modification, amendment or waiver of any provision of this Agreement that materially and adversely effects any Stockholder shall not be effective against such Stockholder without such Stockholders' written approval. No waiver of any of the provisions of this Agreement shall be deemed to or shall constitute a waiver of any other provision hereof (whether or not similar). No failure or delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof or of any other or future exercise of any such right power or privilege.

Section 11. Entire Agreement. This Agreement and the other writings referred to herein or delivered pursuant hereto which form a part hereof contain the entire agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way.

Section 12. Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the Company and its successors and assigns and each Stockholder and their respective successors, assigns, heirs and

personal representatives, so long as they hold Stock. Each Stockholder shall have the right to assign all or part of its or his rights and obligations under this Agreement only to a transferee pursuant to a Permitted Transfer; provided, however, that Holdco may transfer and assign, all or part of, its rights and obligations under this Agreement to one or more of its Affiliates without the consent of the Company or any other Stockholder. Upon any such assignment, such assignee shall have and be able to exercise and enforce all rights of the assigning Stockholder which are assigned to it and, to the extent such rights are assigned, any reference to the assigning Stockholder shall be treated as a reference to the assignee.

Section 13. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

Section 14. Remedies. Each Stockholder shall be entitled to enforce its or his rights under this Agreement specifically, to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights existing in its or his favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that each party may in its or his sole discretion apply to any court of law or equity of competent jurisdiction for specific performance and/or injunctive relief (without posting a bond or other security) in order to enforce or prevent any violation of the provisions of this Agreement. All remedies, either under this Agreement, by law, or otherwise afforded to any party, shall be cumulative and not alternative.

Section 15. Notices. Any notice provided for in this Agreement shall be in writing and shall be either personally delivered, or mailed first class mail (postage prepaid) or sent by reputable overnight courier service (charges prepaid) to the Company at the address set forth below and to any other Stockholder at the address indicated on the signature pages hereto and to any subsequent holder of Stock subject to this Agreement at such address as indicated by the Company's records, or at such address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party. Section 17. Possession of Certificates; Power of Attorney.

(a) In order to provide for the safekeeping of the certificates representing the shares of Stock issued to the Executive Stockholders and to facilitate the enforcement of the terms and conditions hereof, (i) certificates representing shares of Stock shall be held by the Company on behalf of the Executive Stockholder in accordance with the terms of the Option Plan and Restricted Stock Plan (and any award agreements thereunder), and (ii) to the extent a certificate representing shares of Stock is issued and delivered to an Executive Stockholder, at any time upon the request of the Company (A) the Executive Stockholder shall redeliver to the Company, and the Company shall retain physical possession of, all certificates representing shares of Stock held by such Executive Stockholder pursuant hereto and (B) the Executive Stockholder shall deliver to the Company an undated stock power, duly executed in blank, for

The Executive Stockholder hereby ratifies and confirms all that the Company shall do or cause to be done by virtue of its appointment as the Executive Stockholder's agent and attorney-in-fact. In acting for the Executive Stockholder pursuant to the appointment set forth in this Section 17(b), the Company shall not be responsible to the Executive Stockholder for any loss or damage the Executive Stockholder may suffer by reason of the performance by the Company of its duties under this Agreement, except for loss or damage arising from willful violation of law or gross negligence by the Company in the performance of its duties hereunder. The appointment of the Company shall be deemed coupled with an interest and as such shall be irrevocable and shall survive the death, incompetency, mental illness or insanity of the Executive Stockholder, and any person dealing with the Company may conclusively and absolutely rely, without inquiry, upon any act of the Company as the act of the Executive Stockholder in all matters referred to in this Section 17(b).

(i) On January 1, 2008, $175,000.00, plus interest for the period from November 1, 2007 until the payment date, calculated at a rate equal to 4.88%, which is 120% of the short-term applicable Federal rate

(determined under Section 1274(d) of the Internal Revenue Code and the regulations thereunder), compounded semi-annually, as published by the Internal Revenue Service for November 2007 (the "Applicable Rate").

(ii) On October 31, 2008, $175,000.00, plus interest for the period from November 1, 2007 until the payment date, calculated at the Applicable Rate.

(iii) On January 1, 2009, $175,000.00, plus interest for the period from November 1, 2007 until the payment date, calculated at the Applicable Rate.

(b) Notwithstanding the foregoing, in the event that the Employee's employment is terminated prior to the payment of all of the Surrender Payments and such termination is due to (i) a termination by the Company without Cause, (ii) a termination by the Employee due to Good Reason or (iii) the Employee's death, any then unpaid Surrender Payments shall be immediately paid in full to the Employee; provided, however, that in no event shall the Surrender Payments be made prior to January 1, 2008.

(i) "Cause" shall mean the Employee's (A) continuing failure, for more than 10 days after the Company's written notice to the Employee thereof, to perform such duties as are reasonably requested by the Company; (B) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is capable of being cured and is cured within 10 days of the Employee receiving written notice of such failure; (C) failure to cooperate with any internal investigation of the Company; (D) commission of any act of fraud, theft or financial dishonesty with respect to the Company or indictment or conviction of any felony; (E) material violation of the provisions of the Employment Agreement between the Company and the Employee dated as of the Closing Date unless such violation is capable of being cured and is cured within 10 days of the Employee receiving written notice of such violation; (F) chronic absenteeism; or (G) abuse of alcohol or another controlled substance.

(d) In the event that the Employee's employment is terminated prior to the payment of all of the Surrender Payments and such payments are not accelerated pursuant to Section 1.2(b), then the Employee shall forfeit any then unpaid Surrender Payments (the "Forfeited Payments") and the Forfeited Payments shall be paid to the Shareholders within 30 days of the termination of Employee's employment in accordance with their respective Cash Proceeds Percentages as set forth on Exhibit B of the Purchase Agreement. The parties agree that the Shareholders are intended third party beneficiaries of this Section 1.2(d) and are entitled to enforce this section as if a party thereto.

Section 1.3 *Representations and Warranties of Employee.* The Employee hereby represents, warrants and acknowledges that as of the Closing the Employee will surrender the Phantom Shares free and clear of all liens or other encumbrances, except those liens that may arise as a result of (a) any actions taken by or on behalf of the Company and its Affiliates or (b) applicable securities laws.

Section 1.4 *Condition to Surrender.* The surrender of the Phantom Shares and payment of the related surrender payment under this Agreement is contingent on (i) the occurrence of the Closing and (ii) approval of this Agreement by 75% of the shareholders of the Company in accordance with Section 280G(b)(5) of the Code. If the Purchase Agreement is terminated or if the requisite shareholder approval is not obtained, this Agreement will be void and of no effect.

Notwithstanding the foregoing, any Ketchum Director may be removed for Director Cause by MRM, and any MRM Director may be removed for Director Cause by Ketchum Members holding greater than 50% of the number of Units held by all Ketchum Members. Upon removal from the Board, such Director shall cease to be a "manager" (within the meaning of the Oklahoma Act).

(d) Meetings of the Board. The Board shall meet at least once every quarter, at such time as determined by the Board to discuss the business of the Company. The Board may hold meetings either within or without the State of Oklahoma. The Company and the Board shall give all Directors at least two days' prior notice of all meetings of the Board. Special meetings of the Board may be called by any Director.

(e) Quorum and Acts of the Board. At all meetings of the Board, a quorum shall consist of all Directors. Except as set forth in Section 3.4, all actions of the Board shall require the affirmative vote of at least a majority of the votes held by all Directors (whether or not present at the meeting) and each Director shall be entitled to one vote on each matter that comes before the Board. Any action that may be taken at a meeting of the Board may also be taken by written consent of Directors holding the minimum number of the votes of Directors necessary to authorize or take such action.

(f) Telephonic Board Meetings. The Company shall take or cause to be taken all necessary actions to allow any Director to attend telephonically any meeting of the Board or any committee thereof.

(g) Expenses. The Company shall pay the reasonable out-of-pocket expenses incurred by each Director in connection with performing his duties as a Director, including, without limitation, the reasonable out-of-pocket expenses incurred by such person for attending meetings of the Board or meetings of any board of directors or other similar managing body of any Subsidiary of the Company.

Section 3.2 Directors as Agents. The Directors, to the extent of their powers set forth in this Agreement, are agents of the Company for the purpose of the Company's business, and the actions of the Directors taken in accordance with such powers shall bind the Company.

Section 3.3 Officers. The Board shall appoint an individual or individuals to serve as the Company's Chairman, Chief Executive Officer, President and Vice President(s) and may, from time to time as it deems advisable, appoint additional officers of the Company (together

with the Chairman, Chief Executive Officer, President and Vice President(s), the "**Officers**") and assign such officers titles (including, without limitation, Vice President, Secretary and Treasurer). Unless the Board decides otherwise, if the title is one commonly used for officers of a business corporation formed under the Oklahoma General Corporation Act, the assignment of such title shall constitute the delegation to such person of the authorities and duties that are normally associated with that office. Any delegation pursuant to this Section 3.3 may be revoked at any time by the Board. Any Officer may be removed with or without cause by the Board, except as otherwise provided in any services or employment agreement between such Officer and the Company.

Section 3.4 Affiliate Transactions. Notwithstanding anything to the contrary in this Agreement, each of the Members shall not, and shall not permit any of their Affiliates to, directly or indirectly (or agree to or delegate any Person to), without the prior written consent of MRM and Ketchum Members holding a majority of the Common Units held by all Ketchum Members, (a) enter into any transactions (except as expressly contemplated by this Agreement or the Services Agreement) with the Company, or any Subsidiary of the Company, or (b) acquire any securities of the Company.

ARTICLE IV

MEMBERS AND INTERESTS GENERALLY

Section 4.1 Powers of Members. The Members shall have the power to exercise any and all rights or powers granted to the Members pursuant to the Oklahoma Act and the express terms of this Agreement. The approval or consent of the Members shall not be required in order to authorize the taking of any action by the Company unless and then only to the extent that (a) this Agreement shall expressly provide therefor, (b) such approval or consent shall be required by non-waivable provisions of the Oklahoma Act or (c) the Board shall have determined in its sole discretion that obtaining such approval or consent would be appropriate or desirable. The Members, as such, shall have no power to bind the Company.

Section 4.2 Interests Generally. As of the date hereof, the Company has one authorized class of Interests: Common Units. Subject to the terms of this Agreement, additional classes of Interests denominated in the form of Units may be authorized from time to time by the Board without obtaining the consent of any Member or class of Members. Except as otherwise provided in this Agreement, Units in a particular class may be issued from time to time, at such prices and on such terms as the Board may determine, without obtaining the consent of any Member or class of Members. The holders of Common Units will have voting rights with respect to their Common Units as provided in Section 4.3(d) and shall have the rights with respect to profits and losses of the Company and distributions from the Company as are set forth herein. The number of Common Units of each Member as of any given time shall be set forth on Schedule A, as it may be updated from time to time in accordance with this Agreement.

Section 4.3 Meetings of Members.

(a) Meetings; Notice of Meetings. Meetings of the Members may be called by the Board or any Member from time to time. Notice of any such meeting shall be given to all Members entitled to vote at such meeting not less than two nor more than 60 days prior to the date of such meeting and shall state the location, date and hour of the meeting and, in the case of a special meeting, the nature of the business to be transacted. Meetings shall be held at the location (within or without the State of Oklahoma) at the date and hour set forth in the notice of the meeting.

(b) Waiver of Notice. No notice of any meeting of Members need be given to any Member who submits a signed waiver of notice, whether before or after the meeting. Neither the business to be transacted at, nor the purpose of, any meeting of the Members need be specified in a written waiver of notice. The attendance of any Member at a meeting of Members shall constitute a waiver of notice of such meeting, except when the Member attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business on the ground that the meeting is not lawfully called or convened.

(c) Quorum. Except as otherwise required by applicable law or by this Agreement, the presence in person or by proxy of the holders of record of all of the Common Units, shall constitute a quorum for the transaction of business at such meeting.

