Item 5.02 Departure of Principal Officers; Election of Directors; Appointment of Principal Officers.

The Board of Directors (the “Board”) of MRC Global Inc. (the “Company”) has elected a new director, Dr. Anne McEntee.

The Company issued a press release on September 28, 2022 to announce that the Board elected Dr. McEntee to the Board, effective September 27, 2022, for an initial term expiring at the Company’s annual meeting of stockholders in 2023.

Dr. McEntee, age 51, currently serves as the chief executive officer for the Onshore Wind Digital Services unit of GE Renewable Energy. She joined GE in 1998 and has held various managerial and leadership roles across multiple GE businesses including the Energy, Power, and Oil & Gas Divisions. From conventional power services, flow and process technologies, and driving the energy transition in the Renewable Energy Division, Anne has extensive experience in the energy sector. She holds a B.S. in Applied Mathematics, M.S. in Mathematics and PhD in Applied Mathematics, all from Rensselaer Polytechnic Institute. Dr. McEntee has not yet been appointed to serve on a committee of the Board.

Dr. McEntee will receive the same compensation as other non-employee Company directors as described in the MRC Global 2022 Proxy Statement under “Non-Employee Director Compensation”.

There is no arrangement or understanding between Dr. McEntee and any other persons pursuant to which she was selected as a director. Dr. McEntee does not have any direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K. She has entered into the Company’s standard director indemnification agreement, whereby the Company agrees to indemnify, defend and hold its directors harmless from and against losses and expenses incurred as a result of their Board service, subject to the terms and conditions provided in the agreement.

Anne McEntee Joins MRC Global's Board of Directors

HOUSTON, Sept. 28, 2022 (GLOBE NEWSWIRE) – MRC Global Inc. (NYSE: MRC) announced today that Anne McEntee has joined MRC Global's board of directors.

Robert Wood, MRC Global's chairman of the board of directors, commented, "I am thrilled to welcome Anne to our Board as a new independent director. Anne's impressive career at GE, including leadership roles in renewable energy, greatly expands the capabilities and insights available to MRC Global. Her appointment continues the refreshment of our Board and supports our commitment to diversity among our directors."

Dr. McEntee currently serves as the chief executive officer for the Onshore Wind Digital Services unit of GE Renewable Energy. She joined GE in 1998 and has held various managerial and leadership roles across multiple GE businesses including the Energy, Power, and Oil & Gas Divisions. From conventional power services, flow and process technologies, and driving the energy transition in the Renewable Energy Division, Anne has extensive experience in the energy sector. She holds a B.S. in Applied Mathematics, M.S. in Mathematics and PhD in Applied Mathematics, all from Rensselaer Polytechnic Institute.

"Anne brings a wealth of relevant industry experience and a sharp business acumen to our Board," added Rob Saltiel, MRC Global's president and CEO. "As we increase our company's focus on the energy transition as a sustainable growth vehicle, Anne's deep knowledge and extensive background in related projects and businesses will be invaluable. I look forward to working with Anne and our entire Board in advancing MRC Global's growth strategy."