(d) Voting. If the Board has fixed a record date, every holder of record of Common Units shall be entitled to vote at a meeting of Members or to consent in writing in lieu of a meeting of Members as of such date and shall be entitled to one vote for each Common Unit outstanding in such Member's name at the close of business on such record date. If no record date has been so fixed, then every holder of record of such Common Units entitled to vote at a meeting of Members or to consent in writing in lieu of a meeting of Members shall be entitled to one vote for each such Unit outstanding in such Member's name at the close of business on the day next preceding the day on which notice of the meeting is given or the first consent in respect of the applicable action is executed and delivered to the Company, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

(e) Proxies. Each Member may authorize any Person to act for such Member by proxy on all matters in which a Member is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Every proxy must be signed by the Member or such Member's attorney-in-fact. No proxy shall be valid after the expiration of three years from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the Member executing it unless otherwise provided in such proxy, provided that such right to revocation shall not invalidate or otherwise affect actions taken under such proxy prior to such revocation.

(f) Organization. Each meeting of Members shall be conducted by such Person as the Board may designate.

(g) Action Without a Meeting. Unless otherwise provided in this Agreement, any action which may be taken at any meeting of the Members may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by Members holding not less than the minimum number of Common Units necessary to authorize or take such action at a meeting at which a quorum was present.

Section 4.4 Business Transactions of a Member with the Company. A Member may lend money to, borrow money from, act as surety or endorser for, guarantee or assume one or more specific obligations of, provide collateral for, or transact any other business with the Company or any of its Subsidiaries, provided that any such transaction shall require the approval of the Board.

Section 4.5 No Cessation of Membership upon Bankruptcy. A Person shall not cease to be a Member of the Company upon the happening, with respect to such Person, of any assignment for the benefit of creditors, filing of a voluntary petition in bankruptcy, seeking the appointment of a trustee, receiver or liquidator or other similar event.

Section 4.6 Confidentiality. Without the prior written consent of the Board, except (a) to the extent required by law, rule, regulation or court order, (b) for disclosure made by a Member to any Person who is an officer, director, employee or agent of such Member or counsel to, accountants of, consultants to or other advisors for, such Member, and (c) for disclosure to the shareholders, limited partners, partners or members of a Member and their respective advisors; provided any disclosure pursuant to this clause (c) is generally consistent with the scope and nature of disclosure made by a Member to such Persons in respect of such Member's other investments, no Member shall disclose any trade secrets, customer lists, drawings, designs, information regarding product development, marketing plans, sales plans, management organization information (including data and other information relating to members of the Board or management), operating policies or manuals, business plans, financial records, packaging design or other financial, commercial, business or technical information relating to the Company or any of its Subsidiaries or information designated as confidential or proprietary that the Company or any of its Subsidiaries may receive belonging to suppliers, customers or others who do business with the Company or any of its Subsidiaries (collectively, "**Confidential Information**") to any third Person unless such Confidential Information has been previously disclosed to the public by the Company or any of its Subsidiaries or is in the public domain (other than by reason of such Member's breach of this Section 4.6).

Section 4.7 Other Business for MRM. The Company and each of the Members agrees and acknowledges that MRM or any of its Affiliates, or any of its or their respective partners, officers, members, shareholders, subsidiaries, directors, employees, agents, consultants, or legal or other advisors may at any time possess or acquire knowledge of a potential transaction or matter which may be a Competitive Opportunity and may exploit a Competitive Opportunity or engage in, or hold interests in, one or more businesses that may compete with a business of the Company or any of its Subsidiaries. The Company and the Ketchum Members agree and acknowledge that neither the Company nor any of its Subsidiaries shall have an interest in such Competitive Opportunity, or expectation that such Competitive Opportunity be offered to it, any such interest or expectation being hereby renounced so that MRM and its respective Affiliates,

and its and their respective partners, officers, members, shareholders, subsidiaries, directors, employees, agents, consultants, or legal or other advisors (i) shall have no duty to communicate or present such Competitive Opportunity to the Company or any of its Subsidiaries, (ii) shall have the right to hold any such Competitive Opportunity for their own account, or to recommend, assign or otherwise transfer such Competitive Opportunity to Persons other than the Company or any of its Subsidiaries and (iii) shall not be liable to the Company or any of its Subsidiaries or their respective members or shareholders by reason of the fact that they pursue or acquire such Competitive Opportunity for themselves, direct, sell, assign or otherwise transfer such Competitive Opportunity to another Person, do not communicate information regarding such Competitive Opportunity to the Company or any of its Subsidiaries, or engage in, or hold any interest in, any business that competes with any business of the Company or any of its Subsidiaries.

Section 4.8 Preemptive Rights.

(a) Subject to the terms and conditions of this Section 4.8, if the Company or any of its Subsidiaries proposes to issue or sell any Units or other securities of the Company or any of its Subsidiaries ("Additional Securities") to any Person, the Company shall first offer a portion of such Additional Securities to MRM, as set forth in this Section 4.8. MRM shall be entitled to apportion the right of first offer hereby granted to it among itself and its Affiliates in such proportions as it deems appropriate.

(b) The Company shall provide written notice (the "Participation Notice") to MRM of the material terms of the proposed issuance of Additional Securities, including (i) its or its Subsidiaries' bona fide intention to offer such Additional Securities, (ii) the number of such Additional Securities to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such Additional Securities.

(c) By notification to the Company within twenty (20) days after the Participation Notice is given, MRM may elect to purchase or otherwise acquire, at the price and on the terms specified in the Participation Notice, up to that portion of such Additional Securities which equals the proportion that the Units or other securities issued and held by MRM (directly or indirectly) bears to the total Units or other securities of the Company or its Subsidiaries then outstanding (the "Preemption Right"). If MRM fails to exercise its Preemption Right in whole or in part within twenty (20) days of receipt of the Participation Notice, the Additional Securities in respect of which the Preemption Right is not exercised may be offered by the Company or any of its Subsidiaries to any other Person on terms no less favorable to the Company or its Subsidiaries than those offered to MRM.

(d) Notwithstanding anything to the contrary contained in this Agreement, in no event shall the Company or any of its Subsidiaries issue or sell any Additional Securities if such issuance would cause the Company to be decertified under the certification requirements of any State or Federal minority supplier development council (or similar certifications).

ARTICLE V

REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 5.1 Investment Representations, Warranties and Covenants of Members.

(a) Investment Intention and Restrictions on Disposition. Each Member represents and warrants that such Member is acquiring the Interests solely for such Member's own account for investment and not with a view to resale in connection with any distribution thereof.

(b) Securities Laws Matters. Each Member acknowledges receipt of advice from the Company that (i) the Interests have not been registered under the Securities Act or qualified under any state securities or "blue sky" laws; (ii) it is not anticipated that there will be any public market for the Interests; (iii) the Interests must be held indefinitely and such Member must continue to bear the economic risk of the investment in the Interests unless the Interests are subsequently registered under the Securities Act and such state laws or an exemption from registration is available; (iv) Rule 144 is not presently available with respect to sales of any securities of the Company and the Company has made no covenant to make Rule 144 available and Rule 144 is not anticipated to be available in the foreseeable future; (v) when and if the Interests may be disposed of without registration in reliance upon Rule 144, such disposition can be made only in limited amounts and in accordance with the terms and conditions of such Rule and the provisions of this Agreement; (vi) if the exemption afforded by Rule 144 is not available, public sale of the Interests without registration will require the availability of an exemption under the Securities Act; (vii) restrictive legends shall be placed on any certificate representing the Interests; and (viii) a notation shall be made in the appropriate records of the Company indicating that the Interests are subject to restrictions on transfer and, if the Company should in the future engage the services of a transfer agent, appropriate stop-transfer instructions will be issued to such transfer agent with respect to the Interests.

(c) Ability to Bear Risk. Each Member represents and warrants that (i) such Member's financial situation is such that such Member can afford to bear the economic risk of holding the Interests for an indefinite period and (ii) such Member can afford to suffer the complete loss of such Member's investment in the Interests.

(d) Access to Information; Sophistication; Lack of Reliance. Each Member represents and warrants that (i) such Member is familiar with the business and financial condition, properties, operations and prospects of the Company and that such Member has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Company and the terms and conditions of the purchase of the Interests and to obtain any additional information that such Member deems necessary; (ii) such Member's knowledge and experience in financial and business matters is such that such Member is capable of evaluating the merits and risk of the investment in the Interests; and (iii) such Member has carefully reviewed the terms and provisions of this Agreement and has evaluated the restrictions and obligations contained therein. In furtherance of the foregoing, each Member represents and warrants that (i) no representation or warranty, express or implied, whether written or oral, as to the financial condition, results of operations, prospects, properties or business of the Company or

as to the desirability or value of an investment in the Company has been made to such Member by or on behalf of the Company; (ii) such Member has relied upon such Member's own independent appraisal and investigation, and the advice of such Member's own counsel, tax advisors and other advisors, regarding the risks of an investment in the Company; and (iii) such Member will continue to bear sole responsibility for making its own independent evaluation and monitoring of the risks of its investment in the Company.

(e) Accredited Investor. Each Member represents and warrants that such Member is an "accredited investor" as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act and, in connection with the execution of this Agreement, agrees to deliver such certificates to that effect as the Board may request.

Section 5.2 Covenant Not to Compete. Other than the distribution of oil country tubular goods in North America, the Company shall not, anywhere in the world, directly or indirectly, engage or otherwise participate, whether as an agent, director, officer, shareholder, partner, joint venturer, investor, consultant, advisor, or otherwise, in any business in which, at the time the Company first engages or participates in such business, MRM or any of its Affiliates is then engaged.

Section 5.3 Independent Accountants. Notwithstanding anything to the contrary in this Agreement, the Company shall not, and neither the Company nor the Board shall permit any of the Company's Subsidiaries or Officers to, directly or indirectly (or agree to or delegate any Person to), replace the Company's independent accountants with an accounting firm that is not a nationally-recognized independent accounting firm.

ARTICLE VI

CAPITAL ACCOUNTS; CAPITAL CONTRIBUTIONS

Section 6.1 Capital Accounts. A separate capital account (a "**Capital Account**") shall be established and maintained for each Member. The initial balance in each Member's Capital Account shall be set forth in Schedule A.

Section 6.2 Adjustments. The balance in each Member's Capital Account shall be adjusted by (i) increasing such balance by such Member's (A) allocable share of items of income and gain (allocated in accordance with Section 7.1) and (B) the amount of cash and the Fair Market Value of any property (as of the date of the contribution thereof and net of any liabilities encumbering such property) contributed to the Company by such Member, and (ii) decreasing such balance by (A) the amount of cash and the Fair Market Value of any property (as of the date of the distribution thereof and net of any liabilities encumbering such property) distributed to such Member and (B) such Member's allocable share of items of loss and deduction (allocated in accordance with Section 7.1). Each Member's Capital Account shall be further adjusted with respect to any special allocations pursuant to Section 7.2. The provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations section 1.704-1(b) and section 1.704-2 and shall be interpreted and applied in a manner consistent with such Treasury Regulations.

Section 6.3 Additional Capital Contributions. Except as provided in this Section 6.3, no Member shall be required to make any additional Capital Contribution to the Company in respect of the Interests then owned by such Member (including, without limitation, with respect to any amount owed by the Company pursuant to Article XI). A Member may make further Capital Contributions to the Company, but only with the written consent of the Board. The provisions of this Section 6.3 are intended solely to benefit the Members and, to the fullest extent permitted by applicable law, shall not be construed as conferring any benefit upon any creditor of the Company (and no such creditor shall be a third party beneficiary of this Agreement), and, to the maximum extent permitted by law, no Member shall have any duty or obligation to any creditor of the Company to make any additional Capital Contributions or to cause the Board to consent to the making of additional Capital Contributions.

Section 6.4 Negative Capital Accounts. No Member shall be required to make up a negative balance in its Capital Account.

ARTICLE VII

ALLOCATIONS

Section 7.1 Book Allocations of Income and Loss. Except as provided in Section 7.2, each item of income, gain, loss and deduction of the Company shall be allocated among the Capital Accounts as of the end of the applicable Accounting Period in a manner that as closely as possible gives effect to the provisions of Article VIII and the other relevant provisions of this Agreement.

Section 7.2 Special Book Allocations.

(a) Qualified Income Offset. If any Member unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulations section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) and such adjustment, allocation or distribution causes or increases a deficit in such Member's Capital Account (a "**Deficit**"), items of gross income and gain for such Accounting Period and each subsequent Accounting Period shall be specifically allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Deficit of such Member as quickly as possible; provided that an allocation pursuant to this Section 7.2(a) shall be made only if and to the extent that such Member would have a Deficit after all other allocations provided for in this Article VII have been tentatively made as if this Section 7.2(a) were not in this Agreement. This Section 7.2(a) is intended to comply with the qualified income offset provision of Treasury Regulations section 1.704-1(b)(2)(ii)(d) and shall be interpreted in a manner consistent therewith.

(b) Restorative Allocations. Any special allocations of items of income or gain pursuant to this Section 7.2 shall be taken into account in computing subsequent allocations pursuant to this Agreement, so that the net amount for any item so allocated and all other items allocated to each Member pursuant to this Agreement shall be equal, to the extent possible, to the net amount that would have been allocated to each Member pursuant to the provisions of this Agreement if such special allocations had not occurred.

(c) Allocation Adjustments. Notwithstanding anything to the contrary herein, the Board is authorized to allocate items of income, gain, loss and expense and to otherwise modify the distributions and allocations provisions, to reflect any admission of new Members, or distributions of property, as determined by the Board in its sole discretion.

Section 7.3 Tax Allocations. The income, gains, losses, credits and deductions recognized by the Company shall be allocated among the Members, for U.S. federal, state and local income tax purposes, to the extent permitted under the Code and the Treasury Regulations, in the same manner that each such item is allocated to the Members' Capital Accounts. Notwithstanding the foregoing, the Board shall have the power to make such allocations for U.S. federal, state and local income tax purposes so long as such allocations have substantial economic effect, or are otherwise in accordance with the Members' Interests, in each case within the meaning of the Code and the Treasury Regulations. In accordance with section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for U.S. federal income tax purposes and its fair market value at the time of contribution.

ARTICLE VIII

DISTRIBUTIONS

Section 8.1 Distributions Generally. In the sole discretion of the Board, the Company may from time to time distribute its available cash to the Members on a pro rata basis in proportion to the number of Common Units outstanding at the time of such distribution.

Section 8.2 Distributions In Kind. In the event of a distribution of Company property, such property shall for all purposes of this Agreement be deemed to have been sold at its Fair Market Value and the proceeds of such sale shall be deemed to have been distributed to the Members.

Section 8.3 No Withdrawal of Capital. Except as otherwise expressly provided in Section 12.10 or Article XII, no Member shall have the right to withdraw capital from the Company or to receive any distribution or return of such Member's Capital Contributions.

Section 8.4 Withholding.

(a) Each Member shall, to the fullest extent permitted by applicable law, indemnify and hold harmless each Person who is or who is deemed to be the responsible withholding agent for U.S. federal, state or local income tax purposes against all claims, liabilities and expenses of whatever nature (other than any claims, liabilities and expenses in the nature of penalties and accrued interest thereon that result from such Person's fraud, willful misfeasance, bad faith or gross negligence) relating to such Person's obligation to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Company or as a result of such Member's participation in the Company.

(b) Notwithstanding any other provision of this Article VIII, (i) each Member hereby authorizes the Company to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Company or any of its Affiliates with respect to such Member or as a result of such Member's participation in the Company and (ii) if and to the extent that the Company shall be required to withhold or pay any such taxes (including any amounts withheld from amounts payable to the Company to the extent attributable, in the judgment of the Members, to such Member's Interest), such Member shall be deemed for all purposes of this Agreement to have received a payment from the Company as of the time such withholding or tax is required to be paid, which payment shall be deemed to be a distribution with respect to such Member's Interest to the extent that the Member (or any successor to such Member's Interest) is then entitled to receive a distribution. To the extent that the aggregate of such payments to a Member for any period exceeds the distributions to which such Member is entitled for such period, such Member shall make a prompt payment to the Company of such amount.

(c) If the Company makes a distribution in kind and such distribution is subject to withholding or other taxes payable by the Company on behalf of any Member, such Member shall make a prompt payment to the Company of the amount of such withholding or other taxes by wire transfer.

Section 8.5 Restricted Distributions. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make a distribution to any Member on account of its Interest if such distribution would violate Sections 2030 or 2040 of the Oklahoma Act or other applicable law.

Section 8.6 Tax Distributions. In the event that the Members are otherwise allocated taxable income from the Company, the Company may make distributions to the Members to the extent of available cash (as determined by the Board in its discretion) in an amount equal to such income multiplied by a reasonable tax rate determined by the Board; it being understood that, if the Members are allocated material taxable income without corresponding cash distributions sufficient to pay the resulting tax liabilities, it is the Company's intention to make the tax distributions referred to herein, provided that the Board in its sole discretion shall determine whether any such tax distributions will be made. Any distributions made to a Member pursuant to this Section 8.6 shall reduce the amount otherwise distributable to such Member pursuant to the other provisions of this Agreement, so that to the maximum extent possible, the total amount of distributions received by each Member pursuant to this Agreement at any time is the same as such Member would have received if no distribution had been made pursuant to this Section 8.6. To the extent the cumulative sum of tax distributions made to a Member under this Section 8.6 has not been applied pursuant to the preceding sentence to reduce other amounts distributable to such Member, such Member shall contribute to the Company the remaining amounts necessary to give full effect to the preceding sentence on the date of the final liquidating distribution made by the Company pursuant to Section 12.2.

ARTICLE IX

BOOKS AND RECORDS

Section 9.1 Books, Records and Financial Statements. At all times during the continuance of the Company, the Company shall maintain, at its principal place of business, in addition to information required to be maintained under the Oklahoma Act, separate books of account for the Company that shall show a true and accurate record of all costs and expenses incurred, all charges made, all credits made and received and all income derived in connection with the operation of the Company's business in accordance with generally accepted accounting principles consistently applied, and, to the extent inconsistent therewith, in accordance with this Agreement. Such books of account, together with a copy of this Agreement and the Articles, shall at all times be maintained at the principal place of business of the Company and shall be open to inspection and examination at reasonable times by each Member and its duly authorized representative for any purpose reasonably related to such Member's Interest.

Section 9.2 Filings of Returns and Other Writings; Tax Matters Partner.

(a) The Company shall timely file all Company tax returns and shall timely file all other writings required by any governmental authority having jurisdiction to require such filing. Within ninety (90) days after the end of each taxable year (or as soon as reasonably practicable thereafter), the Company shall send to each Person that was a Member at any time during such year copies of Schedule K-1, "Partner's Share of Income, Credits, Deductions, Etc.", or any successor schedule or form, with respect to such Person, together with such additional information as may be necessary for such Person to file his, her or its United States federal income tax returns.

(b) MRM shall be the tax matters partner of the Company, within the meaning of section 6231 of the Code (the "**Tax Matters Partner**"). Each Member hereby consents to such designation and agrees that upon the request of the Tax Matters Partner, such Member will execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent. The Tax Matters Partner shall, in its sole discretion, determine whether to make or revoke any tax election available to the Company pursuant to the Code.

(c) Promptly following the written request of the Tax Matters Partner, the Company shall, to the fullest extent permitted by applicable law, reimburse and indemnify the Tax Matters Partner for all reasonable expenses, including reasonable legal and accounting fees, claims, liabilities, losses and damages incurred by the Tax Matters Partner in connection with any administrative or judicial proceeding with respect to the tax liability of the Members, except to the extent arising from the bad faith, gross negligence, willful violation of law, fraud or breach of this Agreement by such Tax Matters Partner.

(d) The provisions of this Section 9.2 shall survive the termination of the Company or the termination of any Member's Interest and shall remain binding on the Members for as long a

period of time as is necessary to resolve with the Internal Revenue Service any and all matters regarding the U.S. federal income taxation of the Company or the Members.

Section 9.3 Accounting Method. For both financial and tax reporting purposes, the books and records of the Company shall be kept on the accrual method of accounting applied in a consistent manner and shall reflect all Company transactions and be appropriate and adequate for the Company's business.

ARTICLE X

LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 10.1 Liability. Except as otherwise provided by the Oklahoma Act or other applicable law, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person.

Section 10.2 Exculpation. Except as otherwise provided by the Oklahoma Act or other applicable law, no Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any act or omission of such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of authority conferred on such Covered Person by this Agreement, provided that nothing contained herein shall limit or eliminate the liability of a Director for (i) any breach of the Director's duty of loyalty to the Company or its Members, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or (iii) any transaction from which the Director derived an improper personal benefit.

Section 10.3 Fiduciary Duty. Any duties (including fiduciary duties) of a Covered Person to the Company or to any other Covered Person that would otherwise apply at law or in equity are hereby eliminated to the fullest extent permitted under the Oklahoma Act and any other applicable law, provided that (i) the foregoing shall not eliminate the obligation of each Covered Person to act in compliance with the express terms of this Agreement and (ii) the foregoing shall not be deemed to eliminate the duty of loyalty or the obligation of good faith and fair dealing. Notwithstanding anything to the contrary contained in this Agreement, each of the Members hereby acknowledges and agrees that each Director, in determining whether or not to vote in support of or against any particular decision for which the Board's consent is required, may act in and consider the best interest of the Member or Members who designated such Director and shall not be required to act in or consider the best interests of the Company, any Subsidiary of the Company or any other Members.

Section 10.4 Indemnification. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that

(a) no Covered Person shall be entitled to be indemnified in the case of action or failure to act by the Covered Person which constitutes willful misconduct or recklessness, and (b) nothing in this Section 10.4 shall limit or eliminate the liability of a Director for (i) for any breach of the Director's duty of loyalty to the Company or its Members, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or (iii) any transaction from which the Director derived an improper personal benefit; provided, that any indemnity under this Section 10.4 shall be provided out of and to the extent of Company assets only, and no Covered Person shall have any personal liability on account thereof.

Section 10.5 Expenses. To the fullest extent permitted by applicable law, expenses (including, without limitation, reasonable attorneys' fees, disbursements, fines and amounts paid in settlement) incurred by a Covered Person in defending any claim, demand, action, suit or proceeding relating to or arising out of their performance of their duties on behalf of the Company shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an undertaking by or on behalf of the Covered Person to repay such amount if it shall ultimately be determined by a court of competent jurisdiction that the Covered Person is not entitled to be indemnified as authorized in this Section 10.1.

Section 10.6 Severability. TRANSFERS OF INTERESTS

Section 11.1 Restrictions on Transfers of Interests by Members. The Ketchum Members shall not Transfer any Units at any time to any Person, directly or indirectly without the prior written consent of MRM; provided that MRM shall not unreasonably withhold or delay its consent of a Permitted Transfer by any Ketchum Member. MRM shall not Transfer any Units at any time, directly or indirectly, without the prior written consent of Ketchum Members holding greater than 50% of the number of Units held by all Ketchum Members; provided that MRM may Transfer all or any part of its Units at any time to any Affiliate of MRM or in connection with a Transfer of interests or equity in PVF Holdings LLC, or any of its Subsidiaries, in each case without the prior written consent of Ketchum Members holding greater than 50% of the number of Units held by all Ketchum Members.

Section 11.2 Overriding Provisions. Notwithstanding anything to the contrary in this Agreement:

(a) Any Transfer in violation of this Article XI shall be null and void *ab initio*, and the provisions of Section 11.2(e) shall not apply to any such Transfers. The approval of any Transfer in any one or more instances shall not limit or waive the requirement for such approval in any other or future instance.

(b) All Transfers permitted under this Article XI are subject to this Section 11.2 and Sections 11.3 and 11.4.

(c) In addition to meeting all of the other requirements of this Agreement, no Transfer by a Member pursuant to the terms of this Article XI shall be effected that could result in any risk that the Company would be treated as a publicly traded partnership or otherwise be taxable as an association for U.S. federal income tax purposes.

(d) The Company shall promptly amend Schedule A to reflect any Transfers of Interests pursuant to and permitted in accordance with this Article XI.

(e) The Company shall, from the effective date of any permitted assignment of an Interest (or part thereof), thereafter pay all further distributions on account of such Interest (or part thereof) to the assignee of such Interest (or part thereof), provided that such assignee shall have no right or powers as a Member unless such assignee complies with Section 11.4.

Section 11.3 Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the Company and its successors and assigns and each Member and his, her and its respective successors, permitted assigns, heirs and personal representatives, so long as they hold Units. Each Member shall have the right to assign all or part of its or his rights and obligations under this Agreement only to a transferee pursuant to a Transfer of Units in compliance with the terms of this Agreement. Upon any such assignment, such assignee shall have and be able to exercise and enforce all rights of

the assigning Member which are assigned to it and, to the extent such rights are assigned, any reference to the assigning Member shall be treated as a reference to the assignee.

Section 11.4 Substitute Members. In the event any Member Transfers its Interest in compliance with the other provisions of this Article XI, the transferee thereof shall have the right to become a substitute Member, but only upon satisfaction of the following:

(a) execution of such instruments as the Board deems reasonably necessary or desirable to effect such substitution; and

(b) the parties hereto hereby agree that any person who acquires any Units from the Company on or after the date hereof shall become, prior to such acquisition, a signatory to this Agreement by executing a written instrument setting forth that the person agrees to be bound by the terms and conditions of this Agreement and this Agreement will be deemed to be amended to include such person as a Member. Section 11.5 Release of Liability. In the event any Member shall Transfer such Member's entire Interest in compliance with the provisions of this Agreement, without retaining any interest therein, directly or indirectly, then the selling Member shall, to the fullest extent permitted by applicable law, be relieved of any further liability arising hereunder for events occurring from and after the date of such Transfer, provided, however, that no such Transfer shall relieve any Member of its obligations pursuant to Section 3.6 hereof and such obligations shall survive any termination of such Member's membership in the Company.

Section 11.6 MRM Call Right.

(a) MRM shall have the right, but not the obligation, at any time after the date hereof, to purchase, for cash, in one or more transactions, all (but not less than all) of the Common Units held by the Ketchum Members (the "**Equity Call Option**" and such Common Units subject to the Equity Call Option, the "**Call Equity Securities**") at the Equity Call Purchase Price.

Section 12.3 Distributions in Cash or in Kind. Upon the dissolution of the Company, the Board shall use all commercially reasonable efforts to liquidate all of the Company's assets

in an orderly manner and apply the proceeds of such liquidation as set forth in Section 12.2, provided that if in the good faith judgment of the Board, a Company asset should not be liquidated, the Board shall cause the Company to allocate, on the basis of the Fair Market Value of any Company assets not sold or otherwise disposed of, any unrealized gain or loss based on such value to the Members' Capital Accounts as though the assets in question had been sold on the date of distribution and, after giving effect to any such adjustment, distribute such assets in accordance with Section 12.2 as if such Fair Market Value had been received in cash, subject to the priorities set forth in Section 12.2, and provided, further, that the Board shall in good faith attempt to liquidate sufficient Company assets to satisfy in cash (or make reasonable provision for) the debts and liabilities referred to in Section 12.2.

Section 12.4 Termination. The Company shall terminate when the winding up of the Company's affairs has been completed, all of the assets of the Company have been distributed and the Articles have been canceled, all in accordance with the Oklahoma Act.

The requirement that the above securities legend be placed upon certificates evidencing Units shall cease and terminate upon the earliest of the following events: (i) when such Units are transferred in a public offering; (ii) when such Units are transferred pursuant to Rule 144 promulgated under the Securities Act ("**Rule 144**"), as such Rule may be amended (or successor provision thereto); or (iii) when such Units are transferred in any other transaction if, in each such case, the seller delivers to the Company an opinion of his, her or its counsel, which counsel and opinion shall be reasonably satisfactory to the Company, or a "no-action" letter from the staff of the Securities and Exchange Commission, in either case to the effect that such legend is no longer necessary in order to protect the Company against a violation by it of the Securities Act upon any sale or other disposition of such Units without registration thereunder. Upon the consummation of any event requiring the removal of a legend hereunder, the Company, upon the surrender of certificates containing such legend, shall, at its own expense, deliver to the holder of any such Units as to which the requirement for such legend shall have terminated, one or more new certificates evidencing such Units not bearing such legend.

Section 13.12 Severability. The License shall automatically terminate on each six month anniversary of the date of this Agreement unless prior to each such six month anniversary, MRM delivers written notice to RMD extending the License for the subsequent six month period. RMD agrees that MRM shall have the right to review RMD's use of the "Red Man" name in order to ensure that such use meets the quality control standards of MRM. RMD shall cooperate with MRM to correct any such use that fails to meet MRM's quality control standards. RMD agrees that MRM may at any time (at its sole discretion), revoke and terminate the License and License Fee (as defined below).

2. Compensation for Services.

A. RMD shall make the following payments to MRM:

(i) If RMD requests MRM to provide the Services, RMD shall pay MRM an annual services fee of $725,000, payable not more frequently than quarterly in arrears within thirty (30) days following the end of each quarter (the "Services Fee") representing the allocable portion of MRM's overhead costs and other expenses associated with the provision of the Services, including personnel and compensation thereof, building and equipment usage, working capital management, and general administration, each to the extent provided as of the date of this Services Agreement. For the avoidance of doubt, the Services Fee does not include the direct, out-of-pocket costs incurred by MRM on behalf of RMD in connection with the performance of the Services, which will be passed through to RMD at cost ("Third Party Expenses"). All Third Party Expenses shall be paid not more frequently than quarterly in arrears within thirty (30) days following the end of each quarter; and

(ii) RMD shall pay MRM a license fee, payable not more frequently than quarterly in arrears within thirty (30) days following the end of each quarter, equal to 0.215% of RMD's gross monthly revenue for the relevant month, for the License (the "License Fee").

B. MRM shall pay RMD a monthly commission, payable not more frequently than quarterly in arrears within thirty (30) days following the end of each quarter, equal to 1.4% of RMD's gross monthly revenue for the relevant month from sales of products by RMD that are sourced from MRM (the "Commission").

C. Payments of the Services Fee, Commission, License Fee and Third Party Expenses shall be made by check payable to the recipient or by wire transfer of the relevant amount to a bank account previously designated by the recipient.

D. MRM will maintain reasonably complete and detailed books and records in accordance with MRM's standard business practices with respect to its provision of the Services to RMD pursuant to this Agreement, including records supporting the Services Fee. MRM will give RMD and its duly authorized representatives, agents, and attorneys reasonable access to all such books and records during MRM's regular business hours after reasonable advance notice.

E. The Parties shall review the Services Fee, Commission and License Fee at least annually, and subject to the mutual agreement of the Parties, such amounts may be adjusted to reflect the then current value of the Services, License and Commission, as applicable.

3. Term. Unless this Agreement is terminated in accordance with Section 4 below, this Agreement shall become effective on the Effective Date and shall remain in effect until the 15th anniversary of the Effective Date; *provided* that the term of this Agreement shall be automatically extended for successive 15 year terms unless either MRM or RMD provides

written notice to the other party at least six months prior to then end of any such 15 year period.

4. Termination.

A. Termination by MRM.

(i) Termination for Cause. In the event that RMD fails to pay MRM any amounts due under this Agreement, and RMD continues to fail to make such payment for thirty (30) days after RMD's receipt of MRM's written notice of termination for cause, MRM may terminate this Agreement, in whole or in part, by written notice to RMD specifying a date for termination. If RMD materially breaches any provision of this Agreement, and (a) such breach is incapable of cure, or (b) with respect to any such breaches capable of cure, RMD does not cure such breach within thirty (30) days after written notice of material breach, MRM may terminate this Agreement, including, without limitation, the License, upon written notice to RMD.

(ii) Termination for Insolvency of RMD. This Agreement, including, without limitation, the License, shall automatically terminate if RMD: (a) files for bankruptcy; (b) becomes or is declared insolvent; (c) is the subject of any proceedings related to its liquidation, insolvency or the appointment of a receiver or similar officer, which proceedings are not dismissed within sixty (60) days after their commencement; (d) makes an assignment for the benefit of all or substantially all of its creditors or (e) enters into an agreement for the composition, extension, or readjustment of substantially all of RMD's obligations.

B. Termination by RMD.

(i) Termination For Cause. If MRM materially breaches any provision of this Agreement and (a) such breach is incapable of cure, or (b) with respect to any such breaches capable of cure, MRM does not cure such breach within thirty (30) days after written notice of material breach, RMD may terminate this Agreement upon written notice to MRM.

(ii) Termination for Insolvency of MRM. This Agreement, including, without limitation, the License, shall automatically terminate if MRM: (a) files for bankruptcy; (b) becomes or is declared insolvent; (c) is the subject of any proceedings related to its liquidation, insolvency or the appointment of a receiver or similar officer, which proceedings are not dismissed within sixty (60) days after their commencement; (d) makes an assignment for the benefit of all or substantially all of its creditors or (e) enters into an agreement for the composition, extension, or readjustment of substantially all of MRM's obligations.

C. Effect of Termination. The expiration or termination of this Agreement pursuant to the terms of this Section 4 or otherwise shall not relieve any of the Parties of any obligations accruing prior to such termination, and any such termination shall be without prejudice to the rights of either Party against the other conferred on it by this Agreement. In the event of the termination of this Agreement pursuant to this Section 4, both Parties shall retain all rights existing at law or equity.

5. Additional Credit Agreement Obligations.

A. Negative Pledge. RMD will not create, incur or suffer to exist any Lien (other than tax Liens) upon any of its Accounts (as defined in the Uniform Commercial Code as from time to time in effect in the State of New York).

B. Reporting. RMD will furnish to MRM, within 15 days of the end of each calendar month, or more frequently as MRM may reasonably request to permit MRM to comply with its obligations under its primary revolving credit facility (the "Credit Facility"), (i) an Accounts Receivable Certificate substantially in the form of Exhibit A hereto, together with supporting information in connection therewith as of the end of such month, (ii) a Collateral Report, substantially in the form of Exhibit B hereto, setting forth (a) a detailed aging of RMD's Accounts reconciled to the Accounts Receivable Certificate delivered as of such date, (b) calculations prepared by RMD to assist MRM with its determination of Eligible Accounts and Eligible Inventory (as those terms are defined in the Credit Facility) and (c) a schedule and aging of RMD's accounts payable presented at the vendor level, and (iii) other information or documents MRM may reasonably request to satisfy the reporting obligations under the Credit Facility.

C. Subrogation. (i) Each of RMD and MRM hereby acknowledges that RMD's Accounts owing to MRM or any of its subsidiaries (the "Intercompany Accounts") have been pledged as collateral for MRM's obligations under its Credit Facility, and (ii) each of RMD and MRM hereby agrees that, upon the occurrence and during the continuance of an Event of Default (as defined in the Credit Facility) and following notice to MRM by the collateral agent under the Credit Facility of its intent to exercise such right, the collateral agent under the Credit Facility shall be subrogated to the rights of MRM with respect to the Intercompany Accounts.

The law of the State of Oklahoma shall apply to any and all matters arising from or related to this Agreement. The Parties agree that any legal proceeding based upon the provisions of this Agreement or breach thereof shall be brought exclusively in any federal or state court located in the State of Oklahoma located in the County of Tulsa, to the exclusion of all other courts and tribunals, except for matters for which such courts do not exercise jurisdiction. The Parties hereby irrevocably and unconditionally consent and agree to be subject to the jurisdiction of the aforesaid courts in such proceedings. 16. Independent Contractor. Each Party is an independent contractor engaged in the operation of its own respective business, and nothing in this Agreement shall be construed to create a partnership, agency, joint venture, pooling, franchise or employer-employee relationship between the Parties or between any Party and the other Party's employees. EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT, dated as of September 10, 2008 (this "Agreement"), by McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), and Andrew Lane (the "Executive").

WHEREAS, the Company desires to employ the Executive as Chief Executive Officer and to utilize his management services as indicated herein, and the Executive has agreed to provide such management services to the Company; and

WHEREAS, the Executive desires to accept the Company's offer of employment.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valid consideration, the sufficiency of which is acknowledged, the parties hereto agree as follows:

1. Employment

1.1. Term. The Company agrees to employ the Executive, and the Executive agrees to be employed by the Company pursuant to this Agreement, for a period commencing on September 10, 2008 (such date, the "Effective Date") and ending on the earlier of (i) the fifth (5th) anniversary of the Effective Date and (ii) the termination of the Executive's employment in accordance with Section 3 hereof (the "Term"); provided, however, that on the fifth (5th) anniversary of the Effective Date and each subsequent anniversary thereof, the Term shall automatically be extended for one (1) year unless ninety (90) days' written notice of non-renewal is given by the Executive or the Company to the other party.

1.2. Duties. During the Term, the Executive shall serve as Chief Executive Officer of the Company and in such other positions as an officer or director of the Company or its affiliates as the Executive and the Board of Directors of the Company (the "Board") shall mutually agree from time to time. In addition, the Executive shall serve as a member of the Board during the Term. The Executive shall perform such duties, functions and responsibilities commensurate with the Executive's positions as reasonably directed by the Board.

1.3. Exclusivity. During the Term, the Executive shall devote his full time and attention to the business and affairs of the Company, shall faithfully serve the Company, and shall in all material respects conform to and comply with the lawful and reasonable directions and instructions given to him by the Board, consistent with Section 1.2 hereof. During the Term, the Executive shall use his best efforts to promote and serve the interests of the Company and shall not engage in any other business activity, whether or not such activity shall be engaged in for pecuniary profit, except that the Executive may sit on the boards of other companies with the consent of the Board, which shall not be unreasonably withheld.

2. Compensation

2.1. Salary. As compensation for the performance of the Executive's services hereunder, during the Term, the Company shall pay to the Executive a salary at an annual rate of seven hundred thousand dollars ($700,000) payable in accordance with the Company's standard payroll policies (the "Base Salary"). The Base Salary shall be reviewed annually and may be adjusted upward by the Board (or a committee thereof) in its discretion, based on competitive data and the Executive's performance. No increase in Base Salary shall limit or reduce any other right or obligation to the Executive under this Agreement and the Base Salary shall not be reduced at any time (including after any such increase).

2.2. Annual Bonus. Beginning with the fiscal year that commences on January 1, 2009, for each completed fiscal year during the Term, the Executive shall be eligible to receive additional cash incentive compensation pursuant to the annual bonus plan of the Company in effect at such time (the "Annual Bonus"). The target Annual Bonus shall be 100% of the Executive's Base Salary as in effect at the beginning of such fiscal year with the actual Annual Bonus to be based upon such individual and/or Company performance criteria established for each such fiscal year by the Board in consultation with the Executive. The Executive shall be eligible to receive a pro-rata Annual bonus for fiscal year 2008 based on a target bonus of 100% of Base Salary and the Company performance criteria established for 2008.

2.3. Equity

a) Stock Purchase. The Executive shall acquire $3 million of the Company's common stock ("Common Stock") within thirty (30) days of the commencement of employment. Such purchase will be at the fair market value of the Common Stock on the date of purchase (such Common Stock so acquired, the "Purchased Equity") and will be pursuant to a subscription agreement provided by the Company containing customary representations and other terms. The Executive shall execute and become a party to the Stockholders Agreement in the form attached hereto (the "Stockholders Agreement"). The Stockholders Agreement will apply to all shares of the Common Stock held by the Executive, including Purchased Equity and shares obtained through the exercise of the Options (as defined below).

b) Stock Options. The Executive shall be granted options in respect of $31 million of Common Stock. All such stock options (the "Options") shall be governed by the terms of the McJ Stock Option Plan and shall become vested over time in equal installments on the second (2nd), third (3rd), fourth (4th) and fifth (5th) anniversaries of the date of grant, conditioned on continued employment through each applicable vesting date and subject to the accelerated vesting as provided below in the event of certain

terminations of employment or the occurrence of a Change in Control (as defined herein).

2.4. Employee Benefits. During the Term, the Executive shall be eligible to participate in such health and other group insurance and other employee benefit plans and programs of the Company and its affiliates as in effect from time to time on the same basis as other senior executives of the Company.

2.5. Vacation. During the Term, the Executive shall be entitled to paid vacation in accordance with the Company's vacation policy as in effect from time to time.

2.6. Business Expenses. The Company shall pay or reimburse the Executive for all commercially reasonable business out-of-pocket expenses that the Executive incurs during the Term in performing his duties under this Agreement upon presentation of documentation and in accordance with the expense reimbursement policy of the Company as approved by the Board (or a committee thereof) and in effect from time to time.

3. Termination of Employment

3.1. Generally. The Company may terminate the Executive's employment for any reason during the Term, and the Executive may voluntarily terminate his employment for any reason during the Term, in each case (other than a termination by the Company for Cause (as defined herein)) at any time upon not less than thirty (30) days' notice to the other party. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be entitled to any Base Salary earned but unpaid through the date of termination, any earned but unpaid Annual Bonus for completed fiscal years, any unreimbursed expenses in accordance with Section 2.6 hereof and, to the extent not theretofore paid or provided, any other amounts or benefits required to be paid or provided under any plan, program, policy or practice or other contract or agreement of the Company and its affiliates through the date of termination of employment (collectively, the "Accrued Amounts").

3.2. Certain Terminations

a) Termination by the Company other than for Cause or Disability; Termination by the Executive for Good Reason. If the Executive's employment is terminated during the Term by the Company other than for Cause or Disability, or by the Executive for Good Reason (as defined herein), the Executive shall be entitled to: (i) the Accrued Amounts, (ii) a pro-rata bonus for the fiscal year of termination, based on actual performance through the end of the applicable fiscal year and the number of days that have elapsed in the fiscal year through the date of termination (a "Pro-Rata Bonus"), (iii) payment of an amount equal to the sum of 1/12 of Base Salary and 1/12 of the target Annual Bonus each month for eighteen (18) months following termination (the "Severance Payments")

and (iv) continuation of medical benefits on the same terms as active senior executives for eighteen (18) months following termination ("Medical Continuation"). In addition, a portion of the Options granted pursuant to Section 2.3(b) that are unvested at the time of such termination will become vested, as follows: if termination occurs during the first two (2) years of employment, a pro-rata portion of 1/4 of the shares subject to the Options will vest, such pro-rata portion to be determined based on the number of months worked since the date of grant divided by twenty four (24), and if termination occurs during the third (3rd), fourth (4th) or fifth (5th) years of employment, a pro-rata portion of 1/4 of the shares subject to the Options will vest, such pro-rata portion to be determined based on the number of months worked since the previous vesting date divided by twelve (12) ("Pro-Rata Option Vesting"). Receipt of the Severance Payments, Medical Continuation and Pro-Rata Option Vesting shall be conditioned on: (i) the Executive's continued compliance with his obligations under Section 5 of this Agreement and (ii) the Executive's execution, delivery and non-revocation of a valid and enforceable general release of claims (the "Release") in the form attached hereto as Exhibit A. In the event that the Executive breaches any of the covenants set forth in Section 5 of this Agreement, the Executive shall immediately return to the Company any portion of the Severance Payments that have been paid to the Executive pursuant to this Section 3.2(a) and any shares or other amounts received in respect of the Options that became vested pursuant to this Section 3.2(a), and the Medical Continuation shall immediately terminate. Subject to Section 3.2(c), the Company will commence payment of the Severance Payments as soon as practicable following the effectiveness of the Release. The Pro-Rata Bonus will be paid at the time the Company ordinarily pays incentive bonuses to its executives with respect to the fiscal year in which the termination occurs.

b) Termination upon Death or Disability. If the Executive's employment is terminated due to the Executive's death or Disability, the Executive (or the Executive's estate, if applicable) will receive (i) the Accrued Amounts, (ii) a Pro-Rata Bonus and (iii) Pro-Rata Option Vesting.

c) Section 409A Specified Employee. Notwithstanding anything to the contrary contained herein, if the Executive is a "specified employee" for purposes of Section 409A of the Internal Revenue Code (the "Code") and regulations and other interpretive guidance issued thereunder ("Section 409A"), the Company shall not commence payment of the Severance Payments to the Executive until one (1) day after the day which is six (6) months after the Executive's termination date (the "Delay Period"), with the first (1st) payment equaling the total of all payment that would have been paid during the Delay Period but for the application of Section 409A to such payments. For purposes of this Agreement, the Executive's employment with the Company shall be considered to have terminated when the Executive incurs a "separation from service" with the Company

within the meaning of Section 409A(a)(2)(A)(i) of the Code, and applicable administrative guidance issued thereunder.

d) Exclusive Remedy. The foregoing payments upon termination of the Executive's employment shall constitute the exclusive severance payments due the Executive upon a termination of his employment under this Agreement. The Executive acknowledges that the Medical Continuation is in full satisfaction of the Company's obligation under COBRA.

3.3. Resignation from All Positions. Upon the termination of the Executive's employment with the Company for any reason, the Executive shall be deemed to have resigned, as of the date of such termination, from all positions he then holds as an officer, director, employee and member of the Board (and any committee thereof) and the board of directors (and any committee thereof) of any of the Company's affiliates.

3.4. Cooperation. Following the termination of the Executive's employment with the Company for any reason, the Executive agrees to reasonably cooperate with the Company upon reasonable request of the Board and to be reasonably available to the Company with respect to matters arising out of the Executive's services to the Company and its subsidiaries and affiliates. The Company shall pay the Executive a reasonable fee for any such services and promptly reimburse the Executive for expenses reasonably incurred in connection with such matters.

4. Section 280G. If (i) the aggregate of all amounts and benefits due to the Executive under this Agreement and under any other arrangement with the Company would, if received by the Executive in full and valued under Section 280G of the Code, constitute "parachute payments" as defined in and under Section 280G of the Code (collectively, "280G Benefits"), and if (ii) such aggregate would, if reduced by all federal, state and local taxes applicable thereto, including the excise tax imposed pursuant to Section 4999 of the Code, be less than the amount the Executive would receive, after all taxes, if the Executive received aggregate 280G Benefits equal (as valued under Section 280G of the Code) to only three (3) times the Executive's "base amount" as defined in and under Section 280G of the Code, less $1.00, then (iii) such 280G Benefits shall (to the extent that the reduction of such 280G Benefits can achieve the intended result) be reduced or eliminated to the extent necessary so that the aggregate 280G Benefits received by the Executive will not constitute parachute payments. The determinations with respect to this Section 4 shall be made by an independent auditor (the "Auditor") paid by the Company. The Auditor shall be the Company's regular independent auditor unless the Executive reasonably objects to the use of that firm, in which event the Auditor will be a nationally recognized United States public accounting firm chosen by the parties.

5. Unauthorized Disclosure; Non-Competition; Non-Solicitation; Interference with Business Relationships; Proprietary Rights

5.1. Unauthorized Disclosure. The Executive agrees and understands that in the Executive's position with the Company, the Executive will be exposed to and will receive information relating to the confidential affairs of the Company and its affiliates, including, without limitation, technical information, intellectual property, business and marketing plans, strategies, customer information, software, other information concerning the products, promotions, development, financing, expansion plans, business policies and practices of the Company and its affiliates and other forms of information considered by the Company and its affiliates to be confidential or in the nature of trade secrets (including, without limitation, ideas, research and development, know-how, formulas, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals) (collectively, the "Confidential Information"). The Executive agrees that at all times during the Executive's employment with the Company and thereafter, the Executive shall not disclose such Confidential Information, either directly or indirectly, to any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof (each a "Person") other than in connection with the Executive's employment with the Company without the prior written consent of the Company and shall not use or attempt to use any such information in any manner other than in connection with his employment with the Company, unless required by law to disclose such information, in which case the Executive shall provide the Company with written notice of such requirement as far in advance of such anticipated disclosure as possible. This confidentiality covenant has no temporal, geographical or territorial restriction. Upon termination of the Executive's employment with the Company, the Executive shall promptly supply to the Company all property, keys, notes, memoranda, writings, lists, files, reports, customer lists, correspondence, tapes, disks, cards, surveys, maps, logs, machines, technical data and any other tangible product or document which has been produced by, received by or otherwise submitted to the Executive during the Executive's employment with the Company, and any copies thereof in his (or capable of being reduced to his) possession; provided, however, that the Executive may retain his full rolodex or similar address and telephone directories.

5.2. Non-Competition. By and in consideration of the Company entering into this Agreement and the payments made and the benefits provided hereunder, and in further consideration of the Executive's exposure to the Confidential Information of the Company and its affiliates, the Executive agrees that the Executive shall not, during the Executive's employment with the Company and for eighteen (18) months thereafter (the "Restriction Period"), directly or indirectly, own, manage, operate, join, control, be employed by, or participate in the ownership, management, operation or control of, or be connected in any manner with, including, without limitation, holding any position as a stockholder, director, officer, consultant, independent contractor, employee, partner, or investor in, any

Restricted Enterprise (as defined below); provided, that in no event shall ownership of one percent (1%) or less of the outstanding securities of any class of any issuer whose securities are registered under the Securities Exchange Act of 1934, as amended, standing alone, be prohibited by this Section 5.2, so long as the Executive does not have, or exercise, any rights to manage or operate the business of such issuer other than rights as a stockholder thereof. For purposes of this paragraph, "Restricted Enterprise" shall mean any Person that is actively engaged in any geographic area in any business which is either (i) in competition with the business of the Company or any of its subsidiaries or affiliates or (ii) proposed to be conducted by the Company or any of its subsidiaries or affiliates in their respective business plans as in effect at that time. During the Restriction Period, upon request of the Company, the Executive shall notify the Company of the Executive's then-current employment status.

5.3. Non-Solicitation of Employees. During the Restriction Period, the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) for employment any person who is, or within twelve (12) months prior to the date of such solicitation was, an employee of the Company or any of its subsidiaries or affiliates.

5.4. Interference with Business Relationships. During the Restriction Period (other than in connection with carrying out his responsibilities for the Company and its affiliates), the Executive shall not directly or indirectly contact, induce or solicit (or assist any Person to contact, induce or solicit) any customer or client of the Company or its subsidiaries or affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or its subsidiaries or affiliates, or directly or indirectly interfere with (or assist any Person to interfere with) any material relationship between the Company or its subsidiaries or affiliates and any of its or their customers or clients so as to cause harm to the Company or its affiliates.

5.5. Extension of Restriction Period. The Restriction Period shall be tolled for any period during which the Executive is in breach of any of Sections 5.2, 5.3 or 5.4 hereof.

5.6. Proprietary Rights. The Executive shall disclose promptly to the Company any and all inventions, discoveries, and improvements (whether or not patentable or registrable under copyright or similar statutes), and all patentable or copyrightable works, initiated, conceived, discovered, reduced to practice, or made by him, either alone or in conjunction with others, during the Executive's employment with the Company and related to the business or activities of the Company and its affiliates (the "Developments"). Except to the extent any rights in any Developments constitute a work made for hire under the U.S. Copyright Act, 17 U.S.C. § 101 et seq. that are owned ab initio by the Company and/or its applicable affiliate, the Executive assigns all of his right, title and interest in all Developments (including all intellectual property rights therein) to the Company or its nominee without further compensation, including all rights or benefits

therefor, including without limitation the right to sue and recover for past and future infringement. The Executive acknowledges that any rights in any Developments constituting a work made for hire under the U.S. Copyright Act, 17 U.S.C § 101 et seq. are owned upon creation by the Company and/or its applicable affiliate as the Executive's employer. Whenever requested to do so by the Company, the Executive shall execute any and all applications, assignments or other instruments which the Company shall deem necessary to apply for and obtain trademarks, patents or copyrights of the United States or any foreign country or otherwise protect the interests of the Company and its affiliates therein. These obligations shall continue beyond the end of the Executive's employment with the Company with respect to inventions, discoveries, improvements or copyrightable works initiated, conceived or made by the Executive while employed by the Company, and shall be binding upon the Executive's employers, assigns, executors, administrators and other legal representatives. In connection with his execution of this Agreement, the Executive has informed the Company in writing of any interest in any inventions or intellectual property rights that he holds as of the date hereof as set forth on Exhibit B hereto (the "Existing Inventions"). Notwithstanding anything to the contrary herein, the Developments shall not include any Existing Inventions. If the Company is unable for any reason, after reasonable effort, to obtain the Executive's signature on any document needed in connection with the actions described in this Section 5.6, the Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Executive's agent and attorney in fact to act for and on the Executive's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 5.6 with the same legal force and effect as if executed by the Executive.

5.7. Confidentiality of Agreement. Other than with respect to information required to be disclosed by applicable law, the parties hereto agree not to disclose the terms of this Agreement to any Person; provided the Executive may disclose this Agreement and/or any of its terms to the Executive's immediate family, financial advisors and attorneys, so long as the Executive instructs every such Person to whom the Executive makes such disclosure not to disclose the terms of this Agreement further.

5.8. Remedies. The Executive agrees that any breach of the terms of this Section 5 would result in irreparable injury and damage to the Company for which the Company would have no adequate remedy at law; the Executive therefore also agrees that in the event of said breach or any threat of breach, the Company shall be entitled to an immediate injunction and restraining order to prevent such breach and/or threatened breach and/or continued breach by the Executive and/or any and all Persons acting for and/or with the Executive, without having to prove damages, in addition to any other remedies to which the Company may be entitled at law or in equity, including, without limitation, the obligation of the Executive to return any Severance Payments made by the Company to the Company. The terms of this Section 5.8 shall not prevent the Company from pursuing any other available remedies for any breach or threatened breach hereof, including, without

limitation, the recovery of damages from the Executive. The Executive and the Company further agree that the provisions of the covenants contained in this Section 5 are reasonable and necessary to protect the businesses of the Company and its affiliates because of the Executive's access to Confidential Information and his material participation in the operation of such businesses.

6. Representation. The Executive and the Company each represents and warrants that (i) he or it is not subject to any contract, arrangement, policy or understanding, or to any statute, governmental rule or regulation, that in any way limits his or its ability to enter into and fully perform his or its obligations under this Agreement and (ii) he or it is not otherwise unable to enter into and fully perform his or its obligations under this Agreement.

7. Non-Disparagement. From and after the Effective Date and following termination of the Executive's employment with the Company, the Executive agrees not to make any statement (other than statements made in connection with carrying out his responsibilities for the Company and its subsidiaries and affiliates) that is intended to become public, or that should reasonably be expected to become public, and that criticizes, ridicules, disparages or is otherwise derogatory of the Company or any of its subsidiaries, affiliates, employees, officers, directors or stockholders. The Company and its affiliates shall cause their officers and directors not to make any such statement regarding the Executive.

8. Withholding. The Company may withhold from any amounts payable under this Agreement such Federal, state local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation. The Executive shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

9. Definitions. For purposes of this Agreement, the following terms shall have the following meanings:

9.1. "Cause" shall mean the Executive's (i) continuing failure, for more than ten (10) days after the Company's written notice to the Executive thereof, to perform such duties as are reasonably requested by the Company; (ii) failure to observe material policies generally applicable to officers or employees of the Company unless such failure is capable of being cured and is cured within ten (10) days of the Executive receiving written notice of such failure; (iii) failure to cooperate with any internal investigation of the Company or any of its affiliates; (iv) commission of any act of fraud, theft or financial dishonesty with respect to the Company or any of its affiliates or indictment or conviction of any felony; or (v) material violation of the provisions of this Agreement unless such violation is capable of being cured and is cured within ten (10) days of the Executive receiving written notice of such violation.

9.2. "Change in Control" shall mean:

a) An acquisition (other than directly from the Company) of any voting securities of the Company (the "Voting Securities") by any "Person" (for purposes of this Section 9.2, as the term "person" is used for purposes of Section 13(d) or 14(d) of the Exchange Act), immediately after which such Person has "Beneficial Ownership" (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than fifty percent (50%) of (i) the then-outstanding shares of common stock, par value $.01 per share, of the Company and any other securities into which such shares are changed or for which such shares are exchanged ("Shares") or (ii) the combined voting power of the Company's then-outstanding Voting Securities; provided, however, that in determining whether a Change in Control has occurred pursuant to this paragraph (a), the acquisition of Shares or Voting Securities in a Non-Control Acquisition (as hereinafter defined) shall not constitute a Change in Control. A "Non-Control Acquisition" shall mean an acquisition by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) the Company or (B) any corporation or other Person the majority of the voting power, voting equity securities or equity interest of which is owned, directly or indirectly, by the Company (for purposes of this definition, a "Related Entity"), (ii) the Company or any Related Entity, or (iii) any Person in connection with a Non-Control Transaction (as hereinafter defined); or

b) The consummation of:

(i) A merger, consolidation or reorganization (x) with or into the Company or (y) in which securities of the Company are issued (a "Merger"), unless such Merger is a "Non-Control Transaction." A "Non-Control Transaction" shall mean a Merger in which:

(i) the shareholders of the Company immediately before such Merger own directly or indirectly immediately following such Merger at least a majority of the combined voting power of the outstanding voting securities of (1) the corporation resulting from such Merger (the "Surviving Corporation"), if there is no Person that Beneficially Owns, directly or indirectly, fifty percent (50%) or more of the combined voting power of the then-outstanding voting securities of the Surviving Corporation (a "Parent Corporation"), or (2) if there is one or more than one Parent Corporation, the ultimate Parent Corporation;

(ii) the individuals who were members of the Board immediately prior to the execution of the agreement providing for such Merger constitute at least a majority of the members of the board of directors of (1) the Surviving

Corporation, if there is no Parent Corporation, or (2) if there is one or more than one Parent Corporation, the ultimate Parent Corporation; and

(iii) no Person other than (1) the Company or another corporation that is a party to the agreement of Merger, (2) any Related Entity, or (3) any employee benefit plan (or any trust forming a part thereof) that, immediately prior to the Merger, was maintained by the Company or any Related Entity, or (4) any Person who, immediately prior to the Merger had Beneficial Ownership of fifty percent (50%) or more of the then outstanding Shares or Voting Securities, has Beneficial Ownership, directly or indirectly, of fifty percent (50%) or more of the combined voting power of the outstanding voting securities or common stock of (x) the Surviving Corporation, if there is no Parent Corporation, or (y) if there is one or more than one Parent Corporation, the ultimate Parent Corporation.

c) A complete liquidation or dissolution of the Company; or

d) The sale or other disposition of all or substantially all of the assets of the Company and its subsidiaries taken as a whole to any Person (other than (x) a transfer to a Related Entity or (y) the distribution to the Company's shareholders of the stock of a Related Entity or any other assets).

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the "Subject Person") acquired Beneficial Ownership of more than the permitted amount of the then outstanding Shares or Voting Securities as a result of the acquisition of Shares or Voting Securities by the Company which, by reducing the number of Shares or Voting Securities then outstanding, increases the proportional number of shares Beneficially Owned by the Subject Persons; provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Shares or Voting Securities by the Company and, after such share acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Shares or Voting Securities and such Beneficial Ownership increases the percentage of the then outstanding Shares or Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

9.3. "Disability" shall mean the Executive is entitled to receive long-term disability benefits under the long-term disability plan of the Company or its affiliates in which Executive participates, or, if there is no such plan, the Executive's inability, due to physical or mental ill health, to perform the essential functions of the Executive's job, with or without a reasonable accommodation, for 180 days during any 365 day period irrespective of whether such days are consecutive.

9.4. "Good Reason" shall mean (i) a material and adverse change in the Executive's duties or responsibilities; (ii) a reduction in the Executive's Base Salary or target Annual Bonus; (iii) a relocation of the Executive's principal place of employment by more than fifty (50) miles; or (iv) breach by the Company of any material provision of this Agreement; provided, that the Executive must give notice of termination for Good Reason within sixty (60) days of the occurrence of the first event giving rise to Good Reason.

10. Miscellaneous.

10.1. Indemnification. The Company shall indemnify the Executive to the fullest extent provided under the Company's By-Laws. The Company shall also maintain director and officer liability insurance in such amounts and subject to such limitations as the Board shall, in good faith, deem appropriate for coverage of directors and officers of the Company.

10.2. Amendments and Waivers. This Agreement and any of the provisions hereof may be amended, waived (either generally or in a particular instance and either retroactively or prospectively), modified or supplemented, in whole or in part, only by written agreement signed by the parties hereto; provided, that, the observance of any provision of this Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach, except as otherwise explicitly provided for in such waiver. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

10.3. Assignment; No Third-Party Beneficiaries. This Agreement, and the Executive's rights and obligations hereunder, may not be assigned by the Executive, and any purported assignment by the Executive in violation hereof shall be null and void. Nothing in this Agreement shall confer upon any Person not a party to this Agreement, or the legal representatives of such Person, any rights or remedies of any nature or kind whatsoever under or by reason of this Agreement.

10.4. Notices. Unless otherwise provided herein, all notices, requests, demands, claims and other communications provided for under the terms of this Agreement shall be in writing. Any notice, request, demand, claim or other communication hereunder shall be sent by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) facsimile during normal business hours, with confirmation of receipt, to the number indicated, (iii) reputable commercial overnight delivery service courier or (iv) registered or certified mail, return receipt requested, postage prepaid and addressed to the intended recipient as set

10.5. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights and obligations of the parties hereto shall be governed by, the laws of the State of New York, without giving effect to the conflicts of law principles thereof.

10.6. Severability. Whenever possible, each provision or portion of any provision of this Agreement, including those contained in Section 4 hereof, will be interpreted in such manner as to be effective and valid under applicable law but the invalidity or unenforceability of any provision or portion of any provision of this Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of this Agreement, including that provision or portion of any provision, in any other jurisdiction. In addition, should a court or arbitrator determine that any provision or portion of any provision of this Agreement, including those contained in

Section 5 hereof, is not reasonable or valid, either in period of time, geographical area, or otherwise, the parties hereto agree that such provision should be interpreted and enforced to the maximum extent which such court or arbitrator deems reasonable or valid.

10.7. Entire Agreement. From and after the Effective Date this Agreement shall constitute the entire agreement between the parties hereto, and supersede all prior representations, agreements and understandings (including any prior course of dealings), both written and oral, between the parties hereto with respect to the subject matter hereof.

10.8. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

10.9. Binding Effect. This Agreement shall inure to the benefit of, and be binding on, the successors of each of the parties, including, without limitation, the Executive's heirs and the personal representatives of the Executive's estate and any successor to all or substantially all of the business and/or assets of the Company.

10.10. General Interpretive Principles. The name assigned this Agreement and headings of the sections, paragraphs, subparagraphs, clauses and subclauses of this Agreement are for convenience of reference only and shall not in any way affect the meaning or interpretation of any of the provisions hereof. Words of inclusion shall not be construed as terms of limitation herein, so that references to "include," "includes" and "including" shall not be limiting and shall be regarded as references to non-exclusive and non-characterizing illustrations.

10.11. Mitigation. Notwithstanding any other provision of this Agreement, (i) the Executive will have no obligation to mitigate damages for any breach or termination of this Agreement by the Company, whether by seeking employment or otherwise and (ii) the amount of any payment or benefit due the Executive after the date of such breach or termination will not be reduced or offset by any payment or benefit that the Executive may receive from any other source.

10.12. Section 409A Compliance. This Agreement is intended to comply with Section 409A (to the extent applicable) and, to the extent it would not adversely impact the Company, the Company agrees to interpret, apply and administer this Agreement in the least restrictive manner necessary to comply with such requirements and without resulting in any diminution in the value of payments or benefits to the Executive.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

1.4. rights to indemnification the Executive has or may have under the by-laws or certificate of incorporation of any member of the Company Affiliated Group or as an insured under any director's and officer's liability insurance policy now or previously in force.

2. The Employee acknowledges and agrees that the release of claims set forth in this Release is not to be construed in any way as an admission of any liability whatsoever by any Company Released Party, any such liability being expressly denied.

3. The release of claims set forth in this Release applies to any relief no matter how called, including, without limitation, wages, back pay, front pay, compensatory damages, liquidated damages, punitive damages, damages for pain or suffering, costs, and attorneys' fees and expenses.

4. The Executive specifically acknowledges that his acceptance of the terms of the release of claims set forth in this Release is, among other things, a specific waiver of his rights, claims and causes of action under Title VII, ADEA, ADA and any state or local law or regulation in respect of discrimination of any kind; provided, however, that nothing herein shall be deemed, nor does anything contained herein purport, to be a waiver of any right or claim or cause of action which by law the Executive is not permitted to waive.

5. As to rights, claims and causes of action arising under the ADEA, the Executive acknowledges that he has been given but not utilized a period of twenty-one (21) days to consider whether to execute this Release. If the Executive accepts the terms hereof and executes this Release, he may thereafter, for a period of seven (7) days following (and not including) the date of execution, revoke this Release as it relates to the release of claims arising under the ADEA. If no such revocation occurs, this Release shall become irrevocable in its entirety, and binding and enforceable against the Executive, on the day next following the day on which the foregoing seven (7) day period has elapsed. If such a revocation occurs, the Executive shall irrevocably forfeit any right to payment of the Severance Payments (as defined in the Employment Agreement), but the remainder of the Employment Agreement shall continue in full force.

9. The Executive acknowledges that the release of claims set forth in this Release relates only to claims which exist as of the date of this Release.

10. The Executive acknowledges that the Severance Payments he is receiving in connection with the release of claims set forth in this Release and his obligations under this Release are in addition to anything of value to which the Executive is entitled from the Company and any of its affiliates.

If any provision of this Release is so broad, in scope, or duration or otherwise, as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

12. This Release constitutes the complete agreement of the Parties in respect of the subject matter hereof and shall supersede all prior agreements between the Parties in respect of the subject matter hereof except to the extent set forth herein.

13. The failure to enforce at any time any of the provisions of this Release or to require at any time performance by another party of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or to affect the validity of this Release, or any part hereof, or the right of any party thereafter to enforce each and every such provision in accordance with the terms of this Release.

14. This Release may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be deemed effective for all purposes.

MCJUNKIN RED MAN HOLDING CORPORATION
SUBSCRIPTION AGREEMENT

SUBSCRIPTION AGREEMENT (this "Agreement") dated as of September 10, 2008 by and among McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), Andrew Lane (the "Subscriber") and, for purposes of Section 7 only, PVF Holdings LLC ("PVF").

RECITALS

WHEREAS, on September 10, 2008, the Company and the Subscriber entered into an employment agreement whereby, subject to the terms set forth therein, the Company agreed to employ the Subscriber as Chief Executive Officer of the Company; and

WHEREAS, in exchange for the Cash Consideration (as defined below), the Subscriber desires to purchase from the Company, and the Company desires to issue to the Subscriber, the Purchased Shares (as defined below).

NOW THEREFORE, in consideration of the mutual promises herein made, and in consideration of the representations, warranties, and covenants herein contained, the Company and the Subscriber hereby agree as set forth below.

Section 1. Agreement to Sell and Purchase Securities. Subject to the terms and provisions set forth in this Agreement, (a) Subscriber agrees to purchase 340.4379 shares of common stock, par value $0.01 per share, of the Company (the "Common Stock"), at a purchase price of $8,812.18 per share, for an aggregate purchase price of $3,000,000 (the "Cash Consideration") and (b) in consideration for the Cash Consideration, the Company agrees to issue, sell and deliver to the Subscriber 340.4379 shares of Common Stock (the "Purchased Shares").

Section 2. Closing. The delivery of the Purchased Shares to the Subscriber shall take place at a closing (the "Closing") on September 12, 2008 or at such other date as the Company and the Subscriber may agree in writing. The Subscriber shall deliver the Cash Consideration to the Company by wire transfer of immediately available funds or by such other form of payment acceptable to the Company so that at the Closing, the Company can deliver the Purchased Shares against receipt of cleared funds. The time and date upon which the Closing occurs is herein called the "Closing Date."

Section 3. Acceptance. This Agreement is subject to the acceptance of the Company. The Company reserves the right to accept or reject the subscription of Purchased Shares or any portion thereof. Upon such acceptance, this Agreement shall become a binding agreement between the Company, the Subscriber, and for purposes of Section 7 only, PVF.

Section 4. Representations and Warranties of the Subscriber. The Subscriber represents, warrants and agrees that:

(a) The Subscriber has all requisite power and authority to execute and deliver this Agreement and any and all instruments necessary or appropriate in order to effectuate fully the terms and conditions of this Agreement and to perform and consummate his obligations hereunder. This Agreement has been duly and validly executed and delivered by the Subscriber and constitutes a valid and legally binding obligation of the Subscriber, enforceable against the Subscriber in accordance with its terms and conditions, except as enforceability thereof may be limited by any applicable bankruptcy, reorganization, insolvency or other laws affecting creditors' rights generally or by general principles of equity.

(b) The execution, delivery and performance of this Agreement by the Subscriber does not (i) violate, conflict with, or constitute a breach of or default under any agreement to which the Subscriber is a party or which he is bound or (y) violate any law, regulation, order, writ, judgment, injunction or decree applicable to the Subscriber. No consent or approval of, or filing with, any governmental or regulatory body is required to be obtained or made by the Subscriber in connection with the execution and delivery of this Agreement.

(c) The Subscriber is acquiring the Purchased Shares for his own account, for investment and not with a view to the sale or distribution thereof, nor with any present intention of distributing or selling the same. The Purchased Shares have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and, consequently, the materials relating to the offer have not been subject to review and comment by the staff of the Securities and Exchange Commission or any other governmental authority. Furthermore, there is not now and there may never be any public market for the Purchased Shares. Rule 144 promulgated under the Securities Act is not presently available with respect to the sale of any Purchased Shares.

(d) The Subscriber is an "accredited investor," as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act and, in connection with the execution of this Agreement, the Subscriber agrees to deliver such certificates to that effect as the board of directors of the Company may request.

(e) The Subscriber has had an opportunity to ask questions and receive answers concerning the terms and conditions of the offering of the Purchased Shares and has had full access to such other information concerning the Company as he has requested. The Subscriber's knowledge and experience in financial and business matters is such that he is capable of evaluating the merits and risk of the investment in the Purchased Shares. The Subscriber has carefully reviewed the terms and provisions of this Agreement and has evaluated the restrictions and obligations contained herein. In furtherance of the foregoing, the Subscriber represents and warrants that (i) no representation or warranty, express or implied, whether written or oral, as to the financial condition, results of operations, prospects, properties or business of the Company or as to the desirability or value of an investment in the Company has been made to the Subscriber by or on behalf of the Company, (ii) the Subscriber has relied upon his own independent appraisal and investigation, and the advice of his own counsel, tax advisors and other advisors, regarding the risks of an investment in the Company and (iii) the

Subscriber will continue to bear sole responsibility for making his own independent evaluation and monitoring of the risks of his investment in the Company.

(f) The Subscriber's financial situation is such that the Subscriber can afford to bear the economic risk of holding the Purchased Shares for an indefinite period and the Subscriber can afford to suffer the complete loss of his investment in the Purchased Shares.

(g) The Subscriber is not subscribing for the Purchased Shares as a result of or subsequent to any advertisement, article, notice or other communication published in any newspapers, magazine or similar media or broadcast over television or radio, or presented at any seminar or meeting, or any solicitation of a subscription by a person or entity not previously known to the Subscriber in connection with investments in securities generally.

(h) The Subscriber understands and acknowledges that (i) he is being issued the Purchased Shares as part of a written compensatory contract pursuant to Rule 701 of the Securities Act for services to the Company and its affiliates, and (ii) he or she would not be issued the Purchased Shares if he or she were not an employee of the Company or one of its affiliates.

(i) The Subscriber hereby acknowledges that any investment gain attributable to ownership of the Purchased Shares will not be taken into consideration for any compensation purpose.

Section 5. Survival. All of the representations, warranties and agreements of the Subscriber set forth herein shall survive the execution and delivery of this Agreement.

Section 6. Subscriber's Employment. Nothing in this Agreement shall confer upon the Subscriber any right to continue in the employ of the Company or any of its affiliates or interfere in any way with the right of the Company or any of its affiliates, as the case may be, in their sole discretion, to terminate the Subscriber's employment or to increase or decrease the Subscriber's compensation at any time.

Section 7. Stockholders Agreement

(a) The Subscriber hereby agrees to become a party to the Management Stockholders Agreement by and among PVF Holdings LLC, the Company and the Executives parties thereto, dated as of March 27, 2007, as amended, attached hereto as Exhibit A (the "Stockholders Agreement"). Except as otherwise expressly set forth in this Section 7, the Subscriber hereby agrees to be bound by, and subject to, all of the representations, warranties, covenants, terms and conditions set forth in the Stockholders Agreement that are applicable to an Executive (as defined in the Stockholders Agreement). Execution and delivery of this Agreement by the Subscriber shall also constitute execution and delivery by him of the Stockholders Agreement, without further action of any party.

(b) The Company, PVF and the Subscriber hereby agree that effective upon the consummation of a Qualified IPO (as defined in the Stockholders Agreement) of the Company, the Subscriber shall no longer be a party to the Stockholders Agreement and the Stockholders Agreement shall automatically terminate, without further action of any party, with respect to the Subscriber and the Purchased Shares; *provided* that no such termination shall relieve any party thereto (including the Subscriber) of any liability or damages to any other party thereto resulting from a breach of the Stockholders Agreement prior to such termination.

Section 8. Governing Law; Waiver of Jury Trial. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without reference to the conflict of laws principles thereof. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware located in the County of New Castle and the Federal courts of the United States of America located in the County of New Castle solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware State or Federal court located in the County of New Castle. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in this Agreement or in such other manner as may be permitted by law shall be valid and sufficient service thereof. *Each of the parties irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any and all rights to trial by jury in connection with any litigation arising out of or relating to this Agreement or the transactions contemplated hereby.*

Section 9. Assignment; Binding Effect; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by the Subscriber (whether by operation of law or otherwise) without the prior written consent of the Company. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. Each of the Company's affiliates is a third party beneficiary under this Agreement. Notwithstanding anything contained in this Agreement to the contrary, nothing in this Agreement (other than as set forth in the immediately preceding sentence), express or implied, is intended to confer on any person other than the parties hereto or their respective heirs, successors, executors, administrators and assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement.

Section 10. Entire Agreement. This Agreement and the Stockholders Agreement constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and understandings (oral and written) among the parties with respect thereto.

Section 11. Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or otherwise affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

Section 12. Revocability. This Agreement may not be withdrawn or revoked by the Subscriber in whole or in part without the prior written consent of the Company.

MCJUNKIN RED MAN HOLDING CORPORATION
NONQUALIFIED STOCK OPTION AGREEMENT

THIS AGREEMENT (this "Agreement"), is made effective as of September 10, 2008 (the "Date of Grant"), between McJunkin Red Man Holding Corporation, a Delaware corporation (the "Company"), PVF Holdings LLC, a Delaware limited liability company ("PVF Holdings LLC") (solely for purposes of Section 15 hereof), and Andrew Lane (the "Participant").

RECITALS:

WHEREAS, the Company has adopted the McJ Holding Corporation 2007 Stock Option Plan (the "Plan"), which Plan is incorporated herein by reference and made a part of this Agreement. Capitalized terms not otherwise defined herein shall have the meanings given thereto in the Plan; and

WHEREAS, the Committee has determined that it would be in the best interests of the Company and its shareholders to grant an Option to the Participant pursuant to the Plan and the terms set forth herein.

NOW THEREFORE, in consideration of the services to be provided by the Participant to the Company pursuant to the Employment Agreement entered into by the Company and the Executive on September 10, 2008 (the "Employment Agreement"), and of the mutual covenants hereinafter set forth, the parties agree as follows:

1. Grant of the Option. The Company hereby grants to the Participant the right and option (the "Option") to purchase, on the terms and conditions hereinafter set forth, all or any part of an aggregate of 3,517.8582 Shares, subject to adjustment as set forth in the Plan. The Option Price shall be $8,812.18, which the Company and the Participant agree is not less than the Fair Market Value of the Shares as of the date hereof.

2. Vesting; Period of Exercise.

(a) Subject to the earlier termination or cancellation of the Option as set forth herein, the Option shall vest and become exercisable as follows:

(i) Prior to the second (2nd) anniversary of the Date of Grant, no portion of the Option shall vest or be exercisable;

(ii) On and after the second (2nd) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-fourth (1/4) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary;

(iii) On and after the third (3rd) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one-half (1/2) of the Shares

originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary;

(iv) On and after the fourth (4th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of three-fourths (3/4) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary; and

(v) On and after the fifth (5th) anniversary of the Date of Grant, the Option shall vest and be exercisable with respect to an aggregate of one hundred percent (100%) of the Shares originally subject to the Option, provided that the Participant's Employment with the Company has not terminated as of such anniversary.

(vi) Notwithstanding the foregoing, in the event that the Participant's Employment is terminated (A) by the Company other than for Cause or Disability (as each is defined in the Employment Agreement), (B) by the Executive for Good Reason (as defined in the Employment Agreement) or (C) by reason of the Executive's death or Disability, the Option shall, to the extent not then vested, become vested as follows: if termination occurs during the first two (2) years of employment, a pro-rata portion of 1/4 of the Shares subject to the Option will vest, such pro-rata portion to be determined based on the number of months worked since the date of grant divided by twenty four (24), and if termination occurs during the third (3rd), fourth (4th) or fifth (5th) years of employment, a pro-rata portion of 1/4 of the Shares subject to the Option will vest, such pro-rata portion to be determined based on the number of months worked since the previous vesting date divided by twelve (12).

(vii) Notwithstanding the foregoing, in the event of the occurrence of a Change in Control (as defined in the Employment Agreement), the Option shall, to the extent not then vested, automatically become fully vested and exercisable.

The portion of the Option which has become vested and exercisable as described herein is hereinafter referred to as the "Vested Portion."

(b) If the Participant's Employment is terminated by the Company for Cause, the Option shall, whether or not vested, be automatically canceled without payment of consideration therefor.

(c) If the Participant's Employment with the Company terminates for any reason other than (A) by the Company for Cause or Disability, or (B) by reason of the Participant's death or Disability, the Option shall, to the extent not previously vested, be automatically canceled by the Company without payment of consideration therefor, and the Vested Portion of the Option shall remain exercisable until the earliest to occur of (A) the ten (10) year anniversary of the Date of Grant and (B) ninety (90) days following the date of the Participant's termination of Employment.

(d) If the Participant's Employment with the Company is terminated due to the Participant's death or Disability, the Participant may exercise all or any part of the Vested Portion of the Option at any time prior to the earliest to occur of (A) the ten (10) year

anniversary of the Date of Grant and (B) twenty-four (24) months following such termination of Employment.

3. Method of Exercise.

(a) The Vested Portion of the Option may be exercised by delivering to the Company at its principal office written notice of intent so to exercise. Such notice shall specify the number of Shares for which the Option is being exercised (the "Purchased Shares") and shall be accompanied by payment in full of the Option Price in cash or by check or wire transfer; provided, however, that with the written consent of the Committee (which consent may be withheld for any or no reason), payment of such aggregate exercise price may instead be made, in whole or in part, by (A) the delivery to the Company of a certificate or certificates representing Shares having a Fair Market Value on the date of exercise equal to the aggregate exercise price, duly endorsed or accompanied by a duly executed stock power, which delivery effectively transfers to the Company good and valid title to such shares, free and clear of any pledge, commitment, lien, claim or other encumbrance (such shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of such exercise), or (B) by a reduction in the number of Purchased Shares to be issued upon such exercise having a Fair Market Value on the date of exercise equal to the aggregate exercise price in respect of the Purchased Shares, provided that the Company is not then prohibited from purchasing or acquiring such Shares. The Participant shall not have any rights to dividends or other rights of a stockholder with respect to Shares subject to the Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee or pursuant to the Plan or this Agreement.

(b) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange (collectively, the "Legal Requirements") that the Committee shall in its sole discretion determine to be necessary or advisable, unless an exemption to such registration or qualification is available and satisfied. The Committee may establish additional procedures as it deems necessary or desirable in connection with the exercise of the Option or the issuance of any Shares upon such exercise to comply with any Legal Requirements. Such procedures may include but are not limited to the establishment of limited periods during which the Option may be exercised or that following receipt of the notice of exercise and prior to the completion of the exercise, the Participant will be required to affirm the exercise of the Option following receipt of any disclosure deemed necessary or desirable by the Committee.

(c) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. Such certificates will be held by the Company on behalf of the Participant until such time as the Shares represented by such certificates are transferred as permitted by the Stockholders Agreement.

(d) In the event of the Participant's death or Disability, the Option shall remain exercisable by the Participant's executor or administrator, or the person or persons to

whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, for the period set forth in Section 2(d) (and the term "Participant" shall be deemed to include such heir or legatee). Any such heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

(e) In consideration of the grant of this Option, the Participant agrees that, as a condition to the exercise of any option to purchase Shares (whether this Option or any other option), the Participant shall, with respect to such Shares, have become a party to the Stockholders Agreement.

4. No Right to Continued Employment. The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliates' right to terminate the Employment of such Participant.

5. Legend on Certificates. The certificates representing the Shares purchased by exercise of the Option shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

6. Transferability. Unless otherwise determined by the Committee, the Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

7. Withholding. The Participant shall be required to pay to the Company or any Affiliate, and the Company shall have the right and is hereby authorized to withhold, any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under, or with respect to, the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes. The Participant shall be solely responsible for the payment of all taxes relating to the payment or provision of any amounts or benefits hereunder.

8. Securities Laws. Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

9. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Participant's legal representatives. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's heirs, executors, administrators and successors.

10. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of this Agreement shall be determined by the Board. Any determination made hereunder shall be final, binding and conclusive on the Participant, the Participant's heirs, executors, administrators and successors, and the Company and its subsidiaries for all purposes.

11. Notices. Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party hereto at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

12. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York, without regard to principles of conflicts of laws.

13. Option Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan, as applicable, will govern and prevail.

14. Accredited Investor Status Representation of Participant. Please check the box next to any of the following statements that apply:

- o Your individual net worth, or joint net worth with your spouse, as of the date hereof, exceeds $1,000,000;
- o You had individual income in excess of $200,000 in each of the two most recent years, or joint income with your spouse in excess of $300,000 in each of those years, and have a reasonable expectation of reaching the same income level in the current year; or
- o None of the statements above apply.

15. Adoption of Stockholders Agreement.

(a) The parties hereto agree that, upon the grant of the Option hereunder, the Participant shall be made a party to the Management Stockholders Agreement among PVF LLC (formerly known as McJ Holding LLC), the Company, and the other parties thereto (the "Stockholders Agreement") as an "Executive" (as defined in the Stockholders Agreement) with the rights and obligations of holders of "Stock" (as defined in the Stockholders Agreement) and

the Participant hereby agrees to become a party to the Stockholders Agreement and to be bound by, and subject to, all of the representations, covenants, terms and conditions of the Stockholders Agreement that are applicable to an Executive with such rights and obligations. Execution and delivery of this Agreement by the Participant shall also constitute execution and delivery by the Participant of the Stockholders Agreement, without further action of any party. A copy of the Stockholders Agreement is attached hereto as Exhibit A. In addition to the representations and warranties in the Stockholders Agreement that Participant makes as an Executive, the Participant represents and warrants to the Company that (A) the Participant has carefully reviewed the Stockholders Agreement and has also reviewed all other documents the Participant deems necessary or desirable in order for the Participant to become a party to the Stockholders Agreement (by executing this Agreement), (B) the Participant has been granted the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Stockholders Agreement and the terms and conditions thereof that the Participant deems necessary and (C) this Agreement (and by executing this Agreement, the Stockholders Agreement) has been duly executed and delivered by Participant and constitutes a valid and binding agreement of Participant enforceable against the Participant in accordance with its terms and the terms of the Stockholders Agreement.

(b) The Company, PVF Holdings LLC and the Participant hereby agree that effective upon the consummation of a Qualified IPO (as defined in the Stockholders Agreement) of the Company, the Participant shall no longer be a party to the Stockholders Agreement and the Stockholders Agreement shall automatically terminate, without further action of any party, with respect to the Option granted to the Participant hereunder and any shares received by the Participant upon the exercise of the Option; *provided* that no such termination shall relieve any party thereto (including the Participant) of any liability or damages to any other party thereto resulting from a breach of the Stockholders Agreement prior to such termination.

16. Signature in Counterparts. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, effective as of the Date of Grant.
